+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. **We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the**

whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for wickedness, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, bruja, brujo, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

The receiving them not in your house is actually easier, the neither bid him GodSpeed is the hard part. Look that word chair up. That word does not just mean saying 'God bless you' to them, it stops you from saying things like "cheers" (the word cheers came directly from this word), Fare well, and I wish you well, and good bye. **It basically stops you from giving them a proper salutation on leaving. Something you automatically and reflexively do when parting with anyone.**

Look at the next verse. **For he that biddeth him Godspeed is a partaker of his evil deeds.**

I need to say, I "ouch!" ed quite a lot when I read that. The word 'goodbye' was originally spelled Godbywes and means God be with ye.

The Cult of the Jehovah's Witnesses (JW's) was officially founded in 1884 & officially adopted the name of JW's in 1931 by Charles Taze Russell (1852-1916). In 1870, Russell was exposed to the teachings of William Miller, one of the founders of the Second Adventist Movement and acquired an interest in end time prophecies. **Russell originally denied the doctrine of Hell, and would go on to reject nearly every other Christian doctrine, as well as add many physically and spiritually dangerous doctrines of his own making. Russell (as we will see) was also a Freemason and Knights Templar and as a result almost certainly a plant, to start yet one more apostate religion to lead millions to hell. He is actually buried under a huge pyramidal shaped tombstone in a Masonic Cemetery in Pittsburgh, PA. This tombstone actually has the Knights Templar symbol prominently displayed near the top. This cult teaches that Jehovah God created Michael the Archangel before the foundation of the world; Michael was His only begotten son & it was this created Michael who was reincarnated into Jesus Christ, via the immaculate conception of Mary.**

Why is Florida Such a Hot Spot Paranormal Activity -- Occult Symbolism -- Miami Nephilim Aliens -- Portals

In Episode 615 we talk about the mysterious happenings at a Miami mall, where reports of otherworldly creatures have sparked a whirlwind of theories and speculation. Amidst the chaos and confusion, witnesses have emerged, seeming to affirm the presence of these entities. Our discussion navigates through the ideas of Nephilim, portals, and esoteric symbolism, as we attempt to unravel the extraordinary events unfolding in Miami. We discuss the depths of occult practices and their potential connection to these surreal occurrences. Theories suggest that Miami's geographic location, close to mystical portals and power zones, might be a focal point for such unusual manifestations. Adding to the intrigue, the alignment of Miami with esoteric hotspots like Antarctica hints at a larger, hidden tapestry of supernatural events. Could the Miami mall be a gateway to other dimensions, or is it a convergence point for ancient forces? Today, we dissect the possible connections between these mysterious sightings and the arcane knowledge of the Nephilim, portals, and hidden symbols.

South FL & Lake Okeechobee Warning

One of the descendants of such indigenous inhabitants of the state is the famous director Jordan Vogt-Roberts, **whose grandfather led his family via shamans of the**

Indian tribe Calusa. In an interview in 2016, Jordan was asked a question – what prompted him to move away far away from the classic scenario familiar to millions of viewers?

My grandfather, or rather even my grandfather's great grandfather, was a shaman of the now forgotten Indian tribe Calusa, whose original territories were what we now know as the state of Florida.

The place known today as the Everglades National Park with its cypress and mangrove swamps, in which the alligators live, is the sacred land of Calusa, the land of the Great Taboo.

A taboo, is a social group's ban, prohibition, or avoidance of something (usually an utterance or behavior) based on the group's sense that it is excessively repulsive, offensive, sacred, or allowed only for certain people.

The tradition of Shamans Calusa says that the land of Taboo is the roof of another land where the Great Horror dwells, which will break the threshold at the end of the last of the moons and devour this world.

Similar traditions exist in many tribes, about something like that, **even Lovecraft wrote. Rather, it is fiction, allegory – the journalists objected to the director.** Jordan then said:

Perhaps fiction. But I saw the sacred stones of Calusa. And you too can see them, they are still in the park.

And on these stones you can see the drawings of strange two-legged reptiles. I asked Karl (Karl Lindberg), our concept artist for special effects, to take them as a basis.

Subject: Listener Comment About SouthWest FL

Dr. Johnson, as you know I've been listening to you since about 2009. And I'm very thankful every time you put a study out...Do you get attacked by devils too? I've never seen it so bad in South West FL. This state (is the worst in corruption I've ever seen. I am being extorted for \$ every month and I've reached out to state reps and the senator and the ACLU and no help. Anyway I've attached a clip of Cape Corals mayor. **I thought you'd like to see why swfl is so corrupt even the news is reporting on it.**

Scott Johnson's Response: It's a big reason I wanted out. I lived there (SWFL) for about 33 years. That land has been cursed by the blood of a ton of human sacrifices and an occult history going back to the Calusa Indians and the Nephilim that were most likely their forefathers. See the below--There is info about the Fort Myers area near the end. The area from Lake Okeechobee to South Naples to Tampa was where the Calusa Indians ruled. Now it is just pure evil. Sin begets sin & attracts more evil. My best advice to you is to Pray Psalm 64 everyday: Imprecatory Prayer – Psalm 64 – Gods Judgment on Wickedness – A Christians 'Door of Hope' and pray that the Lord would get you outta there if it be His will. Every time I check the news for Lee County it is an endless stream of Pedophilia and other vile garbage.

From the Everglades River of Grass by Marjory Stoneman Douglas page 236: ***"On this coast, where every old-timer tells stories of a vanished giant race and where men claim still to have seen dug up enormous thigh bones and jaw bones twice as big as their own...."***

+2+ Listener Comments on Bigfoot / Sasquatch & How to Deal With Them (and all Evil Entities) Biblically

On Monday, January 15, 2024 at 09:05:19 AM CST, Patricia wrote:

Scott has spoken on Sasquatch many times. These are a few quick points, and no I do not research them anymore, and don't want to spend too much time on that subject.

(Let me make this clear, I was never one of those who went out there and looked for them, if you want them to follow you home, and you want poltergeist and other activity at your home, that is an excellent way to get it started.)

Now, I can't go into the woods without SOMETHING knowing I am there, even if I have never been there before, even if I am several states over, and bizarre strange stuff starts to happen. I have not had a sighting, not of sasquatch anyway, but I usually know evil a mile away and start praying against it. Never wait for a sighting. Never do that. Start praying when strange things start to happen.

There are many people out there who are very sorry they ever saw them.

The number of people who have ill health and terrible things happen to them after having an encounter with them is huge, as in there is an unbelievable correlation to sightings of criptids and having sickness and awful life events happen. (This is not being acknowledged at all.)

...it is usually males who make contact with people because males patrol and keep an eye on who comes and who goes. BTW patrols are more than one sasquatch. So one may be holding your attention, but more than one is there but silent.

Dave Paulides, the man famous for Missing 411 has done a study, with a well known forensic artist, I can't remember his name, (Harvey something or other) a man that does unbelievably real sketches of people he has never seen based on eyewitness descriptions. This man's ability to make forensic sketches is uncanny and his police work is shown. That book is available on the CanAm Missing website, called The Hupa Project. Dave Paulides has a section of videos on his you tube channel canam missing 411 where he does a deep dive on Sasquatch.

Like I said Steve Isdahl at How to Hunt YouTube channel, has read thousands of e-mails from experiencers, that is valuable to figure out what their MO is.

One of the problems with getting photos of sasquatch, is their paranormal abilities. They produce some goofy photos, more often than they produce photos that look "real".

They cause video and recording equipment to malfunction in their presence. They drain batteries. They can show up in photos, but the people who were there had no idea they were there. Their "predator" cloak is often photographed. They can be RIGHT next to someone and the people have no idea they are there. They have varying abilities with telepathy, from being able to communicate fully with the subject down to just being able to project their emotions. I have experienced them projecting emotions (or the Lord let me know my actions were causing such emotional upheaval).

They have something we all call infrasound, and it probably IS them producing powerful infrasound. I have been hit before by infrasound before, I became so sick and so disoriented I had to leave, when I got back to the car, heading on my way home, I realized my sin I had recently committed permitted that to happen, I repented of it and the effects of infrasound was lifted off me. (You normally have to sleep off infrasound and it can take more than one cycle of sleep to throw off the effects.)

Another man who knows about Sasquach is Scott Carpenter who has a youtube channel. You will see some good videos of them there.

So Scott Carpenter died this past year. I believe this, this is me personally, no one else has said this, I believe he died because he was hit by infrasound repeatedly. He kept hiking in the national forest after he quit researching the sasquatch, when events in his life made him realize there was something more to sasquatch than meets the eye. (The Sasquatch followed him home and terrorized not only him and his family, but his neighbors as well.) He casually mentioned a few videos before he died, about being hit with infrasound when hiking with others (mature sasquatch have a good ability to focus on who gets the infrasound and no one else was getting hit) AND HAVING A HEADACHE AFTERWARDS. He was not prone to getting headaches he said that was unusual in and of itself. Most of his videos were filmed on the trail, and he had never one time said anything about headaches. So he was getting headaches after he hiked

in those national forests, and this had not happened before, and he knew quite well what infrasound felt like and he knew he was being hit with infrasound.

Well he died shortly after that with an aneurysm in the brain... So those sasquatch were hitting him with infrasound, deliberately, trying to blow that ballooning artery and yes, they totally would have had that kind of information about someone. They have told many sasquatch contactees they had that kind of information.

Scott Carpenter's death upset me a great deal, as I believe it was murder. He left a girlfriend and his children behind. (His wife eventually left him...) (BTW if you want to end up divorced, be a sasquatch researcher or a sasquatch habituator...)

Continuing: So a lot of animals use infrasound. Tigers and elephants are examples of animals who use infrasound...

This is exactly what the sasquatch does to make you sick, dizzy, and feel bad, to either get you out of the forest or make you slow down and separate you from the group, to get you disoriented. (They open their mouths and aim in your direction, yes, we have multiple eyewitnesses who will attest to this and have seen deer and other animals become confused as a result. Also if they are close

enough, you can hear a secondary sound they make.. I did not hear that sound when it happened to me.) I remember when I was hit with infrasound, the forest started to spin around, I became very dizzy, I suddenly felt exhausted. I think I almost passed out. I already knew what infrasound was so I knew what was going on and knew I needed to turn back. I was fuming when I got in the car, wondering why Abba let them do that to me, I prayed on the way home and realized this. First off you need to understand I was to the point I was desperate to get out of DC and looked fondly, and longingly to any trip to

Shenandoah National Forest, This does not excuse what I did next, but I would get home immediately plan the next trip and look forward to it all month as I could only afford to leave DC about once a month. EVERYTHING about this trip was a no go. The weather was atrocious, I knew well in advance the weather was going to be dangerous actually. So I could have just canceled the trip, and not lost a dime. Then when I went anyway and the ranger at the mile 0 Skyline drive (Dickie Ridge). Stopped me and told me no one was allowed in the park that day because of the weather.... OK.... So nothing was stopping me from that hike. So I knew the unofficial entrances, and I went to one of them. (A blatant act of rebellion.) I was out of the car, and on the trail literally 15 minutes I felt FINE one minute then was sick as a dog the next. I was shocked Abba let them do that to me, and that was a wakeup call to me, that something was badly wrong here, so I knew I had to go. (If he let them do this, what else would he let them do?) On my way home, I was crying. (I am embarrassed to tell this story....) **Complaining to Abba Father, then I heard this. "Rebellion is as the sin of witchcraft." The straw that broke the camel's back here was my act of defying the ranger, who had the authority to tell me, for my own safety, not to go in that park. As soon as I repented of that, I became normal again. (I did not need to sleep it off.)**

Scott Johnson's Reply: Yes, awesome points! Patricia probably has more experience with the Bigfoot than anyone I know. I wish I could find my teaching I did more like 4-6 ago where I went to engage them (with 2 of my listeners) at a

camping park in Virginia (where my one listener had encountered them before), it was pretty wild, but I can't seem to find it. I did find this one below and the one below that I think I read Patricia's account of the cave system she toured in Virginia.

According to terrified witnesses, the big dude's lower incisors gave him appearance of having tusks. They're the Shaquille O'Neal of the cryptid world. Sort of like cousins of the giants of Solomon Islands, the big dudes upward of fifteen feet to twenty two.

A friend from the US had warned me about the bigger sasquatch dubbed megasquatch; after inquiring about them, one of my elders confirmed of their existence...A quick description; their height is fifteen to twenty feet, same build as the regular sasquatch. Known to snatch women and children and kidnap men as well. Other sasquatches are terrified of them. From what I can surmise, their territory is in northern Ontario.

But I am concerned what they might do to hikers and campers in their territory. Wes Germer of Sasquatch Chronicles confirmed what the elders had said regarding bigfoot. He mentioned that the former spirit medium had told the two brothers that dogmen and sasquatches are coming out of the earth. And they will attack humanity.

My comment, more dangerous monsters and cryptids will come out of the earth, to attack humanity. Monsters that are meaner and nastier than sasquatch. They're referenced within the passages of the bible. According to my elders, sasquatches go underground during winter where it's warm, but occasionally they would go up to the surface. I suspect that scouts were sent out hunting for food.

Hi Dr. Scott, **Humboldt County, in Northern California IS FAMOUS for it's bigfoot and other unbelievably strange criptids . Also some of the Native American tribes that live there (the Yurok in particular) are AFRAID OF THE BIGFOOT THAT LIVE THERE (unlike many other Native Tribes who consider them another tribe of Natives). These Indians have a lot of experience with them abducting their women (and maybe children if I remember correctly but the focus is the women).**

Subject: [Listener Comment About a Terrifying Bigfoot Encounter at Cado Lakes State Park In Texas](#)

I just got back a few days ago from being on vacation, we rented a Cruise America motor home, took my little dog and went to several state parks in Arkansas, I was really hoping the trees would have been turning with the fall season but not yet. So I have a scary incident to share - the very last state park we stayed at is in Karnack, Texas and it

is called Cado Lakes State Park - the site we had reserved was totally away from everyone and there are no lights so it was very pitch black at night and woods all around us. We just randomly picked this park not knowing nothing about it, never been there before.

My little dog is very close to me and so when he needs to go potty in the wee hours of the morning, he wakes me up and i get up and take him outside not matter what time. I have been doing this the whole trip with no issues whatsoever. It is 10 minutes till 3:00 a.m. and before i stepped out of the RV i turned the outside light on right above the door, me and the dog are walking around right by our Rv , **RED FLAG went up when my dog kept stopping and standing still like he was frozen and he kept looking at me like he was saying help me, I kept saying "Buddy are you ok?" he would not move, so i kinda tugged on his leash and he was move a little bit and stop again and be frozen and look at me with that same look then all of a sudden i hear something running thru the woods and a HUGE tree limb hits the ground - I cannot begin to tell you to MASSIVE fear that drenched me, my heart dropped to my feet and i suddenly scooped up my dog and ran to the door of the RV and threw him inside on the bed and turned and locked the door fast.**

I had such fear scott i felt as though i was going to have a heart attack for real, i could not catch my breath and i was shaking so bad, i sat on the side of the bed seemed like forever to try and compose myself - when i finally got somewhat back to normal, I tried to lay back down, my dog NEVER barked or growled while outside and now he is pacing the floor inside and I am stunned, I cannot figure out what in the world is going on - so i layed down closed my eyes and the Holy Spirit said get up and search animal attacks in this park!! My eyes flew open and I was like "WHAT?" - I tried to close my eyes again and it got louder, so i sat up and used the hotspot on my phone to use my tablet and i typed in the exact words i was told - animal attacks in Cado Lakes State park and i kid you not, the very first thing to come up was BIGFOOT SIGHTINGS - I was stunned!!!! I began researching further and found park rangers who had reported sightings as well. Like I said I knew nothing about this park at all, never heard of it. Come to find out the Bigfoot headquarters for Texas was right around the corner from where we were in Jefferson, Texas.

I stayed up from that point on and finally crashed later that afternoon, me and my dog were OUT for hours - after i searched and researched I had peace, sounds crazy i know.

I know there was something there, my dog was frozen and never moved or made a sound and I have never in my life experienced that level of fear, ever. Scott it was like a evil spiritual thing, I think i remember reading somewhere that bigfoot does some spiritual thing to "freeze", I cannot think of the proper word, people or animals.

I am a believer there is SOMETHING out there. M

Dear Scott Johnson, Here's what my father told me regarding the hairy devils in the woods. According to him, they are known to throw large rocks at people and small animals killing them from a distance and with precision. Before winter sets in, not only they migrate, they go deep into the earth, to the subterranean areas. They would walk to the freezing cold waters, then head into the earth via an entrance to the subterranean caverns and tunnels. No one can't go where they congregate. The human in question would suffer from heart palpitation, go into shock or body shutting down, due to being close to their presence.

In my corner of the world, they haven't messed with people yet. But they will, when the world as we know it comes to an end.

You can't mess with a bigfoot, a Sasquatch is merciless and savage when angered. He also quick to anger. And he has a temperament of wendigo when there's no food available.

- Here's what I have heard, they're ambush predators. If you see one, there's another dude close by, and another thing, expect two on your right, two on your left.
- I have heard several people mentioning about cryptid type creatures coming out of the earth. Of which people are seeing more dogmen, bigfoot and other creatures. Eventually they will attack people, of which is mention in a Book of Revelation, regarding beasts of the field killing one fourth of mankind.

It is insane as I have gotten 3 different confirmations in the last two days that both Bigfoot and Dogman migrate depending on the season. In the link I sent you below I believe they said the Dogmen migrate down from TN to particular area in MS in the summer to hunt deer. I also just heard this from my listener below who sent this email to me 'out of the blue' today. These devils need to be engaged.

They are pure evil and God is able to smite these devils!! I do agree with what he is saying about these creatures becoming more and more emboldened, I believe as wickedness increases these things are going to get more and more aggressive and start openly warring with humanity. I mean go up to YouTube and just do a quick search for 'Dogmen encounters' or 'Bigfoot encounters' and you will find hundreds and hundreds of testimonials (many from experienced hunters) that are meticulous in their accounts of their encounters (and wish to remain anonymous--meaning they're not trying to get rich off this). I mean (just like the millions that have claimed to be abducted by 'aliens') there is just no way all these people are just making this stuff up, yet the 'church' is pretty much totally silent on this issue.--Scott

Spiritual Warfare Principles When Praying Over Land and Places & Engaging Evil

Prayer: Father God in the name of the Lord Jesus Christ we come before you in prayer and ask that you would cleanse and forgive us of all iniquities, sins, trespasses and transgressions that we are guilty of before you in any, way, shape or form, as we forgive those that have sinned and transgressed against us.

Psalm 19:12-14 ...cleanse thou me from **secret faults**. Keep back thy servant also from **presumptuous sins**; let them not have dominion over me: then shall I be upright, and I shall be innocent from the great transgression. **Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O LORD, my strength, and my redeemer.**

Ephesians 6:10-17: "Finally, my brethren, be strong in the Lord, and in the power of his might. **Put on the whole armour of God** that ye may be able to stand against the wiles of the devil. **For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.** Wherefore take unto you the whole armour of God **that ye may be able to withstand in the evil day**, and having done all, to stand. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; And your feet shod with the preparation of the gospel of peace; **Above all, taking the shield of faith**, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of salvation, and the **sword of the Spirit, which is the word of God:**

Jeremiah 23:29: **"Is not my word like as a fire? saith the LORD; and like a hammer that breaketh the rock in pieces?"**

Hebrews 4:12: **"For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discernor of the thoughts and intents of the heart."**

In the Name of Christ Jesus, I bind & rebuke any manifestations during or after these proceedings which are not in our Lord Jesus Christ's perfect will.

Psalm 100:1-5: **Make a joyful noise unto the LORD, all ye lands. Serve the LORD with gladness: come before his presence with singing. Know ye that the LORD he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture. Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name. For the LORD is good; his mercy is everlasting; and his truth endureth to all generations.**

Psalm 24:1,2,7-10: **"The earth is the LORD'S, and the fulness thereof; the world, and they that dwell therein. For he hath founded it upon the seas, and established it upon the floods.. Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The LORD strong and mighty, the LORD mighty in battle. Lift up your heads, O ye gates; even lift them up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The LORD of hosts, he is the King of glory. Selah."**

Psa 115:16: The heaven, even the heavens, are the LORD'S: but the earth hath he given to the children of men.

Leviticus 25:23&24: "The land shall not be sold for ever: for the land is mine; for ye are strangers and sojourners with me. And in all the land of your possession ye shall grant a redemption for the land."

John 20:21-23" "Then said Jesus to them again, Peace be unto you: as my Father hath sent me, even so send I you. And when he had said this, he breathed on them, and saith unto them, **Receive ye the Holy Ghost: Whose soever sins ye remit, they are remitted unto them; and whose soever sins ye retain, they are retained.**"

In the name of the Lord Jesus Christ, through of the shed blood of Jesus Christ we remit the sins that were committed by this person and/or over this land, the sins of shedding of innocent blood, sufferings, murders, whoredoms, sorcery, witchcraft, etc. and all abominations that were committed here.

Rom 3:24 Being justified freely by his grace through the redemption that is in Christ Jesus:

Rom 3:25 Whom God hath set forth [to be] a propitiation through faith in his blood, to declare his righteousness for the remission of sins that are past, through the forbearance of God;

Rom 3:26 To declare, [I say], at this time his righteousness: that he might be just, and the justifier of him which believeth in Jesus.

Be merciful, O LORD, unto thy people, whom thou hast redeemed by the blood of Jesus Christ, **and lay not innocent blood unto thy people's charge. And the blood shall be forgiven them.**

Be merciful, O LORD, unto the unsaved, who need to be redeemed by the blood of Jesus Christ, and lay not innocent blood unto this people's charge.

Praise and worship be to the Lord Jesus Christ, the God of all created beings. For by Him; the salvation, and the power, and the Kingdom of our God and the authority of His Christ have come.

As Christians, We now give testimony to the authority of the Lord Jesus Christ, the Messiah, the Holy One of Israel over this place (known as) _____. As a 'Born Again', saved Christians **we bind & rebuke (through the Blood of the Lord Jesus Christ & the power of the Holy Spirit) any and all wicked spiritual forces of evil, including all demons, fallen angels, rulers, princes, principalities, authorities and cosmic powers of this Dark Age who are not of the true Lord Jesus Christ as He sees and numbers them in this place; & if it be the Lord's will that they be cast into the abyss until it is their time to be cast into the lake of fire for eternity & that no more evil entities will be able to come to take their place.**

By the power of the Lord Jesus Christ, all forces of evil within this place are now bound, rebuked & silenced from any and all communication, interplay or interaction between themselves or any other forces of evil.

Matthew 16:19 says: " And I will give unto thee the keys of the kingdom of heaven: **and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.**"

We loose the Holy forces of the Lord Jesus Christ by the Blood of the Lamb, by the power of the Holy Spirit and by the Sword of the Spirit which is the Word of God. In the name of the Lord Jesus Christ I bind & rebuke any & all evil entities coming against anyone in the process of gathering here and/or against any member of their families and/or properties. I now rebuke & repel any counter-attack launched after this gathering in the name of the Lord Jesus Christ.

In the name of the Lord Jesus Christ, we now bind & rebuke any darkness brought into this place of gathering by those who gather. Such darkness is now rendered utterly

powerless by the Blood of Christ Jesus, the Light of the world, and cannot communicate, interact or interplay with themselves or any other evil forces. Nor can they influence, harm or inhibit any of those who gather here.

We now seal this place by the **Blood of the Lamb** shed on the cross of Calvary. We invite with thanksgiving, the full and manifest presence of the Holy Spirit of God to come and dwell here with all wisdom and knowledge for the glory of God through His Son Jesus Christ, the Holy One of Israel.

We pray in the name of the Heavenly Father, In Your Loving-kindness that the Comforter (the Holy Spirit) would bring all things to our remembrance which He would have us deal with at this time and we thank You for it. We submit totally unto the Will of the Holy Father & the Son, and praise them for Their manifest presence, power and protection of Their children here today, in Jesus' mighty Name and for His sake.

When you finish praise and worship the Lord and plead the Name, Body, Blood, Mind and Spirit of the Lord Jesus Christ over all in your group and yourself. Ask the Lord to guard you from all directions.

Isa 58:8 Then shall thy light break forth as the morning, and thine health shall spring forth speedily: and thy righteousness shall go before thee; the glory of the LORD shall be thy re-reward.

Isa 52:12 For ye shall not go out with haste, nor go by flight: for the LORD will go before you; and the God of Israel [will be] your re-reward.

These are principles Henry Gruver uses to take authority over animals that try to attack him prayer walking:

Gen 9:1 And God blessed Noah and his sons, and said unto them, Be fruitful, and multiply, and replenish the earth.

Gen 9:2 And the fear of you and the dread of you shall be upon every beast of the earth, and upon every fowl of the air, upon all that moveth upon the earth, and upon all the fishes of the sea; into your hand are they delivered.

Deu 11:25 There shall no man be able to stand before you: for the LORD your God shall lay the fear of you and the dread of you upon all the land that ye shall tread upon, as he hath said unto you.

Lev 26:7 And ye shall chase your enemies, and they shall fall before you by the sword.

Lev 26:8 And five of you shall chase an hundred, and an hundred of you shall put ten thousand to flight: and your enemies shall fall before you by the sword.

According to Henry Gruver this is the order these procedures need to be done in; We claim through the Lord Jesus Christ, all of these over the people and the land (authority), the Blood of Christ (for the remissions of sins that were committed there and/or by the person you are focusing on) the Body of Christ (for the body of those that transgressed and were violated there) the Mind of Jesus Christ (for the sinful minds of the transgressor & those that were violated there) and the Spirit of Christ. (for the spirits of the transgressor & those that were violated there). We also remit the sins over this land and the people of this land going back as many generations as necessary. When you go to an area where sins were committed you claim the above mentioned points as a payment for the debt/transgressor and those that were violated.

Spiritual Warfare and Eating Meat

Hi Scott, I am not sure if you are familiar with this book, if you are please review pages 184 through 187. I have also attached this for you to review for yourself. You will find this very fitting with regards to the meat shortage that is happening now.

He Came to Set the Captives Free by Rebecca Brown Book Resume:

For seventeen years, Elaine served her master, Satan, with total commitment. Then she met Dr. Rebecca Brown, who served her master, Jesus Christ, with equal commitment. Elaine, one of the top witches in the U.S., clashed with Dr. Brown, who stood against her alone. In the titanic life-and-death struggle that followed, Dr. Brown nearly lost her life. Elaine, finding a power and love greater than anything Satan could give her, left Satan and totally committed her life to Jesus Christ. This is an honest, in-depth account of Satan's activities today. You'll see how to: Recognize and combat the many satanists who regularly infiltrate and destroy Christian churches. Recognize and combat satanic attacks. Recognize those serving Satan, and bring them to Jesus Christ.

Scott Johnson's Response: Yes very familiar. Read it a long time ago and actually took a group of Christians (when I was in the Pentecostal church) to see Rebecca Brown speak probably around 1999 at West Palm Beach church. We all went out to eat afterwards at a Perkins restaurant. We had a really good visit. I will read these pages you sent in an upcoming teaching. Personally I feel the biggest flaw in what she was doing was not reading or quoting the King James Bible in directly dealing all these demon and witches she dealt with. Bill Schneobolen (before he turned into a Hebrew Roots rabbi) told her the same thing and according to Bill she kind of laughed at him and basically said it did not make any difference in what Bible you used; but the thing is if you read all her horror stories of almost getting killed over and over by witches and warlocks she seemed to barely escape everytime. I have dealt with a ton of stuff myself and that has not been my experience, as I have always used the KJV to engage the forces of evil and I have not had anywhere near the problems she continually had. "It is reported commonly that there is fornication among you, and such fornication as is not so much as named among the Gentiles, that one should have his father's wife. And ye are puffed up, and have not rather mourned, that he that hath done this deed might be taken away from among you. For I verily, as absent in body, but present in spirit, have judged already, as though I were present, concerning him that hath so done this deed, In the name of our Lord Jesus Christ, when ye are gathered together, and my spirit, with the power of our Lord Jesus Christ." 1 Corinthians 5:1-4

Notice here that Paul uses a small "s" denoting his own spirit, not the Holy Spirit. Also of utmost importance is the fact that Paul's spirit was there in Corinth only with the "power of our Lord Jesus Christ." (1 Cor. 5:4) Paul's spirit was completely under the control of the Lord, not his own soul.

Normally the human spirit resides within the physical body. However, many scriptures show that the human physical body can still live when the spirit is separated from it. This is not true of the soul. Once the soul leaves the physical body, the body dies. That is why the many scriptures referring to physical death refer also to the soul. However, there is a peculiar drain on the physical body when the spirit is not actually within it.

Through the years I have been involved in this ministry, the Lord has shown me that the drain on our physical bodies is a peculiar one in that it creates an acute loss of protein. If we are not careful to increase our intake of high quality protein during times of intensive spiritual battle we will become weak. The scriptures have much to say on this subject.

Gen 9:3
Ever since (God's covenant) with Noah in which He commanded Noah to eat meat, Satan and his demons have been trying to stop humans from eating meat. It is interesting to note that today's Hindus and many other Eastern religions (all of which are forms of demon worship), believe that the

success of either a medium or an adept whose powers come from the demons possessing them, depends on the presence in their bodies of a subtle fluid called "akasa," which is soon exhausted, and without which the demons are unable to act. This fluid, the Hindus say, may be regenerated only by a vegetarian diet and chastity.

If we stop to think a moment, we will see that the final straw, so to speak, which brought about God's judgment in the flood, was the intercourse occurring between humans and demons. (Genesis chapter 6) I do not believe it was any accident that God commanded Noah to start eating meat after the flood, knowing full well the spiritual battle Noah and all his offspring would have to go through to keep demons from controlling them and their lives.

As we study the Old Testament and the laws God gave to his people the children of Israel, we will find that the spiritual warriors of those days were the Levites of Israel. Their diets were clearly high in beef and lamb.

If beef is so harmful, then why did Abraham prepare beef for God himself to eat when He came to visit him? Abraham would obviously prepare the best he had. (See Genesis 18:1-7)

If we look at the various spiritual warriors of renown in the Old Testament, we will find that every time, before they engaged in a great battle, God prepared them with the eating of meat. For instance, Elijah. Please note the menu provided for him personally by the Lord during his period of preparation just before he faced all the prophets of Baal.

"And the word of the Lord came unto him, saying Get thee hence, and turn thee eastward, and hide thyself by the brook Cherith, that is before Jordan. And it shall be, that thou shalt drink of the brook; and I have commanded the ravens to feed thee there. So he went and did according unto the work of the Lord: for he went and dwelt by the brook Cherith, that is before Jordan. And the ravens

1 Tim 4:1-4 Rom 14
Acts 10:9-16, 17

brought him bread and flesh [meat] in the morning, and bread and flesh in the evening; and he drank of the brook." 1 Kings 17:2-6

The Lord speaks very directly through Paul to this point in the New Testament.

"Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; Speaking lies in hypocrisy; having their conscience seared with a hot iron; Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth. For every creature of God is good, and nothing to be refused, if it be received with thanksgiving: For it is sanctified by the word of God and prayer." 1 Timothy 4:1-5

I have searched the medical literature carefully, and, despite all the publicity, there simply are no good studies that conclusively show that red meat is harmful. (Please note I am referring to the lean meat, not the fat, which the Lord told the Israelites not to eat when He gave them the law.) In fact, much work has been done showing the merits of protein supplements in a very wide range of illnesses. But Satan has such control of the medical field that it is extremely difficult to get the average physician to pay any attention to the merits and necessity of protein.

If you will stop to evaluate, you will find that the bottom line in any health food teaching or fad is the abstinence from meat. This is no accident. It is a carefully masterminded plan by Satan, because he knows very well the protein needs our bodies have and the tremendous protein drain caused by involvement in spiritual warfare. If Satan can keep God's warriors from eating meat, he can cause much weakness and illness among them from the lack of protein. The physical body rapidly loses its ability to fight infections when deprived of protein. Many people die unnecessarily in these days of "modern medicine" because their doctors don't supplement their protein intake.

During times of intense battling we often find it necessary to eat meat at least twice daily. If we do not, we rapidly lose strength and often become physically ill. I have worked with many people who, when under intensive attacks by witchcraft, became excessively weakened and even ill, simply because they did not know about God's simple principles regarding the needed protein intake. All of them were much improved when they increased the amount of meat in their diets.

When you are experiencing pain, depression and exhaustion from being on the battlefield, (or at any other time), don't forget one of our key weapons—praise. I will never forget the night Father taught me that lesson. I had just gone to bed and was tossing and turning, unable to sleep. I was deeply depressed. I was exhausted, in much pain and everything seemed so impossible. Actually, what I was doing was having a pity party for me.

Suddenly, Father allowed me to see through the eyes of my spiritual body and I saw that I was on the battlefield, (that is, my spirit body) but I was not fighting. I was down on the ground, surrounded by many demons who were all jeering and throwing stones at me. I did not care. I was so tired that I hoped those demons would kill me, I did not want to live. There was nowhere to run, no way out of the situation except to stand up and fight, but at that point I was too tired and depressed to do so.

I do not know how much Elaine knew of what was happening, but I do know that it was in response to a command from Father that she came into the bedroom at that point and put on one of our tapes of Christian music. I was in no mood to listen to music, especially not the tape of all praise hymns she chose. Elaine did not say anything to me. She simply sat and listened to the music. Gently and persistently the Holy Spirit showed me how wrong my indulgence in self-pity was. Once again, I marveled at how

Biblical Proactive actions that really make a difference when dealing with evil entities and overcoming sin

How To Pass From Curse to Blessing & Self Deliverance—Many Steps You Can Take To Protect Yourslef, Your Family and Deal With Evil

1st do this: This teaches how YOU can be free from curses that can affect your life. It turns out God has a lot to say about blessings and curses. **"How to Pass from Curse to Blessing"** -- 4 Principles: Recognize Repent Renounce Resist 7 Steps: 1) Establish a clear scriptural basis. 2) Confess faith in Christ. 3) Commit to obedience. 4) Confess any known sins of self or ancestors. 5) Forgive all other persons. 6) Renounce all contact with the occult and get rid of occult objects. 7) Release yourself in the name of Jesus. **PRAYER:** "Lord Jesus Christ, I believe that you are the Son of God and the only way to God, that you died on the cross for my sins and rose again from the dead. I renounce all my sins, and I turn to you, Lord Jesus, for mercy and for forgiveness, and I believe you do forgive me. And from now on I want to live for you. I want to hear your voice and do what you tell me. In order to receive your blessing, Lord, and to be released from any curse over my life, first of all I confess any known sins committed by me or by any of my ancestors or others related to me. Lord, I

thank you that I believe you have forgiven everything that I confess. And, Lord, now I want to say that I also forgive all other persons who ever harmed me or wronged me. I forgive them all now as I would have God forgive me. In particular I forgive....(name the persons).... Furthermore, Lord, I renounce any contact by myself or any related to me with Satan or occult power in any form or any kind of secret society. Also, Lord, I commit myself to remove from my house any kind of occult object that honors Satan and dishonors Jesus Christ. With your help, Lord, I will remove them all. And now, Lord Jesus, I thank you further that on the cross you were made a curse, that I might be redeemed from the curse and might receive the blessing. Galatians 3:13 (KJV) Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree:

And because of what you did for me on the cross, I now release myself from every curse and every evil influence and every dark shadow over me or my family from any source whatever. I release myself now in the name of Jesus. Amen."

Second: Regarding deliverance what you would need is to go through this session (it is two parts) as many times as necessary till you are not manifesting any signs of expelling demons. He gets into all you need to know this in the video: <https://www.youtube.com/watch?v=HsVLs89YkVA&feature=youtu.be>

Third: Then for other areas you need help with, do a Youtube keyword search, for example for anger: [deliverance prayer for anger rage](#) and try to only use the ones from pastors (men). At this point this whole thing is out of my hands so you are going to have to pray and glean from what is available online.

Fourth: After that if you feel like you still need more help you will be in a much better position to proceed with further deliverance one on one. If you need further help here is a map of one on one deliverance ministers from the most trusted network I know of (but again this can be a dice shoot so be careful). There is Something Awesome About The Name of Jesus You are Going To Need To Know--Plus a Bible Study

Phl 2:5 Let this mind be in you, which was also in Christ Jesus:

Phl 2:6 Who, being in the form of God, thought it not robbery to be equal with God:

Phl 2:7 But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men:

Phl 2:8 And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross.

Phl 2:9 Wherefore God also hath highly exalted him, and given him a name which is above every name:

Phl 2:10 That at the name of Jesus every knee should bow, of *things* in heaven, and *things* in earth, and *things* under the earth;

Phl 2:11 And *that* every tongue should confess that Jesus Christ *is* Lord, to the glory of God the Father.

September 30, 2022--The Name of Jesus is our last line of defense against human and ultimately spiritual violence. It is not merely reciting the name that is

powerful, but rather it is the authority that is behind the Name and our position within it that makes the difference.

When we proclaim the Name of Jesus we are letting both heaven and earth know that we are joint heirs with Christ and are declaring our Family Name! In such an environment of grace we have the authority to command spiritual violence and murder to cease in its advance against us.

Presently in the world there are sources of violent contention brewing and ready to pounce. So in the days ahead you can expect that there will be opportunities to stand in Christ and oppose various forms of attack. I say "stand" rather than advance, simply because we need to trust that God is on our side, so we really don't need to pick a fight. In fact, I believe that we should avoid confrontation whenever possible, see:

Rom 12:17 Recompense to no man evil for evil. Provide things honest in the sight of all men.

Rom 12:18 If it be possible, as much as lieth in you, live peaceably with all men.

Rom 12:19 Dearly beloved, avenge not yourselves, but *rather* give place unto wrath: for it is written, Vengeance *is* mine; I will repay, saith the Lord.

Let me give you an example of how God is capable of winning battles without lifting a finger.

A few years back I was meeting a friend of mine who was having some work done on his house. For the project, he had hired a man with whom he had previous business connections. **Yet on this day the two had a disagreement and the hired man started to become quite aggressive, even to the point of becoming violent.** Before the confrontation became ugly, the Holy Spirit prompted me to bind the spirit of violence that was on this man's life. I didn't bind the man, I bound the spirit. I said:

"In the name of Jesus I bind the violent spirit that is at work in this man."

Now I was about thirty feet away from this encounter and had whispered my command, but immediately the hired man turned to me obviously shaken and said, "Wait a minute **"we"** don't have a problem with you, **our** fight is with the boss!" My reply was: "That doesn't matter you are now bound from being violent." In short order the confrontation was over.

The key to dealing with any confrontation is to recognize that we are not wrestling with flesh and blood. We're dealing with powers that have gained position, power and control over people.

In this case both men had a familiarity with a violent spirit and each took their respective roles; one was prone to delivering violence and the other was prone to receiving it. This open door set the stage for a potentially destructive encounter.

Eph 6:10 Finally, my brethren, be strong in the Lord, and in the power of his might.

Eph 6:11 Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

Eph 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high *places*.

Eph 6:13 Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

Let me give you another example. I was just getting out of my car the other day to go into a store, when a large dog in another vehicle started to bark at me. In frustration I yelled at the dog to shut up. Just about that time the owner of the dog was coming out of the store and he took offense at me yelling at his dog. With an angry and violent attitude, he proceeded to intimidate me by getting in my face. In that moment I thought I was about to get hit by a man half my age and then the Holy Spirit prompted me to bind the spirit that was so violent in this man.

"In the name of Jesus I bind you!"

Within seconds the man went passive, backed off and in protest lightly brushed against me as he left the confrontation.

Now keep in mind that sometimes we draw to ourselves trouble. This should prompt us to ask what spiritual signs declare us as "open for business". When we invite a spiritual unity with the flesh, the world and the Devil we are bound to encourage confrontations with demonically controlled people; remember its not about flesh and blood. This can also be the result of "generational spirit" issues. Under such conditions it can make us an easy target for the same abuse that once plagued past family members (A generational curse). Though there are all sorts of good and evil dynamics that can be explored here, deciphering potential issues of violence is probably a good place to start. If one has become familiar with a violent atmosphere while growing up, then there are some old contracts that can be broken (See below). But start by considering where your life has suffered a connection with:

- Physical violence
- Verbal violence
- Sexual violence
- Social violence
- Religious violence
- Medical violence

Medical violence can be the result of having gone through radical surgery.

Though we are usually under anesthesia during surgery this is still a form of personal trauma to the body, soul and spirit of a person: which makes us vulnerable to human and spiritual dominance. However on a more "in your face" type of medical violence: we are currently seeing the medical establishment pushing for vaccines that remain experimental in nature. Hence when they push a vaccine upon us, and its against our will, they are imposing a violent outcome upon us. At times like these the believer has the authority to deal with them in the Name of Jesus.

Here are a couple more sources of violence gearing up to take control of your life. Though the military and the police are often honored and embraced as gallant defenders of the peace, their job description and training is far from it. The nature of their job is one that requires a controlled means of violence to put down another violent force.

Anyone that has grown up in a family where civil service has been a part of their lifestyle has not escaped the impact of these forms of violence. In any case this

may cause us to be on the receiving end of either police or military brutality simply because we have been conditioned to accept its right to own us. Hence if vaccines become mandatory in the NWO, we can expect that civil servants will be serving an agenda that remains corrupt.

Whatever the battle, whether it's as simple as having a quarrel with a man on the street or having a confrontation with an offensive civil servant; we have a way of escape, we have authority in Christ; and we have the Name of Jesus on our side. In the days ahead the individual Christian may not be able to depend on others as a shield against violent acts. Instead, it is time that each believer develops their own set of leadership skills. That means, we each put on the armor of God and really settle in our hearts that God is for us. It is then by His authority that we can set at bay any potential enemy. In the Name of Jesus violence stops hounding us when we say it stops.

If believers finally get a revelation that they are seated with Christ in heavenly realms, then evil will want to stay far from us.

Eph 2:4 But God, who is rich in mercy, for his great love wherewith he loved us,

Eph 2:5 Even when we were dead in sins, hath quickened us together with Christ, (by grace ye are saved;)

Eph 2:6 And hath raised us up together, and made us sit together in heavenly places in Christ Jesus:

Based on a timely revelation it is very possible that some will call off spiritually aggressive armies through the Lord Jesus Christ. But all of us have a birth right in Christ to say "no" to evil advances.

Now some may say, "But what about the bibles many references to being persecuted, shouldn't I accept persecution as just the way things are?" You could, but a better response would be; "Lord, may your will be done in my life". So, if you find yourself staring death in the face and some man wants to steal away your dignity and your right to life, I think it's a good time to introduce them to the authority that you have in Jesus.

1) Get at least one King James Bible CD and play it 24/7 where ever you are. If you don't think there is a difference in versions please go to: The True Preserved Word of God at: <http://www.av1611.org/kjv/fight.html#fight2>

I know this might not always be feasible, but in your house is the most crucial area. These evil entities cannot stand the Word of God. From what I have heard, they particularly don't like the Book of Revelation. Most likely because it reminds them of where they are going to end up: "The Lake of Fire". The Lord said "I have exalted my Word above my name." So the Word of God is our most powerful weapon. Jesus himself would only quote Scripture to Satan when dealing with him, and it worked. I have done this for years and can attest to its effectiveness. You can even leave it playing at a low level, but the "bad guys" will know it is there.

I have done this for years and can attest to its effectiveness. You can even leave it playing at a low level, but the "bad guys" will know it is there.

2) That brings me to the next point. Ephesians 6: 11: "Put on the full armor of God, that ye may be able to stand against the wiles of the devil." So I would advise everyone to memorize and repeat this portion of Scripture daily:

Eph 6:10 Finally, my brethren, be strong in the Lord, and in the power of his might.

Eph 6:11 Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

Eph 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high [places].

Eph 6:13 Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

Eph 6:14 Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness;

Eph 6:15 And your feet shod with the preparation of the gospel of peace;

Eph 6:16 Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.

Eph 6:17 And take the helmet of salvation, and the sword of the Spirit, which is the word of God:

Eph 6:18 Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints;

A Believers Authority In Christ and Warring in the Spirit

Psa 91:13 Thou shalt tread upon the lion and adder: the young lion and the dragon shalt thou trample under feet.

2 Timothy 1:7 For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

2Cor 10:3 For though we walk in the flesh, we do not war after the flesh:

2Cor 10:4 For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;

2Cor 10:5 Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

2Cor 10:6 And **having in a readiness to revenge all disobedience**, when your obedience is fulfilled.

1John 3:8 ...**For this purpose the Son of God was manifested, that he might destroy the works of the devil.**

Luk 10:17¶ And the seventy returned again with joy, saying, **Lord, even the devils are subject unto us through thy name.**

Luk 10:18 And he said unto them, I beheld Satan as lightning fall from heaven.

Luk 10:19 **Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.**

Luk 10:20 Notwithstanding in this rejoice not, that the spirits are subject unto you; **but rather rejoice, because your names are written in heaven.**

3) Apply the "Blood of Jesus" over your house, your property, your cars, your family, yourself, etc... Rev 12:11 And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

4) Pray for the Lord's angels to encamp around you, your family, your house and property, etc...But remember: Psalm 34:7 The angel of the LORD encampeth round about them that fear him, and delivereth them. So the "Fear of the Lord" is connected with angelic protection. So I pray for "The fear of the Lord" for my family and myself.

5) As a saved believer in Jesus Christ the Holy Spirit lives inside us. When petitioning the Lord, use the example of the Lord's Prayer by petitioning the Father, in the name of the Lord Jesus Christ for whatever our prayer requests are. But remember: Psa. 66:18 "If I regard iniquity in my heart, the Lord will not hear me..." In this case iniquity would be unconfessed/unrepentant sin. So make sure you are right with the Lord especially before going to bed. Ask the Father in the name of the Lord Jesus Christ to guard us through the Holy Spirit (this would be in addition to all the other things I have already mentioned in regard to prayer.) Go to: [The Biblical Keys To Answered Prayer & Overcoming, Protection, Meekness, Answered Prayer, Faith, Fear of the Lord](#)

6) Pray. Particularly the Lord has led me to pray the Psalms. Psalm 64 in particular, and Psalms 91 and 94. These Psalms are regarding the Lord dealing with our enemies and for personal protection. Also listen to: [Imprecatory Prayers & Gods Judgment on Wickedness-A Christians 'Door of Hope'](#)

Also in regard to prayer there is a spiritual principle that the Lord has made mention to in the following verses:

Deut. 32:30: "How should one chase a thousand, and two put ten thousand to flight, except their Rock had sold them, and the LORD had shut them up?" Now we don't want to build a dogmatic doctrine around this one verse, but the spiritual application seems to be that two Christians in unity can accomplish much more than one alone. We should really be praying for each other and if you have a spouse or prayer partner that seems to amplify the effect greatly. Remember Jesus said: Matthew 18:20: For where two or three are gathered together in my name, there am I in the midst of them. So this verse appears to validate the verse I quoted above, in regard to amplification of our efforts where at least two Christians are joined together in unity.

This is a very powerful prayer against Witchcraft.. with fasting even more powerful. This prayer can shut down Witches and Satanists forever. Being that this

prayer basically shuts down the senders of the hexes and vexes by returning their evil to them sevenfold.. I turned this prayer into a blessing that they would need to turn to Jesus for there own curse to be removed.. This would be saving them from HELL and being saved from HELL is a blessing.

This is a very powerful prayer against Witchcraft...with fasting even more powerful

Father, In the name of the Lord Jesus Christ, I plead the precious uncorruptable blood of Jesus over the Body of Christ, the innocent, myself, my family and everything that belongs to us. We ask for giant warrior Angels (or whatever kinds of angels are necessary) to be loosed from Heaven to surround and protect us. As your war club and weapons of war I break down, undamn, and blow up all walls of protection around all witches, warlocks, wizards, satanists, and the like that are attacking us; and by the Blood of the Lord Jesus Christ I break their power & all their curses, hexes, vexes, spells, charms, fetishes, psychic prayers, psychic thought, all witchcraft, sorcery, magic, voodoo, all mind control, jinxes, potions, bewitchments, death, destruction, sickness, pain, torment, physic power, psychic warfare, prayer chains, and everything else being sent our way, our family members way, to the Body of Christ & the innocent; and I return it and the demons, devils, evil entities and fallen angels to the senders right now!, SEVENFOLD, and we BIND it to them by the blood of Jesus Christ!

Father, I pray that these lost souls will find the light of your Son Jesus.. Their own snares and traps have now been set against themselves.. In the name of Jesus Christ of Nazareth I now loose them from all mind control of Satan!.. Father I also ask that you Bind the Holy Spirit to their hearts as a guide to your Son Jesus.. So that they may be set free from the bondages of Satan.

In Jesus name we pray...Amen

2020 STRATEGIC WARFARE PRAYER!!!!

Father God in the name of Jesus Christ we nullify, dismantle, cancel and forcefully oppose all satanic operations, maneuvers, manipulations, subversions, strategies, tactics, plots, plans and ploys, which are designed to hinder, prevent, frustrate, foil, deny or delay God's original plans and purposes, from their quick, swift and speedy manifestation taking place in their correct time and season. (Daniel 7:25) We rebuke and dismantle satanic alliances and confederations. Arrest them and stop them by the Spirit. Let every covert and clandestine effort and endeavor fail. Cause the news media to be caught in their lying and manipulation so that only the truth is manifested. (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. We decree that every satanic strategy of inhibition, prohibition and limitation placed upon the Body of Christ (by the dark side) shall not prevail. We declare all invisible and visible walls of opposition, restriction and delay will be exposed and destroyed. (Colossians 1:16; Joshua 6:1) Confound the devices and evil plans of the enemy that they have crafted, so that their hands are not able to perform their enterprise. **Save those that can be saved O' Lord, but those that cannot be saved; overtake them in their own crafty and devious ways; let them fall into their own pits they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision (Psalm 35:4; 50:3,**

55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secret and destructive measures designed to destroy all of God's creation and defile the world.** For this reason, was the Son of God made manifest that He would destroy the works of the enemy. (John 2:15-17; Acts 16:16-19; 1 John 3:8) **We overrule all strategies, tactics and curses of the enemy by the power of the Name of Jesus Christ and His shed Blood.** (1 Timothy 1:18-20) **We overthrow spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17.** We reverse the curses associated with all these ceremonies, rituals, utterances and plans to bring about a chaotic bloody revolution in America to usher in Martial Law and the New World Order. **We decree and declare that: Their plans shall be uncovered and shall not prevail; & their plans shall be frustrated and unable to achieve any impact; & their threatening's and violent verbal dealings are returned to them one hundredfold.** **FATHER, WE HUMBLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events leading to the destruction of Your righteous seed.** (Isaiah 44:25; 2 Timothy 3:8) **Send divine, powerful angelic forces against their diabolical plans to frustrate and expose them, so that they will be dismantled. Dispatch legions of warring angels to enforce Your perfect will on the United States of America and on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) **Release your divine strategies and revelation upon any righteous person in government worldwide. Fill them with Your Holy Spirit and cause Your divine wisdom to come upon them.** (James 1:5) **Cause him to be a trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided; when they communicate let it be incoherent and misunderstood.** (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every spirit that is released from their diabolical assignment to be cast into the abyss, until which time they be cast into the lake of fire.** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) **Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they hit the bull's eye.** (Psalm 57:4) **Let the laws that govern this prayer and all spiritual warfare strategies and tactics, be binding by the Word, the Blood and by the Spirit.** (1 John 5:7) **WE SEAL THIS PRAYER IN THE NAME OF JESUS CHRIST AND THE BLOOD OF THE LAMB, AMEN!**

PRAYER TO NEUTRALIZE OCCULT RITUALS

Beloved Holy Savior and Master, Lord Jesus, you are the sacrifice, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father. We honor your sacrifice on the cross, and celebrate your resurrection and transfiguration volunteered for our salvation. We worship you, exalt you and magnify your name above every name. You are sovereign, supreme over all. You are worthy. You alone are worthy. We pledge our faith and love to serve you alone, forever. We claim your Word: James 4:7 "Resist the devil and he will flee from you" 1 Timothy 1:7 "God has not given

a spirit of fear, but of power, love and a strong mind.” We come in the authority given to us in Christ Jesus. We cover ourselves with the Blood of the Lamb. **We place a hedge of warring angels with flaming swords of fire around us continuously. We put on the whole armor of God. We lift our shields of faith to interlock, standing foot to foot and shoulder to shoulder—a solid wall that cannot be breached or penetrated. We resist and renounce Satan, the god of this earth. We rise to war in the Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of your warring angels in full battle array, fiery swords drawn to enforce our petitions and intercessory prayers. Rout your enemy on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others.** We nullify, dismantle, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agenda and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened. We break every curse, hex, spell, vex, enchantment, decree spoken or unspoken sent against the Body of Christ and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, brujo, bruja, soothsayer, medium, coven and every minion of the devil working iniquity and send it back upon their own heads that they may repent and turn from their evil ways. Lord Jesus, reveal your love to them. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

8) Stop any and all sexual sins Go to: [Biblical Sexual Prohibitions](#)

In this teaching we will be looking at a subject that is rarely (if ever) preached on in modern day churches: The sexual prohibitions outlined in Leviticus 18 & 20. This is a very important study and especially needed by Christians in the day and time we live in. Truly much of the Body of Christ is being destroyed for lack of knowledge due to NOT knowing the material covered in this teaching.

Unfortunately there are many things that modern day Christians are doing (many times unknowingly) that are affecting them adversely in both a spiritual and physical way. Much of what we will get into was common knowledge 100 years ago but has been slowly repressed since then. We will look at the shocking WHOLE definitions of sodomy, fornication and intercourse and also the New Testament text some use to justify any sexual action regarding the marriage bed. We will also see how Biblically these types of sins defile a person in a way that other sins do not.

[Contraception & the Bible](#)

[link to http://www.abortiontv.com/](http://www.abortiontv.com/)

In this teaching many will be shocked at the way many birth control methods actually work. From “The Pill”, to “The Patch” to IUD’s all are potentially “Abortifactive” according to the companies that make them. [Gen 1:28](#): “And God blessed them, and God said

unto them, Be fruitful, and multiply, and replenish the earth, and subdue it..." [Gen. 9:7](#): And you, be ye fruitful, and multiply; bring forth abundantly in the earth, and multiply therein." From the apostles to 1930 no true Christian group ever sanctioned this practice, and it was Christian state legislatures across the country that made the trafficking of contraceptives illegal until the Supreme Court intruded in Griswold v. Connecticut, paving the way for Roe v. Wade. So in other words 75 years ago this message would of not been necessary because the topic was not a topic worthy of debate. Contraception was considered by Christians a grievous sin, and that fact was a forgone conclusion that was not even debated by Christians. Did you know the word "contraception" is not even listed in the Websters 1828 dictionary.

9) CLEANING YOUR HOUSE CURSED OBJECTS (OF DEMONS)

While I don't agree with everything on this website it does have some good overall guidelines

<http://www.demonbuster.com/cyh.html>

BOYCE and BOICE are two demons that interfere with any electronic equipment, i.e., phone, computer, printer, automobile, etc. If something malfunctions, command these two demons to leave your equipment, in the name of Jesus. We get many emails saying this worked.

Scott Johnson's Comment: We had been going through a pretty rough spot for a few years now in ministry and it think it is because the witches that were trying to kill me were failing to do so, so they changed their tactics somewhat and started going after my finances and I had done no deliverance to pray against it, so it was working. **We'll all I can say is since I have done the deliverances above (twice now) we have had more funds come to us (in a few week period) than I can remember in a long time. I mean it is miraculous. This is not 'name it a claim it'/get rich quick stuff, but I do believe the devil will always try to target a true Christian finances so we are limited in our ability to pay our bills (among many other things). I do about the first 10 minutes of the Win Worley mass deliverance here:**

<https://www.youtube.com/watch?v=mVG3ow2-MR0> (which puts the devil on notice and sets the stage for any deliverance session) and then I do the poverty ones or any other deliverance you may feel you need.

12) Super Charged 'Do it Yourself' Anointing Oil

<<The picture to the left is of my anointing oil. I have it sitting on my audio player that plays the KJV Bible through it all night on most nights, except when I forget to turn it on. When I was first saved I was starving for the Word. I could read for hours the Bible and that still wasn't enough. I would play the New Testament Bible CDs at night on repeat next to my bed and would wake up singing to God and feeling joy and peace. If I felt a sickness or cold and flu at night I would put the Bible on and in the morning I would feel

fine. I had told myself and believed that God doesn't want me sick and so my shield of faith was active all the time. And rarely did I get sick. There was a period of several years where I never got sick once. I trusted my God for protection and I do know that He did that for me and still is. And also I believed that in the spoken Word going out through our house via the audio players was also putting up some sort of invisible shield that the demons hated and could not stand in it for too long, and would flee. And I have watched for evidence of this assumption as I have told others to do this also.

First when playing the Bible audio, there comes an inner resistance to the Word and then, usually after a couple of weeks on average things settle down and the resistance

slows up. There is no doubt in my mind that the demonic entities within the person who embarks on this adventure of faith are tormented and those without legal rights will flee. So an invisible wall is placed around that home and occupants and the whole house is soaked with the Word of God.

Heb 4:12 For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.

I believed this as a young believer and 20 years later I still believe it.

So my oil had sat on my player for years soaking up the vibrations from the KJV Bible playing all night and I do believe that this had imparted more fire into it, and we were using it for healing according to this Word.

Mat 3:11 I indeed baptize you with water unto repentance: but he that cometh after me is mightier than I, whose shoes I am not worthy to bear: **he shall baptize you with the Holy Ghost, and with fire:**

Jas 5:14 Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord:

Jas 5:15 And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him.

As sickness can be caused by Demonic spirits then the two can fit together easily. So here in the next scripture is what I'm talking about here.

First the Blood, then the Oil.

First Repentance, then the Holy Spirit (by the spoken word and by the Oil) can be applied.

Mar 6:12 And they went out, and preached that men should repent.

Mar 6:13 And they cast out many devils, and anointed with oil many that were sick, and healed them.

I had read a book by Bill Schnoebelen called Blood on the Doorposts when I was a very young Christian that explained the use of anointing oil in the home and on doors and windows and things. He said it appeared in the spirit realm as a fire, and the demons hated it.

So I tested that out and coming out of a background of witchcraft, although not as severe as Bills ever was, there was a few entities coming and going that I could test this theory out on. And if it was something that the wicked entities hated it then I was interested. And I definitely did feel a difference after anointing our house with the oil that I prayed and blessed myself.

I didn't have to buy the most holy and pure stuff that was squeezed from the more righteous trees on the hills of the Mount of Olives and that was blessed by the most Holy Reverend of the church of all saints in Jerusalem, or whatever they are selling on the internet. And although I looked into this, I am glad that I couldn't afford this at the time and had to rely on my own faith in my own God to answer my own prayers for my own oil, and for everything else also. So I did and that was a big step ahead in faith for me instead of handing it to someone else whom I thought more qualified.

Heb 11:6 But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.

So I was using it now and again in a bit of a smear here and a bit there and a few drops around the house for protection. It seemed to last a few months then I would redo the places again. Also we used it on other peoples places and they could feel results too. Although almost impossible to measure, we had to receive by faith. And I did have faith to believe that my God could do this.

Mat 9:29 **Then touched he their eyes, saying, According to your faith be it unto you.**

And as for praying for people I usually used it at the end. As a weapon against sickness and disease, but back then it didn't matter if the oil was forgotten and left home, I hadn't the revelation of its importance in the battle, but that was coming.

I know when I first seen it used at the start of deliverance it would make the devils manifest so much quicker than usual and that excited me. And they would be trying to wipe it off and cursing it and the workers and God.

So I started to use it in deliverance. And it definitely would bring torment to the tormentors quickly. Sometimes you would apply the oil and the demons would dive for cover and other times their cursing was music to our ears, because of the reactions of the spirits, it was no secret that they were in agony.

And this was no clearer than when we were involved with a woman who was the High Priestess of a large Satanic coven here in Tasmania. Now this coven was trying to take over the state and would have a satanic festival every year on the winter solstice called Dark Mofo. And to show you an example of how much influence they have, here is a picture of one of three, 20 meter high inverted crosses they set up in the capital of the State with little local council or political backlash at all. They were actually paying for some of this. And some Christian identities in the city even said it didn't matter and didn't mean a thing.

So these people weren't little teeny boppers lighting candles and reading tarot cards. Some of the people involved were associated with the highest witchcraft powers in the USA. For example Marina Abramovic was here doing witchcraft rituals disguised as art, who was exposed by Wikileaks for the spirit cooking and connections with the Podesta Bros. And John Podesta was Hillary Clintons right hand man. No small fish here. So during the deliverance of the now Ex High Priestess, which was like the exorcist movie, with demons coming up that had mentions in the Holy Bible as well as demonic scratches and bite marks and blowflies coming out of the blue it was like Nebuchadnezzars furnace for a few months. We would use the oil as soon as we started to pray and there was no waiting. It was on within

seconds.

We prayed that the oil would not only represent the Blood of Jesus and the Fire of the Holy Ghost but that the devils would actually feel it as if it was fire and the Blood like acid. And we also added lots of other prayer into it. The all Consuming

Fire of God, the fire of Elijah that burned up the 50s and their Captains, the fire of Jotham which was the division and civil war that was sent between Abimelech and the men of Shechem, which turned them against themselves. And also the Resurrection and Abundant Life, Peace, Joy, Hope, the Love of God and other things that would destroy yokes of bondage and slavery, break chains and heal and restore the broken and wounded. So like a sharp double edged sword, cutting both ways.

The results in this deliverance were astounding. We prayed for her numerous times and she said the oil burnt like acid, which was obvious to us as the demons screams were letting us know. And we put it on her feet once and after the spirit left she said it felt like nails going through her feet and nailing them to the floor; which was handy, because a lot of time the spirits had her up and trying to grab anything to use as weapons or scratching and kicking and biting and spitting and whatever else they could try to do to wound and destroy. But things were moving out quick and the scene would change lots.

Also as an added bonus we would put the oil on the hands and when the demons try to grab us the hands would slip off easily.

Now it wasn't just the oil obviously, the Name of Jesus is the Name above all names, and it was by that name that the devils were ordered to go. The oil was an advantage we found that got them moving quicker. And that we used as an accessory. Not as the be all and end all.

When she was going ok, when all the spirits that had surfaced in deliverance had been dealt with and we could return the three and a half hour drive back to our home, I gave her some oil to anoint some of her unsaved husbands stuff when

she could and put around the house, and a Satanist knocked on the door and she looked through the peephole and knew the power in the oil so grabbed it and threw some on him, around a dessertspoon full. She said he reacted like a bucket of scorpions was thrown on him and straight away he ran away screaming; which greatly encouraged us to ramp up the oil defences around her house. And our own, because these people didn't have to visit in the flesh to be about.

So as the battle continued over some months and the witches that were trying to kill her, curse her, kidnap her and destroy her family continued, so did our prayers and deliverance and

experimentation with the oil.

They were constantly putting things in her letterbox and she was constantly going out and opening them and getting hit by them. Whether wicked curses or cursed items of gold and expensive jewellery.

So we anointed the letterbox and the surrounding area and they slowed down. We put the anointing oil on her front porch and we found that during bouts of deliverance when the demons were near the surface she couldn't even put one toe on the oil because she said it felt like red hot nails going in and even when she wanted to have a cigarette she couldn't even sit near where the oil was spread around and had to go out the back where it wasn't at. Also when she was in this state she couldn't hold the Bible or the oil or say the name of Jesus. But could say God and Lord no problem, it showed us that 'Jesus' is the name the enemy hates above all others.

And the Satanists who had been dripping blood on her steps and stuffing curses in her door and writing blood curses on her car were slowing down also. Not to mention the sickness attacking her body. We found some cursed jewellery in the garden in a nice little box and gift wrapping when we visited that we surmised was thrown towards the front steps and missed because their access was blocked by the oil. Or the wall of fire that we now believed was coming from the oil.

So when I could see that advantage it was giving us I went and got a few litres of it, prayed and went out on the road believing that even if they drive over the oil it would cause some pain for the enemy that was infesting them. And it may have because the satanic traffic slowed greatly.

She was out the back of her house one evening having a cigarette and she heard her name being called out so she went to the fence and the two Satanists said this to her, among other things.

This was her text to me the next day.

Pete PLEASE stop whatever you are doing!!!! Went out for smoke, Garry &

Karrwen promised the oppression would stop if my mate (being you, backed off) They weren't joking.

And I rang and she said that they were yelling from the other side of the road. They couldn't cross the oil line I left around her house on the road as in the picture.

I knew it was causing troubles for them so I went and put a lot more oil up my road and around my house and thought I'd done a good job. But the one spot where I missed making the wall which I never thought important was in a dream that night with the High Priest Warlock walking there, near our lounge room window. So the next day I went around the house and concentrated on that spot I missed and heard a voice speak and say, "Aww aren't you going a bit

far now" as soon as I was plugging up the gap in my oil line. I thought that was a stupid thing to say, but have noticed that when the enemy is desperate then lots of foolishness comes from them.

They had taken to flying paper planes into her backyard with their attacks.

And during all this one day after around 40 minutes of prayer the anointing oil turned blood red after I was praying with a friend warfare and blessings for Tasmania. I had never seen this in the few years or so it had been sitting in this same spot. You can see it in the first picture. This is why I'm writing this account. God definitely got me interested in claiming back the ground for Him, and the oil will not wash off and will remain for a long long time. The oil was used to make things Holy.

Exo 40:9 And thou shalt take the anointing oil, and anoint the

tabernacle, and all that is therein, and shalt hallow it, and all the vessels thereof: and it shall be holy.

And there is a reference where the Spirit of the Lord was in the oil.

1Sa 16:13 Then Samuel took the horn of oil, and anointed him in the midst of his brethren: and the Spirit of the LORD came upon David from that day forward. So Samuel rose up, and went to Ramah.

Then we moved to the capital city in Hobart from a small quiet country town of 80 or 90 population and no crime and no need to lock the doors, to a city of a 220,000 population. And it was a massive change for us.

The Satanists soon knew we were there and welcomed us with cursed mail arriving. And whether they were doing the burnouts out the front or not it was like every second day they were happening.

This is a picture from our lounge room window of straight outside our house. The half circle

closest is a line of oil. And there are others there in amongst the madness too. I took this picture yesterday.

And there is a brothel in one of the units over the road, continuous parties, yelling and screaming and a car was burnt a hundred and fifty meters away or so and blokes walking around with cricket bats and cops raiding the places. All this could be seen from our window. I thought it was better than TV for a while but my wife was a little fearful.

I had already went around our house after the first night the side gate was bent mysteriously.

And then I decided to experiment and I was in the perfect environment to do this. By now I had not been putting just smudges of oil but was buying it by the litre. Now we shop for the 4 litre can on special.

I went up and down the footpaths and around the court and poured it out both ends of our road and up and down the road and we noticed things were definitely calming down. Every two or three weeks I would spread more. Now I'm not just giving credit to the anointing oil. There was a lot of prayer going out. **But we could see and hear the results. The wheelies and the screaming and the parties and the loud music seemed to slow down dramatically.**

I heard a diff or gearbox blow one night and a couple of culprits close by are now walking. And we met some Christians nearby and asked them if things had calmed down in the last couple of months and they said quickly, "Yes, the burnouts have slowed and the drug dealer two doors over from us has stopped having all night parties all the time.

The traffic in the middle of the night to the brothel slowed down to almost non-existent and actually today as I'm writing

this the police were over there carting some woman away. Interesting. She wasn't happy.

So we know that the prayers and the oil have had an effect that could be measured. By us and others who were not stuck in the cycle of the worldliness.

All in around two to three months.

Also in Hobart the witches have covered a vast majority of power poles and communication boxes and signs and parks and all sorts of places with hexes. Here is 3 examples on power poles. They do it to cause accidents, sickness, disease, torments death and destruction and concentrate in an area and the spirits are assigned to that area.

So we now are armed with a weapon to administer the anointing oil. A weapon we used in the battle with demons who got lively in deliverance and sometimes to shoot them in the mouth with the blood of Jesus and the fire of the Holy Ghost when their mouths

were running off a little too much.

It is good also for open places and discreet. Once quick squirt on the hexes would nullify them totally we believed no doubt.

Prayer first, stand in the gap and repent (Scott Johnson's Comment: remit and sins over the land grant redemption over the land—See the end of this PDF for a

full document on this), that's the blood, remittance of sins, breaking the curses and pray fire into the oil and go and administer. No need to make a big thing of it. The Ex Witch told me when they were in the astral form they could see the areas and the streets they had cursed as rivers of darkness.

So it's time to Light up the Darkness. You can do this to. You can make a difference, especially in your own area.

2Ch 7:14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

And in the larger areas of the high places we would just tip it out of drink bottles slowly as we wandered around as tourists. The enemy had shed their blood and cursed the grounds. We were taking back the land and believing this.

Jos 14:9 And Moses sware on that day, saying, Surely the land whereon thy feet have trodden shall be thine inheritance, and thy children's for ever, because thou hast wholly followed the LORD my God.

And the oil would not be washed away. I can still see it on the road where we have put it around the city, months later. Do it on a warm dry day and it sticks.

And other places to do are reservoirs, parks, schools, accident spots on roads, entrances to shopping centres, underground car parks, water supplies, new age and porno shops, hotels, wherever the enemy has gained ground and has a stronghold. I believe that every time a demonized person walks or drives on or over the oil the demons within know it. And we pray that they will be hit hard by it. And believe they are.

We heard that the Satanists here are cursing the source of rivers also, and they believe that the blood they shed to pollute them goes down the river and even curses the land through irrigations and not to mention people drinking it.

Also communication towers are cursed to affect what is passing through internet and phones. These people are highly organized and serious.

But if God can do this for us,

Eph 3:20 Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,

And now there are some others who have the oil out doing their own areas and are hearing the demons trying to put them off and discourage them too.

At one high place we travelled to that was at the other end of the state I could hear them telling me "You shouldn't be doing this" even as we were still in the car driving and "Who do you think you are?" But when the oil was being

sprinkled over this area I heard them screaming and saying "You're out of your Jurisdiction."

That is a word I have never used in my life. So I laughed and soldiered on.

This is a work God has led us into.

Eph 2:10 For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them.

I believe we can make things extremely hard for the enemy to operate. And if every church in every place, big or small, it doesn't take too many, would go and take back the High Places, and the strongholds in even just our own towns then it could become a quicker work.

One small squirt of anointing oil at a cursed object may cause a big drama for the Devil in the second heaven. Do you believe this? I do.

Peter McMaster.

UPDATE

Two days after writing this we found this on signs 50 meters down the road, at an intersection near the bus stop. The Satanists must be trying to claim back their territory.

The satanic cursed blood then clear enamel paint over the top so it doesn't wash off. But with a bit of elbow grease we removed it. There was no kick in this curse at all. Powerless. But looked bad.

No drama. I asked another neighbour if things had quietened down and he said without having to think too long, "Yes they have".

Praise the Lord!!!

Great testimony. The demons hate it. Thanks for sharing. I'm sure there'll be more.

We did the steps of Mona ferry service to the museum and a lot of the waterfront that they frequent. Mona is now losing money. They ordered

this ferry, see attached, 12 months ago. Naked women as camo colors.

So we just keep plugging away. I pray that God will encourage you and others for praying over the enemies strongholds. Thanks for helping people to join in the fight Scott. I'm excited.

God bless you.

Pete.

Subject: ++ Amazing First Hand Testimonials About This Anointing Oil

Pete: I sent some of my little remaining oil (that I had made with olive oil and some of the essential oils mentioned in the Bible) to one of my listeners. This is the one I have had in front of my Bible CD player for about a year. See the

attachment. This is what happened to him. This man (John) is a TI (targeted individual) he gets harassed virtually every day with guys waiting for him when he walks out his front door, to when he is driving, to interfering with like every aspect of his life.

TY & God bless!

Message Hello Brother Scott. Currently listening to your latest teaching on anointing oil and I'm interested in this tool for spiritual warfare. One issue you discussed was getting the oil to high places. As a drone enthusiast, I can confirm that a pint could be mounted along with a valve to a DJI Phantom 4 and delivered to any water tower, cliff, roof etc.. Imagine the coverage with four rotors blowing the anointing oil all over a target!

**Thanks for all you do,
Tim Lenker**

Message Dr. Scott i just listened to your messages on anointing oil & feel convicted to do this to drive out demons from loved ones & others. I would really want to make sure i am making it correctly. I bought a bottle of virgin olive oil & two 9oz bottles off of ebay with caps. I am planning on pouring the olive oil into the 2 empty 9 oz bottles & playing revelations 8 hours a day over the bottles. My question is do i have to buy frankincense oil to mix with the olive oil? Thank you for any help

From: Scott Johnson

No, that is optional but I just found this one which is a blend of a whole bunch of Biblical essential oils which would be great to add in:

<https://www.rockymountainoils.com/oils-of-the-bible.html> I found another company but the prices were a lot more expensive.

13) Fasting: *"But this kind does not go out except by prayer and fasting."*

Matthew 17:21

Breaking Demonic Strongholds

by Bobby

"Not only did the fast enable the eviction of the demons, but I started to feel the presence of the Holy Spirit within."

I have been a Christian for less then a year and still deal with a lot of bondage due to a traumatic past which included a long list of foster homes. I had endured abuse and was raped at the age of five. The cruelty turned me cold and resentful causing me to become an abuser. This in turn resulted in a broken marriage, drug addiction, alcoholism, and a depraved sex life. In search of the answer I fell into the hands of cults who used brain washing and hypnotism. Their methods opened the doors for demonic activity.

A friend prayed with me to break the result of this manifestation and bring me to a knowledge of Christ. Their efforts were unsuccessful, after which fasting was suggested. I was told about the power and potency of prayer that can be obtained during a fast.

Not only did the fast enable the eviction of the demons, but I started to feel the presence of the Holy Spirit within me. Exciting and wonderful things started to happen after the third day of the fast. God actually used me to help put a marriage back together. I could feel the Holy spirit directing me on what I must do and say. Now I fast regularly to keep my spirit attuned with the Lord.
