### Among the thousands

But thou, Bethlehem Ephratah, though thou be little among the thousands of Judah, yet out of thee shall he come forth unto me that is to be ruler in Israel; whose goings forth have been from of old, from everlasting. — Micah 5:2  
Mat 2:1 Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem,

[John 7:42](#) Hath not the scripture said, That Christ cometh of the seed of David, and out of the town of Bethlehem...

Once, I was doing a Bible study, and I remember doing an internet search on the town of Bethlehem. I was looking to find some more recent news and events, but I came across something interesting. As I did my search, there were numerous other towns called Bethlehem that came up in the search results.

I found Bethlehem in Pennsylvania, New York, New Hampshire, and several others. I had to be more specific in my search about which Bethlehem since it was just one of so many. When I got specific about which Bethlehem, I found the information that I was looking for with dozens of websites coming up.

Long before the birth of Jesus, Micah wrote about the plan God had for Bethlehem. It wasn't for any other Bethlehem, but this one specifically. But the words after the specific name catch my attention. The Bible reads, "Little among the thousands of Judah."

Bethlehem was never a major city. Instead, it was a support city to help protect Jerusalem. Even though it was small, it was essential. Not only was it a support to Jerusalem, it was going to be the birthplace of the Savior of the world. It was a plan specifically for that city, even though it was small among the thousands.

From the events to the very locations where it happens, God has a plan for everything in life. That includes you! While there may be thousands, even millions, of other people in this world, God has a plan and purpose for you. While we often think of popular and powerful people who accomplish great things, it often comes through the obedience of someone among the thousands. Though we may feel small and insignificant, we are significant to God. Instead of worrying about the thousands around us, let us resolve to live for God and for His purpose.

**VERY URGENT Prayer Alert: Israeli leaders, please evacuate Palestinian Christians out of Gaza and into the West Bank immediately – these Christians face genocide by Hamas if they are forced to move south; PLEASE INTERCEDE FOR OUR PALESTINIAN BROTHERS & SISTERS**

JERUSALEM, ISRAEL – **With the greatest degree of urgency, I am writing this open letter to Israeli leaders at the highest levels of our government and the military.**

**Palestinian Christians in northern Gaza are in extreme danger.**

**And the situation is becoming worse by the hour.**

**They must not be moved south.**

**They must be evacuated to the West Bank immediately.**

Let me explain why.

First, let me be clear: Palestinians who love Jesus Christ and are called to follow Jesus are not members of Hamas.

They are not supporters of radical Islamist terrorism.

They do not support the terror attacks on Israel.

They just want to live in peace and be free to follow the Bible and love their neighbors.

**But right now they are in an impossible situation.**

**They are trapped in northern Gaza – amid all the bombings and gunfire – and have nowhere in Gaza to go that is safe.**

The policy of the Israeli Defense Forces has understandably – and rightly – been to urge all Palestinians in and around Gaza City to flow to sanctuary areas in the south of the Gaza Strip where they will be safer from Israeli military operations, and have access to food, clean water, and medical care.

I have strongly supported this policy.

Indeed, I have publicly praised Israel's civilian and military leadership for this policy of showing such care and compassion for innocent Palestinian civilians.

**But let's be clear: The situation for Palestinian Christians is very, very different than that of Palestinian Muslims.**

**Palestinian Christians are terrified of being forced to go south.**

**Why?**

**Because they have seen the genocide that ISIS launched against Christians in Iraq and Syria just a few years ago.**

Palestinian Christians are therefore terrified that they will be slaughtered if they go south.

They are terrified that their wives and daughters will be raped if they go south. If they are forced out of the historic church buildings – the safe havens, in which they are currently sheltering in and around Gaza City – and are sent to the south, they believe they face genocide, too.

There are no safe havens for Christians in southern Gaza.

As followers of the crucified and risen Christ – Jesus of Nazareth – they are considered pagans, and heathens, and idol-worshippers by Hamas, Palestinian Islamic Jihad, and all violent Islamist extremists.

The Christians know the ancient and very recent history of this region.

Therefore, they know that they can expect no mercy from Hamas and the others in the south.

Reports indicate that the IDF has ordered all Palestinian Christians in northern Gaza to evacuate the three churches they are currently sheltering in and move south in the next five days.

But if they do, Hamas and the other terrorists will do to the Christians exactly what they did to Israeli Jews on Oct. 7, and all the other communities on the Gaza border.

Butcher them.

Behead them.

Burn them alive.

But only after raping, torturing and mutilating them.

Please – I beg of you, my government, the Israeli government – please do not let this happen.

Instead, I ask you to immediately evacuate all of these Palestinian Christians – roughly 1,000 of them – to the West Bank.

And do it quickly.

+2+ The UN, Bill Gates And Rockefeller Foundation Launch The 50 In 5 Agenda

On November 8th 2023, a [virtual launch event](#) took place for what was termed

the “50-in-5” agenda.

**The United Nations, the Bill and Melinda Gates Foundation, and partners of the Rockefeller Foundation are launching a campaign to accelerate digital ID, digital payments, and data-sharing rollouts in 50 countries under the umbrella of digital public infrastructure (DPI) by 2028.** ([source](#)).

The United Nations Development Program (UNDP) has announced plans to roll out “digital IDs” worldwide by the year 2030, and they will be mandatory for people who wish to participate in society, say [Reclaim the Net](#), who advocate for free speech and individual liberty online.

### **Social Credit System**

The [push for Digital Public Infrastructure \(DPI\)](#) which **includes “Digital IDs,” vaccine passports, and central bank digital currencies (CBDC)** – is being championed by the globalist WEF and unsurprisingly is backed by Bill Gates along with the UN, and the European Union (EU).

The [Sociable editor Tim Hinchliffe says](#) “Advocates are adamant that DPI is essential for participation in markets and society — just like we saw with vaccine passports — only on a much broader scope” and “If successful, **DPI will give governments and corporations the power to implement systems of social credit that can determine where and how you can travel, what you are allowed to consume, and how you will be able to transact with your programmable money.**”

“Think [individual carbon footprint trackers](#), Ultra Low Emission Zones ([ULEZ](#)), and [CBDC programmed](#) to restrict “less desirable” purchases — all of which are being pushed by proponents of the [great reset](#).” ([source](#))

The “50 in 5” bills itself as “a country-led advocacy campaign. **By 2028, the 50-in-5 campaign will have helped 50 countries design, launch, and scale components of their digital public infrastructure,**” according to the official announcement. The 50 countries are designated as global testbeds, ([guinea pigs](#)) and the DPI’s will first be unveiled in Africa (sub-Saharan, particularly) and India but **the plan is to roll digital IDs globally by 2030 to include all citizens of UN member-states**, [according to Planet Today](#).

The “50 in 5” campaign is also unsurprisingly a collaboration between the Bill and Melinda Gates Foundation, the United Nations Development Program, the Digital Public Goods Alliance, and Co-Develop. Co-Develop was [founded by The Rockefeller Foundation](#), the Bill & Melinda Gates Foundation, Nilekani Philanthropies, and the Omidyar Network. The Digital Public Goods Alliance lists both the Gates and Rockefeller foundations in its [roadmap](#) showcasing “activities that advance digital public goods,” along with other organizations and several governments. ([Source](#))

DPIs are being sold as a mechanism for financial inclusion, convenience, improved healthcare, and green progress. but is is an **“all-inclusive phrase applied to a looming technocratic governance system powered by three foundational components: digital ID, digital payments like Central Bank Digital Currencies (CBDCs), and massive data sharing.”**

Subject: **Wow, that is so evil and literally the icing on the cake with that company.**

I saw this a while back and was already freaked out. Their fries (& also the Chick-fil-A Chicken coating) have dimethylpolysiloxane in them, one of the main ingredients in silly puddy!

**Sidebar:** Dimethylpolysiloxane, is a toxic industrial chemical that is partially derived from silicone. The harmful compound is characterized by its vinegar-like odor and is traditionally used in the manufacturing of various commercial products such as silicone lubricants, polishes and mold expulsion agents as well as grease, bathroom caulk or sealants, defoaming agents and cosmetic products. The silicone derivative is also commonly found in heat transfer fluids, aquarium sealant and kinetic sand as well as silly putty and even breast implants, a [Stop Poisoning Us article](#) reveals.

The chemical can also be traced in small amounts in fast food items. A number of chain restaurants – including McDonalds, Wendy's and Subway as well as Domino's, Taco Bell and Jack-in-the-Box – are allegedly using the compound as a food preservative. The harmful ingredient is classified as a silicone polymer and is noted for its non-biodegradable properties. Due to this, dimethylpolysiloxane may take up to 100 years to completely decompose, according to an entry posted on the [Is It](#)

[Bad For You website.](#)

Dimethylpolysiloxane is particularly detrimental to eye health. Likewise, the toxic food preservative is known to cause adverse effects on the respiratory system. The harmful compound is also known to negatively affect the skin and the digestive tract.

🚨 May 24, 2024: W.H.O. Pandemic Treaty "Judgment Day" The largest, most comprehensive global Communist power grab ever seen is occurring as we speak, and most people have no idea that it is even happening. This is not a traditional communist revolution as we have all been well trained to spot, but

rather a sophisticated global, binding, medical "treaty" orchestrated by the W.H.O. which will leave any participating member states essentially POWERLESS in the event of a proclaimed "pandemic". This is not hyperbole or exaggeration. And every man, woman and child on this planet's lives will be irrevocably changed for the worse on May 24, 2024 if it is not stopped.

### **+3+ MODERNA ADMITS VAX CAUSES CANCER! Huge Development As Millions Die From Covid Injections**

Moderna has recently halted trials of their latest mRNA injection due to myocarditis.

Now, Moderna has shown in their own Covid vaccine patent that the injections cause a greatly heightened risk of cancer.

Josh Sigurdson reports on the recent news of Moderna essentially admitting to the Covid "vaccine" causing cancer as Dr. Robert Malone reports the Moderna patent in front of Congress proving a massive coverup operation.

Moderna has recently halted trials of their latest mRNA injection due to myocarditis. Fauci has also recently acknowledged that the injections cause myocarditis in young men "especially."

Now, Moderna has shown in their own Covid vaccine patent that the injections cause a greatly heightened risk of cancer. We are seeing so-called "turbo cancer" ravage the world at the same time as so-called "sudden adult death syndrome." We all know what's causing this. Moderna also had a master patent in 2018 with countless sub-patents which detail the use of injections to give people cell disruptive nano-technology which can be remote controlled.

It may sound crazy and it may sound like science fiction, but according to their own patents, it's not.

In this video, we break down the incredible dangers we're learning more about daily regarding Moderna injections. Of course, Pfizer has some of the same ingredients.

Brazil warns parents they won't receive welfare benefits, be fined or may have their children taken away if they don't get their kids vaccinated with the COVID-19 devil shot!

As people in the U.S. and elsewhere are increasingly shunning COVID-19 boosters, Brazil has started pushing repeated jabs on children and imposing financial penalties on those who are unwilling to comply.

This week, the government-owned news agency Agencia Brasil announced that the country is officially adding COVID-19 shots to its National Immunization Program. This means that children aged six months to five years will be required to get the jab every year starting in 2024.

Those who do not want to subject their children to the vaccine's dangers will no longer be eligible to receive welfare payments. This includes the popular "Bolsa Familia" family program that many Brazilians depend on to feed their families. The same is true for those who do not get the other 13 vaccines that are part of the schedule.

Meanwhile, another proposed bill could mean that parents who refuse to vaccinate their children with any one of the country's required childhood vaccines could end up behind bars.

A scientist and journalist who lives in Brazil, Dr. Simon Goddek, wrote on X: "Families not complying face hefty fines, loss of social aids like 'Bolsa Familia,' or worse, having their children taken away."

He added: "This, dear followers, is the hallmark of authoritarian communist regimes. While voicing the full extent of my concerns could land me behind bars in Brazil, it's clear that politicians like Lula prioritize lining their pockets over safeguarding our young ones."

The move was first announced by Brazilian President Luiz Inacio Lula da Silva earlier this year, who said it was a "question of science."

"If I have to do ten, fifty COVID vaccinations, I'll do as many as I have to because I

like my life," Lula stated. "I think everyone has to like their children's lives and get their children vaccinated at the right age."

This change to the vaccine schedule means parents will now be faced with the tough decision of whether to accept the vaccine's risks or potentially lose their welfare benefits.

After all the news about the phony COVID-19 scamdemic. . . where soldiers, sailors, airmen, and Marines were THROWN OUT of the military for refusing the phony COVID "vaccine" . . . it turns out the Military has figured out that few are coming to work for them if they have to take the "Death Dart" / "Clot Shot."

'Pilot warns of airline industry disaster due to Covid vaccines': CAPTAIN Shane Murdock says the air industry is 'poised on the precipice of disaster'. A pilot for more than 40 years, he has found official data that back up his claims

CAPTAIN Shane Murdock says the air industry is 'poised on the precipice of disaster'. A pilot for more than 40 years and a qualified air accident investigator, he has found official data that back up his claim of impending global catastrophe. He adds: 'When correlated, the data indicate there is an enormous problem that is having, and will have, a significant impact on aviation safety worldwide. There is enough evidence to be sending out red flags.'

There have been many tragedies this year. [Phil Thomas](#), a young graduate of the Cadiz, Spain, flight training academy, fell ill and died suddenly in April. There were five pilot incapacitations in March including a [British Airways](#) pilot who collapsed and died in Cairo, Egypt not long before he was due to fly.

Pilots are super-fit, so why are so many dying suddenly or collapsing? Cpt Murdock concludes they are suffering severe adverse reactions to the Covid-19 vaccinations, which has myocarditis (heart inflammation), brain fog, insomnia, blood clots and anaphylaxis as side effects.

He thinks some pilots are [ticking timebombs](#) and claims many are not declaring ill-health. He said: 'They are not reporting brain fog, heart flutters and dizzy spells because they don't want to lose their jobs.'

How are they passing medical checks if they are suffering serious adverse reactions? Last year the global aviation regulator, the Federal Aviation Administration (FAA), [changed the electrocardiogram \(ECG\) markers that measure the 'PR interval'](#). This is the time it takes for an electrical impulse to travel from one part of heart to another and is an indicator of heart health. The new limit is 50 per cent longer than the previous limit, and means that if a pilot has developed a heart condition, it could slip past.

Self Assembly nanotechnology in the blood is found around the world... We all have seen evolution of blood contamination in rapid ways regardless of new C19 bio weapon booster rate. More complex structures, and a much higher level of contamination. Anyone saying this is conspiracy, is just willfully blind - to the detriment of human survival. This is what Crimes Against Humanity looks like.

Sarcasm: I am 100% sure this is just an anomaly and the lens "growth" could not possibly be anything to do with creating a biometric iris scannable barcode or any such conspiracy crazy thing. But if true, it wouldn't surprise me any more than someone suggesting the worlds largest democide is well and truly underway, and those 5% left will be trans humanist slaves to some diabolical AI matrix system.

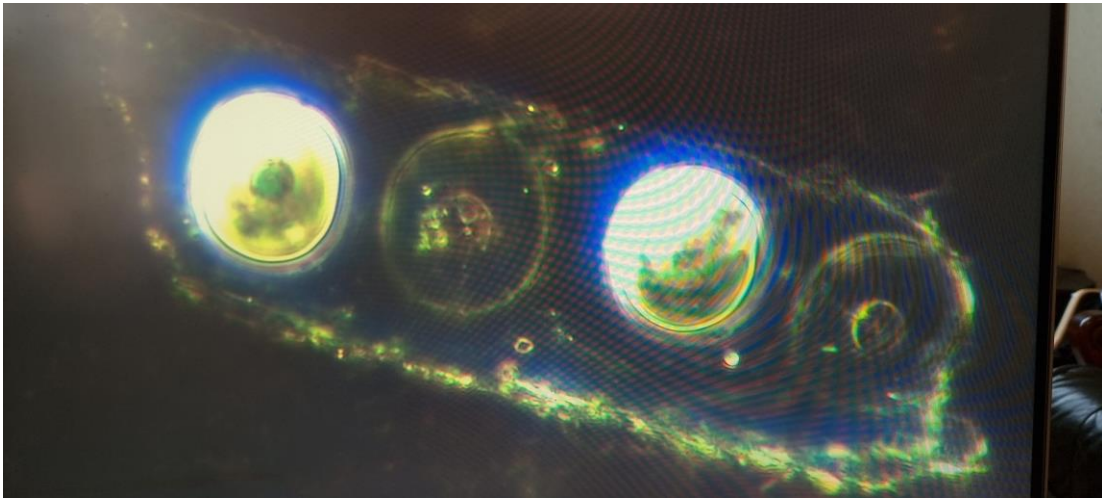

The chip was still forming when I last saw it. Will see what it became after a few days soon.

**PHOTO-GRAPHIC PROOF that some COVID-19 Vaccines Contain a Sinister-Looking Chip That such sophisticated biotechnology would be secretly inserted into the Covid injections can only mean that the rapidly unfolding Transhumanist agenda is being undertaken**

**Editor's Note:** It does not get any bigger than this where it concerns the deliberate formulation of COVID-19 'vaccines' to contain highly advanced technology which was never disclosed by the *Big Pharma* manufacturers. The Pfizer–BioNTech COVID-19 vaccine was sold under the brand name Comirnaty. The following images were taken from a sample of the Comirnaty 'vaccine'.

That such sophisticated biotechnology would be secretly inserted into the Covid injections can only mean that the rapidly unfolding Transhumanist agenda is being undertaken in a most stealthy and underhanded way.

### The Apocalyptic Phase of Technocracy And Transhumanism

That the perpetrators of the Covid jab genocide would even put this technology into the 'vaccines', knowing that it would be found out, indicates the absolute impunity which they have been provided by perfidious governments the world over. **If these pics don't compel a groundswell of protest and demand for swift and severe justice, nothing will.**

(57) **ABSTRACT**

Physiological effects have been observed in a human subject in response to stimulation of the skin with weak electromagnetic fields that are pulsed with certain frequencies near 1/2 Hz or 2.4 Hz, such as to excite a sensory resonance. Many computer monitors and TV tubes, when displaying pulsed images, emit pulsed electromagnetic fields of sufficient amplitudes to cause such excitation. It is therefore possible to manipulate the nervous system of a subject by pulsing images displayed on a nearby computer monitor or TV set. For the latter, the image pulsing may be imbedded in the program material, or it may be overlaid by modulating a video stream, either as an RF signal or as a video signal. The image displayed on a computer monitor may be pulsed effectively by a simple computer program. For certain monitors, pulsed electromagnetic fields capable of exciting sensory resonances in nearby subjects may be generated even as the displayed images are pulsed with subliminal intensity.

## Mind Control by Cell Phone

Electromagnetic signals from cell phones can change your brainwaves and behavior. But don't break out the aluminum foil head shield just yet.

### Mind Control by Cell Phone

Hospitals and airplanes ban the use of cell phones, because their electromagnetic transmissions can interfere with sensitive electrical devices. Could the brain also fall into that category? Of course, all our thoughts, sensations and actions arise from bioelectricity generated by neurons and transmitted through complex neural circuits inside our skull. Electrical signals between neurons generate electric fields that radiate out of brain tissue as electrical waves that can be picked up by electrodes touching a person's scalp. Measurements of such brainwaves in EEGs provide powerful insight into brain function and a valuable diagnostic tool for doctors. Indeed, so fundamental are brainwaves to the internal workings of the mind, they have become the ultimate, legal definition drawing the line between life and death.

**Medix4Life--**At Medix our main focus is to bring health and wellness to the world with our revolutionary plant based nano technology using regulatory peptides to assist the body in re-establishing cellular communication and activating adult stem cells, which control the repair mechanism of the body. ProtoMedix uses proprietary nanotechnology applications that work at the molecular level. The active ingredients are delivered in ultra low dosages (ULD), so there are no side effects or allergic reactions. Although the active ingredients are nano in size, they are super powerful at manipulating the correct atoms at the very smallest levels of life. Regulatory Protein-based Nanoparticles and Nanotechnology targets the gland, organ or tissue creating cellular communication for optimum glandular function. The damaged cells/tissues are replaced and removed from the body. Most of today's commercial applications deliver large doses of chemicals to bad cells in the hopes they will drown the problem. We provide nanotechnology applications that:

- Repair cellular communications at the molecular level.
- Work at the building block level of life.
- Are powerful, but harmless ingredients delivered in ultra-low dosages (ULD).
- Have no side effects or allergic reactions.
- Activate the repair mechanism of the body so it can repair itself.

- Is changing the world's health industry with proprietary nanotechnology. Unlike most products designed to just make you FEEL better, our formulations don't just treat the symptoms, they allow your body to regulate and address the cause...SO YOU CAN GET BETTER!

++Also, all these are 30ml bottles and there are 462 drops per 30ml bottle, so if you were doing the max dosage per day of 20 drops, each bottle would be roughly a 23-day supply.

Dosing: 1-20 drops a day empty stomach. Mix in 2 oz of purified water and take away from food or supplements. Hold each dose in the mouth for at least one 20 seconds, swish and swallow. Can take up to 4 products at a time but take them at least 5-10 minutes (20 minutes is ideal) apart for best results- do not combine them together. We recommend that you start with 5 to 7 drops and increase a few drops daily to the full dose of 20 drops per day. Can start at full dosage. For optimal results wait for 30 minutes before consuming food or other products. Keep bottles at room temperature. It is highly recommended to give each product at least 3 months to work as it takes time for adult stem cells to activate and rejuvenate. ++For children under 100lbs use ½ dose and can also be used on animals.

These products contain regulatory peptides obtained from natural sources using Nanotechnology which reestablishes cellular communication and activates adult stem cells. These preparations are nontoxic and do not have allergic responses in long term applications. These are not intended to diagnose, treat, cure or prevent any disease, only to support the body's natural processes. These statements have not been evaluated by the FDA.

Through the grace of God, I am doing so much better!! Prior to going on the CNT activator, I couldn't get on the tractor at all because of so much pain. After only 7 bottles, I can now spend 7-8 hours on the tractor with no trouble and able to sleep through the night now. Before I couldn't sleep for days! So thankful to God!!

I started taking drops several months ago. This will be my first review. I took the HRT for only 2 months. I had been diagnosed 8 years ago with PFO (hole in heart), leaky heart valve and a heart murmur which was very squeaky. I could hear it when laying on my left side. I was having chest pains daily, heart palpitations and other types of heart pounding. I am only in my 40s but suffered severe trauma for years. After taking the drops for 2 months, no more pains, palpitations, pounding, or murmur! I had an EKG last week (10/2022) and nothing was found. Heart was normal and no murmur found. I am eternally grateful! :-)

My husband was sent home on Hospic and was given 2 weeks to 2 months to live, July 4th. My sister-in-law gave him the HRT activator to try and he's been doing so much better 6 months later!! His nurse couldn't believe the turnaround!! I'll keep giving him the activators, it seems it the thing that's keeping him alive!!

**My dad, David, has clogged arteries with 95% blockage. He had 30 stints in his heart, a bypass surgery, and has needed to sleep with a heating pad and blanket because his legs were so cold and blue. Within one week on HRT the arteries seem to be opened, no need to have the heating pad, can actually feel the heat on his legs! They definitely work!! He calls this "Jesus in a bottle!!"**

**In October of 2018 my Dr. wanted to give me a defibrillator, I was at 29 at the time. After starting on HRT and the SRF-HRT spray, and after an echocardiogram, my number went up to 40.2!!! I couldn't believe it!! I don't have to go on a defibrillator anymore!! I even gave my testimony at church about it!!!**

**For over a year I have had several scary bouts with very bad AFIB. I ended up in the hospital each time. The hospital couldn't help me so they put me on all kinds of meds and sent me home. I decided to try the HRT activators and have been on it for 2 bottles and I haven't had any bouts of AFIB since taking them. I am now an advocate and sharing with all my friends. Thank you Dr. Joe!!**
