#### **+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS**

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. **We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others.** We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for evil, you will turn it around and use it for the good of your people. **We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to**

them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

[What in the World Are They Spraying? & Chemtrial Prayer](#)

I have a remedy and this is one I practice quite often and see it work over and over for many years. Get on your knees and come against this evil in the name of the Lord Jesus Christ by the power of the Holy Spirit, His angelic host, the Sword of the Spirit which is the Word of God and the Blood of Jesus Christ. Pray that God would sweep all the chemtrials poisons out of the air and that these planes would not even be able to function to even get off the ground to spray this poison over your airspace or any surrounding airspace. Pray the fear of God would fall on the pilots, crews and their ground crews and that they would come face to face with the Blood of the Lord Jesus Christ, the power of the Holy Spirit, His Holy angelic host, the Sword of the Spirit and that if it be possible that the Lord would save their souls. If you do this in conjunction with fasting it essentially supercharges this or prayer. God bless!--Scott

### [Portal to Hell: Houska Castle--Something Strange Is Happening Underground](#)

Thursday, July 30, 2020 12:53

The mysterious Houska Castle is one of the strangest places you've never heard of.

Houska castle, and most specifically the chapel, has been constructed over a large hole in the ground that is allegedly a "gateway to Hell", which was said to be so deep no one could see the bottom of it. Animal-human hybrids were reported to have crawled out of

it, and dark-winged, otherworldly creatures flew in its vicinity. Legend has it that

when construction began in the castle, all of the inmates that were sentenced to death were offered a pardon if they consented to be lowered by rope into the hole, and report back on what they saw. When the first person was lowered, he began screaming after a few seconds, and when pulled back to the surface he looked as if he had aged 30 years. He had grown wrinkled and his hair had turned white.

According to the Prague Tourism web site, the castle is reputed to have various types of ghosts, “a bullfrog/human creature, a headless horse, and an old woman” as well as the remains of “demonic beasts who escaped the pit”.

Houska Castle was built with no fortifications, no source of water, no kitchen, near no trade routes, no external defenses, and with no occupants at its time of completion. It is in forests, swamps, and mountains. The castle was not built as a residence or as a protective sanctuary but was instead built because the hole was thought to be a gateway to hell. Thus, by constructing the Gothic building, they were able to keep the demons trapped in the lower level thickest walls closest to the hole of the castle.

The Travel Channel series “Legendary Locations” covered several sites in Season 2, Episode 4, including the castle “said to protect a portal to hell”. Houska Castle was featured on an episode of Ghost Hunters International which aired on SyFy on July 22, 2009. Most Haunted Live visited the castle on March 26, 2010. The French team of paranormal investigators, Recherches investigations paranormal, investigated the Castle in 2013 in their episode “The Hell Gate” (Episode 2, Season 3).

**Take This To the Lord In Prayer: [Soon They're Going To Try To Enact Something Akin To The Digital Mark And Force Us All Into Slavery - Tyranny Is Here When Government Can 'Just Turn Off Your Money' To Force You To Comply With Their Agendas](#)**

In this [important new story over at WND](#) Thursday morning they report on an interesting new development about to unfold in America (that if Robert Kiyosaki, investment guru and author of the [personal finance book "Rich Dad, Poor Dad,"](#) and former CIA employee and economist Jim Rickards are correct) will completely 'reset' America's monetary system in what Kiyosaki called '[the most treasonous act in US history](#)'.

With Kiyosaki and Rickards warning December 13th marked the date when [Joe Biden's Executive Order 14067 - Ensuring Responsible Development of Digital Assets](#), signed on March 9th of 2022, would do away with our current monetary

system, as that WND story reports, when that warned of day happens, "**paper money would be worthless and the U.S. dollar would crash.**"

Ushering in a new 'digital age' in which 'money' could be much more easily 'controlled' than the current dollar system, while we here at ANP absolutely hate to put definitive 'dates' on potential future events that we have no control over, it's alarming what the WND story reports this new system will allow 'government' to do, quite literally allowing them to 'turn off' our 'money' if we don't 'comply' with their agendas.

Turning America into something that looks a lot like what's happening now in China where their social credit system allows 'govt' to give poor scores to people who don't go along with their agenda, quite literally **allowing them to 'punish' their citizens** and take away freedoms, as one ANP reader warned us while sending us that WND story via email, "*Could be the reason for hiring 87,000 new IRS agents, & could also be the reason why our govt has cranked out hundreds of billions in the last year. **Use the fiat currency to buy up everything, then crash the system. Enact the digital "mark" and force all of us into slavery.***

So with every day pushing America closer and closer to something that looks much more like a slave colony than a free country, and the globalists using their 'great reset' in an attempt to usher in a global totalitarian political system, we'll hear from 'Rich Dad, Poor Dad' author Robert Kiyosaki in the first video at the bottom of this story in which he warns us about the rapid dawn of the 'great reset,' taking aim at Klaus Schwab, Henry Kissinger and other heads of state and billionaire power brokers who've determined that **by 2030, the little people "will own nothing and be happy."**

Warning within that video that all of these globalist ideologies are both dangerous and evil, they also quote Henry Kissinger whose words give us a look at the future if we allow it.:

*"If you control the food, you control a nation. If you control the energy, you control a region. If you control the money, you control the world."* Henry Kissinger

And Kiyosaki and his guests warn us bluntly, **History tells us this is true.**

According to **this story over at NH Global Partners, 2022 marks a new phase in the development and implementation of China's social credit system,** with "an estimated **80 percent of provinces, regions and cities having introduced some version of the system,** or being about to do so" and "the implementation of the system for corporations is especially advanced" with "more than 33 million businesses in China have already been given a score under some version of the corporate social credit system".

With that story showing how fast things are accelerating in China towards the full implementation of their digital tyranny system, it also reported that back in 2018, former US VP Mike Pence **sounded the alarm bells about China's social credit system, stating "China's rulers aim to implement an Orwellian system premised on controlling virtually every facet of human life – the so-called "social credit score."**

And with **Business Insider back in December of 2021 reporting** of that system "*China's 'social credit' system ranks citizens and punishes them with throttled internet speeds and flight bans if the Communist Party deems them untrustworthy,*" it doesn't take too much imagination to **imagine what Democrats would do should they have the same**

**powers and more here in the US, with the left itching for tools that would allow them to 'throttle' us in any way they can.**

And as that previously mentioned WND story alluded to, just **imagine them having the power to turn off our debit cards as we stood in line at the cash register to pay for our food and supplies.** Quite literally **giving them the power to starve us to death,** the following excerpt comes to us **from this WND story.:**

**Kiyosaki called President Joe Biden's signed executive order "the most treasonous act in U.S. history" and the creation of Central Bank Digital Currencies, or CBDC, as "communism in its purest form," encouraging Americans to "stay awake."**

**He is joined by Jim Rickards, another economist, investor and former CIA official who is calling it a step toward the end of cash, the greenback, in circulation since the founding fathers. The new "digital tokens" can be "turned off" if the government doesn't like what you are doing.**

**Rickards has four decades of experience on Wall Street. Rickards criticized CBDC and labeled it as "Bitcoin's Evil Cousin." He also exposed the supposed singular event called C-Day, which according to him, will take place on Dec. 13, 2022, and will disrupt the traditional financial systems in the U.S.**

**He said when what he calls "C-Day" happens, paper money would be worthless and the U.S. dollar would crash. He further added that consumer spending and access to basic needs would also be restricted, and people holding too much money would be penalized.**

**Notes Rickards, "Thanks to Section 4 of Biden's Executive Order 14067, calling for urgent research into developing the digital dollar, I believe the U.S. dollar, the standard of the world since 1792 ... will be REPLACED by a new currency, the digital dollar." "I call the digital dollar 'Biden Bucks' because I want him to take full credit for what I consider to be crimes," says Rickards.**

**"This is not like the money in your online bank account ... No, this is new and different. Every digital dollar will be a programmable token, like bitcoin or other cryptocurrencies. But there's a big difference ... Cryptocurrencies are decentralized digital currencies. Instead, if it plays out the way I see it ... Biden Bucks will have the full backing of the U.S. Federal Reserve. They will REPLACE the cash ('fiat') dollar we have now. And will soon be the sole, MANDATORY currency of the United States."**

**Also warning that this new system will be used to push such pet projects of the left as electric vehicles and green energy, their story warns of scenarios like this unfolding in our near futures.:**

**You want to keep your internal combustion engine car? Your digital dollars suddenly won't pay for gas. You'll be forced to buy an electric vehicle.**

**Rickards calls it "the tip of the fascist iceberg."**

**"America would become a surveillance state like China or North Korea" he says.**

### **Israel Bans Large Cash Transactions, Requires Digital Payments**

**Israel has just banned using cash for purchases larger than \$1,700 and instead requires residents to use digital transfers or debit transactions. Prior to the decision, cash transactions were capped at \$3,200.**

Exemptions for private citizens are in place, which allows for exchanges of up to \$4,360 in cash. In addition, charitable organizations and those trading with Palestinians who are not citizens of Israel are also exempt for a limited time. The intended effect of the new law is to reduce the amount of physical cash on the market.

Israel has been [at the forefront](#) of adopting “digital ID” and digital currency technology. In 2020, Israel was among eight nations that formed the Digital Identity Working Group to discuss how to implement a global digital identity system for trade and travel.

Other members of the group include Canada, the Netherlands, the UK, Singapore, New Zealand and Finland.

This year the country’s Interior Ministry also asked to [extend](#) the collection of fingerprints for Israel’s national biometric ID database.

The government hopes to update the database soon to include facial recognition information about residents.

Similarly, [as reported](#) in The Counter Signal, the Canadian government is working with several major Canadian airlines to implement digital ID and facial recognition technology for air travel by next year.

It’s clear that a precedent has been set, and Israel and the Western world are edging closer toward a cashless digital surveillance state from which there may be no return.

**"We will never turn over any information on our customers to the government no matter the cost us," Chad Myers, the president of JM4 Tactical, noted. "To do so would violate our core beliefs. **Former FBI Deputy Asst. Director: We May Have Highest Level of Government Penetrated by Chinese Agents... The Revolution Is Here – Communist Revolution (VIDEO)**

Former FBI Deputy Assistant Director Terry Turchie joined Jesse Watters on FOX News on Thursday.

Turchie warned that China may have infiltrated the highest levels of government. This is not such a bold statement considering who is sitting in the Oval Office today and his Chinese business dealings. And then Terry Turchie compared what is happening in America today to a communist revolution.

Here is the former FBI Deputy Assistant Director Terry Turchie with Jesse Watters.

Terry Turchie: "we may very well have our highest level of government penetrated by Chinese agents. The evidence is certainly on the surface. And the patterns are there. I worked this stuff. I know what it looks like. And many agents feel this way... What this is – This is the revolution, the real revolution. It's been going on in America. It's been going on for several years. The people in power are moving America towards the communist ideology-type place. The people today are all concerned there's no precedent for this. Well, no there isn't. They're looking in the wrong place. The precedent is in the Cuban revolution, the Russian revolution, and everywhere when the communists have eventually taken over."

**IRS Amassing Its Own Satanic Army Willing To Use Deadly Force While The Federal Reserve Intensifies It's Inflation Tax--U.S. Taxpayers Spend Billions For Their Own Enslavement & To Arm The Weaponized IRS**

**Play to 5:11:** <https://theinfowar.tv/watch?id=62f7b00baea2e26b2daa769d>

The screenshot shows the IRS website with a search bar and a list of 'Major Duties' for a job posting. The duties listed are:

- Adhere to the highest standards of conduct, especially in maintaining honesty and integrity.
- Work a minimum of 50 hours per week, which may include irregular hours, and be on-call 24/7, including holidays and weekends.
- Maintain a level of fitness necessary to effectively respond to life-threatening situations on the job.
- Carry a firearm and be willing to use deadly force, if necessary.
- Be willing and able to participate in arrests, execution of search warrants, and other dangerous assignments.

**Emboldened IRS demands new hires be willing to KILL AMERICANS ... see IRS rifle team training photos and more**

**Just two days after the IRS ran a help wanted ad that demanded new hires be willing to kill Americans as part of collecting tax money, illegitimate AG Merrick Garland goes on live TV and lectures the American people, demanding they stop bullying the FBI and the DOJ.**

**Garland astonishingly claims to be upholding “the rule of law” as his lawless cabal of armed tyrants run roughshod across America, terrorizing anyone connected to the Conservative or the America First movement.**

**As this is happening, the IRS is building a massive army of heavily armed executioners whose job**

**description requires they be willing to fire upon — and kill — private American citizens.**

**A recent job posting on USAjobs.gov listed the “Major Duties” of the new IRS employees as including a willingness to use “deadly force” to fire upon American citizens and kill them.**

**No doubt the “dangerous assignments” described by the IRS include assaulting and murdering American citizens, then confiscating their property.**

**Notably, the IRS doesn't need to exist at all since the IRS taxes don't even fund the government (See the report after this one). America is so deep in debt that it's mostly funded by money printing, not tax collection. Taxes are not in any way necessary to keep the US government funded. It can simply print the money it needs at any time, essentially without cost.**

**The real purpose of the IRS is not to collect taxes but to terrorize the American people and prevent people from ever retiring on assets they've saved.**

Adding to the disgust of all this, the [IRS Criminal Investigations annual report from 2021](#) brags about **IRS rifle fire teams and IRS "police" shooters** taking aim at rows of

targets that represent American taxpayers.

**These photos are taken from that IRS report, which seemingly celebrates the mass shooting of Americans in cold blood:**

**Note that IRS agents being trained to kill Americans are also impersonating police by wearing "POLICE" shirts even though they have zero actual police authority.**

**They are not police. They are a runaway, power hungry, thuggish federal agency that's building its own private paramilitary**

**force to go to war with the American people.**

Those paper targets in the following photo, as you might notice, are not simply target circles. **They are images of people.** American people:

What these targets prove is that **the IRS is deliberately training to shoot American citizens**, and they are "desensitizing" their troops to be able to pull the trigger when they are shooting people.

So just as AG Garland is lecturing Americans to stop being mean to the FBI, **the IRS is raising a massive,**

**heavily armed military-like army of tax agents who will shoot to kill on command.**

**This is wildly unconstitutional and extremely dangerous to our republic, yet Garland and the illegitimate American political regime pretend that they are the victims, and that the American people deserve to be assaulted and shot by federal agents.**

What's clear is that **the DOJ, FBI and IRS are waging a hot war against the American people**, literally training their agents to murder Americans on command. **Also the IRS even purchased over 5 million rounds of ammunition just this year alone**, arming up its paramilitary troops with ammunition for the very same AR-15 rifles that Democrats claim are "weapons of war." As the [NY State Firearms Association explains](#):

*In just the last few months, the Internal Revenue Service has bought almost 5,000,000 rounds of small arms ammunition — spending almost \$700,000 in the process.*

*The obvious question is why would a bunch of bean counters who spend their days staring at computer screens need to stock up on millions of rounds of ammo?*

3,151,500 rounds of pistol ammo.

Over 350,000 rounds of shotgun ammo.

Almost 1.5 million rounds of rifle ammo.

The answer is obvious: **The IRS is raising a massive army to wage war against the American people.**

## Where Do Your Hard Earned IRS Tax Dollars Really Go?

If you think the IRS is lawful & that your Income Tax goes to running the United States watch: **America: Freedom to Fascism:**

And where do the income taxes that are collected actually go? In 1982, President Ronald Reagan formed The President's Private Sector Survey On Cost Control, an independent panel of 160 of the country's top business leaders headed by Peter Grace and known as **The Grace Commission**, in order to find ways to cut federal spending.

In their report submitted to President Reagan on January 15, 1984, this blue-ribbon panel stated the following, quoting directly from page 12 of their report:

"Resistance to additional income taxes would be even more widespread **if people were aware** that **one-third of all their taxes are consumed by waste and inefficiency in the Federal government** as previously identified. With two-thirds of everyone's personal income taxes wasted or not collected, **100% of what is collected is absorbed solely by interest on the federal debt** ... in other words, all individual income tax revenues **are gone before one nickel is spent on the services taxpayers expect from the government.**"

**More Facts Regarding the IRS:**

**1. The IRS is not a U.S. Government Agency. It is an Agency of the IMF.**

**2. The IMF is an Agency of the United Nations.** (*Blacks Law Dictionary 6th Ed. Pg. 816*)

**3. The U.S. Has not had a Treasury since 1921.** (*41 Stat. Ch.214 pg. 654*)

**4. The U.S. Treasury is now the IMF.** (*Presidential Documents Volume 29-No.4 pg. 113, 22 U.S.C. 285-288*)

**What's the big deal about the Fed? For starters, it's not (contrary to popular belief) a part of the government.**

**It's privately owned...which means the United States does not control its own money supply.**

**The Fed was created around the same time that the US adopted such charming practices as taxing the income of working people and conscripting its citizens against their will to fight and die in overseas wars. Who really rules America? It's not who you think.**
