+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. **We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts O' Lord.. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others.** We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for wickedness, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, bruja, brujo, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

YOUR MESSAGE **This video is an excellent exposé of Dr Steven Greer. I know you have spoken a lot about him, and exposing the disclosure movement agenda, but this video contains a lot of material I hadn't heard before.**

Dr. Steven Greer for years has led the "Disclosure" movement to have the US government reveal what it knows about extraterrestrials, says he's conducting diplomacy with aliens on behalf of the human race and says he can summon the aliens and can teach others to do so as well.

Steven Greer believes that ET's can be contacted through new age practices such as meditation, and other demonic ways of communication with non-human entities.

Listener Comment: The largest UFO mass sighting event in modern history is occurring right now-Everywhere-From Wisconsin to Russia, Rome to Mexico, millions are seeing, recording, and experiencing a visitor phenomenon unlike anything in recent memory

What began as "mystery drones" was quickly recognized as a more complex event, with categories of UAP ranging from metallic orbs, black triangles, and plasma lights to organic, shapeshifting, and shimmering craft.

I think disclosure has already happened. Quietly. And now the world lives in a vast ecology of these beings in the sky. Will this continue to escalate? Has the presence just been acknowledged?

The world stands still as we wait for what comes next.

Hundreds March for Muslim / Islamic 'Intifada' in NYC Hours After Attacks in New Orleans & Las Vegas

Hundreds of pro-Palestinian protesters marched in New York City on New Year's Day for "intifada," blocking Sixth Avenue in Manhattan just hours after a terror attack in New Orleans, Louisiana, and an explosion in Las Vegas, Nevada.

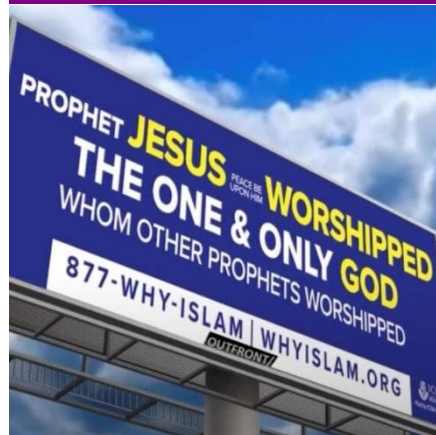

As reported:

Attendees chanted "Resistance is glorious — we will be victorious," "We will honor all our martyrs," ... "There is only one solution — Intifada revolution,". "Intifada," Arabic for "uprising," is associated with the Second Intifada, a period of terror attacks in Israel in the early 2000s marked by suicide bombings.

...

The New Orleans attack took place in the early hours of the morning, when a Muslim, who had reportedly pledged loyalty to ISIS, rammed his car into a crowd on Bourbon Street, killing more than a dozen people.

Strange Fog is Making People Sick?

Play to 2:07: <https://www.youtube.com/watch?v=TZbuGwcj1Jg>

There Is Nothing Natural About This Global Fog Phenomenon: Remember That From 1949 To 1969 The U.S. Military Used Fog To Experiment With Biological Warfare, Using Americans As Human Guinea Pigs - Made people ill over the course of 50 years, some died

"The Fog" sounds like B-rated movie thriller, yet here we are seeing reports of a mysterious fog that people describe as dry, when fog generally consists of water droplets or ice crystals near the Earth's surface, which in and of itself makes this "fog" a strange phenomenon.

Top that off with people getting sick, symptoms including flu-like symptoms and sore throats after being exposed to this "fog" and you truly have the makings of a horror movie.

The "internet", meaning those talking about this creepy fog online, has dubbed this "Fogvid-24," a sort of play on the Covid-19 name from the 2020 plandemic.

Viral videos showing fog that appears unusually thick, with large particles within when shown under a flashlight, with some claiming it had a "chemical" smell.

Most reports, and countless videos I have seen have come from the U.K and the U.S., but they all seem to agree on one thing, there is nothing natural about this.

It seems noteworthy that this "fog" comes right on the heels of sightings of mysterious drones and orbs, from earlier in December.

In 2021 it was reported that the United Arab Emirates were using drones to fly into the clouds to "release the electrical charges needed for cloud seeding."

If they can be used for rain, the drones can be used to "seed" anything into the clouds, including chemicals that could produce this type of unnatural fog.

In the 1950's, showing how long technology using fog to harm people has been happening, as reported in 2015 by CBS News, "[Military Once Used SF Fog For Simulated Germ-Warfare Attack.](#)"

[Exposing 800,000 To Harmful Bacteria."](#)

In what sounds like a conspiracy theory, the fog over San Francisco was used by the U.S. military in the 1950s as a way to mask the spreading of a biological agent in simulated germ-warfare attacks.

Leonard Cole, the director of the Terror Medicine and Security Program at Rutgers Medical School, called it one of the largest human experiments in history.

For a period of 20 years between 1949 and 1969, the U.S. Army conducted more than 200 secret biological warfare tests over populated areas. Among the first was in the 1950s along San Francisco's bay coastline.

Here is the key paragraph from that piece:

Jay Anderson

I'm really not trying to buy into the 'Fogvid 24' conspiracy where people are saying the thick blanket of fog over the UK that impacted us for about three days straight has made people ill but I got rapidly ill with cold/flu symptoms and it was after brief exposure to fog.

• Cole said a careful inspection of the medical literature would have shown that bacteria was responsible for not only making some people ill over the course of 50 years, but also in a few instances caused their death.

OTHER REACTIONS.....

• TikTok user characterized the fog as a “chemical fog” and described it smelled and tasted like sulfur.

• “We’ve got people in Kentucky, we’ve got people in Sweden, we’ve got people in

Finland — all reporting the same thing. The fog has made them sick.

BOTTOM LINE.....

While this mysterious fog, on the heels of all those drone sightings, has people theorizing about what it can be, often with different ideas, what everyone who has seen it, or gotten sick after being exposed to it, seem to agree on, is that there is nothing natural about this "fog."

Fog appears when water vapor (water in its gaseous form) condenses. During condensation, molecules of water vapor combine to make tiny water droplets that hang in the air. Sea fog, which shows up near bodies of saline water, is formed as water vapor condenses on bits of salt. Fog is similar to, but less transparent than, mist.

Bill Gates Calls for 'Anti-Vaxxers' to Be Censored by AI: Questioning 'Vaccines' Is 'Inciting Violence'

By Frank Bergman

December 24, 2024 - 9:14 am

Bill Gates often has expressed extremism in supporting his agenda that appears to include massive levels of one-world government, such as the submitting to World Health Organization agendas, and mandatory vaccines for people whether they help or not. Now he's stepped further into the morass. He is suggesting artificial intelligence, or AI, censor people who are "inciting violence" by expressing doubt about vaccines.

The fact that vaccines are horrible, is no longer a question mark.

Now, during an interview with CNBC, he's conflated doubts about the many shots that have been developed by for-profit

corporations, with "inciting violence."

A [report](#) at Slay News explains that Gates now is calling for "members of the general public to be censored by artificial intelligence (AI) if they question the official narratives regarding 'vaccines.'"

Patients Unknowingly Received Covid Jabs While Under Sedation at Hospitals, US Attorneys Claim-- Lawyer claims health care workers have confirmed 'abominable covert act.'--Says he'll soon have tests available for people who suspect they were jabbed while under anesthesia

Patients at local hospitals were unknowingly given Covid

vaccinations while under sedation, a group of lawyers has claimed.

According to the Freedom Counsel, which defends victims who were affected by the jab and mandates, they've received multiple accounts of people who claim they were injected with the experimental mRNA jab while under anesthesia for other medical procedures.

"Were you or a family member covid vaxxed while under sedation? We are hearing stories of this abominable covert act," Freedom Counsel founder Warner Mendenhall wrote on X earlier this month.

Mendenhall went on to say he's verified the accounts through health care workers, adding that many patients wouldn't know if they were jabbed under sedation because it was probably not documented on charts.

No. That is the point. Some health care workers are confirming this but the shots are not in the patients record.

PRION-CONTAMINATED PORK ALERT: All across the United States, pigs can be “vaccinated” with millions of deadly prions via mRNA clot shots – UNLABELED

There’s never been a more tell-tale sign that the medical industry in America wants to kill Americans than the injection of mRNA “technology” into farm animals we consume. These animals were never in danger of contracting or dying from Covid-19, so why inject them with “vaccines” that create millions of spike prions in the blood and body? The globalists, like Bill Gates, want everyone, not just the naïve vaccinated, to have bodies polluted with nanoparticles that create horrific health conditions for Big Pharma to “treat” with more poison. It has come to light that pork producers in America have been quietly administering customizable [mRNA-based gene therapy](#) to animals, particularly pigs, for several years now. This practice, shrouded in secrecy, involves injecting mRNA clot shots into pigs without any disclosure on food labels. The implications of this clandestine operation are alarming, as consumers unknowingly ingest [pork contaminated with millions of self-assembling nanoparticles](#) that pose serious health risks, including heart problems, immune dysfunction, and dementia.

The Satanic company behind this controversial method, Harrisvaccines, introduced the first RNA-based livestock vaccine in 2012, followed by an avian influenza mRNA shot in 2015. Subsequently, Merck Animal Health acquired Harrisvaccines in 2016, signaling a significant development in the mRNA-based gene therapy industry. CureVac also joined the fray by developing an mRNA-based rabies shot for pigs, further solidifying the prevalence of this unregulated practice in the livestock sector.

- Companies plan to expand mRNA “vaccines” to avian influenza, cows, and cattle, prompting the need for transparent labeling and stringent regulations to protect public health.
- Consumers are advised to avoid pork products possibly tainted with mRNA vaccines, highlighting the urgent need for transparency and accountability in the food industry.

I haven't been able to leave our home here in the Ozarks of NW Arkansas since Jan 2024 but my ears are ringing non-stop due to a FORCED smart electric meter was FORCED on us...a meter system that was banned in two countries at the federal level. [The Truth About Technology DOT org](#) needs to be seen!...

Subject: From Linda - GiveSendGo | 62 Year Old Listener / Grandma (Who Drives a 18 Wheeler) Needs Our Help--Hi Scott, I finally got the 'give send go' put together, hopefully it'll suffice. I've never done this before... Here's the link:

Thank you again! I can't tell you how much I appreciate it. While I thought I'd secured a decent job, turns out it's another bomb... a common problem in the trucking industry. The owner breaks every rule in the book and the trucks are complete trash. We're leaving tonight with my 1st load from Cape Canaveral to cashiers, nc, then Atlanta back to Florida... i'm dreading it.

I've already got other applications put out and an interview for a street sweeper, 3am - 11 am m-f. rough hours, but better than the mess I'm in now. Blessings!
