+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. **We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts O' Lord.. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others.** We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for wickedness, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo

priest, shaman, soothsayer, medium, bruja, brujo, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

Tennessee Governor Bill Lee has signed a bill calling for 30 days of prayer and fasting beginning July 1 in the Volunteer State--The resolution asks the people of the state 'to seek God's hand of mercy healing on Tennessee'

(LifeSiteNews) — In what has been described as an “[historic gesture](#),” Tennessee Governor Bill Lee has signed a bill calling for 30 days of prayer and fasting beginning July 1 in the Volunteer State.

Tennessee House [Joint Resolution 0803](#) asks the people of the state “to seek God’s hand of mercy healing on Tennessee.”

A [letter](#) signed by Tennessee state Senator Mark Pidy and Representative Monty Fritts accompanying the resolution invites “those who are physically able and spiritually inclined to do so to join in a 30-day season of prayer and intermittent fasting for the month of July as a means of humbling ourselves to receive God’s grace, mercy, and blessing in Tennessee and in our Nation.”

“We are respectfully inviting you to join with us in leading the people of God across Tennessee into a time of humbling ourselves, praying, seeking God’s Face, and repentance during July,”

The language of the legislators is reminiscent of 2 Chronicles 7:14: “If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.”

They ask that the resolution be read during church services across the state on Sunday, June 30, and for congregants to:

- “Examine our lives in light of God’s Word and confess of our sins,”**
- “Acknowledge that we, as the Church, have failed to stand for the principles of God, ask for His Forgiveness and Mercy, and commit to stand firmly on those principles going forward,”**
- “For those who are able, join in prayer and intermittent fasting as a means of demonstrating our desire for repentance.”**

The resolution begins by [acknowledging the many ways that the “State and Nation suffer from violence committed upon our citizens by our citizens” and “non-citizens.”](#)

The people of Tennessee are called to repent and pray because “human trafficking is an unacceptable and violent evil in our State, enslaving lives and violating the core values of our Creator-endowed rights to life, liberty, and the pursuit of happiness.”

The resolution goes on to [acknowledge that drug addiction overwhelms Tennessee families and the state’s finances, especially fentanyl.](#)

“We have approximately 9,000 children in need of foster care, indicating a brokenness in many Tennessee homes,” the resolution continues, and “corruption in our federal government stands to impact every Tennessean.”

Galatians 2:19-21

The Top Headline for 6-23-24 the Drudge Report Reads: Why it's too late to stop World War 3

Imagine, for a moment, that the Iranian government announces it has developed a **nuclear bomb** and threatens to use it on Israel. The United States reacts with the threat of military intervention, as it did in 1991 and 2003 in Iraq. Iran signals that it will not tolerate a third Gulf war and looks for allies. American forces mass to enter Iran, which orders national mobilization. Russia, China and North Korea express their support for Iran, and Washington expands its intervention force, bringing in a **British contingent**. Russia enters the game, raising the stakes in the expectation that the West will back down. A nuclear standoff follows, but with tense and itchy fingers on both sides, as leaders gamble on the risk of not striking first, it all ends in disaster. The **Third World War** begins with an exchange of nuclear fire, and the rest, as they say, is history.

Or picture this: Chinese frustration over the status of Taiwan prompts a build-up of invasion forces. The United States is preoccupied with its own domestic political crisis. Japan anxiously watches the exchange of harsh words between China and Taiwan, wondering whether to intervene. The United Nations condemns Chinese actions, and China repudiates the censure and orders invasion, confident that a quick victory will prevent others from intervening, as Hitler hoped when he invaded Poland in 1939. The United States now activates contingency plans to save Taiwan, and each side uses tactical nuclear weapons against the other's armed forces. North Korea and Russia side with China. There is no general nuclear strike, but Russia warns Europe to keep out, dividing American strategy between the two theatres, as it was in the Second World War. The conflict continues to escalate.

Why Conscription Is Coming Back and What You Can Do About It

UK Prime Minister Rishi Sunak recently pledged to bring back mandatory national service.

The German government has also mulled reinstating compulsory military service. In Ukraine, it's not uncommon for government agents to forcibly kidnap civilians off the streets and send them to the front.

These are a few recent examples. There seems to be a clear trend of governments preparing their citizens for some sort of mandatory national service.

The US is now automatically registering all males between 18 and 26 into the Selective Service databank.

Anyway, this trend towards conscription everywhere in the West is most disturbing.

Pentagon Funds Lab-Grown Meat Initiative—This will fund research for novel cell culture methods and military rations

6/21/2024--A Department of Defense (DOD) initiative would involve feeding U.S. troops lab-grown meat as part of its campaign to stem “global climate change,” according to a watchdog group that has recently drawn attention to the initiative. BioMADE, a lab-grown meat manufacturer which is sponsored and funded by the U.S. Department of Defense, touted its record of innovation in announcing a federal funds budget ceiling increase to \$500 million to assist in implementing the plan, according to a March 7 release. “Should U.S. soldiers really be serving as guinea pigs or lab rats for an experimental new lab-grown product in which there aren’t any long-term studies and the public doesn’t know the ingredients?” Mr. Hubbard told The Epoch Times.

“Why are we using American tax dollars to feed our troops a product most people wouldn’t give to their own children?”

Synthetic meat-like products are created by taking cells acquired from animals and placing them in a warm, sterile area—usually a metal vat—where they are then combined with a solution of chemicals that causes the cells to double once a day. Certain ingredients are withheld from the public due to proprietary rights of the producers.

Somebody is Planning Something - BIG - in New York City; Police Uniforms, Police Car Decals, and Police Radios all . . . MISSING

Real trouble seems to be brewing in New York City as word comes of missing NYPD Uniforms, Police Car Decal kits and Motorola Radios.

We begin with the uniforms. According to internal NYPD sources, nineteen (19) full NYPD uniforms have gone missing from a Dry Cleaner. The only item not included with the uniform theft is the Badge.

Another NYPD internal source also confirms that two-hundred (200) full and complete sets of NYPD police car decals, have also gone missing from the vendor who supplies them to the city police department.

A third internal NYPD source revealed today that thirty-one (31) unassigned Motorola VX-P949s police walkie-talkies are "unaccounted for" and have access to all NYPD channels and encryption protocols.

So . . . who is it that's grabbing all this NYPD gear, and what is it they are planning?

An NYPD uniform, car, and radio will get the bearer into literally anywhere, at literally any time, virtually unquestioned.

With that kind of access, a perpetrator could do just about . . . anything.

Wall Street to List America's Protected Public Lands, Including National Parks & Wildlife Refuges on NYSE Starting November 17

Unless it is stopped – and let's face it: what are the odds of that happening? – the United States government is planning to **pass a rule** on Nov. 17, 2024, to allow Wall Street to assume total control over America's public lands, waters and other natural resources.

Before the end of the year, the plan is to list all of America's protected lands, including parks and wildlife refuges, on the New York Stock Exchange (NYSE) under a new classification called Natural Asset Companies (NACs). As with everything else on Wall Street, NACs will be owned, managed, traded and ultimately controlled by money changer entities like BlackRock and Vanguard – and even communist China.

Wall Street is already trying to control the air through so-called "carbon credits" and other associated financial instruments, with little success. **There was an entire carbon exchange that was created in the early 2000s that ultimately failed in 2005. There is still an ETF called the Climate Exchange-Traded Fund, but that, too, faces delisting.**

Then came ESG and the attempted further monetization of the environment, a scam that is also failing as it faces "a perfect storm of negative sentiment." Investments in ESG fell by \$163 billion just in the first quarter of 2023. Net-Zero is also in the mix, and also threatens to blow up the carbon scam.

With all these "green" scams falling apart, the next Wall Street scheme involves monetizing publicly owned natural resources, allowing corrupt entities like Bill Gates to hold the ecosystem rights to land, water, air and even natural processes. **"Each NAC will hold 'management authority' over the land," "When we are issued carbon allowances, owners of said lands will be able to claim tax deductions and will be able to sell carbon allowances to businesses, families and townships."**

“In the simplest of terms, that’s where the money will be made. WE peons will be renting air from the richest people on earth.”

Soon there won’t be anything left for the public to enjoy

If the money masters get their way, the following will soon be owned and controlled by the globalists:

- National parks
- National wildlife refuges
- Wilderness areas
- Areas of critical environmental concern
- Conservation areas on private and federal lands
- Endangered species critical habitat
- Conservation reserve programs

Even The Nature Conservancy (TNC), the largest conservation organization in the United States, is up for grabs as this 501(c)3 holds \$6 billion worth of land on its books – land that was taken using *your* money, i.e., taxpayer-funded government grants and donations, and transferred to TNC to do with as it wishes.

“If this rule passes, America’s conserved lands and parks will move onto the balance sheets of the richest people in the world,” “Management of those lands will be decided by them and their operations, to say the least, will be opaque.”

There is, **or rather was**, a comment period allowing the public to provide input about the proposal to the Securities and Exchange Commission (SEC). American Stewards of Liberty, the Committee for a Constructive Tomorrow, the Kansas Natural Resource Coalition, the Financial Fairness Alliance and the Blue Ribbon Coalition have all commented, as have 3 Republican senators.

+2+ European Country To Begin Offering H5N1 Bird Flu ‘Vaccines’

The EU’s Health Emergency Preparedness and Response Authority (HERA) will sign a joint procurement contract with Seqirus on behalf of 15 member countries, according to *POLITICO*.

The contract secures hundreds of thousands of doses of the bird flu shot for Europe.

Finland will get the first doses.

The first batch of vaccines will be immediately shipped to Finland, the official said, where workers in mink farms are considered at risk of contracting the virus from contaminated animals.

The contract is currently for 640,000 doses, with the possibility to buy up to 40 million doses over four years.

Scientific Research has Indicated that 73.9% of Examined Deaths are Now Being Linked to COVID-19 Vaccinations!--A Systematic Review of Autopsy Findings

The rapid development and deployment of COVID-19 vaccines were hailed by the MSM as one of the greatest scientific achievements of our time. However, as with any medical intervention, concerns about potential side effects and adverse reactions have persisted. A recent systematic review published in *Forensic Science International* has brought these concerns into sharp focus, examining autopsy findings in deaths following COVID-19 vaccination[1].

The study, led by Nicolas Hulscher and a team of researchers, aimed to investigate possible causal links between COVID-19 vaccine administration and death using autopsies and post-mortem analysis. **Their findings paint a sobering**

picture that demands urgent attention from the medical community and policymakers alike.

The results of this systematic review are nothing short of alarming. As the authors state in their abstract: **"We found that 73.9% of deaths were directly due to or significantly contributed to by COVID-19 vaccination."**

Primary Causes of Death

Among the 240 deaths adjudicated as directly due to or significantly contributed to by COVID-19 vaccination, the primary causes of death included:

- Sudden cardiac death (35%)
- Pulmonary embolism (12.5%)
- Myocardial infarction (12%)
- Vaccine-induced immune thrombotic thrombocytopenia (VITT) (7.9%)
- Myocarditis (7.1%)
- Multisystem inflammatory syndrome (4.6%)
- Cerebral hemorrhage (3.8%)

These findings align with known mechanisms of injury associated with COVID-19 vaccines, including thrombogenicity, immune system dysfunction, and Spike protein-associated tissue damage.

Michael Yon: A striking message from a friend from my Army days--She sent this message today about a family member who took Covid jabs and went insane--Her story is one of many I hear from others

[@Michael_Yon](#)

By the way, I have known this friend so long that she actually has this photo of me...she's very reliable: —
"Michael I watched the Podcast. Thank you for keeping us updated. As always you are very informative. **"The Podcast mentioned how mentally-ill the jabbed people are becoming. This hit home.** I'll make this as short. "My nephew is 40 years-old. Married to his college sweetheart for 10 years with so much love. **"Wife and husband jabbed 5 times each. Their 5 year-old son has had 2 maybe 3 jabs.** They are active with education, lots of reading, outside learning and going to museums frequently. "Happy family - family oriented... "A few weeks ago, my nephew came home from work and told his wife he is TRANS. It was like a light switch. "One might think this would break the family. But this is not the case. His wife is very supportive and taught him to walk in heels and put on makeup and dress like a woman. "I can't fathom why she has accepted this and so quickly. "This blew my mind in so many ways." "Before the Jab era, I believe a wife would take her child and leave with a broken heart. **But instead of having any kind of common sense or family values they help daddy with his pretty clothes.** "This new way of life does not fit my nephew or his wife in any way whatsoever. It is extremely off the

wall. “I think it would have more of an explanation if we saw signs over the years and then blame the jab for a trigger. But with this being such an instant change without prior indications, I’m going with the overload of chemicals in the jab. “Anyone else have this bizarre situation happen? Wife and Husband treating it like it’s a blessing???” “My biggest worry is for their child. God have mercy” — END MSG— From Michael Yon — as I mentioned, I have known her for decades. Very reliable. Making this all the more serious.

WHO Director Tedros: 'It's Time to be More Aggressive in Pushing Back on Anti-Vaxxers'

During a talk titled “Celebrating 50 years of immunization progress,” Tedros said: “You know the serious challenge that’s posed by anti-vaxxers, and I think we need to strategize to really push back.”

READ: Japan’s most senior cancer doctor: COVID shots are ‘essentially murder’

“I think it’s time to be more aggressive in pushing back on anti-vaxxers,” he stated. “I think they used COVID as an opportunity, and you know all the havoc they are creating.”

The WHO has previously attacked people opposed to the dangerous, ineffective, and abortion-tainted COVID shots, baselessly smearing critics of the experimental injections as a “major killing force” and attempting to link them to the “far right.”

The WHO and Tedros completely disregard overwhelming evidence that the experimental COVID injections have caused millions of deaths and serious injuries and the dramatic recent pronouncement from a former Japanese government minister apologizing for such deaths.

Michael Yon--Very important update from Japan on the Replicon mRNA shots that will threaten a biological tsunami on the entire world

From the interview on the Jim Fergusson Show.

"Those who become infected are being referred to as "replicons" They will go on to infect everyone who gets near them and will in turn infect others.

The term "Replicons" will be the term used to describe those who take the shot and replicate the spike shedding and cause massive infection in other people who they come into contact with us.

The globalists are planning to inject thousands with a self-replicating mRNA variant gene editing shot in a football stadium in Yokohama that seats 40,000 people and which that is designed to cause massive spike shedding of the most dangerous kind."

The Globalist parasites have almost completed the building of their secret bunkers. Are they going to suddenly disappear as the rest of humanity faces this unprecedented crisis **and is this "The Event" that has been whispered secretly in Elitist circles for the last 18 months. Is this how they plan to get every human to have mRNA into their bodies?** Weaponized mass Illegal Immigration is at an advanced stage and the illegals will be used to control indigenous populations and lockdown entire cities carrying out the globalist orders. Michael Yon who is a former US Special Forces veteran and Green Beret **has uncovered a truly horrific plan that is imminent. He has been working with top Japanese virologists who have exposed this dangerous and horrific plan.** The ultimate plan is to reduce population but this new development will mean that everyone who gets into close contact for example by sharing public transport will mean that the unvaccinated will become infected.

How To "Unfold" The Spike Protein of COVID-19 (and the VAX) Making it Go Away!

A peer-reviewed medical study shows two, common, over-the-counter supplements, combine to destroy the spike protein of SARS-CoV-2. This article reprints the peer-reviewed study and tells you what supplements THEY used that wiped-out the spike protein. Maybe, people who took the "vaccines" can use this to wipe out the spike proteins inside themselves, that are making many of them sick, and killing many others?

This peer-reviewed paper was published in March of 2021, but no one in the media bothered to tell the public. The only thing the media did was push the "vax." Now, a lot of people are dead, dying, or very sick from the vax.

Below, is the study which showed two over-the-counter food supplements, Bromelain and N-Acetylcysteine (NAC), when used together - not separately - cause the spike protein bindings to fall apart and dissolve into nothing. Images of the results are below!

+3+ Bible Verses: What did Jesus and the Bible say to be on the lookout for regarding the days and times we are living in?

[Dan 2:41](#) And whereas thou sawest the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay.

[Dan 2:42](#) And as the toes of the feet were part of iron, and part of clay, so the kingdom shall be partly strong, and partly broken.

[Dan 2:43](#) And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.

[Gen 6:1](#) And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,

[Gen 6:2](#) That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose.

[Gen 6:4](#) There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

[Gen 6:5](#) And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.

2 Peter 2:4-6: “For if God spared not the angels that sinned, but cast them down to hell (from the word Tartaros (the deepest abyss of Hell, only used once in the whole Bible), and delivered them into chains of darkness, to be reserved unto judgment; 5) **And spared not the old world, but saved Noah the eight person, a preacher of righteousness, bringing in the flood upon the world of the ungodly,** 6) And turning the cities of Sodom and Gomorrha into ashes condemned them with an overthrow, making them an example unto those that after should live ungodly...” **Notice that the angels that were cast down to hell is referenced in the same time frame as Noah or Gen. 6.**

Matthew 24:37 But as the days of Noe were, so shall also the coming of the Son of man be.

Luke 17:26 And as it was in the days of Noe, so shall it be also in the days of the Son of man.

Eph 6:12: *For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.*

According to the teaching of the Bible, evil spirits of the darkness (fallen angels) dominate and rule people of the world by sins. Evil spirits entice and enslave with various sins presented to the people of this world.

God delivers man from the slavery of sin and satan by faith of Jesus Christ, when we believe in Jesus Christ, the Messiah. When man confesses his sin to God and repents and believes in the Lord Jesus, God will forgive his sins, and he receives eternal life through the Lord Jesus Christ.

[Cloning, DNA Manipulation & Corrupting The Seed & the Book of Enoch-Part 1](#) By Dr. Scott Johnson | May 4, 2008 |

[Cloning, DNA Manipulation & Corrupting The Seed & the Book of Enoch-Part 2](#)

The interpretation of Genesis 6:4 that the Nephilim are half human, half fallen angel makes this very simple to understand. God made a way for man to be saved from his sin through grace by faith in His Son **but He did not make a way for the angels that rebelled to be saved.** Therefore, a mixture of the two kinds would be a corruption and the result a ‘fallen race’. It is interesting that Genesis tells us that ‘all flesh’ was corrupt in the days of Noah. What does that mean? We know that God destroyed all the animals as well as all people except those brought on the ark with Noah and his family. We will explore this topic further in this study. Now, what is man doing in creating these hybrids whether they are human/animal or plant/animal? Man is mixing kinds together and creating a corrupt and defiled race. Frankly, man is messing with things he has no right to manipulate – he is in effect trying to play ‘God’, which goes right back to the original sin in the garden.

In this post, I show further analysis of the same

fluorescent blue filaments that have been shown to come out of C19 injected individuals and the fluorescent orange spots.

Initially we sounded the alarm that the C19 injected are flowing and have these filaments coming out of them. Unfortunately, I found the same thing is going on now in the C19 uninjected from the bombardment and poisoning of our atmosphere via geoenvironmental warfare, our food and water supply.

I had shown those filaments and orange spots in multiple posts:

Scott Johnson's Comment: I ordered one of those 365NM lights (they are using in the report above) & regarding the nano tech, mentioned in the report I just cited, it is all over the walls, the carpet, the roof, it covering every garment we have (even right out of the washer). I took a hot shower and scrubbing myself and I was no different after I got out of the shower, just as bad, I and 99.99999% of all humanity are totally infected with this Satanic garbage! It is disgusting but it is like trying to get away from the air, as it is coming down in the chemtrails. It is impossible to get away from. I put boron liquid, fulvic acid, grain alcohol, thieves spray all separately on these fibers under the 365nm dark light and it made zero difference.

I mean a lint roller will get a lot of it on the right surface, but even then, it is this is like rearranging the deck chairs on the titanic.

This is why I have this in the group prayer:

++ & for the Lord to deactivate, neutralize, destroy and purge any and all Covid-19 vaccine spike proteins, nanobots, nanoparticles, nanotech, Graphene Oxide, microchips, implants, Luciferase, Hydrogel, wicked bacteria, viruses, candida, prions and parasites in or on our bodies and to deactivate, neutralize, destroy and purge any other wicked things the globalist elite may have gotten into our bodies.
