Therefore, brethren, stand fast, and hold the traditions which ye have been taught, whether by word, or our epistle. — 2 Thessalonians 2:15

Not long ago, I was texting with a friend of mine who shared a video with me. We were talking about the state of Florida and that hurricane season was just beginning. He made a joke that perhaps there would be an opportunity for me to meet a popular meteorologist in Florida who loves hurricane season.

As he continued to talk, he began to talk about other various things involving hurricanes. Soon, I had a video that came through where a meteorologist was standing in the middle of an intense storm, with the wind blowing all around him. He was holding on to a sign, just trying to stay on his feet.

Life can sometimes feel that way. There are times in our spiritual lives when we face storms, and the winds seem to blow so hard that it is all we can do to stand. It feels as though we might need to grab onto anything we can just to remain standing.

In this verse, Paul is not specifically referring to storms but about everyday life. In other words, in the good times and in the bad times. No matter what you are facing, Paul describes standing fast, holding on to the traditions. There was no reason to give up and sit down because of God and all He had done in the past. All the stories and all the experiences gave purpose to stand up and keep going. Maybe you feel like giving up today. Perhaps you feel like it is time to just sit down and be done. Instead, consider the words of Paul here. Remember the times God has intervened. Remember the moments He spoke and moved in your life in the past. You have a reason to continue on. Don't give up and sit down. Stand firm and stand strong!

SCRIPTED: New human vaccines are already developed and stockpiled for a pandemic H5N1 bird flu that doesn't even exist yet

New human vaccines for pandemic bird flu have already been developed and stockpiled by the U.S. government. Even though this strain of bird flu has not even been transmitted from human-to-human, there is already a new supply of H5N1 vaccines and other [mRNA "bird flu" vaccines in the works](#).

These vaccines introduce a genetically-specific antigen from the most recent strain of [influenza A virus sub-type H5N1](#).

But how do the vaccine companies know that this specific strain is going to be responsible for a pandemic flu?

Historically, scientists have not been able to guess the genetic mutations of upcoming flu strains and crossover viruses.

While the current risk of transmission to humans is extremely low, the very existence of a bird flu vaccine stockpile should make anyone wonder whether a specific strain of the bird flu has already been predetermined, developed and currently is being worked on for mass release into the population. Bioweapon development and predatory vaccine research has not ceased, even after SARS-CoV-2 and COVID-19 vaccines were tested out on the population with horrific planned results.

Former CDC Director Robert Redfield [warned earlier this year](#), that in order for bird flu to jump to humans, **it must have been developed from nefarious scientific gain-of-function research. All the conditions for a new pandemic are in place again, and the interests that seek to profit from a new pandemic are already clamoring for control -- starting with [predatory vaccine programs](#) and "pandemic treaties" that give more power to globalists, enriching their multi-national businesses interests.**

World Health Organization (WHO) Chief Scientist Jeremy Farrar, [who was implicated in the coverup of SARS-CoV-2](#), **is already telling the world that the bird flu will evolve and "develop the ability to infect humans."** WHO is currently trying to pass a pandemic treaty that will dissolve national sovereignty and individual autonomy on a global scale, forcing populations to submit to WHO's global controls, their bioweapons development and coverups, their predatory vaccine research and passport systems, among many other horrifying systems of surveillance and abuse.

Since a vaccine is already developed and stockpiled for a bird flu strain that hasn't even evolved yet, the economic and societal pressure to unleash a new pandemic is imminent. These pressures include ramping up a profitable new PCR testing platform which will unleash a barrage of positive test results for a sick and immune-compromised population. This will further justify governmental controls and money laundering schemes that will ultimately be used to advance the global vaccine passport system, complete with central bank digital currency, more technocratic controls, surveillance and social credit scores for compliance.

Medical Study Reveals 1,236% Increase in Deaths Following Covid "Vaccination"

A [study](#) co-authored by [Dr. Peter McCullough](#), published Monday, has found that there was a 1,236 percent increase in death in King County, Washington between 2020 and 2023. The county has a high rate of vaccination, as 98 percent of its residents received at least one Covid injection by 2023. The researchers concluded by giving their opinion on the findings and documenting why the death rate increase is attributed to the Covid injections. "The biological plausibility of death from acute cardiac and pulmonary causes after COVID-19 vaccination has been previously demonstrated and is concerning given these real-world observations" the [study](#) said in the 'Conclusions' section. The Covid shots are also known to [increase in lethality](#) after repeated doses, [increase Covid infection](#) rates, result in [turbo cancers](#), [reproductive destruction](#), [cause miscarriages](#), [paralyzation](#), autoimmune disorders [in the thyroid](#), as well as deadly [headaches](#), [seizures](#) and [heart inflammation](#) in addition to a multitude of serious ailments seen in [massive population studies](#) and contain [hundreds of times the allowable levels of DNA contamination](#) leading to mutagenic effects, as well as likely permanently [altering the DNA](#) of the vaccinated and their offspring.

Previous Report--MSM Silent As Court Holds PCR Covid Tests 97% Inaccurate - Unfit for Purpose

27 Nov, 2020--The main stream media (MSM) in Europe and the US is deathly silent as a court determines the PCR test legally [useless](#) to test for Covid.

The Landmark legal ruling finds that Covid tests are not fit for purpose. So what does the MSM do? They ignore it

Four German holidaymakers who were illegally quarantined in Portugal after one was judged to be positive for Covid-19 have won their case, in a verdict that condemns the widely-used PCR test as being up to 97-percent unreliable, with a strong chance of false positives

The deliberation of the Lisbon Appeal Court is comprehensive.

They were also scathing about the reliability of the PCR (polymerase chain reaction) test, the most commonly used check for Covid.

The conclusion of their 34-page ruling included the following: *“In view of current scientific evidence, this test shows itself to be unable to determine beyond reasonable doubt that such positivity corresponds, in fact, to the infection of a person by the SARS-CoV-2 virus.”*

In the eyes of this court, then, a positive test does not correspond to a Covid case. The two most important reasons for this, said the judges, are that, *“the test’s reliability depends on the number of cycles used”* and that *“the test’s reliability depends on the viral load present.”* In other words, there are simply too many unknowns surrounding PCR testing.

Portuguese, German, Dutch & Austrian Court Rules PCR Test Not Suitable For COVID-19 Diagnosis And That Lockdowns Had No Legal Basis

April 8, 2021-- Following the Portuguese, German and Dutch rulings, now the Austrian court has ruled that PCR tests are not suitable for COVID-19 diagnosis and that lockdowns has no legal or scientific basis.

It is expressly pointed out that, even according to the World Health Organization, *“a PCR test is not suitable for diagnosis and therefore does not in itself say anything about the disease or infection of a person”*.

+2+ Pro-life groups are terrorists says military briefing at Fort Bragg & it’s been a part of training for military police and ACP for years!

On Thursday, [Sam Shoemate](#), described on his X profile as an analyst, watchdog, and “advocate for service members seeking justice,” [posted about an anti-](#)

[terrorism brief](#) held on Fort Liberty (formerly Fort Bragg), a U.S. army installation in North Carolina. He posted a photo of a slide (above) included in the training, listing several pro-life organizations as terrorist groups. Shoemate stated the slide followed another slide about ISIS and prominently featured [Operation Rescue's](#) logo under the title "TERRORIST GROUPS." The slide contained bullet points, including one stating Operation Rescue "Opposes *Row v. Wade*."

Apparently, the creator of the slide was unaware of what the vast majority of Americans know – the U.S. Supreme Court agreed with Operation Rescue's opposition to the 1973 case and completely overturned *Roe v. Wade* in 2022.

"The person who created

the slide was obviously uninformed and could not even manage to correctly spell the word *Roe*," said Operation Rescue President Troy Newman. Fort Liberty was extremely irresponsible to allow this nonsense into its training material. It's absurd when you consider that we are like-minded in our work. We are all working to save innocent lives. Our fight, which, of course, is done through peaceful, legal means, just starts earlier – from the moment of conception. "It is utterly ridiculous that Operation Rescue and other groups that work to defend innocent babies would be put in the same category as groups like the Islamic extremist group al-Qaeda

Americans Are More Likely To Go To War With The Government Than Submit To The Draft

In a national poll last month Americans were asked if they believed a new civil war was likely to happen within their lifetime. The establishment media was shocked to report that 47% of the population said yes. Those of us in the liberty media were not so surprised; I believe according to the evidence that we were

already a short step away from civil war.

There are A LOT of Americans (millions) getting ready for the possibility of vaccine passport enforcement. Gun ownership in the US has also hit record highs and the conservative/patriot groups saw a spike in public interest. As it turned out, the “conspiracy theorists” were right all along, there really was an organized agenda to eliminate constitutional protections...

If we had allowed the vax passport policy to take hold, our liberties would have been officially erased forever. Economic freedoms would be abolished. Access to the jobs market and trade would be impossible for anyone refusing the vaccine. Real-time tracking of the population along with a social credit system would have become the norm using mandatory cell phone apps. After that, America would essentially turn into a Chinese-style concentration camp.

A lot of people woke up during that period of the Covid scamdemic and realized that an attempt at a totalitarian state in the US was not only possible, it was happening right in front of them. Luckily, anti-mandate conservatives were loud enough and the majority of red states passed legislation to block lockdowns and vax passport efforts. The Biden Administration, the CDC, the WHO and globalist groups like the WEF abruptly backed away from their draconian programs and gave up on the mandates by the end of 2022. And to anyone who actually believes the CDC numbers on total vaccinations are accurate, I have a bridge in Brooklyn to sell you...

That said, the same people are still in power today and those people are looking for another avenue to institute sweeping controls on the populace. One tried and true method for them to achieve that goal is to start a global war and then use the inevitable chaos and fear to bring in authoritarian measures. In other words, WWIII might be Plan B.

The signs of this plan are everywhere, but perhaps most disconcerting is the growing discussion among western nations about military conscription (the draft).

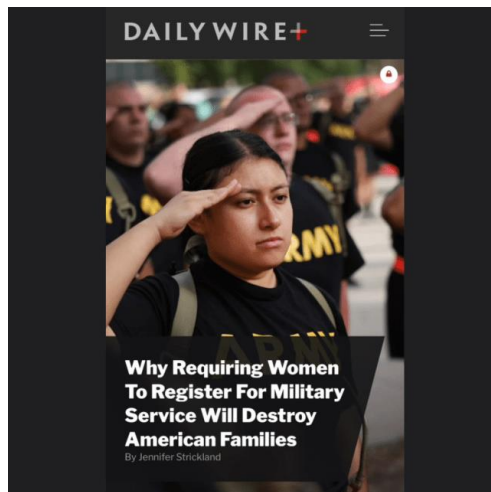

The most recent passage of the NDAA (National Defense Authorization Act) included a measure to automatically register all males ages 18-26 for the selective

service list. To be clear, signing up for the selective service was already mandatory, the new NDAA only made it immediate instead of relying on young men to sign up on their own accord. There has also been a drive to automatically add women to the draft database.

Critics argue that the public is “overreacting” to the bill because it changes very little in terms of the draft scenario. What these people don’t understand is that it’s not the minor revisions in the NDAA that have the public concerned, it’s the overall increase in rhetoric surrounding the draft that matters. Numerous military officials in the US and Europe have mentioned conscription in the past year.

<https://www.theburningplatform.com/2024/07/04/americans-are-more-likely-to-go-to-war-with-the-government-than-submit-to-the-draft/>

Why Requiring Women To Register For Military Service Will Destroy American Families

If American women 18 and up are required to register for the military draft, it will be the linchpin to the dismantling of America. As the first leader of the Soviet Union, Vladimir Lenin, once [said](#), “Destroy the family, destroy the nation.”

By forcing young women into war in their prime years of marriage and motherhood, not only would we negate their natural desires for home and family, but we would also potentially leave children separated from both parents in time of war. Absent mothers create a vacuum of stability and love that is essential to the family. When parents are absent from the home,

[children suffer](#) from insecurity, loneliness and emptiness, and embark on a constant quest for approval to fill the void of love. They show higher rates of psychiatric disorders, including depression and anxiety, and suffer poor motivation and success in school.

Lenin also [said](#), “A lie told often enough becomes the truth.”

There is a repetitious lie alive in America today: being male or female is a “feeling,” not a reality. [CLICK HERE](#) to read the rest and leave your comment!
