World Economic Forum's "Young Global Leaders" Revealed

First published on February 13, 2022

Through its Young Global Leaders program, the World Economic Forum has been instrumental in shaping a world order that undermines all democratic principles. For several decades, this program has nurtured compliant leaders acting as WEF agents in governments around the world. The consequences are far-reaching and may turn out to be devastating for humanity.

"I have to say then I mention names like Mrs Merkel, even Vladimir Putin and so on they all have been Young Global Leaders of The World Economic Forum. But what we are really proud of now with the young generation like Prime Minister Trudeau, President of Argentina and so on, is that we penetrate the cabinets... It is true in Argentina and it is true in France now..." (Klaus Schwab)

Committee #COnetwork #NewAgeDoctors

Reiner Fuellmich left the highly visible and influential Corona Investigative Committee under controversial circumstances, having been accused by founder Viviane Fischer of stealing €1.35 million. Fuellmich responded to the allegation by Sept. 21, 2022. The allegations have sent ripples through the movement of people trying to expose the false Covid narrative, as Fuellmich was seen as a hero promising a never-seen Nuremberg 2.0 which he has not delivered on at all. **JB**

*I have listened to Fuellmich's newest explanations on Bitchute. I suggest all interested take a listen. **With each new***

opportunity to be honest, he shows he is dishonest. His story keeps changing, if you follow the detail carefully. He is also now insisting that it was never the CIC task to initiate court cases or organise any type of trial, even though he was promoting and promising both the whole time. And SO many people were hoping. Trying to emphatically separate the two now is disingenuous, even if technically correct. All in all, a man that cannot and should not be trusted. Very sad. Ekim

Don't play with fire if you don't want to get burnt. Touching that money was a HUGE mistake. Minimally knowing how it might have been viewed by the donor's, he should have offered FULL disclosure and transparency BEFORE the scandal. Investing it into homes, gold, books, business ventures outside the scope of this committee was reckless. If gold and real estate market crashed (which it already has started to) how would they recover OUR money and would they? I doubt it. RISKY and we did not sign up for risky.

SHAME on Reiner. If he is honest and just that stupid, clearly he is not the David we need going up against Goliath as he will be chewed up and spit out like a wad of paper..

All we wanted was a group of people that REPRESENTED the common person! The BOOTS ON THE GROUND person like myself.. like many who watched, like many who were guests... the teachers, the nurses, the people who lost their jobs because they were being extorted.. "no jab no job".. who still suffer... **The fact is**

this: RAINER promised there would be not just investigations, which is what has been going on since 2020, but FULL-ON SUING, COURT PROCEEDINGS, ETC... THAT NEVER HAPPENED.

WE NEED ACTION.

WE NEED LEGAL ACTION.

THAT IS WHY WE TRUSTED LAWYERS.

Vivianne is a lawyer, so PRACTICE LAW... we don't need tv show hosts.

we NEED ACTION.

I didn't show up every Friday to listen for hours about THE SAME THING AGAIN AND AGAIN AND AGAIN.

I emailed them 5 times.

And i never got anyone answering me.. or at the very least just communicating / returning the email.

NADA.

I knew there was something not right.

All of this stinks.

[etscinemappsychomasonica](#) [October 1, 2022](#)

Likely what is being witnessed here is a scripted and planned demolition of a psyop that has run it's course. More and more people were becoming aware that all this was a fraud from the get go and, of course, there was never ever going to be a "trial". All the "courts" are in on it. This way each side of this manufactured conflict will retain some credibility with those who believe them. You never know when some of these characters might be useful again.

Alex [September 28, 2022](#)

Fuellmich is just a simple impostor, gatekeeper and now a thief. Did he sue anyone? No he paid off his house. Due to the club rules he had no right to write invoices or grab money from accounts. Get him to jail with his illuminati friends.
