Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines: "**Reprove**": To blame, to convince of a fault, or to make it manifest, to excite a sense of

guilt. "**Circumspectly**": Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

"Communications": companionship, communion

"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men." Samuel Adams

“The average age of the world's great civilizations has been two hundred years. These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage.” Alexander Fraser Tytler

+1+ STRATEGIC WARFARE PRAYER

Father God in heaven, in the name of the Lord Jesus Christ we come against & oppose all satanic operations, manipulations, tactics and plans **which are designed to hinder or prevent God's original plans and purposes** from their swift manifestation taking place in their correct time and season. (Daniel 7:25) **We come against all satanic alliances and confederations worldwide. Let every evil effort and endeavor fail. Cause the news media to be caught in their own lying and manipulation so that only the truth is brought forth.** (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We ask that every satanic strategy of prohibition and limitation placed upon the Body of Christ (by the dark side), shall not prevail. We pray that all invisible and visible walls of opposition and delay will be exposed and destroyed.** (Colossians 1:16; Joshua 6:1) **Oh Lord confound the devices and the wicked plans of the enemy that they have crafted, so that their hands are not able to perform their evil enterprise. Save those that can be saved O' Lord, but those that cannot be saved; overtake them in their own crafty and devious ways; let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secretive and destructive measures designed destroy all of God's creation and defile the world. According to 1 John 3:8 for this reason, was the Son of God made manifest, that He would destroy the works of the enemy.** (John 2:15-17; Acts 16:16-19) **Father God overrule all strategies and curses of the enemy by the power of Jesus Christ and His shed Blood; & overthrow all spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17, & break the curses** associated with all these ceremonies, rituals, utterances, and destroy their plans to bring about a chaotic bloody revolution in worldwide & to usher in Martial Law and the New World Order. **Father God, we pray their plans shall be uncovered and not prevail & shall be frustrated and unable to achieve any impact & that their wickedness and violent verbal dealings would return upon their own heads, according to Psalm 7:16.**

FATHER GOD, WE HUMBLY ASK YOU TO: Reveal every hidden agenda and cover-up in the secret shadow government regarding their attempts to manipulate end time events which would lead to the destruction of Your Christians & the innocent. (Isaiah 44:25; 2 Timothy 3:8) **Please send divine, powerful angelic forces against their diabolical plans to expose & destroy them. We dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11)

Release your divine strategies and revelations upon any righteous person in government, worldwide. **Fill them with Your Holy Spirit and cause Your divine wisdom & courage to come upon them.** (James 1:5) Cause them to be like a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided & when they communicate let it be incoherent and misunderstood. (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, until which time they then be cast into the lake of fire, AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR PLACE.** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they will accomplish your divine will. (Psalm 57:4) **WE SEAL THIS PRAYER BY THE BLOOD OF THE LAMB AND ASK ALL THESE THINGS IN THE NAME OF THE LORD JESUS CHRIST, AMEN!**

Pallets of bricks delivered ahead of Chicago DNC; Antifa prepares for 'summer of rage' Suspicious deliveries of bricks have been reported on street corners in multiple locations across Chicago as the city braces for the Democratic National Convention (DNC) 'Hell Week'

This is sparking speculation that the city could experience a new wave of organized chaos similar to other violent protests of previous years.

The presence of these bricks is not an isolated incident but a strategy with a well-known history. In the summer of 2020, similar deliveries were reported in various cities across the United States, including Minneapolis, New York, and Portland. These cities experienced protests against police brutality that turned into riots. Authorities and citizens connected these pallets of bricks to groups such as Antifa, alleging that the groups used them to arm protesters and stoke violence under the guise of legitimate demonstrations.

— Fred From Brooklyn (@FredBrooklynOG) [August 18, 2024](#)

In Chicago, the arrival of these deliveries has rekindled concerns about 'Hell Week'—a term used to describe the period surrounding the DNC due to the

expected large-scale protests and civil unrest. The gathering of thousands of protesters, activists, and political groups, some with a history of radical action, creates the potential for confrontations. Based on past events, these pallets of bricks could signal the possibility of violent clashes between demonstrators and law enforcement, leading to widespread property damage and chaos.

Pharma, WHO Team up to Create Permanent 'Pandemic' Market for Mandated, Experimental Vaccines

Big Pharma and its key investors are rolling out a new strategy — “the full takeover of the public sector, specifically the World Health Organization (WHO), and the regulatory system that now holds the entire market hostage” —

What’s behind the new strategy? The pharmaceutical industry is facing a “[patent cliff](#)” by 2030, as many of its blockbuster drugs are set to lose their patent protection, placing [\\$180 billion in sales at risk](#) and threatening to topple the industry.

For years, when patents expired on profitable [drugs](#), pharmaceutical giants deployed a “mergers and acquisitions” strategy, buying up smaller drug companies to add to their product portfolios. As a result, the industry is now dominated by a handful of companies, conventional chemical drugs exist for most health issues, and the regulatory process for new ones has become onerous.

Also [Big Pharma](#) has now pivoted to acquiring [biotech](#) and [biologic companies](#). Conventional drugs are chemically synthesized and have a known structure according to the U.S. Food and Drug Administration (FDA). [Biologics](#) come from living humans, animal or microorganism cells, and are technologically altered to target particular proteins or cells in the immune system. The FDA calls biologics “complex mixtures that are not easily identified or characterized.”

However, there are serious safety issues associated with biologics — the high risk of [serious adverse events](#) associated with the [COVID-19](#) vaccine, for example.

“[Luckily for Big Pharma,](#)” the WHO and its private backers “are pursuing an unprecedented legal process that would cement loopholes that could solve these significant market challenges of at least some biotechnologies.”

Such loopholes made [Pfizer](#) and Moderna’s [COVID-19 mRNA vaccines](#) — the paradigmatic example of this new strategy — Big Pharma’s highest-selling annual market success ever.

Distribution of the COVID-19 vaccines to approximately 70% of people globally was possible only because of the “fast-tracked, deregulated development and mandated consumption of the experimental drugs”.

The industry hopes to replicate that model with other drugs. And it has already begun — last month the Biomedical Advanced Research and Development

Authority, or [BARDA](#), gave [Moderna \\$176 million](#) to develop an [mRNA bird flu vaccine](#).

Stakeholders behind the WHO have turned it into an arm of Big Pharma whose process of rapidly developed and mandated experimental drugs was first adopted by the U.S. military for [bioweapons threats](#). Now, it is being internationally legitimized by the WHO through the agency's [revisions to the International Health Regulations](#) (IHR) and its continued attempt to push its [pandemic treaty](#).

The amendments were [watered down](#) and the treaty was partially thwarted at the last meeting of the World Health Assembly, which ended on June 1. **However, because of the powers added to the amendments and the language of the WHO treaty; its backers are still hoping it to advance it next year.**

This market: Will not be one that depends on the free will of consumers to opt in and out of products — but instead relies on tactics of forced consumption and manipulation of regulatory paradigms.

At the forefront of this push are the WHO's public-private-partners/private stakeholders, who directly shape and benefit from this policy. Their influence has, in effect, turned the WHO into an arm of Big Pharma, one so powerful that it already demonstrated its ability to morph the entire international regulatory process for the benefit of the pharmaceutical industry during the COVID-19 pandemic.

EXPERTS Say Monkeypox Is Spread by Gay Sex Between Men

NBC reported:

Since the outset of the global monkeypox outbreak in May, public health and infectious disease experts have told the public that the virus is largely transmitting through skin-to-skin contact, in particular during sex between men.

Now, however, an expanding cadre of experts has come to believe that sex between men itself — both anal as well as oral intercourse — is likely the main

driver of global monkeypox transmission. The skin contact that comes with sex, these experts say, is probably much less of a risk factor.

In recent weeks, a growing body of scientific evidence — including a trio of studies published in peer-reviewed journals, as well as reports from national, regional and global health authorities — has suggested that experts may have framed monkeypox's typical transmission route precisely backward.

+2+ PANDEMIC OVERLORDS: CDC launches traveler-based SARS-CoV-2 (COVID) Genomic Surveillance Program – 8 U.S. international airports being used as experimental testing sites

Even though the Wuhan coronavirus (COVID-19) "SCAMdemic" is long over, the U.S. Centers for Disease Control and Prevention (CDC) is **still pushing fear and tyranny** with its "Traveler-based SARS-CoV-2 Genomic Surveillance Program," which has expanded to eight U.S. international airports.

First started in September 2021, the CDC's Genomic Surveillance Program was created to track travelers, which the federal agency considers to be "an especially important group to consider when tracking new and emerging infectious disease."

After the program was launched in the fall of 2021 at just three U.S. airports, the expectation in the coming months was that the program would be disbanded since COVID ended. Instead of shutting the program down, the CDC instead expanded it nearly threefold.

The CDC **announced that** it would be placing "public health professionals" at the eight airports, including John F. Kennedy International in New York; Newark Liberty International in New Jersey; San Francisco International in California; and Hartsfield-Jackson Atlanta International in Georgia.

"We wanted to achieve several things: to get the platform set up at three airports, gauge the level of participation, and determine if we could detect variants using pooled sampling," said Cindy Friedman, chief of the Travelers' Health Branch of the CDC's Genomic Surveillance Program.

"We achieved our goals and showed proof of concept."

First it's voluntary; then it becomes mandatory -- at gunpoint

In partnership with XpresCheck, an airport-based company that provides COVID "testing," and Concentric by Ginkgo, a network of more than 60 laboratories with genetic sequencing capability, the CDC hopes to continue probing travelers' nasal cavities and other orifices in search of COVID germs.

The CDC did it with the "omicron" (moronic) strain and others, and now believes it can do it with whatever further mutations COVID presents, probably around Election Day.

For now, the program is "voluntary," allowing individual samples to be collected from "participating" travelers who are allowed to remain "anonymous." Precisely what the CDC is doing with the samples after it collects them remains unknown.

"It started voluntary in China, too, until it wasn't," warned someone on X. "Then they welded apartment buildings shut, forced people to get vaccinated at

gunpoint, and hauled everyone else into isolation concentration camps where they were only allowed to be released if they paid a bribe. They even killed every pet in Shanghai."

This same X account, by the way, noted ties between Donald Trump and his running mate JD Vance and the Rothschilds, Rockefellers, BlackRock and Peter Thiel.

"Vance's companies deal with gene therapies, mRNA, and young blood" this person added.

"There are so many reasons why I refuse to fly anymore, but if I were still flying and they made this mandatory, I'd be done for sure," wrote another.

Someone named "Jo Christiansen" (@JoChristiansen13) retold the ugly story of what Andrew Cuomo did to New York during the COVID "pandemic."

"Back when Cuomo was trying to introduce contact tracing in New York state, he put the National Guard at JFK on the pretext of them asking travelers what their movements were," Christiansen wrote.

"I saw them there as I came through, but I never saw them approaching travelers and the contact tracing was never instituted. I don't think anybody downloaded the app."

"These psychos collecting airplane toilet wastewater for testing is just sick," wrote another about the CDC's weird obsession with human bodily fluids, which it eagerly wants to collect from wherever in order to "test" it for "COVID."

If the CDC is in charge of it, you can be sure it has nothing to do with improving the health of you or your family. Learn more at [CDC.news](https://www.cdc.gov/news).

Critics called it a direct threat to freedom--All our powers are being handed over to the globalists, the group of bankers and investors

Five European Union (EU) countries in September will pilot the newly developed [European Vaccination Card](#) (EVC), which "aims to empower individuals by consolidating all their vaccination data in one easily accessible location."

The pilot program marks a step toward the continent-wide rollout of the card, according to [Vaccines Today](#).

The program aims to "pave the way for other countries by harmonizing vaccine terminology, developing a common syntax, ensuring adaptability across different healthcare settings, and refining EVC implementation plans," Vaccines Today reported.

The plans will be made public in 2026, "extending the EVC system beyond the pilot phases and enabling broad adoption across all EU Member States."

According to Vaccines Today, the EVC program seeks to leverage "the lessons learned from the [COVID-19](#) pandemic" and foster "innovation in [vaccination](#) management," with the goal of "taking crucial steps toward a more resilient and health-secure future."

The EVC is based on the World Health Organization's (WHO) [Global Digital Health Certification Network](#) (GDHCN). 74% of ALL Deaths are 'Directly' Linked to Covid Shots, Autopsy Data Shows

A damning new study has revealed that autopsy data shows Covid mRNA shots have overwhelmingly contributed to all-cause deaths around the world.

The research team behind the study was made up of some of America's leading oncologists, cardiologists, doctors, and scientists, including:

- Nicolas Hulscher
- Paul E. Alexander
- Richard Amerling
- Heather Gessling
- Roger Hodgkinson
- William Makis
- Harvey A. Risch
- Mark Trozzi
- Peter A. McCullough

The study found that 73.9% of all deaths were “directly due to or significantly contributed to” by Covid mRNA injections.

The autopsy data exposes a direct link “between COVID-19 vaccination and death,” the researchers note in their study's paper.

<https://slaynews.com/news/74-all-deaths-directly-linked-covid-shots-autopsy-data-shows/>

Did you catch the CDC study showing that heart disease risk skyrockets by 13,200 percent following COVID injections?

The top two public health agencies in the United States conducted a joint study showing that the risk of developing autoimmune heart disease among the "fully vaccinated" for the Wuhan coronavirus (Covid-19) is a shocking 13,200 percent higher than it is among the unvaccinated.

The U.S. Centers for Disease Control and Prevention (CDC) and the U.S. Food and Drug Administration (FDA) discovered that compared to the background risk in

the general population, the risk of myocarditis is 133 times greater in those who took the mRNA injections from either Pfizer-BioNTech or Moderna.

Researchers from several top universities and hospitals across America contributed to [the study](#), which was published in the *Journal of the American Medical Association* (JAMA).

Major Global Study: Covid Shots Caused ‘Largest Non-War Mortality Event in 100 Years’

The lead author behind a major global study of excess death rates in 125 countries has just raised the alarm over the shocking impact of Covid mRNA shots on humanity.

A new study by a team of Canadian researchers into excess mortality found that deaths have surged dramatically since the COVID-19 pandemic.

However, they found that patterns of excess death globally **could not be explained by the virus, including long Covid.**

As was previously [reported](#), the study, by researchers with [Correlation Research in the Public Interest](#), examined [excess mortality in 125 countries](#) during and after the pandemic.

It found that mortality patterns correlate closely with the imposition of restrictions such as lockdowns and with the rollout of Covid mRNA shots.

The [investigation](#) determined that pandemic-related restrictions resulted in 30 million deaths globally.

In addition, the researchers found that [17 million deaths](#) can be attributed to the Covid mRNA injections.

The researchers concluded that “nothing special would have occurred in terms of mortality had a pandemic not been declared and had the declaration not been acted upon.”

Joseph Hickey, Ph.D., one of the paper’s co-authors and president of Correlation, has just given a new [interview](#) with “The Defender In-Depth” where he discusses the study’s bombshell findings in more detail.

Hickey warns that his study proved that Covid shots and lockdowns are responsible for the “largest non-war mortality event in 100 years.”

Doctors killed in Brazilian plane crash promised to release evidence tying mRNA "vaccines" to TURBO CANCER

The other day, we [reported that](#) eight of the 62 (not 68 as was originally reported) people who died in the recent ATR 72 turboprop plane crash in Sao Paulo, Brazil, were doctors headed to an important oncology conference. It has since [come out](#) that six of these eight were also scientists who planned to expose mRNA (modRNA) "vaccines" as a cause of turbo cancer.

The following six scientists were planning to do a really good thing before someone sabotaged the plane they were traveling on to ensure their message was never sent or received:

- 1) Dr. José Roberto Leonel Ferreira, a senior radiologist who had a significant impact in the field of radiology, particularly in pediatric radiology
- 2) Dr. Mariana Belim, an intensivist in the Adult ICU at the Western Paraná University Hospital (Huop)
- 3) Dr. Ariane Risso, also from the Uopeccan Cancer Hospital in Cascavel
- 4) Edilson Hobold, a professor of physical education
- 5) Deonir Secco, a professor of agricultural engineering
- 6) Raquel Ribeiro Moreira, a literature professor at the Cascavel campus

All six of these individuals were highly respected professionals in their respective fields. The purpose of their travel was to share their expertise in front of a large audience, which apparently had to be stopped to keep a lid on the truth.

The other two medical professionals who perished were resident medics, reports indicate.

Had the plane been allowed to land safely rather than mysteriously crash in a residential neighborhood not far from the event, it would have exposed to the entire world the ugly truth about mRNA and what it does to the human body.

The corporate media initially reported on the crash as a mere event, failing to explain who was aboard the plane. It took the independent media to dig a little bit deeper and discover that this was apparently an assassination effort aimed at some of the world's best minds.

Dr. Scott Johnson's Comment: Yes my recommendations regarding this subject are always boosting your primary immune system with targeted supplementation and lifestyle changes. With the recent advent Covid (and all that surrounds that issue like the vaxxed shedding their spike protein payloads to the unvaxxed) we should all be placing an ever increasing importance on immune system function. In other words the best way to combat all contagious infections is: #1) To not put yourself in harm's way (that is if you can help it) and #2) building up your own immune system as much as possible. Below I am endeavoring to show you how

to do the later, as the best defense is a good offence. Ideally, we want to have a strong immune system before we have any potential exposure to any contagious infection. In order to do this certain criteria have to be met in the human body. I am going to highlight some of the most important factors in this document. **See below.** God bless!

Women now miscarry left, right and center. I mean it's crazy...

I want to repeat that I have never seen so many people this sick in my life. The number of heart attack victims we have is off the chart as well. It's just crazy

Part of the reason medical people are not registering this properly is we are spread so thin, this is totally by design, we run around all day like chickens with our heads cut off. I did not have so much as a bit to eat last night nor could I even go to the restroom for the first 9 hours... We lost a lot of our coworkers, who quit due to CV. The new generation is being very poorly trained. I mean this is awful.

I never thought I would see a day that would be this bad. Never.

Oh and the second shift walked out of there last night and left me with an antibody panel to work up while I am running all over the place.

Tonight I saw the worst, blood cultures I have ever seen in my life. I mean there were bacteria all over that slide,

-Wife died last year at 45 with aggressive form of colon cancer (she said she felt like she had a bowling ball in her stomach). Diagnosed, started treatment, 4 months later she was dead and husband was given a bill for \$500,000.

intrepid Dr William Makis, MD
now tells us that this paper**

has just passed peer review and it will be published. It shows that 74% of sudden deaths now occurring are due to the COVID-19 bioweapon.

[Francis Boyle](#), who wrote the law that Congress passed for biological weapons has released an affidavit confirming that the COVID vaccines are "biological weapons of mass destruction", that violate biological weapons laws, weapons and firearms laws.

Dr Mihalcea suggests that, since Big Pharma is hard to sue, that we could work our way up by suing healthcare workers for Pre-meditated Murder when they inject us with this known bioweapon – and that we should similarly sue any Chemtrail pilots we may happen to find.

What's stopping us? Dr Mihalcea says that sadly, a big component to humanity's inability to stand up to this outrage is due to the media mind control and due to the brain-damaging effects of the vaxx, which was part of the calculus of the bioweapon and is the desired outcome of this Cognitive Warfare.

I'm reminded of an interview by [Steve Bannon with Dr Yan Li-Meng](#), who defected to the US in April 2020 from her position as a virologist at the University of Hong Kong, alleging that SARS-CoV-2 was made by the Chinese military and that they had been especially looking for a virus that could cause brain damage, while noting that about one third of coronavirus patients have been reported to have brain problems.

This is what Dr Mihalcea says she's seeing in her clinical practice:

"I'm seeing it on the brain scan, and I'll show you that, in just a moment. So here again, ["Long COVID" is associated with long and severe cognitive slowing](#). There was another study that showed that up to nine points of IQ are lost by people who are vaxxed!

"So, I just want to tell people: This is an attack on cognition, and this is part of why people aren't waking up fast enough or they're not understanding what we're showing them!"

Dr Mihalcea says functional brain EEG scans are showing her that the hippocampus is being attacked by the bioweapon.

She says, "This is why I use electron donors, like methylene blue, like the EDTA, like vitamin C, humic and fulvic acid to regenerate the brain, and I've shown on [my Substack](#) how I can functionally age-reverse people's brain by 20, 30 years, but it's very specific, that people see this is for real, and I can pick this up with these functional brain scans."

She continues, "Well, how are they doing this? We've all seen these people who just can no longer process information. They've taken the shots that, you know, whatever evidence you give to them, they cannot rationally really understand it.

And what, again has been shown is that the [carbon nanotube electrodes](#) and that they are forming superconductors that serve like an artificial axon, like they build a neural network, a parallel processing platform in the brain so that your signal processing doesn't go through your own neurons, but it goes through this artificial platform that is AI-controlled.

"So this is how you create cyborgs, zombies, et cetera, that just follow [instructions] because this technology is bi-directional. It transmits information, but it can also receive information. And I just want to remind people that again,

this is a slide from Karen Kingston, that the global patent for the COVID-19 vaccines contained graphene oxide, which is critical.

"This is also what [Dr Ian Akvildiz discussed, who from the IEEE says that the mRNA are nothing but bio-nano machines](#). And this is where the warfare, the [Cognitive Warfare](#) comes in. And I wrote about this website, from the [US Naval Institute](#) and that discusses really that Cognitive Warfare for the military is of huge interest and that the human dimension to really maneuver; that is their goal.

"So what did they say? They said that the 'battlefields across this conflict continuum now reach beyond the physical and cyber domain, and an individual's cognition is now a target.' So you can have cognitive, psychology and information communication technology to enable the government to target individual situational comprehension will with precision. You can give them information to basically lead them astray, but you can also affect, for example, political matters and views.

"And you can specifically target human cognition, how people perceive and interpret information to gain knowledge. How do you do it? With these nano electronics you can completely take over someone's brain.

"This isn't just the US Naval Institute. This is NATO cognitive warfare. (Shows slide about [NATO Cognitive Warfare](#))..."

She continues, "What is important for people to understand that this stuff self-assembles, but that these antidotes that I've discussed in the Moderna patent is the EDTA with the vitamin C. Any polymer requires metals to start self-assembling. And when you pull the metals out – and specifically the EDTA also inhibits the self-proliferation of the nanoparticles. So that's what I've been using, very successfully."

She concludes by saying, "All of the stuff that I'm saying seems horrible, but take heart and fight. We have power...it's time to fight for our lives. As Todd Callender says, 'Either we win and they die or we die and they win.'"

[How To "Unfold" The Spike Protein of COVID-19 \(and the VAX\) Making it Go Away!](#)

A peer-reviewed medical study shows two, common, over-the-counter supplements, combine to destroy the spike protein of SARS-CoV-2. This article reprints the peer-reviewed study and tells you what supplements THEY used that wiped-out the spike protein. Maybe, people who took the "vaccines" can use this to wipe out the spike proteins inside themselves, that are making many of them sick, and killing many others?

This peer-reviewed paper was published in March of 2021, but no one in the media bothered to tell the public. The only thing the media did was push the "vax." Now, a lot of people are dead, dying, or very sick from the vax.

Below, is the study which showed two over-the-counter food supplements, Bromelain and N-Acetylcysteine (NAC), when used together - not separately - cause the spike protein bindings to fall apart and dissolve into nothing. Images of the results are below!

- **Kelacream is a topical cream which delivers Calcium Disodium EDTA into the body transdermally.**

- Kelacream will help remove the bad heavy metals like lead but will also help to remove good minerals like calcium, magnesium, potassium, sodium and so on.
- Be sure to replenish your minerals with a good multi-mineral supplement when using Kelacream.

Question: How are we to know if we are actually becoming rid of toxic heavy metals? Does your urine show color or scent?

Answer:

The best ways to determine effectiveness are 1) improvement in symptoms (if you're experiencing any), and 2) a before, during and after heavy metal test such as a urine or hair analysis. Also, if one is using Kelacream to help improve artery health, before and after testing can be done such as ultrasound or other non-invasive tests to determine effectiveness.

More than 20 years ago, my Cardiologist gave me 6 months to live if I didn't have another (3rd!) extremely expensive, extremely painful quadruple bypass surgery! That was only 2 years after he did the last one! I fired him on the spot and sought alternatives, finding (by the Grace of God) the therapy known as Chelation Therapy. It works. I have had more than 360 IVs over the past 20+ years and have continued to work, exercise, play and even resumed my SCCA Racing hobby (winning a Regional Championship) without surgery! Now, after so many IVs, my veins have become very sensitive and I have needed to seek a new alternative. I tried oral chelation for almost a year with reasonable results, then switched to KelaCream after reading the reviews (and upon a recommendation by my Nurse Practitioner). This stuff works. You can actually smell metal being removed with your urine after the first couple of applications. Don't skimp, follow the instructions. It's a little costly at \$80/month but a lot less costly than (and certainly not painful like) bypass surgery! I say bypass the bypass (and the stents) and take control of your own life and your health. I believe KelaCream will help you do that!

Also here is a whole book on this subject: [Detox with Oral Chelation: Protecting yourself from Lead, Mercury, & Other Environmental Toxins](#)

 ++ Regarding the oral EDTA, once a day, if you let ¼ tsp to ½ tsp of oral EDTA sit under the tongue for 5-20 minutes (with 5-7 drops of 99% pharmaceutical grade DMSO—see below) before swallowing, it will have a much higher absorption rate. A little organic peppermint oil can kill the taste. This process (depending on your plaque level) takes a lot of time to work with the oral EDTA route, but it can be a literal lifesaver and it much cheaper than IV Chelation which is the Gold Standard and also highly recommended if you can afford it.

To Purchase Pharmaceutical Grade DMSO (which is the only kind anyone should be using) go to:

++For the money this is an excellent value on EDTA:

++ This kind of chelation will not remove calcium from your system but it will remove other heavy metals and trace minerals (so again being on a good trace mineral product while on any kind of chelation program is essential) but if you have calcium buildup due to artery plauqing this will not remove that calcium

++ If you wanting to know if you have calcium buildup in the arteries or are getting chest pains and want to see if it may be calcium build up in the arteries and heart valves; phosphorus directly competes with calcium in the body and can will chelate excess calcium out of the body. This can also help with tartar buildup on the teeth and arthritic calcium spur formation in the body.

In this case take: [Super Phosphozyme Liquid™ \(2 oz\)](#) 2 full dropper twice a day in juice taken on an empty stomach or [Super Phosphozyme™ \(90 T\)](#) 3 tablets twice a day taken on an empty stomach **++**Prolonged use will deplete your calcium stores so remember this is a balancing act. You can do this for a few weeks and then take a few weeks break if you like.

++ Dr. Johnson Comment: Lastly any form of chelation will remove trace minerals from your body, so it is important to take some extra trace minerals once you have been on the EDTA for any length of time. **This is an excellent one I carry:** [Multi-Mins™ \(Potent Mineral Combination\)\(120ct\)](#) & (360ct)

++Dr Johnson does not carry any form of EDTA chelation, but he does carry the other products mentioned.

Subject: RE: Hi Dr J!

I started back on the EDTA a couple of weeks ago and man I must have had some metals in my blood or something because my feet kept feeling heavy and tingly and I was almost concerned there was some onset diabetes or something. But I read somewhere else that someone having those same issues found out they had metals in their body and used the EDTA to clear it up. It sure is. My real heavy legs and feet with tingling and numbness has been clearing up extremely fast. It's only barely there in the tips of my toes now but it's a good tingle now like when your leg falls asleep, you can't feel it at all, then severe pain when you touch it, then the nice finishing tingle. That's where I'm at now so I'm thinking that I may have had that same issue and sure am glad I already ordered this stuff a while back. Now that I can see real clear how well it works, I'm going to be more diligent about using it more regularly. I needed it for my arteries anyways, so in a way I'm glad I had a real fast need to start using it again. I had pretty much forgot about it after I used it on and off a month or so a year ago. Thanks again!
