MAUI MASSACRE: HARD PROOF OF GLADIO-STYLE, PREMEDITATED FALSE FLAG DIRECTED ENERGY WEAPONS PYROTERRORISM

August 14, 2023 There is now a growing body of hard evidence that proves beyond a shadow of a doubt that the so-called Maui 'wildfires' were not wild at all; they were in fact the result of multiple acts of geoengineering, geoterrorism and pyroterrorism.

The video posted below is just one example of the indisputable proof of a highly organized conspiratorial criminal plot to commit mass murder on the island of Maui on Tuesday, August 8, 2023. Fires simply do not burn in perfect ovals like that as any fire marshal will attest to.

Maui Massacre — Lahaina "Ring of Fire"(video)

Another example of hard evidence is found in the following video. Boats parked on the waters off the coast of Lahaina Harbor were all on fire as though they were started in the boats themselves. This type of 'wildfire' phenomenon has never been recorded before and is clear evidence of DEWs being used. In this particular case, the DEW was likely high-powered microwave weaponry aimed right at those boats in the harbor.

DEW = Directed Energy Weapon

In point of fact, evidence is now pouring in which confirms that many things occurred (and did not occur) on Aug. 8th in Lahaina which, when considered in the aggregate, constitutes a case for outright intentional genocide.

Hundreds If Not Thousands of Dead! Burned Alive! Survivor Tells What She Saw In Maui!!

Play the video to 1:44 at: <https://beforeitsnews.com/terrorism/2023/08/hundreds-if-not-thousands-of-dead-burned-alive-survivor-tells-what-she-saw-in-maui-jim-crenshaw-must-video-2463022.html>

Evidence keeps mounting that the #Lahaina fires were DELIBERATELY shaped:

- 1) Maui Lahaina Residents say there were no warnings before Hawaii wildfire
- 2) The warning sirens did not sound. Were they turned off on purpose?
- 3) The local fire department was ordered OFF the fire, claiming it was "contained"
- 4) The fire was still burning, though, with 70 mph winds known to be approaching
- 5) Emergency responder resources were WITHHELD from Lahaina as the fires raged
- 6) Local schools were cancelled to make sure children were at home, without their (working) parents
- 7) As a result, HUNDREDS of children were burned alive like a mass child sacrifice ritual
- 8) There is a massive COVER-UP right now about how many children were burned alive

This has all the hallmarks of an engineered act of **#terrorism** waged against the people of Hawaii...

America is under constant attack by the terrorist regime in power, run by criminals and satanists.

Comment: All the houses burned into their own footprint with green trees still standing in proximity. Front page of Drudge (see below). How do rows of cars get burned down to the ground right next to the water with no trees, woods or wood frame homes around them. They put pictures like this out to mock us.

Yes there was no warning because those DEWs are instant on and instant off. No warning. Yes 'wild fires' (even though the trees are sparse and many untouched) burned the houses right up to the sea. Total DEWs mass murder courtesy of the black ops portion of our wonderful government!

Not only that, but the Hawaiian Islands altogether are being targeted for a total takeover before the CONUS is. Burning People Out is Easier than Eminent Domain!

The government of Hawaii states its goal for rebuilding is to make the entire island of Maui the first Smart ISLAND. They want the entire island governed by AI as outlined in the Hawaii Digital government summit of 2023 that they have planned to host next month Monday, September 25, 2023 on Maui.

Plans to implement a Digital AI government over Hawaii

What's the critical point here?

The predatory capitalists who reside at the top of the food chain will stop at nothing to steal the lands and properties within any geographic locations that are central to the utterly deceitful UN agendas—*Agenda 21* and *2030 Agenda for Sustainable Development*.

Toward that end, the NWO cabal has, and will continue to, carry out a series of devastating geoterrorist attacks against the American people who happen live on their own property in the wrong area. Maui, being so prominently configured into their NWO agenda, was just such an unfortunate place to be living.

Maui Massacre — 8/8/23

But why were the genocidal perps so determined to slaughter as many innocent residents as possible?

The evidence of such a deliberate massacre is now undeniable as either suggested or verified by these various news reports.

MAUI TRAGEDY NOW BEING USED AS A DNA GRAB!

But what exactly establishes this series of acts of pyroterrorism as the MAUI MASSACRE?

To date, officialdom has acknowledged the deaths of only 99 individuals as follows:

The well-concealed reality is that the official death tolls of every manmade disaster is always grossly understated. They do this for two reasons primarily.

99

Casualties. As of August 14, 2023, there were 99 confirmed deaths, and at least 1,000 other individuals were unaccounted for due to the Lāhainā fire on Maui. Only a small number of victims have been identified.

2023 Hawaii wildfires - Wikipedia

First, they do not want the local authorities to be run out of office for criminal negligence, manslaughter, or worse. Secondly, they do not want to radically undermine the faith and trust that the citizenry has in all the

various levels of government who are directly responsible for these meticulously engineered catastrophes. Mass casualty events like this will be exposed sooner or later, just as the 9/11 false flag terror attacks were, so they want to lowball the death counts to reduce their exposure to any genocide charges.

The grim reality in Maui is that thousands have died gruesome deaths BY DESIGN. For this entire pyroterrorist operation was also carried out as a Holocaust by the Globalist Elite.

In point of fact, unofficial reports have already been made by first responders who have pulled out hundreds of dead bodies throughout various locations around Maui County. Although there has been no MSM reporting on these thousands of murders, they are coming to light by the day.

Of course, **DISTRACTION** is always a HUGE purpose behind the most captivating of these shocking mass casualty events. Given the stunning and unparalleled disclosures which have been made about the Biden Crime Family this summer, is it any wonder they pulled off the Maui Massacre right now during the dog days of summer?!

Subject: Listener Comment: Maui Massacre summed up

A friend of mine summed it all up for what I'd is...

Directed energy weapons were used to incinerate a town in Maui and then a storm was geoengineered to fuel fires and cover up the DEWS... AND, they cut off water to fight fires... AND didn't use the alarm system, kept people in a killbox and forced survivors to escape into the ocean... AND they kept the children home, knew they would be unsupervised, with parents at work and/or locked out and turned them into a mass child sacrifice or came and stole them for ritual abuse, AND there was a whole bunch of prior predictive programming which the kabbalists use as a revelation of method, arguing that it absolves them of sin... AND there was an AI generated book that was released before the events of the book were actually finalized... AND they are blockading survivors from getting to their property, looking for survivors, getting aid and eating... AND they brought in civic leaders beforehand who specialize in grievous deception and managing psy-ops, AND there are ties to Climate Change agenda, Agenda 2030, 15-minute cities, green cities, wealthy pedo elites, AND parasites are trying to buy the land from starving, homeless, traumatized families for pennies on the dollar while the government blocks aid.

Why is anyone insulted by the term "conspiracy theorist" anymore or asking

King Charles called on to 'release the truth' on UFOs, prepare religious for impact of ET life

[Fox News](#) Rep. Glenn Grothman, R-Wisc., and Rep. Robert Garcia, D-Calif., join 'Special Report' Common Ground to discuss testimony from witnesses on classified UFO hearing.

King Charles is under pressure to call on the UK government to release more information about UFOs and the possibility of extraterrestrial life in order to help prepare for the country's first contact with aliens.

The King, like his late father Prince Philip, has an "interest in UFOs," according to Mark Christopher Lee whose new documentary, "God Versus Aliens," examines the impact the discovery of extraterrestrial beings would have on religion, the [UK Mirror reported](#).

Lee argued that Charles, as the head of the Church of England, "has a duty to prepare the millions of followers of the Church around the world for the impact of disclosure that we are not the only sentient life in the universe."

"I'm calling on our King to put pressure on the Prime Minister Rishi Sunak to release the truth about what the UK knows about UFOs to the public," he said, according to the UK mirror. "They also need to put pressure on US government and other governments worldwide. This is not just something that affects the US but a worldwide phenomena."

UFO REVELATIONS HAVE LAWMAKERS IN A SHAKESPEAREAN CONUNDRUM

"My new film God Versus Aliens is about this impact and how people can prepare for massive changes to their place in the world," Lee continued. "It would be the biggest paradigm shift of them all. Religion has survived Copernicus & Galileo, Charles Darwin & evolution but would it survive if other sentient life brought their own beliefs/non beliefs and impose them on us."

Nick Pope, the former head of the UK's UFO program, also proposed the idea that "aliens" could even have their own religious beliefs and gods they worship.

"What if the aliens brought their own crazy gods, something that we would regard as just weird and crazy - would they impose them on us," he said. "These are the questions we might have to face."

A number of high-level government hearings, debates and discussions about the existence of UFOs, also known as unidentified aerial phenomena (UAP) have been initiated in recent months.

Bible Verses On The Two Foundations Jesus Talks About

([Luk 6:47-49](#))

[Mat 7:24](#) Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock:

[Mat 7:25](#) And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock.

[Mat 7:26](#) And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand:

Mat 7:27 And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it.

Mat 7:28 And it came to pass, when Jesus had ended these sayings, the people were astonished at his doctrine:

What does Black Goo & Graphene Oxide have to do with Lady Gaga's Perfume, Kim Kardashian's Costume and Greta Thunberg?

October 7, 2021 16:56

On September 28th, the Facebook user '[Catrine Maraneli](#)' published a [picture](#) depicting the Swedish environmental activist Greta Thunberg with a black liquid flowing onto her face. The author of the post claimed that the black substance is Graphene Oxide. A day earlier, on September 27th, a [post](#) by a [religious Facebook account](#) proclaimed that Greta Thunberg had joined the Club of "Black Blunt Liquid Worshipers." According to the video, celebrities, including Lady Gaga, Billie Eilish, Madonna, and Rihanna, worship the black goo liquid, and one can often observe this 'symbol' in pop culture and the film industry. On the same day, a Facebook [post](#) published by '[Doctors Charlz](#)' linked

The Biggest Threat to Humanity? Black Goo -- Seen most recently in sci-fi shows like *Westworld* and *Severance* (but previously in *Stranger Things* – *The X-files* – *Prometheus* & *Aliens*) the sinister substance also exists in the real world

This year alone, black goo—the science-fictional name for the science-factual graphene oxide—has seeped its way into not one but two sci-fi shows, *Severance* and *Westworld*. Three if you count *Stranger Things*, where it was sighted in earlier seasons. These sightings are too consistent to be coincidental. They are signs that cannot be ignored.

Start with *Westworld*, whose latest season finds the robots in complete control of humankind. This they accomplished, the robot-in-chief indicates, using a combination of flies, parasites, and, yes, black goo. We see vats of the stuff in a hidden lair, glistening sickly. It seems to be the medium in which the parasites are grown—a callback to the first major appearance of black goo in the OG, the Original Goo itself: the Purity virus in *The X-Files*.

In the middle of season 3, you remember. French salvagers discover an alien vessel deep in the ocean and mysteriously die, but a diving suit belonging to one of them is covered, Mulder discovers, in “some kind of oil.” (Black goo is variously referred to as black oil, black cancer, black bile, black blood, etc. All the same stuff.) Is it possible the oil is, as he later puts it, “a medium used by alien creatures to body-jump”? That’s as far as *Westworld* takes it: black-goo-as-medium. But *X-Files* knows the whole truth. Thanks to science-minded Scully, we learn in season 5 that the body-snatcher is some sort of “vermiform organism” that gets “attached to the pineal gland.” Translation: Black goo isn’t just medium. It’s also monster.

Sometimes, the victims of black engorgement in *X-Files* survive, so long as the stuff safely, if violently, self-ejects from [eyes and mouth](#). Not so much the victims in the *Alien* franchise, which constitutes the goo’s best-known modern manifestation. As one of the franchise’s tie-in video games puts it: “Any living thing that comes into direct contact with the black goo”—known technically, in this universe, as Chemical A0-3959X.91-15—“will either die horribly, give birth to monsters, or become a monster themselves.” You see a lot of this unrecoverable infection in *Prometheus*. Also in *Rakka*, a little-known [short film](#) by Neill Blomkamp, where Sigourney Weaver leads a last hurrah in 2020 Texas against alien colonizers equipped with black-goo weaponry that can somehow both control minds and obliterate buildings.

Information

Affiliated with Colonists
 [Syndicate](#)

Purity, more commonly referred to as black oil, and called the "black cancer" by the Russians, is an alien virus that thrived underground on [Earth](#), in petroleum deposits. The virus is capable of entering humanoids and assuming control of their bodies. It has [sentience](#) and is capable of communicating. It was revealed to be the "[life force](#)" of the alien colonists, which they seemingly used to reproduce their kind, as well as infect other alien races in order to conquer the universe. The [Syndicate](#) in cooperation with the alien Colonists developed a delivery mechanism that would be used to introduce the virus into an unsuspecting public upon colonization...The Syndicate, however, secretly tried to create a vaccine to protect themselves, which they code-named "Purity Control." While the Purity Control project ultimately fails, a rival [Russian](#) shadow group was successful in developing a weak vaccine that eventually fell into the hands of the Syndicate... After the events of the [1998 film](#), the Syndicate, as well as Mulder and Scully, learned that the black oil can either take over a host's body or incubate within other life forms, including humans.

Conceptual history

The [third season](#) episode "[Piper Maru](#)" marked the first occurrence of the black goo. The on-screen appearance of the substance was achieved through visual effects, with the shimmering oil effect being digitally placed over the actors' corneas in post-production.

The [season eight](#) episode, "[Vienen](#)", marked the last appearance of the black oil in the series.

"Piper Maru"

[The X-Files](#) episode

A man is possessed by the [black oil](#). First introduced in "Piper Maru", the black oil would later go on to play a much larger role in the series, including playing a pivotal role in the [1998 X-Files movie](#).
