Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary**

defines: "**Reprove**": To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt. "**Circumspectly**": Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage." PRAYER TO NEUTRALIZE OCCULT RITUALS

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts O' Lord.. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for wickedness, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, bruja, brujo, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

CONFIDENCE SPIRALS--Jobs apocalypse gathers steam as Americans lose 13,500 positions each week

Texas: ID Will Be Linked to Every Google Search! New Law Requires Age Verification: THE BEASTIAL SYSTEM AND THE MARK OF THE BEAST IN OUR LIFETIMES! Starting January 2026, all Texans will have to verify their identity or age just to access basic internet services under a new law, SB2420, echoing Australia's rule that now links ID to every Google search. Age verification is a gateway to a total surveillance state with mandatory digital ID!

Texas has joined a multi-state crusade to enforce digital identification in America—marketed as a way to “protect children.” The other states include Louisiana, Kentucky, and Florida, with Oklahoma conducting a related investigation. Parents are being eradicated and their responsibilities are being relinquished to the government and internet companies.

Attorney General Ken Paxton's lawsuit accuses gaming platform Roblox of letting predators exploit children while misleading parents about safety. **But Paxton's solution is not to focus on Roblox to repair the problem, but to implement a system to track and monitor people, punishing the innocent.**

Texas SB2420, known as the App Store Accountability Act, requires app stores to verify the age of users and obtain parental consent for those under 18. This law aims to enhance protections for minors using mobile applications and is set to take effect on January 1, 2026.

Yet privacy experts say the real goal isn't child protection—it's control. Roblox insists its new “age estimation” system improves safety, but it relies on biometric and government data—creating the foundation for permanent digital tracking. With Texas now the fifth state to join the campaign, one question remains: how long before “protecting kids” becomes the excuse to monitor everyone?

After Introducing An All-In-One Digital ID Surveillance State App, Russia Now Plans To Implement Internet Age Verification - 'Everything We Do On The Internet Will Be De-Anonymized' Biometric ID verification terminals at businesses!

Russia is becoming the latest country poised to implement digital ID verification checkpoints to access internet content, similar to what the United Kingdom implemented this year, under the pretext of protecting minors from harmful and pornographic content.

In July, the U.K. implemented its controversial Online Safety Act that forces users to upload and confirm their registered identity or provide biometrics to confirm their authenticity to access the majority of content and websites. Not long thereafter, Prime Minister Keir Starmer mandated “Britcard” to purportedly crackdown on illegal immigration and labor.

Russia is doing something similar. In August, The WinePress reported that Russian President Vladimir Putin signed a law that would penalize and criminalize those who simply search online for content the government deems “extremist,” while also targeting VPN users.

Furthermore, in September, Russia formally rolled-out its all-in-one digital app called “MAX,” explicitly patterned after China’s WeChat app, which is used by the Chinese authorities to enforce its social credit score. Like WeChat, the MAX app, built by VKontakte (VK), combines digital ID, medical records, banking, social media and messaging, and more all into one app. **Elon Musk has said that he plans to turn X into an identical super app as well.**

[Related: Russia Pilots Digital ID In All-In-One App Called MAX Designed To Mimic China's WeChat](#)

Inevitably, it seems, **Russia is now implementing its own online age verification measures, which, as *Tech Radar* put it, is “putting already precarious internet freedoms on the line.”**

[ARTIFICIAL INTELLIGENCE--Donald Trump Signs Executive Order To Launch Artificial Intelligence Initiative Called ‘The Genesis Mission’ Creating A Digital Tower Of Babel in advance of the Mark of the Beast](#)

When President Donald J. Trump stood behind the Resolute Desk and signed the executive order launching what his administration calls [The Genesis Mission](#), the world watched a seemingly routine announcement about science, technology, and competitiveness. But those paying attention — those who “have ears to hear” — saw something far more profound. **Something prophetic. Something that looks less like an economic stimulus package and more like the blueprint for a [digital Tower of Babel](#).**

“And they said, Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth.” [Genesis 11:4](#) (KJB)

The Genesis Mission is being heralded as the largest mobilization of American scientific resources since the moon landing. In reality, it appears to be the most comprehensive attempt yet **to fuse artificial intelligence, federal datasets, national laboratory supercomputers, and automated robotic experimentation into a single, unified system of knowledge and control.** A system capable of compressing scientific discovery — what once took years — into mere hours. **A system whose goals sound eerily similar to the global technological regime prophesied to rise in the time before and during the Biblical tribulation.**

[read the whole order](#)

The Bible tells us that before and during the Biblical tribulation

- knowledge shall be increased ([Dan. 12:4](#))
- nations will clamor for power ([Matt. 24:7](#))
- deception and signs will multiply ([2 Thess. 2:9](#))
- a global system of control will emerge (Rev. 13)

How do you generate the technological scaffolding for such a system? You build something like the Genesis Mission. Of course, it will take all the 'usual suspects' like [Palantir](#), [Blackrock](#), [DARPA](#), [Bill Gates](#), [Oracle](#), [Peter Thiel](#), [Elon Musk](#) and all the rest of the [tech titans](#) to make this a reality. But isn't that the whole point and purpose behind [Stargate](#)?

"For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled." [Revelation 17:17](#) (KJB)

Pieces falling into place, one executive order at a time. As we often remind our readers, prophecy does *not* require the willing participation of world leaders. God uses kings, presidents, nations, armies — and yes, technologies — to move history toward its appointed end. [Revelation 17:17](#) says that God will put it into their hearts to fulfill His will, and that's exactly what we see taking place right now.

My retired mom has lots of time on her hands and she's made it her hobby to read hundreds of pages of documents from the WEF in her spare time. She was just telling me they plan to have your digital ID connected to your funds so that if for example you decide to not vaccinate they can temporarily disable access to your bank accounts until you do. Any transgression against the slave matrix will trigger the same consequence. Scary stuff and it's apparently all out in the open if you're willing to sift through their public records on their plans for the future.
