By [Dr. Scott Johnson](#) | September 9, 2006 | **This teaching will start by giving a detailed, historical, documented, freemasonic chronology of the first US President George Washington. (Please view the PDF at the link above in totality before you dismiss this material.)** The evidence is absolutely overwhelming. You cannot bow the knee to Baal (Freemasonry) and God (Bible believing Christianity). No man can serve two masters. Ask yourself if it is possible for Washington's Christian testimony to UNDO all this evidence. We will be examining the 333 foot "George Washington Masonic Memorial" in Alexandria, Virginia, which houses a large part of his personal Masonic regalia. We will see how the Masonic religion is one of the closest modern day examples we have to the ancient Babylonian Mystery religions. We will then explore some of the blasphemous, hidden symbology of the Masons like the Square and Compass, the Luciferian meanings of the symbols on the one-dollar bill and the lambskin aprons they wear. Then we

will explore the shocking, true meaning of the Triquetra symbol that appears on the cover of the New King James Bible. We will then hear some sound clips of Benny Hinn cursing all those that would oppose his demonic ministry and see how he has mastered the art of "hypnotic induction" to deceive his deluded followers. Lastly we will explore the subject of persecution and the Christianity

GEORGE WASHINGTON'S CORRESPONDENCE--Did George Washington Tell a Lie?

The evidence of George Washington's Masonic affiliation has been most troublesome for multitudes of Christians who have been influenced by the writings of Peter Marshall, D. James Kennedy, David Barton and others. For this reason, we are compelled to post the prima facie evidence of this matter.

The Library of Congress contains the [George Washington Papers](#), which may be viewed online. A search inquiry yielded archives which contain actual photographs of original documents either written to or by Washington. The

reader may view these documents in their original form. We have also transcribed certain of these letters which demonstrate, not only Washington's close ties to Freemasonry, but his position as Grand Master of the Alexandria Lodge No. 22 of Virginia.

Although Washington's correspondence with the Masonic Lodges is replete with Masonic references to the **Great Architect of the Universe**, his response to a Christian clergyman conspicuously avoids mention of Jesus Christ or acknowledgement of personal Christian faith.

AI COUP: Geo-Fencing AI Systems Now Taking Control of Cars, Phones and YOU-- Geo-Fencing Added to Car Software! Can Shutdown Car if you drive too far, too long, or where government doesn't want you!

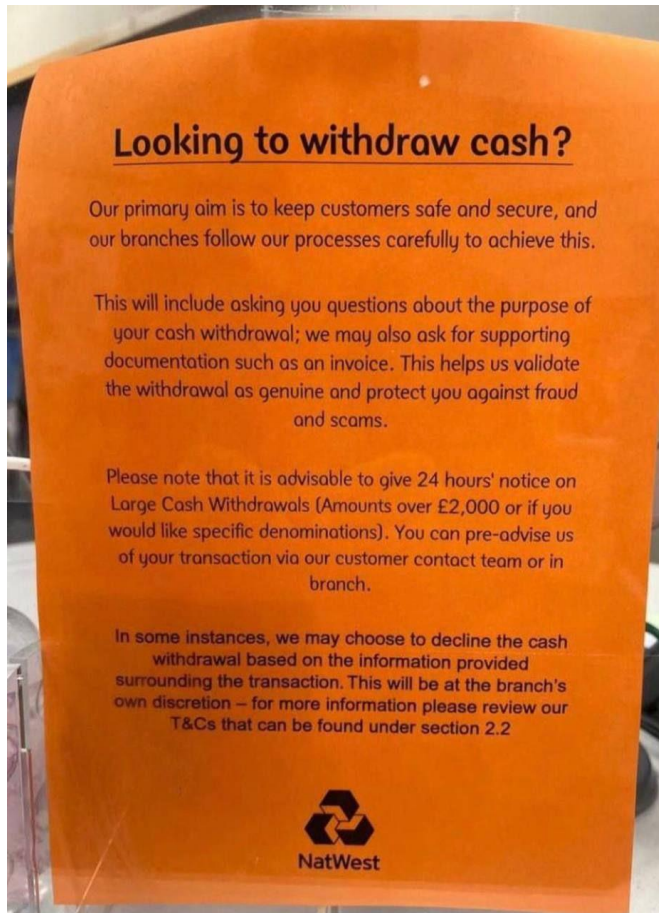

The latest news of an EV car owner showing that the government has installed software updates that can use any crisis to kill switch engage his car or put up a geo fence to control the car's movement. He also shows you how this control grid is in the phones and almost every electronic that is now connected to the internet of things.

Vehicle manufacturers have begun issuing software updates which include "Geo-Fencing" to limit how far, how long,, or where they will not be allowed to drive. All done remotely without your consent.

Let's say government want to limit you to driving only five miles from your home. They can remotely issue a command that will cause your vehicle to simply SHUT OFF if you try to go farther than they want!

Let's say government wants to keep you away from certain areas, perhaps a protest area. They can remotely Geo-Fence that area, and any car that has an "SOS" Button, can be made to SHUT OFF if it tries to drive toward or into that area.

+2+ NatWest Bank - UK "Looking to Withdraw Cash? . . . We May DECLINE to give it" They Want You to Explain Why You Need Cash!!!

Bankers have begun intruding into personal matters it comes to returning the money people deposited with them. NatWest Bank in the UK put up a sign telling customers they may have to PROVE what the cash is for, and the bank may DECLINE to give the cash!

Here is a photo of the sign at one NatWest Bank Branch:

<https://haltunnerradioshow.com/index.php/news-selections/world-news/natwest-bank-uk-looking-to-withdraw-cash-we-may-decline-to-give-it>

One Comment About this read: Pyramid6--Last week, my real experience.

My bank in the UK, my business bank withdrew online access; they did this summarily based on one "larger" value transaction.

This bank has 6 layers of online security.

- 1) Username**
- 2) Password**
- 3) Secure Number String code**
- 4) Mobile Phone 2-factor authentication**
- 5) Validated/Approved Mobile Phone number**
- 6) A series of personal identifier lodged historical factoids**

When I made a test transaction, they employed 5 sequential layers to validate that small sum, confirmed by recipient.

When I made the business value main transaction, to an identical destination, they again employed all 5 layers and appeared to have sent the money (as desired).

Then the "AI" stepped in and cancelled my account access. It took 2 days of phone calls and "cross-examination" of what and who I was buying from, before I was re-granted account access to my money and banking service.

What had I done wrong... nothing, I had a correctly complied with ALL 5 layers of their solution correctly, it takes 10-15 minutes to do... but that was NOT enough. To my mind this not really "banking"... its business obstruction...its total control and appears that they are really unstable or financially stressed themselves.

Bird Flu Frenzy: FDA, USDA, CDC Issue New Warnings On Outbreak, Latest Reports Of Spread In Pasteurized Milk And Cows, Mandates PCR Testing, Continued New Pandemic Fears--Scientists Say Bird Flu Pandemic Could Be '100 Times Worse Than Covid' After US & China Collaborated on Strengthening The H5N1 Bird Flu Strains!--Why are America and China collaborating on biological warfare projects?

The chain of events mirrors what occurred in 2020 Covid Scamdemic...Fear surrounding an increasing and persistent avian influenza outbreak has not left mainstream media headlines, and new worries have now recently been published that virus has been found in pasteurized milk, and purportedly can now spread from cow-to-cow.

This latest update comes roughly several weeks since [The WinePress reported](#) on a media blitz by the mainstream press, about bird flu reportedly being found in dairy cattle and even infected a farmer. The reported outbreaks cropping up across the country prompted some egg processing facilities to temporary cease operations. A number of articles were very quick to invoke fears of this quickly turning into a 'pandemic' situation. *SEE:* [Bird Flu Detected In Cattle And Infects American, Largest Egg Facility Closes Due To Spread. Media Launches Blitzkrieg Of 'Next Pandemic' Fears](#)

The mainstream media has remained resolute in warning about the grave threat an outbreak poses, and its grand potential of spring-boarding a new pandemic. For example, a report from the [New York Post](#) went viral, titled "Bird flu pandemic could be '100 times worse' than COVID, scientists warn."

The paper cited Dr. Suresh Kuchipudi, a bird flu researcher from Pittsburgh, said at a panel discussing the outbreak, explaining: "This virus [has been] on the top of the pandemic list for many, many years and probably decades. And now we're getting dangerously close to this virus potentially causing a pandemic." "So therefore, in my view, I think this is a virus that has the greatest pandemic threat [that is] playing out in plain sight and globally present," Kuchipudi added. At this same conference John Fulton, a pharmaceutical industry consultant for vaccines and the founder of Canada-based BioNiagara who organized the meeting, also commented: "This appears to be 100 times worse than Covid — or it could be if it mutates and maintains its high case fatality rate. Once it's mutated to infect humans, we can only hope that the [fatality rate] drops." This has been one of many headlines that have stoked the possibility of bird flu being the 'next pandemic,' warning about the spread to people via contact with animals and even pets, through the air, or through food.

In a scenario strikingly similar to the origins of the COVID-19 pandemic, the U.S. and Chinese governments were working together on avian flu gain-of-function research, which makes viruses more infectious for humans.

GOP Rep. Thomas Massie of Kentucky shared a screenshot of a February 2024 [Daily Mail](#) article with the headline, "REVEALED: US is collaborating with Chinese scientists to make bird flu strains more infectious and deadly as part of \$1m project – despite fears similar tests unleashed Covid."

"Where have we seen this before? U.S. collaborates with China to make bird flu more contagious and transmissible to mammals. bird flu now discovered in U.S. dairy cattle, transmitted to at least one human being. Knock it off already!"

Massie wrote.

The article also made multiple connections between the U.S.-China bird flu research and the infamous Wuhan lab where COVID-19 originated.

"The main collaborators on the project are USDA Southeast Poultry Research Laboratory, the Chinese Academy of Sciences, and the University of Edinburgh's Roslin Institute – a Wuhan lab partner," *Daily Mail* wrote.

Epidemic of 15-19 Year Olds Dropping Dead in Schools and Dorms Across USA and Canada in April 2023--MORTUARIES HAVE BECOME 'VAXUARIES' AS THE GLOBALISTS DESTROY YOUNG LIVES UNCONTESTED MURDERING OF ENTIRE GENERATIONS

Many real examples listed at the link above. From the Medical Doctor that authored this report we read:

“Found dead in dorm or residence. Cardiac arrest and died while at school.

Died after having migraine at school.

Died in early morning hours.

Died after “brief illness”.

Died during tennis practice at school.

None of this is normal. All these deaths must be investigated for the possibility of post COVID-19 mRNA vaccine sudden cardiac death or any role that the jabs may have played in these deaths.”

'They Kinda Had to Be Put Down': Medical Whistleblower Says COVID Jabs Caused Patients to 'Die So Horrifically, So Quickly'

A hospital whistleblower who goes only by “Zoe” described the horrific side effects patients experienced after taking the experimental COVID mRNA vaccines in 2021 and 2022 and how doctors were inadequately prepared to handle them.

As a medical coder, Zoe transfers the information included in patient medical records into a database for insurance purposes.

"I didn't know it was possible for a human to die so horrifically, so quickly, before they rolled out the mRNA injections..."

"The worst of them, they called it sepsis, but it was like instant multi-organ failure. Like, within hours patients would die of liver, lung, kidney... failure [all at once]..." Zoe told Children's Health Defense (CHD) earlier this month.

Her full interview: <https://rumble.com/v4pnnju-medical-coder-during-covid.html>

"Some of the records...[from the] emergency crew that found them [the injection victims], it's like their body tried to reject everything and [in] some of these cases their family would be there 30 minutes before, and then within an hour they're dead."

Zoe noted that "there were patients coming in with seizures like I'd never seen before," and that hospital staff "couldn't control some of them."

"[For] days, patients would be seizing, and no medications would stop it, and eventually they...kinda had to be put down. They called it encephalitis, or encephalopathy, and then later on, even the coding organization...[called it] COVID-19-associated encephalitis,"

I am in desperate need of prayer, ya'll. I come from a very large family, the oldest of 9 and I have many, many nieces, nephews, cousins; you name it. I begged all of them not to take the C-19 poison shots, but they wouldn't listen to me. They got the original 2 shots, then at least 3 boosters on top of that, along with flu & pneumonia shots. Out of all of them only me, 1 of my sisters & my oldest daughter didn't fall for the scam.

Three family members "died suddenly" and now every single person in my family is dying: EVERY SINGLE ONE! They all have either a weird type of turbo cancer, myocarditis, seizures, strokes, dementia; just think of something and they've got it. My parents were just released from the hospital, and I honestly don't expect they will live to see Christmas. Only God knows how many other family members will die this year.

I am angry, so very, very angry. How do I wrap my head around the fact that my baby sisters & brothers are going to die before me? How do I deal with the fact that in all probability my entire family will be gone by this time next year? I can't stop crying; I snap at everyone & I don't have any patience with anyone! I need help, please. Please, God, help me to endure & overcome this trauma. Please, Lord Jesus, ease the suffering of my family members and give them comfort. Please, everyone, I ask you to please me & my family. Thank you so much. 🙏💔🥲

"Knowing what the potential symptoms of a vaccine injury could be, we 100% had all the things I just described," she said.

But despite that knowledge, "doctors would never tell [patients] that. They would just say, 'It's a stroke. It's a heart attack. It's a blood clot.' And then they would never connect the two."

Many nurses took COVID-19 mRNA Vaccines and recommended the jabs to their family and friends - and now their loved ones are "dying suddenly" or developing horrific injuries. I present 11 families & their tragic losses.

How 'Trusted' Christian Pastors Coerced Congregations To Take DNA Defiling & Deadly COVID Kill Shots Resulting In Untold Deaths—To These Wonderful Caring "Pastors": If You Have Not Repented and Are Still Doubling Down On These Kill Shots--Please Take Comfort That White Hot Hellfire Awaits You!!!

A new research paper has been published that shows how "trusted" Christian churches in the U.S. took government bribes — in the form of COVID relief grants — in exchange for pushing the **deadly, experimental COVID "vaccines"** on their unsuspecting congregations — which lead to the deaths and disabilities of untold thousands of "believers".

Here we present key excerpts from this report to highlight its most important points — but if you wish to read the report in its entirety, see the link above. The report reads:

“What if I told you powerful U.S. government officials – such as former NIH Director Francis Collins and U.S. Surgeon General Vivek Murthy – used religion in an attempt to convince faith leaders around the country to push the COVID-19 injections? A deep dive into the organization [Faiths4Vaccines](#) – a founding member of the HHS’ vaccine-propaganda machine COVID-19 Community Corps¹ – has revealed just that.

That the HHS was tapping faith leaders in the spring of 2021 to push the uptake of COVID-19 vaccines was not a surprise. We uncovered this [in our previous article](#) that we broke on the COVID-19 Community Corps at the end of 2022.

But what did surprise us as we dug deeper for this article was the extent to which faith leaders were pursued to push the COVID-19 vaccines and the inappropriate – if not unconstitutional – manner in which government officials persuaded these faith leaders to push the shots.

With 86 founding members, the “faith leaders” category of the COVID-19 Community Corps was the most numerous. These founding members included both individual faith leaders and faith organizations from a variety of religions – including the American Baptist Church, Catholic Charities USA, the Episcopal Church, the National Association of Evangelicals, the Greek Orthodox Archdiocese of America, and the New York Jewish Agenda, just to name a few. Not surprisingly, many faith organizations received federal money during the pandemic. For example, an entity called “American Baptist Churches in the USA” reportedly received \$1.5 million in COVID-19 relief bailout money – in the form of two forgivable “loans” that spanned 2020 and 2021...

...[At] a May 2021 national summit for faith leaders, NIH Director Francis Collins – referred to as “Reverend-Doctor” – would address hundreds of faith leaders across the nation, claiming that the COVID-19 vaccines were God’s literal “answer to prayer” and urging faith leaders to believe that pushing the shots was a “love your neighbor moment.”

In what was a sermon-like address tailored to appeal to these faith leaders, Collins admonished them not to believe “conspiracy theories” about “possible side effects” – which Collins falsely said were untrue.

In the spring of 2021, when COVID-19 vaccine uptake had leveled off, faith leaders seemed to be the Biden administration’s answer to getting hesitant Americans vaccinated. The reason? Faith leaders had vast untapped potential to convince vaccine-hesitant Americans to take the shots – particularly if they could be persuaded that COVID-19 vaccination was a moral obligation owed to others. Like healthcare providers ([which we recently wrote about](#)), faith leaders were “trusted” – but arguably much more so than one’s doctor. Faith leaders were associated with the divine. They were often connected to deeply personal, intimate, and even sacred moments in Americans’ lives – spiritual moments that involved life and death, great joy, and deep sorrow – such as baptisms, christenings, bar and bat mitzvahs, weddings, and funerals.

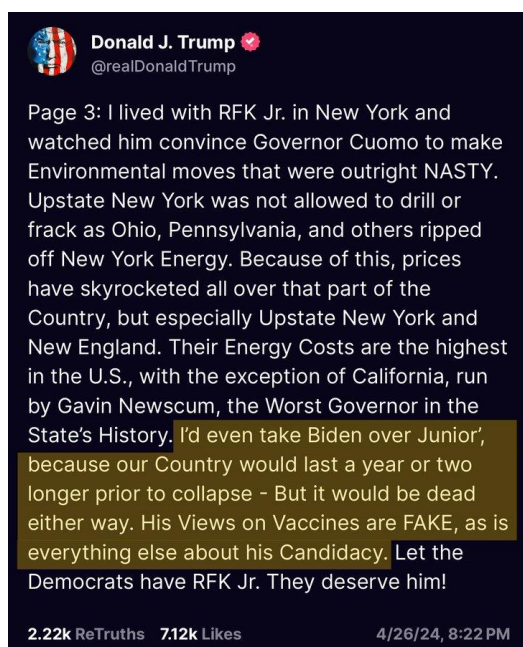

As noted in one peer-reviewed article about the role faith leaders played in creating vaccine confidence, [faith organizations were able to penetrate people’s vaccine hesitation in “hyperlocal” ways](#)...meaning relating to or focusing on matters concerning a small community or geographical area.

...Meet [Faiths4Vaccines](#) – a founding member of the HHS COVID-19 Community Corps. On its website, Faiths4Vaccines describes itself as a “multi-faith group of local and national religious leaders” seeking “to increase opportunities for faith-based institutions, particularly houses of worship, to engage and support the United States government in its efforts to increase vaccination rates” and combat “vaccine hesitancy.” Faiths4Vaccines’ top shared goal is shocking – it strives to “Demonstrate religious communities’ trust in the vaccine.”

According to a peer-reviewed study that assessed the impact of faith organizations on COVID-19 vaccination uptake, Faiths4Vaccines includes over 1000 faith leaders across the U.S. This study found that Faiths4Vaccines held 13 “bi-weekly roundtables” led by faith leaders who used their houses of worship as vaccination sites and had regular engagement with the White House, including the White House COVID-19 Task Force, as well as the CDC and HHS, as part of these bi-weekly calls. A spin-off initiative of Faiths4Vaccines – called Youth4Vaccines – pushed the COVID-19 vaccine among America’s youth and also held a roundtable “showcasing how youths of faith are leading in their communities within the COVID-19 vaccination efforts.”

...At the Faiths4Vaccines National Summit, NIH Director [Francis Collins](#), Surgeon General [Vivek Murthy](#), and ([Jeffrey Zients](#))) (then White House COVID-19 Response Coordinator, who is now Biden’s Chief of Staff) – made virtual appearances, addressing the faith leaders directly. Under the auspices of their official government positions, Collins, Murthy, and Zients relied on religion to persuade faith leaders to push the COVID-19 vaccines. Shockingly, Collins even claimed that the vaccines were provided by God.

Upstate New York was not allowed to drill or frack as Ohio, Pennsylvania, and others ripped off New York Energy. Because of this, prices have skyrocketed all over that part of the Country, but especially Upstate New York and New England. Their Energy Costs are the highest in the U.S., with the exception of California, run by Gavin Newsom, the Worst Governor in the State's History. [BREAKING: Arizona Republican Party Declares Covid-19 Injections Biological and Technological Weapons, Passed Ban the Jab Resolution!](#)

[Ana Maria Mihalcea, MD, PhD](#)

Fantastic news! I hope all of these wonderful people who are banning the jabs read the references to the resolution and understand there is self-assembly nanotechnology in them that is contaminating humanities blood.

Hopefully as more GOP's Ban the bioweapons, they will also ask questions and

demand answers! The Arizona Republican Party is now the second state in the Republican Party to pass the 'Ban the Jab' resolution and declare COVID-19 injections biological and technological weapons.

Shout out to Patriot Dan Schultz! When I reached out to Dan and asked him to submit the resolution, he did not hesitate. Dan submitted the 'Ban the Jab' resolution to the Republican Party of Arizona. The Arizona GOP voted today and passed the resolution with 95.62% of the vote! The resolution declares the COVID-19 injections biological and technological weapons and calls on the Governor to prohibit their distribution, the Attorney General to confiscate the vials, and conduct a forensic analysis of their contents.

In addition to being an attorney, Dan is a former West Point graduate and former U.S. Army counterintelligence and human intelligence officer. Dan Schultz advocates the [Precinct Strategy](#), which seeks to wrestle control of the Republican Party back to the people. Previously, Dan Schultz submitted the 'Ban the Jab' resolution to the [Maricopa County GOP](#). On Saturday January 13th, the Maricopa County GOP passed the resolution with 87.4% of the vote! A total 1494 votes were cast, 1306 in favor, 188 against. Maricopa County is the largest Republican County in the nation.

The first 'Ban the Jab' resolution that I authored was passed in February of 2023. The Gateway Pundit recently reported on my lawsuit that [seeks to Ban the Jab in Florida](#). **The case was dismissed** and is on its [way to the appellate court](#).

To date, approximately [10 Florida Republican County Parties](#) have passed '[Ban the Jab' resolutions](#) declaring Covid 19 injections biological and technological weapons, also calling on the Governor to prohibit their distribution and the Attorney General to confiscate the vials and conduct a forensic analysis. The [Florida Republican Assembly](#), The [National Federation of Republican Assemblies](#), the [Republican Liberty Caucus of Florida](#) have passed Ban the Jab resolutions. Recently, the [Florida Department of Health](#) has joined the call to Ban the Jab. [Clackamas County GOP](#) in Oregon and the [Idaho Republican Party](#) has passed the Ban the jab resolution.

Arizona is considered an important state in politics and passage of this resolution will help build support for prohibiting biological warfare against Americans and civilian populations at large.

I am also currently in [litigation seeking to force Governor DeSantis to ban the jab in Florida](#).

[WHO 'pandemic treaty' normalizes bioweapon development and vaccine experiments, incentivizes nations to share data on 'gain-of-function' research: WHO's pandemic treaty will continue genetic surveillance and exploitation of human immune systems](#)

In an effort to [normalize bioweapon development and predatory vaccine experiments](#), the World Health Organization (WHO) is pushing every nation to sign a "Pandemic Treaty" that would require each nation to participate in bioweapons development, gain-of-function data sharing and DNA surveillance. Critics of the treaty warn that this global pact is nothing but a power grab that incentivizes the creation of a biomedical police state. Critics also warn, that by centralizing gain-of-function data, it would be impossible to trace the source of

future biolab leaks. The treaty would enable perpetual experimentation on human populations, through pandemic propaganda campaigns or through new vaccine and testing programs that are mandated into existence.

The WHO's pandemic treaty would continue to disguise bioweapon and vaccine profiteering as "pandemics" that require fearful obedience

With WHO and its financiers calling the shots, all future biolab leaks could be hidden and disguised. Any investigation into misconduct at these biolabs would be forbidden. WHO would immediately call lab leaks "["conspiracy theory" or "misinformation."](#)" This is currently how WHO and its body of experts handle any inquiry that comes their way about COVID-19, and it is exactly how the WHO helped quash investigation into the very real possibility of a laboratory leak for SARS-CoV-2.

Director-General of the WHO, Tedros, [has struggled to garner global support](#) for the globalist's "pandemic treaty." [The treaty would help normalize predatory testing and vaccine development, which requires gain-of-function research to understand how pathogens will infect and harm human populations.](#)

The WHO claims the treaty will help "prevent future pandemics." However, as seen during the covid-19 scandal, there are several multinational business interests that seek to capitalize on pandemic messaging, fear-based propaganda and the ensuing hysteria. COVID-19 testing programs, [which failed from the start,](#) are just one of the lucrative business plans built into the "pandemic treaty."

[Further mRNA experiments will continue to bring in billions of dollars for pharmaceutical companies, as governments are leveraged to enforce unlawful mandates onto populations.](#)

As the world has learned, developing pathogens of pandemic potential does NOT "prevent future pandemics." Pandemic messaging can be created out of thin air, and biological threats can be leaked, whether accidentally or intentionally, so that Big Pharma and other nefarious, special interests can take advantage of populations.

Thank God the WHO failed to fully implement [vaccine passports](#) during their covid-19 [pandemic test run](#); but these databases and surveillance systems will rely on more vaccine mandates and coercive testing systems that enhance the genetic surveillance of the population.

As WHO collects genetic information from populations around the globe, the threat of [race-specific bioweapons becomes real.](#) As vaccine data is shared, governments and AI systems can learn how to exploit the cells of select demographics. This will lead to the exploitation of the human immune system, and AI systems can be trained to find the best ways to profit from human disease. This is already taking place with new mRNA platforms and "boosters" that are adjusted to resemble the next coronavirus variant. This disease profiteering will inevitably extend to new releases of aerosolized bioweapons and new declarations of "pandemics."

Free people around the globe must break free from this global system of bio-terror and propaganda and work together to deconstruct predatory bioweapon and vaccine development.

Japan Fights Back Against WHO Pandemic Treaty and Deadly Shots

The Japanese are normally not inclined to protest. But thousands of them are now marching together in protest of the deadly experimental shots and the W.H.O. Pandemic Treaty. They are being ignored by their government and media, and they deserve our recognition and support.

They are launching a class action lawsuit for the families who lost loved ones to the deadly shots. And for those whose lives have been destroyed. And the plaintiffs are being heard as they share their painful stories.

Action Alert: WHO Update: Medical Freedom Still in Peril

A lot has been happening behind the closed doors of the World Health Organization's (WHO) bureaucracy as it seeks to be the global puppet master in a future pandemic. We need to keep fighting to preserve our freedoms.

Summary:

- We're getting ever closer to the May meeting of the World Health Assembly where important decisions will be made regarding how future pandemics will be handled.
 - Recently-revised drafts of the International Health Regulations (IHR) and the "Pandemic Treaty" differ in some details but still represent a major assault on our freedoms.
 - We must oppose these changes, either by ensuring they must be ratified by the US Senate or by leaving the WHO altogether.

Action Alert: Exit the WHO Now! How many lawmakers can we wake up?

Published: Apr 18, 2024

Our Stand: At-A-Glance

- America could possibly give up sovereignty next month at the WHO meetings, yet HR79 (The WHO Withdrawal Act) still lacks the urgency needed to pass Congress. It's not time to give up, it's time to show up.
- Votes on the pandemic treaty and amendments to the IHR are scheduled for the 77th World Health Assembly during the last week of May 2024.
- Many in Congress still do not see that the WHO is poised to be the center of a global health architecture, and the Biden administration is full steam ahead on those plans.

- Congress has a duty to protect U.S. citizens by checking the actions of presidents when they overstep the Constitution.
- The pandemic treaty and IHR amendments are both aimed at imposing global priorities on U.S. states.
