Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprovved are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines: "**Reprove**": To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt. "**Circumspectly**": Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant of his devices.**"

II Chronicles 7:14: "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Luke 21:36 Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Matthew 24:13 But he that shall endure unto the end, the same shall be saved.

Psalms 101:3: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

Psalms 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

"The average age of the world's great civilizations has been two hundred years.

These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from

+1+ The Largest-Ever Gathering Of Satanists Will Meet This Weekend For Sold Out ‘SatanCon 2023’ In Boston

April 27, 2023 [Geoffrey Grider](#) **SHARE NOW THE END BEGINS: The Satanic Temple**, headquartered in Salem MA, is organizing the sold-out [SatanCon](#) at Boston’s Marriott Copley Place April 28-30; it promises to bring a lineup of panels, entertainment, and a “Satanic Marketplace.” Their actions nationally include delivering abortion services in New Mexico and organizing the after school Satan clubs. **Locally, the organization is suing the city of Boston and Mayor Michelle Wu over her denial as a city councilor to allow the Satanic Temple to deliver the opening prayer customary before city council meetings. Now, when we tell you that the spirit of the coming Antichrist is rising, you really should believe us.**

“Lest Satan should get an advantage of us: **for we are not ignorant of his devices.**” [2 Corinthians 2:11](#) (KJB)

The largest gathering of satanists is taking place right now in the city of Boston, and they will be there for two main reasons. The first being their desire to convince you that Satan (the Biblical version) is **not** real. And the second being to prepare the way for the coming Antichrist who, to them, will be the Messiah exactly as Paul says it will happen in [2 Thessalonians 2:4](#) (KJB). **SatanCon 2023 is what they call it, and make no mistake about it, they have an agenda and are motivated to get it done. One of their most well-known things is the [After School Satan Club](#), in places like Hellertown, PA, teaching the children how Satan is not real but loves them anyway. From [Adolf Hitler](#) and his Hitler Youth all the way to the [Drag Queen Story Hour](#), it’s *always* about the children, isn’t it?**

— John K. Amanchukwu, Sr.

John is the Amazon best-selling author of "Erased: Uncovering the Lies of Critical Race Theory and Abortion". This book has inspired a movement among parents and educators across the country to fight back against CRT, intersectionality, queer theory, gender theory, and other godless doctrines in public schools. boards across the country with a convicting message that calls for schools to focus on education, rather than indoctrination. A video of John's speech to the Wake County School Board went viral and garnered national attention with 5 million+ views. <https://johnmanchukwu.com/>

Lev 26:13 I am the LORD your God, which brought you forth out of the land of Egypt, that ye should not be their bondmen; and I have broken the bands of your yoke, and made you go upright.

Penalties of Disobedience

Lev 26:14 But if ye will not hearken unto me, and will not do all these commandments;

Lev 26:15 And if ye shall despise my statutes, or if your soul abhor my judgments, so that ye will not do all my commandments, *but* that ye break my covenant:

Lev 26:16 I also will do this unto you; I will even appoint over you terror, consumption, and the burning ague, that shall consume the eyes, and cause sorrow of heart: and ye shall sow your seed in vain, for your enemies shall eat it.

Lev 26:17 And I will set my face against you, and ye shall be slain before your enemies: they that hate you shall reign over you; and ye shall flee when none pursueth you.

Lev 26:18 And if ye will not yet for all this hearken unto me, then I will punish you seven times more for your sins.

Lev 26:19 And I will break the pride of your power; and I will make your heaven as iron, and your earth as brass:

Lev 26:20 And your strength shall be spent in vain: for your land shall not yield her increase, neither shall the trees of the land yield their fruits.

Lev 26:21 And if ye walk contrary unto me, and will not hearken unto me; I will bring seven times more plagues upon you according to your sins.

Lev 26:22 I will also send wild beasts among you, which shall rob you of your children, and destroy your cattle, and make you few in number; and your *high* ways shall be desolate.

Lev 26:23 And if ye will not be reformed by me by these things, but will walk contrary unto me;

Lev 26:24 Then will I also walk contrary unto you, and will punish you yet seven times for your sins.

Lev 26:25 And I will bring a sword upon you, that shall avenge the quarrel of my covenant: and when ye are gathered together within your cities, I will send the pestilence among you; and ye shall be delivered into the hand of the enemy.

Lev 26:26 And when I have broken the staff of your bread, ten women shall bake your bread in one oven, and they shall deliver you your bread again by weight: and ye shall eat, and not be satisfied.

[Lev 26:27](#) And if ye will not for all this hearken unto me, but walk contrary unto me;

[Lev 26:28](#) Then I will walk contrary unto you also in fury; and I, even I, will chastise you seven times for your sins.

[Lev 26:29](#) And ye shall eat the flesh of your sons, and the flesh of your daughters shall ye eat.

[Lev 26:30](#) And I will destroy your high places, and cut down your images, and cast your carcasses upon the carcasses of your idols, and my soul shall abhor you.

[Lev 26:31](#) And I will make your cities waste, and bring your sanctuaries unto desolation, and I will not smell the savour of your sweet odours.

[Lev 26:32](#) And I will bring the land into desolation: and your enemies which dwell therein shall be astonished at it.

Patricia: **It was 253.00 when I did the study a week ago and there were multiple copies.** I think my promotion of this book may have something to do with this, but who knows. **I know they don't like this type of information becoming common knowledge so the Illuminati types tend to buy these up to cut off access to this info.** Yes, the book is mind blowing, just reread it recently. So, earlier after I watched the video I mentioned your name and website briefly on the comment section and that you were the one speaking in the last half of video, then thought I'd check to see if its still there, and it is gone as far as I can tell.

Scott Johnson's Response:

Susan: Yes this guy appears to have zero conscience at all. **Truly a 'real Christian' does these types of things like: defrauding other Christians so he can take full credit for content which he is stealing from them without permission. Not to say many more have not done this to me over the last 18 years, but I don't think I have ever mentioned this subject before.** I expect to be defrauded by the world, but not from other Christians though and that is why I am making the point about

this. As far as I can tell your reposted comment (in the attachment) is also gone (so in addition to what I said below, that is at least 3 comments he quickly deleted **as he does not want to let the cat out of the bag and let his listeners know that I am the one that is actually talking (and not him) speaking in the last half of the video and so many other videos he has put out.** Janice (see below) also made a similar comment and I can't find hers either. **This guy will not allow one mention of my name or CFT on his YouTube channel. [German MEP Christine Anderson Explains Why Globalists Need You Trapped in 15-Minute Cities](#)

April 29th 2023--The globalists are determined to corral the masses into 15-minute cities that will essentially serve as tightly controlled population prisons, according to German MEP Christine Anderson.

Anderson, a member of the Alternative for Germany Party, explained that the COVID vaccine passport was just a trial run for a social credit system that will be integrated into these so-called [15-minute cities](#), Anderson told *The Epoch Times*. “The COVID pass was a test balloon to get people to have to produce some kind of QR code. Just getting people used to that,” she said. “Now what they’re slamming with, is these 15-minute cities. Make no mistake, it’s not about your convenience. It’s not that they want you to be able to have all these places you need to get to very close. And it’s not about saving the planet either, by the way. The 15-minute cities will have to have [QR codes] before they can lock you down.”

Anderson said the 15-minute cities are necessary to keep the populations properly locked down, citing a new UK law that lays the groundwork for “climate lockdowns” as the “next step” in the World Economic Forum’s Great Reset plan. “In order to do that, they will have to have these 15-minute cities,” she said, adding that the globalists will then charge the population for access to freely travel.

“So the poor people will be left in these 15-minute neighborhoods while the ones that are better off get to go wherever they want to go,” she said.

EVIL & IDIOCY: New York City to Track Residents FOOD Carbon Footprint! Demand Cut in Food Consumption but Mostly Meat!!!

New York City will track the carbon footprint of residents' food consumption as part of a sweeping initiative to decrease the city's carbon emissions from food by a third this year, Mayor Eric Adams revealed on Monday at an event for the Mayor's Office of Climate and Environmental Justice.

About a fifth of New York's greenhouse gas emissions come from household food consumption, Adams told reporters, **blaming much of that total on meat and dairy**. Household food consumption is supposedly the third largest contributor to city emissions totals, trailing only buildings and transportation.

The Mayor's Office of Food Policy has ordered city agencies to reduce their food consumption by 33% by 2030, and Adams has asked private corporations to cut their own emissions by 25% by 2030, insisting New Yorkers' wasteful **eating** habits cannot continue without imperiling the planet.

"It is easy to talk about emissions that are coming from vehicles and how it impacts our carbon footprint," he said. "But now we have to talk about beef." City officials urged New Yorkers to put down the burgers and pick up vegetables and beans.

Last year, Adams signed New York onto the C40 Good Food Cities program, a global pledge to reduce food waste and incentivize healthier eating habits. The program aims to enforce compliance with UN climate goals by 'nudging' populations toward more nutritious meals, mandating a "**planetary health diet**" for all residents.

He Came to Set the Captives Free by Rebecca Brown Book Resume:

For seventeen years, Elaine served her master, Satan, with total commitment. Then she met Dr. Rebecca Brown, who served her master, Jesus Christ, with equal commitment. Elaine, one of the top witches in the U.S., clashed with Dr. Brown, who stood against her alone. In the titanic life-and-death struggle that followed, Dr. Brown nearly lost her life. Elaine, finding a power and love greater than anything Satan could give her, left Satan and totally committed her life to Jesus Christ. This is an honest, in-depth account of Satan's activities today. You'll see how to: Recognize and combat the many satanists

who regularly infiltrate and destroy Christian churches. Recognize and combat satanic attacks. Recognize those serving Satan, and bring them to Jesus Christ.

Scott Johnson's Response: Yes very familiar. Read it a long time ago and actually took a group of Christians (when I was in the Pentecostal church) to see Rebecca Brown speak probably around 1999 at West Palm Beach church. We all went out to eat afterwards at a Perkins restaurant. We had a really good visit. I will read these pages you sent in an upcoming teaching. **Personally I feel the biggest flaw in what she was doing was not reading or quoting the King James Bible in directly dealing all these demon and witches she dealt with. Bill Schneobolen (before he turned into a Hebrew Roots rabbi) told her the same thing and according to Bill she kind of laughed at him and basically said it did not make any difference in what Bible you used; but the thing is if you read all her horror stories of almost getting killed over and over by witches and warlocks she seemed to barely escape everytime. I have dealt with a ton of stuff myself and that has not been my experience, as I have always used the KJV to engage the forces of evil and I have not had anywhere near the problems she continually had. EXPOSED: Globalists want everyone eating crickets because their exoskeletons contain CHITIN that parasites and pathogens use for protection when infecting humans and animals Eating locusts, crickets, ants, beetles, worms, bees, wasps, caterpillars, grubs and slugs could fuel the next death wave of humans – which is just what the globalists want!

Monday, February 06, 2023 (Natural News) Humans are to become walking parasites, and the globalists want everyone consuming crickets because they contain the perfect "armor" that parasites and pathogens use to infect humans and animals and spread disease inside them. Pathogens cause all kinds of diseases in animals and humans and use chitin (and chitinases), from the exoskeleton of crickets, as coats to protect them from the harsh conditions inside the host body they invade. This helps the parasite manifest and exploit the host, thus being easily transmitted from one vertebrate to another via "insect vectors," as described in research published in the National Library of Medicine by the National Institutes of Health.

Eating chitin is like flipping off the kill switch for parasites. Internal parasites infect their hosts and can cause serious health detriment, including loss of appetite, diarrhea, neurological damage, and reproductive failure. Parasite eggs

hatch inside the insect and can become quite durable inside the host, especially when fed certain food.

□ [Chitin - Wikipedia](#) Chitin (C₈ H₁₃ O₅ N)_n (/ ' k aɪ t ɪ n / KY-tin) is a long-chain polymer of [N-acetylglucosamine](#), an amide derivative of glucose.

Pathogens and (metazoan) parasites that [cause diseases in humans](#) and animals use chitin in their life cycles. Many of these parasites contain chitin coats that protect them from being destroyed by the natural defense systems inside the host. Humans who consume crickets (which contains the chitin) are feeding the [parasites and pathogens](#) exactly what they need to become more resistant and resilient inside their body.

Eating crickets could be the fuel for the next “pandemic” and wipe out several million people. Could it be that chitin consumption will arm the parasites and virus mutations of the next pandemic? Do the globalists and their insidious scientists know this? Is this new push for the populace to consume insects all part of the depopulation plan? This requires careful consideration.

Eating insects can cause severe allergic reactions, including anaphylaxis and other life-threatening consequences. Dangerous insects to consume include locusts, meal worms, cicadas, slugs, snails, silkworms, and crickets.

Certain (venomous) [ants, beetles, wasps](#), spiders, caterpillars, and even butterflies can be deadly if consumed by humans. Yet, Big Pharma uses deadly venoms and venom peptides to [make prescription medications](#), and those medications carry a list of insane side effects. It's no wonder.

If you start eating insects regularly, because you believe this will save the earth from global warming or “climate change,” you will be putting yourself (and any children you have) directly in harm's way, adding to the evil agenda of globalists who want to depopulate the planet. That's why the elite (Who are the 1% of the 1%) are genocidal maniacs, saying everyone should stop eating meat and start munching on insects all day. Amazon is now promoting and selling crickets in many forms, [for human consumption](#), including freeze dried and powder form.

Beware of REVERSE ATMs that take your cash, demand your identity, then dispense a debit card you can use to shop – these are SPYING machines that a conditioning you to stop using cash and go completely digital!!!

The next step towards an eventual cashless society is “reverse ATMs,” which [reports explain](#) exchange cash for debit cards that customers can then use to shop.

Accelerated thanks to the Wuhan coronavirus (Covid-19) “scamdemic,” which trained the public into believing that cash is “dirty” and might “infect” them, reverse ATMs are starting to appear at amusement parks, sports stadiums,

casinos, and other heavy use facilities that would rather not deal with paper and coins anymore.

Some restaurants, including Slutty Vegan and Brooklyn Dumpling Shop, both located in New York City, are also installing reverse ATMs to avoid the “dirtiness” of cash.

Since legal tender still technically has to be accepted, reverse ATMs exist in a legal gray area. Some states and cities are banning local businesses from refusing to accept cash, and for now reverse ATMs are something of a loophole to those rules.

(Related: Last summer, dozens of Whole Foods Market stores in California [unveiled a new cashless payment system](#) that allows customers to make food purchases with the palm of the hand – no more need for money or cards.)

Soon people will have “a virtual card” on their smartphones, expert says “Cash digitalization,” as they are calling the scheme, aims to eventually replace all paper and coin cash with digital payment schemes.

In the post-George Floyd age of constant smash-and-grab incidents and other forms of rioting, theft, and crime, **many businesses are leery of having too much cash on hand at any given time for fear of robbery.**

One such business is a food truck run by Slutty Vegan owner Pinky Cole, who told *Axios* that “we were making \$15,000 to \$20,000 a day, with five- to six-hour lines.”

“Sometimes we had to have security because we were dealing with so much cash,” Cole revealed.

Once people get used to the idea of using reverse ATMs, which quite frankly are *spying* machines disguised as convenience machines, the plan will be to do away with cash entirely.

At some point, all these reverse ATMs will be replaced with injectable chips that will require people to use their hands or other body parts to make payments with a quick swipe.

“It might not be a physical card,” Beg says about how the coming cashless society will progress. “You can have a virtual card on your smartphone.”

For the time being, reverse ATMs will likely continue to appear, **forcing patrons and customers to make the conversion before being allowed to eat, attend a sporting event, ride public transit, or even pay at a toll booth.**

“Big Brother wants to chip your hands,” one commenter wrote. “They will offer \$100 in food stamps for people to receive it, like the pizza coupons for getting the covid vaccine.”

Another wrote that it is no surprise Whole Foods is leading the charge towards a cashless society, seeing as how it is owned by Amazon, a product of Jeff Bezos. <https://www.naturalnews.com/2023-04-27-reverse-atm-take-cash-demand-identity-spying.html>

Darien Gap — Pathogen Highway to American

23 April 2023

Panama, Central America

Interesting...some of our pack who just went to Darien Gap got very sick. I am fine but can feel a little something. @BenBergquam @Oscareblue and two Senafront got sick, and another in our crew has been extremely sick the past few days. I am doing Zelenko protocol (actually FLCCC) now. Ivermectin, HCQ, Zinc, more, is with me always.

We do know that many 'migrants' are coming through sick.

This is no drill.

We are being invaded! We are at war! Many Chinese Fighting Age Men Coming Across Our Border! Many are Sick--Diseases such as multi-drug-resistant tuberculosis are spreading into communities around America!

26 April 2023

We are being invaded. We are at war. Stand now or lose everything. CLOSE THE BORDER. BLOCK IT.

I am watching hundreds of thousands come through Darien Gap. And that is just this corridor. There are many corridors. Tens of thousands of Chinese this year through Darien Gap alone.

Most are military-aged males. Many are sick. Four out of six on our two teams somehow got sick on this trip. I just pulled out of the jungle to repair, sent everyone home and I am going back alone when I am finished being sick. What are we all suddenly sick with? We don't know. But it's coming your way.

Many "migrants" appear to come from various Chinese intelligence organizations such as Public Security (like FBI), MSS (like CIA), and GS from the PLA (paramilitary). We have specific reasons to think this.

Public Security is setting up "police stations" around the world. I recently was at a Chinese Public Security police station in London, and another in Dublin. Implications are severe. They conduct overseas kidnappings, among other things.

Our military is shattered. Manhood is shattered among a significant portion of American "males." Otherwise the southern border would be closed whether or not the government wants it so.

Torpedoes into our social hull. While Joe Rogan and others rake in the dough and enjoy being famous for now, their doom builds. They are creating their own doom. One way or another, eventually they will be cancelled and possibly killed.

Jedburgh Teams are crossing our borders and are already across the land.

Witness all the unexplained disasters taking place in America.

Sidebar: Operation JEDBURGH:

Parachuting behind enemy lines in the cover of night, the Office of Strategic Services' (OSS) elite Jedburgh teams were special operations paratroopers sent into Nazi-occupied France, Belgium, and the Netherlands to coordinate airdrops of arms and supplies, guide local partisans on hit-and-run attacks and sabotage, and assist the advancing Allied armies to defeat the Third Reich.

The Special Operations (SO) branch of OSS ran guerrilla campaigns throughout Europe and Asia during World War II. As with many other aspects of OSS's work, the organization and doctrine of the branch was guided by British experiences in the growing field of "psychological warfare."

Child and other trafficking through Darien Gap and across our borders is severe. Worse than a bad movie.

Diseases much as multi-drug-resistant tuberculosis are spreading into communities around America.

Consumption. As you read old books on paper you will constantly stumble across throwaway sentences such as, "The General, weakened by consumption," or "Departed Scotland to San Francisco and to the Pacific islands in search of fine air to combat the consumption." Endless. Two of President Nixon's brothers died of consumption. The list is enormous.

Consumption tuberculosis

- o **Medical Definition of Consumption. Consumption: An old and once common term for wasting away of the body, particularly from pulmonary tuberculosis (TB).** [Definition of Consumption](#)

In the book THE REMEDY, a book detailing the quest to defeat Tuberculosis, the author posits a billion people may have perished from TB since its discovery so long ago.

Tuberculosis is up there with the likes of smallpox, yellow fever, typhus, the black death. Now a more powerful sort of tuberculosis is spreading across our borders every minute. We are under invasion by — literally by bacteria, viruses, and more, against which our bodies are ill prepared. Not to mention a replacement population — most are disposable — and paramilitary sorts.

There is another disease destroying America more completely than any virus. These diseases are alcohol and other chemicals that are dumbing down and destroying Americans even while we are being destroyed. Look at Hunter Biden. Traitor. Child molester just like his dad. Drug addict.

During the lockdowns you could buy all the whiskey you please without interruption. But church was verboten. The Beast is IN YOUR FACE.

We are at war with sober, strong evil people, who are pushing bottles of whiskey and dope. More Opium Wars. More firewater for the Red Man. Dumb him down. Vanish him. Fight him with whiskey and soma. Indians sleeping in the road.

Rogan comes on his show, openly drunk, and pushing drugs. Yet down here in the hot, wild jungles Darien Gap, I see hundreds of thousands of fit men essentially passing "Darien Gap Ranger School" to get to America. Literally stepping over bodies to get into our country. These are not weak boy-males like Scott Adams who threatens to toss a printer out the window because it does not work. They carry their wounded. They have a look in their eye. Eye of the tiger. Alert. Aggressive.

Chinese in particular are clearly on a mission and are especially monied and intelligent.

They are men in-full, sweating testosterone. While effete bearded-boys (as Japanese say) like Peter Zeihan and Neil deGrasse Tyson are nothing more than paid actresses. Children who will be destroyed and replaced by the testosterone coming across the border.

Meanwhile, we have this, Joe Rogan, rich beyond most imagination, slurring words. My readers tend to be very intelligent. It must have crossed their minds — Why did Tucker Carlson and why does drunk Joe Rogan have some mega-platform?

Chuck Holton, Masako Ganaha and I recently were in Tokyo. Chuck wanted to interview this man who married a plastic doll. There are others, men and women, marrying dolls.

In his tiny Tokyo apartment, I saw enough food for maybe 24 hours. The man appears to have practically no fat reserves. Had plenty of toilet paper. Apparently not thinking that one through.

The entire country of Japan has practically no serious food reserves and imports nearly all of its food and energy. And yet people play their games. Watch cartoons. Slaves in tiny rooms.

And Joe Rogan hammers the bottle and pushes the soma. Maybe Joe is a good guy deep down. I have no idea. But when he pushes the soma he works in service to The Beast.

NOW: Massive Invasion into United States

28 April 2023

Panama, Central America

From Border patrol friend: "We are expecting 10,000-13,000 aliens entering PER DAY next month. I think that number is probably low but we shall see. In order to make the border LOOK better the administration is opening processing facilities in Columbia and Guatemala. They will process people for release into the country by looking for legal pathways such as refugee resettlement, family reunification, sponsorship and temporary work visas. So the administration can say they have control over the border. Same or greater number of people will be entering but they will be entering legally. All a shell game.
