### **PRAYER TO NEUTRALIZE OCCULT RITUALS**

**Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. We place a hedge of warring angels with**

**flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that**

they become caught in their own snares and fall into the pits that they intended for others. We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:

**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprovved are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary

defines: "Reprove": To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt. "Circumspectly": Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive the very elect."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**Luke 21:36** Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

**Matthew 24:13** But he that shall endure unto the end, the same shall be saved.

**Psalms 101:3:** I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

**Psalms 11:5:** The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

**1 Cor 15:33:** Be not deceived: evil **communications** corrupt good manners.

Lexicon Strong's G3657--Outline of Biblical Usage of the Word:

"Communications": companionship, communion

***"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men."*** Samuel Adams

***"The average age of the world's great civilizations has been two hundred years.***

***These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage."*** Alexander Fraser Tytler

**Congress Says UFO "Threats" Are Increasing**

Since the mystery of the July 1947 Roswell, New Mexico UFO crash incident, people have reported UFO sightings at a much faster rate than ever before. Whether it is advancing technology or lessening a stigma, the sightings are getting more and more common. Now a new report has surfaced that shows an

alarming change in the [United States Government's position](#), the recognition that not all UFOs are man-made.

If you missed this revelation, you would be forgiven. It took place in a budgetary report, which is a lot like reading the back of a fertilizer bag to procrastinate doing work in the garden. However, [deep in the report](#), UFO researcher Douglas Johnson noticed some alarming comments that could change how we think about the government and aliens. [The revised definition of "UFO" also includes "transmedium" objects which, according to lawmakers, "transition between space and the atmosphere, or between the atmosphere and bodies of water."](#) In short, members of a key national security-focused committee believe that objects of unknown origin are demonstrating [remarkably advanced technology](#) by moving seamlessly between space, air and water. A report accompanying the legislation [notes](#) that "transmedium threats to United States national security are expanding exponentially."

**Another report:** ([The Hill](#)) – In Congress, where legislation is drafted, debated and enacted, clear and concise definitions are of paramount importance. [As military aircrews increasingly encounter unidentified flying objects \(UFOs\), lawmakers recently made several striking revisions to the definition of "UFO." Key among them: The explosive implication that some UFOs have non-human origins.](#)

Please pray that God lets this pass over us! The apartment complex where I live have given residents only two days notice that they will be installing a Smart Lock system on our doors which will require an app to unlock your door and plug us into a system where they have access to our information. It also uses WiFi signals intermittently through out. There is only a handful of people resisting against this and the officials are hiding due to Covid requirements. One man has tracked the management down and they told him you need a disability accommodation form and to fill it out, but what about those who don't have a disability? Some residents are elderly and cannot use technology. I feel like this is an attack from the enemy and we are fighting an invisible battle.

-----  
**Scott Johnson's Response:** Yes I will pray but this is why I have been warning about living in the city (and particularly apartments buildings) for so long. The bottom line is 'they' have you right where they want you and your one voice is most likely not going to trump the silence of all the other hundreds in a given apartment complex. I just saw this and it pertains to this: [We're dealing with wifi, 5G, towers, cellphones, blue-tooth, wireless, and more, all resulting in one huge societal health crisis](#)

I believe the Bible warns about this here: [Isa 5:8: Woe unto them that join house to house, that lay field to field, till there be no place, that they may be placed alone in the midst of the earth!](#)

God bless you, Scott

**YOU NEED TO SIT DOWN WITH THEM FOR SEVERAL HOURS AND FORCE THEM TO LOOK AT THIS INFORMATION. This shot is just a killer.**

**These people ALL HAVE VERY FEW LYMPHOCYTES including the teens I see, ALL OF THEM. Their humeral immunity has to be just totally shot. I get excited now when I see a formerly normal profile. BTW, YOU MARK MY WORD THEY ARE GOING TO CHANGE THE NORMAL RANGES IF THIS CONTINUES LIKE THIS.**

**The number of young adults and teens who have elevated liver enzymes like an old drunk with advanced cirrhosis is just beyond crazy, I mean like.... WOW... They are showing up at the hospital with mysterious medical conditions that I promise you no one can treat.**

**I believe these people I work with are honestly doing what they think is best, but they are under the strongest of delusions, part of this is because they themselves took that shot...They honestly believe they are seeing some sort of Covid profile, from past Covid infection maybe, or I have no idea why there is no discussion about these strange hematology profiles and all these crazy liver enzymes. That being said, just like in the video above, when people figure out what is going on, especially when it is their children who start dying or are completely disabled. They are going to be so mad there are going to be real shootings and what not at clinics and hospitals.**

I am very sorry they are starting their young lives in this evil time. Making a stand against this and all vaccines is going to make their young lives very, very hard.

**+2+ Listener Comment on Covid Shot Shedding**

Hello Scott! Thank you for your dedication in getting audios out. I don't know what to say in reference to all the horrible things going on, it's maddening and heartbreaking!

As far as the vax shedding, I do know, I personally have been experiencing on and off again issues from being around the vaccinated. I have ongoing eye infections, terrible head and neck pain, hip pain, feet pain and lymphatic Issues! I don't live an unhealthy or sedentary lifestyle- in fact since I got super sick back in February (horrible stomach bug after spending an evening with the vaxxed), I pretty much been on a keto (paleo at times) like diet and have been taking supplements for many years. I just keep pushing through and up my mineral intake.

To top that my cycle has completely stopped for 3 months now. I was taking the Chaste tree I ordered from you because of heavy and double cycles I started to experience, and I have always been regular with no issues in that area, so I figured it was some sort of hormone change that I was going through. When my cycle just stopped I thought that was weird but could be perimenopause....or is it? I'm now hearing the same from everyone I know between the ages of 45-50 (non vaccinated friends), that all of their cycles have stopped. What are the chance of all of us at the same time?!

I also know some homeschool moms (not vaccinated) who had blood tested and shown spike protein in their blood.

There's nowhere to go. We have our camper in a very remote rural area with no municipal water in the entire county and the 5g and smart meters surround the campsite! So disgusting. Stay praying and God Bless you!

Subject: **Listener Comment Regarding Shedding Spike Protein & Dr. Johnson's Response**

Dr. Johnson, I have hear varying opinions regarding the Spike Protein. Does that only shed soon after vaccination, or does it just keep shedding and shedding indefinitely?

I have friends coming to visit and stay overnight...will they shed in my bedding? If so, what can I do to get it out of bedding and out of me?

I have heard that Fulvic Minerals are good, as well as Resveratrol

Your thoughts and suggestions...

Thank You, Jill

Jill: Well there is really no way for me to answer this question as that would require studies on the Covid vaxxed (and even that would need to be separated into single, double, triple and quadruple vaxxed groups) and you know that will never happen; but reference the 2<sup>nd</sup> half of this study I just did at: [Emergency Freedom Alerts: 7-18-22-Part 2](#) where I covered this report with tons of testimonies about the covid shot shedding:

**Is pine needle tea the answer to covid vaccine shedding / transmission? Learn about suramin, shikimic acid and how to make your own extracts**

Word is spreading that pine needle tea may offer a solution against [covid vaccine "shedding" or transmission](#), which appears to be a phenomenon where vaccinated people are spreading harmful particles or substances to others around them. See [this article from a WordPress blog site called "Ambassador Love."](#)

That article states:

***There is a potential antidote to the current spike protein contagion which is called Suramin. It's found in many forests around the world, in Pine needles. Suramin has inhibitory effects against components of the coagulation cascade and against the inappropriate replication and modification of RNA and DNA. Excessive coagulation causes blood clots, mini-clots, strokes, and unusually heavy menstrual cycles.***

***Pine needle tea is one of the most potent anti-oxidants there is and it's known to treat cancer, inflammation, stress and depression, pain and respiratory infections. Pine tea also kills parasites.***

Below, find a full podcast and video that reveals two extraction methods, both of which are simple, low-tech, low-cost methods that can be used almost anywhere.

Fresh pine needles from appropriate trees have been used for centuries as sources of vitamin C and other phytochemicals that Native Americans used to treat respiratory infections and other ailments. Vitamin C is a known cure for scurvy, as scurvy is a disease of vitamin C deficiency. Pine needles contain many other substances that appear to reduce platelet aggregation in the blood, potentially preventing blood clots that lead to strokes, heart attacks and pulmonary embolism diagnoses. (See published science sources below.)

### Pine Needle Tea

You can make pine needle tea two ways. One is to pull three or four needles off a tree and stick them in a cup of hot water. Wait a few minutes then enjoy with or without sweetener.

Or collected a handful of pine needles. Needles nearest the trunk are higher in Vitamin C. Chop the needles and put them into a tea ball. Bring water to a boil. Take off the boil. Steep the pine needles for 3-5 minutes. The tea is delicate.

### Black Cumin Seed Oil 'Strongly Binds' to Vaxxed Spike Protein--Prevents Vascular Damage

Black seed oil (from black cumin seed-NOT black currant seed) was used by [Queens Nefertiti](#) and Cleopatra in their beauty regimes; the [seed was discovered in the tomb of Pharaoh Tutankhamun](#). The earliest written reference to cumin seed is made in the Book of Isaiah (Isaiah 28:25,27).

In ancient Greece, renowned physicians like Galen and Hippocrates used this [seed](#) as a natural remedy for strengthening the body of patients suffering with general malaise and weakness.

Black cumin has even been described as a "miracle herb," and its name in old Latin, "Panacea," means "cure all." ([Source](#))

According to June, 2021, research published in the journal [Vascular Pharmacology](#): *Nigella sativa*, also known as [black seed or black cumin seed](#), "strongly binds" to ACE2 receptors in the lungs, and effectively stops coronavirus (Covid-19) from causing inflammation and vascular damage.

Nigellidine, an alkaloid of the [black cumin seed](#), uses molecular docking for binding to different angiotensin-binding proteins, as well as the covid spike protein.

They found that it "strongly binds" to the spike protein at what is known as the 'hinge region' (or active site opening), which, in turn, hampers its binding to ACE2 receptor surfaces.

All of this is technical – but bottom line it STOPS the spike protein!

**Dr. Scott Johnson's Comment:** With the recent advent Covid (and all that surrounds that issue like the vaxxed shedding their spike protein payloads to the unvaxxed) we should all be placing an ever increasing importance on immune system function. In other words the best way to combat all contagious infections is: #1) To not put yourself in harm's way (that is if you can help it) and #2) building up your own immune system as much as possible. Below I am endeavoring to show you how to do the later, as the best defense is a good offence. Ideally, we want to have a strong immune system before we have any potential exposure to any contagious infection. In order to do this certain criteria have to be met in the human body. I am going to highlight some of the most important factors in this document. **See below.** God bless!

**Subject:** **Listener Comment About Covid Jabbed Deaths**

Thank you for the updates. I can't tell you how many stories of illnesses and deaths that I hear about through family members lately. These are direct friends of theirs....just dropping dead mostly.

Some messages from 2 of my cousins- 1 in NJ (a nurse), and the other in FL. **All confirmed vaccinated people in these stories:**

**Start:** Here in Pitman in last couple days--49 y/o man dropped dead drinking coffee on his front porch. 59 y/o woman found dead in bed this morning by husband. And did I tell you about my friends aunt who just slumped over dead on the beach? From Multiple massive heart attacks

Also this girl at work is vaccinated. She is my age. A couple months ago she was diagnosed w some kind of cancer related to female organs. She had to have surgery. Supposedly she's cured. She was telling me Friday how she had to go get her booster.

Two women I know of in their 50s "unexpectedly died in their sleep". I'm so glad I didn't let those demo-rats bully me into getting the kill shot.

...There was a guy I knew 20 years, thru work. He ended up at the City I was working for, before my new job. My friend who works at the city said he didn't show up to work for 2 days, so they sent the police. My friend told me today he was found in his house. He had a stroke and was there 3 days alone. He's in critical condition. He was vaccinated.

A friend of mines sister was 55 w 2 young daughters died in her sleep.

Oh dear God...terrifying...more and more. Carolyn told me about a woman in her parish younger had kids in high school (9 kids) woke up couldn't see out of 1 eye and had a headache dead before got to ER from a bleed. I saw a news item about a senator whose 17 y/o daughter was found dead yesterday morning in bed. They showed a picture of her and him together outside wearing masks--so I'm sure she was vaxxd--they don't know the cause of death...

**\*ENDED MESSAGES \***

**This is only a handful of what they have sent to me over the last few months.**

**My cousin in FL. - not vaccinated, tells me that when I would talk about this stuff to her years ago, she thought I was crazy! Throughout all of this I get to witness to her and she's certainly receptive.**

The other cousin is a Catholic nurse who has always believed in a more natural approach, and only recently has awakened toward the political agendas. **Her**

husband did take the shot when it first came out- not too long after that she ended up in the hospital with low oxygen. He found her on the floor passed out.
