**Major Escalation Towards WWII-- MAXIMUM ALERT! Putin Issues Emergency Warning To The West: NATO Missile Strikes On Russian Territory Are A Declaration Of War Against Russia**

**Play to 4:27:** <https://banned.video/watch?id=66e4a43c5826041de113ca23>

There is no other way to interpret it: Washington and its client NATO members are declaring war on Russia--That is the direct meaning of Ukrainian President Volodymyr Zelensky's forthcoming visit to Washington, where the parties will agree on targets inside Russia!

To say this is an insane, reckless move is an understatement. This is the most dangerous step possible for the US and NATO – and it will likely lead to World War III.

Don't believe any rhetoric "justifying" the use of long-range missiles on Russia. Putin has pointed out that while Ukraine will host the missiles, they will be fired by NATO personnel who will also insert the targeting data coming from overhead satellites covering Russian territory. Those satellites are American.

The upcoming Zelensky-Joe Biden meeting should also include Vice President Kamala Harris, so she takes full responsibility for starting a war.

No one can presume what the outcome will be. Will Russia unleash nuclear weapons and bring a definitive end to the Ukraine war? Will it shoot down American satellites? Will Russia send rockets to hit supply depots in Europe, especially in Poland, which is the jumping-off point for military supplies to Ukraine?

There are many other possibilities open to Russia. Russia could transfer nuclear weapons to Iran, for example, or to Syria.

Russian Ambassador to the US: If War Comes, it will affect the US on its own territory--US can't hide from nuclear war – Moscow

<<FILE PHOTO: Russian Ambassador to the United States Anatoly Antonov Washington will be unable to hide from a nuclear conflict if it starts across the ocean, Russian Ambassador to the US Anatoly Antonov has said. Fears of a potential escalation between Russia and NATO over Ukraine have been intensifying

in recent days, as Western powers reportedly mull the possibility of allowing Kiev to conduct missile strikes deep in Russian territory.

Speaking with Rossiya 24 channel on Friday, Ambassador Antonov said that he is surprised at the "illusion" that "if there is a conflict, it will not spread to the territory of the United States of America."

**"I am constantly trying to convey to them one thesis that the Americans will not be able to sit it out behind the waters of this ocean. This war will affect everyone, so we constantly say – do not play with this rhetoric," "Such a conflict won't have winners or losers" Antonov stated.**

The United States continues to deploy medium-range missile systems in the Asia-Pacific region. The Americans made their first attempt in the Philippines, where the MRC Typhon was deployed as part of joint exercises. Now it is Japan's turn. ### WWIII Possible Start Up Scenario

United States Intelligence now assesses the following as "likely:"

- Russia will destroy Kiev and Lviv once Ukraine launches NATO missiles deep inside Russia.
- China will invade Taiwan using the Ukraine war as cover.
- Then, Iran will strike Israel.
- North Korea will launch an offensive against South Korea at that time.
- AND;
- All these things will happen at once.....

**BRICS Confirms 159 Participants Will Adopt New Block Chain Digital Global Payment System; Isolating and Devaluing the U.S. Dollar—FYI: You have to have a digital currency platform to implement the Mark of the Beast!**

After recent rumblings surfaced of how many nations would embrace the impending **BRICS Pay** system, the bloc has confirmed 159 participants are set to adopt the new payment system. Indeed, the economic alliance system is poised to hit the ground running when it finally launches.

Now, all eyes are on when that launch will take place. Many have surmised that it would be announced at the highly anticipated **2024 Summit**.

Earlier this year, the BRICS bloc announced the creation of a blockchain-based payment platform. It would redefine the collective's global economic standing.

Moreover, it would compete with some of the largest payment systems worldwide. **That includes the Western-dominated SWIFT system.**

The payment system is crucial to the bloc's ongoing de-dollarization efforts. It will provide participating countries with an avenue to trade in local currencies. Therefore, it will greatly enhance how these nations settle trade; ultimately, decreasing international necessity for the U.S. greenback.

**BREAKING: SPRINGFIELD, OHIO UPDATE** American veteran DENIED Medicaid and forced to pay out of his own pocket while long lines of Haitian immigrants get in line to receive Child Care, Cash, SNAP, Medicaid, and other FREE benefits paid for you by you: the American taxpayer.

Independent journalist Tyler Oliveira journeyed to Springfield, Ohio, to find out firsthand what is going on with the story taking America by storm, which is that illegal aliens from Haiti who have flooded the area are making life a living hell for locals.

In a series of videos posted to his X account, Oliveira talked with dozens of Springfield citizens to learn how the [20,000 Haitian](#) "migrants" the Biden-Harris administration dumped on their town have changed daily life.

The American veteran estimates a 9:1 ratio of Haitians to Springfield locals waiting in line for their benefits. Local welfare recipients are now forced to wait in line for hours at a time to accommodate the language barriers and lack of paperwork the Haitians bring with them.

**More horrifying details emerge about the 20,000 Haitian migrants INVADING Springfield, Ohio: Residents are fleeing due to overwhelming VIOLENCE**

**09/13/2024--**Field reporter Tayler Hansen (@TaylorUSA on X) says he is [receiving hundreds of emails](#) from people who live in Springfield, Ohio, about the terror being unleashed by Haitian migrants.

Hansen says nearly 400 emails flooded his inbox to tell stories about how lifelong residents of the Midwestern town are having to flee due to all the violence, dwindling resources and dangerous new drivers swerving all over the roadways causing accidents.

"My name is \*\*\*\*\* and i have lived in Springfield my entire life," one of the letters Hansen received reads. **"The beginning of this year we made the decision to move away from my hometown due to the rising violence with them. They have affected my home life and now my work."**

"Recently we have had a very few violent Haitians in my place of work. Ranging from calling us (whites) racist slurs to threatening employees with hammers and even threatening to come back and kill everyone on site."

The letter goes on to claim that Haitian men are fighting women in the streets and blocking traffic. The person who wrote the letter says busloads full of migrants are wreaking havoc in neighborhoods all around Springfield, putting locals at risk.

**(Related: Did you know that every single "new job" created by the Biden regime last year [went to an illegal alien?](#))**

It turns out that these anecdotes are backed by data from the FBI's crime data explorer showing that between the years of 2019 and 2022, violent crime in Springfield is up 242 percent.

From Rufo's [report](#):

*We spoke with the author of the video, who asked to remain anonymous but confirmed its time, location, and authenticity. He told us that he was picking up his son last summer, when he noticed the unusual situation. "It was some Africans that stay right next door to my kid's mother," he said. "This African dude next door had the d\*\*\* cat on the grill."*

*We then identified the home by matching it to the visuals in the video and cross-referencing them with the eyewitness. When we knocked on the door of the first unit, a family answered, telling us they were from the Democratic Republic of the Congo and that all of the surrounding units were occupied by other African migrants.*

*One of the residents told us that her former neighbors, also from Africa, had lived in the adjacent unit until last month. They had a blue grill and the father would*

**find meat in the neighborhood. “Her dad was going to find meat,” she said. “Her dad was going, holding a knife.” The current residents also showed us a blue grill of the same make and model as in the video, which the former neighbors had abandoned after they moved out**

**It is a well known fact that Haiti was dedicated wholly to Satan over 230 years ago—The Haitian Government Made Pact With Satan**

Although God is “storing up” wrath for wicked and disobedient nations (which is ALL nations) we do believe that all the earth is the Lord’s and He gives it to whomever He pleases. **If those people conduct themselves in abominable behavior, typically they are ejected from the land or put under the control of and domination of others.**

**Any nation that commits itself to Satan – even if it is the voodoo understanding of this wicked spirit is an abominable act to the Creator and sustainer of heaven and earth. This nation can only expect difficulty and hardship which is what satan brings to those who are his children. Consider the words of Jesus when describing the modus operandi of satan:**

**The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.**

**John 10:10 (KJV) [Tweet](#)**

**Haiti made a pact with the “voodoo” satan (ultimately the same wicked spirit revealed to us by the Lord Jesus in the Bible) back in 1791 which was then “re-dedicated” by the Haitian President Aristide in 1997. This is what their god satan has done for them, as a reward for their devotion to greatest thief of all time:**

- **Haiti is the poorest nation in the western hemisphere**
  - **They are repeatedly destroyed by floods, earthquakes and landslides**
  - **There experience continual Cholera and disease outbreaks**
  - **Their chief city is under gangland rule (c.f. Mexico and the Cartel)**
  - **Government corruption – the 3% elites of Haiti own nearly all the wealth**
  - **Haitians suffer from mass starvation and hunger**
  - **Haitian children are plundered by sex traffickers ( Laura Silsby child trafficking leader of the Clinton Foundation’s “New Life Children’s Refuge”)**
- Here is an excerpt from the Washington Standard article written by Tim Brown:**

"Hillary and Bill Clinton provided assistance to convicted child trafficker, Laura Silsby, resulting in a reduced sentence for child trafficking. Silsby was arrested at the Haitian border attempting to smuggle 33 children out of Haiti without documentation. Her sentence and charges were reduced after an intervention by Bill Clinton. In the aftermath of Silsby's arrest, her originally retained lawyer Jorge Puello was arrested in connection with an international smuggling ring accused of trafficking women and minors from Central America and Haiti. The revelation of this news in November was either ignored by the Western media or attacked by Clinton controlled publications."

## Haiti: A Government Of The Devil, By The Devil, And For The Devil

*By Tom Barrett (03/11/04)*

"Haiti is the only country in the entire world that has dedicated its government to Satan. Demonic spirits have been consulted for political decisions, and have shaped the country's history."

*- Tom Barrett [Tweet](#)*

Thus speaks Reverend Doug Anderson, who grew up in Haiti with missionary parents, and served there along with his wife Dawn as a missionary until 1990.

The leaders of Haiti make no attempt to hide their allegiance to Satan. Haiti's government is a government of the devil, by the devil, and for the devil.

It is a matter of well-documented historical fact that the nation of Haiti was dedicated to Satan 200 years ago. On August 14, 1791, a group of houngans (voodoo priests), led by a former slave houngan named Boukman, made a pact with the Devil at a place called Bois-Caiman. All present vowed to exterminate all of the white Frenchmen on the island.

They sacrificed a black pig in a voodoo ritual at which hundreds of slaves drank the pig's blood. In this ritual, Boukman asked Satan for his help in liberating Haiti from the French. In exchange, the voodoo priests offered to give the country to Satan for 200 years and swore to serve him. On January 1, 1804, the nation of Haiti was born and thus began a new demonic tyranny.

At the time of the pact Haiti was France's richest colony, and was known as the 'Pearl of the Antilles' for its singular beauty. But it soon became one of the world's poorest and most benighted nations. Scoffers may say that there is no connection between the fact that Haiti was the richest nation in the hemisphere, and then became the poorest after selling its national soul to Satan. But the scoffers cant come up with a better explanation.

Voodoo is a practice based on a mixture of African spiritism and witchcraft.

Depending on the source of one's research, between 75 and 90 percent of Haitians practice voodoo. This seems to fly in the face of the fact that the country is predominantly Catholic. But, like their African ancestors, voodoo practitioners have no problem embracing multiple religions. In fact, most who practice voodoo believe they must be Catholic first.

Until recently, voodoo was practiced in secret. Practitioners would go to the Catholic Church on Sunday, and attend voodoo ceremonies deep in the woods at other times. Voodoo was forbidden during the colonial times, and the 32 Haitian

**governments that followed independence also suppressed the practice because of world condemnation.** But on April 8, 2003, President Jean-Bertrand Aristide approved Voodoo as an officially recognized religion in Haiti (see links at the link below). Voodoo priests can now perform marriages and other ceremonies previously reserved for Christian religions. “An ancestral religion, Voodoo is an essential part of national identity,” Aristide said in the decree recognizing Voodoo.

Aristide has been a controversial figure since he became the first freely elected president in Haiti’s history in 1991, 200 years after the nation was dedicated to Satan. A defrocked Catholic priest, Aristide was expelled in 1988 from his order, the Salesians. He was a hero of the resistance to Haitian tyranny, then president, then exiled, then restored to the presidency by his close friend, Bill Clinton. One of his first acts was to express his support for reinstating the Voodoo pact that expired the year he was elected. He claimed that Voodoo was the ‘national religion’ of Haiti, and a source of national pride.

This is less "prediction" than observation. Cows eat grass. Snakes slither. Fish swim. Cannibals eat children. Cannibalism is far more common than most civilized people realize. I hunted cannibals before the wars. I could find an authentic cannibal within one week of today. Probably more like four days. It's easy. If you know what you are doing.

## HUMAN SACRIFICES IN HAYTI.

Cannibalism in All Its Horrors Practiced by the Natives.

### CHILDREN KILLED, BOILED AND EATEN.

Eye Witnesses of Some of the Awful Feasts Describe What They Saw —Sickening Discovery in a Restaurant.

New York, July 9.—In the interview with a Haytian refugee, published on July 7, mention was made of the voodoo adoration and of human sacrifices in Hayti, not far from Port-au-Prince. The reference has since then been verified. Mr. Maurice Feldman, a Hungarian mechanic, employed in the machine shops at Gorman, eight miles from Port-au-Prince, learned some time ago that there was to be a human sacrifice not far from where he lived at 3:30 o'clock in the afternoon. It was to be conducted by the papaiou, or voodoo priest of Gorman. Accompanied by his assistant, named Schmidt, Feldman made off in the direction in which he had heard that the sacrifice was to be performed. The expedition was not devoid of danger, for the negroes, feeling undoubtedly that their butchery of children would arouse the wrath and opposition of the white inhabitants of the island, were exceedingly careful to carry out the atrocities in the seclusion of unfrequented groves. The two men were armed with heavy revolvers and were careful in the selection of their route. When they reached their destination they climbed in the branches of a tall tree from which they could plainly see all that was going on below without being seen. From their position they witnessed the voodoo sacrifice.

The ceremony was begun by the burning of aromatic plants around a sleeping child two or three years old, which had been put to sleep by herbs. The papaiou stepped up to the infant and severed the head from the body with one stroke of a sharp knife, and passed it to all present. While the head was being passed the papaiou cut up the body, which was thrown into a large iron pot with some red peas, rice, and other native vegetables. During the cooking the negroes danced round the fire. This bamdtula dance is a native negro dance of the most revolting sort, consisting mostly of contortions of the hips and the abdomen. The end is reached when the participants become so excited and exhausted that they throw themselves in a heap on the ground, where they roll over each other and howl.

When the dancers had recovered they gathered for the feast and devoured every particle of the child. Having finished they gathered the bones in a hole in the ground, buried them, and erected a wooden cross over the grave. After the two observers had given the cannibals time enough to reach their homes, they climbed down and went back to Gorman.

The Haytian negroes do not always seek seclusion for their cannibalism, as they did on this occasion. On March 18, 1890, Mr. Emile Huttinot, acting consul of France at San Domingo, stopped in a small restaurant on the north road, only half a mile from Port-au-Prince. At this resort every Sunday the negroes hold a voodoo dance. Mr. Huttinot called for soup, but when it was served he found in the bottom of his plate the hand of a child. He immediately rode into town and notified the police, who searched the restaurant and found a child's entire body in the cooking pot. The woman who kept the place was arrested, but suffered only three days' imprisonment for her offence. The gentleman from Hayti who gave the information in the interview of July 7 said that he knew personally a woman named Ulysse, living at La Croix des Bouquets, ten miles from Port-au-Prince, whose seven children were eaten at voodoo dances during her absence by their own grandmother and the neighbors.

**Some of the savages from distant lands will eat children.**

**“Media” will call innocent people “racists” for calling out the obvious. Notice I didn’t make an opinion on cannibalism. I said only cannibals are common and “media” covers for bringing cannibals into America.**
