### PRAYER TO NEUTRALIZE OCCULT RITUALS

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to

them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

## **+1+ Who Was The Mysterious 'Grim Reaper' Figure Spotted During The Coronation Ceremony Of King Charles III--And Is There A Mystical Pagan Connection?**

May 8, 2023

The coronation of King Charles III in London last Saturday drew worldwide attention, with millions staying glued in front of the TV screen during the hours-long ceremonies, when the 'Grim Reaper' suddenly appeared.

You knew that the coronation of King Charles III was not going to happen without multiple evidences of his New Age and pagan leanings, and when all was said and done, that's exactly what happened. The most shocking thing that has people talking was the sudden appearance of the 'Grim Reaper' walking hurriedly across the entrance to Westminster Abbey as the coronation ceremony was underway. So who was it, why were he or she there, and what does it mean?

**"These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful."** **Revelation 17:14** (KJB)

Let me just say, here at the outset of the reign of King Charles III, that we are expecting big things from him, big things in relation to the rapidly-escalating end times we find ourselves in right now. King Charles III is able to trace his ancestry directly back to Vlad the Impaler, otherwise known as Dracula, and is a fan and follower of many things pagan and New Age. Not only that, he is 100% in favor of giving trillions of dollars to a military movement of Climate Change, all led by unnamed individual the Bible refers to as Antichrist. Yes sir, the reign of King Charles III, short-lived though it may be, is filled to the brim with prophetic potential.

See: Charles appears to refer to the Antichrist as someone different than him:

**FROM THE JERUSALEM POST:** But only the most attentive viewers noticed a curious incident during the festivities. In a video that was uploaded to Twitter and subsequently went viral, a figure clad in dark robes and a black hood and holding a staff can be seen hurrying swiftly across the entrance to Westminster Abbey during the ceremonies.

Other comments gave the discussion a darker turn. "Anyone else just notice the Grim Reaper at Westminster Abbey?" one of the persons who had uploaded the short clip asked. Another commenter posted a picture of an explanation about witch rituals, which include the use of black robes similar to the one worn by the mysterious figure and others agreed that this must have been a witch.

Was the 'Grim Reaper' who mysteriously appeared at the coronation of King Charles III a harbinger of what type of reign we might expect to see? Please watch and comment below. [#KingCharlesIII](#) [#GrimReaper](#) [pic.twitter.com/uOb9yYdR1V](https://pic.twitter.com/uOb9yYdR1V)

— Now The End Begins (@NowTheEndBegins) [May 8, 2023](#)

Before the coronation ceremony, a coven of witches and pagans had announced that they would accompany the festivities with a ritual of their own, during which they would cast spells for good weather during the coronation and health for the new monarch, The Sun reported.

**Another angle of speculation** led to discussions about the new king's connections to the Free Masons. "The British Monarch has a long-time connection to Scottish Freemasonry," one Twitter user alleged. He went on to say that "The Rectified Scottish Rite of Masons uses a black hooded robe in some ceremonies. Their headquarters happens to be in Mark Masons Hall opposite St James Palace where Charles was affirmed as Monarch last year."

**These allegations** continue the discussions about paganism and occult symbolism surrounding the long-awaited coronation of Charles III. **One of the main bones of contention was the official invitation to the coronation ceremony, which included a depiction of the 'Green Man' at the bottom of the card.**

**The prominence of the 'Green Man' on Charles's invitation — a mystical, pagan symbol of rebirth — is a declaration of what he really intends for his reign, hiding in plain sight.** [pic.twitter.com/5xbw0ajqdF](https://www.nowtheendbegins.com/coronation-king-charles-iii-grim-reaper-green-man-england-westminster-abbey/)

**Subject:** Re: FW: Who Was The Mysterious 'Grim Reaper' Spotted During The Coronation Ceremony Of King Charles III, And Is There A Mystical Pagan Connection?

**So according to the comments, Westminster Abbey confirms, the "grim reaper" is a verger, which is what I thought he was when I first saw the video. (Remember this is my former denomination.)** OK so we can take the Abby comment at face value.

**verg-er**

noun

- 1. an official in a church who acts as a caretaker and attendant.
- 2. an officer who carries a rod before a bishop or dean as a symbol of office.

HOWEVER...

**I have never personally seen a verger wearing hooded robes. In fact I have never seen anything in the Anglican church wearing robes with a hood period although maybe they do in England, NOW and I just don't know it. (Some British robes do have hoods but I have never seen them actually worn as a hood. We leave that creepy hood stuff to the European Catholics.). It looks ridiculous, like Harry Potter came to Westminster Abbey, the fact that UK citizens are talking about it indicates they have never seen a verger dressed up like that either.**

I knew he was a verger by his rod he was carrying. The verger is easily identifiable by his rod and he escorts people to the correct spot in the cathedral or the large church. The verger is useful in a place like Westminster Abbey when there will be visiting preachers who don't know where to sit, which pulpit to use, and so on. Vergers are present at all royal weddings, coronations, and other church functions. I attended at least two churches in my time that were large enough and ornate enough to have vergers.

A coven of British witches and pagans pledge their allegiance to King Charles, claiming he is 'very pagan' and 'supportive' of their beliefs--His invitation featured the Green Man and lots of other Pagan symbolism.'

I posted an important article last week detailing how King Charles III is the leader of the global Sustainable Development movement being implemented through United Nations Agenda 2030 with help from the World Economic Forum. I noted in that article his near religious fervor in supporting the so-called "green agenda," complete with its insane plan for total decarbonization that, if successful, would lead to mass starvation and depopulation of the planet. Taken to its extreme, this is a form of "earth worship," I reported.

And let's not forget what took place at last year's United Nations COP 27 Climate Conference in Egypt, when blatant pagan earth worship was on full display. For more on this, see my Oct. 25 article in which climate activist Dennis Meadows clearly explains in a video that the climate "crisis" can never be solved without drastic population reduction.

Now comes this bombshell from the U.K. tabloid The Sun, which reports that witches and pagans from across the United Kingdom gathered to cast spells in support of King Charles during a special coronation ritual ceremony.

The spells involved lighting blue, red and white candles, burning incense, scattering rose petals and giving "magical gifts to each other on Coronation Day."

The witches began casting spells several days ahead of the May 6 coronation of King Charles. Julie Aspinall, a 58-year-old self-described pagan, witch and the main organizer of the event, spoke in depth with The Sun. She said the witches' coronation ritual took place at the Festival of Witches and Pagans, being held in Coventry over the coronation weekend.

More than 2,000 people were expected to attend the festival, which featured a range of workshops from wand-making and spell-casting to crystal skull healing. A series of "night

rituals" were also planned, according to the official website description of the event, which stated:

"We have been tasked by the Great Mother to teach the ways of the witch and pagan to those that need it. We work hard to develop young curious minds ( Comment: See what Jesus says about this farther below), draw out and nurture natural talents."

The event was organized by Aspinall and her coven, the [Coven of Gaia](#). She told *The Sun* that King Charles has always been “very supportive of the pagan community.”

In her interview with *The Sun*, Aspinall stated:

“We know King Charles is the head of the Church of England but to us he’s very Pagan in his beliefs too. His invitation featured the Green Man and lots of other Pagan symbolism.”

(See royal coronation invitation below with ‘Green Man’ at the bottom.)

According to the *Daily Mail*, Charles’ invitation, created by heraldic artist and manuscript illuminator Andrew Jamieson, is a nod to the king’s love of nature and climate conservation.

Buckingham Palace, which revealed the design on April 4th, said the Green Man is “an ancient figure from British folklore, symbolic of spring and rebirth, to celebrate the new reign.”

“His mother the Queen was adopted as a druid in Wales when she was young,” Aspinall told *The Sun*. “The royal family has always been supportive of Pagan beliefs. King Charles is very much into saving the family, saving the trees, nature — and that’s how we live so we wanted to include him in the ceremony.”

The Coven of Gaia’s special coronation ritual took place on Sunday, May 7, and involved the witches and pagans gathering in a circle and chanting their allegiance to Charles.

This all lines up with the excellent report posted May 7 by journalist Naomi Wolf to her Substack titled: [Weird things about King Charles’ Coronation: As symbols are twisted, is Britain being de-consecrated?](#)

Carolina

A small group of North Carolina pastors criticized state lawmakers for trying to protect unborn babies from abortion during a rally Friday in the state Capitol. According to the Religion News Service, the pastors, who profess to be Christians, asserted that God gives women the “freedom” to make their own decisions about aborting their unborn babies. One even wore a pink pastor’s stole with the name and logo of the billion-dollar abortion chain Planned Parenthood.

“Religious leaders know what is at stake for a woman faced with an unexpected pregnancy,” said the Rev. Jennifer Copeland, executive director of the North Carolina Council of Churches, according to the report. “God’s primary directive for God’s people has always been about all of us taking care of each one of us but allowing every one of us the freedom to make our own decisions.”

But the bill that Copeland’s group opposes, the Care for Women, Children and Families Act, does take care of people. It protects unborn babies from abortions after 12 weeks of pregnancy and includes \$160 million in aid for parents and children in need throughout North Carolina.

State lawmakers passed the pro-life bill by a strong majority earlier this month, but Gov. Roy Cooper, a pro-abortion Democrat, vetoed it Saturday. The legislature appears to have enough votes to override Cooper’s veto, but pro-abortion activists are putting intense pressure on lawmakers to change their votes.

**So What Does Jesus Say About Children & What Does He say About Harming and/or Murdering Children and Babies?**

**Mat 18:1** At the same time came the disciples unto Jesus, saying, **Who is the greatest in the kingdom of heaven?**

**Mat 18:2** And Jesus called a little child unto him, and set him in the midst of them,

**Mat 18:3** And said, Verily I say unto you, **Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven.**

**Mat 18:4** **Whosoever therefore shall humble himself as this little child, the same is greatest in the kingdom of heaven.**

**Mat 18:5** **And whoso shall receive one such little child in my name receiveth me.**

**Mat 18:6** **But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea.**

**Lexicon :: Strong's G4624 - skandalizō**

KJV Translation Count — Total: 30x

The KJV translates Strong's G4624 in the following manner: **offend** (28x), **make to offend** (2x).

**Outline of Biblical Usage**

- 1. to put a stumbling block or impediment in the way, upon which another may trip and fall, metaph. to offend**
  - 1. to entice to sin**
  - 2. to cause a person to begin to distrust and desert one whom he ought to trust and obey**
    - 1. to cause to fall away (Note: I think we can all agree murder of an unborn child in the womb and indoctrinating a child into the LGBTQ movement would fall into these categories as well)**

**Mat 18:7** **Woe unto the world because of offences! for it must needs be that offences come; but woe to that man by whom the offence cometh!**

**Mat 18:8** **Wherefore if thy hand or thy foot offend thee, cut them off, and cast them from thee: it is better for thee to enter into life halt or maimed, rather than having two hands or two feet to be cast into everlasting fire.**

**Mat 18:9** **And if thine eye offend thee, pluck it out, and cast it from thee: it is better for thee to enter into life with one eye, rather than having two eyes to be cast into hell fire.**

**Mat 18:10** **Take heed that ye despise not one of these little ones; for I say unto you, That in heaven their angels do always behold the face of my Father which is in heaven.**

### **County abolishes office of DEI (Diversity, Equity, & Inclusion)**

**Massive change can happen when Christians decide to act at the local level. This is happening now in Ottawa County, Michigan, where Christian men and women have been elected to seats on their county commission. Ottawa County has over 300,000 residents. These Christians advanced with diligence, forethought, organization, teamwork, and a heart of service towards God and man. In this video, they show that it is possible to influence great change; and this should give you HOPE that even if national and state politics are lost, you can still make a difference at the local level.**

**So far Ottawa County has abolished the DEI (Department of Equity and Inclusion), removed a tyrannical health director, cut back spending in unnecessary areas, and continues to cause no small stir for Christ! They are receiving massive**

backlash for doing so, and are constantly slandered by the media, so please reach out to them with your positive support.

The individual admits to officer he was taking out the catalytic converter. At that point he walks away from the officer towards his vehicle. The man disobeyed the officers' commands to stop and forces the officer to go hands on. The man resists arrest as other officers respond to assist taking him into custody.

**WHILE BEING ARRESTED, THE MAN TELLS COPS "THE RUSSIANS ARE COMING FOR YOUR SOON" AND THEN SAYS, "AMERICA IS A B\*\*\*\*" and repeats "THE RUSSIANS AND CHINESE ARE COMING FOR YOU SOON."**

**During the course of the investigation, officers determine the man has been stripping the truck. The officers finish up their investigation and transport the man to jail.**

Here's the Police Body Cam footage of the arrest from start to finish. Listen for yourselves once police intercept the guy: [See link below](#)

For many years, those who keep abreast of the illegal aliens crossing into the US have observed that most of the males are of military age, and very fit. Those observers have wondered aloud if these invaders are actually foreign military, being sent into the US to be pre-positioned to harm us from within once hostilities begin.

This video seems to (quite accidentally) confirm that! A guy is being arrested for stealing catalytic converters. Why would he tell cops "The Russians are coming for you soon" unless he knows something that the rest of us do not?

I mean, who in their right mind would even bring something like that up while being arrested?

Oh, and the other thing he said "America is a B\*\*\*\*" -- THAT tells you that these **PRESUMABLY** (but not certain) Illegal aliens aren't coming here for freedom or for love of America. Nope! They clearly seem (to me) to have some other agenda.

It now seems quite possible to me that these men are being sent from foreign military to be pre-positioned to harm us from within.

## Homeless Encampments Are Exploding In Size All Over America As Rents Soar And Evictions Surge

**May 7, 2023** Communities all over the United States are being taken over by giant homeless encampments, but we are supposed to believe that this is perfectly normal. The Biden administration is trying very hard to convince all of us that the economy is in fine shape even though many of our most prominent corporations [are currently conducting mass layoffs](#) and even though Challenger, Gray & Christmas is telling us that the number of jobs cuts during the first three months of this year was up [396 percent](#) compared to the same period last year. Just like in 2008 and 2009, large numbers of people that have lost their jobs or their businesses are ending up living in the streets, and as a result homeless encampments are absolutely exploding in size from coast to coast. In Marin County, California the average price of a home is 1.4 million dollars, and it is one of the most prosperous areas of the entire country. But it is also home to vast hordes of homeless people. In fact, one of the biggest homeless encampments in Marin County is now [more than two miles long...](#)

Meanwhile the government is bringing in the illegal disease-ridden invaders by the millions! While legal American citizens in RV's & vehicles are subjected to homeless raids which involve police officers forcing homeless individuals living in RVs and other vehicles to vacate their current location typically with zero alternatives

The day after we interviewed Wendy about living homeless in her RV ([See: • The Real People I...](#) ) the RV encampment in Playa Del Ray was hit with a massive sweep. LAPD, along with LA Sanitation and Los Angeles Homeless Services Authority (LAHSA), blocked off Jefferson Blvd and started to throw people's belongings away without providing any tangible support. Homeless sweeps involve police officers forcing homeless individuals living in RVs and other vehicles to vacate their current location, often without providing them with an alternative place to stay. These sweeps are incredibly harmful and traumatic for those experiencing homelessness, as they are forced to leave their only shelter and possessions behind without knowing where they will sleep that night. Additionally, these sweeps make it even harder for service providers to reach and help these individuals, as they are constantly being displaced and forced to move. Homeless sweeps do nothing to solve the underlying issue of homelessness. Instead of investing in long-term solutions, such as affordable housing and mental health services, these sweeps waste taxpayer money and cause unnecessary harm to vulnerable individuals.

**How To Detox Metals & "Unfold" The Spike Protein of COVID-19 (and the VAX) Making it Go Away!**

A peer-reviewed medical study shows two, common, over-the-counter supplements, combine to destroy the spike protein of SARS-CoV-2. This article reprints the peer-reviewed study and tells you what supplements THEY used that wiped-out the spike protein. Maybe, people who took the "vaccines" can use this to wipe out the spike proteins inside themselves, that are making many of them sick, and killing many others?

This peer-reviewed paper was published in March of 2021, but no one in the media bothered to tell the public. The only thing the media did was push the "vax." Now, a lot of people are dead, dying, or very sick from the vax.

Below, is the study which showed two over-the-counter food supplements, Bromelain and N-Acetylcysteine (NAC), when used together - not separately - cause the spike protein bindings to fall apart and dissolve into nothing. Images of the results are below!

[Chelsea Clinton: 'It's Time To Force-Jab Every Unvaccinated Child in America'— "The Big Catch-up" is Here!](#)

*The deranged One World Government assets are nowhere near ceasing and desisting in their slow kill bioweapon program, even after their murderous C19 DEATHVAX™ campaign has been finally rejected by the majority of the population; and precisely due to this, they are now doubling down in their targeted destruction of children.*

*If you had any doubts at this stage in the Great Reset game (if these puppets are not actively worshipping evil) then here is yet another reminder:*

*<<And here is fellow DEATHVAX™ pusher Melinda Gates:*

*It's time to wake up and resist these power hungry sociopaths.*

by [Sean Adl-Tabatabai](#)

Chelsea Clinton has declared that unvaccinated children in America must be forced to take the mRNA jab with or without parental consent.

Chelsea – via the Clinton Health Access Initiative (CHAI) – along with the World Health Organization (WHO), UNICEF and the Bill and Melinda Gates Foundation says she hopes to force jab unvaccinated children via a new initiative called “[The Big Catch-up](#).”

“The Big Catch-up” will last 18 months and, according to Bill Clinton’s daughter, aims to become “the [largest childhood](#)

[immunization effort ever.](#)”

[Childrenshealthdefense.org](https://childrenshealthdefense.org) reports: Clinton, who serves as vice chair of CHAI, last week presented the initiative at Fortune's Brainstorm Health Conference in Marina del Rey, California.

One day earlier, under the auspices of [World Immunization Week](#), the WHO introduced "The Big Catch-up," describing it as a "targeted [global effort to boost vaccination among children](#) following declines driven by the COVID-19 pandemic."

According to the WHO:

"This effort aims to reverse the declines in childhood vaccination recorded in over 100 countries since the pandemic, due to overburdened health services, closed clinics, and disrupted imports and exports of vials, syringes and other medical supplies."

... "Ongoing challenges like conflicts, climate crises and vaccine hesitancy also contributed to the decline in coverage rates,"

according to the WHO, which said the new

initiative will act as "an extended effort to lift vaccination levels among children to at least pre-pandemic levels and endeavours to exceed those."

More than 25 million children missed at least one vaccination in 2021 alone" the WHO admitted.

"The Big Catch-up" will focus on the 20 countries — all in Africa, Asia and Central and South America — where three-quarters of the children who missed vaccinations in 2021 live.

During her presentation at Fortune's Brainstorm Health Conference, Clinton described the rise in "vaccine hesitancy" and growing rejection of vaccines as "unfortunate," adding that she had "tempered" her words. In

an Aug. 9, 2021, tweet, Clinton wrote that "vaccines save lives" and described this as a "controversial statement ... in an era rife with disinformation."

Vaccines save lives. This shouldn't be a controversial statement, and yet — in an era rife with disinformation — to many it is.
