**++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:**

**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprovved are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary**

defines: **“Reprove”**: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt. **“Circumspectly”**: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24**: "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11**: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

**II Chronicles 7:14**: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**Luke 21:36** Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

**Matthew 24:13** But he that shall endure unto the end, the same shall be saved.

**Psalms 101:3**: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

**Psalms 11:5**: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

**1 Cor 15:33**: Be not deceived: evil **communications** corrupt good manners.

Lexicon Strong's G3657--Outline of Biblical Usage of the Word:

**“Communications”**: companionship, communion

***“It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men.” Samuel Adams***

***“The average age of the world's great civilizations has been two hundred years. These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage.” Alexander Fraser Tytler***

## **+1+ STRATEGIC WARFARE PRAYER**

Father God in heaven, in the name of the Lord Jesus Christ we come against & oppose all satanic operations, manipulations, tactics and plans **which are designed to hinder or prevent God's original plans and purposes** taking place in their correct time and season.

(Daniel 7:25) **We come against all satanic alliances and confederations worldwide.**

**Let every evil effort and endeavor fail. Cause all the mainstream news media to be caught in their own lying and manipulation so that only the truth is brought forth.**

(Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We ask that every satanic strategy of prohibition and limitation placed upon the Body of Christ (by the dark side), shall not prevail. We pray that all invisible and visible walls of opposition and delay will be exposed and destroyed.** (Colossians 1:16; Joshua 6:1) **Oh**

**Lord confound the devices and the wicked plans of the enemy that they have crafted, so that their hands are not able to perform their evil enterprise. Save those that can be saved O' Lord, but those that cannot be saved; overtake them in their own crafty and devious ways; let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4;

50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secretive and destructive measures designed destroy all of God's creation and defile the world.** According to 1 John 3:8 for this reason, was the Son of God made manifest, that He would destroy the works of the enemy. (John 2:15-17; Acts 16:16-19) Father God overrule all strategies and curses of the enemy by the power of Jesus Christ and His shed Blood; & overthrow all spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17, & break the curses associated with all these ceremonies, rituals, utterances, and destroy their plans to bring about a chaotic bloody revolution in worldwide & to usher in Martial Law and the New World Order. Father God, we pray their plans shall be uncovered and not prevail & shall be frustrated and unable to achieve any impact & that their wickedness and violent verbal dealings would return upon their own heads, according to Psalm 7:16. **FATHER GOD, WE HUMBLY ASK YOU TO: Reveal every hidden agenda and cover-up in the secret shadow government regarding their attempts to manipulate end time events which would lead to the destruction of Your Christians & the innocent.** (Isaiah 44:25; 2 Timothy 3:8) Please send divine, powerful angelic forces against their diabolical plans to expose & destroy them. **We dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) Release your divine strategies and revelations upon any righteous person in government, worldwide. **Fill them with Your Holy Spirit and cause Your divine wisdom & courage to come upon them.** (James 1:5) Cause them to be like a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided & when they communicate let it be incoherent and misunderstood. (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, until which time they then be cast into the lake of fire, AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR PLACE.** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they will accomplish your divine will. (Psalm 57:4) **WE SEAL THIS PRAYER BY THE BLOOD OF THE LAMB AND ASK ALL THESE THINGS IN THE NAME OF THE LORD JESUS CHRIST, AMEN!**

## **TRUMP'S GDP 'MIRACLE': U.S. SACRIFICES ITS REAL ECONOMY FOR THE AI BUBBLE**

**May 28, 2026--The American economy right now is running on a single, dangerously powerful engine — artificial intelligence. The latest macroeconomic data reveals a reality that should make investors deeply uncomfortable. While GDP figures look respectable on the surface, they mask a severe and spreading weakness underneath.**

The expansion of AI has been responsible for roughly half of total US GDP growth this year. That alone is staggering, but it becomes genuinely alarming when you strip out the frantic spending on data centers, information processing equipment, and software tied directly to the AI boom. Non-residential capital investment that has nothing to do with AI has contracted by about 3% over the past year. This is a sharp reversal from the previous decade, when the same category enjoyed average growth exceeding 5%.

The algorithmic gold rush is starving the rest of the productive economy of oxygen. While billions pour into GPU clusters, traditional engines of economic health are sputtering. Investment in industrial and transportation equipment fell by more than 2% over the last twelve months. Manufacturing construction collapsed by a full 20%. These are the investments that build physical things, sustain supply chains, and employ a broad middle class. In total, non-AI investment is running roughly \$130 billion below its long-term trend line.

The economy is placing a massive, concentrated bet that AI productivity gains will eventually justify starving the rest of the industrial base. Meanwhile, the data from the last four quarters already tells a straightforward story: factory construction down by a fifth, equipment orders shrinking, and the long-term investment backbone that supports jobs and supply chains losing ground quarter after quarter.

The billionaire tech overlords are planning for conscious AI to conquer the cosmos--What could possibly go wrong?

More recently Elon Musk (who at one point last year was granted the power to reconfigure the US federal government) argued [on his social media platform, X](#), that "it increasingly appears that humanity is a biological bootloader for digital superintelligence" – our role in the history of the cosmos reduced to that of the low level code that boots up a computer before you can run sophisticated programs on it.

And Musk is on the tame side of the evolutionary proposition. According to [Silicon Valley lore](#), he once pushed back against Google co-founder Larry Page's claim that our next manifestation, to follow in the steps of the meat-and-bone humans you see walking about today; would necessarily have digital form in order to spread throughout the galaxy. (In fact, he recently testified in court that it was those concerns that prompted him to found OpenAI with Altman.) Meat and bones do not make for efficient interstellar travelers.

Who cares if artificial intelligence obliterates humdrum human labor when it offers us the opportunity to transcend our body and conquer the galaxy?

Thiel is unusual in this crowd in that he is fiercely committed to an idiosyncratic variant of Christianity in which anybody standing in the way of technology, or governments that [try to tax him](#), show up as the antichrist.

What's particularly distressing is how unconstrained these moguls are, as they pursue the futuristic utopia they plan to build with their machines. Tech billionaires are plowing hundreds of millions into political campaigns, to fend off attempts at regulation and evade accountability lest their endeavors go awry. They want to make sure nobody butts in as they work to reshape society. And they are largely succeeding – for now, no one with the power to stop them is butting in. <<Pray against this evil

Leaked DHS And FBI Reports Reveal The Trump Administration Is Quietly Targeting 'Anti-Tech Extremism' And Americans Protesting Datacenters As 'Domestic Terrorists'--“The FBI warns that "paranoid views regarding AI" and "attempts to reason the belief that a godlike incarnation of AI is imminent," are viewed as "anti-tech extremism" and "neo-Luddites"—Plus Bible Verses

Protesting datacenters and other AI devices will classify you as a “domestic

terrorist” and a form of “anti-tech extremist” by the Trump administration, according to internal documents from the Department of Homeland Security (DHS) and Federal Bureau of Investigations (FBI) recently obtained by [WIRED](#).

The WinePress recently detailed the [White House's new Counterterrorism Strategy report](#) — which has flown under the radar — which is built heavily on Trump's National Security Presidential Memorandum 7 ([NSPM-7](#)), otherwise known as “Countering Domestic Terrorism and Organized Political Violence,” signed last September.

These documents, when dissected in their totality, reveal that most if not all Americans are now potentially viewed as domestic terrorist threats.

Both directives list strong implicit references to national databasing and pre-crime surveillance technology in order to deal with these ‘threats.’

So, MAGA, what excuse is it this week? More of that 9-D Chess? Keep trusting that plan, right?

Seriously, these people are so driven by their investment in and (for some) blind love of Trump, that they can't and refuse to see that these laws will very much affect them, especially if, say for example, the 'other team' wins and uses this framework on them.

**Ecclesiastes 3:1:** To every thing there is a season, and a time to every purpose under the heaven: [8] A time to love, and a time to hate; a time of war, and a time of peace.

**Psa 97:10:** Ye that love the LORD, hate evil: he preserveth the souls of his saints; he delivereth them out of the hand of the wicked.

**Pro 8:13:** The fear of the LORD is to hate evil: pride, and arrogancy, and the evil way, and the froward mouth, do I hate.

**1 John 3:8:** ...For this purpose the Son of God was manifested, that he might destroy the works of the devil.

As Paul said, "Redeeming the time, because the days are evil" (Ephesians 5:16).

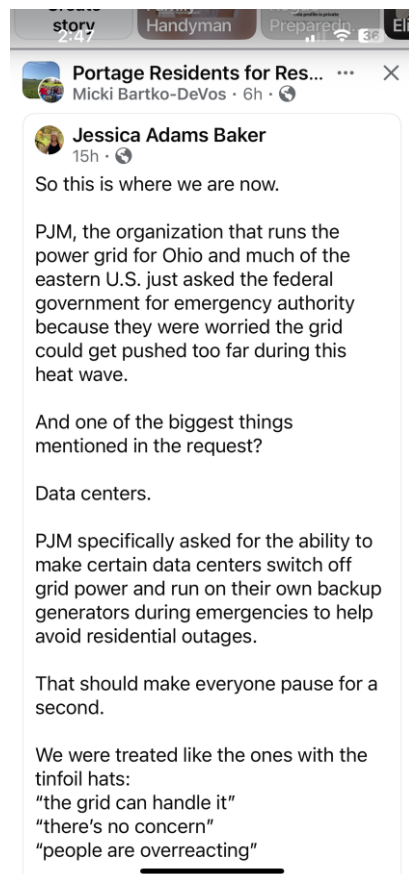

Right now is the time to HATE evil, and is the time WAR against evil, and we ought not to be passive and quiet right now. Most people that call themselves Christians are and will continue to be, no more than the "positive-thinking" churchgoers, but we need to speak up and fight back against this wickedness; and hate these "inventors of evil things" (Romans 1:28-32) and fight the good fight of faith and spiritual warfare against these devils!

**Acts 5:29:** Then Peter and the other apostles answered and said, We ought to obey God rather than men.

**+2+ Google's Debug project plans to release 64 million bacteria-infected GMO mosquitoes—Pray against this**

Google's Debug project is moving forward with plans to release 64 million bacteria-infected GMO mosquitoes (32 million total, 16 million per year) across California and Florida over the next two years.

Even if you do not live in Florida or California your state could be next.

This is a reckless, large-scale open-air biological experiment conducted on the American public without meaningful consent. Local communities get no real vote. Once released, these engineered insects cannot be recalled if unintended consequences emerge, including ecological disruption, impacts on other species, or unknown effects on human health.

This is not responsible innovation. It is treating citizens like lab rats while playing God with your environment, your children, and your neighborhoods.

The Post reports that the proposal is currently being considered by the US Environmental Protection Agency (EPA), which is accepting public comments through June 5 before deciding whether to issue an experimental use permit.

*Hi Scott, I've been using Mercola Flea and Tick spray for myself and dogs because we are in the woods at least once a day. One of my dogs is a tick magnet. He's white and I've heard that ticks are more attracted to white dogs (makes me wonder about white cloths although obviously white cloths easier to see the culprits). Anyhow, adding Geranium Oil was the big change for us. Glad to see it is in TICK WISE THAT YOU RECOMMENDED.*

*I added about 30 extra drops of Geranium Oil to each bottle and it's been a game changer this year so far. I only found 2 ticks which is nothing compared to past years. Anyhow, if people are making their own formula or adding to a pre bought brew my advice is to double or triple the Geranium Oil.*

*The tick I found was about 1/2 size of a pin head!!!! "seed tick" So evil, can't barely see them.*

**Permadrought: 75 Percent Of The Global Population Lives In A Country That Is Being Affected By "The Great Drying"**

Our planet is drying out at a pace that is unlike anything we have ever seen before. Once massive lakes are rapidly shrinking, once mighty rivers are steadily dwindling, and colossal underground aquifers are being pumped dry all over the world. (Thank you, data centers, GMO crops and Frankencorn!) This is an absolutely enormous problem, because very soon we simply will not have enough fresh water to support 8 billion people. In fact, drought conditions are severely affecting global crop production in 2026. If current trends continue, it will become increasingly difficult to grow food. In other words, if the land on our planet doesn't stop drying out there is no way that we will be able to avoid an era of widespread global famines.

This isn't something that just started happening recently.

Over the last several decades, the world has been losing fresh water **"at an unprecedented rate"**...

The world is losing fresh water at an unprecedented rate, two decades' worth of satellite data has revealed.

Measurements from NASA's twin GRACE satellites and GRACE follow-on missions have shown that since 2002, the amount of land suffering from water loss has been increasing year on year by twice the area of the state of California. That includes the loss of water from surface reservoirs such as lakes and rivers and underground aquifers, which are an important source of drinking water around the globe.

Mega-drying regions have emerged across the Northern Hemisphere with the worst-hit areas extending across the western coast of North America, Southwestern North America and Central America, the Middle East and Southeast Asia.

WEF's next target: YOUR TAP WATER--After failing to force everyone to get vaccinated, the unelected globalists are now coming for your water — pushing to limit consumption, control supply, and even floating the idea of adding vaccines to it!

WEF advisor Mariana Mazzucato is calling water a “global commons” — just like vaccines and climate. Translation: Your tap water no longer belongs to you. It belongs to global bureaucrats and WEF cronies who will “manage” it for the planet. They've already tried to price air and soil. Now they're coming for H<sub>2</sub>O.
