### The End of the American Fiat Money Experiment – Bill Holter & Scott Johnson's Comments on Silver & What is Happening

**Play to 9:27:** <https://usawatchdog.com/the-end-of-the-fiat-experiment-bill-holter/>  
Holter says you should be able to be self-sufficient for a while when the system shuts down. Storing up food and water is a good place to start.

In closing, Holter says, "This is the finale of the great financial reset. Make no mistake, what you are watching is the world resetting before your very eyes."

There is much more in the 43-minute interview, see the link:

<https://rumble.com/v73en0y-the-end-of-the-fiat-experiment-bill-holter.html>

**Definition:** Silver bullion is any piece of highly concentrated silver, typically defined as 99.9% pure, intended for investment purposes and valued solely on metal content. Unlike jewelry or collectible coins, silver bullion carries no artistic premium—its value derives entirely from silver content and current market prices.

**Scott Johnson's Comment:** Currently silver is over 79.00 per troy oz now. If my listeners bought any silver bullion (or 90% silver coinage) in the last 20 years (since I have been recommending it), they would of (depending on when they bought it [but it has been as low as 10.00 per ounce at certain times in the last 20 years—see the link below], they would of doubled, tripled, quadrupled (or even more) their investment. So while this took a while, this Satanic silver price suppression appears to be breaking free, as there are so many factors at play they simply cannot suppress it anymore, thank God, see:

### 12/25/25 Silver Hits Over \$80 per Ounce in Shanghai China—Now it is over \$90

December 25, 2025--Even though it The 25<sup>th</sup> of December, the markets in Asia are open and transacting business today. In those markets, Silver has reached a new all-time-high price of \$80.17 per ounce.

Industrial buyers already see shortages of available Silver worldwide. Now, companies like Samsung and Tesla have announced new vehicle battery configurations that will use Silver as their anode.

This new Battery technology has caused the demand for metal silver to skyrocket.

Instead of "paper" silver in New York and London determining the price, the physical metal market is now driving the price. The "paper" markets are having less and less sway now!

**This dramatic change in silver pricing is expected to continue, unabated, because new silver mines cannot be brought online for YEARS. That means the shortages of silver will only get worse - continuing to drive up the price.**

### Precious Metal Recommendations

Scott Johnson's Comment: My general recommendations are to buy from someone local or semi-local reputable coin dealer so you can actually go to them to buy the silver. Preferably do nothing online or anything that leaves a paper trail. Recommend buying a mixture of 1 oz. 99.9% silver rounds, 90%/constitutional/junk silver coins (made in 1964 and before) quarters, half dollars, dimes. War nickels are also good (see below). These are denominations that can be bartered with easier, as you can make change with them, whereas you would not be able to do this if all you had was 1oz. silver rounds or even harder 1 oz. gold rounds. Older United States silver coins (made in 1964 and before) are now in demand because of their silver content. (Many were melted down years ago.) At one time these were referred to as - junk silver - because they had no special collector value at the time. Junk silver is still used today to refer to old silver coins with no numismatic value. However, times have changed. Today's "junk silver coins" are becoming harder to find.

\$1.00 worth (face value) of silver dimes weighs the same (and has the same silver content) as a \$1.00 in silver quarters, which also weighs the same as \$1.00 in silver half dollars. For example, 10 dimes, 4 quarters, or 2 halves all have the same weight and are 90% pure silver composition. Also any combination of these (made in 1964 and before 90% silver US coins) that equals \$1.40 face value, equal approximately 1 oz of pure silver.  
God bless you!

### Silver "War" Nickels 1942 - 1945

Silver "War" nickels were produced by the United States from mid-1942\* through 1945. The coins were manufactured from 56% copper, 35% silver and 9% manganese. This allowed the saved nickel metal to be shifted to industrial production of military supplies during World War II.

Silver nickels are distinguished by a slightly different coloration than ordinary nickels and by the appearance of a large mintmark above Monticello's dome on the reverse side of the coin. The marks are "S" for the San Francisco mint, "D" for the Denver mint and "P" to indicate production at the Philadelphia mint, being the first coin to feature the Philadelphia initial, as no mint mark was the usual designation for Philadelphia mintage before 1979.

\* Note that some 1942 nickels were produced without silver content. These will have a small "D" or "S" mint mark to the right of Monticello on the reverse or in the case of Philadelphia minted coins, no mint mark at all.

### Gold and Silver--Biblical Examples

1. Gold and Silver, as is all of creation, are from God, and given to man for good use, for a useful purpose. (Genesis 1:28, Gen 2:12.) Gold, silver, seed, and flour, were all used as money. (Lev 27:16, 2 Kings 7:1) The vast majority of the time that gold and silver are mentioned in the Bible, it is in reference to the wealth of the kings of Israel or to the wealth of the temple of the Lord. Gold and silver were used in the workings and furnishings of the ark of the covenant, and the vessels in the temple. Therefore, gold & silver is definitely approved by God for us to use as money and as a store of wealth.

2. The people were to have and use "just weights and measures". The standard Hebrew units to measure the weight of things such as iron, stone, flour or anything, were the shekel or talent (or other measures), and also used to measure the weight of gold and silver. Unjust weights and measures were "an abomination to the Lord". (Lev 19:35, Deut 25:15, Prov 20:10)

The two evils that are most frequently mentioned with regard to dollars is that, one, dollars are not a just weight and measure, and two that all dollars brought into the economy are done so when either the government or the people borrow money from the banks (who borrow from the Federal Reserve) at interest. So all dollars created are debt and the more that are printed the more in debt a society becomes.

### Crashing the New World Order & Owning Silver

With the dollar as the underpinning of Washington's war of terror, silver offers a tangible savings account in a **money that cannot be printed ad infinitum and used to police the world through atrocious wars.**

The truth of the matter is that, when the aggressive short positions of multinational banks such as JP Morgan and HSBC are understood, **it is simple to see that a considerable rise in the price of silver means a loss of trillions of dollars for these banks.**

These banks will continue engage in massive short positions **that are nearly equivalent to the entire yearly supply of physical silver, and threaten the stability of our lives. Washington D.C. does not work to come up with populist solutions,**

but, instead, works on behalf of the same international banks which, as owners of the Federal Reserve, control the “boom-and-bust business cycle.”

For that reason, physical silver, as well as gold, platinum and palladium, is a great form of financial security against the economic uncertainty plaguing the world. Of course, preparing for the worst through storable foods and water is a necessity. But, holding the money of the people – silver – is a direct action against the fiat-based global money system.

Subject: [Listener Comment: More on gold and silver](#)

In Exodus 25 God tells Moses what the people ought to bring Him willingly as an offering. Gold, Silver and Brass (Copper/Tin) is what God said. That's why Gold is worth a little more than Silver and Silver more than Copper. Here is an example where these precious metals are counted as something "valuable." Money is a medium of exchange, yes, but it must have value intrinsic. So this seems to be a clear case of gold and silver as money.

In Judges 17 the famous story of Micah and the wandering Levite (Paris Reidhead preached from in Ten Shekels and a Shirt and you taught from in your Tribe of Dan teaching) there is actual proof for anyone who argues that silver is never actually called "money" in the Bible. In verse 4 it is. The 200 shekels of silver was restored by Micah to his mother and it is called "money" in the KJV. The shekel was a weight as is a 'pieces of eight' dollar and a dime (1/10th of a dollar) weight. As I'm sure you know, the silver was fashioned into replicable, standard weighted & measured "coins" for use as money.

## Sleepwalking In Modern Day Babylon--HOW THE SYSTEM MANUFACTURES OBEDIENCE AND HOW WE REFUSE THE PROGRAM

Gregory Mannarino, writing for the Trends Journal:

Level 1. Willing slaves.

KEY POINT. Sleepwalkers cooperate with their own captivity. They repeat the slogans. They defend the very system robbing them... And they mock anyone who sees the scam. They could question it... but they don't.

Level 2. Manufactured consent.

Most Sleepwalkers didn't wake up one day and say, "I'd like to be a slave to Babylon."

KEY POINT. They were raised into it... "The System..."

Debt is "normal."

Constant distraction is "normal."

Food that kills you is "normal."

Government and central banks as "savior" is "normal."

>KEY POINT 1. From birth, school, media, tech, entertainment = one giant conditioning machine. Conditioning to numb the masses.

Level 3. Most of these people are not totally gone. They're split.

A). One part of them knows The System isn't right. "This doesn't add up."

B). Another part says, "Shut up! If you admit that, your whole life has to change."

So, they laugh everything off... call deliberate collapse “bad luck.” Call obvious manipulation/FAKE DATA “conspiracy.” Call our warnings “negative” or call us “doomers.” They do this not because they’re stupid, but because truth would demand transformation, and they ARE terrified of it. (They have been indoctrinated).

**KEY POINT.** A “Babylon Sleepwalker” is a person sedated by fear and programming walking through Babylon on autopilot.

Level 4. Spiritual capture.

THE Deepest layer... Babylon isn’t just a political or economic structure. It’s a spiritual atmosphere. And with Babylon Sleepwalkers, their identity has been “captured.”

Signs of Spiritual Sleepwalking.

They worship idols, money, party, a political leader.

**KEY POINT.** A Babylon Sleepwalker is a person whose mind, heart, and time have been colonized/replaced by The System... to the point where they defend their own chains and call it freedom. (That’s a captured soul, gagged and sedated).

When we refuse the programing, we should also tell the truth so loud and clear that possibly the sleepwalkers feel some conviction inside them!

**BOTTOM LINE.**

Sleepwalkers are willing slaves who have surrendered to the System AND EVEN DEFEND IT.

Babylon Sleepwalkers are engineered, numbed, and spiritually captured... until something, maybe... a crisis, truth, love, raw reality, or God shocks them into “awakeness.”

## **Germany is Now Officially a Surveillance State – Civil Liberties Destroyed**

**Posted Dec 10, 2025 by Martin Armstrong | Germany granted itself legal permission to use AI technology to aggressively monitor the entire population in real-time. The Berlin House of Representatives passed amendments to the General Security and Public Order Act (ASOG) that grants government access to citizens’ personal data by any means necessary, including forcibly entering their private homes.**

**Interior Senator Iris Spranger (SPD) declared the new laws necessary to fight terrorism in the digital age. German investigators may now legally hack IT systems, but if remote access is unavailable, authorities may “secretly enter and search premises” a suspect’s personal residence to confiscate their digital devices. **Germany will equip public spaces with advanced surveillance technology. The cell tower query will be expanded to enable the government to access data from all private mobile phones. **+2+** Techno-Fascism: Trump Signs Executive Order That Overrides State Regulations For AI--Federal Government And Tech Companies Can Do Whatever They Want With Impunity!

Earlier this week, President Donald Trump announced his intentions to sign an executive order that would override all local regulations and laws in all 50 states for the purpose of allowing the AI rollout in the country to go unimpeded, providing permits, grants and fiscal backstops for big-tech for whatever they wish to do.

Trump defined this as a "One Rulebook," he said in a post on Truth Social, claiming the U.S. cannot win the AI race if tech companies are forced to navigate each and every other state's laws and votes. "You can't expect a company to get 50 Approvals every time they want to do something. THAT WILL NEVER WORK!" he added.

### AUTHOR COMMENTARY

Regarding this bill trump said: "I didn't have to be briefed on this, by the way. This is real easy business. I mean, this is simple." - *"Out of thine own mouth will I judge thee, thou wicked servant" (Luke 19:22)*. Oh, so you didn't have to be easily swayed to write this abomination of a bill? You and your co-conspirators are salivating at all the money you will continue to make for yourselves whilst burning down the Constitution and enslaving the masses with the rapid rollout of the AI control grid?

Proverbs 28:15 As a roaring lion, and a ranging bear; **so is a wicked ruler over the poor people.**

Proverbs 29:2 When the righteous are in authority, the people rejoice: **but when the wicked beareth rule, the people mourn.** [4] The king by judgment establisheth the land: **but he that receiveth gifts overthroweth it.**

"The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, **are reserved to the States respectively, or to the people.**" - Amendment X

Trump has shown once again that he does not care what the Constitution says. Putting aside the insidious side of AI for just a moment - strictly from a government perspective, this is a blatant overthrow of the Constitution, federalizing power from the top-down, stripping away a state's sovereign rights. It is authoritarianism, plain and simple.

## Trump Signs \$900 Billion Defense Bill That Funds Geoengineering, Electromagnetic Warfare, Psychological Operations, Space Operations, 5G Rollout And More

Last week, Congress passed the annual [National Defense Authorization Act](#), dedicating yet another some \$901 billion to the defense war department, with some notable GOP members voting with establishment Republicans to advance the bill. **The package allocated more money for Ukraine and Israel, removed a provision that bans CBDCs, and added provisions to combat "antisemitism,"** Fox News reported.

President Donald Trump [signed that bill](#) on Thursday, December 18th.

You can read the full text of the bill, over 3,000 pages of it, [here](#).

Since the bill was passed, more things contained in it have come to light.

[Zero Geoengineering](#) reported:

Program areas include, but are not limited to: **Test beds for Artificial Intelligence (AI) systems, biotechnology, 5G, DARPA advanced technology development, directed energy weapons, NATO Research and Development, Electromagnetic Warfare, Weather Operations, Psychological Operations, Space Operations, Strategic infectious disease medical research plan, United States-Israel Defense Industrial Base Working Group, United Nations collaboration,** as well as **Classified Programs.**

Don't you just love winning? Trump, once again, is carrying the torch passed onto him by his predecessors to advance the globalist agenda and destruction of this nation.

**Acts 13:10** And said, O full of all subtilty and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord?

█████ asked █████ about his time driving a limousine for two years in the Dallas/Ft. Worth area. During █████ time as a driver, he had met Donald Trump. █████ noted he picked the President up in 1995 and took him to the DFW Airport. █████ reported some of things President Trump had spoken about during the ride while on his cell phone were very concerning. █████ reported he was "a few seconds from pulling the limousine over on the median and within a few seconds of pulling him out of the car and hurting him due to some of things he was saying" as caller choose not to. █████ noted Trump continuously stated the name "Jeffrey" while on the phone, and made references to "abusing some girl." █████ was unsure who he was talking to nor who he was referencing. As █████ talked about his time meeting Donald Trump, █████ immediately █████ demeanor went "stone cold" as █████ stated "he raped me." █████ said "what" as █████ replied "Donald J. █████ advised █████ to call the police regarding the incident as █████ stated "I can't they will kill me." **These payments have resulted in six separate bankruptcies:**

Trump Taj Mahal Associates, Atlantic City casino, 1991

Trump Castle Hotel and Casino, Atlantic City, 1992

**I will point out the obvious facts that the video has been on YouTube for about 2.5 years and almost nobody knows about it or is talking about it, it has fewer than 26,000 views, it has more Thumbs Down than Thumbs Up, and everything in that video, except for Katie Johnson who sued Trump in 2016, has been completely ignored by all Democrats and by all fakestream media on Earth.**

**So that video does not seem like the usual operation from the Democrats / Deep State / mainstream media / Illuminati.**

**What I can tell you, if anyone cares, is that there is zero information on Google about any of #Trump's "alleged" child rape victims, except for a little bit about 12-year-old "Maria", who I assume is Maria Olivera, and "Katie Johnson", whose story is long and detailed and corroborated by Jeffrey Epstein's former assistant/child-sex-slave procurer, and I believe every word of it.**

**And it is not at all surprising to me that there is nothing on Google about any of Trump's other child victims, because their families all "allegedly" received cash settlements, which would have included non-disclosure agreements, and because the Satanic cannibal child-gang-rape death cult that not-very-secretly rules the world also not-very-secretly rules Google.**

**Donald Trump has paid about \$30 million to settle child-sex complaints, including a 2012 incident at Albemarle Estate in Charlottesville, Virginia**

Albemarle Estate at Trump Winery

**Donald Trump has paid roughly \$30 million to settle child-sex complaints brought against him since 1989, according to a D.C.-based investigative journalist. Wayne Madsen Report (WMR), describes the settlements in a Jan. 14-15 post titled "Why is Trump so afraid of Cohen's testimony?"**

<https://waynemadsenreport.com/articles/20190114> From the article:

Donald Trump continues to lash out at his former lawyer and "fixer," Michael Cohen, as the February 7 public testimony by Cohen before the House Oversight and Government Reform Committee, chaired by Representative Elijah Cummings (D-MD), draws nearer. Cohen said he wants to "give a full and credible account of the events that have transpired."

While Cohen will avoid certain subjects still under investigation by Department of Justice special counsel Robert Mueller, **he may provide some insight into the types of embarrassing things he "fixed" for Trump, before they ended up in scandalous court trials. This may include Cohen assisting Trump in paying off victims of Trump's sexual assaults over the years.**

The cases go way beyond those widely reported in the mainstream press, *WMR* reports. They also go beyond cases that involve women and adults. They indicate Trump has a disturbing taste for children:

In addition to Stephanie Clifford, aka porn actress "Stormy Daniels," and former Playboy model Karen McDougal, Cohen reportedly helped settle a number of rape cases involving Trump. *WMR* received a list from a reputable Republican source of these settlement claims, all of which involve male and female minors.

Trump used his wealth and power to silence his vulnerable, underage victims. Here is a list of some of the children Donald Trump raped, molested and sexually assaulted:

(1) Michael Parker, 10-years old, oral rape, Mar-a-Lago, Palm Beach, FL, 1992. Trump paid his parents a \$3 million settlement.

(2) Kelly Feuer, 12-years old, \$1 million settlement paid in 1989, allegations of forced intercourse, Trump Tower, NY, NY.

(3) Charles Bacon, 11-years old, \$3 million, allegations of oral and anal intercourse, 1994, Trump Tower, NY, NY.

(4) Rebecca Conway, 13-years old, intercourse and oral sex. [Trump Vineyard Estates](#), Charlottesville, VA, 2012, \$5 million settlement.

(5) Maria Olivera, 12-years old. Her family was paid \$16 million to settle allegations of forcible intercourse occurring in Mar-a-Lago, Palm Beach, FL, 1993.

(6) Kevin Noll, 11-years old, anal rape, Trump Tower, NY, NY. 1998. Settlement details unknown.

**Michael Yon: While China Invades USA -- Trump Welcomes 600,000 from an Enemy Country**

This post is a newsletter written by Michael Yon, an American war correspondent writer and photographer. He served in the Special Forces in the early-1980s, and he became a writer in the mid-1990s. He focused on military writing after the invasion of Iraq. Yon has been embedded on numerous occasions with American and British troops in Iraq.

In his letter, he covered his time during the protests in Hong Kong in 2019. He wrote about current problems in Japan and noted that the COVID ‘death jabs’ have killed more Japanese people all the World War II fire-bombings + both atomic attacks combined. He said that Japan is being invaded and destroyed through mass immigration of Africans. He lambasted Trump for being a Zionist and his part in the destruction of the US...

Japan is being invaded and destroyed. And now come plans to directly settle Africans from Nigeria, Mozambique, Tanzania, and Ghana — directly into Japanese towns. Naturally, crime has exploded. Home invasions. Rapes, murders. The normal barbarian stuff. Trump is part of the invasion leadership. Evidence is clear. These are true statements:  
 1) Zionists are working to destroy America, Japan, and more.

- 2) Chinese Communist Party is Working to Destroy America, Japan, and more.
- 3) Zionists are frenemies with China. Zionists cooperate together with CCP in destroying Europe, Japan, and North America.
- 4) Trump is Zionist. Openly.
- 5) Trump uses MAGA to help destroy America. And MAGA — what remains of it — are useful idiots. Much like Antifa, the democrats, and average Israelis, are operating as useful idiots.

This is too clear:
