"**Communications**": companionship, communion

"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men." Samuel Adams

"The average age of the world's great civilizations has been two hundred years.

These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage." +1+ STRATEGIC WARFARE PRAYER

Father God in heaven, in the name of the Lord Jesus Christ we come against & oppose all satanic operations, manipulations, tactics and plans **which are designed to hinder or prevent God's original plans and purposes** from their swift manifestation taking place in their correct time and season. (Daniel 7:25) **We come against all satanic alliances and confederations worldwide. Let every evil effort and endeavor fail. Cause the news media to be caught in their own lying and manipulation so that only the truth is brought forth.** (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We ask that every satanic strategy of prohibition and limitation placed upon the Body of Christ (by the dark side), shall not prevail. We pray that all invisible and visible walls of opposition and delay will be exposed and destroyed.** (Colossians 1:16; Joshua 6:1) **Oh Lord confound the devices and the wicked plans of the enemy that they have crafted, so that their hands are not able to perform their evil enterprise. Save those that can be saved O' Lord, but those that cannot be saved;** overtake them in their own crafty and devious ways; **let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secretive and destructive measures designed destroy all of God's creation and defile the world. According to 1 John 3:8 for this reason, was the Son of God made manifest, that He would destroy the works of the enemy.** (John 2:15-17; Acts 16:16-19) **Father God overrule all strategies and curses of the enemy by the power of Jesus Christ and His shed Blood; & overthrow all spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17, & break the curses** associated with all these ceremonies, rituals, utterances, and destroy their plans to bring about a chaotic bloody revolution in worldwide & to usher in Martial Law and the New World Order. **Father God, we pray their plans shall be uncovered and not prevail & shall be frustrated and unable to achieve any impact & that their wickedness and violent verbal dealings would return upon their own heads, according to Psalm 7:16.**

FATHER GOD, WE HUMBLY ASK YOU TO: **Reveal every hidden agenda and cover-up in the secret shadow government regarding their attempts to manipulate end time events which would lead to the destruction of Your Christians & the innocent.** (Isaiah 44:25; 2 Timothy 3:8) **Please send divine, powerful angelic forces against their diabolical plans to expose & destroy them. We dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) **Release your divine strategies and revelations upon any righteous person in government, worldwide. Fill them with Your Holy Spirit and cause Your divine wisdom & courage to come upon them.** (James 1:5) **Cause them to be like a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided & when they communicate let it be incoherent and misunderstood.** (1 Samuel 10:27) **Arrest those**

that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, until which time they then be cast into the lake of fire, **AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR PLACE.** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they will accomplish your divine will. (Psalm 57:4) **WE SEAL THIS PRAYER BY THE BLOOD OF THE LAMB AND ASK ALL THESE THINGS IN THE NAME OF THE LORD JESUS CHRIST, AMEN!**

Veteran-Led Group Saved Lives in North Carolina Amid Slow Federal Hurricane Helene Response

SWANNANOA, North Carolina — Rolling off of Exit 59 on Interstate 40, one could tell something big was happening at the Harley Davidson dealership in Swannanoa.

About a half dozen helicopters lined up in a grassy field behind the dealership, dust clouds swirling as one prepared for lift off.

Dozens of men in sunglasses, various shades of camouflage, and cargo pants moved about the parking lot with urgency.

Some were loading up ATVs with supplies to deliver to residents stuck in their homes. Some with K-9s were going out to look for the missing. Some had chainsaws to clear downed trees. Some directed air traffic for volunteer pilots airlifting supplies to towns like Chimney Rock that were unreachable by ground.

Some were former special operations veterans, like Aaron Switzer. Some were former firemen like Travis Patton. Some were civilians like Crystal Barker.

A garage that normally hosted live shows was transformed into what looked like a tactical operations center in the middle of a war zone.

Covered in a light-layer of dust, the garage was a beehive of activity, divided up into several sections with a long table at the center of each section.

There was an operations section — where volunteers took in requests for help and directed operations, a logistics section where requests for supplies were

coordinated, an intelligence section where volunteers searched online for anyone needing assistance.

There were also local police, National Guard and active-duty military personnel embedded at the site.

The mission was to save lives and on that Saturday, October 12, the team had a list of over 1,000 names of people missing.

“Roughly 1,270-something people — souls — are still missing,” Switzer said.

The man who started the operation was a former U.S. Army Green Beret Adam Smith, who called on his former military buddies to help.

Kamala DC Rally Attendee: "There are No Normal People Here" – a 31,000 “rent a mob” of degenerate devils shipped in!

Kamala Harris held a political campaign rally on the Ellipse in Washington, DC yesterday; **the same place the Ku Klux Klan Rallied 100 years ago. Democrats are**

boasting about 75,000 attendees; but 31,000 cellular phones there, have an interesting track record: 91% of them attended 3 or more other Kamala rallies! Why would Kamala Harris give the "closing speech" of her campaign, a week before election day, at the same place the Ku Klux Klan rallied in 1925?

According to Tony Seruga, whose companies handle deep data, GPS proves there were over 31,000 mobile devices at the Ellipse in Washington, D.C. for the Kamala Harris rally.

Interestingly, just over 11,000 were from Atlanta, Georgia, followed by 6,500 from California.

Using his Antifa/BLM/Pro-Palestinian overlays, Seruga was also able to prove 6,122 of the phones at Kamala's rally yesterday were linked to 3 or more Antifa/BLM/Pro-Palestinian protests/riots.

One Journalist attending the rally reported *"I am in Kamala Harris's Ellipse rally crowd in D.C., and her whole crowd is angry pro-Hamas voters chanting "Intifada Revolution." [Trouble Coming: Washington, DC Stores Boarding-up Prior to Election Day](#)

Stores and businesses in Washington, DC are taking the extraordinary step of **BOARDING-UP WINDOWS** in advance of Election Day. Word is out to businesses that "big trouble" is coming to the city . . . over the Election.

Business "near the White House" are the ones actively being boarded-up. That seems to indicate something involving the White House may be the focus of the trouble.

What would the White House have to do in order for people to come to it in violent protest? Try to cancel the election? Try to declare Martial Law? Refuse to give-up power?

The fact that this boarding-up is taking place before **ELECTION DAY** is telling. No one expects trouble on Election Day itself. Maybe in the days after, but several of the states involved in the 2020 election **THEFT**, are already telling the public they might not be able to provide vote totals for 10-13 days! So why Board-up NOW? The fact that it is happening NOW seems to indicate the Election itself - just days away - may trigger the kind of

trouble that may cause stores to need this protection.

SECOND SECURITY FENCE ADDED at WHITE HOUSE & CAPITAL -- NATIONAL GUARD ON STAND-BY FOR ELECTION RIOTS!

November 03, 2024

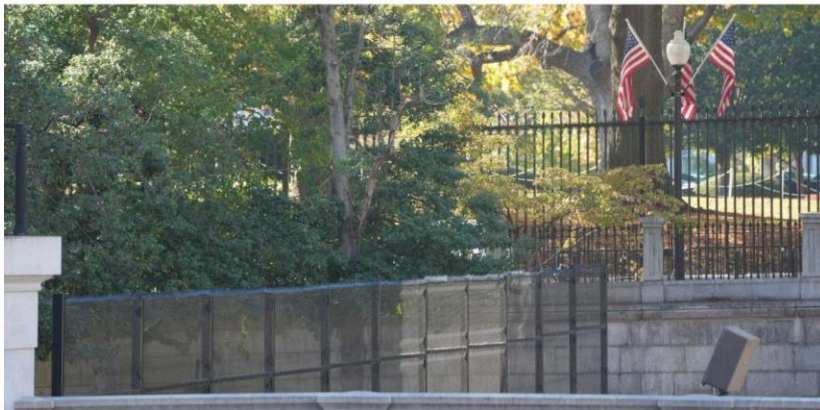

The District of Columbia is preparing for mass riots after the announcement of the results of the presidential election.

An additional security cordon, shown below, has been placed around the White House and the Capitol.

Below, a photo of the second layer of fencing erected around the White House:

**Photo of second (inner) security fence at US Capital Building:
Other federal government buildings are also being fenced-off. Below is the US
Treasury Building Fencing:**

In addition to government buildings, BUSINESSES around Washington DC have been BOARDED-UP in anticipation of riots!

And more businesses . . .

National Guard troops have also been ordered to stand by for protests in several states.

Washington (STATE) Democratic Governor, Jay Inslee, has activated the National Guard to prepare for potential "election-related violence," with the order extending beyond the November 5th election to address any civil unrest as needed.

Oregon, Nevada, and reportedly New Mexico have also put their National Guard on Stand-by.

These are traditionally "Blue" states. If Kamilia Harris is going to win, why would these states need riot control???? Unless they already know she's going to lose.

FEDS "PRACTICE" NUCLEAR WAR EVACUATION OF U.S. CAPITAL

October 29, 2024—The video below shows that last night, the US government "practiced" an Emergency Helicopter Evacuation of persons from the United States Capital Building. With potential nuclear war coming, at least 12 Helicopters participated in this "exercise."

In the video below, you will see and hear the helicopters approaching and landing at the US Capital.

The cameraman confirms these are "Continuity of Government" (COG) helicopters from local police and from the Military. Given the capacities of each helicopter, they can only evacuate 1/4 of the House and the full Senate BUT **in the time it took just for these helicopters to LAND, a Submarine-launched Ballistic Missile would already have reached the US Capital!** So this exercise was a complete failure.

The government is conducting these exercises because it is now clear that some type of evacuation of elected officials is likely to be necessary in the near future. With Russian nuclear submarines presently off the east coast, the Gulf Coast, and the West coast, the situation of US meddling in the Russia-Ukraine conflict has now gotten to the point where the US realizes the Russians are not bluffing when they speak about engaging NATO over its interference in the conflict. Such an engagement might result in missiles being fired at Washington, DC and other US cities.

The government is getting ready for war to come here, to U.S. soil. A war THEY will have caused!

The members of the United States House of Representatives, and the United States Senate are jointly and severally, personally responsible for the decisions they made, and the votes they cast, which are leading us to this catastrophic conflict.

We are approaching the point where Russia has had quite enough of their meddling. Just yesterday, Russian Foreign Minister Sergey Lavrov publicly stated "If Ukraine joins NATO "either Ukraine disappears, or NATO does." ([Story Here](#))

It isn't rocket science to see and know that the United States makes up seventy percent (70%) of NATO. If "NATO disappears" then it necessarily follows that it's because WE HERE IN THE U.S. "disappear." Russia is one of only two countries in the world that can actually make that happen!

Here is the video showing they're practicing to "Get outta Dodge" before the missiles hit:

<https://haltunnerradioshow.com/index.php/news-selections/national-news/breaking-news-feds-practice-nuclear-evacuation-of-u-s-capital>

URGENT: RUSSIA CALLS "SURPRISE" NUCLEAR ATTACK EXERCISE

Without any warning, Russian President Vladimir Putin activated a "snap" strategic nuclear deterrence exercise. The drill – which happened last Tuesday – involves ballistic and cruise missile launches.

Russia's nuclear triad (land-based, air-launched, sea-launched) remains a reliable guarantor of Russia's security and sovereignty, Putin stressed, adding that it also helps maintain "nuclear parity and the balance of power in the world."

"Given the growth of geopolitical tensions as well as the emergence of new external threats and risks, it is important to have modern strategic forces that are constantly ready for combat use," the president said. Moscow plans to further improve all the "components" of its nuclear triad, he noted.

**** UPDATED 6:58 PM EDT ****

Intelligence Sources inside Russia CONFIRM: During the exercise of Russia's strategic nuclear forces, the so-called "nuclear football" (the Cheget terminal) WAS used!

- Bulava and Sineva ICBMs were successfully launched from a submarine.
- A "Yars" ICBM was successfully launched from Plesetsk
- Multiple Cruise missiles were launched from Tu-95MS strategic bombers.
- All missiles (without special warheads) hit their designated targets.

Russian Defense Minister Belousov, who personally participated in the training for the first time, confirmed "During the training, the tasks of delivering a massive nuclear strike in response to a nuclear strike by the enemy were being practiced."

Yes, little Kim acts and looks crazy; but you have to believe, and we did, that he could back up his crazy threats! They would tell me the ROK (Republic of Korea...the North) can and has infiltrated the South as evidence of (in the past) they have sent hit squads down killing some of the south's political leaders. In the Korean War we could only repel them (of course they had the Russians and Chinese helping them) to a certain parallel line but we could not destroy

them....talk to a Korean War Veteran, if they talk to you about it they will tell you how tough the Korean's are....so tough that I fear without our technology the US military "NOW" cannot handle them. Our military has been weakened, watered down. Our greatest toughest generation only was able to repel them not destroy them. When I was there we were told that we were a speed bump to slow them down (the ROK forces) until we were able to send in reinforcements, so us, the ones in medical arm, were going to be VERY busy with the war casualties and we (as a matter of fact the whole South Korea) practiced war games for weeks at a time...well I probably told you more than you really wanted to know but it was my way to tell you to keep your eye on North Korea and ALWAYS take them seriously.....the US military does for sure!

US Small Business Owners are now branded "terrorists" by Federal Government
In just over 2 months every small business owner in America is required to be registered with the Federal Government's Financial Crimes Enforcement Network (FinCEN). The Biden/Harris administration rolled out this unconstitutional law, known as the Corporate Transparency Act (CTA), on January 1st, 2024.

The CTA requires all small business owners in the United States, with revenue under 5 million and less than 20 full time employees to self-report to FinCEN, housed under the Department of Treasury.

According [FinCEN's website:](#)

"FinCEN is a bureau of the U.S. Department of the Treasury. The Director of FinCEN is appointed by the Secretary of the Treasury and reports to the Treasury Under Secretary for Terrorism and Financial Intelligence. "

Your failure to report into this terrorism and intelligence database by January 1st, 2025 means that you will be subjected to fines of \$591 per day and you could face a penalty of up to 2 years in federal prison. Small business owners in the United States could be jailed for up to 2 years for committing no crime, other than failing to turn over their personal, protected data to Big Brother.

[Senator Tommy Tuberville](#) (R-AL) and [Senator Warren Davidson](#) (R-OH) seem to be the only two elected officials moving seriously against this unconstitutionality. Both offices have introduced the aptly named "Big Brother Overreach" Bill, but it has fallen on deaf ears.

Further Proactive Measures

Invest in a "personal nebulizer" as the M.S.P. can be put into this devise and atomized into the lungs and nasal passages. Use 100ppm Invive Mild Silver Protein strength for nebulizer use.

Gas Mask Recommendations: Invest in gas masks for each member of your household. But remember the gas mask is only as good as the seal to your skin, so don't put all you eggs in this basket. SGE 150 Protective Mask at: 1-877-AGM-1010 www.approvedgasmasks.com/sge150.htm

Dr. Scott Johnson's Comment: **With the recent advent Covid (and all that surrounds that issue like the vaxxed shedding their spike protein payloads to the unvaxxed) we should all be placing an ever increasing importance on immune system function. In other words the best way to combat all contagious infections is: #1) To not put yourself in harm's way (that is if you can help it) and #2) building up your own immune system as much as possible. Below I am**

endeavoring to show you how to do the later, as the best defense is a good offence. Ideally, we want to have a strong immune system before we have any potential exposure to any contagious infection. In order to do this certain criteria have to be met in the human body. I am going to highlight some of the most important factors in this document. **See below.** God bless!

Recommended Products Dr. Johnson Carries to build up the Immune System:

++ For More Information or to purchase the Invive Silver go to: <http://www.dr-johnson.com/>

++ Note: Selenium, Vitamin C, Zinc, Calcium, Vitamin D-3 and Iodine can easily become depleted from aggressive viruses

Recommended Products Dr. Johnson Carries:

++ Please note you cannot order off the links below, they are there for purely informational purposes. For more information or how to order email: drjohnson@ix.netcom.com

++My choices of selenium: Selenium is highly anti-viral and is an essential trace element possessing antioxidant properties, and is key to the production of

glutathione peroxidases which makes this very compatible with NAC (see below) to raise glutathione levels.

[Selenium by Innate- 90 tablets](#)

Overall Best Value: [Se-Zyme Forte \(100 T\)](#)

++My choices of Vitamin C:

++ I recommend that every adult take at least 6 to 12 grams of vitamin C per day if you are being exposed to the Covid vaxxed (but you can go double that is you feel you are infected) for optimum dosing. Space out your dosages every 2-4 hours ideally.

[Innate Response Vitamin C-400 180ct](#)

[Innate Response C-Complete Powder 81gm](#)

[Bio-C Plus 1000™ \(100 T\)](#)

[Pure Encapsulations Ester-C & flavonoids 90 capsules](#)

[Pharmax Vitamin C Powder \(Magnesium Ascorbate\) 8.8 oz \(250 grams\)](#)

++My choices of Zinc (Zinc is essential for immune system function and Vitamin C and Quercetin helps to get zinc into the cells):

[Zn-Zyme Forte\(100 T\)](#)

[Davinci Labs ZINC LOZENGE 60 count Lemon Flavored](#)

++My choices of Calcium/Magnesium products: White blood cells are the main tool our immune systems use to destroy foreign infectious invaders--White blood cells (WBC) use calcium as the main fuel to propel themselves and destroy these invaders through a process called Phagocytosis.

[Douglas Labs Cal/Mag Citrate 250 capsules](#)

[Ca/Mg-Zyme™ \(Ca & Mg\) \(360 T\)](#)

++These are the Vitamin D-3 products Dr. Johnson carries see below--Vitamin D-3 upregulates the immune system--Only 5.9% of those who had an optimal vitamin D levels of 55 ng/mL or higher tested positive for SARS-CoV-2. *Statistics cited in "The Truth About COVID-19" by Joseph Mercola and Ronnie Cummins, p. 96

Subject: **Listener Comment About The Importance of Copper in Fighting Off Ebola**

Dr Johnson, I don't know if your listen to Steve Quayle's the Qfiles but I have been a subscriber of his for years. I wanted to share a warning about an upcoming bio-weaponized release of Ebola. To hear this and more updates by him all you have to do is subscribe to the Qfiles.

I felt like God wanted me to share this update with you as you are a Christian with the medical expertise to truly help people with REAL medicine and supplements. Steve states that pure copper will destroy this bioweapised Ebola as well as the corona virus.... In a few days I plan to order...the 10,700 ppm silver (Comment: To do so go to: <http://www.dr-johnson.com/>) & your strongest vitamin C I also wanted to ask you about a pure copper supplement that you know to be of the purest and highest quality. Non GMO

Sincerest Regards, Gwyn Luke

Dr. Scott Johnson's Response

Gwyn: Yes this is the copper I carry: **[Cu-Zyme™ \(Copper\) \(100 T\)](#)**

++Dr. Johnson's Comment: I also suggest if your O2 levels are running low (which seems to be very prevalent due to the Covid-19 Bioweapon) to get on Cataplex E2 by Standard Process (9-12 a day split up dosages), but I don't carry that one. **You can find it online.**

++Parasite Eradication

(If you are concerned about the parasites that have been actually viewed under the microscopes of researchers who have examined the Covid vaxx vials, you can take the protocol below) See: [Four Deadly Parasites Found in Vaccines](#)
[Bromelain Plus CLA \(100 T\)](#)
[Dysbiocide 120ct](#)

Optional but highly recommended: [A.D.P. 120ct](#) <<This is also highly effective at eradicating candida/yeast out of one's system and boosting the immune system I recommend the products be taken together for two 20-day cycles with one week off in between. **You would take 3 a day of Dysbiocide and 5 a day of the Bromelain Plus CLA (only empty stomach) and 3 a day of the A.D.P. for two 20-day cleanses.** So you would need **two bottles of [Bromelain Plus CLA \(100 T\)](#) and one bottle of [Dysbiocide 120ct](#) & [A.D.P. 120ct](#) to properly complete this parasite cleanse.**

++ Recommended after this cleanse to make sure your intestinal flora is at a high level
