### Wisdom From the Book of Amos Regarding Cremation

**Amo 2:1** Thus saith the LORD; For three transgressions of Moab, and for four, I will not turn away *the punishment thereof*; because he burned the bones of the king of Edom into lime:

**Amo 2:2** But I will send a fire upon Moab, and it shall devour the palaces of Kerioth: and Moab shall die with tumult, with shouting, and with the sound of the trumpet:

### UNBIBLICAL CREMATION GAINING IN FAVOR

(Friday Church News Notes, November 28, 2008, [www.wayoflife.org](http://www.wayoflife.org) [fbns@wayoflife.org](mailto:fbns@wayoflife.org), 866-295-4143) - An article in the Associated Baptist Press in 2001 observed that "as cremation becomes more popular in the United States, fewer people are asking serious theological questions about the practice." The article cited Baptist ministers Bob Beck and Leroy Summers of the Dallas-Fort Worth, Texas, area, **who said they hear no theological objections to cremation these days**. This reflects a dramatic change in American society. **In 1913, the year the Cremation Association of America was formed, there were only 10,000 cremations. By 1999, the number had risen to 595,000 cremations or 25% of deaths, and by 2005 it was 778,000 or 31%.**

"Cremation: What Does God Think" lists 10 biblical reasons to reject cremation

(1) Cremation has a heathen origin and purpose.

(2) God's people have always practiced burial (Gen. 23:1-4; 25:8-10; 35:19-20; 49:33; 50:26, etc.).

(3) Even when burial was difficult God's people practiced it (Gen. 50:24-25; Ex. 13:19; Josh. 24:32).

See:

<https://www.onesearch.com/yhs/search?p=Where+was+joseph+in+the+bible+buri+ed&fr=opensearch&hspart=ono&hsimp=yhs-df&encoff=1>

(4) Burial looks forward to resurrection (Rom. 8:22-23; 1 Cor. 15:20-23, 51-57).

(5) God practices burial (Deut. 34:5-6).

[Deu 34:4](#) And the LORD said unto him, This *is* the land which I sware unto Abraham, unto Isaac, and unto Jacob, saying, I will give it unto thy seed: I have caused thee to see *it* with thine eyes, but thou shalt not go over thither.

[Deu 34:5](#) So Moses the servant of the LORD died there in the land of Moab, according to the word of the LORD.

[Deu 34:6](#) And he buried him in a valley in the land of Moab, over against Bethpeor: but no man knoweth of his sepulchre unto this day.

(6) Cremation is a sign of God's curse (Num. 16:35, etc.).

(7) For a person not to have proper burial was a dishonor (1 Ki. 21:23-24; Psa. 83:9-10).

(8) The Christian's body belongs to God (1 Cor. 6:19-20).

(9) God calls cremation wickedness (Amos 2:1).

(10) Jesus was buried (Jn. 19:38-42).

## Sound Of Freedom Movies Gigantic Controversy--Bombshell Revelations Angel Studios (who are the Mormons that produced the Sound of Freedom) Directing People To Clinton-Podesta NGOs

- \* We must not allow our emotions to blind us from logic and reason.
- \* The Clintons, Podestas and their friends are demonstrably involved in the criminal side of child sex trafficking.
- \* This group manages and runs Polaris, the ICMEC and the NCMEC.
- \* Angel Studios (producer of "Sound Of Freedom") is directing people to these same entities as a way to supposedly combat child trafficking.
- \* Carlos Slim is the billionaire who has been funding Tim Ballard's operation. He has also funded Hillary Clinton and the Bill & Melinda Gates Foundation.
- \* Pedophilia is how the hidden hand controls their puppet politicians.

Hit Movie 'Sound Of Freedom' And Hit Streaming Show 'The Chosen' Just Two Of The Properties Produced By Mormon-Owned Angel Studios In Utah

July 10, 2023

The Mormons who own and operate the highly-successful [Angel Studios](#) in Provo, Utah could not be happier with the

opening run of their new hit movie '[Sound Of Freedom](#)' at the box office. It took 3rd place with a \$40 million opening. Their hit streaming show 'The Chosen' is no slouch, either. The studio is named after the angel Moroni who started [Mormonism with Joseph Smith](#) in 1830.

"But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed." [Galatians 1:18 \(KJB\)](#)  
**Aww, but who cares** if Mormons are behind these things, right? *We're all Christians, right?* And who cares if the [Roman Catholic star](#) of 'The Chosen' who plays Jesus just launched a prayer app called Hallow to let you [pray the rosary with him](#), right? *Wrong.* You should care about these things, and you shouldn't support heretical groups pretending to be Christian who preach the 'another gospel' warned about by the apostle Paul. That goes for the [Roman Catholic Church](#) every bit as much as it does for the Mormons.

Speaking of 'The Chosen', the Deseret News says "speaking at [Utah State University in March](#), Jenkins said he has witnessed that 'The Chosen' [bring people of different faiths and religions together](#) in remarkable ways.

"To me, one of the joys of this project is seeing the religious walls that come down when we're focused on Jesus himself," he said. "It's just been so beautiful to watch."

**II Corinthians 6:14-15: "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?"**

**Amos 3:3 Can two walk together, except they be agreed?**

**The Harmon Brothers are the Founders of Angel Studios and the creators of The Chosen / Sound of Freedom.**

**The Harmon Brothers, are Mormons and the Mormon Church are the investors for The Chosen.**

**The Chosen is pushing quotes from Book of Mormon into the series.**

**Mormons believe God was a physical man, had sex with Mary and then she had**

**Jesus. They also believe Jesus had 3 wives and that Joseph Smith is a descendant of Jesus.**

Q

## Did The Catholic Church Give Us The Bible?

\$14.50

There is not one history of the Bible, but two. One is a history of God preserving His words through His people. The other is of the devil using the Roman Catholic church to pervert God's words through her "scholars."

Written in a down-to-earth style, and packed with cartoon illustrations by Jack Chick, Daniels shows that the Bibles Rome gave us are really clever counterfeits, designed to eliminate God's preserved words in English, the KJV. You will see why the KJV is the only Bible you can trust.

Subject: Jim Caviezel

**Hi Scott, I saw the movie a couple nights ago. It was good. Watched some interviews. Among those Jim C was praising was Billy Graham for his efforts in saving kids. If he only knew.**

**Ballard on the other hand, I thought he was a Christian from the way he talked in his interviews. Your show caused me to look deeper:**

**<https://americancrimejournal.com/operation-underground-railroad-earns-47-million-in-2020/>**

**Excerpts of this report reads:** It's important to note that Tim Ballard and O.U.R. were riding high in 2020, **with impunity**. In the public sphere, they were legitimate, no one questioned their claims and there was not a single critic. This was the beginning of the end.

**Not a single rescued survivor or family members speaking on their behalf either. The sole rescued survivor Tim Ballard touted publicly as the O.U.R. poster child, Liliana- including selling merchandise supposedly designed by her, turned out to be a total fabrication. O.U.R. had no involvement in her rescue nor aftercare. That didn't stop Tim Ballard peddling her story, their high-risk rescue of her and fabricating her "aftercare costs" before congress and during an embarrassing White House meeting.**

**Behind the scenes, O.U.R. was in shambles...**

By 2020, at fundraiser after fundraiser and interview after interview, Ballard was perpetuating **ad nauseum that by then he was exhausted rescuing "trafficked children"** at the Calexico Port of Entry during his stint with U.S. Department of Homeland Security. He was tired of being held back by bureaucratic red tape. Ballard's Mormon connections caught the **attention of Mormon conservative commentator Glenn Beck and none other than the acting President of the Quorum of the Twelve Apostles, M. Russell Ballard (no relation).**

The LDS Church's publishing wing then had Ballard's **"American Covenant"** series published, but that wasn't a huge hit with the LDS Community, **so the idea was to exploit the Evangelical community to make a profit.**

**Much like Operation Underground Railroad today...**

studying the messenger is very important. Ask yourself why they don't mention the big fish, why they don't mention the Clintons, Biden and others. Wake up please, this movie is made up by controlled opposition. Human trafficking is real but research more about these people.

Now that it's established that Ballard is Knights Templar, I would assume that if such a high ranking Mason is involved, that it establishes this is a huge operation, years in the working. Studios suppressing the movie is part of the master plan to give it credibility. Film houses across the nation shutting off AC, refunding tickets, in my theater they shut off sound for part of it, all increases the credibility of the movie. Wow!!!

**You know this as a reminder, Hollywood sometimes Hollywood uses the foulest people to play the role of the good guy. I.E, Bob Saget and Bill Crosby. That makes me even more suspicious of Jim Caviezel.**

**...Satan will always take something evil and package it as something good.**

**Ok, so Jim Caviezel has a pretty face and gentle voice. Well, like Robert Palmer sang, A pretty face, don't mean a pretty heart.**

**Then, he pulls the victim act and says how it hurt his career in Hollywood because he took that role in the Passion of the Christ gaining**

**more public sympathy.**

**This is clearly all scripted with him IMO.**

**These Christians are also watching too much TV and under too much mind control.**

**...I know we all will have disagreements at times, but for you to lose listeners over a man who has ties with the mother whore church, they are clearly under some idolatry bondage. It reminds me of Billy Graham and how with some Christians it's a criminal offense to speak against him. Despite all the evidence he was a clear wolf in sheep's clothing.**

**That casting couch in Hollywood applies to men too, they are all whores and it's known what both men and women have to do to get the top roles.**

Sending you a link regarding the Sound of Freedom that I believe could be interesting for you to follow up on and maybe do further research.

**Who financed Sound of Freedom?**

I have not felt led to watch the movie but Jim Caviezel appears to be very sincere, only God knows his heart, but we can look at the fruit .

**He is a very strong Roman Catholic; Roman Catholicism will lead people to eternal damnation.**

**I have listened to interviews with Jim Caviezel and Tim Ballard and they both appear very sincere, that doesn't mean the movie is of God.**

**Satan can manifest as an angel of light.**

We can pray for Jim Caviezel and Tim Ballard for their salvation.

Years ago, I read a book by Jonas Clark: Exposing Spiritual Witchcraft .

I am not able to copy what he wrote as I do not know the copyright laws, that are stated at the beginning of the book.

**On pages 14-15 of the book, it talks about soulish manipulation .**

**Emotional manipulation can block our spiritual discernment.**

**I have personally experienced that in my walk and believe that it can also be used by satan on a large scale like a movie.**

What is happening to children is evil and horrific, the movie will be touching peoples 's emotions spiritually in a powerful way, especially if they are not aware of what is going on in the world in this area.

We need to be spiritually discerning of how the enemy works though.

There is also another believer Brian Shilhavy from Health Impact News , his site has been addressing the issue of child trafficking for many years .

He has an article on the movie Sound of Freedom which you might find interesting. [www.healthimpactnews.com](http://www.healthimpactnews.com)

The Lord rescued me from the false religion of Roman Catholicism 34 years ago. My heritage is Italian, most of my relatives are still Roman Catholic .

**A few of have been rescued from the darkness and we continue to pray for our families to come out of this false religion.**

**There are powerful spirits over Roman Catholic believers.**

The Holy Spirit led me through many prayers for deliverance after coming out of the Roman Catholicism...

The Lord Bless you! G

## THE FIX IS IN: Joe Biden Has No Campaign Headquarters, Has No Plans to Hold Campaign Events, Is Not Spending Campaign Money, and Democrats Aren't Worried

July 10, 2023 - By Jim Hoft

The fix is in for 2024. Democrats will use the same gameplan they used in 2020. Nominate an unpopular candidate, campaign from the basement, hold few rallies with 20-30 people, mail out millions of ballots, insert drop boxes, use voting machines, [late night ballot deliveries](#) after the deadline, keep adding votes to the totals for days after the election, block GOP workers from the counting rooms, and several states use systems that [store data in China...](#) and Democrats can pull off tricks like this...switching ballots. And then keep counting ballots in the swing states until Joe Biden takes the lead and then declares victory.

Joe Biden is the worst president in US history. The economy is horrible, inflation is skyrocketing, the border is wide open, his family runs an international crime ring, the White House has cocaine, he sniffs, gropes & molests kids and babies, he can't finish a sentence, he's shipping illegal cluster bombs to kill more people in Ukraine.

[Politico](#) reported:

Joe Biden is running his reelection bid on the cheap.

The president has hired fewer than 20 campaign aides. His team hasn't yet announced a 2024 headquarters. His first political rally this year was paid for by other organizations.

In an interview with POLITICO, the Biden campaign co-chair Jeffrey Katzenberg said the frugality is no accident. And it isn't going to change anytime soon, either. "Right now, we have a fine-tuned race car here. At some point, we will build out a big, substantial, competitive organization and enterprise," he said. "We don't need to do that today. It literally would be a waste of money."

## Top economist: Central bankers are planning CBDC currency implants 'under your skin'

([LifeSiteNews](#)) — A prominent German economist says central banks plan to concretize central bank digital currencies (CBDCs) in the form of microchips implanted under the skin, a technology that would enable absolute government control over personal finances.

"I was taught by a central banker [that] the CBDCs look like a small grain of rice that they want to put under your skin," said professor Richard Werner, who devised the now widely used (and according to Werner, abused) bank practice of quantitative easing, in a recent interview with Ivor Cummins.

Central bank digital currencies, in contrast with other forms of digital currency used today, require that individuals open bank accounts directly with central banks such as the Federal Reserve, giving governments control over citizens' access to money.

"You have to think of CBDCs as a control system [or a permit system], not a currency," Werner explained, adding that the level of control would be such that our money would no longer be truly our own.

Werner, who shared that he has spent time at various central banks, believes such planned implanted CBDCs are a "violation of human dignity," adding that central bankers realize this common opinion among the masses "is a hurdle."

"They say there's a problem of trust because people suspect that governments and central banks are just trying to roll this out in order to monitor and control and restrict transactions. They're absolutely right," said Werner, adding, "That is the true attraction for central planners to this powerful technology."

According to Werner, in the "initial phase," CBDCs will be introduced through phone-based apps, as other forms of digital currency are currently used.

"Why hasn't it been rolled out yet? There's no actual need for it. That need has to be created," Werner said.

He further predicted that central banks will use a carrot-and-stick approach to persuade people to adopt CBDCs under the skin, starting with generating economic crises that will induce a demand for universal basic income (UBI).

Werner speculated that banks will claim that they "need the latest technology, the CBDC chip implant," in order to run the UBI "efficiently."

The professor believes the COVID outbreak, which provided a pretext for the imposition of vaccine passports, was one important step toward their end goal of implanted CBDCs. Such CBDCs will allow for the denial of access to goods and services according to government mandate compliance, as was enforced around the world while COVID was viral.

Likewise, former U.S. Assistant Secretary of Housing Catherine Austin Fitts revealed that measures being implemented under the cover of COVID-19 lay the foundation for a new global central banking machine and a technocratic "regulatory and economic model that permits far greater central control."

She stated that a digital surveillance and a social credit system will enable the central-bank-controlled "credit" to be "adjusted or turned off on an individual basis."
