These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage." **Alexander Fraser Tytler**

+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. **We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the**

whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts O' Lord.. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for wickedness, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, bruja, brujo, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

California Gov't App Advises Teens To Drop Christianity And Embrace The Occult The new program, known as 'Soluna' features blatantly pagan and occult themes!

An official “mental health” app backed by the state of California is targeting vulnerable children with controversial propaganda involving the occult, the New Age, homosexuality, transgenderism, fornication, and more. The attack on biblical principles and precepts is clear. But critics are sounding the alarm.

Under the guise of helping California teens with self-esteem and emotions, the new program, known as “Soluna.” features blatantly pagan and occult themes. From magicians and Tarot cards to channeling “that high priestess” and touting lesbian characters, the controversial topics are ubiquitous.

One lesson is called “Tarot and Tidings: a holiday spread to protect your peace.” “This season, the cards are stacked in your favor,” reads the text. “This holiday tarot spread holds the secret to boundary-setting magic — meaning less chaos and more clarity.” The Bible teaches refers to such practices as an “abomination” and witchcraft.

The Tarot and Tidings segment’s “first card” urges the children to “protect your energy” and get ready to cast a “spell.”

The next card in the Tarot series features a “high priestess” where students are taught to “channel that high priestess” when family members ask “cringey questions” during the holidays. It then calls on students to “embrace the Hermit energy” because it is “where your magic grows.”

Another lesson in the mental-health app is titled “Coming out to immigrant parents” “In this audio, you’ll hear the story of Olga, an immigrant parent, and her queer daughter, Nina,” the slide declares before dissing “cultural values” and promoting homosexuality. Despite the mountains of evidence of how incredibly destructive the homosexual lifestyle is; this mental health app treats homosexuality wonderful.

Yet another lesson teaching children about “physical intimacy” encourages fornication. “Taking that next step with someone special is a big deal! It can be an exciting way to deepen your connection,” the app informs children. “Ready to get spicy and safe?”

In short, as long as there is (what the app calls “consent” and “protection” from babies and venereal diseases) the state scheme urges its victims to do “whatever you’re comfortable with.” It even encourages children to consider whether they want to be monogamous or polyamorous, having numerous sexual partners at the same time, as if this were normal.

+2+ WEF 2020: The Internet Of Bodies Is Here - Recent Advancements In The Internet of Things Are Transforming The Human Body Into A New Technology Platform [Shaping the Future of the Internet of Bodies: New challenges of technology governance](#)

My work for the past 4 years has been to alert the world about the presence of self-assembly nanotechnology in human blood posing an existential threat to what it means to be human.

Information that should have been shared worldwide, has been censored, suppressed, laughed at and criticized. Most outspoken critics were doctors and scientists who said they knew better. They laughed at live blood analysis showing these nano and microrobotic biosensors swimming in everyone's blood and said live blood analysis is not scientific. Similar to Galileo who was prosecuted as a heretic for daring to say that the earth revolves around the sun, the concept of self-assembly nanotechnology - despite overwhelming evidence - was negated and still is to an unacceptable degree. Every human being in the world should be informed about this threat and every media outlet should discuss its immediate implications for the survival of humanity.

How much time has been lost to humanity (to not only work on antidotes) but also to have an informed discussion about their willingness to participate in the Internet of Bodies? The simple scientific fact that synthetic biology and nanotechnology exists, as well as the written and declared intentions of the transhumanist technocrats and the military has been ignored. The lesson of this fundamental error in thinking should be heeded, especially as we are on the brink of UFO Disclosure, AI Singularity and the rise to power of the Silicon Valley Technocrats who have assembled behind President Trump. As these technologies are being deployed non stop, our freedoms are under assault by an invisible nanotechnological surveillance sensor network under the guise of health benefits and progress. This is the infrastructure of the One World Order. As always, DO YOUR OWN RESEARCH.

2020 was the year declared by the WEF - that the Internet of Bodies is here. *The internet of things (IoT) is increasingly entangling with human bodies. This emergence and fast expansion of the "internet of bodies" (IoB)2 – the network of human bodies and data through connected sensors – while offering enormous*

social and health benefits, also raises new challenges of technology governance.

- WEF 2020

The COVID19 bioweapon technology was that platform. IEEE engineer Professor Ian Akyildiz - and one of the principal engineers of the Intrabody area network, metaverse, 6,7,8, G technologies, nanotechnology biosensing electronics and global satellite control grid network including nano satellites said it himself:

"COVID MRNAS ARE NOTHING MORE THAN SMALL SCALE BIO-NANO MACHINES" - [Lecture by Professor Ian Akyildiz From Georgia Institute Of Technology](#)

Scientists were falsely claiming that the COVID19 kill shot mRNA, spike proteins and lipid nanoparticles were harmless; and they conveniently completely ignored that each of these building blocks could also be used as biosensors. The lipid nanoparticles literally had been engineered to create computers and robots that can manipulate and fuse with our cells.

Oral EDTA Chelation To Remove Artery Plaquing & Toxic Metals

Dr. Johnson's Comment: A Doppler ultrasound of the carotids is the best, most cost-effective way to confirm if you have plaquing of the arteries. Lifeline Screenings are a nationwide service that can provide these at a very low cost, go to: www.lifelinescreening.com

This is a good version of EDTA if you cannot do the IV chelation, but these are suppositories:

Medicardium: Magnesium Di-Potassium EDTA Chelation

How Does EDTA Chelation Work?

IV EDTA Chelation

EDTA Chelation Suppositories Reviews

The Doctor in the interview above recommended a EDTA chelation skin cream:

KelaCream EDTA Heavy Metal Detox Cream

^^About this item

- **EVERYONE NEEDS CHELATION**
- **HUMAN BEINGS ALL OVER THE WORLD, REGARDLESS OF LOCATION ARE EXPOSED TO HEAVY METALS DAILY.**
- **Kelacream is a topical cream which delivers Calcium Disodium EDTA into the body transdermally.**
- **Kelacream will help remove the bad heavy metals like lead but will also help to remove good minerals like calcium, magnesium, potassium, sodium and so on.**
- **Be sure to replenish your minerals with a good multi-mineral supplement when using Kelacream.**

Question: How are we to know if we are actually becoming rid of toxic heavy metals? Does your urine show color or scent?

Answer:

The best ways to determine effectiveness are 1) improvement in symptoms (if you're experiencing any), and 2) a before, during and after heavy metal test such as a urine or hair analysis. Also, if one is using Kelacream to help improve artery health, before and after testing can be done such as ultrasound or other non-invasive tests to determine effectiveness.

More than 20 years ago, my Cardiologist gave me 6 months to live if I didn't have another (3rd!) extremely expensive, extremely painful quadruple bypass surgery!

That was only 2 years after he did the last one! I fired him on the spot and sought alternatives, finding (by the Grace of God) the therapy known as Chelation Therapy. It works. I have had more than 360 IVs over the past 20+ years and have continued to work, exercise, play and even resumed my SCCA Racing hobby (winning a Regional Championship) without surgery! Now, after so many IVs, my veins have become very sensitive and I have needed to seek a new alternative. I tried oral chelation for almost a year with reasonable results, then switched to KelaCream after reading the reviews (and upon a recommendation by my Nurse Practitioner). This stuff works. You can actually smell metal being removed with your urine after the first couple of applications. Don't skimp, follow the instructions. It's a little costly at \$80/month but a lot less costly than (and certainly not painful like) bypass surgery! I say bypass the bypass (and the stents) and take control of your own life and your health. I believe KelaCream will help you do that!

Also here is a whole book on this subject: [Detox with Oral Chelation: Protecting yourself from Lead, Mercury, & Other Environmental Toxins](#)

++ Regarding the oral EDTA, once a day, if you let ¼ tsp to ½ tsp of oral EDTA sit under the tongue for 5-20 minutes (with 5-7 drops of 99% pharmaceutical grade DMSO—see below) before swallowing, it will have a much higher absorption rate. A little organic peppermint oil can kill the taste. This process (depending on your plaque level) takes a lot of time to work with the oral EDTA route, but it can be a literal lifesaver and it much cheaper than IV Chelation which is the Gold Standard and also highly recommended if you can afford it.

To Purchase Pharmaceutical Grade DMSO (which is the only kind anyone should be using) go to:

http://www.ebay.com/usr/kaitlynstreasurebox?_trksid=p2047675.l2559

++For the money this is an excellent value on EDTA:

https://www.ebay.com/sch/i.html?_nkw=arizona+edta&_sacat=0

++ This kind of chelation will not remove calcium from your system but it will remove other heavy metals and trace minerals (so again being on a good trace mineral product while on any kind of chelation program is essential) but if you have calcium buildup due to artery plauqing this will not remove that calcium

++ If you wanting to know if you have calcium buildup in the arteries or are getting chest pains and want to see if it may be calcium build up in the arteries and heart valves; phosphorus directly competes with calcium in the body and can will chelate excess calcium out of the body. This can also help with tartar buildup on the teeth and arthritic calcium spur formation in the body.
