Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprovved are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines: "**Reprove**": To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt. "**Circumspectly**": Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

"The average age of the world's great civilizations has been two hundred years.

These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from

+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts O' Lord.. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for wickedness, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, bruja, brujo, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

[Psa 94:21](#) They gather themselves together against the soul of the righteous, and condemn the innocent blood.

[Psa 94:22](#) But the LORD is my defence; and my God is the rock of my refuge.

[Psa 94:23](#) And he shall bring upon them their own iniquity, and shall cut them off in their own wickedness; yea, the LORD our God shall cut them off.

A 62-year-old man was seriously injured during a brutal, unprovoked attack by a mob of ‘teens’ in New York, according to reports.

The shocking incident unfolded on Staten Island on July 15, but surveillance footage just surfaced this week.

The victim was strolling along a busy road just after 7 p.m. that evening when a pack of 8 to 10 young, black males began following him and verbally harassing him.

Video shows the horde swarming and hitting the man on the sidewalk after one of the youths threatened him.

WATCH: Alabama City Council Shuts Down Residents Concerned About Influx of Haitians-- Small-town Americans growing desperate as millions of invaders flood country

September 7th 2024

<<Image Credit: Screenshot | City of Sylacauga

Officials in Alabama

abruptly ended a city council meeting this week after residents expressed concerns about an influx of Haitian ‘migrants’ to their small city.

On Thursday night, citizens grilled Sylacauga City Councilmembers about numerous ‘migrants’ reportedly being dumped in their community of roughly 12,500, prompting Council President Tiffany Nix to end the session after just 20 minutes.

When asked who is overseeing the placement or management of newly-arrived Haitians in Sylacauga, Nix claimed she had no idea.

“We don’t have any information on it. We just know that they are here legally,” Nix said...

“These people came here from Haiti. Haiti is a failed state. Their president was assassinated in 2021. There is no way the State Department can vet these individuals.”

Moments later, Nix declared, **“This meeting is over.”**

A similar episode unfolded at a recent city commission meeting in Springfield, Ohio, a small city **swarmed by some 20,000 Haitians**, including around **10,000 in the past four years alone.**

Springfield Ohio Residents Warn Their PETS and Wildlife Are Being Eaten by Illegal Alien Invader Haitians--That the US Government has Brought in by the Thousands!

September 7th 2024--Residents of an Ohio city that has been flooded with tens of thousands of migrants, mainly from Haiti, have been shocked by reports the newcomers are hunting and eating their pets and local wildlife like ducks and geese. A Facebook post from a local community group for Springfield, Ohio has gone viral, after it warned residents

to “keep a close eye” on their pets and on animals in public parks.

“Warning to all about our beloved pets & those around us!!!” the post begins.

“My neighbor informed me that her daughters friend had lost her cat. She checked pages, kennels, asked around, etc. One day she come home from work, as soon as she stepped out of her car, looked towards a neighbors house, where Haitians live, & saw her cat hanging from a branch, & they were carving it up to eat. I’ve been told they are doing this to dogs, they have been doing it at Snyder park with the ducks & geese, as I was told that last bit by Rangers & police. Please keep a close eye on these animals.”

Springfield is a small town in Ohio.

Over 20,000 Haitians have arrived in Springfield since 2020, increasing the town’s population of 58,000 by over a third.

pic.twitter.com/OOFq3ZdTIA

On Tuesday, *The Daily Mail* [reported](#) on “bubbling tensions” in the “dying” city and the fears of locals that they are being replaced by the newcomers.

“Bubbling tensions overflowed after a school bus crash caused by a Haitian immigrant veering into the wrong lane killed Aiden Clark, 11, on August 22 last year.

“He was thrown out the emergency exit as the bus rolled off the road, and crushed as the vehicle went over him. Another 20 students were injured.

“Angry residents used a July 30 council meeting to vent their feelings about immigrants moving into the town.

“One vocal resident, local Republican committee member Glenda Bailey, claimed the Haitians were ‘occupying our land’ “They have become the occupiers. What they’ve done is they’ve replaced the population in Springfield,’ warning they would soon become the majority and kick everyone else out.”

US Workers Being Replaced Like Never Before--Over a million American workers have lost their jobs since August 2023--They have been replaced by illegal alien foreign-born workers doing part-time jobs

US workers are being replaced by foreign-born workers at a never-before-seen rate, according to new figures published by the US Department of Labor.

On Friday, the Department of Labor **published** a weaker-than-average job report for August. Although the figures showed an additional 142,000 jobs—the real kicker was a net loss of 1.3 million jobs for US legal citizen workers since the same time last year.

At the same time, jobs for foreign-born workers have increased significantly, by around 1.2 million.

Analysts were quick to point out that the Biden regime's "recovery" is benefitting anybody but the American worker."

"This won't end well": Twice in two days, illegals try to stop and board school buses in California town

JAMUL, CA - In a California town located close to the Mexican border, police report that twice this week, illegal aliens attempted to board school buses transporting students in the Jamul-Dulzura Union School District, one on Tuesday and again on Wednesday.

On Tuesday, at least three illegal aliens were walking in the middle of Highway 94 and attempted to stop a school bus, forcing the driver to go around them to avoid striking them or having to stop, officials said, according to Fox 5.

On Wednesday, some 20 illegal aliens tried to board a school bus at a bus stop, officials say. School bus drivers are now being told not to stop where illegals may be waiting. The Wednesday incident occurred at the same stop adjacent to the Tuesday incidents. The two incidents that took place one day apart have parents concerned for their children's safety.

"It was definitely really scary," said one mom, Nicole Cardinale, whose eight-year-old son was on the bus involved in Wednesday's incident. "Your initial shock is that you're helpless," she said after being alerted to the incident.

A pair of suspected members of the notorious Venezuelan gang Tren de Aragua (TdA) have been released on bond following their arrests related to a July

shooting in Aurora, Colorado.

Nixon Perez, 19, and Dixon Perez, 20, were taken into custody by Aurora police for evidence tampering related to an attempted homicide incident at the Nome Street Apartments, one of the complexes under occupation by TdA.

Aurora police confirmed that both Nixon and Dixon posted a \$1,000 bond and are no longer in custody, a move that goes directly against Immigration and Customs Enforcement (ICE), which had requested detainers for the two individuals.

@BigDigEnergy And never forget they weren't going after those who were rioting, looting, destroying the city, and murdering people in the inner city, they were only going after peaceful people who were defending themselves and property. These men are traitors, this is how civil wars get started.

Civil wars are never started by the people but always by government.

Only the lowest of humans would do what these so called national guards men did.

@BigDigEnergy Orders to not use force, just "strong persuasion"! Then they break in with weapons drawn, which is classified as intent to use deadly force in the Law of Armed Conflict.

@KernDerg

@BigDigEnergy i live in Houston since the 80s. Saw it on TV when they broadcast the LA national guard knocking on doors confiscating guns. The parish sheriffs were coordinating with them.

The local police went home to their families or just faded away. It was lawless and violent the EXACT time a citizen needs his gun

The aftermath was thousands of displaced thugs relocated to east Texas and Houston bringing their crime, drugs and gang violence with them

I witnessed this firsthand.

It is DISGUSTING to hear that guardsman say he doesn't want to think about what he may have to do to American citizens.... YET HE DID IT--This is DISGUSTING.

[@BigDigEnergy](#) ... not to mention the fact that the government created the storm, and stalled it over the city to inflict maximum damage. They have been controlling our weather for decades.

UK PM Starmer Ignores Rapes, Stabbings, Robberies At Notting Hill Carnival & Instead Calls Nationalists 'Nazis'

During a speech from Downing Street this week, UK Prime Minister Keir Starmer continued his attacks on English citizens protesting mass illegal alien invasion by labeling them "Nazis" and racists while completely ignoring the recent mayhem at the Notting Hill Carnival.

The authoritarian leader had the gall to tell the people of the UK they're "desecrating" the memory of their forefathers by trying to save their country from the UN-run invasion.

Notting Hill Carnival 2 day event saw 8 stabbings.

A dozen sexual assaults.
50 police officers injured.

He ignores all that, takes a swipe at the protesting English again, this time calling everyone "nazis"! pic.twitter.com/kR9KgiXU8c

— Tommy Robinson (@TRobinsonNewEra) [August 27, 2024](#)

Starmer said the nationalist demonstrators have now learned he “won’t tolerate a breakdown of law and order under any circumstances.”

Well, the British people were quick to point out that the PM completely ignored the breakdown of law and order at Notting Hill where dozens of people were robbed, stabbed and raped over a two day period.

According to the Metropolitan Police, “eight people were stabbed during the Notting Hill Carnival with a total of 334 people being arrested.”

A young woman was stabbed while attending the event with her child, and two other stabbing victims are in critical condition.

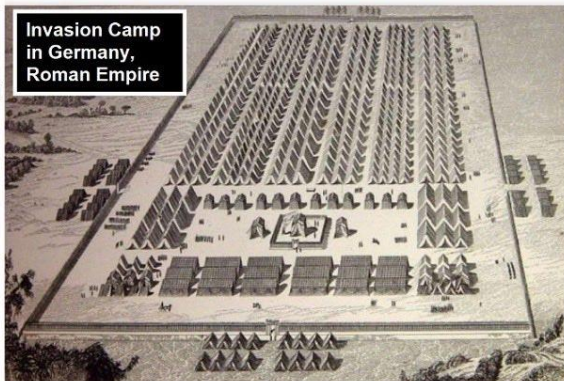

Fifty police officers were [reportedly](#) injured during the chaos where over one million people were gathered.

The PM’s hypocritical statement was widely criticized online:

Two-Tier Keir once again demonizes the white working class, calls them a "pretense of legitimate protest" & insists he "will not listen to them".

Starmer harps on about 'far-right riots' while continuing to ignore migrant crime & the mass-violence at Notting Hill Carnival. pic.twitter.com/LsQSMERVBy
