PRAYER TO NEUTRALIZE OCCULT RITUALS

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

Jesus fulfilled over 400 Old Testament Prophecies! We examine the odds of that happened by chance

After examining only forty eight different prophecies (even though he could have used 456) Professor Emeritus of Science at Westmont College, Peter Stoner, has calculated the probability of one man fulfilling the major prophecies made concerning Jesus Christ. (see Stoner, Peter W. Science Speaks. Chicago: Moody Press, 1963) **Bear in mind these Old Testament prophecies were written by different unrelated authors of the Bible, hundreds & hundreds of years earlier.** Twelve different classes of 600 college students worked out the estimates. The students carefully weighed all the factors, discussed each prophecy at length, and examined the various circumstances, which might indicate that men had conspired together to fulfill a particular prophecy. They made their estimates conservative enough so that there was finally unanimous agreement among even the most skeptical students. Not only that, but when Professor Stoner took their estimates and made them even more conservative, he also encouraged other skeptics and scientist to make their own estimates to prove that his conclusions were more than fair.

Finally, he submitted his figures for review to a Committee of the American Scientific Affiliation. Upon examination, they verified that his calculations were dependable and accurate in regard to the scientific material presented. For example, concerning Micah 5:2, where it states that the Messiah would be born in Bethlehem, Stoner and his students determined the average population of Bethlehem from the time of Micah to the present; then they divided it by the average population of the earth during the same

period. They concluded that the chance of one man being born in Bethlehem was one in 2.8×10 to the 5th power - or rounded, one in 300,000.

In the final calculation Stoner used 48 prophecies (even though he could have used 456) and arrived at the extremely conservative estimate that the probability of 48 prophecies being fulfilled in one person is 10 to 157th power. How large is the number 10 to the 157th power? 10 to the 157th power contains 157 zeros!

Let us try to illustrate this number using electrons... Electrons are very small objects. They are smaller than atoms. It would take 2.5 times 10 to the 15th power of them, laid side by side, to make one inch. Even if we counted four electrons every second and counted day and night, it would still take us 19 million years just to count a line of electrons one-inch long. How many electrons would there be if we were dealing with 10 to the 157th power of electrons?

Imagine building a solid ball of electrons that would extend in all directions from the earth of 6 billion light years. The distance in miles of just one light year is 6.4 trillion miles. That would be a big ball! But not big enough to measure 10 to the 157th power of electrons! In order to do that, you must take that big ball of electrons reaching the length of 6 billion light years long in all directions and multiply it by 6×10 to the 28th power! How big is that? It's the length of the space required to store trillions and trillions and trillions of the same gigantic balls and more. In fact the space required to store all of these balls combined together would just start to "scratch the surface" of the number of electrons we would need to really accurately speak about 10 to the 157th power!

Assuming you have some idea of the number of electrons we are talking about; imagine marking just one of those electrons in that huge number. Stirring them all up. Then appointing one person to travel in a rocket for as long as he wants, anywhere he wants to go. Now tell him to stop the rocket in space, take a high-powered microscope, and find that one marked electron. What do you think his chances of being successful would be? It would be one in 10 to the 157th power. Remember; this number represents the chances of only 48 prophecies coming true regarding Jesus Christ (whereas he could of used 456 prophecies). In financial terms, is there anyone who would not invest in a financial venture if the chance of failure were only one in 10 to the 157th power?

This kind of sure investment we are offered by God for belief in Jesus Christ the Messiah. All this illustrates why it is absolutely impossible for anyone to have fulfilled the Messianic prophecies by chance. This is the kind of evidence that proves there must be a God who supernaturally gave us this information. Let's keep in mind that we've only illustrated 48 out of over 456 Messianic prophecies, out of over 8000 total verses in Bible prophecy, of which thousands of verses have been fulfilled already.

Also remember that these prophecies were written anywhere from hundreds to thousands of years earlier, by different unrelated men that lived (for the most part) in totally different time eras. Jesus Christ's life is a historical fact. His birth year is how we divide time, evidenced by using the term B.C.(Before Christ) in our dating method. There were many other confirmations of Jesus Christ's existence by various record keepers of his era. So if you have not already done so, please accept Jesus Christ as your Lord and Savior and receive his free gift of salvation today. There is no more important decision than you will ever make. To take that step and/or for as small sampling of some of the prophecies mentioned see below, or go to:

http://www.chick.com/reading/tracts/0005/0005_01.asp

Note: The argument has been made that Jesus deliberately fulfilled these prophecies, **but most of the prophecies were completely beyond His control** such as: His place of birth (Micah 5:2), the time of His birth (Daniel 9:25; Genesis 49:10), the manner of His birth (Isaiah 7:14), His betrayal (Psalms 41:9, Zechariah 11:12, 11:13b), the manner of his death (Psalms 22:16), people's reactions (mocking, spitting, staring, etc...) (Isaiah 50:6, Micah 5:1, Psalms 22:7,8, Isaiah 53:3, Psalms 69:8, Psalms 118:22, Psalms 69:4, Isaiah 49:7, Psalms 38:11, Psalms 22:7, Psalms 109:25, Psalms 22:17), piercing (Zechariah 12:10, Psalms 22:16) and burial (Isaiah 53:9).

Another argument is that the prophecies were written at or after the time of Jesus and were therefore fabricated. The problem with this argument was that the historic date of completion of the Old Testament is 450 BC and the Septuagint, the Greek translation of the Hebrew Scriptures, was initiated in the reign of Ptolemy Philadelphus (285-246 BC). The Hebrew Old Testament must have been available in its entirety for it to be translated commencing at 250 BC.

THE BIBLE SAYS THERE'S ONLY ONE WAY TO HEAVEN!

Jesus said, "I am the way, the truth, and the life: no man cometh unto the Father, but by me." John 14:6

**NOBODY ELSE CAN SAVE YOU.
TRUST JESUS TODAY!**

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." Rom. 10:9

1. Admit you are a sinner. See Romans 3:10
2. Be willing to turn from sin (repent). See Acts 17:30
3. Believe that Jesus Christ died for you, was buried and rose from the dead. See Rom. 10:9-10
4. Through prayer, invite Jesus into your life to become your personal Saviour. See Rom. 10:13

WHAT TO PRAY

Dear God, I am a sinner and need forgiveness. I believe that Jesus Christ shed His precious blood and died for my sin. I am willing to turn from sin. I now invite Christ to come into my heart and life as my personal Saviour.

If you trusted Jesus as your Saviour, you have just begun a wonderful new life with Him. Now:

1. Read your Bible every day to get to know Jesus Christ better.
2. Talk to God in prayer every day.
3. Be baptized, worship, fellowship, and serve with other Christians in a church where Christ is preached and the Bible is the final authority.
4. Tell others about Jesus Christ.

Here's help to grow as a new Christian! Read **The Next Step**, available at Christian bookstores or from Chick Publications.

And, did you ever think about how the birth of Christ some 2000 years ago split historical time forever? All the time before His birth is recorded as **BC** or **Before Christ** and all the time afterwards as the **Years of our Lord**, or **Anno Domini** or **AD**. Even the Jews and other non believers and historians and scientists who would rather use the nomenclature of BCE or Before the Common Era and CE Common Era **still use the birth of Christ as the demarcation of this so called Common Era! Unbelievable**

Jesus, the Creator, fulfilled over 30 prophecies when He allowed Himself to be murdered by man. (John 18-21)

PROPHECY	FULFILLMENT	PROPHECY	FULFILLMENT
Genesis 3:15	John 19:18	Psalms 69:21	Matthew 27:34
Exodus 12:46	John 19:36	Psalms 109:25	Matthew 27:39

Psalms 22:6	Matthew 27:39-44	Isaiah 53:5,6,10	Romans 5:6,8
Psalms 22:7-8	Matthew 27:39-44	Isaiah 53:7	Matthew 27:13-14

Psalms 22:17	Matthew 27:36	Isaiah 53:8	Mark 15:1-25
Psalms 22:18	Matthew 27:35	Isaiah 53:9	Matthew 27:57-60
Psalms 31:5	Luke 23:46	Isaiah 53:12	Mark 15:27-28
Psalms 34:20	John 19:32-33 & 36	Daniel 9:26	Matthew 26:24
Psalms 35:11	Mark 14:56	Amos 8:9	Matthew 27:45
Psalms 38:11	Luke 23:49	Zechariah 11:13	Matthew 27:9

Psalms 69:19	Matthew 27:28-29	Zechariah 13:7	Mark 14:27,50

isn't it? The Hebrew prophet, Isaiah, prophesized about the birth of the Messiah, some seven hundred years before His birth. "A child will be born to us, a son will be given to us and the government will rest on His shoulders and His name will be called

Wonderful Counselor, Mighty God, Eternal Father, Prince of Peace” (Isaiah 9:6). Isaiah also accurately predicted that He would be “born of a virgin” (Isaiah 7:14).

Subject: **Listener Comment: The Movie: The Jesus Revolution**

...The movie "The Jesus Revolution" just came out around the time the Asbury deal is going on. Now it takes a year to a few years to make a full movie. How the timing of all this is suspect. Also it is claimed that there was another revival at Asbury in 1975.

I saw Greg Laurie promoting the movie with the guy who is the star in the movie. He was wearing a t-shirt that was a knock off the one of the original "Jesus Movement" T shirts... How fast all of this is going. Not saying that many did not get truly saved during that time; but John Todd said he himself took the \$\$\$ straight to Chuck Smith to start Maranatha soft rock, later to become hard rock, later on into Calvary Chapel. Now Rock is almost in every church. So much symbolism!!!

Thank you Brother! I came out homosexual lifestyle and God totally transformed my life, I've been in the word everyday since 2017. I don't go to church because of how far from Gods word they are. Thank you so much. I often pray for increased discernment and this movie and chosen are no good. I can tell you are in the Word, Fruits of the spirit Galatians 5. I believe Matthew 24, is so instrumental the first thing Jesus said to look for in the end times is deception. The more I'm in the Word the more I'm finding out. Billy Graham was a Freemason. Many of these pastors are false teachers. The problem is that people aren't in The Word. The Word is the truth...I encourage people to stay in the word. It's the only way.

The House of Miracles grew into a series of nineteen communal houses that later migrated to Oregon to form [Shiloh Youth Revival Centers](#), the largest and one of the longest-lasting of the [Jesus People](#) communal groups. "[Jesus Freaks](#)", or "Jesus People" as they were often called, were documented in media including the [Kathryn Kuhlman I Believe In Miracles](#) show where Frisbee was a featured guest talking about Jesus, prophets and quoting scripture.^[21] By 1971, the [Jesus Movement](#) had broken in the media with major media outlets such as [Life](#), [Newsweek](#) and [Rolling Stone](#) covering it. +2+ 1960's Interview--David Wilkerson Debates the Original "Jesus People"
The Jesus People Movement got its start from an evangelical coffee house in Haight Asbury called The Living Room. Famed Evangelist David Wilkerson came from New York City to interview the hippie preachers, but was disgusted to learn they were smoking weed, were seemingly nonchalant about LSD, yet preaching about Jesus Christ. Wilkerson was able to dry up The Living Room's funding by drawing attention to the drug-friendly lifestyle of these early Jesus People, Ted Wise and Steve Heefner (locally famous as the hippie friendly radio disc jockey moniker "Steve O'Shea"). The movement would spread and become known for founding contemporary worship music, denominations like Calvary Chapel and The Vineyard Churches, and allowing more of a contemporary approach to worship services. Detailed account of the encounter in this video is found in Larry Eskridge's God's Forever Family (Oxford University Press, see page 44).

Listener Feedback & Warnings Regarding The Asbury Revival

On Sat, Feb 25, 2023, at 10:03 AM, Cristina wrote:

The screenshot shows a YouTube video player for "Asbury Revival 2023 - Worship. Living God stream". The video shows a large church service. The top chat window is open, displaying several comments in different languages. One comment in English reads: "everything connected to earth connected to heaven in the name of Jesus". Other comments include "Bless us. Paypal: z...", "Kirisha Grace" with multiple heart emojis, "escontigo liar", "Patricia Glória a Deus por tudo que está fazendo, DEUS não desiste dos seus filhos", "Gena Galera the presence of God its not bring fear but joy in our hearts", "정결한자 주님을 찬양합니다", "harrison hagan Amazing", "Francisco Molina No que ya habia terminado?", "ГОЛОС БОГА - СЛОВ", and "Cristina Brisca".

Just look what someone is saying on the comments. I coloured it. **Isn't this a heresy? that the presence of God must bring joy, not fear in our hearts.** When then is there a place for the fear of God? At the judgement day? Certainly, but then it will be too late for some.

Lies. They are advertising it and say that there is not room enough for all that want to attend and that only teens under 25 are allowed but it's not true. You can see a lot of empty seats.

While listening I got tired of how much they keep repeating the same words and phrases like a mantra. Another aspect: the way they sing and worship is like in the NAR movement or they play CCM. ...when there were true revivals there was more weeping and praying than singing and worshipping.

I found out about this event from our pastors blog on the internet and of course it was described as something good, but I ignored it and said that it will pass like other so called revivals who didn't last long. Then a day or two later I saw this event being advertised on the Facebook account of an old sister from our church. Again, they talked about it in a good way and a young pastor who lives in the capital of our country said as I told you before, that they want to reproduce it in a large stadium in the capital of our country.

Again I ignored it...but yesterday my mother listened to a youtube a sermon that a pastor had in a church, where he also talked good things about this revival. He said that regardless the fact that the young people attending it, don't dress godly or are dancing and manifest weird things, or that they are from all kind of denominations, it is still the work of God because we cannot put God in a box and and He chooses when to do a revival and with who and how He wants it I want to mention that in this period of the year in my country in almost all Pentecostal churches are held evangelization programs in which they try to make new converts. I think you are familiar with this practice. So this preacher was invited to a church for this purpose and during his preaching he said what I just told you. So do you understand why I think its important to debunk this event because it can lead many astray believing that there is a true revival?

On Thu, Feb 23, 2023, at 4:08 PM, Cristina wrote:

Yes, after I send you my email I started searching more and found out that they stream live the revival. When I looked there I saw a lot of Red flags...and because I am a little old fashioned and I read a long time ago about True revivals, I didn't see there what I read about True revivals.

First there were some Young People dressed ungodly, I didn't see tears, I saw dancing, and also the boy who was supposedly playing the drums/box had his head covered with a cap.

1Co 11:4 Every man praying or prophesying, having *his* head covered, dishonoureth his head.

When I returned to God in my country during the communist persecution the condition of the church was better due to this. Crying was happening in every church program. This is what amused and intrigued anyone who CAME for the first time in a church, but that was the atmosphere where God was working in.

Oh I agree. Not that I am any gold standard, but I can remember when i was away from God or under His chastisement, I could hardly not keep from crying, even sitting in the pew and when I went to the alter I was just sobbing and could do nothing about it. CBN and almost all mainstream 501c3 ministries are promoting this, and that is also a huge red flag.

Mourning and Chastening

Ecclesiastes 7:2-6: "It is better to go to the house of mourning, than to go to the house of feasting: for that is the end of all men; and the living will lay it to his heart. Sorrow is better than laughter: for by the sadness of the countenance the heart is made better. The heart of the wise is in the house of mourning; but the heart of fools is in the house of mirth. It is better to hear the rebuke of the wise, than for a man to hear the song of fools. For as the crackling of thorns under a pot, so is the laughter of the fool: this also is vanity."

James 4:8-10: "Draw nigh to God, and he will draw nigh to you. Cleanse your hands, ye sinners; and purify your hearts, ye double minded. Be afflicted, and mourn, and weep: let your laughter be turned to mourning, and your joy to heaviness. Humble yourselves in the sight of the Lord, and he shall lift you up."

What the Bible Says About Homosexuality and its Consequences

Corinthians 6:9-10: "Know ye not that the unrighteous **shall not** inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, **nor effeminate, nor abusers of themselves with mankind,** <<(Outline of Biblical Usage: one who lies with a male as with a female, sodomite, homosexual) Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, **shall inherit the kingdom of God.**

Romans 1:26-28: **For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly,** and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient...**Romans 1:32:** **"Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.**

Leviticus 20:13: **If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death;** their blood shall be upon them.

Lev 18:22-30: **Thou shalt not lie with mankind, as with womankind: it is abomination.** Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion. **Defile not ye yourselves in any of these things: for in all these the nations are defiled which I cast out before you: And the land is defiled: therefore I do visit the iniquity thereof upon it, and the land itself vomiteth out her inhabitants.** Ye shall therefore keep my statutes and my judgments, and shall not commit any of these abominations; neither any of your own nation, nor any stranger that sojourneth among you: (For all these abominations have the men of the land done, which were before you, **and the land is defiled;**) **That the land spue not you out also, when ye defile it, as it spued out the nations that were before you.** For whosoever shall commit any of these abominations, even the souls that commit them shall be cut off from among their people. Therefore shall ye keep mine ordinance, that ye commit not any one of these abominable customs, which were committed before you, **and that ye defile not yourselves therein:** I am the LORD your God.

'Stay Away, Don't Believe EPA,' 9/11 Cancer Victim Lawyer Warns East Palestine Residents

A lawyer for victims of the 9/11 terror attacks is warning residents who were evacuated from East Palestine, Ohio, following a chemical spill not to return to their homes despite the EPA giving the all-clear.

Speaking to *Breitbart News*, attorney Michael Barasch whose firm represented over 25,000 victims of 9/11 with chronic health conditions, said the EPA's "air is safe" declaration sent "shivers up his spine."

Barasch noted despite the EPA claiming the air at Ground Zero was safe, his clients “are dying every single day from 9/11 toxic dust.”

“21 years ago, the government at least had a reason: they wanted to reopen Wall Street,” Barasch stated, comparing the Ohio chemical disaster to 9/11.

Following the train derailment earlier this month, [residents nearby have been falling sick](#), and [animals](#) – some even kept [indoors](#) – have been dying as the odor of noxious chemicals and plumes of black smoke permeated the region.

[Norfolk Southern trying to BUY OFF East Palestine residents for just \\$1,000 to silence them forever, and block all future cancer lawsuits resulting from vinyl chloride train catastrophe](#)

February 22, 2023 ([Natural News](#)) As payment for all the pain and suffering they are having to endure, Norfolk Southern CEO Alan Shaw has [promised to pay](#) every resident in the 44413 zip code of East Palestine, Ohio a whopping very generous \$1,000 each <<Comment: This blood money payoff should be more than enough to compensate all the residents for all the pain and suffering they are (and will go through), plus the never ending hospital visits, loss of loved ones, pets and livestock, and also all these early grave funeral fees!!!

“To this community, and I want to make sure you understand. I am terribly sorry that this happened to the community. Norfolk Southern is fully committed to doing what’s right for this community.”

In order to receive their \$1,000 cash payouts, East Palestine residents will be required to sign away their right to sue, as well as to ask for any more money in the future, should they develop cancer.

“All they have to do is sign their name and say they’ve received \$1,000,” Shaw stated. (Related: The East Palestine train wreck created [the largest dioxin plume](#) in history.)

Shaw says contaminated materials from East Palestine are being taken to landfills.

So far, Shaw has no complaints about the cleanup process and the direction it has taken.

“We’re making a lot of progress,” he said.

As to where all the contaminated soil and liquids collected are being taken, Shaw did not provide any specific details other than to say that they are being taken to “landfills that are designed to handle that type of material.”

The interview appeared on “The War Room” this week, and you can watch it [at The Gateway Pundit](#).

One local resident responded to Shaw’s \$1,000-per-person pledge by stating that this is not nearly enough money to compensate for the horrors he is having to endure.

"I've been coughing every day since the derailment," this person said. "Take your thousand and s**** it. I'm suing you!"

Just a tiny sampling of the health side effects:

Nadine Lucie Straile does not live in East Palestine but began to experience a horrible headache and burning of the skin after she ate dinner at a Kentucky Fried Chicken restaurant near the site of the controlled release on February 7.

"That night my eye's started burning like never before and then a horrible headache came on," "My lips, tongue and throat, nasals were burning... a day later I started tingling all over my body."

Her neighbors, who live some 20 miles from where the controlled burn took place, are also experiencing symptoms, possibly because the wind spread the toxic chemicals further into the region, she added.

"This was not a neuropathy tingling. A different type, even my breast. My neighbors are experiencing some of the same symptoms," Straile said. "My blood pressure went sky high, probably from the pain, the ER [Emergency Room] said." Heather Ann, who lives about four miles from East Palestine, also experienced headaches, burning skin sensation, difficulty breathing and sinus issues in the wake of the incident.

"The smell is gone now but it was noticeable the week it happened and the air felt difficult to breathe. My dog was also coughing the day it happened," she said.

Heather Ann said she does not feel confident in what officials are saying about air and water quality being deemed safe weeks after the incident took place.

"They only evacuated 1 mile and then two miles out but we are four miles away and had symptoms," she added. "I don't understand why they didn't evacuate a further radius. Or why they are saying it's all safe. I noticed the water in town no longer looks as clean and had a strange film on top."

East Palestine resident states:

"I went down 170 Sunday and I took a breath of that into my mouth and I thought I was gonna die... It stressed me enough I ended up in the hospital they thought I was going to have a heart attack so what did I breathe in?"

Galvan said after evacuating to his mother's house, about six miles away, he stopped experiencing the symptoms, only to have them return.

"We went back into town a few times to try to take care of the cats and stuff, and I get the same deal... my eyes burning, kind of the same thing that I felt," Galvan explained.

Residents in East Palestine are upset that they are not getting clear answers about whether they are at risk to any long term health issues, according to Galvan.

[List of 103 U.S. Food Manufacturing Facilities Destroyed Under Biden Admin: While 135 million people faced acute food insecurity before the COVID-19 pandemic, that number has more than doubled to 276 million over the last two years.](#)

QUICK FACTS:

- Although there are now more than a hundred food processing plants that have been destroyed across the country, the U.S. Department of Agriculture has repeatedly [denied](#) “disruptions.”
- This denial comes despite the fact that while 135 million people faced acute food insecurity before the COVID-19 pandemic, that number has more than [doubled](#) to 276 million over the last two years.
- It’s also despite U.N. World Food Programme (WFP) Chief Economist Arif Husain saying of food shortages around the world, “It’s the story that keeps getting from bad to worse” and “When the World Food Programme is setting records, that’s not a good thing for the world. And we have been doing that since at least 2021.”
- In fact, one Associated Press (AP) news release [reported](#) that “tens of millions of Americans are already feeling the shortages and price hikes” and that these “alarming trends are expected to continue and worsen in 2023.”
- And Quartz recently [reported](#) how a “recent survey from the Food Industry Association (FMI), a trade organization that represents food retailers and wholesalers, found that 70% of retailers said supply chain disruptions are negatively impacting their business, up from 42% the year before.”
- The Department of Agriculture holds its position notwithstanding Joe Biden’s [own warnings \(here\)](#) of future food shortages.
- An interactive map of each destroyed facility’s location can be found [here](#).

The Bicarbonate of Soda (Baking Soda) Rescue of Ohio

Bicarbonate of Soda (aka sodium bicarbonate, NaHCO_3 , baking soda) is a simple low-cost substance that is a useful remedy for a variety of ailments and chronic diseases. Discovered in 1840, baking soda (not to be confused with baking powder) is a proven treatment for flus and colds, and recently this amazing substance has been in the “spotlight” as some doctors use it to treat cancer patients.

Sodium bicarbonate is added to contaminated soils, sediments, or sludge matrices containing hazardous chlorinated organics including polychlorinated biphenyls (PCB) and [polychlorinated dioxins and furans](#).

So useful and strong is sodium bicarbonate that at Los Alamos National Laboratory in New Mexico, researcher Don York has used baking soda to clean soil contaminated with uranium. **Sodium bicarbonate binds with uranium, separating it from the dirt. York was able to remove as much as 92 percent of the uranium from contaminated soil samples.**

Military manuals suggest doses or infusions of [sodium bicarbonate to help alkalize the urine if uranium contaminates the kidneys](#). This makes the uranyl ion less kidney-toxic and promotes the excretion of the nontoxic uranium-carbonate complex. The oral administration of sodium bicarbonate diminishes the severity of the changes produced by uranium in the kidneys.^[iii]

[Baking soda \(sodium bicarbonate\)](#) is the ultimate heavyweight workhorse medicine that every healthcare professional and parent should **use to diminish toxic poisoning from the Ohio disaster.**

Sodium bicarbonate can safely remove paint, grease, oil, and smoke residue, decreasing workers’ exposure to harsh chemicals and eliminating much of the hazardous waste associated with other cleaners. **“Sodium bicarbonate is able to clean in areas where other substances pose fire hazards because baking soda is a natural fire extinguisher,”** says Kenneth Colbert, a general manager for Arm & Hammer. This is the reason it’s used by oncology centers to control chemo agent spills, and it’s used intravenously to protect patients from the hazardous toxicity of chemotherapy.

Sodium bicarbonate is effective in treating poisonings or overdoses from many chemicals and pharmaceutical drugs by negating their cardiotoxic and neurotoxic effects.

Bicarbonate deficiencies spell big trouble for human physiology when the vascular system begins to deteriorate as less oxygen is delivered to the cells. Bicarbonate deficiency is synonymous with carbon dioxide deficiencies, which occur in everyone who does not exercise and breaths too fast like most people do these days. Bicarbonate is the wonderful medicine it is because it turns into carbon dioxide in the stomach, which drives bicarbonates into the blood.

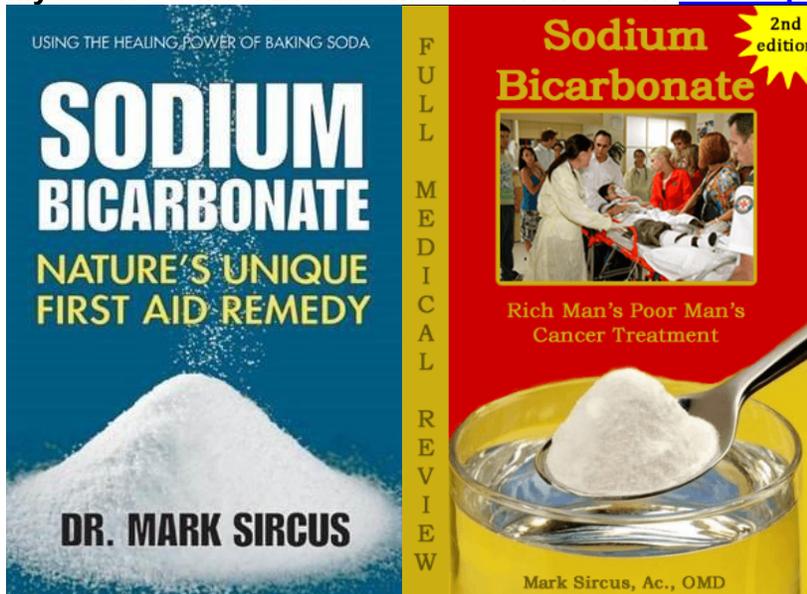

In 1925 the Arm & Hammer Company published a book *A Friend in Need*, which said that “In the last few years Bicarbonate Soda has been coming into its own and today it occupies a prominent place in every Physician’s Armamentarium. It will not put the

doctors out of business, but it will provide the means of helping thousands to prevent, and get relief from, certain ills by this harmless but helpful remedy.”

One can [nebulize bicarbonate with glutathione](#) because together they will help the body through the trauma of chemical exposure.

[Dr. John Douillard](#) says that “POPs, dioxins and other environmental toxins, such as pesticides, preservatives, heavy metals and industrial toxicants, are all fat-soluble or “lipophilic” (lipo = fat, philic = like). Studies on Ayurvedic detoxification with ghee suggest that these fat-soluble toxins can be removed from the fat cells using a “lipophilic-mediated” detoxification procedure. This is where a healthy fat, like ghee, is used to pull out unhealthy fats and/or toxins.”

My book Sodium Bicarbonate is available in [hardcopy](#) as well as in [eBook](#) forms.
