**Scott Johnson's Teaching: Cloning, DNA Manipulation & Corrupting The Seed & the Book of Enoch-Part 1** By [Dr. Scott Johnson](#) | May 4, 2008 |

**Cloning, DNA Manipulation & Corrupting The Seed & the Book of Enoch-Part 2**

The interpretation of Genesis 6:4 that the Nephilim are half human, half fallen angel makes this very simple to understand. God made a way for man to be saved from his sin through grace by faith in His Son **but He did not make a way for the angels that rebelled to be saved. Therefore, a mixture of the two kinds would be a corruption and the result a 'fallen race'. It is interesting that Genesis tells us that 'all flesh' was corrupt in the days of Noah. What does that mean? We know that God destroyed all the animals as well as all people except those brought on the ark with Noah and his family. We will explore this topic further in this study. Now, what is man doing in creating these hybrids whether they are human/animal or plant/animal? Man is mixing kinds together and creating a corrupt and defiled race. Frankly, man is messing with things he has no right to manipulate – he is in effect trying to play 'God', which goes right back to the original sin in the garden.**

...Most of the people who do understand this is going on, who are not Christian, think that somehow or other, they are going to live side by side with the Nephilim. No baby, you are going to be their slave and they are going to despise you.... I think they totally do want the Nephilim tech and because of their world view. But they will not sit down and study every reference to these beings in the Bible, to know just how awful there are.

**Scott Johnson's Response:** I agree and regarding WWII (pacific theater) I have heard rumors of the Giants of Guadalcanal playing a role in scarring the Japanese. When the US troops went on shore in Guadalcanal (which was the 1<sup>st</sup> assault by our troops of a Japanese held island in WWII) they went ashore totally unopposed. This is not what they were expecting at all and was not typical of how the Japanese fought to protect these islands. Usually, they made you pay dearly for every inch of that island. I know there has to be American troops who knew the truth, but I have never seen anything to confirm this. A report about this reads:

*This brings me to theory about World War II and the Japanese occupation of Guadalcanal. There is a mystery that has never been solved about why there were no Japanese to initially resist the Allied Forces at Red Beach and Henderson Airfield when they first arrived. When the Allied Forces arrived, they were expecting to lose one in two, but instead there was no one to be found. This was uncharacteristic of the Japanese and of any other Island campaigns. They fought to the very last. Why did such a large force of Japanese flee? I believe I have the answer to that one, and it's not the way history has written it.*

*I believe that the Japanese encountered the Giants in the centre of the Island, and most probably some others and quite a few lost their lives, because the Giants and those others would have definitely been on the Guadalcanal people/Solomon Islander/Allied side.*

<https://www.gen6giants.com/2021/01/11/the-giants-of-the-solomon-islands-and-their-hidden-ufo-bases/>

**Another account about these reads:**

A Japanese Encounter--Between 1942-45, Japanese and U.S forces engaged in heavy fighting on the islands, which became known as the Solomon Islands campaign.

During this conflict, Japanese forces would experience first-hand encounters with the Solomon Island Giants.

They reported seeing creatures around 10 to 15 feet tall, which would sometimes come charging at units of soldiers. Their bullets had little effect on them.

While suffering from attacks in daylight, soldiers also had hard time sleeping, as they could hear their fellow comrades wailing through the night as the giants launched more attacks. The cannibalistic nature of the giants struck fear in the hearts of the Japanese infantry.

The giants of the Solomon Islands are common knowledge to locals, but along with stories of foreign encounters and sightings of footprints, there could be more truth to the stories than we realize.

Subject: Listener Comment: The ring of fire is over there in Oceania (Guadalcanal) as well--MANY of those aboriginal persons do have something odd going on with their genetics and I could not get a straight answer what that was, based on the stupidity of the internet now. That is a long-known fact, and it is not limited to the Soloman's island, it's in the whole region. There are theories out there, floated by actual scientists, that those populations breed with other non-homo sapien hominids (in this case the Nephilim), giving them these unique unknown genetic markers.

**Scott Johnson's Response:** Patricia: Yes I mean it is well known that so many islanders from this region going from Hawaii to Samoa to Tonga are super abnormally strong and when engaged in a fight are beyond vicious. While the fake wrestling of the last 50 years is not something I advocate, it was a part of my life growing up and especially when I was going to chiropractic college in the Atlanta area, as Ted Turner's league was based there. I had several pro wrestlers that lived in my apartment complex, I trained with them at the gym I went to and even had one as a patient in clinic. From what I have saw the most feared one of all time was Meng AKA Haku AKA King Tonga<<From Tonga), I cued this up for you: [https://youtu.be/-nGn\\_IS2agg?t=167](https://youtu.be/-nGn_IS2agg?t=167) Even Andre the Giant feared him, as did everyone else in pro wrestling.

Also Meng is closely related to "The Rock" (his uncle) a former pro wrestler but now mega famous actor now, who recently bragged how he loves eating children. [25 Wrestling Legends name Haku the toughest wrestler of all time](#)<<I mean listen to what these other super famous pro wrestlers are saying about him. "The Rock speaks about his uncle Meng at the 0:44 mark on Jimmy Kimmel.

<<The book listed at this link (which I have read excerpts from in previous teachings):

<http://cryptomundo.com/cryptozoo-news/solomons-giants/> talked about the inbreeding of the giants with the local populations. The book referred to them as 1/2 cast giants, 1/4 cast giants. Usually once they breed past the 1/4 cast phase you could have them in society without being noticed too much, but the even the 1/4 cast ones (which were 25% giant) stood out too much for any kind of normal society. I heavily suspect these islanders from this region that end up in pro sports & college (which are loaded with them now) may have DNA from the

giants, as they are always much larger than the average person and very strong.

**CBS Openly Admits Goal with Message to Artist Before Satanic Performance - It Was Hidden in Plain Sight**

By [Peter Partoll](#) February 6, 2023

Sunday's Grammy performance by Sam Smith is making headlines for all the wrong reasons, but a message CBS posted to the artist on Twitter just before the performance is making it even more disturbing.

Smith and Kim Petras performed their hit "Unholy" at the Grammys in a **Satanic spectacle**. The performance featured Smith clad in red armor with a horned hat and Petras in a cage surrounded by dancers who were wearing Satanic headgear. This led to the performance being roundly condemned by conservatives, who are rightly drawing attention to this as another example of the fact that Hollywood seems to be aligning itself with demonic forces these days.

Then, the message that CBS sent to the artist on Twitter prior to the performance emerged, confirming what many people already suspected.

CBS responded to Smith's tweet showing pictures of the rehearsal for the show by saying, "We are ready to worship."

Trending:

...you can say that again. We are ready to worship!

— CBS (@CBS) [February 5, 2023](#)

In essence, CBS confirmed that the performance was, in fact, a ritual designed to worship Satan.

Many people have reacted to this tweet by pointing out that CBS is no longer trying to hide the fact that they are in league with evil. They feel confident enough to say it openly.

This is what CBS said to Sam Smith right before he did his demonic performance as Satan. Think about that. They aren't even trying to hide how compromised by evil they are anymore. It's all out in the open now. <https://t.co/9zFLXP2Xc4>

I mean i think it's a pretty big story that a TV network with a News Department that is relied on by a lot of people, openly says they worship Satan.
