+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the

authority given to us in Christ Jesus. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts O' Lord.. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for wickedness, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, bruja, brujo, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

Bottom line I would not be comfortable with a female becoming a male and then leading. Females are wired to be emotional and caring. Males are wired to be supportive and at times aggressive.

Transgender or not, female DNA will always be there and the characteristics will always surface.

Since we have not requested his permission to use his name, we will not do so, but almost every American would immediately recognize it if we did. He sent a card a couple of years or so ago to say that he used Dr. Roy Branson's **BUT AND IF THOU MARRY** every day in counseling. Someone had sent it to him during a trying time in his family life.

It will help every pastor far more than he can imagine in counseling the teens, unmarried adults, and married couples. Every family should have it and it should be required reading for every young person and all those entering into marriage.

Marriage itself is not a sin for a Christian, but most marriages are sinful. What do we mean? One must marry rightly, according to Biblical principles or the marriage is contrary to God's will and doomed to almost certain conflict and

probably divorce. Christian must marry rightly. That is the subject - marrying rightly - of the following chapters.

Armed police stand guard outside Sierra Leone's cemeteries to stop drug addicts stealing human bones that they grind up and use in new psychoactive 'zombie' drug sweeping the country

The president of the West African nation, Julius Maada Bio, yesterday declared a national emergency over an epidemic of the abuse of 'kush' - a highly addictive drug cocktail made up of marijuana, fentanyl, tramadol and formaldehyde.

It has also been claimed that a key ingredient is ground-up human bones, which some suggest is enhances the high due to the trace amounts of sulphur.

The sharp spike in abuse of kush - which is rolled in paper and smoked as a joint - has now forced police officers to guard cemeteries in the capital of Freetown, to stop young men from digging up skeletons to get high.

<<Armed police are standing guard outside cemeteries in Sierra Leone to stop drug addicts stealing human bones that they grind up to use in a new psychoactive 'zombie' drug

Kush has caused hundreds of deaths and psychiatrically damaged scores of users since it first appeared in Sierra Leone around four years ago, according to the government, although no official figures exist on the exact number.

Tucker Carlson says UFOs are piloted by 'spiritual entities' with bases 'under the ocean and the ground'

UFOs and their pilots might not be 'extra-terrestrials' from a distant planet at all, but 'spiritual entities' who have inhabited Earth for as long as humanity itself.

At least, that's the 'supernatural' theory Fox News vet and one-time MSNBC host Tucker Carlson put forward this week on comedian Joe Rogan's podcast 'There's a ton of evidence that they're under the ocean and under the ground,' Carlson told Rogan's listeners during the show's usual, sprawling, three-hour-long chat format, adding: 'They've been here for a long time.'

Carlson's latest comments echo an increasingly common refrain from UFO-curious lawmakers, including Missouri Congressman Eric Burlison and his fellow GOP legislator Tim Burchett, who both compared UFOs to Biblical entities in the past year.

U.S. Faces 'Elevated Risk of Blackouts' This Summer, Watchdog Warns

Certain areas of America face an “elevated risk of blackouts” and energy shortages this summer amid surging electricity demand, according to a report from the [North American Electric Reliability Corporation \(NERC\)](#).

Over half the U.S., including the Midwest, New England and the region from California to Louisiana in particular face “potential for insufficient operating reserves” for the upcoming June-September period.

According to NERC reliability assessments manager Mark Olsen, these areas could face blackouts “under an event that is on the caliber of a once-per-decade heat wave.”

Couple that with the EPA's “[Good Neighbor Plan](#)” that requires energy companies to reduce reliable energy sources like coal and nuclear to decrease nitrogen oxide emissions, and America faces a recipe for rolling power outages.

CDC Launches National Dashboard To Track Bird Flu In Your Area--PRE-PLANNING THE PLAN-DEMIC WHICH WILL LEAD TO THE FINAL LOCKDOWN & TAKEDOWN!

The United States Centers for Disease Control and Prevention (CDC) recently **launched a national dashboard that allows Americans to see the latest updates on the spread of bird flu across the country. This dashboard monitors wastewater and sewage testing.**

Yesterday, May 14th, the CDC reports of 230 positive tests for H5N1 avian influenza.

The surveillance map was released in the wake of reports that bird flu has been spreading among cattle populations, and has infected some workers.

This comes just days after the [Biden administration allocated roughly \\$200 million](#) in funding to deal with this outbreak, some of this funding directly going towards upped viral testing and wastewater surveillance. The U.S. greatly [invested in new wastewater testing methods](#) during the years of the Covid pandemonium.

AUTHOR COMMENTARY

I mention this because this mirrors, once again, what happened during the Covid pandemonium. This latest bird flu push echoes the same tactics we saw deployed starting in 2020. Now the CDC is giving us a garbage map that they admit is not even accurate, but the media as we know it will print these skewed numbers to create a fear-based narrative.

You can check out [The WinePress' full coverage of this bird flu ataxia](#). Recently former CDC Director Robert Redfield said for the third time publicly that [bird flu will be the next "great pandemic."](#)

Deadly prion diseases are increasing and may be transmissible now, thanks to COVID-19 vaccines

A rare, highly progressive neurodegenerative disease [has become more prevalent](#) after the rollout of COVID-19 vaccines. Prion diseases, which hollow out the brain and lead to rapid death, have increased over the last three years.

According to the medical literature, many new cases have occurred after the administration of COVID-19 mRNA vaccines. Because prions rapidly destroy similar proteins types, the disease can be transmissible if an individual is exposed to organs or blood already affected by prions.

One of the main prion diseases is called Creutzfeldt-Jakob disease (CJD). CJD was traditionally seen as an extremely rare neurological and degenerative disease, representing approximately 1 case per one million people. Traditionally, there are approximately 350 cases of sporadic CJD in the United States each year. CJD cases makeup 90 percent of all prion diseases.

Sid Belzberg, an independent researcher, gathered 60 reports of prion diseases after COVID vaccination on a website he'd set up to collect data on the neurological side effects of the jabs. These 60 cases came from a population of approximately 15,000 people who visited the site, suggesting an alarming trend. Researchers warn that COVID-19 vaccines cause prion formation and can essentially spread the disease

First defined in the 1920s, prion diseases were delineated into three categories: sporadic, inherited or acquired. Most cases (90 percent) are classified as sporadic. [Initial symptoms include:](#) lack of coordination, problems with walking and balance; impaired thinking, memory and judgment; behavior changes; depression, mood swings and anxiety; confusion; insomnia, or changes in sleeping patterns; unusual sensations and changes in vision. These symptoms ultimately lead to involuntary muscle jerks and severe mental deterioration and/or dementia.

One of the faulty processes in the manufacture of the COVID-19 vaccine occurs during codon "optimization." In the COVID-19 vaccines, a process called frameshifting occurs, leading to a glitch in the decoding. This glitch triggers the production of off-target aberrant proteins, or prions.

Researchers warn that these prion diseases may be transmissible now, through blood and organ transplants from [individuals adversely affected by mRNA vaccines](#). These infectious prion conditions may go on to cause ALS, front temporal lobar degeneration, Alzheimer's disease and other neurological degenerative diseases.

BILLIONS still expected to die in coming years from COVID "vaccines" says analyst

05/17/2024-- Things are about to get really ugly across our land now that Wuhan coronavirus (COVID-19) "vaccines" have had several years to do the damage they were programmed to do inside the bodies of the tens of millions of people who took them.

"Richard's Substack" [reports that](#) an "onrushing death wave" is coming our way that will result in mass death, followed by mass destruction.

"Governments, public health ministries and Big Pharma are not talking about what is coming – because they are deeply complicit in despicable, genocidal crimes – but there are a number of prominent, world class, medical scientists explaining what is in the cards over the next few years: a tsunami of death, due to the billions of so-called Covid-19 vaccines that were injected into hordes of victims in countries all over the world," the report reads.

Richard Sauder, who runs the site, linked to [this article](#) from *Slay News* citing Dr. Dolores Cahill, who says that *everyone* who got vaccinated for the Chinese Virus, at least with the mRNA (modRNA) variety, will be dead within three to five years, "even if they have had only one injection."

Cahill, by the way, has more than 25 years of experience under her belt dealing with high-throughput protein array, antibody array, proteomics technology development and automation. Cahill, who works as a professor of translational science at University College Dublin School of Medicine's Conway Institute.

(Related: Did you hear that Pfizer [just agreed](#), albeit quietly, to settle more than 10,000 lawsuits linking its Zantac antacid drug to cancer?)

So many people are already dying that some insurance companies, including the well-known "gecko" insurance company that we will not name, which Sauder's

says "is in very serious trouble" and "swirling around the corporate failure drain due to the burgeoning death rate."

If the gecko company is struggling to stay afloat, one can only imagine how badly all of its competitors must also be doing.

"Too many people are dying," Sauder writes. "The normal actuarial tables no longer apply."

As the insurance industry collapses from all this, so will the global financial industry, of which the insurance industry is an integral component. What we are seeing, in essence, is a mass culling of the human "herd."

"It appears that casket and coffin manufacturers, funeral homes, morticians, morgues, graveyards, cemeteries, backhoe operators and grave diggers, crematoriums and the like will have plenty of work – if they can avoid dying themselves!" Sauder's says.

"Other industries and the great bulk of the work force will take it on the chin."

Dr. Geert Vanden Bossche is another who is warning about the "massive tsunami" of deaths that is still to come. Also calling it a "huge, huge wave," the high volume of illnesses and deaths among the injected population "will bring down the financial, economic and social order," Sauder's warns.

"The chaos across society will be complete," he adds.

"From what I can see the growing death and disability are already underway here in Ecuador. I am seeing fewer little babies and pregnant females than I formerly used to. There are still some, but noticeably fewer than before the 'jab' campaign began in 2021. I am also noticing more death and incapacity among people in my personal circle."

SICK: Climate Scientist Suggests “Culling” the Human Population with a Deadly Pandemic to Solve the “Climate Crisis”

This scientist blurted out the real end-game. Killing off the human population. “If I am brutally honest, the only realistic way I see emissions falling as fast as they need to, to avoid catastrophic #climate breakdown, is the culling of the human population by a pandemic with a very high fatality rate,” he wrote. Was COVID-19 a trial run? Are they planning to develop a far more deadly virus? These wackos seem willing to kill humans to save the planet.

Medix4Life--At Medix our main focus is to bring health and wellness to the world with our revolutionary plant based nano technology using regulatory peptides to assist the body in re-establishing cellular communication and activating adult stem cells, which control the repair mechanism of the body.

ProtoMedix uses proprietary technology applications that work at the molecular level. The active ingredients are delivered in ultra low dosages (ULD), so there are **no side effects or allergic reactions**. Although the active ingredients are nano in size, they are super powerful at manipulating the correct atoms at the very smallest levels of

life. Regulatory Protein-based Nanoparticles and Nanotechnology targets the gland, organ or tissue creating cellular communication for optimum glandular function. The damaged cells/tissues are replaced and removed from the body.

Most of today's commercial applications deliver large doses of chemicals to bad cells in the hopes they will drown the problem. We provide technology applications that:

- **Repair cellular communications at the molecular level.**
- **Work at the building block level of life.**
- **Are powerful, but harmless ingredients delivered in ultra-low dosages (ULD).**
- **Have no side effects or allergic reactions.**
- **Activate the repair mechanism of the body so it can repair itself.**
- Change the world's health industry with proprietary technology. Unlike most products designed to just make you FEEL better, our formulations don't just treat the symptoms, **they allow your body to regulate and address the cause...SO YOU CAN GET BETTER!**

++Also, all these are 30ml bottles and there are 462 drops per 30ml bottle, so if you were doing the max dosage per day of 20 drops, each bottle would be roughly a 23-day supply.

Dosing: 1-20 drops a day empty stomach. Mix in 2 oz of purified water and take away from food or supplements. **Hold each dose in the mouth for at least one 20 seconds, swish and swallow.** Can take up to 4 products at a time **but** take them at least 5-10 minutes (20 minutes is ideal) apart for best results- **do not combine them together.** We recommend that you start with 5 to 7 drops and increase a few drops daily to the full dose of 20 drops per day. Can start at full dosage. **For optimal results wait for 30 minutes before consuming food or other products. Keep bottles at room temperature. It is highly recommended to give each product at least 3 months to work as it takes time for adult stem cells to activate and rejuvenate.**

++For children under 100lbs use ½ dose and can also be used on animals.

I still have some left and will keep taking what I have since there is still room for improvement... Thank you again for everything! You are a God send to me and many others! May God keep you safe and well!—Bruce / New update on my kidney #s. Recent blood test showed Bun, Creatine and ratios all normal. EGFR was 73.3 up from 59.2 from last May. I've been on the Medix KDN for 6 months and will continue for the 10 months as recommended. So far, this 'stuff' is working for me and confident it will continue. Thank you for EVERYTHING!**

I thought I would share my progress with you-From the beginning I used 20 drops per day and continued using the drops every day non stop. It seems to be helping my Rheumatoid Arthritis. The CDS did a lot for me but I had this nagging off and on pain in my shoulders/arms/wrists/hands so I added the CNT. Some of the arm/shoulder pain is still there but not as intense. The wrist and hands pain is pretty much gone so far. I have been able to play tennis by myself against a wall without added pain. Therefore, want to keep on it and see if I get more improvement. Thank you!**

I have seen miraculous results from LGI and CNT. If possible, I would like to order two more of each. My Changes: My stomach bloating has decreased dramatically after I hit the two month mark of use. (I ran out though.) I have a lot more energy, I have lost excess weight, and the whites of my eyes are bright and white like they used to be. People comment on the brightness of my eyes. The changes motivated me to drastically reduce sugar and processed foods. I told my family to let me know one area they need improvement and I will**

order for them. This stuff WORKS!! Thank you for blessing so many of us. I know you are very busy and hope you have the capacity to ship.
