+1+ STRATEGIC WARFARE PRAYER

Father God in heaven, in the name of the Lord Jesus Christ we come against & oppose all satanic operations, manipulations, subversions, tactics and plans **which are designed to hinder, prevent or frustrate God's original plans and purposes** from their swift manifestation taking place in their correct time and season. (Daniel 7:25) **We come**

against all satanic alliances and confederations worldwide. **Let every evil effort and endeavor fail.** Cause the news media to be caught in their own lying and manipulation so that only the truth is brought forth. (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. We ask that every satanic strategy of prohibition and limitation placed upon the Body of Christ (by the dark side), shall not prevail. We pray that all invisible and visible walls of opposition, restriction and delay will be exposed and destroyed. (Colossians 1:16; Joshua 6:1) **Oh Lord confound the devices and the wicked plans of the enemy that they have crafted, so that their hands are not able to perform their evil enterprise. Save those that can be saved O' Lord, but those that cannot be saved;** overtake them in their own crafty and devious ways; **let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secretive and destructive measures designed destroy all of God's creation and defile the world. According to 1 John 3:8 for this reason, was the Son of God made manifest, that He would destroy the works of the enemy. (John 2:15-17; Acts 16:16-19) Father God overrule all strategies, tactics and curses of the enemy by the power of Jesus Christ and His shed Blood; & overthrow all spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17, & break the curses associated with all these ceremonies, rituals, utterances, and destroy their plans to bring about a chaotic bloody revolution in worldwide & to usher in Martial Law and the New World Order. Father God, we pray their plans shall be uncovered and not prevail & shall be frustrated and unable to achieve any impact & that their wickedness and violent verbal dealings would return upon their own heads, according to Psalm 7:16.

FATHER GOD, WE HUMBLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events which would lead to the destruction of Your Christians & the innocent. (Isaiah 44:25; 2 Timothy 3:8) Please send divine, powerful angelic forces against their diabolical plans to expose & destroy them. **We dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on the United States of America and on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) Release your divine strategies and revelations upon any righteous person in government, worldwide. **Fill them with Your Holy Spirit and cause Your divine wisdom & courage to come upon them.** (James 1:5) Cause them to be like a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided & when they communicate let it be incoherent and misunderstood. (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, until which time they then be cast into the lake of fire, AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR**

PLACE.. (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they will accomplish your divine will. (Psalm 57:4) WE SEAL THIS PRAYER BY THE BLOOD OF THE LAMB AND ASK ALL THESE THINGS IN THE NAME OF THE LORD JESUS CHRIST, AMEN!

I think whole country is rocking on east coast .. Movement of ground up and down, floor vibrations through the feet and it can move furniture .. Other such things, buildings rocking and cracks in walls running down walls (not there before) related to this movement, who knows, seems like people are reporting on this boots on the ground! booms and movement of earth beneath the feet and can produce a dizzy sick feeling, not natural! Different sounding thunder and so forth, people are reporting movement of the ground even down here, all up east coast bro.. 2 to 5 am and getting more intense bro . usually at night .. Vibrations but no earthquake reported

Scott after listening it's HAARP 1000% in my opinion ! I've heard these sounds start on west coast years ago .. Notice the clouds too u can tell when frequency waves hit them due to ripple in cloud and other features that only EMF waves cause; but get ready, war is increasing upon us all.. I've seen the devils tremble at the name of Jesus . if the devils can do this to mankind, believe in what Christ

*can do ..His name alone terrifies the devils !! I've seen it first hand for 20 years !..
Silent weapons quiet wars .. Los Alamos base experiments in EMF*

I lived in NM when 100's reported Taos hum-It was constantly disturbing to allot of people---underground base thing was suspect. I heard hum and drilling underground in Sedona. Could go into Oak Creek rest rooms and hear activity underground. (1993)

I was at my neighbor's house they were disappointed in their tv connection and were told they have to update now to 5G --they are going to do that (they don't believe anything that is shown them in dangers of). I can pick up their wifi signal on my computer now so I guess I'll be getting the next G waves from them. This is a fairly rural area. Can't imagine what is going on in cities and buildings. Amazing people can function at all.

I keep checking solar activity too. www.solarham.com .

Subject: **Listener Comment: So, I heard a hum and I felt the house vibrate here in Franklin PA, this has happened more than once.**

I did not know if it was one of those things only I can sense, so I prayed about it and went on my way.

Well, I was at my place of work, in a town 30 miles away. The same thing happened at work and I was not reacting to it outwardly, (when you hear or see things others don't you learn to not react to things, if they don't experience it, you will look crazy if you respond to whatever is going on) Then my coworker asked me if I heard the hum and did I feel the building shaking. I did not feel sick on any occasion.

These vibrations, while strong enough to be felt, are not too strong but are strong enough to cause things to slide off if they are ill placed. I keep an eye on my mantel places and make sure what is on there is far enough back to stay there.

Subject: **Listener Comment: Happenings on NC-VA line in the mountains - shakings & insane UFO stuff**

My mother and I have been having very odd things occur here. I mean unexplainable. And the fact I would not admit them, as no one would believe these types of things.

The night before last about 1:15AM in the morning. I took my dog out as I was up working on something... And I saw something that I could feel inside my body was significant, that is all I know how to tell you. I flew into my mother's room awakening her and she came to see what I was seeing. We walked off the front porch and I am going to try to explain this in this but it will not be fully detailed as if I were telling you.

We saw 2 complete sections of clouds the top much more puffy and thick (and the bottom more milky like chemtrails) spread out over the whole sky, or at least the part I could see. The moon was big and bright and seemed full... but this is one reason we could see the clouds around it so clearly. And as God in heaven is my Witness, this MASSIVE, and I mean the massive, black boomerang-shaped thing was (I kid you not emitting clouds like fog to hide itself, but not completely)

as I could see the entire thing, all but the tips of it on both sides. I know the moon is much further away but if I told you this thing was 10 - 12 times the size of the moon, I mean from my perspective... We both felt something bad inside I cannot explain it. Maybe like standing in the yard at night and knowing for certain a creature was watching you from the tree line but you could not see...that creepy inside.

We watched this thing go halfway across the sky right over us. I mean it was 2 or 3 times blacker than the night sky... Passed right over our heads, but way up high. But not up as far as the typical clouds, as they were going the opposite way than this thing, and the "clouds or fog" it was creating & trying to hide in.

Now when this thing got 2/3 across the sky from our vantage point. I was in the yard and my mother was on the bottom step of the porch. And I would gladly have her repeat this.

Then this bright white light (much brighter than any star and larger than them) shot across the sky in 2 directions, like a shooting star but not near as fast, but still fast; and it shot to that black thing.

Now we have seen our share of crazy things. The clay pots shake off the porch railing at times in the night, I can feel shaking & that is why we figured that earthquake (a couple of weeks ago) was the issue, but it has continued since and got worse.

And no, I do not believe that was anything "alien", I have a good feeling... that if that black thing (floating with 0 noise and the white light fiasco that followed) was the property of the US government.

I mean it keeps getting more odd and weird as each week goes by...only God (and those who are in the know) know what is underneath (or in) one of these mountains up here...

Now last night about 5 or 10 after 3 AM, I am up and working online. I usually stay up late. Took my dog out and was only outside for a 3 to 4 min period and after seeing what I did the other night I was not expecting anything again that fast. Well, the dog is using the bathroom so I am standing there with a flashlight on towards the ground and waiting for him & I look up at the moon; about 3/4 of it about was lit. And I was looking at this strange halo around half the moon way away from it.

And then I kid you not, out of nowhere I saw again something out of this world. And in the next 2 to 4 min... This massive light thing again flew crazy fast. This thing was bright white and had a beautiful blue haze around it at the end of it. I was stunned to see two of these things in a week!

And we for sure have had rumblings and heard them since that earthquake that was in our county seat, the epicenter 2 or 3 weeks ago in Hillsville, VA. I was thinking the entire time it was aftershocks lasting as I know nothing of earthquake phenomenon or how long it shakes after one. But we are seeing & hearing crazy stuff.

But we not only hear them, but hear the echo of them, maybe in the mountain valleys here IDK;...always after midnight up in the AM hours. It sounds sort of like (i know this is an awful example) but it sounds like a donkey screaming or

honking in a huge barn that echoes its voice. I know that sounds strange but this is what it sounds like to me.

New Age / New World Order Deception: Overcoming Global Elite Agendas and Creating a New Earth: Interview with Sacha Stone & Michael Salla - Brahman - Atman & Yoga Exposed

Play: <https://youtu.be/kVkCRUqQV5c?t=562>

+2+ Sasha Stone mentions Atman god at around 15:40:

Is the Atman a part of God?

- The Atman is all-knowing; it comes from the supreme God, **Brahman**. Thus, **it is essentially a part of the supreme soul, God**. One can say that God resides in oneself because all souls converge with Him, the supreme soul, and power.

The Journey of the Atman - Hindu Students Council

Ātman (Hinduism) - Wikipedia (Hinduism) Atman-knowledge is the state of full awareness, liberation, and freedom that overcomes dualities at all levels, realizing the divine within oneself, the divine in others, and in all living beings; the non-dual oneness, that God is in everything, and everything is God.

Scott Johnson's Teaching: Yoga Exposed-Part 1 | August 31, 2008 |

Yoga Exposed-Part 2

Description: Yoga is from the Sankrit word Yug, meaning 'union' (with the Divine, your higher 'SELF'). Yoga is supposedly a path for transcending the ordinary mind (who you think you are) in order to merge with your 'higher SELF' or 'God SELF.' Yoga means 'to yoke' — to yoke with Brahman (i.e., the 'Infinite,' the 'Universal Spirit,' the impersonal force that the Hindus call 'God') via the realization of an altered state of consciousness, thereby theoretically releasing oneself from the bondage of endless reincarnation. Yoga comes out of the Hindu Vedas. It can be traced back to Patanjali, who was a religious leader. Shiva, one of Hinduism's three most powerful gods, was known as 'The Destroyer' — he's called Yogi Swara or the 'Lord of Yoga.'

Yoga is clearly a New Age concept that is deeply religious and pantheistic in its origin. It is widely practiced and supported by New Age proponents. The New Age movement denies the reality of sin and depravity, and believes that man is generally good and is divine. They teach that there is a god within us, and we are to harness that and develop it through meditation and other metaphysical techniques. They teach that the only thing people need is enlightenment regarding their divinity. Sadly, even professing Christians have bought into this lie. Every yoga teacher is, in effect, a Hindu or Buddhist missionary, even though 'he or she may wear a cross, insist that Jesus was a great Yogi, and protest that Yoga is not a religion, but science'. This is the most blatant of lies as we will see.

Ginny: I will look at what you posted below and right on cue I am listening to this breaking interview with two of the chiefest devils on planet earth that are at the

spear tip of bringing us “Disclosure” and deceiving the masses about the wonderful alien space brothers (they are Sasha Stone (see below) & Michael Salla) and Stone mentions how there are whole parts of the world that has Mantis DNA lineage at about the 12:08 mark of this video (among many other blasphemous statements). **This is the whole ancient alien panspermia lie that I have exposed over and over and the most alarming this is Sasha Stone and Michael Salla are becoming more and more imbedded in the whole Truth Doctor/Great Reawakening vs Great Reset/Anti-Covid 19 Vaxx agenda/Alternative Media like Alex Jones, Mike Adams, Redacted Youtube show, etc.... NAME Ginny

SUBJECT **Listener Comment: Mantis-Looking Aliens Being Seen**

YOUR MESSAGE I just had a woman describe this kind of alien who I met at the campground I'm staying at. **Says she was Catholic and stopped believing in the God of the Bible after she had all kinds of alien encounters and that she is implanted with some kind of sensor.** She believes in a god of the universe, but not the Bible. I tried to tell her about all the deception and that the name of Jesus is more powerful than all these demons. She believes some are good and some are demons. Don't know if I'll see her again. But maybe you can ask for prayer for her. Her name is Jackie. She has Christian friends who tell her the truth also, but she rejects it. Thinks she knows more.

Here's another story on them:

<http://www.texasufosightings.com/new-sightings/large-creature-resembling-praying-mantis-spotted-in-waller-texas>

From this report: **This is not my personal experience/encounter. But I trust the witnesses.**

*A friend and his little sister were leaving a friend's house at night. The country road is dark and there are woods still in the area where properties are not yet owned or developed. As they drove, their car headlights flashed at a creature they describe looked like a praying mantis. **White skin, big red eyes (like wild animals when lights flash at their eyes) and weird long arms, like a mantis. He said its 'hands' were rubbing together and it was moving in a weird up and down motion.** He and his sister were frighten and drove off as fast as they could. **The creature disappeared quickly into the sky** and out of sight. We asked if perhaps it was a barn owl or any other animal but he insists it wasn't, and his sister seems like she just doesn't want to think about it.*

A relative has seen a UFO in that area before, big red orb lifting from his property (in 2007 I believe). He was able to get his wife outside to see the object flying away in the sky..so there is definitely activity in that area. Its a bit concerning, because although I don't know what to believe in regards to aliens.. what I have read on the 'praying mantis' kind - they are 'bad'.

These sightings happened in Waller, TX near Kickapoo road, field store area. I'm curious to hear if anyone in that area has seen anything similar.

More than you ever wanted to know about the Praying Mantis type dudes

<https://hybridsrising.com/Hybrid-Project/Hybrids-Rising-Mantis-Insectoids-HP.html>

Mantis or Insectoid appearing beings have led the Abductee-Experiencer phenomenon from the beginning of our modern-day awareness of it. They appear to be at the higher, if not the highest end of the ET hierarchy since they are most always described as overseeing or have a supervisory role in the abduction procedure process. This is the case whether it is a medical procedure or Human ET Hybrid interaction. This takes place during situations involving baby or child presentations all the way to sexual instruction, interaction and possible telepathic absorption of emotions and sensations. In many such encounters, there is normally a Mantis or Insectoid being directing and observing the other beings and people involved.

The man behind Academy of Divine Knowledge is Sacha Stone. He has quite a few alarming connections, to put it mildly.

According to Stone's [biography](#), (see [archive](#) here), he has headed the UN Intergovernmental Renewable Energy Organization, or [UN-IREO](#) since 2010. However, it appears to have been expelled as a UN NGO in 2016, for failing to update its status.

To address the elephant in the room: it's a cause for concern when one of the main voices opposed to UN-WHO medical tyranny is also a part of the UN.

Stone also founded [Humanidad in 1999](#), another NGO.

Humanidad "One World, One Humanity" is dedicated to inspiring tolerance and goodwill between people of all nations and faiths. If Dane is on YouTube and has never been taken down, that means something.

I got similar copyright threats from him as well! Because I used a few seconds clip of a plane with his GW logo in the bottom corner..... Copyrights; THAT is what is important to him????

Confirmed: Dane Wigington of geoenigineeringwatch.org is a controlled opposition disinformation plant

These days I'm now calling him the AJ of the chemtrail opposition movement. There had to be one.

Folks I have been investigating chemtrails for more than a decade now. I've seen plenty of so-called "truthers" attempt to address this **and have been actively weeding out controlled disinfo plants sent in to steer the opposition away from actual truth.** And so I found for myself that **DANE WIGINGTON** of geoengineeringwatch.org is one, and I now have outside confirmation from his latest presentation here in Sacramento California. (1) he continues to ignore the **MOST HARMFUL THREAT** of chemtrails, a nanotech transhumanism agenda called Morgellons www.morgellonsexposed.com (2) he promotes the grand hoax of "peak oil". Peak oil is the point in time when the maximum rate of global oil production is reached, after which production will begin an irreversible decline. See: [OIL is a RENEWABLE: Oil Fields Are Refilling... Naturally – Sometimes Rapidly « Aletho News](#) & ALSO SEE: Primary Water is why we don't have a water shortage. **WATER IS A RENEWABLE!** [A recent study documented the presence of vast quantities of water locked far beneath the earth's surface. That study confirmed "that there is a very, very large amount of water that's trapped in a really distinct layer in the deep Earth... approaching the sort of mass of water that's present in all the world's ocean"](#)

(3) he promotes the grand hoax that CO2 is a "greenhouse gas" when in fact its heavier than air and is what plants breathe and last but not least (4) he communicates directly with retired US Army general [Bert Stubblebine](#) former head of INSCOM [considered by many the "father" of modern psyops, accompanied by wife Rima Laibow MD and co-founder of [Psi-Tech](#) along with [Michael A. Aquino](#) and [John B. Alexander](#) - indeed these are the original [Men Who Stare At Goats](#) as written of by Jon Ronson. **END OF STORY WIGINGTON IS THE ALEX JONES OF CHEMTRAILS AND IS SELLING YOU DISINFO LIES. BUYER BEWARE.**

I'm so glad somebody else sees what I just saw. That Dane Wigington is MOST DEF A PLANT! He edited and deleted most of my comments which is a SURE SIGN of cointelpro. I feel sorry for all the people being led astray by yet another liar. GeoengineeringWatch.org leaves out the biggest aspect of chemspraying which is the SPIRITUAL SATANIC part of it all. Don't be deceived

Dane Wigington also deleted a comment I made about Monsanto being behind this to control the food. Now WHY would he delete such a comment if he was legit?

I totally agree with the people here. D.W. thrives on the Green House gas religion.
