## STRATEGIC WARFARE PRAYER

Father God in heaven, in the name of the Lord Jesus Christ we come against & oppose all satanic operations, manipulations, subversions, tactics and plans **which are designed to hinder, prevent or frustrate God's original plans and purposes** from their swift manifestation taking place in their correct time and season. (Daniel 7:25) **We come against all satanic alliances and confederations worldwide. Let every evil effort and endeavor fail. Cause the news media to be caught in their own lying and manipulation so that only the truth is brought forth.** (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We ask that every satanic strategy of prohibition and limitation placed upon the Body of Christ (by the dark side), shall not prevail. We pray that all invisible and visible walls of opposition, restriction and delay will be exposed and destroyed.** (Colossians 1:16; Joshua 6:1) **Oh Lord confound the devices and the wicked plans of the enemy that they have crafted, so that their hands are not able to perform their evil enterprise. Save those that can be saved O' Lord, but those that cannot be saved;** overtake them in their own crafty and devious ways; **let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secretive and destructive measures**

designed to destroy all of God's creation and defile the world. According to 1 John 3:8 for this reason, was the Son of God made manifest, that He would destroy the works of the enemy. (John 2:15-17; Acts 16:16-19) Father God overrule all strategies, tactics and curses of the enemy by the power of Jesus Christ and His shed Blood; & overthrow all spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17, & break the curses associated with all these ceremonies, rituals, utterances, and destroy their plans to bring about a chaotic bloody revolution in worldwide & to usher in Martial Law and the New World Order. Father God, we pray their plans shall be uncovered and not prevail & shall be frustrated and unable to achieve any impact & that their wickedness and violent verbal dealings would return upon their own heads, according to Psalm 7:16.

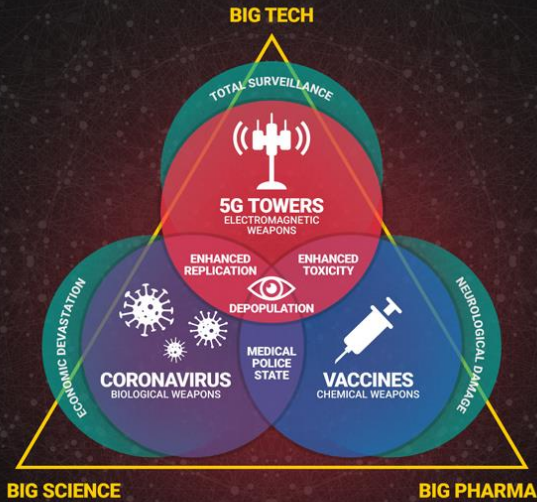

FATHER GOD, WE HUMBLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events which would lead to the destruction of Your Christians & the innocent. (Isaiah 44:25; 2 Timothy 3:8) Please send divine, powerful angelic forces against their diabolical plans to expose & destroy them. **We dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on the United States of America and on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) Release your divine strategies and revelations upon any righteous person in government, worldwide. **Fill them with Your Holy Spirit and cause Your divine wisdom & courage to come upon them.** (James 1:5) Cause them to be like a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided & when they communicate let it be incoherent and misunderstood. (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, until which time they then be cast into the lake of fire, AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR PLACE..** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they will accomplish your divine will. (Psalm 57:4) **WE SEAL THIS PRAYER BY THE BLOOD OF THE LAMB AND ASK ALL THESE THINGS IN THE NAME OF THE LORD JESUS CHRIST, AMEN!**

Speaking at a science conference, he said [AI](#) had crossed a new frontier by 'gaining mastery' of our language and was now capable of using it to shape human culture.

Dr Harari used the event to add his voice to growing calls for urgent regulation over the sector, which experts have warned is amid a 'dangerous' arms race.

He said: 'In the future we might see the first cults and religions in history whose revered texts were written by a non-human intelligence.'

Christians looking at up to 34 years in federal prison by Biden regime--Our latest 3-minute video from Pastor Matt Trehwella

Here is the link to our latest 3-minute video. The Biden regime has indicted 23 Christians for interposing peacefully and prayerfully at the doors of deathcamps (abortion clinics) in order to protect the preborn from a brutal murder.

Indictments have been handed down against Christians in Tennessee, Michigan, Georgia, Virginia, and Florida - and they are looking at up to 34 years each in federal prison.

Sheriffs and state authorities must realize they have a duty to protect those in their jurisdictions from lawless federal authorities. This will become more important in the days ahead here in America.

The war on Christians is well underway. You must understand this, and be prepared to suffer. That may include losing your job, being threatened, and even being cast aside by your church. Under great tyranny, Christians cannot live saying "peace peace" while there is no peace.

**Those three banks are PacWest Bankcorp, Western Alliance and Metropolitan Bank.**

**As end of Title 42 looms, 90,000 illegals rush to America's southern border over 10-day period**

**(Natural News)** Title 42 is just days away from coming to an end on May 11. And according to the latest data, some 90,000 illegal aliens have rushed America's southern border just in the past 10 days in the hopes of making it through before their time comes to an end.

**Just in the last 72 hours, some 22,220 people were apprehended at all U.S. border entry points, tweeted Border Patrol Chief Raul Ortiz about how things are really heating up as Title 42 nears its end.**

Americans who are not explicitly standing up against this are implicitly standing FOR it. Aliens are bringing this in by the thousands. Dengue is called Break Bone Fever — because when you get dengue, it feels like every bone in your body is

@Michael\_Yon--Americans Constantly Ask who is paying for the rape and murder invasion--Answer: YOU PAY

And when the economy explodes and there are food shortages, this will transition from Planet of the Rapes to Cannibal Planet. Folks who have read my work for years know how dangerously accurate I tend to be...year after year and conflict after conflict. This will transition to straight-up kinetic war with massive all-cause casualties ranging from serious diseases to bodies in the streets with blood running into the storm sewers. You will see. War is my business.

@Michael\_Yon--Incoming Disease — Serious Diseases...Weaponized Scabies Are here in America--A friend with significant international medical experience sends this alert

06 May 2023--Thank you, Michael.

I have a relative who was driving to a travel nursing assignment. En route, he spent one night in a reputable motel in the Southwest

US. About 2-3 days later he developed a case of scabies (mite infestation - *Sarcoptes scabiei*). The saying “seven year itch” derives from scabies.

He has been treated with the standard treatments: topical permethrin from head-to-toe for 8 hours (very toxic, potentially cancer-causing med) - condition didn't resolve so next was: oral ivermectin for some days - still unresolved. Next may be a form of "escalation therapy," such as allethrin, permethrin, and ivermectin in combination.

It appears he may have a case that is resistant to standard scabies treatment. He is absolutely miserable and feeling desperate as his condition is unresolved. Papules (bumps) on the skin and nodules from the mites tunneling may next appear as the condition worsens.

And secondary skin infections may develop as the skin begins to break down. Scabies is a serious health concern, as you well know. Cases are increasing worldwide while masses of people are on the move.....

===end note from my friend ===

### SCABIES Invive Silver Remedy Protocol

**INVIVE 5000 ppm silver mixed in with Aloe Vera crème** until the Aloe Vera Crème starts to liquify. Apply this combination **all over affected areas of your body.** The treatment is typically repeated daily. <<Note: Also Thieves essential oil blend (which is Clove, Lemon, Cinnamon Bark, Eucalyptus radiata, and Rosemary) and bergamot essential oil, are also indicated for scabies eradication. You could add small amounts of these essential oils to the Invive blend listed above. The amount you add would be to your tolerance levels as that is different for different people.

Also take 5 cc (1 measuring teaspoon) of 5000 ppm Invive Silver B.I.D. (upon waking & just before bed)

The oral Silver is necessary due to the mite causing bodily inflammation and burdening/suppressing your immune system.

SCABIES (information from various Medical Sources):

Scabies is an infestation of the skin, by the human itch mite *Sarcoptes Scabiei* (*Sarcoptes Scabiei* var. *Hominis*).

The "microscopic" (invisible to the human eye) Scabies Mite, burrows into the "upper" layer of the skin, where it lives and lays its eggs.

As the mites that cause scabies burrow into the skin and lay their eggs, this forms a burrow that looks like a pencil mark. Eggs hatch in 21 days. The itchy rash is an allergic response to the mite.

Pets and animals usually do not spread human scabies. It is also very unlikely for scabies to be spread through swimming pools. It is difficult to spread through clothing or bed linen.

The most common symptoms of Scabies are:

An intense itching and a pimple-like rash.

General Information:

Scabies (which is a Parasitic Mite Infections) originally can/may start 2 to 6 weeks before the onset of itching (in patients "without" previous infections.

Excuse patient **from school or work, until 1 day treatment.**

But in patients "re-exposed", the symptoms may start 1 to 4 days after being re-exposed.

Symptoms of scabies include:

- Severe itching, most often at night.
- Rashes, often between the fingers and toes, undersides of the wrists, arm pits, women's breasts, and buttocks.
- Sores on the skin from scratching and digging.
- Thin lines (burrow marks) on the skin.
- Babies will likely have a rash all over the body, especially on the head, face, and neck, with sores on the palms and soles.

Scabies doesn't affect the face except in babies and in people with crusted scabies.

Exams and Tests:

The health care provider will examine the skin for signs of scabies.

Tests that may be done that include:

- Scraping the skin burrows to remove mites, eggs, or mite feces to examine under the microscope.
- In some cases, a skin biopsy is done.

HOME CARE:

- **"Before" treatment, wash clothes and underwear, towels, bedding and sleepwear in hot water and dry at 140°F. (60°C.) or higher. Dry cleaning also works. If washing or dry cleaning can't be done, keep these items away from the body for at least 72 hours because away from the body, the mites will die.**
- **Vacuum carpets and upholstered furniture.**
- **Spray affected area with 500 ppm INVIVE Mild Silver protein, let dry, then apply Calamine lotion, One may choose to soak in a cool bath to ease itching.**

**The whole family or sexual partners of infected people should be treated, even if they do not have symptoms.**

TREATMENT REGIME:

1.) A special Crème **made with 5000 ppm INVIVE Silver** that you will mix with Aloe Vera Crème until the Crème starts to liquify, is needed to treat Scabies.

Apply this combination **all over affected areas of your body.**

The treatment is typically repeated in 1 week.

How to MIX the INVIVE Crème:

Stir in the INVIVE 5000 ppm into Aloe Vera crème until the Aloe Vera Crème starts to liquify.

Outlook (Prognosis):

**Itching may continue for 2 weeks or more after treatment ends. It will most likely disappear if you follow the provider's treatment plan.**

Most cases of scabies can be cured without any long-term problems. A severe case with a lot of scaling or crusting may be a sign that the person has a weakened immune system.

Possible Complications:

Intense scratching can cause a secondary skin infection, such as impetigo.

- Clothing contact with an infected individual will not generally result in transmission.
- Skin to skin contact/touching with an infected individual “will” result in your being infected with scabies.

When to Contact a Medical Professional:

Contact your provider if:

- You have symptoms of scabies.
- A person you have been in close contact with has been diagnosed with scabies.

**From Michael Yon: Lice are frequently popping up around USA and here in Panama--Lice spreads the epidemic typhus**

**I have read several books on typhus...you don't want epidemic typhus. Typhus makes Spanish Fever look like a minor social inconvenience. I see direct evidence that USA is being intentionally set up for epidemic typhus. For instance, schools now being advised not to send children home just because they have lice...EPIC error unless you are waging biological warfare. In which case it's pretty clever.**

**How to get rid of lice naturally**

Wednesday, December 17, 2014 by: Kali Sinclair (NaturalNews)

The kids are back in school. Your child comes home clutching a note from the teacher in one hand as she scratches behind her ear with the other. You don't even need to open that letter to know what it says. Lice. **You can buy effective over-the-counter treatments from the pharmacy--shampoos, lotions, gels, and sprays. But when a product says it kills lice and their eggs on contact; what are the risks?**

**The active ingredient in the largest selling products is pyrethrum extract, which comes from the pyrethrum flower (a chrysanthemum). While this is a natural, plant based product, it is a potent insecticide. At high enough doses it causes convulsions and death. Why would we want to put a neurotoxin on a child's scalp to be absorbed into their skin?**

**A prescription brand contains spinosad, an insecticide derived from bacteria found in soil. This insecticide is used for flea control in pets (taken orally).**

Thank God we have alternatives. The same company that sells the most over-the-

counter lice killer, also makes an electronic lice comb that kills lice on contact with an electrical charge so small humans can't feel it.

But the best alternative is topical application of olive or coconut oil. You can also add up to 20 drops of essential oils to the olive [oil](#) or coconut oil. Tea tree oil helps kill lice. Spearmint repels them.

**Method # 1** - Liberally cover hair with oil, leave in for 30-60 minutes and comb carefully with lice comb. Shampoo. Repeat every day for 2 weeks.

**Method # 2** - Rinse hair with apple cider vinegar. Let it dry (do not rinse out). Cover hair with oil and leave in for the day (or night). Shampoo. Comb carefully with a lice comb. The vinegar cuts the stickiness of the nits to the hair shaft so that they can be removed with the shampoo and comb. This method is reported to be a onetime treatment. Check with the lice comb in 10 days to be sure you don't need to repeat it.

All of the bedding, towels, combs, brushes, hats, coats, clothes worn, car seats, etc. need to be thoroughly cleaned. Also check out this [apple cider vinegar](#) article.

**Dentists Say Unexplained Pain & Tooth Loss May Be Linked to Covid Vaccine**

Dental experts seeing an "exponential increase in patients with head and facial neurovascular and myofascial pain, including headaches & toothaches NOT caused by the tooth, osteonecrosis of the jaw, sleep issues, tinnitus, and oral and facial autoimmune conditions."

Dentists have reported seeing more patients with a range of mysterious and severe symptoms associated with teeth and bone since the rollout of the experimental COVID vaccine.

Alabama orofacial pain and dental sleep medicine specialist Dr. Amy Hartsfield told *The Epoch Times* that she's seen a massive increase in patients with severe ailments who had previously taken the COVID jab.

*Since the vaccines were rolled out, Hartsfield has seen an exponential increase in patients with head and facial neurovascular and myofascial pain, including headaches, toothaches not caused by the tooth, osteonecrosis of the jaw, sleep issues, tinnitus, and oral and facial autoimmune conditions.*

*"I've seen patients with no previous history of health issues [who] have perfectly healthy teeth and now have pain syndromes associated with these healthy teeth," she said. These types of injuries affect both the nerves and blood vessels.*

Hartsfield claims to have discovered a myriad of health issues caused by the COVID vaccine's spike protein and its tendency to cause "micro" blood clots.

Consider the following case of Cheryl Alverson, who began experiencing severe bone loss after receiving the Moderna COVID jab.

*Cheryl Alverson, 79, came to Hartsfield after having all of her lower teeth extracted due to a massive recurring infection that caused extensive bone loss. Hartsfield immediately ordered multiple blood tests, including several specifically related to blood clotting.*

*"They showed I had microclots all through my body," said Alverson.*

*Hartsfield explained that microclots can interfere with bone healing after extractions. What happened with Alverson typically only occurs in patients who have been on osteoporosis medication or had radiation therapy, neither of which applied to Alverson.*

*Alverson had received the Moderna COVID-19 vaccines and a subsequent booster shot before her issues began, and she had not been infected with the COVID-19 virus prior to seeing Hartsfield.*

Alabama-based endodontist Dr. John Collier has also seen far more patients experiencing an "unbelievable amount of increasing facial pain" since the COVID jab was introduced.

Alabama-based oral surgeon Dr. Doug Denson has also seen more patients with facial pain that he's referred to Dr. Hartsfield.

Because of this uptick in troublesome symptoms and ailments, Hartsfield said she now has to screen patients for their vaccine status.

*"I have to screen these people to see if they've been vaccinated, when and how many times, and then I see if I can treat them," Hartsfield said, adding most practitioners don't screen for the COVID injection.*

*"When you ask the whole population to have a mandatory vaccine that has more side effects than any other vaccines in history showing in the Vaccine Adverse*

Event Reporting System from Centers for Disease Control and Prevention data, you will definitely see injuries,” said Hartsfield.

++ Add to your personal prayers: For the Lord to deactivate, neutralize, destroy and purge any and all Covid-19 vaccine spike proteins, nanobots, nanoparticles, nanotech, Graphene Oxide, microchips, implants, Luciferase, Hydrogel, wicked bacteria, viruses, candida, prions and parasites in or on our bodies and to deactivate, neutralize, destroy and purge any other wicked things the globalist elite may have gotten into our bodies.

++ & we loose legions of angels regarding all these prayers points to accomplish Your will, and we bind up every devil, demon, evil entity or fallen angel (that would try to hinder these petitions or angels) and command them to go where Jesus tells them to go!!!! & command that none can come to take their place! In the name of the Lord Jesus Christ we pray, Amen.

EXPERIMENTS FOR REMOVAL OF NANOTECHNOLOGY FROM THE COVID VACCINES

In the video shared by La Quinta Columna a person who has taken the injection is in a field and is emitting a Bluetooth code that can be seen on the mobile phone. The two operators then use the pulse EMP circuit over the injection site in both arms of the person emitting the signal. After a minute of use, the operators were not able to get a Bluetooth signal from the injected person. The chip was disabled. This was a painless procedure. They just simply waved the coil over the vaccination site and it deactivated the chip.

Were you aware that the vast majority of organic grassfed beef IS vaccinated unless you can find a farmer who does not vaccinate, but I could not find one online--What does organic beef mean? The U.S. Department of Agriculture says there are no mRNA vaccines approved for cows for this month, supposedly none planned for this year + Bible Verses

Federal enforcement makes the organic label unique and more trustworthy than other labels.

In order to bear the organic label, beef must meet specific requirements about how the animal was raised and finished. Regulations stipulate living conditions that accommodate cattle's natural behaviors (like the ability to graze on pasture), a diet of 100% organic feed and forage, and prohibition of antibiotics and hormones.

Organic farmers can't routinely use drugs to prevent diseases and parasites. **Only a few drugs, such as vaccines, are allowed.** <https://www.cornucopia.org/organic-beef/> Some synthetic substances are listed as exceptions to the basic rule and are allowed for use in organic agriculture... **vaccines for animals are important disease prevention tools against many infectious diseases**, especially since antibiotic therapy is prohibited in organic livestock. Organic beef comes from animals that are given no antibiotics or growth hormones. **<<but vaccines are not included here** <https://www.usda.gov/media/blog/2020/10/27/organic-101-allowed-and-prohibited-substances>

The U.S. Department of Agriculture said there are no mRNA vaccines approved for cows. All vaccines are given to animals at the discretion of their owners, and there is no change coming to the policy in April 2023, the department said. There is **“no change coming to vaccines for livestock this month,”** said [Marissa Perry](#), a spokesperson for the USDA. .

**There are no mRNA vaccines currently used in beef cattle in the U.S.,** according to both Perry and [Hunter Ihrman](#), director of policy communications for the National Cattlemen's Beef Association.

**Update: The “Heaven’s Harvest” long term storable food (That the Stew Peters Network Sells) is a real mixed bag...Details...**

The meal entrée's (almost all) contain aluminum (In the form of sodium silicoaluminate<<This compound contains aluminum--Aluminum consumption has been linked to Alzheimer's Disease & brain disorders. (43)); among other horrible ingredients like canola oil, corn syrup, yeast extract (which is a common way MSG is hidden) and many more. Also, I see zero evidence that any of the ingredients are non-gmo, as I can't find one place on the label where that is stated.

I will say the organic line is free of these things but outrageously priced and the freeze-dried food cans they sell are a much better option as the ingredient lists are free of the bad ingredients for the most part (except for the powdered eggs which have aluminum); but I still cannot find one thing stating they are non gmo; which should be the bare minimum of what they are selling.
