UN Certified 'Expert': Religious Communities Must Yield To LGBT Demands

The attack on religious freedom is unprecedented with new calls for religious communities to bow before LGBT demands for inclusion and acceptance. A U.N.-certified “expert” on sexual orientation and gender identity declared Wednesday that religious communities must yield to the demands of LGBT persons to avoid charges of violence and discrimination.

Freedom of religion or belief need not be incompatible with equality for LGBT persons, Victor Madrigal-Borloz **asserted** in his address to the U.N. Human Rights Council in Geneva, **as long as religious groups accept the claims of gay and transgender persons.**

Scott Johnson's Comment: Yes, this is the crux of the matter, which is Satan trying to get Christians to cave and capitulate to the demands of these reprobate devils (in which a huge percentage make up the child molesters of the world!) I will never accept or agree with these devils and the Bible is very clear on this matter:

What Does the KJV Bible Say About the LGBTQ Movement

Romans 1:26-28: For this cause **God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly...**And even as they did not like to retain God in their knowledge, **God gave them over to a reprobate mind, to do those things which are not convenient...****Romans 1:32:**

"Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.

Leviticus 20:13: **If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them.**

Luke 17:28 **Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded;**

Luke 17:29 **But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed [them] all.**

Luke 17:30 **Even thus shall it be in the day when the Son of man is revealed.**

Jud 1:6 **And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.**

Jud 1:7 **Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.**

Job 4:8: Even as I have seen, they that plow iniquity, and sow wickedness, reap the same.

Job 4:9: By the blast of God they perish, and by the breath of his nostrils are they consumed.

Psa 37:38: But the transgressors shall be destroyed together: the end of the wicked shall be cut off.

Psa 101:8: I will early destroy all the wicked of the land; that I may cut off all wicked doers from the city of the LORD.

++ God blessed King Asa for his obedience as: "He took away the sodomites (homosexuals) out of the land." I Kings 15:12, God also blessed King Josiah. " And he brake down the houses of the sodomites." II Kings 23:7

Religious narratives clashing with the beliefs and lifestyle choices of LGBT persons, however, are "beyond the scope of the right freedom of religion or belief," said Madrigal-Borloz, dubbed by the U.N. "the Independent Expert on protection against violence and discrimination based on sexual orientation and gender identity."

Predictably, the U.N. Council did not call on an expert in religious freedom to offer a counterpoint to the position of Madrigal-Borloz.

As a model for religious believers, Madrigal-Borloz held up the example of "the voices and practices of inclusive communities," meaning religious groups that accept same-sex marriage and gender fluidity.

Traditional believers such as Orthodox Jews, Muslims, Roman Catholics, and conservative Christians, who offer a negative moral judgment on LGBT claims and practices stoke the flames of violence, discrimination, and exclusion, he suggested, which "can have severe and negative consequences for the personhood, dignity, and spirituality of LGBT persons."

In particular, Madrigal-Borloz voiced concern about "interpretations of religious doctrines that place homosexuality and gender nonconformity within a discourse of immorality and sin, describing the power that such discourse can have on the social acceptance of LGBT people, particularly when propagated by religious and belief leaders."

California state senator tells LGBT NON-affirming parents: Flee state before it takes away your children

The Golden State is on the verge of making it illegal for parents to object to the transgender mutilation of their own children. And one state senator by the name of Scott Wilk (R-Santa Clarita) is warning them to flee now before they end up as enemies of the state.

Wilk is of course referring to Assembly Bill 957, a Democrat-sponsored piece of legislation that would amend the California Family Code to make it a crime for parents to not "gender affirm" their children. Simply put, parents in California would be forced to play the pronoun game with their own kids or else risk losing them to the state.

One of the two lone Republicans on California's Senate Judiciary Committee, Wilk has served in the California Legislature for 11 years. He was also the lone voice

against the passage of AB 957, which adds "gender affirmation" to the list of things a child requires for "health, safety and welfare."

"I'm now in year 11 in the state legislature, and all the time we're proposing policies to protect children," Wilk said in a statement. "After 11 years, I've come to the conclusion that we need to start protecting parents. That's just not happening. I've been here and witnessed a full frontal assault on charter schools, taking away parents' choice in how their children are going to be educated to the detriment particularly of children of color."

He continued: "In recent years, we have put government bureaucrats between parents, children and doctors when it comes to medical care – and now we have [AB 957] where if a parent does not support the ideology of the government, [children are] going to be taken away from the home."

(Related: [Did you know that CommonSpirit Health, one of the largest Catholic health care groups in the United States, performs "gender affirming care" procedures on children?](#))

The Democrats who pushed AB 957 lied when they claimed that all its passage would do is "give the judge more information." It turns out that AB 957 erases the parental right not to play the LGBT perversion game with their own children, and Wilk wants parents to know the truth of what the legislation entails.

"In the past when we've had these discussions and I've seen parental rights atrophied – I've encouraged people to keep fighting," the state senator explained.

"I've changed my mind on that. If you love your children, you need to flee California. You need to flee."

Radical Bill AB 665 Allows Children to be Put in Group Homes Without Parental Consent Passes Committee

Last week, California lawmakers [advanced](#) a radical new bill, [AB 665](#), that would allow children as young as 12-years-old to consent to being placed into state funded group homes without parental permission or knowledge. Critics are rightfully equating this to "state-sanctioned kidnapping."

The state's Assembly Judiciary Committee passed the bill, allowing mental health professionals to place children in residential facilities upon a minor's request, even if the children are not experiencing abuse or neglect at home. The bill also lets professionals decide whether or not to inform a child's parents "after consulting with the minor." The bill's authors claim it will help decrease suicidality among "youth, particularly Black and Latinx youth."

During the hearing, witnesses in opposition told lawmakers that the law would enable school counselors to send children straight to a group home if the children say their parents aren't supportive of their "gender identities."

CFC Director of Capitol Engagement Greg Burt [interviewed](#) one of these witnesses, licensed social worker Pamela Garfield-Jaeger, who has worked in group homes and testified in opposition to AB 665.

"California state is working overtime to separate children from parents," she said.

"Our opposition was saying how mental health is declining in California and

across the country, and I think one of the biggest culprits of that is children are being separated from their parents. If we work together with families, I think that would improve mental health tremendously. They're proposing something that, I believe, is going to have the complete opposite effect."

[Cracker Barrel Goes Woke with LGBT Celebration Hidden Among the Rocking Chairs](#) Plus Scott Johnson Submitted Comment to Cracker Barrel: "The average lifespan of the male homosexual is only 39 years" Pro 10:27: The fear of the LORD prolongeth days: but the years of the wicked shall be shortened."

Cracker Barrel was castigated on social media for following in the bumbling footsteps of the beleaguered woke corporations Target and Anheuser-Busch by lionizing the LGBT agenda.

The uproar unfolded Thursday, shortly after the country-style restaurant and gift shop chain announced it was celebrating "[Pride Month](#)."

To this end, [Cracker Barrel](#) changed its iconic storefront display of rocking chairs to showcase a rainbow-colored chair.

"We are excited to celebrate Pride Month with our employees and guests," the Tennessee-based corporation wrote on [Facebook](#). "Everyone is always welcome at our table (and our [rainbow] rocker). Happy Pride!"

Scott Johnson Submitted Comment to Cracker Barrel: *Just so your know... The facts below are nothing to "celebrate": Research by The Family Research Institute (FRI) of Colorado has discovered that the average lifespan of the male homosexual is only 39 years. Where 80% of heterosexual married men lived past 65, only 2% of the homosexuals lived that long, as shown in the accompanying chart.*

FRI found that sodomites "...were 116 times more apt to be murdered; 24 times more apt to commit suicide; and had a traffic-accident death-rate 18 times the rate of comparably-aged white males. Heart attacks, cancer and liver failure were exceptionally common. Twenty percent of lesbians died of murder, suicide, or accident—a rate 487 times higher than that of white females aged 25-44."

FRI details the disgusting and unsanitary sexual practices that contribute to this early death sentence. Also the "outing" of the homosexual lifestyle in our culture has unleashed over 50 sexually transmitted diseases (STDs).

FDA statistics are as follows: "Men who have had sex with men since 1977 have an HIV prevalence... 60 times higher than the general population, 800 times higher than first time blood donors and 8,000 times higher than repeat blood donors...."

Activists and supporters at a Pride parade on Friday could be heard explicitly chanting that they are coming after the youth, to indoctrinate them and tear down the traditional family.

Reported by *TimCast*, a huge gathering paraded down the streets near Stonewall Inn, a well-known gay bar, to Tompkins Square Park.

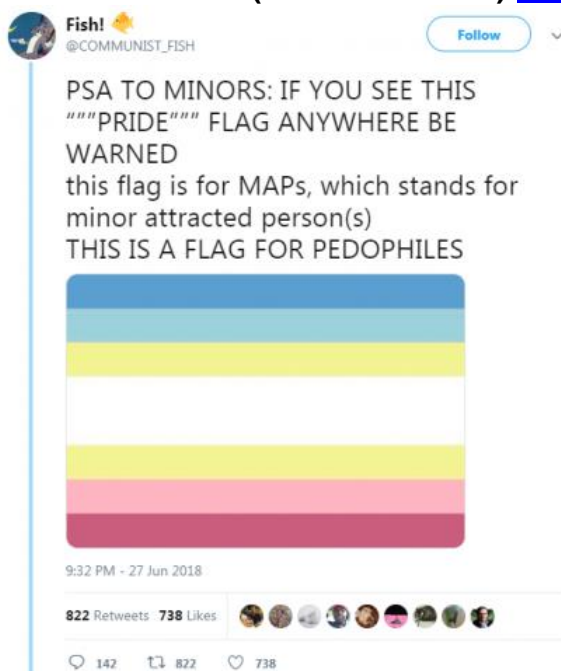

The sympathizers – who were dressed very lewd, effeminate, and some nude – formed a “ring of protection” at the park, while a drag queen hyped up the audience and got them to recite encouraging words after him. Some held up signs that read, “Groom Cissies” and “Drag isn’t for Cissies.”

Breaking: Actor Jim Caviezel Implicates US Agencies in Child Sex Trafficking and Worse (VIDEO)

Disgraced former CNN producer sentenced to 19 years for child sex crimes

Caviezel is a devout Catholic. In a 2017 interview, Caviezel talked about the importance of his Catholic faith, the lasting impact that *The Passion of the Christ* has had on his life, and his special devotion to the Virgin Mary.^{[50][51]} During the filming of *The Passion of the Christ* in Italy, he received daily counsel, Confession, and Holy Communion from a local Catholic priest, with an interpreter.^[52] Caviezel has been a featured public speaker at religious venues since the release of *The Passion of the Christ*. On March 19, 2005, he was the spokesman for the first Catholic Men's Conference in Boston.^[53]

In 2021, Caviezel endorsed some elements of the far-right **QAnon** conspiracy theory,^{[57][58]} during a remote appearance at the "Health and Freedom Conference"^{[59][60]} in **Broken Arrow, Oklahoma**.^[61] The appearance was to promote the film ***Sound of Freedom***, centering on self-styled anti-human trafficking activist **Timothy Ballard**. Caviezel mentioned that Ballard was supposed to be appearing at the conference but was "saving victims of trafficking" who were victims of "**adrenochroming**". Caviezel suggested he had seen evidence of children being subjected to the practice.^[64] The event included appearances by other QAnon promoters, such as **L. Lin Wood**^[65] and **Michael Flynn**.^[66]

Comment: They are doing this to lump the Adrenochrome harvesting in with the Q movement (which has been thoroughly discredited); so it will also be discredited.

Messages From Heaven? - "Virgin Mary" or Deception? Full documentary

A lying spirit has been appearing all over the world claiming to be the "Virgin Mary" and using titles like "The Queen of Heaven". The Bible tells us to test the spirits and not to believe every spirit. This documentary does exactly that. What does the term "Queen of Heaven" mean in the Bible? How do the claims of this spirit line up with the Biblical depiction of Mary? Is this spirit really who it claims to be, or is this a demon disguised as an "angel of light"?

7. You shall not steal.
8. You shall not bear false witness against your neighbor.
9. **You shall not covet your neighbor's wife.**
10. **You shall not covet your neighbor's goods.**

Please notice that **they've removed the 2nd commandment** which forbids anyone from "bowing" to a graven image. See below. It's obvious that the Catholic Church is trying to hide their sin of idolatry here. **It's obvious what the devil has done here.**

You can't just eradicate the 2nd commandment which reads:

"Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water

under the earth: Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God..." -Exodus 20:4,5

In the Catholic Catechism (part 3) you'll also read the following words of blasphemy...

"2132 The Christian veneration of images is not contrary to the first commandment which proscribes idols. Indeed, "the honor rendered to an image passes to its prototype," and "whoever venerates an image venerates the person portrayed in it." [70] The honor paid to sacred images is a "respectful veneration," not the adoration due to God alone: "

So the evil men who wrote the Catholic Catechism deceitfully **split the 10th commandment into two** to make up for the missing 2nd commandment. **Why are there two commandments telling us not to covet? Seems kind of strange don't you think?**

US Base for Migrant Invaders in Panama

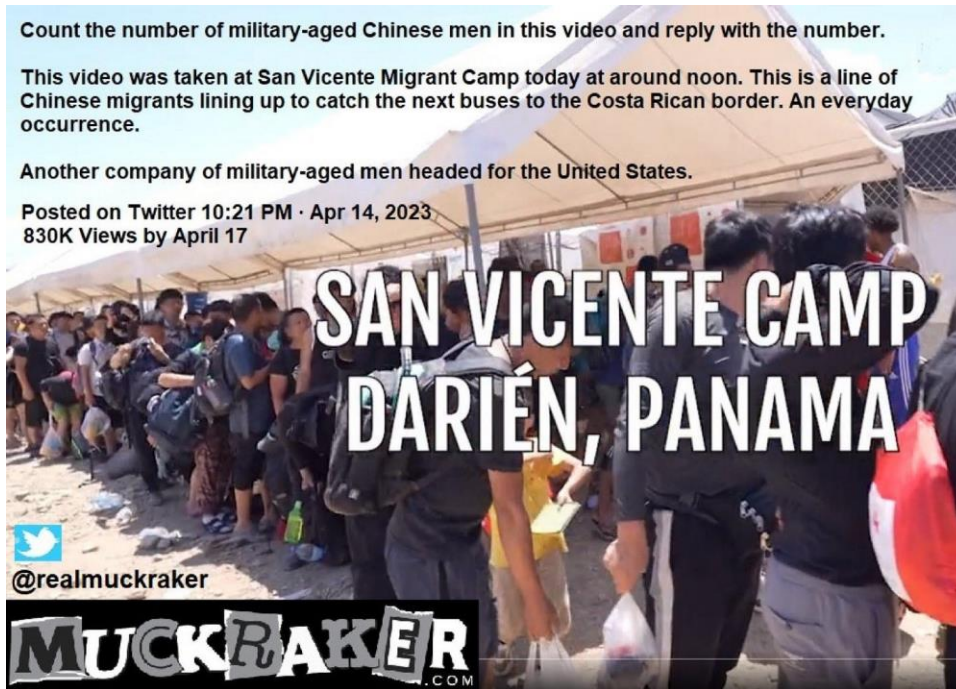

Count the number of military-aged Chinese men in this video and reply with the number.

This video was taken at San Vicente Migrant Camp today at around noon. This is a line of Chinese migrants lining up to catch the next buses to the Costa Rican border. An everyday occurrence.

Another company of military-aged men headed for the United States.
