+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

[Donald Trump Shares Post Proclaiming Him Second Only to Jesus -- MAYBE TRUMP WILL GO DOWN IN HISTORY AS DID NARCISSUS, IN GREEK MYTHOLOGY-TAKING GLORY DUE ONLY TO GOD CAUSES ONES DAYS TO BE SHORTENED UPON EARTH](#)<<<Well he finally mentioned the name of Jesus, but

not in a confession of faith, but in a confession of PRIDE and ARROGANCE---Plus a Bible Study On Pride vs Humility

Well, we have seen the arrogance and pride of Donald Trump on display in the past and now, we're seeing it again. In fact, his arrogance is so incredible that it's downright blasphemous. This week, Trump [shared a photo](#) on his social media platform, Truth Social, in which he proclaimed he was second only to Jesus.

The image was an artist rendition of a very effeminate Christ, and I'm sure it is completely idolatrous as the second commandment says we are not to "make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth... (Exodus 20:4).

According to [Business Insider](#):

Former President Donald Trump shared a post on his Truth Social account on Friday, declaring him as "second" only to Jesus.

The post by Truth Social user @austinnegrete said: "Jesus is the Greatest. President @realDonaldTrump is the second greatest."

It accompanied an image of a painting of Jesus by artist [Dan Wilson](#).

Trump "ReTruthed," or reposted, the Jesus comparison to his 4.1 million Truth Social followers.

This isn't the first time Trump has used social media to blaspheme God. Here' Trump looking to heaven and proclaiming he is the "chosen one.":

<https://youtu.be/uw2KxYjP5ss>

Earlier, Trump had retweeted that he was the "King of Israel" and like "The Second Coming of God."

[President Trump Retweets He's "King Of Israel/Second Coming" – Wants Third Term](#)

Many have put him on a pedestal claiming that he is the ONLY one that can save us. What blasphemy!

There is Something Awesome About The Name of Jesus You are Going To Need To Know--Plus a Bible Study

[Phl 2:5](#) Let this mind be in you, which was also in Christ Jesus:

[Phl 2:6](#) Who, being in the form of God, thought it not robbery to be equal with God:

[Phl 2:7](#) But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men:

[Phl 2:8](#) And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross.

[Phl 2:9](#) Wherefore God also hath highly exalted him, and given him a name which is above every name:

[Phl 2:10](#) That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth;

[Phl 2:11](#) And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.

September 30, 2022--The Name of Jesus is our last line of defense against human and ultimately spiritual violence. It is not merely reciting the name that is powerful, but rather it is the authority that is behind the Name and our position within it that makes the difference.

When we proclaim the Name of Jesus we are letting both heaven and earth know that we are joint heirs with Christ and are declaring our Family Name! In such an environment of grace we have the authority to command spiritual violence and murder to cease in its advance against us.

Presently in the world there are sources of violent contention brewing and ready to pounce. So in the days ahead you can expect that there will be opportunities to stand in Christ and oppose various forms of attack. I say "stand" rather than advance, simply because we need to trust that God is on our side, so we really

don't need to pick a fight. In fact, I believe that we should avoid confrontation whenever possible, see:

[Rom 12:17](#) Recompense to no man evil for evil. Provide things honest in the sight of all men.

[Rom 12:18](#) If it be possible, as much as lieth in you, live peaceably with all men.

[Rom 12:19](#) Dearly beloved, avenge not yourselves, but *rather* give place unto wrath: for it is written, Vengeance *is* mine; I will repay, saith the Lord.

Let me give you an example of how God is capable of winning battles without lifting a finger.

A few years back I was meeting a friend of mine who was having some work done on his house. For the project, he had hired a man with whom he had previous business connections. **Yet on this day the two had a disagreement and the hired man started to become quite aggressive, even to the point of becoming violent.** Before the confrontation became ugly, the Holy Spirit prompted me to bind the spirit of violence that was on this man's life. I didn't bind the man, I bound the spirit. I said:

"In the name of Jesus I bind the violent spirit that is at work in this man."

Now I was about thirty feet away from this encounter and had whispered my command, but immediately the hired man turned to me obviously shaken and said, "Wait a minute **"we"** don't have a problem with you, **our** fight is with the boss!" My reply was: "That doesn't matter you are now bound from being violent." In short order the confrontation was over.

The key to dealing with any confrontation is to recognize that we are not wrestling with flesh and blood. We're dealing with powers that have gained position, power and control over people.

In this case both men had a familiarity with a violent spirit and each took their respective roles; one was prone to delivering violence and the other was prone to receiving it. This open door set the stage for a potentially destructive encounter.

[Eph 6:10](#) Finally, my brethren, be strong in the Lord, and in the power of his might.

[Eph 6:11](#) Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

[Eph 6:12](#) For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high *places*.

[Eph 6:13](#) Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

Let me give you another example. I was just getting out of my car the other day to go into a store, **when a large dog in another vehicle started to bark at me.** In frustration I yelled at the dog to shut up. Just about that time the owner of the dog was coming out of the store and he took offense at me yelling at his dog. With an angry and violent attitude, he proceeded to intimidate me by getting in my face. In that moment I thought I was about to get hit by a man half my age and **then the Holy Spirit prompted me to bind the spirit that was so violent in this man.**

"In the name of Jesus I bind you!"

Within seconds the man went passive, backed off and in protest lightly brushed against me as he left the confrontation.

Now keep in mind that sometimes we draw to ourselves trouble. This should prompt us to ask what spiritual signs declare us as "open for business". When we invite a spiritual unity with the flesh, the world and the Devil we are bound to encourage confrontations with demonically controlled people; remember its not about flesh and blood. This can also be the result of "generational spirit" issues. Under such conditions it can make us an easy target for the same abuse that once plagued past family members (A generational curse). Though there are all sorts of good and evil dynamics that can be explored here, deciphering potential issues of violence is probably a good place to start. If one has become familiar with a violent atmosphere while growing up, then there are some old contracts that can be broken (See below). But start by considering where your life has suffered a connection with:

- Physical violence
- Verbal violence
- Sexual violence
- Social violence
- Religious violence
- Medical violence

Medical violence can be the result of having gone through radical surgery.

Though we are usually under anesthesia during surgery this is still a form of personal trauma to the body, soul and spirit of a person: which makes us vulnerable to human and spiritual dominance. However on a more "in your face" type of medical violence: we are currently seeing the medical establishment pushing for vaccines that remain experimental in nature. Hence when they push a vaccine upon us, and its against our will, they are imposing a violent outcome upon us. At times like these the believer has the authority to deal with them in the Name of Jesus.

Here are a couple more sources of violence gearing up to take control of your life. Though the military and the police are often honored and embraced as gallant defenders of the peace, their job description and training is far from it. The nature of their job is one that requires a controlled means of violence to put down another violent force.

Anyone that has grown up in a family where civil service has been a part of their lifestyle has not escaped the impact of these forms of violence. In any case this may cause us to be on the receiving end of either police or military brutality simply because we have been conditioned to accept its right to own us. Hence if vaccines become mandatory in the NWO, we can expect that civil servants will be serving an agenda that remains corrupt.

Whatever the battle, whether it's as simple as having a quarrel with a man on the street or having a confrontation with an offensive civil servant; we have a way of escape, we have authority in Christ; and we have the Name of Jesus on our side. In the days ahead the individual Christian may not be able to depend on others as a shield against violent acts. Instead, it is time that each believer develops their own set of leadership skills. That means, we each put on the armor of God and

really settle in our hearts that God is for us. It is then by His authority that we can set at bay any potential enemy. In the Name of Jesus violence stops hounding us when we say it stops.

If believers finally get a revelation that they are seated with Christ in heavenly realms, then evil will want to stay far from us.

[Eph 2:4](#) But God, who is rich in mercy, for his great love wherewith he loved us,

[Eph 2:5](#) Even when we were dead in sins, hath quickened us together with Christ, (by grace ye are saved;)

[Eph 2:6](#) And hath raised *us* up together, and made *us* sit together in heavenly places in Christ Jesus:

Based on a timely revelation it is very possible that some will call off spiritually aggressive armies through the Lord Jesus Christ. But all of us have a birth right in Christ to say “no” to evil advances.

Now some may say, “But what about the bibles many references to being persecuted, shouldn’t I accept persecution as just the way things are?” You could, but a better response would be; “Lord, may your will be done in my life”. So, if you find yourself staring death in the face and some man wants to steal away your dignity and your right to life, I think it’s a good time to introduce them to the authority that you have in Jesus.

How To Pass From Curse to Blessing & Self Deliverance

1st do this: This teaches how YOU can be free from curses that can affect your life. It turns out God has a lot to say about blessings and curses. **“How to Pass from Curse to Blessing” -- 4 Principles: Recognize Repent Renounce Resist 7 Steps: 1) Establish a clear scriptural basis. 2) Confess faith in Christ. 3) Commit to obedience. 4) Confess any known sins of self or ancestors. 5) Forgive all other persons. 6) Renounce all contact with the occult and get rid of occult objects. 7) Release yourself in the name of Jesus. PRAYER:** “Lord Jesus Christ, I believe that you are the Son of God and the only way to God, that you died on the cross for my sins and rose again from the dead. I renounce all my sins, and I turn to you, Lord Jesus, for mercy and for forgiveness, and I believe you do forgive me. And from now on I want to live for you. I want to hear your voice and do what you tell me. In order to receive your blessing, Lord, and to be released from any curse over my life, first of all I confess any known sins committed by me or by any of my ancestors or others related to me. Lord, I thank you that I believe you have forgiven everything that I confess. And, Lord, now I want to say that I also forgive all other persons who ever harmed me or wronged me. I forgive them all now as I would have God forgive me. In particular I forgive....(name the persons).... Furthermore, Lord, I renounce any contact by myself or any related to me with Satan or occult power in any form or any kind of secret society. Also, Lord, I commit myself to remove from my house any kind of occult object that honors Satan and dishonors Jesus Christ. With your help, Lord, I will remove them all. And now, Lord Jesus, I thank you further that on the cross you were made a curse, that I might be redeemed from the curse and might receive the blessing. Galatians 3:13 (KJV) Christ

hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed *is* every one that hangeth on a tree:

And because of what you did for me on the cross, I now release myself from every curse and every evil influence and every dark shadow over me or my family from any source whatever. I release myself now in the name of Jesus. Amen.”

Second: Regarding deliverance what you would need is to go through this session (it is two parts) as many times as necessary till you are not manifesting any signs of expelling demons. He gets into all you need to know this in the video: <https://www.youtube.com/watch?v=HsVLS89YkVA&feature=youtu.be>

Third: Then for other areas you need help with, do a Youtube keyword search, for example for anger: [deliverance prayer for anger rage](#) and try to only use the ones from pastors (men). At this point this whole thing is out of my hands so you are going to have to pray and glean from what is available online.

Fourth: After that if you feel like you still need more help you will be in a much better position to proceed with further deliverance one on one. If you need further help here is a map of one on one deliverance ministers from the most trusted network I know of (but again this can be a dice shoot so be careful). Just click on your state to see there deliverance minsters:

UK Going Cashless As Over A Third Of Brits Abandon Physical Tender For Contactless Payments

British citizens are going noticeable going cashless as multimillions are going completely contactless instead of paying with physical money, coins, and checks.

As of last year, 23.1 million Brits reportedly only used cash once a month or not at all – a stark increase from 13.7 million in 2020.

According to a recent statement from U.K. Finance, the banking body for the nation, said that 1 in 6 payments made last year used physical notes and coins, with cash transactions falling 1.7%. Still, cash transactions represented 15% of forms of buying and selling last year.

The monetary group forecasts that by 2031 only 6% of transactions will be physical.

[The Guardian](#) says that the most used form of payment was a debit card last year (48%), ‘reflecting the continued growth in popularity of contactless cards,’ the outlet wrote.

‘However, the number of people turning their backs on cash surged in 2021. This could be because some businesses went card-only during the pandemic, or

stopped accepting cash for a time. There are also indications that some consumers avoided using banknotes and coins for fear they might transmit Covid,' The Guardian added.

Tesco Grocery Stores Seek To Implement Biometric Payments By Next Year And Exclude Cash Payments

Tesco, the largest supermarket chain in the United Kingdom, is planning to implement biometric payment options in their stores, which would include palm readers and facial scanners.

But it is rumored that the chain just might outright remove or greatly limit customer's use of cash in the stores.

Charged: Retail Tech News says, 'Some reports have said that the move will see the UK's largest supermarket moving away from cash and card payments, with others suggesting they will no longer be accepted at all. Many consumers are apprehensive about the technology, seeing it as one step closer to a cashless society.'

The chain already offers an app called Tesco Pay+, that allows customers to pay with groceries with a fingerprint or facial scan. The app tracks user's spending habits, pay the bill remotely, and collect in-store points.

Moreover, Tesco recently partnered with Onfido – a photo-based identification and artificial intelligence company – to provide a smoother and more secure application process for Clubcard Pay+ customers.

In a recent tweet one Tesco customer claimed,

I've just had an interesting conversation with a staff member at Tesco who has confirmed that Tesco will be implementing biometric payments (face & palms) by early next year. They will no longer be accepting cash or cards.

I don't usually shop in there. That's just reinforced my decision to never step foot in the place again.

Nokia CEO Says 6G Will Render Smartphones Obsolete By 2030 And Will Be Integrated Into Your Body Instead

During the 2022 World Economic Forum summit meeting in Davos last week, Nokia CEO Pekka Lundmark says that smartphone technology will be hardwired into their people's bodies by 2030, made possible by 6G.

While 5G gets most of the attention right now, tech giants and investors have already been looking into the future for 6G. We have reported on 6G in several other reports:

- [New Microchip To Power 6G Systems And Power AI Drones](#)

- [Samsung Unveils 6G Technology That Can Replicate People And Devices. Says They Are Ahead Of Schedule](#)
- [China And America Are Leading The Charge For 6G](#)

In 6G, mankind merges with the machine becoming a cyborg in an autonomous city and constant interconnectivity to the grid and internet, along with a slew of other things as well.

6G's role was also noted in The WP's report, "[Agenda 2030: You'll Own Nothing And Be Happy.](#)" – where the World Economic Forum (WEF) wrote in an essay describing their vision for life by 2030, writing,

Once in awhile I get annoyed about the fact that I have no real privacy. No where I can go and not be registered. I know that, somewhere, everything I do, think and dream of is recorded. I just hope that nobody will use it against me.

6G will mostly certainly aid in that. Moreover, it will render the current smartphones obsolete.

And that is what tech giants like Nokia CEO Pekka Lundmark are saying as well. During a panel discussion, an audience member asked when the move from the current smartphone model, to "something that's on your face, [smart] glasses" is coming.

Lundmark addressed the question and succinctly explained what the future of smartphones will be:

It will definitely happen. I was talking about 6G earlier, which is around 2030. I would say that by then definitely the smartphone as we know it today will not anymore be the usual kind of the most common interface.

Many of these things will be built directly into our bodies.

[MORE EVIL THAN HITLER: American Medical Association endorses horrific medical MUTILATIONS of children, demands police state DOJ arrest anyone who disagrees](#)

In a shocking act of medical tyranny and authoritarianism, the American Medical Association is now demanding that the DOJ arrest and prosecute anyone who opposes surgical child mutilations carried out in US hospitals that fraudulent claim they are "affirming" a child's "gender identity" by maiming them with medical violence.

"Leftist child abusers turn to the police state," writes Daniel Greenfield at [FrontPageMag.com](#):

When they get caught abusing children, the first resort of the leftist abusers, whether it's the National School Boards Association or the American Medical Association is to label their opponents 'domestic terrorists' and demand that the Biden administration use the DOJ to arrest and silence them.

Now, the AMA is pro-mutilation, putting the organization in the same moral category as serial murderers, rapists or Holocaust operatives.

Any doctor who remains a member of the AMA is now aligned with the for-profit mutilations of children in the name of “wokeism,” and America’s medical establishment joins the ranks of communist China with its forced organ harvesting in terms of outrageous acts of evil committed against humanity. If they will mutilate children for profit, what other crimes will they commit against adults to make more money?

Furthermore, if AMA member doctors are willing to mutilate children for profit, what else are they willing to do for extra revenues? Could they perhaps falsely diagnose people with cancer so they might earn more money administering medically unnecessary chemotherapy? (Of course they do.) Might they falsely claim people have “complex COVID” so they can earn an extra \$500K for their hospital by putting those people on ventilators and remdesivir, killing them in the process? **This is the substance claim of a lawsuit that has already been filed against three hospitals in Fresno, California, which the lawsuit says profited by committing medical fraud and essentially murdering their own patients.**

If the AMA is willing to mutilate children for profit, any rational person has to assume there’s no line they won’t cross. There’s nothing AMA-member doctors won’t do — no matter how evil — to make more money off the pain and suffering of innocent children and adults.

“Evidence-based medicine” is a joke: There’s ZERO evidence that a child can change their gender through surgery and chemical castration

The claims of the AMA, Big Pharma and western doctors who say they only practice “evidence-based medicine” are absurd, if not downright fraudulent. No evidence exists whatsoever to claim that covid vaccines are proven safe and effective for any human being. The clinical trials were skipped, and the FDA resorted to Emergency Use Authorization (EUA) under the false panic of the *plandemic* to skip the long-term trials and simply *declare* mRNA injections to be safe, without supporting evidence.

And now, [as Revolver.news is reporting](#), Big Pharma refuses to turn over mRNA data for independent assessment, indicating they are hiding the truth and committing an historic, global fraud in pushing covid “vaccines” that are neither safe nor effective.

[USDA air dropping animal vaccines from helicopters across 13 states, using vaccine as “bait” but deemed HAZARDOUS if ingested or even touched!](#)

The USDA, like many federal agencies, is deeply invested in the business of extermination. For example, most people don’t realize that the USDA mass murders millions of birds every year through deliberate poisoning campaigns. Natural News has [published the USDA’s list of bird extermination from 2009](#) (PDF), showing how the agency murdered over four million birds in 2009 alone. That program is called “Bye Bye Blackbird,” and it’s just one of many mass extermination programs run by the USDA. Another program involves the USDA mass murdering foxes, coyotes, bears, mountain lions, bobcats and river otters. [As Natural News reported in 2018:](#)

According to the latest report, the federal program last year killed 357 gray wolves; 69,041 adult coyotes, plus an unknown number of coyote pups in 393 destroyed dens; 624,845 red-winged blackbirds; 552 black bears; 319 mountain lions; 1,001 bobcats; 675 river otters, including 587 killed “unintentionally”; 3,827 foxes, plus an unknown number of fox pups in 128 dens; and 23,646 beavers.

Also in 2018, the USDA was caught murdering hundreds of kittens in incineration ovens as part of a medical experimentation operation. As [NaturalNews reported in 2018](#):

...[T]he USDA has been experimenting on kittens by feeding them parasite-riddled raw meat for two or three weeks so their feces can be collected. Then they are killed via incineration. And at the end of the “study,” Bishop says, the USDA admitted that the baby animals were healthy.

Congressman Mike Bishop sounded off on the USDA’s kitten murder practice, saying: I’m shocked and disturbed that for decades the USDA — the very organization charged with enforcing animal welfare laws — has been unnecessarily killing hundreds of kittens in expensive and inefficient lab experiments. Any government research program like this; one that’s been funded since the Nixon administration needs to be put under the microscope, especially when it involves using kittens as disposable test tubes in harmful tests that most taxpayers oppose.

The USDA, in other words, slaughters millions of animals a year and runs cruel medical experiments on kittens (among other animals). This is the same USDA that conspires with pesticide manufacturers to poison the human food supply with synthetic chemicals, including herbicides like atrazine that are known “chemical castrators” that alter human hormone expression.

Now, this same agency is air-dropping edible “vaccines” across 13 states, claiming to be controlling raccoons and rabies. But the bait is so dangerous, it’s never supposed to be ingested (keep reading).

According to [the Associated Press via DailyPress.com](#), the USDA is now air-dropping “millions of packets of oral rabies vaccines” across 13 US states. Those states include:

- Alabama
- Maine
- Pennsylvania
- West Virginia
- Virginia
- Tennessee

The USDA claims these “rabies vaccines” are embedded in food bits that are currently flavored with fishmeal. This will, of course, encourage all sorts of wildlife to eat the vaccine traps, causing unknown consequences in wildlife animals that will obviously ingest the tainted treats. Domestic dogs and cats can also stumble upon the tainted food bits and ingest them, causing involuntary “vaccination” against rabies, which can kill pets.

Note carefully that the USDA is in the business of exterminating animals, so when they drop “bait” from helicopters, laced with potentially harmful or even deadly rabies vaccine ingredients, it’s not difficult to realize the real motivation of this program.

This isn't the first time the US government has unleashed biological warfare specimens into the wild, either. Although "fact checkers" vehemently deny this accusation, many people believe the US government engineered and released Lyme Disease as a biological weapon. More recently, it is now exhaustively documented that the US Army helped engineer SARS-CoV-2 and then handed the bioweapon to China's Wuhan labs for final gain-of-function enhancement. (Even mainstream medical journals such as [The Lancet](#) now admit the lab origins of covid are a likely explanation.) This turned out to be a global depopulation and infertility weapon which has unleashed unprecedented havoc across the world, enticing people to be injected with yet another biological weapon: The mRNA covid "vaccine" that's killing human beings by the millions all over the world. What the USDA does with blackbirds is the same thing the vaccine industry is doing to humans: It always seems to be about extermination and depopulation. The vaccine bait being dropped across 13 states, it turns out, isn't even safe to ingest.

Oral vaccine deemed "hazardous to health" if ingested, poses threat to humans and pets if even touched

The USDA's APHIS department (Animal and Plant Health Inspection Service) runs the oral rabies vaccine program, and it doesn't even bother to claim these vaccines are safe. (See its [Oral Rabies Vaccine and Bait Information page here.](#))

The [Safety Data Sheet for the vaccine](#), manufactured by Merial, tells a larger story. Although these vaccine baits / traps are intended by the USDA to be orally consumed by animals, the Safety Data Sheet warns:

Potentially hazardous to health if any of the following should occur: Ingestion, parenteral inoculation, droplet or aerosol exposure of mucous membranes or if broken skin is exposed to infectious fluids or tissues.

In other words, the vaccine is "hazardous to health" if ingested. Yet ingestion is exactly what the USDA is achieving by coating this vaccine with fishmeal and dropping it across 13 states to be consumed by every kind of wild animal imaginable. The entire purpose of this delivery mechanism is to have the hazardous vaccines ingested.

How Did Bioengineered Lyme Disease Escape From Plum Island

In a bombshell story published by Xinhua news agency in 2021, author, researcher and journalism professor Karl Grossman alleges that Lyme Disease was one of the many bioweapons produced in this US government-funded laboratory originally staffed by Nazi scientists who were brought to the USA under *Operation Paperclip*, a program that saw the US government recruit former Nazi scientists to work in fields like rocketry (NASA), medicine and computing. From that story:

The "godfather" of the Plum Island laboratory was a Nazi bioweapon expert, Erich Traub, who was brought to the United States after the Second World War.

Genetically Modified Mosquitoes Vaccinating Humans Now!!

September 28, 2022--**A box full of genetically modified mosquitoes successfully vaccinated a human against malaria in a trial funded by the National Institutes of Health (NIH).**

The **study** involved about 200 hungry mosquitoes biting a human subject's arm. Human participants placed their arms directly over a small box full of the bloodsuckers.

SCIENTISTS DEVELOP VACCINE-INJECTING MOSQUITOS

— Andy Swan (@AndySwan) **September 27, 2022**

"We use the mosquitoes like they're 1,000 small flying syringes," said researcher Dr. Sean Murphy, as reported by NPR.

Three to five "vaccinations" took place over 30-day intervals.

"Half of the individuals in each vaccine group did not develop detectable P. falciparum infection, and a subset of these individuals was subjected to a second CHMI 6 months later and remained partially protected. These results support further development of genetically attenuated sporozoites as potential malaria vaccines," researchers concluded.

Carolina Reid was one of twenty-six participants in the study.

"My whole forearm swelled and blistered. My family was laughing, asking like, 'why are you subjecting yourself to this?'"

Reid enjoyed her experience so much that she says she wants to participate in as many vaccine trials as she can. For this research, each participant received \$4,100 as an incentive.
