Thoth - Archons & Aleister Crowley Exposed

Thoth is an [ancient Egyptian deity](#). In art, he was often depicted as a man with the head of an [ibis](#) or a [baboon](#), animals sacred to him. A complex deity with multiple associations, he was the **god of the moon**, reckoning, learning and writing. [Thoth - Wikipedia](#)

Occult Source: In the Gnostic view of human society, **the Archons are alien forces that act through authoritarian systems, including belief-systems, in ways that cause human beings to turn against their innate potential and violate the symbiosis of nature. Archons are psycho-spiritual parasites.** Archons in [Gnosticism](#) and religions closely related to it, **claim to be the builders of the physical universe**

The Enigma of the Archons - Alien Dreaming

Aleister Crowley – The Wickedest Man In The World

From this pro occult link above we read:... By now Crowley was fast becoming infamous as a Black magician and Satanist, he openly identified himself with the number 666, the biblical number for the antichrist. He also kept with him a series of 'Scarlet Women'; the best known of these was Leah Hirsig, the so-called "Ape of Thoth". Together they would indulge in drinking sessions, drugs and sexual

magic. It is believed that Crowley made several attempts with several of these women to beget a 'Magical child', none of which worked...

In many ways Aleister Crowley was not a well-liked man, but he influenced and had an effect on the build up to the new era of modern witchcraft. His knowledge of witchcraft and magick was profound and without question, and he has passed on that knowledge through his books. In today's more liberal society more and more of Crowley's books are being reprinted. Indeed some of his books have now gained classical status including Gnostic Mass and The Book of Law. Other books include: Magick in Theory and Practice, 777 And Other Qabalistic Writing and The Book of Thoth<<This book describes the *philosophy* and the use of Aleister Crowley's *Thoth Tarot*, a deck of *Tarot* cards designed by Crowley himself... The Thoth Tarot has become one of the best-selling and most popular Tarot Decks in the world.

In this teaching will looking at the roots of Scientology and its founder L. Ron Hubbard. An examination of L. Ron Hubbard's life reveals he was significantly influenced by, and was a practitioner of the black arts – the occult. Hubbard was clearly involved in the occult & in 1945, L. Ron Hubbard met Jack Parsons, who was a renowned rocket scientist & protégé of occultist Aleister Crowley (who was the self styled 666 aka: "The Great Beast") and a member of the notorious Ordo Templi Orientis (O.T.O.), an international organization founded by Crowley to practice sexual black magic. According to L. Ron Hubbard Jr., his father considered himself to be the one 'who came after'; that he was Crowley's successor; that he had taken on the mantle of "The Great Beast" He told him that Scientology actually began on December 1st, 1947. This was the day Aleister Crowley died. Crowley described Jesus Christ as 'concocted', which is similar to Hubbard's claim that Jesus Christ was an 'implant,' and a false concept, meant to suppress man from advancing. These are just a few of many examples of Scientology's parallels with the occult. For the Christian, this makes it more understandable how Scientology is so evil and how it has so much power over people's lives.

[J.R. Tolkien, C.S. Lewis, The Inklings, Narnia & the Golden Dawn-Part 2](#)

In this teaching we will start out by first discussing many of the occult details and facts regarding both J.R. Tolkien's 'Lord of the Rings' books/movies and then C.S. Lewis's 'Narnia' books/movies.

During the 1930's to 1940's both Tolkien and Lewis were part of an informal literary discussion group associated with the 'University of Oxford' & known as the "Inklings". C. S. Lewis called Charles Williams (Fellow "Inkling", specialist in Tarot and Kabbalah & a man whose mind was steeped in occult rituals and

demonic forces) 'his dearest friend.' This close friendship made a large impact on Lewis and his writings. C. S. Lewis wrote of Williams poems: 'They seem to me... for their profound wisdom, to be among the two or three most valuable books of verse produced in the century.' Charles Williams was also a member of the 'Hermetic Order of the Golden Dawn'.

There are many that assert that both Tolkien and Lewis were closet members of the Golden Dawn. The Hermetic Order of the Golden Dawn was an amalgamation of Freemasonry (Babylonian mystery religions), Theosophy (An Satanic/occult religious philosophy combined with metaphysics, started by a high level witch named H. P. Blavatsky), Eliphas Levi's Teachings (A high level black magic occultist), Enochian Magic (an elaborate system of advanced, Satanic, ceremonial magic), The Kabbalah (The highest level of Jewish witchcraft) and medieval grimoire (a manual of black magic for invoking spirits and demons). Regarding the Order of the Golden Dawn, among its first initiates was a coroner who allegedly performed necromantic rites, while another early member was black magician Aleister Crowley, the self styled Great Beast/666.

[Biblically Exposing & Fighting New Age Witchcraft](#)

By [Dr. Scott Johnson](#) | November 25, 2007

This teaching is a unique one regarding an email I received recently from a high level new-age witch. The Bible says in II Corinthians 2:11: 'Lest Satan should get an advantage of us: for we are not ignorant of his devices.' In this teaching we are going to be looking at some of Satan's devices and why he still is the "most subtle beast of the field" (See Genesis 3:1).

New agers are well aware of the coming false-Christ and they are openly using mass witchcraft to usher in his presence. In conjunction with this (in order to deceive their duped followers) they are boasting many miracles, "deep healings" & supernatural manifestations; all these could easily Biblically fall under the 'lying signs and wonders' category that the Bible says will be an earmark of the 'End Times'.

These New Age witches (previously like Aleister Crowley (The 666 or Great Beast), L. Ron Hubbard (The inventor of Scientology), etc. are trying to open demonic doorways (they call portals/vortexes/stargates) in order defile humanity and this world we live in. This is one of the Spiritual battles that all Christians are called to as Ephesians 6:12 says: "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

Loosh Harvesting?

The Visitors continue their interest in disasters, as reported here for over a decade. Do they extract physical, metaphysical, consciousness, genetic, or other forms of energy from these catastrophe zones? Are they attracted to sources of human destruction, playing a part in loosh harvesting and dark cabal treaties to profit from misery in exchange for technology and collaboration - or something deeper and more nebulous? The sightings of craft over the US megafires of 2024 and 2025 adds to our understanding of their purpose - and those collaborating with the entities. An ancient and long recorded experience is becoming too obvious to deny.

The North and South Carolina “Wild Fires” & The Smart City / Smart Region Agenda & Plans—The Great Reset! ANOTHER Major U.S. City on Fire After Smart City Initiative Launched

More than one hundred wildfires were raging across the Carolinas, causing South Carolina officials to declare a state of emergency as firefighters struggle to contain the blazes.

Local news outlets in September 2023 reported on city staffers looking to make Myrtle Beach a “smart city using new advanced technology” in what they dubbed “the fourth Industrial Revolution,” which is being led by tech giant Meta.

The city’s Chief Innovation Officer Howard Waldie said officials want to use technology to “improve” the environment and have been working to make Myrtle Beach a “smart city” since 2022.

Waldie called the introduction of “smart city” technologies “the next phase of technological evolution.”

A local woman posted a viral TikTok video suggesting Myrtle Beach may be the next Lahaina or Los Angeles where major cities are burned to the ground and reconstructed as “smart cities.”

Scott Johnson's Response--Susan: Yes, all they have to do is use the garbage PCR tests (and just like the Covid testing) they will come up with false positives and that will be their excuse to cull all the chickens there. This is all a total scam

Meanwhile Trump has made billions of dollars with his and Melania's meme coins, while those dumb enough to buy them have lost money. His Chief of Staff, Susie Wiles, is also a supporter of the WEF NWO. And then there's Paula White,

Trump's head of the White House Faith Office, who openly mocks Christianity with her outrageous and immoral behavior, as evidenced by her chanting of nonsensical made-up words, and her divorces and affair with televangelist Benny Hinn. I truly believe we are living in the very end of days as described in the Book of Revelation. And the political show we've been watching since Trump took office in 2016 to this very day has been nothing but theater. I believe we have a uniparty hellbent in ushering in Klaus Slob's WEF New World Order. The Trump administration is moving forward at WARP SPEED to inject mRNA bioweapons they call vaccines into every living thing. RFK Jr. is a fraud...With the gene therapy mRNA bioweapons, bankers' wars, Geo-engineered Weather Warfare, bio/chem warfare, and intentional food shortages, our taxes are funding our demise.
