## STRATEGIC WARFARE PRAYER

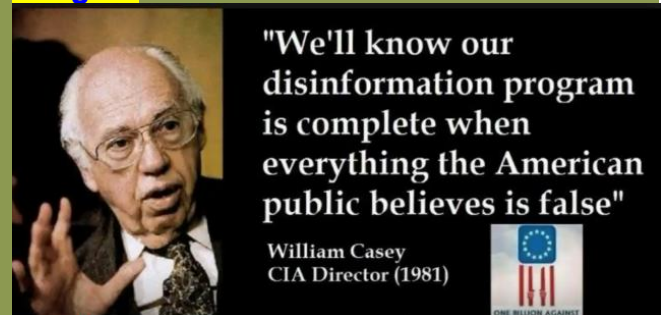

Father God in heaven, in the name of the Lord Jesus Christ we come against & oppose all satanic operations, manipulations, subversions, tactics and plans which are designed to hinder, prevent or frustrate God's original plans and purposes from their swift manifestation taking place in their correct time and season. (Daniel 7:25) **We come against all satanic alliances and confederations worldwide. Let every evil effort and endeavor fail. Cause the news media to be caught in their own lying and manipulation so that only the truth is brought forth.** (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We ask that every satanic strategy of prohibition and limitation placed upon the Body of Christ (by the dark side), shall not prevail. We pray that all invisible and visible walls of opposition, restriction and delay will be exposed and destroyed.** (Colossians 1:16; Joshua 6:1) **Oh Lord confound the devices and the wicked plans of the enemy that they have crafted, so that their hands are not able to perform their evil enterprise. Save those that can be saved O' Lord, but those that cannot be saved;** overtake them in their own crafty and devious ways; **let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secretive and destructive measures designed destroy all of God's creation and defile the world. According to 1 John 3:8 for this reason, was the Son of God made manifest, that He would destroy the works of the enemy.** (John 2:15-17; Acts 16:16-19) **Father God overrule all strategies, tactics and curses of the enemy by the power of Jesus Christ and His shed Blood; & overthrow all spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17, & break the curses associated with all these ceremonies, rituals, utterances, and destroy their plans to bring about a chaotic bloody revolution in worldwide & to usher in Martial Law and the New World Order.** Father God, we pray their plans shall be uncovered and not prevail & shall be frustrated and unable to achieve any impact & that their wickedness and violent verbal dealings would return upon their own heads, according to Psalm 7:16.

**FATHER GOD, WE HUMBLY ASK YOU TO:** Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events which would lead to the destruction of Your Christians & the innocent. (Isaiah 44:25; 2 Timothy 3:8) Please send divine, powerful angelic forces against their diabolical plans to expose & destroy them. **We dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on the United States of America and on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) **Release your divine strategies and revelations upon any righteous person in government, worldwide. Fill them with Your Holy Spirit and cause Your divine wisdom & courage to come upon them.** (James 1:5) **Cause them to be like a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues**

be divided & when they communicate let it be incoherent and misunderstood. (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, until which time they then be cast into the lake of fire, AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR PLACE..** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they will accomplish your divine will. (Psalm 57:4) **WE SEAL THIS PRAYER BY THE BLOOD OF THE LAMB AND ASK ALL THESE THINGS IN THE NAME OF THE LORD JESUS CHRIST, AMEN!**

**++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:**

**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprovved are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary**

defines: **"Reprove"**: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt. **"Circumspectly"**: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then

will I hear from heaven, and will forgive their sin, and will heal their land."  
**Luke 21:36** Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

**Matthew 24:13** But he that shall endure unto the end, the same shall be saved.

**Psalms 101:3** I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

**Psalms 11:5** The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

**Neanderthals Debunked: Evidence for Evolution or Just Human?**

Natural History Museums everywhere display line-ups of ape-to-human icons that supposedly show how humans evolved from ape-like creatures millions of years ago. The last step in this line up are Neanderthals, holding the "40,000 to 400,000 years ago" time slot. Just decades ago, Neanderthals were regarded in museums and textbooks as gorilla-like cavemen. This is because their fossils were viewed through an evolutionary lens, being framed as some type of "last step" between ape-like creatures and humans. But today we've learned that Neanderthals fit into history exactly as the Bible describes: post Flood humans who dispersed from the Tower of Babel and lived during the Ice Age. See more at:

**Another Former Associate with Jeffrey Epstein (Donald Trump Being the First) Files to Run for U.S. President in 2024 & Is Robert F. Kennedy Jr. Really "Anti-Vaccine"? Answer--No He Is Not & We Will Prove It**

by Brian Shilhavy Editor, Health Impact News

It has been widely reported today that Robert F. Kennedy, Jr. has filed to run for the office of the U.S. Presidency in 2024, **giving Americans two candidates now,**

one in each party, who are former associates with convicted child sex trafficker Jeffrey Epstein and are running for President.

Just about everyone in the alternative media who has covered this announcement by RFK Jr. sees this as wonderful news, while the corporate media, which seem to be following some kind of script or press release, are all writing basically the same thing and choosing to just criticize his “anti-vaxx” positions. This “negative” media coverage will of course only strengthen Kennedy’s support in the alternative media which thrives on negative news against the COVID shots.

What is lacking in all of this media coverage is the abundance of publicly available information about RFK Jr.’s troubled past with sex and drugs, much of which was published back in 2015 by New York Times bestselling author, Jerry Oppenheimer, and his book: *RFK Jr and the Dark Side of the Dream*, which the New

York Daily News described as “A bombshell unauthorized biography tells the haunting past that kept Kennedy from following in his father’s footsteps.”

So a member of the incredibly famous Kennedy family, who just a few years ago was considered by most in the media as “unelectable” and has never previously held a public elected office before, is now being funded by a wealthy Silicon Valley Technocrat who apparently believes that he can buy a U.S. President.

Although he has filed to run for President as a Democrat, RFK Jr. actually seems to take the GOP position on vaccines, which is that all vaccines are safe and effective, EXCEPT for the COVID-19 shots.

You can listen to the 1-minute video above to answer the question: Is Robert F. Kennedy Jr. Anti-Vaccine?, which is on our [Bitchute channel](#).

Play: <https://www.bitchute.com/video/mKEV4U3fsqV7/>

[Original image source](#).

Silicon Valley Businessman Steve Kirsch jumped on the anti-COVID “vaccine” bandwagon back in 2021, after he agreed to be injected with the bioweapon shots

himself, and found out later they were not what they were advertised to be.

He then used his wealth to begin (at least) two new organizations: The COVID-19 Early Treatment Fund (CETF), and the Vaccine Safety Research Foundation (VSRF).

Elon Musk, another Big Tech billionaire, is listed as [one of the donors of CETF](#).

CETF is currently funding

several pharmaceutical drug trials, including one drug that is already an FDA-approved antidepressant, which apparently they want to be approved for early COVID treatment as well. ([Source](#).)

Apparently, Steve Kirsch and his fellow wealthy Big Tech friends seem to believe they can buy a president, as Kirsch announced he had started a “Super PAC” in February to encourage RFK Jr. to run for president. ([Source](#).)

If by some chance RFK Jr. were to actually win and become President of the United States, he would have to take a serious reduction in his salary that he currently makes at Children’s Health Defense (CHD), as he earned \$497,013 for 2021, which was more than even Anthony Fauci made as the highest paid employee in the federal government.

Mr. Kennedy’s salary has dramatically increased since COVID, going from \$255,000 in 2019 to \$345,561 in 2020 to \$497,013 in 2021. ([Source](#).)

The revenue coming into CHD has more than doubled each year of their existence, from \$1,063,837 in 2018 to \$2,928,566 in 2019, to \$6,769,658 in 2020, the year COVID started, to an astounding \$15,990,132 in 2021.

I am a paid member of CHD because I paid my [\\$10 to become a “lifetime member”](#) back in 2020. I could only find their public tax returns through 2020 online, which they are required to make public as a 501c3 non-profit, so I emailed them at the end of 2022 requesting their 2021 return, and [I have published it here](#).

When I saw the dramatic increase in revenue during 2020 and 2021, which was a time the general economy, at least outside of Big Pharma, was declining, I emailed them to ask about this dramatic increase in revenue:

I have some additional questions after reviewing your 2021 990 IRS form.

Is Children’s Health Defense transparent in who their donors are? You went from a revenue of \$6,769,658 in 2020 to \$15,695,358 in 2021. That’s quite an increase!

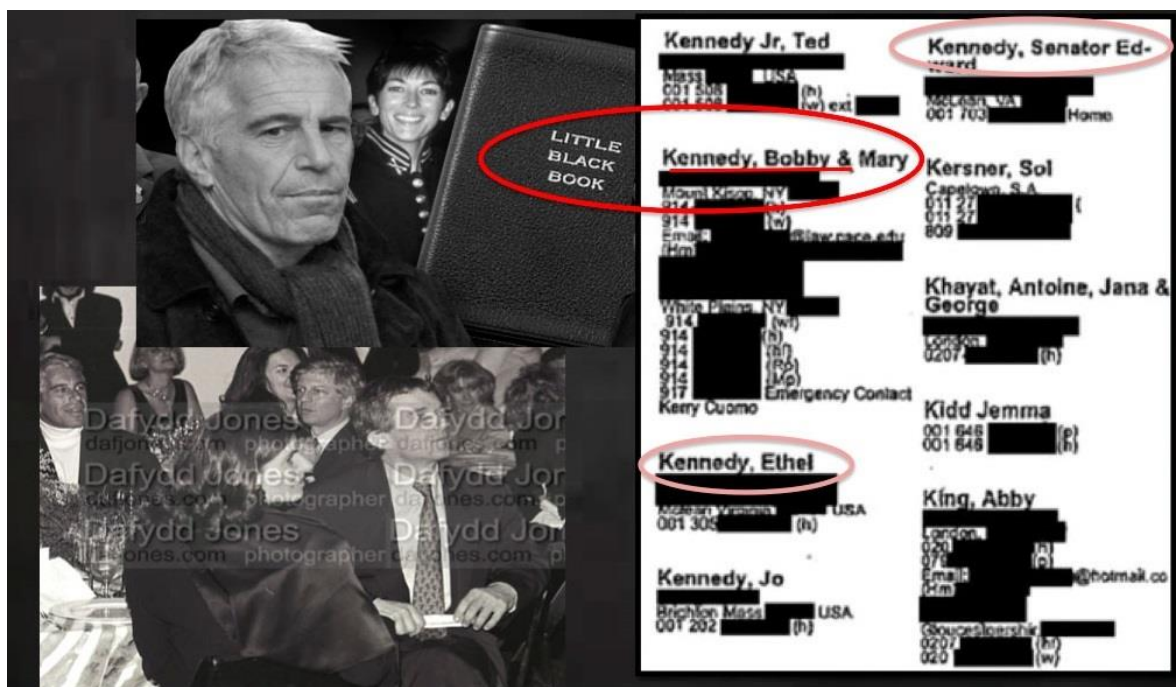

Can you reveal who your largest donors are? How many donors contributed more than \$1 million?

Robert Kennedy’s compensation also greatly increased in 2021. Does this revenue include revenue he earned from the sales of his books he published in 2021? Thanks, Brian

I know they received my inquiry, because they had just emailed me [their 2021 tax returns](#), but they declined to respond.

I think we can safely conclude that Big Tech is probably a major source of funding for CHD, at least through Steve Kirsch.

[Image source.](#)

Since neither the corporate media nor the alternative media is covering RFK Jr.'s very troubled past (at least not yet), **which is all a matter of public record**, here are some of the "highlights."

If you plan on supporting Mr. Kennedy to become President of the United States, you should most definitely know who you are supporting.

It's Begun! The Dollar Is Dying, BRICS "New Currency" Accelerates Global De-Dollarization

**Play:** <https://youtu.be/nKEhZ2XJIBg>

---

People Keep Asking Me "What's the big deal about de-Dollarization?" Maybe THIS can explain it to them . . . THIS is here in the USA: \$29 for a Ham and Cheese Sandwich!

11 April 2023 As countries all over the world switch AWAY from the U.S. Dollar for settling international trade, a Tsunami of "Dollars" previously held in foreign central banks, is coming back home to America. You see, by settling their international trade in their own currencies, countries no longer need to hold US Dollars.

As those dollars come back here to America, the value of the US Dollar relative to other currencies, is dropping. Our money is worth less while their money is worth more.

<<Yes, you see that correctly; \$29 for a ham and cheese sandwich!

Now, admittedly, this is from Eli Zabar's on Madison Avenue in New York City. As you might have guessed, Madison Avenue is some of the most expensive Real Estate in the world, and prices in stores along that avenue match that reality.

While this is certainly the exception to the rule, very soon, it won't be. Very soon, these are the types of prices that YOU will be asked to pay when YOU want food or other items you need.

As more and more countries dump the dollar, what you see above, will be common. Not just with food, but with E V E R Y T H I N G.

# People Keep Asking Me — Joan 2023-04-12 10:39

It is already this bad here in Canada. Try stopping at a small roadside burger place and you will not get anything, and I mean anything, for under \$20 or more

Survivor of recent TORNADOS talks about his "Preps" and what went wrong

Ok, so we live in Little Rock.

An entire swath of the city from basically the southwest toward the river just looks like a bomb went off.

Been without power since the Tornado struck our neighborhood, luckily for my family, our home was spared any significant damage. Though it was one of the scariest things I've ever been through. There is nothing like holding your wife and daughter in a pitch black bathroom while it sounds like a freight train is barreling through your entire world.

With that said we've been running off preps at the moment and I have learned a lot about things.

1) **Bad things happen FAST.** It was just a "normal afternoon" and lucky for us we were all home, but within the span of hardly anytime we went from tornado sirens, to all in the sheltered part of our home, to what sounded like the world was being torn apart outside, to no power, no cell service, no nothing within minutes. Having plans of how to get in touch or meet up should we have all been separated are non-existent really and I need to make one and improve on that.

2) **Ham radio was a lifesaver.** Literally. Cell service went down instantly here. A tower was crumpled like a pretzel and no one could call out or in. I was listening and talking on the 2M repeater here in town right before the storm and after the warning went off with storm spotters. After the tornado moved on I quickly began checking on neighbors. Ingress and egress to the neighborhood was blocked by downed trees. Within minutes I was able to get a group with hams from close by and their friends and other neighbors with chainsaws to make quick work of cutting and moving them. This allowed for emergency services to get in quickly and rescue an elderly resident from her home who may have been having a heart attack. Without this kind of ability to quickly coordinate, void of grid comms, I don't know if that would have been so efficient. More people need to at the least their technician license, and be active on simplex and their local repeaters.

3) **You need more gas. I need more gas.** I keep two 5 gallon NATO jerry cans USUALLY full. When I fill up our truck I will fill them up also, then have gotten into the bad habit of using that gas and not filling them up immediately. Bad mistake. I had to make a run, after the pandemonium, to a gas station with power. Not smart. This was a failure on my part. Never again will I be without gas on hand for my generator. Also adding two more jerry cans. Keep oil on hand too for your generator and the oil changed.

4) **Luckily for us the weather is quite pleasant, so our small generator need only**

run our fridge, freezer, etc. But we are heavily reliant on gas for our cooking and water. Should the gas lines be down (if they need repair) these service would not work. Need more public gas independent methods of doing this things. I have a small camp stove but with limited propane this isn't great. Adding keeping LP on hand and a camp shower and solar shower option.

5) **There are VERY FEW PEOPLE PREPARED.** It definitely made me aware of how after a few days without supplies people will be coming FOR YOUR Stuff. There is only a handful of people in my neighborhood with generators. We are being generous and allowing people to charge phones, laptops, etc. But at night, when all the lights were out and there was no cell service, It certainly made me aware that my whirring generator and the smell from my neighbors grill cooking steaks, would be a call for starving and desperate in times of need. Definitely makes one consider the bug in / bug out argument. I don't have a definitive response for that at the moment, just making notice. These leftist idiots sayings stupid stuff like "why does anyone NEED an AR15?" Well that's why. Your stuff will be at the least harder to take if you are well armed and able to defend against MULTIPLE attackers.

6) **Candles Candles Candles.** Flashlights are good but you need more candles. Buy a big pack of tea lights or a few. Buy a case. You need more than you think. Again flashlights are great, definitely headlamps are VERY helpful.

7) **Should this event have happened in the bitter cold of winter we can heat our home with wood, and usually have plenty, had it been the 100 degree summer, this would really suck.** A small window AC unit is probably a good investment to at least be able to keep one room comfortable. Buying one.

**...Godspeed. Stay prepared. Things goes crazy in a snap. It's never the thing you see coming that gets you.**

EXCLUSIVE shocking footage of UN-funded mass illegal alien invasion/migration camp in Panama—from war correspondent Michael Yon

**Watch at:** <https://www.brighteon.com/e9cf09a0-c75a-44ee-9736-c13b68dad31e> (Natural News) EXCLUSIVE – PREVIEW – This article will be updated mid-day

Thursday, April 13th, with the full video and interview with Michael Yon, via Brighteon Broadcast News. What's shown here right now is only a small preview. Check back and refresh this article mid-day for the full report and video.

Mike Adams interviews [war correspondent Michael Yon](#) who is on site at the UN migration camp (San Vicente) at the Darien Gap in Panama, where both the United Nations and the USA are funding mass human migration activities to shuttle migrants from all over the world to invade into the United States.

Migrants moving through this UN camp include people from the Middle East, Europe, Haiti and China, among many South American citizens. As part of the interview, I was able to speak with a Chinese couple (in Mandarin) and confirm their country of origin (mainland China) and their destination (the United States). Very few Americans are aware of this bombshell story, and Michael Yon is breaking the news to a global audience. (See photos below.)

A massive expansion of the camp is currently under way, helping funnel more migrants across the Darien Gap where they

will be transported to the U.S. border to illegally cross into the United States, all with help from the US Dept. of Homeland Security and the Biden administration.

The UN organization pushing this is called the "IOM," carrying the tagline, "Making migration work for all." See: [IOM.int](https://iom.int)

The IOM have even issued press releases about the mass illegal migration invasion moving through the San Vicente camp. [See this article as an example.](#)

Michael Yon joined me on [Brighteon Broadcast News](#) for a video tour of the facility, which features buses, tents, a Western Union money transfer, rape kits distributed to women by the IOM (with chemical contraception pills), plus reports of mass rapes, violence and many other examples of human suffering.

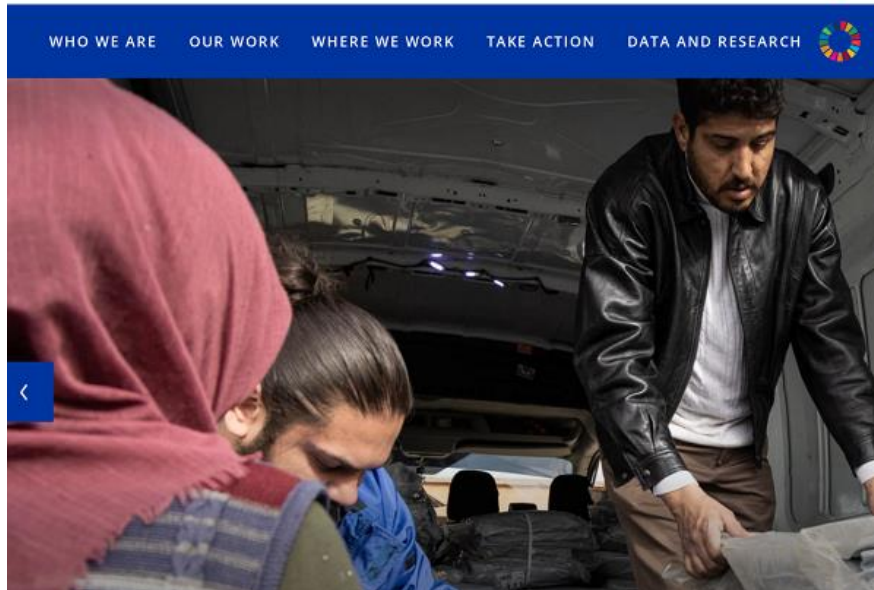

Here are some screen shots from the video to give you a preview of what's coming:

“Welcome” sign featuring multiple languages from around the world. In Espanol, it says “Migration reception station of San Vicente.”

Notice the OIM logo, “Onu Migracion” which refers to the IOM.int website in English:

**The IOM website shown above.**

Notice the logo of the IOM features a shattered world / split world, in which a family is ensnared in a swirling pattern that indicates planet Earth. The message is clear: Use family migration to shatter the world.

**This lot is the expansion zone of the UN migration camp, where new construction is planned to greatly increase the human**

**throughput of the facility.**

**Here's a Western Union / MoneyGram station where migrants can receive funds to continue their invasion to the United States.**

A look at one of the busses and tents where migrants are processed and transported North, to head to the United States. This is all funded by the USA and the United Nations.

Here's a group of mostly Haitians who are very happy and excited to be given government assistance to bypass legal migration routes and simply be transported to the United States and dropped off in U.S. cities, all courtesy of the Biden administration.
