Subject: **Listener Comment Regarding Encountering a Reptilian**

I am just a babe on the subject of reptilians. I am in the middle of your alien mega study IV and learning so much. **As a result, I have been closely observing my surroundings and the people I engage with and also wondering to God if I would ever or had ever encountered any of these demonic beings.**

While at work yesterday a man came in to put money in his account. He said he had forgotten he even had an account. The account was closed, and his emotions surrounded that made his eyes change, but I didn't know exactly how because they shifted so fast. I was internally asking God if that just happened. I had small talk with him as I opened him a new account and for sure two other times during my appointment with him his eyes shifted into reptilian slits, and I caught it. Once when I was sharing a story and he was really engaged, when I got to the part about the amount of fees that a person owed his eyes shifted. The third time was when he was sharing with me something about a 3D space launch. He said something and laughed, and his eyes shifted a third time.

When he left I had full peace and but of course tripped out at the same time. I had to share this with you. God's grace be with you, Tracy

The Nephilim Hybrid Humans Are No Longer Exclusively Giants

It's all about the manipulation of our human DNA to create for themselves humanoid bodies to inhabit. The nephilim are no longer exclusively the giants of old with two rows of teeth with six fingers and toes. They're the new men of renown who control all governments on earth which allows them to do their evil degenerate activities, genetic experiments and satanic rituals underground.

[Indigo & Star Children Exposed!-Part 2](#)

[Indigo & Star Children Exposed!-Part 3](#)

To a New Age occultist, every 2,160 years of cyclic time welcomes a New Age that advances a new global revelation. Supposed enlightened humans serve as "planetary light bearers" who have broken free from (in this case) the Age of Pieces to forge in its place the Age of Aquarius. This Age of Cosmic (or Christ) Consciousness is distinguished by group interplay and idealism (AKA a New

World Order). Each emerging New Age boasts a Savior to lead the world into discovery of the “higher self.”

Today, evolution from embryo-god to “Christhood” through multiple reincarnations is no more clearly evident than in the phenomenon of the Indigo/Crystal/Star/Rainbow Children. These children are said to be highly evolved, uniquely gifted youngsters whose mission is to teach their elders and, thus, ensure planetary transformation into a golden era of peace and brotherhood. These Indigo children are being helped along by many witches and New Agers to bring about this transformation. They would say that we need the wisdom of the ancients. Most of these children are in contact a ‘spirit guide’ (demon). Many set forth visions and prophecies. Many use crystals, occult symbols and idols to facilitate this process (witchcraft). Many consult with familiar spirits and participate in necromancy (one who consults the dead (demon in disguise). All practices forbidden in the Bible.

We will also be looking at many of the Bible verses that deal with child discipline and Proverbs 16:4: ‘The LORD hath made all things for himself: yea, even the wicked for the day of evil.’ Psalm 58:3: ‘The wicked are estranged from the womb: they go astray as soon as they be born, speaking lies.’ & much more.

Subject: **Listener Comment: TRIPLE HELIX NEPHILIM DNA Possibly in the Covid-19 Vaccines!!!**

*Now that you referenced the **HEK 293** fetal cell line, a few months ago, I heard some very interesting information regarding that from a Christian constitutional attorney in Washington who is currently leading a class action lawsuit against the state of Washington to stop the unlawful lockdowns and the forced vaccinations.*

*He said that on conducting research on this vaccine, I believe as part of his lawsuit, he discovered that this particular cell line contained a **TRIPLE HELIX DNA** rather than the normal double-stranded DNA. And he therefore, very sternly warned the listeners never to take this vaccine as the DNA it will inject into us is obviously non-human but hybrid. **If this is true, it confirms what many of us, including yourself, suspected in that they're trying to infect us with their nephilim DNA to make us unredeemable nephilim hybrids as well.***

I didn't send you this information at the time because he didn't provide the source for his discovery, as I'm assuming he didn't want to publicly release too much information from his "defense arsenal" to use in the court. He's currently in the middle of this lawsuit and he said it's going bad for him, as is to be expected when the righteous are battling the beast system.

However, in light of all of these new wicked developments, I thought it would be an interesting piece of information for you to be aware of. God bless, Debbie

The first time I ever heard of the reptilian hybrids having a triple-strand DNA was from Steve Quail many years ago. I was wondering if you ever came across this information?

I remember many years back, Steve Quail shared a letter which he had received from a geneticist.

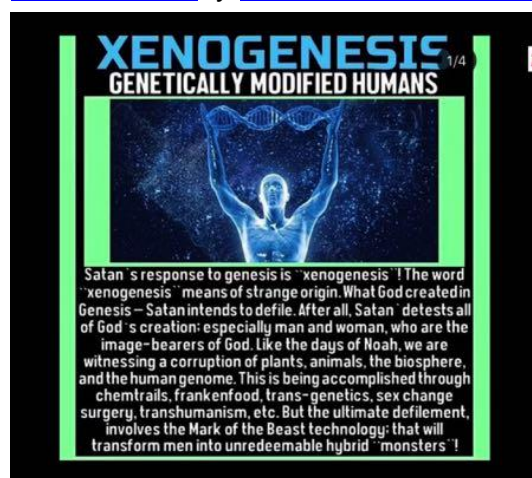

The geneticist stated that he had a friend who had

come from one of those generational satanist families and had defected. His friend told him that his family had always told him that they weren't really human, but gods and that they had 3 strands of DNA instead of two. They claimed that the third strand was the one they received from their "god" ancestors.

Since he was a geneticist, his friend asked him to verify if this was true by analyzing his blood and DNA. He thought his friend must be crazy but obliged anyway since this seemed to be so important to him. However, when he analyzed his friend's blood, he did find a third strand. But this third strand was actually made up of either silver or gold colored (I can't remember which color) parasites which resembled tiny snakes.

The geneticist was attempting to publish his results but soon after, he and his friend both disappeared. I don't know how valid this story was but it appeared way before any information on these beings having triple DNA strands had appeared.

Subject: [Listener Comment: Time Magazine Cover Shows Human DNA Strands Turning into a Serpent and Talks about how Genetic Engineering will Change Us](#)

Hi Dr. Johnson...I had come across this Time Magazine issue cover and article from January 1999 last year but never send it to you.

As you can see, the title says it all, but the image on the cover is even more telling as it shows the human DNA strands turning into a serpent. I believe that since they already knew they were going to roll out this gene editing therapy they call a covid vaccine, this image is referring to precisely what they're doing to humans with it right now.

As usual, they were telling us ahead of time what they were planning to do to our DNA in the near future, which is to insert their hybrid reptilian DNA into our bloodstream and mix it

with ours to corrupt our human DNA and turn us into reptilian hybrids like themselves. God bless.

Just a quick update boots on the ground. I went to the Dickson Mound Museum in Lewistown IL on Saturday 3-11-2023 to **anoint the land with KJV-infused oil and cancel any end-time giants awakening witchcraft.**

Scott Johnson's Comment: See my teachings on the anointing oil at:

<http://www.contendingfortruth.com/?s=anointing%20oil>

After anointing the ground outside, I first asked Caleb at the desk if they had giant bones at the museum and then asked about giants in stasis. He did not confirm or deny they had giants in stasis! I told Caleb about Mount Hermon and the fallen angels in Genesis 6.

Long story later, while taking his lunch break, **he came up and gave me a piece of paper with a name on it. "Freddy Silva Documentary on the Knights Templar & tracing back the bloodline of the gods "**

I looked him up when I got home and Freddy is a modern-age Manly P. Hall - New Age tour guide to sacred sites who also is the author of The Lost Art of Resurrection among many other abominations.

So, anyone who comes in the Dickson Mound Museum with questions about giants they get (on the sly) a referral to a New Age warlock who helps people connect with spirits!

I just thought I'd let you know--Pamela Ray Files

Scott Johnson's Comment: Yes I know of at least one other new age/occult group like this that go to these types of sites. See:

<https://stardoves.com/Real%20Services/vortextours.html>

They were focused up here where I am at in NC (the western mountains) and I went with Taylor to pray against their work and we found their building (miraculously) and I don't think they have been active up here for a while, as their website seems to be pretty dated at this point.

These devils are literally waking the giants in stasis! **These 2 servants of Satan (in this video) are at the spear tip of the coming deception** and I have been keeping an eye on this for a long time. These things are waking up with the help of these deluded devils. They are waking them up, thinking they are doing mankind some kind of service, but when they woke this stinking giant (said it was the worst stench he had ever smelled), they knew they had to get out of there ASAP!!

A description of the video reads:

JP, who continues to serve in the US Army, was part of a ten-man multinational mission to an underground temple, which was accessed through a portal doorway located under a military installation. He described the Temple he visited as inside a large underground cavern, and it consisted of four white marble

pillars, beyond which was a large sarcophagus. Inside was an approximate 12-foot red-haired giant who appeared to be dead and in a state of decomposition. He was surrounded by beautiful jewelry consistent with his status as a noble or king. JP's team was first joined by another ten-man team that accessed the temple through a portal in Brazil. Communication occurred in Portuguese and Spanish. Then, a third ten-man team showed up from Africa, and the personnel communicated in French. After a disturbance affected the temple and sounds were heard from the sarcophagus, the teams withdrew. When JP's team returned to the sarcophagus, the giant and the jewels were all gone. It was assumed the giant had been resuscitated through some sort of advanced technology, but nothing was seen to corroborate this.

SUBJECT **Listener Comment: Giant seen in Thailand (and around the world in last few weeks)**

YOUR MESSAGE Dr. Scott! First off, thank you for all you do. I've been listening to your podcast for 3 years and started listening in a time when I was backslidden and confused. In my search to become closer to Jesus I found your podcast and everything you share really made my faith grow stronger along with my desire to be closer to God. So thanks!

I wanted to write to you about the appearances of giants showing up all over social media recently. I am an active user of TikTok and generate some of my income from that platform so I am frequently on there. In the last month or two, filmed giant sightings have absolutely blown up. The most recent one is from Thailand where a local is filming a giant on a mountaintop, it is chilling footage and undeniable imo. You can hear everyone in the background panicking and excited at what they're witnessing. No doubt in my mind that it is real raw footage.

I wanted to send you the video but don't know how here but if you search for "giant seen in Thailand" the footage was first posted on December 5th. **Since then it has obviously traveled quite a bit as people are fascinated and terrified at what can CLEARLY be seen.**

It seems as if more and more giants are brazenly appearing for the world to see and it's so fascinating as I've been listening to your podcasts for years how it all seems to line up with the slow disclosure and desensitization as these evil beings come out more often and make themselves known.

The topic of giants is extremely fascinating to me for reasons closer to home as well.

I have family in Canada who, 20ish years ago purchased many acres of land. I don't recall if they were building on the land or attempting to prepare for building and flattening the land out when it happened but, **they found giant skeletons. They found two, fully intact 12ft "human" skeletons. Unfortunately they reported the skeletons, which were immediately hauled away by whichever authorities they informed, and they have no idea where they were taken to.**

My parents also had a very spiritually upsetting experience with a giant burial ground on their recent trip back to Canada and felt a strong presence of evil when they arrived on the grounds. They were renting a cottage on this gorgeous 40 acre property and a mere 2 days into their stay they had become so physically ill

(dizzy, headache, nausea) and wrought with unexplained anxiety that they cancelled early and fled the area.

It wasn't until they had left and immediately felt better and at peace that they found out they had been on the same land as multiple giant burial mounds. Just wanted to share as I've been re-listening to many of your podcasts about giants/nephilim! Thanks again, Dawn

Based off the looms used in that time period, it would be common for a weaver's beam **to be 2 to 2 1/2" inches thick and more than 5 feet long.** The Biblical reference of a weaver's beam is most likely in respect to the unusual thickness and strength of the shaft rather than the length.

As a side note: How much does the almost unliftable current day Thomas Inch Dumbbell weigh?

- Weighing **171.6lbs**, the Thomas Inch dumbbell's weight is quite heavy. However, the handle on the Inch dumbbell was very thick, **measuring in at 2 3/8"** (just over 6cm) in diameter and 4" in length (10.1cm) it makes lifting the dumbbell almost impossible for most.

So there are loads of ELk in Estes Park, CO. That would be like our deer in rural Pennsylvania, more than I have seen anywhere, they come out to eat, including by the side of the road, but this is not where they rest.

That being said, my coworker who is a lifelong resident of Clarion and the wife of a hunter, who's home is in the woods surrounded by trees, tells me our deer are bedding down closer to the road than she has ever seen them do before. (Clarion is on the border of the Allegheny National Forest and said forest has its very own DUMB and we (Janice and I) have hypothesized that the cryptids scare the deer and other animals out of the forest.) I have gone for several hikes in the Allegheny during off season, when I should have seen loads of wildlife and I have seen NOTHING for miles. Then I leave the forest and I am breaking for deer over and over.

So I came to the conclusion that the deer that lived in

the forest. Yes they come to town. But normally they came to town to eat, and

we are talking a mile away from the forest, not to rest. But I have literally seen large herds of them sitting and resting on the inside of the boundary, as if they knew no one would hunt them there.

I agree: *(Janice and I) have hypothesized that the cryptids (increasing in number and sightings) scare the deer and other animals out of the forest.*

These things are coming more and more out of the shadows and it is affecting the wildlife first, as they live in the forest, so are more impacted.
