Report: CIA Routinely Obtains UFO Wreckage & Intact Vehicles, Transfers Ownership To Private Parties

According to a bombshell report by [the Daily Mail](#), an arm of America's Central Intelligence Agency has been tracking and gathering alien aircraft for decades. Journalist, Josh Boswell, explains that one anonymous source told him that a department within the CIA has the ability to detect UFOs while they are cloaked, have landed, crashed or have been brought down to earth.

Once a landing, crash or take down is detected, special military units are sent to retrieve the craft or object.

— Mike Colangelo (@MikeColangelo) [November 28, 2023](#)

Multiple [Daily Mail](#) sources claiming to have been briefed on the top-secret operations said at least nine non-human vehicles have been collected by the CIA since 2003.

The CIA's Office of Global Access (OGA) is allegedly the wing overseeing the UFO retrieval operations.

The name even appears to imply the office has access to anywhere on the planet or is the group that allows outsiders access to the globe.

One of the sources stated, "There's at least nine vehicles. There were different circumstances for different ones. It has to do with the physical condition they're in. If it crashes, there's a lot of damage done. Others, two of them, are completely intact."

The CIA reportedly has technology that "can discern UFOs while they're still cloaked" so the U.S. military can go find the invisible aircraft if they land or crash. The group is somehow even able to enter restricted areas to retrieve the UFOs, such as behind enemy lines.

Describing the retrieval process, one of the sources explained, "The actual physical retrieval is by the military. But it's not kept under military control, because they have to keep too many records. So they start moving it out fairly quickly into private hands."

More than 10,000 illegal aliens are crossing the U.S. southern border every day, according to reports.

Data provided to Fox News correspondent Bill Melugin by Customs and Border Protection (CBP) indicates 'migrant encounters' are topping 10,000 daily.

The startling figures do not include known and unknown 'gotaways,' which indicates the number of illegal border crossings is far higher.

NEW: Per CBP sources, there were over 10,000 migrant encounters at the southern border yesterday, including 8,500+ illegal immigrants apprehended by BP, & 1,600+ at ports of entry. 168 Chinese nationals crossed in San Diego sector as well. This was the second day in row of 10k+.

This is why they're INVADING America, it all makes sense now—Replacement Invasion--Senator Dick Durbin proclaims Illegals to get a new path to citizenship if they are willing to fight and die for America—Our new US military about to be totally taken over with foreigners (many fighting age Chinese males) that despise the average American citizen

Illinois Senator Dick Durbin is a clear and present danger to the National Security and future of the United States of America. The senior Democratic Senator that serves as the Senate Democratic whip and chair of the Senate Judiciary Committee has recently emerged from his milquetoast shell as an opponent to the Republic for which it stands.

Durbin leads a Democratic party that views the invasion of 8 million illegals under the Biden Administration as a voting block and enforcement arm against taxpaying U.S. Citizens. Relishing in the possibility of millions of non assimilated military aged men given the power by the U.S. Congress to oppress the critical and deplorable American people.

Recently, Durbin blocked Senator Marsha Blackburn's request to subpoena the Jeffrey Epstein flight logs. And then acted as if he had no idea what anyone was talking about.

Dick Durbin is as dirty as the day is long. And like many of his fellow Congressional Uniparty Country Club members, he works for a corrupt criminal combine hell bent on the destruction of the United States.

Why can family not reach people that are now missing? Even if they asked them to stay away for one week like he said, they still

would have their cellphones ...unless they threw them in the garbage too! Also, why would they force people who are just driving around the area into white vans? They are not homeless on the streets? What are they trying to hide? There are a lot of questions! I fear for these people and pray that they are all right. Not everyone that is homeless is bad. Sometimes bad things happen to good people and they just have nowhere to go.

My sources in Rio de Janeiro were telling me in real time back in 1992 as the city prepared for the UN WORLD SUMMIT, that their military conducted a mass cleansing op disappearing the local Street Urchins who were all youths blamed for most crime preying on tourists. First they all vanished over night, then we were told they had been safely taken to an island convent in the bay, to house them until the summit was over and of course around 6 months later we heard that mass graves had been found. The Federal Communications Commission (FCC) has approved the Biden administration's ambitious plan [to give the federal government full control of the internet](#) under the guise of preventing digital discrimination.

According to the FCC, the new rules are designed to prevent digital discrimination based on income level, race, ethnicity, color, religion or national origin. This first bipartisan broadband access anti-discrimination law mandates the FCC to establish rules that guarantee Americans equal access to reliable, high-speed and unbiased broadband services.

Unfortunately, [the rules have given the FCC a lot of power over almost everything related to the internet](#), all in the name of promoting diversity, fairness and inclusion. Triple the death vaxxes for the coming "Tripledemic" for the sake of \$cience--Big Pharma and Big Government link up for a Preplanned Winter 'Tripledemic' sales spree!

The White House and the corporate media are buzzing about the latest respiratory season, and boy do they have a chock-full of "cures" advertised for the occasion. On Monday, senior Biden-Harris Administration officials met with suppliers to discuss the manufacturing, distribution, and accessibility of RSV immunizations through the private market. Senior administration officials underscored the importance of manufacturers such as Sanofi and AstraZeneca working to meet demand with a sense of urgency as we head into the winter season. During the meeting, manufacturers and senior administration officials also agreed on proactive planning now to meet next year's projected demand for immunizations.

TELLTALE SIGNS OF A 'TRIPLEDEMIC'

Now is the time to get your flu shots and bivalent boosters as hospitals and health care systems reach capacity with surging cases of flu, RSV, and COVID-19, says Brian Garibaldi of the Johns Hopkins Hospital Biocontainment Unit

RSV — which amounts to a mild cold — with mortality rates so low that most studies don't even bother adding a mortality column. Nonetheless, it's become the next big scare, with the Pharma-Government Health snake oil salesmen fear mongering about sick infants, in order to drive demand for their new products.

“Senior administration officials underscored the importance of manufacturers

such as Sanofi and AstraZeneca working to meet demand with a sense of urgency as we head into the winter season,” the readout said, adding that “RSV immunization, flu vaccine, and updated COVID-19 vaccines” are a must-have for the coming Winter season.

Yes, they really want you to take three “vaccines” to combat various forms of the sniffles. And the hype is real. Search for “Tripledemic” in Google News and you'll see that the race to scare the compliance into you is on. Check out

New York's FORCED QUARANTINE CAMPS Take Effect! The Rise Of Hochul's Tyrannical Health Dictatorship

Play to 3:42: <https://rumble.com/v3xc9ma-new-yorks-forced-quarantine-camps-take-effect-the-rise-of-hochuls-tyrannica.html>

[The Vaxxed 'Walking Dead' Dropping Like Flies In 2024 Ensures Medical Tyranny - The Globalists Create The 'Problem,' 'The Public' Cries For 'A Solution': Forced Vaxxes & Death Camps](#)

According to [this new story by Ethan Huff over at Natural News](#), full-scale medical martial law will be coming to America in 2024 with several US states already signing into law mandates to 'put Americans into quarantine camps' if the politicians or 'police state' in those states so desire, totally casting aside the US Constitution and the 'Rights' that those Americans have long enjoyed in the interest of 'public health'. But as we saw during the last 'scamdemic,' America's public health agencies and politicians TOTALLY FAILED America when it came to 'public health,' but they ALL pushed medical tyranny.

With [Huff warning within his story](#) that, as more and more formerly 'healthy,' but now vaxxed, Americans grow sick and die, and as time goes on and the bodies of the fully vaccinated degrade even further, there will likely come a point when a critical mass of sick people creates enough of a public health scare that the infamous "quarantine camps" are opened and filled with the "sick," we can see that THAT is how close we now are to full-scale medical tyranny. It's only one bad winter away.

Because as Dr. Peter McCullough recently reported, every single person who got even just one COVID jab is now experiencing some kind of problem or series of problems related to the heart, whether they realize it or not. And as [Zero Hedge reports in this must-read story](#), the genocide taking place across America and the world right now is only part of the globalists overall war upon humanity, with four different 'pillars of civilization' now under attack by an anti-human death cult of

very real eugenicists who happen to control most governments across the planet, including ours here in the USA.

With Dr. McCullough warning us that **'the walking dead'** often don't even realize they now have heart problems due to the vaxxes pushed on them by people like Dr. Anthony Fauci, Bill Gates and Joe Biden, and when they do finally realize it, it's often far too late as they most often discover it by surprise when they suffer a totally unexpected cardiac arrest or worse, can you imagine what America might look like in the days ahead when more and more of them start dropping dead?

And while you might think that things like **'forcing people into camps'** or **'forced injections'** could never happen here in America, let's take an important look back to the year 2020, when all of this **'medical martial law'** madness was first being unleashed upon us, and we can easily see why Americans should keep prepping as we go forward into 2024 and move closer to the *Deagel Report's* depopulation **'target date'** of the year 2025.

According to attorney Alan Dershowitz as heard in the must-watch 30 second video from 2020 we've embedded directly below, Americans have **NO RIGHT NOT to be** vaccinated if **'the government'** orders it, **NO RIGHT NOT to wear a mask** if ordered to do so by **'the state,'** and **NO RIGHT to keep our businesses open** if we're ordered to shut them down, and if we refuse, **we can be forced to do what that 'government' wants.**

Side Bar Warning Adult Content:

In her affidavit, Roberts goes on to nail down the political, illuministic role of Epstein's child-sex ring.

"In addition to constantly finding underage girls to satisfy their personal desires, Epstein and Maxwell also got girls for Epstein's friends and acquaintances. Epstein specifically told me that the reason for him doing this was so that they would 'owe him,' they would 'be in his pocket,' and he would 'have something on them.'"

Why Epstein would want dirt on powerful people, other than for his own personal gain, is a mystery. We can only conclude that he was gathering dirt on behalf of some other party, likely the Mossad and/or for Israel's desk at the CIA. Investigators into the Epstein child-sex scandal turned up a contact book that contained the names and contact information for many prominent people, some of which included New York lawyer Alan Dershowitz, Donald Trump, liquor baron Edgar Bronfman, and former U.S. President William Jefferson Clinton. Roberts claims she was forced to have sex with Dershowitz six times but denies seeing Clinton having sex with anyone, although he was present at Epstein's mansion as well as having flown on Epstein's personal jet.

[Dershowitz](#) was mentioned, [along with Bill Clinton](#) and others in a set of unsealed documents that were part of now-settled [civil litigation against Maxwell](#). She appealed the decision of the judge to unseal them, but to no avail. Maxwell was Epstein's right hand person, and the documents, along with testimony from many others over the past few years, show that Maxwell sexually abused children and also directed victim [Virginia Roberts Giuffre](#) to be sexually abused by others, using her and many others as sex slaves.

The [NY Post](#) explains: *The emeritus Harvard Law professor was accused of having sex with then-minor "Jane Doe #3" — identified in court documents as Virginia Roberts Giuffre — and witnessing Jeffrey Epstein and others sexually abusing girls and young women.*

The allegations, lodged in a 2014 court filing, reemerged in more than 600 pages unsealed Thursday night in Giuffre's 2015 defamation case against.

In 1997, Dershowitz wrote the following: "Reasonable People Can Disagree Over Whether It Should Be As Low As 14." You can find that article and read more about that [here](#).

[Alan Dershowitz: Sure I Got a Massage at Jeffrey Epstein's Mansion, but I Kept My Underwear On](#)

Welp, welcome to the slippery sleazy slope that comes with billionaire Jeffrey Epstein's recent arrest for child sex trafficking. Internet sleuths have uncovered a 2015 video of Harvard attorney and Epstein's friend, Alan Dershowitz, who worked to get Epstein a sweetheart deal in a 2008 plea agreement, admitting to getting a massage at Epstein's mansion.

During an interview with [Miami news station WPLG](#) regarding Britain's Prince Andrew (another friend of Epstein) and his alleged sexual involvement with an underage girl who was allegedly kept as a sex slave by Epstein, Dershowitz not only bashed the accuser, calling her an "admitted prostitute and a serial liar" but claimed that the then-teen was not victimized and in fact "made her own decisions in life."

Meaning that if 'government' creates a bioweapon in an attempt to 'secretly' murder 100's of millions of Americans before those Americans figure out they've

been 'sacrificed' to the 'global warming cult', that insanely believes it needs to 'exterminate' 7 billion of us to 'save the planet,' & that we have NO RIGHT to refuse that 'kill shot' and that it can be forcefully injected into us; that would be the 'line in the sand' that 100's of millions of Americans would resist.

With the US military now revising their post-vax myocarditis statistics LOWER, while the FDA has shut down all enquiries into DNA contamination in the vaxxes, PROVING we're STILL witnessing a massive cover up going on at the very highest levels of government in an attempt to get them out of the murderous mess that they've created for themselves, where they all should be tried, convicted and executed for crimes upon humanity, take note that in China, the CCP is also engaging in a gigantic cover up of the 'mysterious pneumonia outbreak' striking children there.

Seemingly showing the US government, including the US military, and our public health agencies, are working hand in hand with the Communist Party of China. So until this 'anti-human death cult' that is attacking the human race is PERMANENTLY 'extinguished,' we'll continue to see such madness unfolding as these psychopaths/eugenicists race to get the population of planet Earth down to about 1 billion.

+2+ New Zealand ARRESTS Government Database Administrator for Revealing 24% DEATH RATE for certain COVID Vaccine Batches

A New Zealand Covid-19 vaccination database Administrator turned

whistleblower revealed how many people died after taking certain batches of the Pfizer vaccine. New Zealand has now ARRESTED that man for "accessing computers for deceptive purposes."

He shows proof that certain batches of the Pfizer vaccine had death rates of over 24% within about a week of

persons being given the jab.

This must be investigated. If this data of mass vaccine casualties is real there must be accountability. pic.twitter.com/2QjkmRGJca

...we now know that the wholly criminal and illegitimate New Zealand government attempted to have the courts deny bail for Barry Young, the hero that blew wide open the slow kill bioweapon democide. Thankfully, he will post bail, and be somewhat safe for the time being. But said government is working diligently to have Barry Young rot in jail for 7 years.

SHOCKER: FOIA Request Reveals 11,000 Politicians Received DEATHVAX Exemption

And now through a FOIA request we know that those very same parasitic criminal politicians and the various minions that were hellbent on quite literally poisoning their entire population, always knew exactly what they were doing; as such, we now have incontrovertible proof that they were exempted from their own deadly DEATHVAX precisely because they knew from day one that they were guilty of instituting a bio-depopulation program that they clearly did not want to partake in themselves.

Why would any politician, anywhere, need an exemption to a perfectly "safe and effective" vaccine that they forced on their people? The cultists need to wake up, and people need to stand up against medical tyrants violating their bodies.

An Open Government Act (FOIA) request revealed that 11,000 politicians and members of the elite had been exempt from vaccination, said Michael Gray Griffin in an interview with doctor Paul Oosterhuis and Liz Gunn, leader of the New Zealand Loyal Party .

To sum it all up: those that are guilty of murdering their population via bioterror "vaccines" & then exempted themselves from said murderous injections, now want to imprison a whistleblower who exposed their mass murder; in other words, if you comply with these puppet politicians, their unconstitutional agencies, their globalist Intelligence Industrial Complex handlers, and their corporate partners-in-crime, then you are quite literally guilty of murdering yourself, and others.

[Government data shows young people now dying of cancer at "explosive" rates following COVID vaccine push](#)

There is no denying, based on available data, that cancer rates [massively spiked](#) following the release of Wuhan coronavirus (COVID-19) "vaccines" through Operation Warp Speed.

Between 2021 and 2022 when most of the now-fully vaccinated world got jabbed, cancer deaths skyrocketed, particularly among young people, according to data from the United Kingdom's Office for National Statistics (ONS).

The same government entities that pretended to care about everyone's health in 2020 when they shut down businesses and schools and told everyone to stay at home in isolation, suddenly could not care less once 2021 arrived and the jabs started to cause widespread health problems.

One of those health problems is cancer, but alas this is no longer of concern to the powers that be because it was never about "saving lives" during the "pandemic," but rather about tricking as many people as possible into taking chemical death injections that we now know are linked to so-called "turbo" cancers.

(Related: Dowd [believes that](#) America is currently in the throes of an unfolding "slow Mad Max" scenario that will end in total collapse.)

UK government officials trying to hide excess deaths among young people
An Edward Dowd-led analysis of UK government data shows that cancer deaths among 15- to 44-year-olds following the rollout of COVID injections increased so substantially that only the jabs could have been responsible for the timely increase.

Younger people in their 20s, 30s, and 40s are reportedly now dying from rapidly metastasizing and terminal cancers – and this was *not* the case prior to the COVID jab rollout, just to be clear.

Dowd told *The Defender* that his research partners included a handful of high-level scientists, data analysts, and financial experts who examined all International Classification of Diseases, 10th Revision, (ICD-10) codes for cause of death in the UK between 2010 and 2022. They looked specifically at trends in malignant neoplasms (C00 to C99 codes).

ICD-10 codes are used internationally by physicians to classify health conditions, as well as for processing insurance claims. The World Health Organization (WHO) created ICD-10, as well as previous iterations of it.

A striking pattern that Dowd and his research team noticed is that excess deaths among young people in Wales and England are not being properly coded, which points to a massive coverup.

108 Days After Slide Preparation: One Drop of Blood Mixed With One Drop of Dental Anesthetic Carbocaine--This Wicked Technology is still moving!

This is an important observation. It corroborates what I have seen in embalmed blood, where the technology continues to replicate 8 months after the person is deceased. In the literature, energy harvesting from the environment is what has been done to keep WBAN sensors viable.

I called this technology KAMS (Kinetically Active Micro Structures) as placeholder for what I am observing. Where do they get energy from? I suspect, from the electromagnetic field they are surrounded with, as suggested by various

patents (i.e [metallic nanoparticles](#)), and/or by applying [Teslaphoresis](#) to CNTs (carbon nanotubes). Whatever it might be, this is not a behavior of evolved bacteria.

Carbocaine is a product of Abbot Pharma.

Notice, in the second video all adjacent Red Blood Cells have been emptied out and filled with these particles ([see the "empty shell hypothesis" substack](#)). KAMS are still moving among the invaded and disfigured shells of erythrocytes.

How do I know the technology is coming from Carbocaine? Here is my reasoning:

1. Yes, KAMS are observable in blood smears (prepared from both vaccinated and unvaccinated subjects). However, they remain kinetic only up to 2 weeks or so, and the percentage of emptied RBC is under 5% .
2. But when blood and Carbocaine are mixed at the 1:1 ratio, KAMS keep moving up to 108 days (and going), and 100% of RBC end up emptied.

So, here is where we are. My findings have been independently confirmed by [Dr. David Nixon](#) using dark-filed microscopy. This is an interim report. I thought 100 days would be an appropriate landmark to "celebrate" but I overshot by 8 days...
