+1+ STRATEGIC WARFARE PRAYER

Father God in heaven, in the name of the Lord Jesus Christ we come against & oppose all satanic operations, manipulations, subversions, tactics and plans **which are designed to hinder, prevent or frustrate God's original plans and purposes** from their swift manifestation taking place in their correct time and season. (Daniel 7:25) **We come**

against all satanic alliances and confederations worldwide. **Let every evil effort and endeavor fail.** Cause the news media to be caught in their own lying and manipulation so that only the truth is brought forth. (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. We ask that every satanic strategy of prohibition and limitation placed upon the Body of Christ (by the dark side), shall not prevail. We pray that all invisible and visible walls of opposition, restriction and delay will be exposed and destroyed. (Colossians 1:16; Joshua 6:1) **Oh Lord confound the devices and the wicked plans of the enemy that they have crafted, so that their hands are not able to perform their evil enterprise. Save those that can be saved O' Lord, but those that cannot be saved;** overtake them in their own crafty and devious ways; **let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secretive and destructive measures designed destroy all of God's creation and defile the world. According to 1 John 3:8 for this reason, was the Son of God made manifest, that He would destroy the works of the enemy. (John 2:15-17; Acts 16:16-19) Father God overrule all strategies, tactics and curses of the enemy by the power of Jesus Christ and His shed Blood; & overthrow all spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17, & break the curses associated with all these ceremonies, rituals, utterances, and destroy their plans to bring about a chaotic bloody revolution in worldwide & to usher in Martial Law and the New World Order. Father God, we pray their plans shall be uncovered and not prevail & shall be frustrated and unable to achieve any impact & that their wickedness and violent verbal dealings would return upon their own heads, according to Psalm 7:16.

FATHER GOD, WE HUMBLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events which would lead to the destruction of Your Christians & the innocent. (Isaiah 44:25; 2 Timothy 3:8) Please send divine, powerful angelic forces against their diabolical plans to expose & destroy them. **We dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on the United States of America and on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) Release your divine strategies and revelations upon any righteous person in government, worldwide. **Fill them with Your Holy Spirit and cause Your divine wisdom & courage to come upon them.** (James 1:5) Cause them to be like a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided & when they communicate let it be incoherent and misunderstood. (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, until which time they then be cast into the lake of fire, AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR**

PLACE.. (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they will accomplish your divine will. (Psalm 57:4) WE SEAL THIS PRAYER BY THE BLOOD OF THE LAMB AND ASK ALL THESE THINGS IN THE NAME OF THE LORD JESUS CHRIST, AMEN!

First and foremost, *this man falsely claims that the Roman Catholic Church is the only one true church based on Jesus's question to his disciples and directly to Peter in the Gospel of Matthew 16: 13-19. However, Jesus was not in Rome but was at the coasts of Caesarea Philippi by the Jordan River in Israel at that time...There was no a Roman Catholic Church then...After that declaration from Life Site NEws, nothing could be trusted of what the man had to say*

Subject: Listener Comment: Catholic Delusion Prophecy--Three Days and Nights of Darkness

Quickly, here is what Wikipedia says to get you a good idea...in the meantime, I will gather articles/videos where even "born again" pastors, etc. are beginning to promote this...It's coming up a lot now and I find myself constantly refuting it. It is amazing how many born again believers are falling for it. That Paul Begley guy is a big one.

I searched for some more info for you to give you an idea of what's being said, how it is permeating the church and how it is definitely witchcraft. I don't know if I mentioned it to you, but I was raised a Roman Catholic. I was and still am the only one out of generations of it that, as far as I know, ever left it. I can assure you, I have paid a heavy price for doing so.

I say all of that to say this. I know Catholicism. It is witchcraft/satanic. Everyone in my family, and everyone one I ever knew that was Catholic...love

Halloween..think nothing of astrology or psychics. Psychology is huge within the Catholic church as well. Voodoo and Santeria are huge with Catholics in the New Orleans/Mississippi area..where I am from.

wikipedia.org: The Three Days of Darkness is an **eschatological** prophecy of future events, held by some **Catholics** to be true. The prophecy foretells three days and nights of "an intense darkness"^[1] over the whole earth, against which the only light will come from blessed **beeswax** candles, and during which "all the enemies of the Church ... will perish."^[1]

The prophecy parallels the **Ten Plagues** against Egypt in the **Book of Exodus** (Ex. 10:21–29).^[2] The **Apocalypse of John** also mentions a plague of unnatural darkness as an effect of the sixth seal (**Rev. 6:12**)^[3] and fifth vial (Rev. 16:10).^[4] However, the specifics of the "Three Days of Darkness" prophecy are derived from **private revelation**.

en.wikipedia.org/wiki/Three_Days_of_Darkness

Comment: Ironically regarding this the Bible says:

2Pe 1:19 We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts:

2Pe 1:20 Knowing this first, that no prophecy of the scripture is of any **private interpretation**.

[Catholic Priest Pedophiles](#) By [Dr. Scott Johnson](#) | July 29, 2007

By Dr. Scott Johnson--**Sermon Overview:** In this teaching we will expose the rampant homosexuality & pedophilia among the Catholic hierarchy. More than **13,000 molestation claims** have been filed against clergy since 1950. Bishops say abuse-related costs have been about **2 billion dollars**. The nation's largest Catholic archdiocese will settle its clergy sex abuse cases for at least \$600 million, by far the largest payout in the church's sexual abuse scandal. We will then explore a new award winning documentary regarding this subject called "**Deliver Us From Evil**", that has been highly recommended by many Christians. We will then look at the actual estimates (many from Catholic sources) of the **staggering number of Catholic clergy that are homosexuals**. We will take an in-depth look at the spiritual dynamics that set the stage for many Catholic priests to become homosexuals and pedophiles and the shady, dubious history of Pope John Paul II.

See below for further documentation & **all my teachings on the Catholic Church
<https://www.contendingfortruth.com/?s=Catholic>

The Satanic Catholic Death Cult has slaughtered an estimated 68 million from 1200-1808—Many of them true Christians!

Mat. 7:20: "Wherefore by their fruits ye shall know them."

"Experience teaches that there is no other remedy for the evil, but to put heretics (*Protestants*) to death; for the (Romish) church proceeded gradually and tried every remedy: at first she merely excommunicated them; afterwards she added a fine; then she banished them; and finally she was constrained to put them to death." *Cardinal Bellarmine*

Saint Bernard of Clairvaux declared in launching the Second Crusade: "**The Christian glories in the death of a pagan, because thereby Christ himself is glorified."**

In 1209, Pope Innocent III launched an armed crusade against the **Albigenses "Heretics"** in southern France. (Note: **The Albigenses were true Bible believing Christians**) When the besieged city of Beziers fell, soldiers reportedly **asked their papal adviser** how to distinguish the faithful from the infidel (About 200) among the captives. **He commanded: "Kill them all...God will know his own." Nearly 20,000 faithful who were hiding the "Heretics", were slaughtered -- blinded, mutilated, dragged behind horses, or used for target practice.**

This is just one of the many atrocities perpetuated by the Catholic church, all justified because the Pope claims to be the Vicar of Christ (or substitute Christ) on earth. Along with that title he claims to be "infallible" and above reproach, so that his authority or command should never be questioned. Remember: Absolute power corrupts absolutely! This self proclaimed unlimited authority that all popes weald is only given by Satan, as nowhere in the True Word of God (The King James Bible) is the Catholic Religion/Cult justified or pardoned. **This cult has slaughter an estimated 68 million from 1200-1808 and should be exposed to the fullest extent. These same blasphemous Catholic edicts that were used to slaughter millions, are still in place today!(see below for specific verification)**

Romans 16: 17 &18: "Now I beseech you, brethren, **mark them** which cause divisions on offences contrary to the doctrine which ye have learned; and avoid them. For they that are such serve not our Lord Jesus Christ, but their own belly; and by good words and fair speeches deceive the hearts of the simple."

+2+ East Palestine train wreck may have created largest dioxin plume in world history

(Natural News) The situation in East Palestine, Ohio, is much worse than the media is letting on, particularly as it pertains to the widespread release of chemical dioxins.

The 14 some-odd tanker cars carrying vinyl chloride that were intentionally blown up released a massive plume of these deadly chemicals, which were spread far

and wide, including up the eastern seaboard through Pennsylvania, New York and beyond.

Tens of millions of people stand to be affected by this dioxin release, which by and large appears to be the most disastrous dioxin incident to have ever occurred in world history. Water supplies, food crops, city parks, state forests – all of them stand to become toxified with dioxins due to this disaster.

“Burning vinyl is the most serious source of dioxin in the environment – whether from trash incinerators, house fires or chemical spills,” explained Eric Coppolino, writing for *Planet Waves FM – Chiron Return*.

“While vinyl chloride is a precursor chemical to making PVC, any time chlorinated compounds burn there will be dioxins created. And dioxin is a manufacturing byproduct of any manufacturing process involving chlorine, from ‘disinfectants’ to the bleaching of paper. There was plenty of dioxin in those tanker cars before they caught fire.”

Dioxins are a hormonal toxin that builds up in the food chain

One of the most concerning things about dioxins is their persistence. They do not biodegrade and tend to remain wherever they lodge themselves for years and years. (Related: The Agent Orange released during the Vietnam War is [still a problem](#) in the areas where it was spread.)

Most people are unaware of what dioxins even are because the media rarely talks about them. Back in the day, a small release of them led to the closure of Times Beach, Mo., which was leveled and had its zip code removed over a dioxin release much smaller than the one that just occurred in Ohio.

Coppolino writes:

“Dioxins were the extremely toxic component in the Vietnam War-era defoliant Agent Orange. They were at the Love Canal in Niagara Falls. They were the toxin involved in the evacuation and dissolution of Times Beach, Missouri. They are the cause of toxic shock syndrome from bleached paper tampons.

“Dioxins are acute toxins on one level. There will be a lot of dead fish and animals in the path of the Ohio plume – and people will get very sick immediately. Kids are extremely sensitive due to their low body weight.”

Their persistence in the environment and hormonal toxicity makes dioxins a very serious problem, especially when released at high levels like what happened in Ohio. We have not even begun to see the effects of what just occurred, which will manifest in the months and years to come as animals, humans and nature suffer over time.

“I guess a new disease is going to be invented soon,” one commenter wrote about how the establishment will probably invent some new made-up disease to explain away all the future cases of dioxin poisoning caused by the controlled explosion.

“And a new ‘virus’ will be invented, too. And new vaccines. And the shame. People being intoxicated being shamed because they can ‘infect’ people.”

DIOXINS released after Ohio train derailment PERSIST in the environment and collect in lipids, meaning they will contaminate milk, cheese, eggs and meat from farms and ranches

Friday, February 17, 2023

(Natural News) The massive chemical dioxin plume created by the “controlled explosion” at the site of the East Palestine, Ohio, train derailment will **contaminate the food supply** in ways that most people could never imagine.

We are already seeing lots of dead fish and other animals in the path of the plume, but what about all

the farms nearby and in neighboring states? What will become of their food animals and crops upon exposure to all those dioxins floating around in the air?

According to *Planet Waves FM's* Eric F. Coppolino, dioxins are also bioactive.

They latch onto lipids and embed themselves, passing through the food chain and toxifying the bodies of the people who consume the contamination.

Strangely, everything the media lied to us concerning the “covid virus” is actually true for chemically bioactive dioxins, which bear contagion factors such as their ability to pass through from mother to child through breast milk, or to pass through contaminated food.

“Dioxins are connected to every other toxins issue that ever lived, from DDT to PCBs to Roundup,” Coppolino explains, adding that dioxins are “orders of magnitude above in their effects.”

One of the most infamous dioxin lawsuits was *Kemner v. Monsanto*, and it also involved a train wreck, that one in Sturgeon, Mo. That particular lawsuit brought to light the ugly truth about not only dioxins but also Monsanto, which was once declared to be the evilest corporation in the world. (Related: Even indoor pets **are dying** in and around East Palestine due to the toxic fumes released from the controlled explosion.)

Dioxins accumulate inside the body and cause cancer and other health problems Neil Donahue, a professor of chemistry at *Carnegie Mellon University*, says he worries that the controlled burn and explosion have unleashed a dioxin nightmare, the extent of which remains to be seen.

“Vinyl chloride is bad,” he is quoted as saying. “Dioxins are worse as carcinogens and that comes from burning.”

When exposure to dioxins occurs, they persist inside the body as well. They meld within fat tissue and stay there, presenting the risk of cancer and other health problems down the road.

Dr. Lynn Goldman, dean of *George Washington University's* School of Public Health, feels similarly, but is more worried about un-combusted vinyl chloride vapors that could still be lurking in and around the blast site.

“Until there has been a thorough assessment, the soot, as well as any other materials should in my opinion be treated as contaminated by vinyl chloride

and/or dioxins or other contaminants until proven otherwise,” she is quoted as saying.

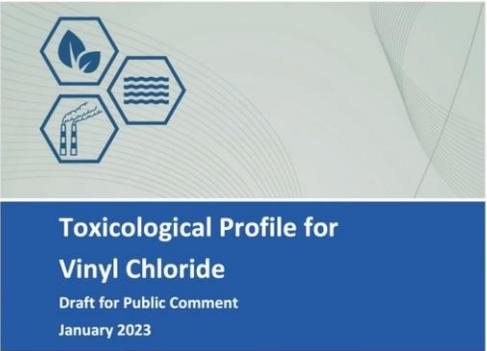

In Coppolino’s view, the full toxicity of dioxins is simply incomprehensible to most people. Peter Montague, author of *Rachel’s Hazardous Waste News*, summarized it like this:

“How can we express this in terms that people can grasp? Let’s compare it to one single aspirin tablet. One aspirin tablet weighs 5 grains (or 325 milligrams, or 325 trillion femtograms), so to express one ‘safe’ lifetime dose of 2,3,7,8-TCDD (TCDD) is a polychlorinated dibenzo-p-dioxin (sometimes shortened, though inaccurately, to simply 'dioxin')³, you would take a single aspirin tablet and divide it into 32 million (actually 32,172,218) minuscule pieces. Then one of those tiny pieces would represent one ‘safe’ lifetime dose of 2,3,7,8-TCDD.”

In other words, a single aspirin tablet’s worth of dioxin is the equivalent of a lifetime “safe dose” of dioxin exposure for 32 million people. **This is a big reason why manufacturers try to avoid distilling it out of their products because they have no idea what to do with it other than to release it unmitigated into the environment.**

What do you think? Are the Berkey's okay? It seems like this person's research is valid.

++Now when it comes to water filter pitchers, the ONLY company that clearly states it does NOT use aluminum in their filter AND can remove fluoride is [Clearly Filtered](#) (link to their website) 98% removal!! .

All other water filter pitcher brands either use aluminum or can not remove fluoride. While the only problem with Clearly Filtered, is that they're often sold out.

While the other two filters I recommend that will give you peace of mind are reverse osmosis and distillers. **And if you're having trouble deciding which one is best for you, take a look at my guide at [water filters that remove fluoride](#) (link to guide). All 3 are great options!**

Hello Dr. Scott, I'm listening to your current teaching about water filters. I use a water filter from Clearly Filtered and have been for a couple years. They claim it filters 90% of the fluoride from the water as well as almost everything else. They

say you need to replace the filter only when it becomes clogged, which for me is about every 6 months.

I'm doing bee venom therapy for Lyme now, so I am getting better. I know that you use a Berkey; what are you going to do? They are so sneaky about the water. I was drinking Fiji water (and unfortunately, tell others to do the same) for Dr. Christopher Exley's work on brains and high silica water pulling aluminum out of the brain. **And then I find out, that they put fluoride in Fiji water!***

Dr. Johnson's Comment: I actually don't use a Berkey anymore and made an announcement about this sometime back. See above for what I do (Spring Water Delivery). I would not drink any of the bottled water from the grocery store (long term) as it is typically a dice shoot and tend to use cheap plastic in all those bottles.

I also recommend and carry these:

There is a relationship between silica and the rate of aluminum concentration in the brains of Alzheimer's patients. **Much research points to the fact that a deficiency of silica in one's diet causes an increase of aluminum retained in one's body—and its ultimate accumulation in areas of the brain. Silica plays an important role in helping the body to eliminate these accumulations of aluminum, which are a causative factor in certain forms of senility, including Alzheimer's disease.**

Indole-3-Carbinol SPROUTS can detox DIOXINS from your body!

DIOXIN DETOX ALERT: My team is researching the best natural methods for detoxing DIOXINS from your body. We are finding some good leads. I wanted to share one important initial finding right now, even before we compile the full list and publish it:

It looks like Indole-3-Carbinol (I3C) removes dioxins from the body. I3C is the anti-cancer nutrient found in cruciferous vegetables like broccoli, brussels sprouts, cabbage, etc.

The point is **YOU CAN GROW BROCCOLI SPROUTS AT HOME** for mere pennies. Use a sprouting jar. Buy some broccoli sprouting seeds and sprout your own,

they will generate I3C in the sprouts. Watch my video to see a super simple, low-cost way to do this:

In Your Body Indole-3-Carbinol Converts to DIM--DIM Supplements: Benefits and Dosage

Diindolylmethane, or DIM, is a phytonutrient that is found in vegetables like broccoli, kale, cauliflower, and cabbage. Research shows DIM increases the level of “favorable” estrogens while reducing the level of “less favorable” estrogens
