The **1828 Noah Webster Dictionary**

***"The average age of the world's great civilizations has been two hundred years.***

***These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage."* Alexander Fraser Tytler**

#### **+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS**

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. **We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others.** We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for wickedness, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, bruja, brujo, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they

are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

The Snake Mike Adams (The Health Ranger) Is Openly Yoking Up With Muslims and Encourages you to do the same! He Says: "Muslims and Christians must UNITE to DEFEAT the Antichrist! Aamar the Muslim joins Mike Adams (the Christian) in studio" Muslims are Commanded to behead and slay the Christians in the Islamic Koran but Mike thinks he always knows best--Whereas the Bible Clearly States in II Cor 6:14 & 15: "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?"

The Islamic bible/Quran **commands muslims to kill "Infidels"**. In Islam, the Arabic word kafir (كافر) refers to **non-Muslims**, often in a derogatory sense [2], and is usually translated into English as **"infidel" or "unbeliever"**.

So now lets look at some quotes from the Islamic Koran.

Allah has cursed the **unbelievers** and proposed for them **a blazing hell**. - Sura 33:60

**Unbelievers** are enemies of Allah and they **will roast in hell**. - Sura 41:14

Fight **unbelievers** who are near to you. Sura 9:123 (another translation reads: Believers! **Make war on the infidels** who dwell around you. Let them find harshness in you. (another source reads: ) Ye who believe! **Murder those of the disbelievers....**

Beware of Wolves in Sheep's Clothing!!! Mike Adams of [www.NaturalNews.com](http://www.NaturalNews.com) Takes Blasphemy to a Whole Other Level & Promotes Mega New Ager David Wilcock--Saying: PLANETARY CRUCIFIXION will lead to humanity's resurrection and unstoppable, cosmic awakening!!!

Tuesday, October 12, 2021 by: [Mike Adams](#) ([Natural News](#)) Today's Situation Update podcast is, in my view, the single most important "red pill" podcast I've published this year. The discussion delves into cosmic-level awareness and awakening, covering the process of humanity being red-pilled (sometimes kicking and screaming) into the new era of divinity,

empowerment, truth and life.

The phrase, "planetary crucifixion" was told to me by David Wilcock in an extended interview conducted yesterday (2.5 hours in duration). I interviewed Wilcock to learn more about his upcoming video interview series called "The Disclosure." ([TheDisclosure.com](http://TheDisclosure.com)) In that interview series, Wilcock explains that his sources will reveal stunning new details about non-human technology transfer into the human domain and what this means for the future of human civilization.

That interview spurred me to cover the "cosmic red pilling" process that humanity is now undergoing, with the covid *scamdemic* theater playing one of the key roles in pulling the wool off of everybody's eyes, revealing the raw, disturbing truth of the illusions behind our modern society.

As Wilcock explained to me in that interview (which will be posted in 3-4 individual parts, beginning this Thursday or Friday) is that the crucifixion of Jesus Christ, with his crown (corona) of thorns (spikes) and the piercing of his hands and feet with spikes (drawing blood) is a metaphor for the planetary crucifixion now being inflicted upon humanity. The "coronavirus" is literally a crown arrangement of spiked particles. (Corona means crown.) And the attempted mass genocide against humanity is a kind of planetary-scale crucifixion.

But just as Jesus rose from the dead and revealed the miracle of resurrection, humanity, too, will experience resurrection and rebirth, following the attempted crucifixion. By trying to kill humanity, the anti-human globalists have actually

pushed the human species into a place where it can materialize its own miracles. The resurrection is the awakening, and it is close at hand.

The awakening will reveal so many layers of truth and discovery that the vast majority of humans living today flat-out won't be able to neurologically process what is being revealed to them. In today's podcast, however, I discuss how each of us can prepare our minds and hearts for this Biblical resurrection / mass awakening / Second Coming event that will send ripples throughout the cosmos. If you want to know how it all ends (and then begins anew), listen to today's podcast: [Brighteon.com/3b0af9ca-0c30-4e70-a4cb-57289d056996](https://www.brighteon.com/3b0af9ca-0c30-4e70-a4cb-57289d056996)

Listener Comment: Mike Adams...Also, you really need to look at Mike Adams' religious beliefs. He's always pushed New Age beliefs; he's never been Christian. Here's some proof of it: [http://www.soulwinning.info/fr/new\\_age/mike\\_adams.htm](http://www.soulwinning.info/fr/new_age/mike_adams.htm) (no endorsement of this website). This was Mike Adams in 2012 and he's still saying the same things, he just often veils it in Christian terminology.

Subject: Pete Santilli

**Dr. Johnson, Just uploaded to Youtube. They make a very good case that Pete Santilli is a government infiltrator. Certainly, his actions at the Oregon Malheur preserve suggest this to be the case. Incidentally, Malheur is the French word for 'misfortune' -the area likely given the name by early explorers. The video is 14 minutes, very much worth watching, lists many of Santilli's sinister past activities, most importantly his subverting of the Truckers' Ride for the Constitution. I felt bad for the people at Malheur from the beginning. It was clear that they were in over their heads and were being set up.**

**Comment--Andrew Duddy:** *Pete is very clearly a well-supported Government agent charged with derailing legitimate protest/non-compliance and creating physical, violent conflict that will only lead to further government power. He is clearly a cancer in the movement toward self responsible reporting and action.*

### **INSANE! Texas Devastated by Green Laser Death Rays Amid Thunderstorm! The CIA/Biden's Secret Direct Energy Weapon Assault on U.S. Ground!**

Let's call it what it is—an act of domestic terror, perpetrated not by some external force, but by the very institution meant to safeguard our liberties. The green laser, those fires—they're not warnings; they're declarations of war against dissent, against the very ethos of what it means to be American.

The audacity is staggering. As if the mockery of the Second Amendment wasn't enough, now we see the government's true face, gleefully turning brother against brother, igniting fires of division and fear, all while cloaking its tyranny in the mantle of public safety. The founding fathers are rolling in their graves as their warnings about tyranny are played out in the most brazen display of governmental overreach.

And amidst the chaos, leaked memos and whispers from the intelligence community paint a picture of a nation on the brink, not of external invasion, but of an internal collapse orchestrated by those in power. The stage is being set for an upheaval, a pretext to clamp down, to fortify their rule as the proxy wars abroad falter and the true enemy—the American people—stand resilient.

This is no time for silence, for passive observation. The events unfolding in Texas, the deployment of DEWs, the stench of authoritarianism—it's a clarion call to every American who believes in freedom, in the sanctity of our constitution. The government, with its lasers and lies, has shown its hand, revealing a disdain for the people it serves that borders on despotic.

This is the Biden era: where advanced weaponry is turned inward, a clear message to the American people that dissent will be met with force, that the autonomy of states like Texas is an illusion, ready to be shattered by the next demonstration of federal might.

mean I have drove through the panhandle of TX many times (via i-40) and there are almost no trees. So how can 'wildfires' developed with very little fuel? **It's like a sick Satanic joke right out in the open!!!!** Even in the vast majority of the pictures you can see there are no trees. Just either crops, soil or light ground cover. I saw one video where there were trees, but most of the overhead pictures are of barren landscapes with very little fire fuel. Classic DEW's attack car with molten metal, this does not happen in nature, no immediate trees around the car:

Cape Coral, Florida--Green Lasers Seen Scanning the Ground from a Plane in the Middle of the Night and Nobody Knows Why-A green laser scan also happened prior to the Lahaina-Maui-HI DEW's Attack! • Local News Investigated and spoke to the following: - City of Cape Coral, and county - Florida division of emergency management - South Florida water district & port authority None of them knew what it was. They came up with no answers.

One neighbor got fed up and purchased flight radar to narrow down the search — When she put the information into an FAA registry, it says the plane is registered to RANDIGO LLC **owns 33 aircraft With 33 Employees**... odd, right?

[https://aircraft-data.com/owner/randigo-llc#google\\_vignette](https://aircraft-data.com/owner/randigo-llc#google_vignette)

RANDIGO LLC is a Delaware Limited-Liability Company (Llc) filed on January 17, 2013. The company's File Number is listed as 5276129. <https://bizapedia.com/pro-search.aspx>

The Registered Agent on file for this company is Incorp Services, Inc. and is located at 1201 Orange St Ste 600 One Commerce Center, Wilmington, DE 19899.

The owner, Randigo, is an aerial survey company. From a link I found:

Our entities Randigo LLC, Revolution Flight LLC, and MakeSafe LLC **brought in over \$12,000,000.00 in revenue in 2020 while producing our most profitable year yet.** Including our on staff technical team, we employ **33** people. We operate our own fleet of Aerial Survey Planes and Part 91 Turbine Aircraft for Skydiving operations in North America.

Thank you for this post. Although it's a year later the company with a plane just like this is now doing same circle route over Manatee/Sarasota County Florida. Has been going over my home since 6am with a nice green laser that shines down.

I don't care if this turns out to be something harmless; it's the fact that the General Public and local governments Don't Know what is going on... this should not be allowed without a clear understanding what it is, nefarious or not. **GREEN LASERS? SOUND FAMILIAR?** On January 28, 2023 there were mysterious Green Lasers spotted over the skies of Maunakea. Several months later, in August, Maui caught fire. <https://rumble.com/v28w2ua-suspected-chinese-environment-monitoring-satellite-beams-green-laser-from-s.html> The troubling thing about this is that there were lots of conflicting reports from NASA the first week where they insisted it was one of their satellites, **but it was ultimately declared (“Likely”) a**

Chinese satellite, Daqi-1/AEMS, a week later.

This happened almost immediately before multiple Chinese spy balloons were spotted all Over America. The Fact NASA had no clue and said “it’s likely” a Chinese satellite is very alarming. They still to this day only speculate what China was doing.

On Jan 28, 2023, HST, Subaru-Asahi Star Camera captured green laser lights in the cloudy sky over Maunakea, Hawai`i. The lights are thought to be from a remote-sensing altimeter satellite ICESAT-2/43613. Watch the video:

This aerial image shows the DEW's damage in the aftermath of Texas wildfires—Some Houses Hit and Totally Incinerated and Some Left Untouched--With Barely

Any Trees That Can Even Be Seen—No to very little fuel for these “Wildfires” but that does not matter when a Directed Energy Weapon is being used!!

We are again seeing fires break out at food processing facilities across the country--The media claims these incidents are a coincidence while there is much online speculation that these are acts of arson--Furthermore, it appears the globalists are making their moves to prohibit small and independent farming - there are major protests by farmers worldwide who can no longer tolerate the proposals for sustainability brought on by the UN and World Economic Forum—Synthetic & GMO Frankenfoods foods are being pushed in favor of organic

Subject: US Military Tracking High-Altitude Balloon over Colorado

☐ BondGirl [2 hours ago](#).

I believe these "balloons" are mapping out where the fifth column (terrorists branded as immigrants) are hiding out in the mountainous regions of the western US. Many of these Chinese PLA soldiers are being taken to the mountains. I do advanced level off roading in areas very few vehicles can go.. no path on tracks and last weekend saw a group of 5 Chinese military (age) men in a remote area deep within the mountains in northern Arizona.. no townships.. no roads. Why would "immigrants" be in a place with no towns or resources? They are militia and they are getting ready to pull a Red Dawn on us. The balloons are likely cruising over this rough terrain to triangulate the militia and get them coordinated. About 2M-15M man army has just crossed our borders without a shot being fired.. way to move troops.. just call them migrants and dress them in plain clothes. The money they are receiving by our govt is military pay.. to kill us

[Dr. Li-Meng YAN](#)

Another spy balloon is flying over, surprising? Let's remind what I revealed about spy balloon last year. It has been verified! See my previous report:

[Chinese Spy Balloon is another CCP's Unrestricted Tactic Against America](#)

[Dr. Li-Meng Yan](#)

**Feb 13, 2023**--On Feb 2, it became a sharp focus nationwide that the first Chinese spy balloon had been floating over Montana, from Aleutian Islands through Canada. Under the tracking by the US military and the Department of Defense, the balloon continuously flew over several states where the sensitive military facilities are located. Finally, it was shot down over the water off the coast of South Carolina by a F-22 using Sidewinder on Feb 4, one week since it invaded the US territory.

CCP government insists that the balloon is a civil balloon for meteorological research and accidentally lost control. However, we know they are lying again. I've been in contact with the US intelligence community since the start of the balloon news. According to our sources, it's not the first time that CCP released such unmanned aircraft via military operations towards America.

This balloon is among a group of over 10 balloons carrying comprehensive functions for military purposes, especially communication, and interference of communication. To note, such unmanned aircraft are usually designed to carry unknown harmful materials or self-explosive functions if broken by "enemies."

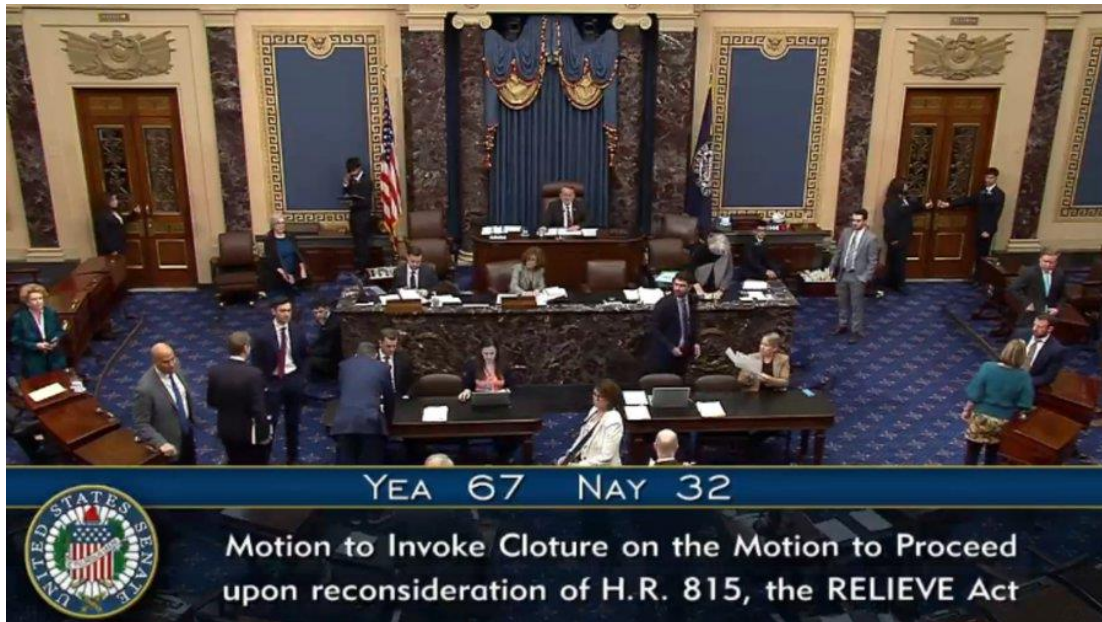

CCP and People's Liberation Army have spent over a decade on advanced unmanned aircraft for reconnaissance and attack, including high-altitude balloons. They believe that the advantage of such balloons includes low costs, hidden, flexibility, and multi-functional. The whole industry is military-civil fusion, and the advanced technology is highly based on what they stole from US.

## U.S. General Sounds Alarm on Chinese Border Crossers: 'They Are Coming Here to Kill Us'

A retired Air Force general warned that America's enemies, namely China, are laying the groundwork for an attack against the homeland by exploiting the porous open southern border.

Gen. Blaine Holt (Ret.) **told** the Gatestone Institute this month that the Chinese Communist Party is **deploying thousands of military-age men** into America through the southern border, where they've already begun weapons training in preparation for conflict with the American people.

"Tens of thousands of military-age men have come across our border and are now in America, organized by group and nationality" Holt told Gatestone.

"Among them are terrorist and state actors, in particular, members of the People's Liberation Army of China. As we speak, these actors are training, making plans and obtaining weapons, watching our patterns, and learning our vulnerabilities."

"We are vulnerable to attack," Holt added. "Our enemies eagerly wait."

China expert Gordon Chang explained how this plan is part of China's unrestricted warfare doctrine. Chinese agents, in addition to hobbling Americans with disease and gunning them down, could bomb power stations, attack military bases, start wildfires, poison reservoirs, or create terror in dozens of ways," Chang wrote.

"These tactics come straight out of *Unrestricted Warfare*, a 1999 book written by two Chinese air force colonels and first published by the PLA Literature and Arts Publishing House in Beijing. The colonels argued that China can and should employ any tactic in attacking a militarily superior United States. Now, Americans can see how Beijing is implementing the suggestions in this how-to manual."

Chang cited videos circulating on X of Chinese men who recently crossed the U.S. border quickly beginning firearms training, an activity that's prohibited in China.

"There is no Second Amendment in China, and Chinese citizens are not permitted to possess firearms. So is it possible that the shooters in the videos are merely taking advantage of a new-found freedom in their new home country? Unlikely."

**BREAKING REPORT:** Chinese Migrant turned US Congressional Candidate Issues a Dire Warning About the 'Highly Coordinated' Rise of Migrant 'Sleeper Cells'..

Williams warned Americans not to underestimate China's use of 'soft power' to infiltrate the U.S. and achieve global dominance. 'I always try to remind people there's no true private company in China. No, every company that comes to the United States, they're state enterprises.' 'So when the West is a drunk on climate change ideology and the mandates, who benefits? China benefits. We are giving them more money to build their military, power, silk road initiatives all over Europe and all over world.' 'Most of those people that want to flee China is because in the last three years it has become very harsh and inhumane,' she said. 'In 2012, under Xi Jinping, you notice a shift in China. He is the new Mao' 'But I'm also very worried it is so well organized, correlated, with some sleeper cells ... I just feel like we have a really dark force on us. This is a global push for illegal mass migration.

Scores of Chinese migrants spotted entering US illegally in California border town of Jacumba and say they're here to 'take the money' along with others from Syria and Turkey

- Chinese nationals now make up the fastest-growing nationality of illegal border crossers into the US
  - Over 37,000 Chinese migrants crossed in the 2023 fiscal year - and almost 20,000 have crossed since October, according to US government
  - Jacumba, California has become crossing hot spot for Chinese nationals
- Published: 19 February 2024 | Shocking images and video taken in [California](#) this weekend show Chinese migrants lined up at the border town of Jacumba and telling reporters shamelessly how they're here to 'take the money'. I encountered invaders inside this camp from all over the world, including Afghanistan, Angola, Iran and Morocco. There is so much irony in the fact that a JEWISH NGO (HIAS) is helping Muslims from terror tier countries and other places in Africa and the Middle East get to the United States illegally. I disavow [@HIASrefugees](#)

HIAS stands for "Hebrew Immigrant Aid Society". How dare these people help facilitate the invasion of America under the guise of "Judaism". Look at the sign I saw inside the camp. HIAS is literally providing a service of "route information". I also saw the same type of maps with instructions for the invaders with the United Nation's [@UN](#) logo, and the logo for Doctors Without Borders [@MSF](#). HIAS IS FACILITATING THE INVASION OF AMERICA AND THE GREAT REPLACEMENT! EVERY SINGLE NGO THAT IS GIVING AID TO INVADERS NEEDS TO BE SHUT DOWN, AND THEIR STAFF SHOULD BE CHARGED WITH
