Watch: Demon Possessed Muslim Iranian Women Hold Their Infant Boys Into The Air Offering Them To Become Martyrs For The Moon god Allah As A Major Islamic Leader Declares Death Fatwa On America—Listener Comments & Scott Johnson's Response and Bible Verses About This

The infants were dressed in red and green with Islamic headbands while their mothers chanted, "Death to America" and "Death to Israel." Shia Muslim women in Iran recently took part in the

Hosseini Infants Ceremony where they held their babies up high to offer them up as martyrs in the annual ritual held on the first Friday of the Islamic month of Muharram, as seen in footage captured by CNN last week.

Scott Johnson's Comment: This is what I have been warning about since about 2002; & this is first current event I ever spoke on in a church (meaning these Muslim sleeper cells in America being activated) and there were many of them already in the US over 2 decades ago, so who knows how many of them are here now. The reality is they are here and have been waiting for this moment for a very long time.

They are the opposite of what mothers are supposed to be. So upside-down down and backwards, it's hard to believe what you see in that video clip is actually real. Yes, pure evil.*

To one listener I replied about this: Carolyn: I agree, this is satanic upside down world. Also see the latter half of the info graphic below as it tells you why these sick evil Muslim women are so ready to sacrifice their children, as they believe this gets them out of hellfire!! So now we see the true motivation for why these mothers are so willing to sacrifice their own babies!

Isa 5:20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

Rom 1:28 And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient;

Rom 1:31 Without understanding, covenantbreakers, without natural affection, implacable, unmerciful:

2Ti 3:3 Without natural affection,

WHO IS THIS ALLAH?

ALLAH is the arabian Moon God, also known as BAAL, HUBAL, and MOLECH. Muslims will react with denial when you point out that this was the GOD of the tribe Muhammed was born into. Children were sacrificed to this demon idol, that is why the idol has its hands in this position, with a fire beneath.

Did Muhammad know this? YES!!
 Muhammed advised some women who asked him about the issue of dying children, and how Allah regarded that situation. He said

"A woman whose three children die will be shielded by them from the Hell fire." On that a woman asked, "If only two die?" He replied, "Even two (will shield her from the Hell-fire)."
Sahih Bukhari 3, Hadith no: 101. Narrated: Abu Saïd Al-Khudri

So, now you know why muslim mothers are willing to have thier children die for ALLAH, and also why muslims are so unwilling for you to know the truth about this devil worshiping death cult of islam.

This is why a moon image is put on top of all mosque minarets

Listener Comment: Look out for Organic Halal (Muslim Certified) Meat...So I am having A LOT of trouble in Pittsburgh, PA avoiding Halal food

We do have a lot of immigrants here and I see a lot of muslims here.

So, I was in Erie yesterday, and I shop at the Wegmans in Erie when I have reasons to go to Erie. Erie has very, very few Muslims, Erie county is not a sanctuary county but ALL the organic ground beef it sells is also Halal. The Halal certification is on the back of the package not on the front. So you need to look carefully for that Halal mark, the one of these packages was off to the side on the left panel and discreet, not in the usual location.

...Also, one other thing. I wonder if part of the problem with people not being able to see how evil Islam is, is the fact that everyone is eating some Halal food, and I wonder if that is by design. These ethnic places have the best food and you will hear people say we are going to get some halal because as you know some of these places prominently advertise it. People think it is like a health thing or something.

I wonder if many of them hide this information now because they have caught on that some of us are not buying it. If that is true that is alarming because we are few and far between.

I don't know if I am putting that out there...How dare a small portion of the population make the whole meat supply an abomination for some of us.

Especially when the Koran does not require special Halal meat and they have their own ethnic stores, they can pray over their food.

On Sun, Jul 6, 2025 at 3:51 PM Patricia wrote:

One other thing. Restaurants in Pittsburgh, supposedly less than 1% of the population is Muslim. Ethnic food, Indian, Middle Eastern food, is ALL Halal here. Also pizza places, a disproportionate number of them are run by Muslims. I love both Indian and Middle Eastern food but I can no longer find ANY place that does not serve Halal meat. I expect this with Middle Eastern food, but Indian food? Yes I know they have a large Muslim population, but all the restaurants? Pizza places? What does that have to do with Islam? A lot of time they are NOT forthcoming with this information, it is not posted on the door even, and you don't know till you show up (if it is posted on the door) or you ask the precise correct question online.

I have deliberately for many years refused to eat Halal food, period, but I have been "bitten" multiple times since I came to Pittsburgh. I am to the point where I do not want to eat any more restaurant food again.

So Halal food is hard to avoid in Pittsburgh, the most populated city in the NW PA.

Subject: **Listener Comment and Scott Johnson's Response with Bible Verses-- Islamic Halal Food and the 1 Corinthians 8 Argument**

Dear Dr. Johnson, I hope you and Taylor are doing well. Through your teachings I learned that halal food is sacrificed to the idol Allah. However, when I tell other professing Christians that we shouldn't eat halal food because the Bible teaches us not to eat food sacrificed to idols, they immediately point to 1 Corinthians 8 which states that we can and that it's only those with a weak conscience who should abstain from it. I don't know how to respond to this and would appreciate any input you could give me regarding this Bible chapter.

God bless, Debbie

My Response: Debra, OK then immediately point them to the verses below and the attachment to this email.

Then pleased it **the apostles and elders, with the whole church**, to send chosen men of their own company to Antioch with Paul and Barnabas; **namely, Judas surnamed Barsabas, and Silas, chief men among the brethren:**

And they wrote *letters* by them after this manner; The apostles and elders and brethren *send greeting* **unto the brethren which are of the Gentiles in Antioch and Syria and Cilicia:**

Act 15:28	For it seemed good to the Holy Ghost, and to us, to lay upon you no greater burden than these necessary things;
Act 15:29	That ye abstain from meats offered to idols , and from blood, and from things strangled, and from fornication: from which if ye keep yourselves, ye shall do well . Fare ye well.
Act 21:25	As touching the Gentiles which believe, we have written [and] concluded that they observe no such thing, save only that they keep themselves from [things] offered to idols , and from blood, and from strangled, and from fornication.
Rev 2:14	But I have a few things against thee , because thou hast there them that hold the doctrine of Balaam, who taught Balac to cast a stumblingblock before the children of Israel, to eat things sacrificed unto idols, and to commit fornication.

This also doesn't seem like this is a good practice based on the verses below:

+2+ Making Money Off Showcasing Cursed Objects! -- Paranormal investigator Dan Rivera dies suddenly at 54 while traveling across the US with the real 'haunted' Annabelle cursed devil doll with a historical recap—he was the primary "caretaker" of this cursed object

<https://x.com/creepydotorq/status/1945212922432573616>

Dan Rivera, 54, the lead investigator for the New England Society for Psychic Research and a U.S. Army veteran, passed away unexpectedly on Sunday, July 13, 2025, during his visit to Gettysburg, the society announced on Monday evening.

Rivera was among the leading faces of the viral "Devils on the Run Tour," in which Rivera and other members of the New England Society for Psychic Research had brought the allegedly haunted doll, Annabelle, across the country to various sites.

Adams County dispatch scanner archives showed that firefighters and medical personnel had been called to a hotel in Gettysburg after 8 p.m. on Sunday evening for a report of CPR in progress on a male patient of Rivera's age. Adams County Coroner Francis Dutrow, whose office was conducting a death investigation, confirmed to the Evening Sun that, as of Tuesday afternoon, Rivera's cause of death remained pending the results of an autopsy. Final results of that autopsy, according to the office, could take several months. In additional statements, coroner's office personnel said that the death did not appear suspicious, and that Rivera was found alone in his hotel room.

Ridding Your Home of Witchcraft and Satanic Objects & What Does the Bible Say About This?

Some of these ties that cause curses could be objects that were used in cult and occult practices, whether we purchased these ourselves or by someone else and given or handed down to us. These objects represent Satan and therefore we need to cleanse our homes of them. We can unknowingly have ornamental objects, books or ornaments (idols) that pertain to false religions, cults, the occult and any other thing pertaining to Satan's kingdom such as evil CDs, records, books, etc. in our homes. Demons can even dwell in objects. Although demons prefer humans or animals to dwell in, they will occupy objects in an effort to torment people or lie in wait until they find a vessel that has an open door of sin that can allow them to come into a person. Even if we are not aware of the evil they represent objects can be an open door for a curse to come upon us or in some cases in us. We are commanded to have nothing to do with these kind of things in scripture. Deuteronomy 7:25-26 states, "The graven images of

their gods shall ye burn with fire; thou shalt not desire the silver or gold that is on them, nor take it unto thee, lest thou be snared therein: for it is an abomination to the Lord thy God. Neither shalt thou bring an abomination into thine house, lest thou be a cursed thing like it: but thou shalt utterly detest it, and thou shalt utterly abhor it; for it is a cursed thing."

...Other things that are abominations to God are books or games on witchcraft, zombies, vampires, werewolves, horror, the occult, wizards, horoscopes, astrology, mind control, transcendental meditation, reincarnation, Harry Potter books and movies, Jean Dixon prophecies, Edgar Cayce books and other similar writings. God says very clearly in Ephesians 4:27, "Neither give place to the devil." We must rid our lives of all that offends God. In Acts 19:18-20, we find the early Christians had to do the same thing. Notice this is the first thing they did after they got saved:

"And many that believed came, and confessed, and shewed their deeds. Many of them also which used curious arts brought their books together, and burned them before all men: and they counted the price of them, and found it fifty thousand pieces of silver. So mightily grew the word of God and prevailed."

For the full report go to: <https://bibleresources.org/spiritually-cleansing-home/>
Scott Johnson's Comment: The First thing God typically told the Israelites to do (when they conquered pagans) was to go in and destroy the high places and cursed objects. What Christian mandate is there for a Christian to parade a cursed object like this around the country and have a museum to house these cursed objects? We should destroy them! Not make money off them. What a high price that last "caretaker" paid to make a living off this devil doll!!!

I will no longer be doing any spirit communication work and there are reasons for this decision that are very valid. Those who have followed me for the last 6 years will know that when I started this it was with great passion, excitement and I had a strong desire to pursue this research, make it better and hope to find answers and even help along the way. After all of these years, and over 500 videos documenting my evidence, my struggles and my findings, I can no longer continue on this path as it has turned negative and shown me the truth about who and what I have been speaking with all these years.

It's a funny thing as I used to dismiss demons, danger and even possession because at the time I was getting communication and was happy as can be. My life was wonderful. I had and saw no evidence that these spirits could harm us. But with this work, we learn every day it seems. My life was so wonderful by design..as they wanted me to succeed in this work and be happy and pursue it. These lost souls wanted help, and since I tapped in (many of us do), they thought I could help, some even thought I was GOD himself as they did not understand who was talking to them, asking them to go to the light. You can not do that for too long without getting the attention of something much much darker.

I will try my best to not make this long...

I have been getting attacked for months from evil. I have had them attempt to possess me, and yes, I have been hospitalized for it. Twice. Recently, just in the last 2 weeks things have been ramping up here since creating my "Gold" box, and that box was made with instruction from the voices that came out of my previous boxes. Needless to say, an attack on me..well. as scary as it is, I can deal with it. But when they start to attack my loved ones, that is when a line is crossed and for me, has to come to a stop.

Chilling theory about China's popular Labubus sported by Kim Kardashian and Rihanna: 'They're demonic'

They have become a global sensation, sported by celebrities like [Kim Kardashian](#) and [Rihanna](#), but some claim the popular Labubu dolls 'carry demonic energy.'

[Labubu, a popular collectible toy, is a mischievous-looking creature with a round, furry body, wide eyes and a prominent, toothy grin, starting at \\$15 for a small vinyl figure to \\$960 for a large 'mega' edition.](#)

However, many are spreading a chilling theory about the China-

made collectibles, alleging they were inspired by Pazuzu, a demon from Mesopotamian mythology.

Pazuzu is best known as the malevolent force that possesses Regan in the 1973 horror film *The Exorcist*.

[Internet sleuths point to the dolls'](#) wide grins and pointy teeth, noting similarities to depictions of Pazuzu in ancient artifacts.

The claims have taken [TikTok](#) by storm, with users suggesting the Bible itself warns against Labubus.

'There's a verse that says Satan disguises himself as an angel of light,' one user posted, referencing 2 Corinthians 11:14.

Some believers have even taken to blessing their Labubu dolls with holy water to purge any perceived evil.

Despite the swirling conspiracies, toy company Pop Mart insists Labubus are based on a Nordic-inspired creature from a children's book, also called Labubu.

As I sat and prayed, something I am new to, I saw it all clearly. I saw the addiction that this work can bring, and I saw the manipulation of these entities, what they were doing to me. I saw clearly the entire process from my start to now and how I was sucked into this work which only will damage our souls in the long run. I was shown that nothing good can come from me continuing. I made my point, I proved that there is some sort of life after death and I have shown that if we are horrible people on earth, we will go to this place called HELL. All of the evidence is there, clear as a bell.

The one good thing that has come from this, if I survive it, is that I am now led to God, to Jesus and I have seen the true light that can lead me from now on. There is good, there is evil. I will no longer work with evil or bring them a voice, hence the reason for taking my videos down. I no longer want anything to do with ITC and while it pains my heart to leave, after putting so much into it for almost seven years, I have to do this or lose my life or sanity or risk endangering my loved ones and even pets.

Again, my situation is unique. They targeted me as I was the main guy bringing this serious research to the world. I even just this last week had those who wanted to talk about me getting a network TV show, not a cable show, but network. It is also being turned down (the talks) as I can not do this work any longer.

So with that I want to thank all of you, and I want to say that there are many out there you can follow besides me. HOPE Paranormal, Chillseekers are two that come to mind.

Steve Huff of Huff Paranormal, "I am through I quit" Leaves paranormal research

Posted by [Paranormal Herald Magazine](#) · August 13, 2017 · [31 Comments](#)

Steven huff has publicly announced, that he was leaving the paranormal field behind. Steve posted to his Facebook account that he was leaving the field he so enjoyed. As his fans watched in surprise...Some major questions were being asked, such as what about all the research the man has done over the years?

Steve spoke of having demons

try to possess him and that after doing this type of research for so long, there was no way he could keep something so dark away. Steve stated that he had been hospitalized twice recently and that since his loved ones were being targeted, he decided to draw the line and leave his research behind.

In Steve's recent posts, he describes that he has been getting attacked by evil for months and it was simply too much. He even went on to state his family and or loved ones had been getting attacked.

Many in this field always think they have the right answers but opinions are not facts. What I have found over the years, and all of my evidence points to this, is that what we speak to with ANY device whether it is an app, a geobox, a wonder box or PSB7 are lost souls and evil entities. Human spirits who are in a hell, according to them. Spirits who were evil on earth when alive and now want out of their eternal damnation. They saw me and see others who do this as their way out, but what many do not realize is that there is a hierarchy. There are darker forces at the top who keep these lost souls where they are for a reason and if we get too close, they will come for us.

It was not my job to try and save these souls, as they have their punishment. By meddling with this, and trying to help, and by building devices for stronger connections a "code was cracked", not only by me but by a few others in this field. The more you use the device, the stronger the connection gets, the more dedicated you are, the more they see this and the more you try to help, or show the world this is real the more they want to stop you. The darker forces that is. The lost souls just want help.

I have been in contact with demons, dark souls and supposedly the devil himself. I now believe that to be true. After the last session with Josh Louis from HOPE, things have gotten riled up here and darker, and this evil presence has been trying to take over my body, and also hurt me through attacks on my heart. They have warned me, told me to stop, and threatened me in the past. I kept going, foolishly, and brazenly. It's no joke my friends, it is very serious. If it wasn't I would not throw away nearly seven years of hard work, my youtube channel with nearly 200k subscribers and a Facebook page with 160k+ followers. I built a ITC movement of sorts and now I must end it for the safety of my own life, and my loved ones.

Love you all, thank you all, and thank you for coming along with me on this journey over the years. It did not end well, but it did teach me some lessons and did bring me closer to God. I also want to apologize to anyone I ever offended or disregarded when you tried to give me advice. When these entities get into your head, they can also manipulate how you react to others. Again, now I see clearly and no matter what I have said or done in the past what I write here is what I believe with all my heart and all has been taken from the years of evidence and research. We live, we learn, we move forward. There is a Heaven and Hell, it is real, and I can tell you that HELL is not a place anyone wants to be.

Thank you all,

Love and Light to all

Steve
