No rifle being carried as the supposed Charlie Kirk shooter jumps off the roof, watch it closely. **Watch:** <https://www.youtube.com/watch?v=otMFe77ImJA> This is what they supposedly found in the woods (see below) which is hundreds of feet away (from where he jumped off the building) across the street. He couldn't throw it that far. That rifle (Mauser .30-06 caliber bolt-action) **does not break down for concealed carrying, so he couldn't hide it in the video and surveillance photos.**

**A firearms expert says:** *It is NOT possible to rapidly break down this kind of rifle. Breaking it down requires unscrewing two screws to remove barrel from stock. Disassembling the rifle results in multiple parts coming loose. Does NOT appear that the figure videotaped on the roof and dropping from the roof is carrying this...rifle.* <https://www.thefocalpoints.com/p/a-gun-dealers-take-on-kirk-assassination>

He also does not have a rifle with him in any of the surveillance photos taken of him that day:

<https://www.yahoo.com/news/article/s/fbi-identifies-name-suspect-charlie-233820017.html> so where was the rifle before and after, as these pictures (and the video of him jumping off the roof) are taken before and after. Where did that cardboard box that seems to fit the rifle perfectly come from?

[Donald Trump](#) flew at least seven times on [Jeffrey Epstein](#)'s private Lolita Express jet - six more times than was previously known, new documents released at [Ghislaine Maxwell](#)'s trial have revealed.

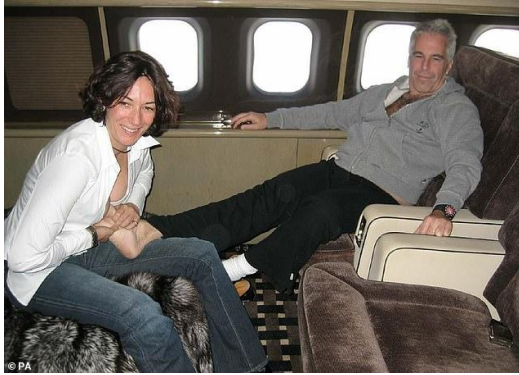

The former president travelled on the plane four times in 1993, once in 1994 and once in 1995 with his ex-wife Marla Marples... [flight logs](#) show.

The documents, which comprise more than 100 pages of flight logs covering the period 1991 to 2006, were released publicly on Sunday ahead of Monday's closing

arguments in Ghislaine Maxwell's sex-trafficking trial.

As previously reported, they show former President Bill Clinton was a frequent flyer on the Lolita express, taking at least nine flights with Epstein, and reveal Prince Andrew, lawyer Alan Dershowitz and former US Senator George Mitchell were also passengers.

Trump flew on Epstein's (pictured, with Ghislaine Maxwell on the notorious plane) Lolita Express jet 7 times

## 79 Days . . . The Fastest Debt Spiral in History; Sub-Prime Auto Loans Wiping Bonds Out

**We are being plundered.** On July 2, 2025, the US National Debt was \$36.2 Trillion. Yesterday, September 19, it had risen to \$37.5 Trillion. Up \$1.3 Trillion in 79 Days. Prior to this three month period, the US National Debt rose \$1 Trillion in the 90 Days prior to that. Before that, the US National Debt rose \$1 Trillion in 113 days. See the pattern? 113 Days, then 90 days, now 79 Days. That's the fastest debt spiral in history, and it's only accelerating.

The government is spending itself (and us) into oblivion. Worse, mathematically, there is no way to stop the debt spiral it before it completely collapses the entire system. We are in the end stages of the fiat money printing "system."

When that collapse happens, there won't be any Social Security Payments, No Medicare money, no SNAP/EBT money, no Medicaid at the state level. **ALL OF IT WILL STOP** because there's no money left.

I am told the U.S. Dollar lost ten percent (10%) of its value in THIS MONTH alone. It gets worse. Much worse.

### PRECIOUS METALS

Did you notice Precious Metals Prices yesterday? Record high for gold.

Close:

- Gold 3,699.93...Silver 43.33

Want to know why?

It has been reported to me that, according to industry insiders, financial giant Morgan Stanley, told their wealthiest clients that Morgan Stanley recommends changing the distribution of portfolio investments from the traditional 60/40 . . . . 60% Stocks and 40% Bonds, to a new formulation: 60/20/20 . . . . 60% stocks, 20% Bonds, and . . . . 20% Gold.

Why?

Why would one of the world's largest financial expert firms, tell their wealthiest clients to make a change of this magnitude? **Why tell them to get rid of HALF of their Bond holdings????**

Traditionally, Bonds have been the absolute safest - and admittedly lowest-interest yielding -- financial instruments. Bonds are the very foundation of matters financial. Always have been.

Why, then, would a giant financial company tell wealthy investors to get rid of half their Bond holdings???

**It turns out, it all began with a little Bankruptcy filing last week . . . . a strange and now, worrisome, filing.**

**A company that most of us have never heard about, TRICOLOR Holdings, started falling apart incredibly fast - within days.**

Tricolor Holdings, which operated more than 60 car dealerships across six states, filed for Chapter 7 bankruptcy. See: [Subprime Auto Lender Tricolor Files to Liquidate in Bankruptcy](#)

Notice the Bankruptcy Chapter? Chapter Seven (7) not the usual Chapter Eleven (11). **That means they have absolutely no hope of re-organizing and continuing in business; they are filing for LIQUIDATION.**

This is unusual for most companies and almost unheard of in financial companies. After all, there's always something to salvage, right? Not this time! It happened fast and with almost no warning at all. Early last week, media outlets learned that the vast majority of Tricolor's workforce, (which includes Tricolor Auto, Ganas Auto, Ganas Ya, and Lucky Lane Motors), had been told they were being placed on temporary unpaid leave.

If I am right, the twenty percent of Gold that Morgan Stanley is reportedly telling its clients to have, will be the only thing people have left when this is all over. And that's only if they hold the physical Gold themselves, and don't fall for the trap by buying "paper" gold that someone else holds. Because every ounce of that "paper" gold, has already been sold to 500 different "owners."

44 of the biggest 50 metros are flashing a grave warning that a house price crash is next

Housing markets across the US are showing signs of trouble as homes linger on the market longer in 44 out of 50 major US metros.

The worst hit area is Miami, where houses are now sitting unsold for nearly three months — almost four weeks longer than a year ago.

Across the country, the typical home spent 60 days on the market in August, seven days longer than a year ago and above pre-pandemic norms, according to a new Realtor.com report.

**Buyers remain hesitant, held back by high prices, shifting mortgage rates, and fears of a financial downturn.**

At the same time, supply is building. A steady stream of new construction is pulling demand away from existing homes, while cancellations have hit record highs as more buyers back out of deals at the last minute.

Sellers are responding by cutting prices or pulling listings altogether, hoping to wait out the slowdown.

**KISS the Traditional Single-Family Neighborhood GOOD BYE! Keep in mind this attack on neighborhoods is part of UN Agenda 21 which is the termination of neighborhoods as we once knew them!**

**Multi-level housing is ALREADY BEING BUILT in single-story neighborhoods. Neighbors are unable to STOP this.**

Multi/story housing, forced into existing single-story neighborhoods, has "devalued" existing single-story neighborhoods by MIXED USE. This scheme has added more people, traffic, parking, school enrollment, within existing infrastructure; that sewers water and public services were not initially planned for.

A mixed-use building (for example) is a ground-floor commercial space that serves the surrounding neighborhood and four homes in the two stories above.

**Now you can better understand the intentional collapse of traditional housing and what comes next. Dense populations adding to increased CRIME - unsafe neighborhoods that we're already witnessing in the UK.**

**But WORSE is the increased frequencies in what we call slaughter buildings - where folks use their cell phones to activate EVERYTHING wireless in their unit. Humans simply can't survive the planned use of frequencies as Weapons. So THINK twice before YOU decide to move into a mixed use KILL BUILDING COMPLEX.**

**Bible Verses--Woes for the Wicked**

**Isa 5:8** Woe unto them that join house to house, *that* lay field to field, till there be no place, that they may be placed alone in the midst of the earth!

**Isa 5:9** In mine ears *said* the LORD of hosts, Of a truth many houses shall be desolate, even great and fair, without inhabitant.

**Isa 5:10** Yea, ten acres of vineyard shall yield one bath, and the seed of an homer shall yield an ephah.

**Isa 5:11** Woe unto them that rise up early in the morning, *that* they may follow strong drink; that continue until night, *till* wine inflame them!

**Isa 5:12** And the harp, and the viol, the tabret, and pipe, and wine, are in their feasts: **but they regard not the work of the LORD, neither consider the operation of his hands.**

**Isa 5:13** Therefore my people are gone into captivity, because *they have no knowledge*: and their honourable men *are* famished, and their multitude dried up with thirst.

### **FORCED Retrofitting called Decarbonization ZONES**

While this is a Calif Senate Bill, this is a Worldwide implementation of the Climate Action Plan (sustainable development) SB 1221 authorizes the CPUC to approve up to 30 pilot projects that facilitate cost-effective decarbonization in priority neighborhood decarbonization zones.

Yes, all known life on Earth is carbon-based. Carbon's unique chemical properties allow it to form the complex molecules necessary for life, like DNA and proteins, making it the foundation of all terrestrial organisms. While other elements could potentially support life, carbon's versatility and abundance make it the most likely building block for life as we know it. Plants need carbon to produce OXYGEN. **If they accomplish their Satanic goals we can likely expect OXYGEN ZONES where we will need to pay for the AIR we breathe.**

### **Bible Study on God Sending Judgment on the Land**

**Eze 14:12** The word of the LORD came again to me, saying,

**Eze 14:13** Son of man, **when the land sinneth against me by trespassing grievously, then will I stretch out mine hand upon it, and will break the staff of the bread thereof, and will send famine upon it, and will cut off man and beast from it:**

**Eze 14:14** Though these three men, Noah, Daniel, and Job, were in it, **they should deliver but their own souls by their righteousness, saith the Lord GOD.**

**Eze 14:15** **If I cause noisome beasts to pass through the land, and they spoil it, so that it be desolate, that no man may pass through because of the beasts:**

**Eze 14:16** Though these three men were in it, as I live, saith the Lord GOD, they shall deliver neither sons nor daughters; **they only shall be delivered, but the land shall be desolate.**

**Eze 14:17** **Or if I bring a sword upon that land, and say, Sword, go through the land; so that I cut off man and beast from it:**

**Eze 14:18** Though these three men were in it, as I live, saith the Lord GOD, they shall deliver neither sons nor daughters, **but they only shall be delivered themselves.**

**Eze 14:19** Or if I send a pestilence into that land, and pour out my fury upon it in blood, to cut off from it man and beast:

**Eze 14:20** Though Noah, Daniel, and Job, were in it, as I live, saith the Lord GOD, they shall deliver neither son nor daughter; they shall but deliver their own souls by their righteousness.
