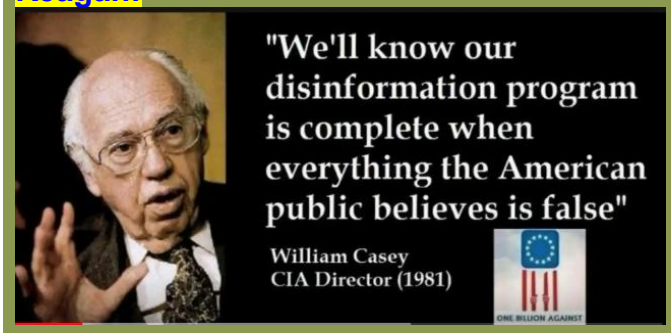
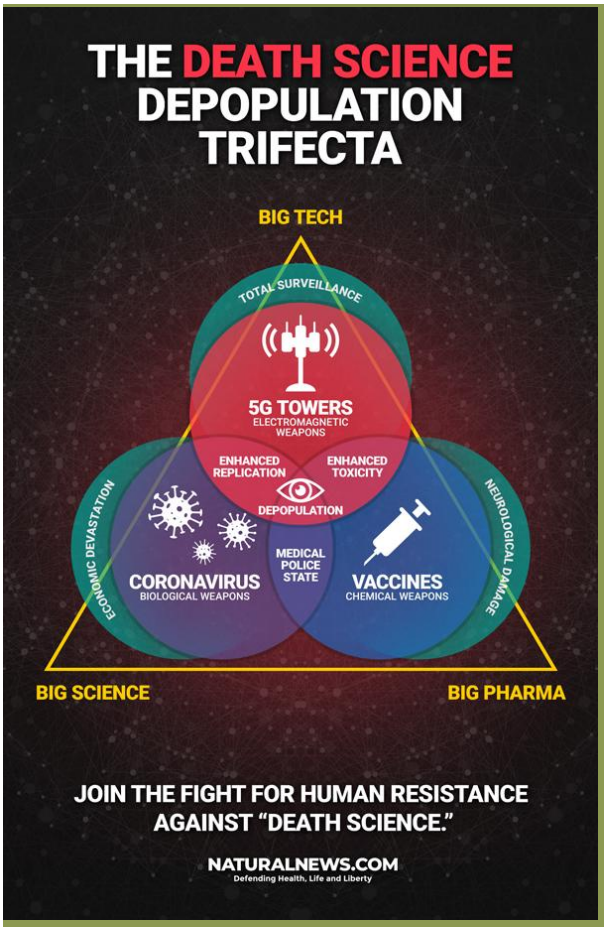
++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:



Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reproved are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."



The 1828 Noah Webster Dictionary defines: "Reprove": To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt."Circumspectly": Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Luke 21:36 Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Matthew 24:13 But he that shall endure unto the end, the same shall be saved.

Psalm 101:3: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

Psalm 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

1 Cor 15:33: Be not deceived: evil communications corrupt good manners.

Lexicon Strong's G3657--Outline of Biblical Usage of the Word: "Communications": companionship, communion

"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men." Samuel Adams

"The average age of the world's great civilizations has been two hundred years. These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage." Alexander Fraser Tytler

+1+ STRATEGIC WARFARE PRAYER

Father God in heaven, in the name of the Lord Jesus Christ we come against & oppose all satanic operations, manipulations, tactics and plans which are designed to hinder or prevent God's original plans and purposes taking place in their correct time and season. (Daniel 7:25) We **come against all satanic alliances and confederations worldwide.**

Let every evil effort and endeavor fail. Cause all the mainstream news media to be caught in their own lying and manipulation so that only the truth is brought forth. (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. We ask that every satanic strategy of prohibition and limitation placed upon the Body of Christ (by the dark side), shall not prevail. We pray that all invisible and visible walls of opposition and delay will be exposed and destroyed. (Colossians 1:16; Joshua 6:1) **Oh Lord confound the devices and the wicked plans of the enemy that they have crafted, so that their hands are <u>not</u> able to perform their evil enterprise**. Save those that can be saved O' Lord, **<u>but those that cannot be saved</u>;** overtake them in their own crafty and devious ways; **let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision**. (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secretive and destructive measures designed destroy all of God's creation and defile the world**. According to 1 John 3:8 for this reason, was the Son of God made manifest, that He would destroy the works of the enemy. (John 2:15-17; Acts 16:16-19) Father God overrule all strategies and curses of the enemy by the power of Jesus Christ and His shed Blood; **& overthrow all spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17, &** break the curses associated with all these ceremonies, rituals, utterances, and destroy their plans to bring about a chaotic bloody revolution in worldwide & to usher in Martial Law and the New World Order. Father God, we pray their plans shall be uncovered and not prevail & shall be frustrated and unable to achieve any impact & that their wickedness and violent verbal dealings would return upon their own heads, according to Psalm 7:16.

FATHER GOD, WE HUMBLY ASK YOU TO: Reveal every hidden agenda and cover-up in the secret shadow government regarding their attempts to manipulate end time events which would lead to the destruction of Your Christians & the innocent. (Isaiah 44:25; 2 Timothy 3:8) Please send divine, powerful angelic forces against their diabolical plans to expose & destroy them**. We dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) Release your divine strategies and revelations upon any righteous person in government, worldwide. **Fill them with Your Holy Spirit and cause Your divine wisdom & courage to come upon them.** (James 1:5) Cause them to be like a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided & when they communicate let it be incoherent and misunderstood. (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, <u>until</u> which time they then be cast into the lake of fire, AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR PLACE**. (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) Please cause these prayers and all future prayers to take on the

characteristics of divine projectiles in the realm of the spirit, so that they will accomplish your divine will. (Psalm 57:4) WE SEAL THIS PRAYER BY THE BLOOD OF THE LAMB AND ASK ALL THESE THINGS IN THE NAME OF THE LORD JESUS CHRIST, AMEN!

Halloween, Human Sacrifice, Stonehenge and the Wicker Man-Part 1
Halloween, Human Sacrifice, Stonehenge and the Wicker Man-Part 2
In this teaching we will be taking an extensive, shocking look at virtually all the Halloween traditions modern day humanity currently embraces. Halloween is not just innocent entertainment. Its symbols and practices breathe new life into the dark rituals and symbols of past civilizations. Satan's main strategy has always been to tempt people to love what God hates, prompt them to pursue his enticing path, and deceive them into thinking that his 'new' way is as good. Since his strategies don't change, God's warning in Proverbs 14:12 is as relevant now as it was in King Solomon's days: 'Most people follow the masses, and the masses follow the media, especially when it promotes thrills and adventures that feed the lust for forbidden thrills. The occult has always focused on gory images of violence, death and destruction. We see it in today's media, music, and movies. As people become desensitized to occult violence and horror, the images in popular entertainment grow increasingly and indescribably evil. Yet, this is old news. Thousands of years ago, God warned us, 'All those who hate Me love death.' (Proverbs 8:36)

Trump Says The AI Data Centers Now Classified As "Military Installations"!
October 19, 2026--On June 2, 2026, U.S. President Donald Trump signed Executive Order # 14318. In it, he declared all major AI Data Centers to be "military operations."
Buried on Page fourteen (14) of the Federal Register, it got about ZERO media coverage.
As a result of that Executive Order, every major AI data center is now classified as a Military Installation.
Local governments can no longer block them.
State Regulations no longer apply.
Environmental Reviews: Bypassed.
Zoning laws: Overridden.
Community Objections: Irrelevant.
AI and its data centers are actually for total warfare and total control.
The agenda is surveillance, control, militarism.
"Agentic AI will monopolize and control ALL government (local, county, state, and federal), military, legal, judicial, everyday decision-making. Humans are to be subjected to total domination and control by handful of tech CEOs who write/control the code."
The thinking behind this is quite simple: "Low IQ humans must be completely monitored and controlled in advanced societies they do not have the intellect to build."
That is the reasoning behind the "Powers-that-be."

America Is Borrowing $3 Billion a Day Just to Pay Interest: INSANE! YOUR BANK OR CREDIT CARD COMPANY WOULD NEVER ALLOW, YET THE US GOVERNMENT DOES IT EVERYDAY!

The United States has reached a point where the government is spending more than $1 trillion annually simply to pay interest on money it has already borrowed. The Treasury Department reported that the federal deficit reached $1.99 trillion for fiscal year 2026, an increase of $217 billion from the previous year. Total government spending climbed to $7.4 trillion while revenues amounted to only $5.4 trillion. Yet the most alarming figure is buried within that enormous spending bill. Net interest payments reached $1.05 trillion, while gross interest costs climbed to $1.36 trillion. Washington is now spending approximately $2.9 billion EVERY DAY in net interest, and that money does absolutely nothing to reduce the outstanding principal.

The interest expense alone has surpassed the entire national defense budget. Net interest is now the third-largest federal expenditure behind Social Security and Medicare, exceeding spending on Medicaid, veterans' benefits, and numerous other government programs. Approximately 19 cents of every dollar collected by the federal government is now consumed by net interest payments. That money cannot build infrastructure, improve education, or provide additional services because it is being transferred to creditors for debts incurred by previous administrations and Congresses.

The United States is now borrowing trillions annually while paying nearly $3 billion every day in net interest on its existing debt. That is an extraordinary financial burden for a government that continually promises the public more spending, more programs, and more benefits without explaining how any of it will ultimately be financed. The politicians have created a system where yesterday's borrowing demands today's taxes, and today's borrowing guarantees an even larger interest bill tomorrow. They are not solving the debt problem. They are financing the cost of refusing to solve it. All by design until it all totally collapses & we get "The Great Reset".

A Coming 90 Day US Shutdown? America's military bases prepare for 90-day doomsday scenario!

The Pentagon is preparing US military bases for a doomsday scenario in the event a major war cripples America's power grids and supply chains.

The requirement is part of FORTRESS, a broader plan to keep US forces fighting even if civilian infrastructure fails, according to documents reviewed by Fox News.

Every major military base in the continental US would be expected to maintain essential operations, including independent access to electricity, water, fuel and communications for 90 days.

Eating Well
That 1940 vs 2026 steak photo is everywhere because it hits a nerve. 1940: grass, clover, hay. 2026: a bigger, heavily marbled steak built by feeding cattle things that were never meant to be cow food.
This isn't exaggeration. A typical conventional feedlot ration today is about 70 percent corn plus ethanol leftovers, cottonseed meal, and whatever cheap calories keep costs down.
That includes candy. Mars has said it sells unused candy and ingredients to processors to be turned into animal feed under FDA rules. One feedlot operator in Pennsylvania told a reporter his ration was 17 percent candy meal — chocolate bars and chunks — plus 3 percent party mix of popcorn, pretzels and chips.
He said it saves him about 10 percent on feed, roughly 75 dollars a ton in savings.
It also includes things you will never see on a label. Poultry litter — a mix of manure, feathers, spilled feed and bedding — is still legal to feed to beef cattle. There is no federal law banning it. Blood meal is also explicitly exempt from the 1997 FDA ban on most mammalian protein in cattle feed because it is 85 percent protein and cheap to use.
No wonder the steak looks different. Corn and sugar fatten cattle fast and push more fat into the muscle. More marbling sells as premium, but bigger and fattier does not mean it came from a more natural system.
And you will not learn any of this from the package. USDA says beef can only be called grass fed if the animal ate nothing but grass after weaning, but there is no requirement to tell you if conventional beef was finished on candy, poultry litter or blood meal. If you want that assurance you have to hunt for 100 percent grass-fed and finished and pay about 40 to 65 percent more.
We should not have to pay a premium to get beef from a cow that ate like a cow.

Medical "Science" Creates New Patients By Moving Medical Goal Posts
Medical "normal ranges" have been - and are being - manipulated:
1985: Fasting glucose over 140 mg/dL = diabetic
In 2003: Lowered to 126 mg/dL
Suddenly 2 million more diabetic customers!
Current: A fasting blood sugar level less than 100 mg/dL is now normal!
1985: Blood pressure over 160/100 = hypertension
2017: Lowered to 130/80
Current: Lowered to 120/80 or lower
Suddenly 30 million more "patients"
1985: Cholesterol over 280 = concern

2004 to Current: Lowered to 200
Suddenly everyone needs statins
They're not discovering disease. They're manufacturing patients by moving goalposts.
Lower the threshold, expand the market, sell more drugs, enslave/sicken & shorten the lifespans of humanity dependent on these poisons!

Diet Coke has zero calories and no added sugar but researchers are finding it increases the risk of heart disease and stroke!
Several large studies found direct associations between regular consumption of diet coke and artificially sweetened beverages to risks of:- Stroke (mainly clot related) - Coronary heart disease - Heart attacks - Overall cardiovascular events • All-cause mortality This isn't old data, in fact it's new A 2019 study in Stroke by the Women's Health Initiative of 81,000 postmenopausal women: Women drinking 2+ diet drinks per day had 23–31% higher risk of stroke, 29% higher risk of heart disease, and 16% higher all-cause mortality compared to rare and never drinkers

Lee Prochaska, listen or not folks but I've been studying this at Cornell University School of Ornithology and other independent labs and universities for well over half a century and it's you and all the other people out there who are ignorant to realize what's reality, as our planet is slowly being destroyed.
Bayer-Monsanto and others like them out there profit off of creating misery in the world because of an uninformed public is too lazy to find out the truth of the matter until they or a family member is fighting a battle against a non-genetically predisposed cancer, but one caused by ingestion of these toxic chemicals or the environmental pollution caused by these toxic chemicals.

Medical Doctors Have Killed More People Than TEN Holocausts
It's a fact: According to the World Health Organization, doctors around the world have killed more than 60 million people over the last 20 years. Not all of them

were on purpose, of course, but many were caused by doctors' overall ignorance about health, brainwashing by pharmaceutical companies and a stubborn unwillingness (tied with arrogance) to learn about the true causes of health and wellness.

Instead, they mostly just push prescription drugs, chemotherapy, surgery and vaccine injury denialism, often while berating their patients for daring the learn anything on their own.

Here are some of my recent social posts about doctors and the threat they pose to society.

Doctors represent the only profession that kills its own customers and then arrogantly berates non-customers for refusing to use its harmful services.

What conventional doctors SHOULD be asking: What did we do that caused a collapse of public trust? Why are patients increasingly seeking alternatives to vaccines and pharmaceuticals?

What conventional doctors are ACTUALLY asking: How can we censor and silence our patients? How do we expand monopoly power over medicine? How can we shove more high-profit jabs and pharmaceuticals down the throats of our patients? How can we harm more children and turn them into repeat profit generators?

Conventional doctors are utterly isolated from reality, and they have no self-reflection capability whatsoever. They still don't know why most of the public sees them as child mutilators, murderers and con artists.

Until doctors are humbled, they will never change. And so far, they only prove they are incapable of humility (or humanity).

According to a rigorous scientific study published in a peer-reviewed journal (2017:234:13-17 Stud Health Technol Inform) doctors kill as many as 251,000 Americans every year just in the U.S. medical system. This is equivalent to a jumbo jet full of hundreds of passengers crashing and killing every single passenger EVERY DAY.

Globally, according to the World Health Organization's "Global Patient Safety Report 2024," doctors kill more than three million patients every year. From the report:

"...nearly one in ten patients is harmed in health care, translating into over three million deaths globally each year. More than half of this harm is preventable. This shocking statistic must serve as a call to action for systemic change."

Got that? ONE IN TEN patients is harmed at the hands of their doctor, with millions killed each year.

This means that over the last twenty years, projecting these same numbers would mean that doctors have killed more human beings than the total number of victims in TEN HOLOCAUSTS.

No profession routinely kills more people than the allopathic medical profession. Yet they loudly proclaim, "Trust the science!" and absurdly declare "We practice evidence-based medicine!"
