**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive the very elect."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

**II Chronicles 7:14:** "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

## RED ALERT! TOTAL MARTIAL LAW GRANTED UNDER NEW ISIS WAR POWERS ACT

The new Authorization for the use of military force against ISIS would not restrict the president's use of ground troops, nor have any limits related to time or geography.

This means if this vote passes the U.S. Military can be deployed ANYWHERE on the planet - Including on U.S. soil for any length of time.

### Martial Law Mentality Has Become The New 'Norm' In The U.S.

By Susan Duclos - [All News PipeLine](#)

A look at reports coming in from the Winter Storm Jonas, with cars and people stranded in PA , traffic jams in KY, WV and PA, deaths in NC, KY, VA, NY and MD, **and state of emergencies declared with de-facto martial law implemented in New York and Maryland, and we see a nation full of people that have been so helpless over the past decades that it actually "needs" the government to control them and tell what to do and when to do it.**

When the initial predictions of how bad of a storm Jonas was going to be hit the airwaves we suggested people use it as a **dry run**, a test of their preparedness levels, an opportunity to discover their strengths and weaknesses to fine tune their survival skills - **By the next day we noted how chaos had reigned, panic shoppers were ransacking and emptying store shelves in urban areas, while rural areas maintained calm in what played out like a tale of two different worlds and the people that reside in them.**

It is now Sunday, Jonas has moved on but the headlines seen and the lack of common sense shown by the **80 percent of the U.S. population** that live in urban areas or big cities, **is indicative of a nation where the majority of people that live in it have become so helpless they could not survive even a minor disaster if it hits.**

Days in advance it was predicted that Jonas would start dumping snow on Friday, through Saturday, **yet we see a report early Saturday morning from local Virginia news at WUSA9 that "State police responded to a total of 3,471 service calls on Friday."** & **by Sunday those numbers increased exponentially.**

*Virginia State police say since Friday through 6 a.m. Sunday, they responded to*

to a total of 6,626 calls for service, which includes 1,410 traffic crashes and another 2,040 disabled vehicles.

According to [WCVB5](#) (ABC affiliate) the "storm caused major traffic tie-ups on highways in Kentucky, West Virginia and Pennsylvania," with accidents Friday night causing a 7-mile-long backlog involving around 500 vehicles on the Pennsylvania Turnpike stranding motorists through Saturday afternoon. *In central Kentucky, some drivers were stranded along a 35-mile stretch of Interstate 75 for as long as 19 hours, from Friday afternoon to Saturday morning.*

**Question: What on Earth were all these people doing on the roads when it was announced days in advance that there would be a massive, "historic" and "crippling" snow storm with blizzard-like conditions?**

**SO MARTIAL LAW MENTALITY IS NOW THE NORM**

**Martial Law was declared in New York with police informing residents on Saturday that "After 2:30 p.m and you're on the road, we will arrest you."**

While the NY threat was highlighted, we see from another report that 11 states

declared states of emergency. Those states are: Georgia, Tennessee, Pennsylvania, Maryland, Kentucky, North Carolina, New Jersey, New York, Delaware, Virginia and West Virginia. Washington, D.C., has declared a "snow emergency."

Now many assume a state of emergency is declared because a state simply needs more

resources after an event, but a look at what a state of emergency is defined as, should make everyone sit up and take notice.

**State of Emergency: "a situation of national danger or disaster in which a government suspends normal constitutional procedures in order to regain control."** So it can also be used as a rationale (or pretext) for suspending rights and freedoms guaranteed under a country's constitution or basic law.

From Friday to Sunday, 11 out of 50 states had suspended the constitutional rights of millions of U.S. citizens.... because of a winter storm.

Think about that for a minute.

**Perhaps that is why the majority of the nation isn't even thinking twice about the fact that Congress is attempting to hand over martial law powers to Barack Obama in the guise of fighting ISIS.**

**Ryan's Strategy to 'Keep the American People Safe' Fails: U.S. to Issue Visas to 300,000 Muslim Migrants**

20 Jan 2016 Washington D.C.

On Wednesday, Senate Democrats successfully and predictably blocked what many conservatives described as Rep. Paul Ryan (R-WI) 'Show Vote' on refugee admissions. It has been called a show vote because the Ryan plan, **even if the President signed it, would still allow the President to bring in an unlimited number of Islamic refugees from an**

**unlimited number of countries.**

Democrats' filibuster on the motion to proceed to Ryan's show vote comes one month after Speaker Ryan sent President Obama a blank check to fund visa issuances to nearly 300,000 (temporary and permanent) Muslim migrants in the next 12 months alone. Ryan's decision to fully-fund Obama's immigration agenda arguably ceded any leverage he may otherwise have had over Democrats and ensured the large-scale migration into America would continue and grow. So now 300,000 more crazy, inbred, demon possessed, Allah loving, infidel hating, rapist nut-jobs are going to flood our country...what could possibly go wrong.

Oh, wait, aren't these the same people who believe rape is justified if a woman don't cover herself up? The same people who want to kill us and blow things up? The same people who chant death to America and go to Imams that preach that their god demands they die trying to advance Islam throughout the world and non-believers are swine? The same people who are committing massive genocide against Christians in the Middle East? Yes the same ones!!!!

Pro 16:4: The LORD hath made all things for himself: yea, even the wicked for the day of evil.

Jer 17:17: Be not a terror unto me: thou art my hope in the day of evil.

Jer 17:18: Let them be confounded that persecute me, but let not me be confounded: let them be dismayed, but let not me be dismayed: bring upon them the day of evil, and destroy them with double destruction.

Subject: **Listener Comment: The high cost of food in northern Canada**

I find it frustrating that people assume food everywhere is affordable.

The cost of food alone is expensive *where I live* due to fuel and shipping. Everything is shipped by plane, while dangerous goods are shipped by barge. I had to budget my groceries. **The reason why I'm not diabetic yet, due to eating mostly boiled and baked. Diabetes are a major problem among aboriginal and Inuit.**

**Before you say anything about organic food and grass fed. They're impossible to get, trust me. It's impossible.**

**Anyways now imagine living in remote small communities around Arctic circle aka Nunavut. The Inuit people had been through a lot, not to mention that they had to rummage through the local dump to find anything that is still edible.**

**Me, a Cree First Nation man and a Canadian,** I found that disturbing. The news are a bit dated

<http://www.ctvnews.ca/canada/nunavut-hardest-hit-by-food-insecurity-statscan-1.2296206>

When it comes to buying the variety and quantity of food they need, Nunavut residents have it harder than anyone else in the country.

According to a new report from Statistics Canada, **Nunavut has the highest rate of food insecurity: 36.7 per cent.**

That number is more than four times the Canadian average of 8.3 per cent. **Food insecurity means being unable to afford the proper quantity and variety of foods required to eat healthy.**

### Preparation Regarding the End-times

Rev 6:5 ¶ And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand.

Rev 6:6 And I heard a voice in the midst of the four beasts say, **A measure(1)** of wheat for a **penny(2)**, and three **measures(1)** of barley for a **penny(2)**; and [see] thou hurt not the oil and the wine.

**Strong's G5518 - choinix**

χοῖνιξ

**1) a choenix, a dry measure, containing two setarii (less than a quart) (or as much as would support a man of moderate appetite for a day)**

**Strong's G1220 - dēnariōn**

δηνάριον

2) A Roman silver coin in NT time called the denarius...It was the principal silver coin of the Roman empire. From the parable of the labourers in the vineyard, **it would seem that a denarius was then the ordinary pay for a day's wages.** (Mt. 20:2-13)

If we have wisdom we should prepare for this, like God instructed Joseph to do:  
Gen 41:34 Let Pharaoh do [this], and let him appoint officers over the land, and take up the fifth part of the land of Egypt in the seven plenteous years.

Gen 41:35 And let them gather all the food of those good years that come, and lay up corn under the hand of Pharaoh, and let them keep food in the cities.

Gen 41:36 And that food shall be for store to the land against the seven years of famine, which shall be in the land of Egypt; that the land perish not through the famine.

Pro 10:5: He that gathereth in summer is a wise son: but he that sleepeth in harvest is a son that causeth shame.

Pro 6:6 ¶ Go to the ant, thou sluggard; consider her ways, and be wise:

Pro 6:7 Which having no guide, overseer, or ruler,

Pro 6:8 Provideth her meat in the summer, [and] gathereth her food in the harvest.

Pro 22:3 A prudent [man] foreseeth the evil, and hideth himself: but the simple pass on, and are punished.

1Ti 5:8 But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel.

Pro 10:2: Treasures of wickedness profit nothing: but righteousness delivereth from death.

Pro 10:3: The LORD will not suffer the soul of the righteous to famish: but he casteth away the substance of the wicked.

### Is Obama On the Verge of Starving Millions of Americans Into Submission

***“If people let government decide what foods they eat and what medicines they take, their bodies will soon be in as sorry a state as are the souls of those who live under tyranny.”***

**Thomas Jefferson**

**Sidebar:** The Blasphemy of Thomas Jefferson: The Jefferson Bible “*The Life and Morals of Jesus of Nazareth*, commonly referred to as the *Jefferson Bible*, was a book constructed by **Thomas Jefferson** in the later years of his life by cutting and pasting with a razor and glue numerous sections from the **New**

**Testament** as extractions of the doctrine of Jesus. Jefferson's condensed composition is especially notable for its exclusion of all **miracles by Jesus** and

most mentions of the [supernatural](#), including sections of the four gospels which contain the [Resurrection](#) and most other miracles, and passages indicating Jesus was divine.<sup>1|2|3|4</sup> Essentially, Jefferson took the four books of Matthew, Mark, Luke, and John and merged them into one chronological story only 82 pages long. Of the 3,779 verses in all four books, he extracted only 1,089, or 29%! In a letter to his friend William Short he said of this: *"I separate, therefore, the gold from the dross."* He left out redundancies, miracles, and parts he considered unbelievable, unreliable, or unnecessary to appreciate the moral teachings of Jesus, which Jefferson considered to be: *"... the most sublime and benevolent code of morals which has ever been offered to man."* The so-called [Jefferson Bible](#) has been placed back on display in a new, expanded exhibit at the Smithsonian's American History Museum on the National Mall.

*This blasphemous work can be visited again in a gallery dedicated to it on the Museum's second floor.*

Rev 22:18: For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book:

Rev 22:19: **And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.**

**What is Obama's Motivation for the Imposition of Martial Law and Using Food As a Weapon Against US Citizens?**

Let me quickly review Obama's possible motivations for martial law. First, his administration faces the brunt of three separate monetary debts that will be defaulted on: (1) the national deficit is \$19 trillion dollars, (2) the unfunded liabilities of such social programs as welfare, social security and Medicare to the turn of \$238 trillion dollars; and, (3) the staggering derivatives debt (that modern-day nation states have agreed to assume) in the amount of at least \$1.5 quadrillion dollars. **Keep in mind that the sum total of wealth for the planet is only \$65-75 trillion dollars. The derivatives debt, alone, for Bank of America is \$80 trillion dollars which is more than the entire value of the planet. In short, these debts cannot be paid off and the interest alone will crush this country. When the United States cannot pay the interest on the debt, we will be in default and the system will come crashing down and we will not have just 50 million food stamp recipients rioting, it will be nearly all of America.**

Most likely Obama will not let the debt crisis get out of control to where most Americans will take to the streets. He would seek to control the situation before the crises hits and becomes a case of political and economic suicide. **The US government would subdue its soon-to-be rioting population before** its population started hanging bankers and politicians from the nearest lamp post.

Obama has another motivation to subdue the American people before the full brunt of the public's anger has a chance to coalesce. Obama has had five Watergate scandals in his administration. They were the Benghazi scandal, the IRS scandal of harassing Tea Party members, the spying on reporters from the AP scandal, the NSA/Ed Snowden spy scandal and the public questioning new revelations about running guns to the Mexican cartels in Fast and Furious. **Now**

**Obama has a sixth scandal. It is the BLM/EPA scandal in which the Ammon Bundy/Burns, Oregon situation. Because of Ammon Bundy and his followers are exposing the heavy handed practices of the BLM trying to force as many ranchers and farmers off of their land, an increasing number of Americans are beginning to see that the government wants to control all food and food production. Slowly, America is realizing that in this land of plenty, Americans will soon be starved into submission. Millions will die. This fact is exacerbated by the fact that I recently interviewed farming experts, Ed Petrowski and Cliff Harris, about their unfolding prediction that at least 15% of the nation's farmers and ranchers will be leaving the food growing industry. This coupled with a plunging Baltic Dry Index of under 370 means that the American people will soon face a food crisis of Biblical proportions.**

**Comment: This is Dave Hodges theory:**

The Bundy standoff could become the catalyst for the coming civil disobedience of farmers and ranchers in the West. Obama cannot allow this. **He will move against the American people and food seems the most likely avenue of attack. Knowing these facts, would you not preemptively move to head off these crises with a series of false flag attacks which would provide the justification for martial law? Under martial law, Obama could thwart any legitimate challenge to the tyranny unfolding in this country. Under martial law, he could preposition assets to thwart the financial and food riots that are surely coming to America when the financial debts deliver a death blow to the economy and ultimately the banking system.**

## EXECUTIVE ORDER 13603

**AT A TIME OF THE PRESIDENT'S CHOOSING,  
THE FEDERAL GOVERNMENT MAY TAKE OVER:**

- > "ALL FORMS OF ENERGY"
- > "ALL FORMS OF CIVIL TRANSPORTATION"
- > "ALL USABLE WATER FROM ALL SOURCES"
- > "ALL COMMODITIES AND PRODUCTS THAT ARE CAPABLE OF BEING INGESTED BY EITHER HUMAN BEINGS OR ANIMALS"
- > "HEALTH RESOURCES - DRUGS, BIOLOGICAL PRODUCTS, MEDICAL DEVICES, MATERIALS, FACILITIES, HEALTH SUPPLIES, SERVICES AND EQUIPMENT"
- > "INDUCTION" OF CITIZENS INTO THE MILITARY AGAINST THEIR WILL

FACEBOOK.COM/POLICESTATEUSA

### The Wide-Ranging Food Control Policies of EO 13603

[8]The term "all food storage facilities" includes your refrigerator, your pantry and even the very food in your cabinets as well as what is on your kitchen table. In short, anywhere you keep food is now under the control of the government and can be seized and redistributed. **Those who are storing food, you better find a way to hide at least a portion of your stockpile.**

Have you recently been scratching your head in bewilderment as you watch on the news as the Amish have had their farms raided, raw milk producers have been jailed and the kids running lemonade stands have been shut down and ticketed?

**Now you know why these abuses**

**are being perpetrated by the government in that it represents a mere conditioning process designed to get all U.S. citizens used to the idea that the government**

owns all food and food production. Welcome to the *Hunger Games*, American style.

**Conclusion**

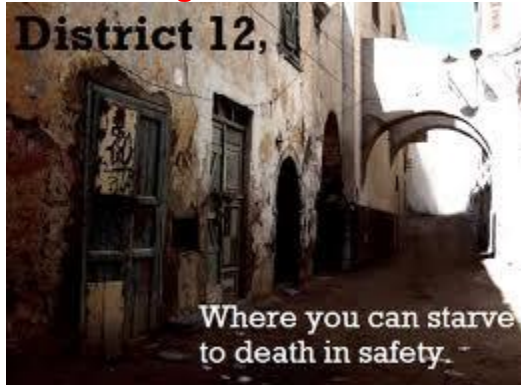

FEMA says that the average American has less than 72 hours worth of food. Stalin and Hitler both used food as a weapon of mass destruction against their people.

Obama is next. Please look at the following: The Hunger Games movie promoted the high speed bullet train connecting the

districts, through vast uninhabited biodiversity zones. Billions are being spent today in the pursuit of this Agenda 21 futuristic form of travel reserved solely for the elite. The BLM will see to it that that there will be no ranchers and farmers and food production by these groups will plummet to zero.

In the Hunger Games movie, this was the "Wildlands" biodiversity boundary surrounding District 12.

"Control oil and you control nations; control food and you control the people."

— Henry Kissinger

Welcome to the squalor of Agenda 21 and the government, on behalf of the elite will soon control all food. And when you desperately need something to eat, where will you go?

**The FBI Assembling Death Squads As They Bring In 200 Vehicles to Oregon**  
by Dave Hodges | January 23, 2016

Update: The government is in the process of locking Burns, Oregon down; closing the roads down. The government is trying to isolate this area and most of the alternative media has demonized this event and told their listeners not to go

there to stand against the tyranny this movement is trying to fight. The FBI is refusing to communicate with the protestors now. They are most likely doing this so there will be minimum witnesses to the carnage that will ensue and so that they can present their lying, Satanic narrative when the smoke clears via the government controlled mainstream media. Please pray regarding this situation.

PLAY: A Bug's Life "Then they ALL might stand up to us"

For the most current updates go to:

<https://www.youtube.com/user/PeterSantilliTV>

In a shocking development, the FBI has brought in over 200 vehicles to Burns, Oregon. To those that know their history, it appears that Burns, Oregon will soon become the next Waco.

Ammon Bundy was to meet with the FBI to discuss the present situation. The FBI was a no-show. Would the FBI rather have the Oregon situation turn out like Waco with a result in which hundreds of Constitutional supporting Americans are murdered at the hands of their own government?

The Bundy forces are being incorrectly characterized as being anti-government. They are not! They are pro-constitution. The Bundy forces are in the community visiting ranches and trying to correct the abuses of the BLM and the EPA. It is the Obama administration that is anti-government. The Obama administration is anti-Constitution. The Constitution is the supreme law of the land. Anyone who opposes the use of unconstitutional tactics against the American people is anti-government. The Obama administration is anti-constitution and as such are anti-government, legitimate government.

Fox and CNN are part of the movement to supplant the Constitution of the United States. Their daily reports which characterize Ammon Bundy, Pete Santilli and the rest of the Bundy camp as being gun-toting revolutionaries looking to shoot government agents is not only a blatant lie, representative of the worst of yellow journalism, but Fox and CNN are the propaganda arm of this administration's desire to overturn the Bill of Rights while they impose their "Bill of Wrongs". In the lawless future that Fox and CNN promote, private property will go the way of the dinosaur.

We are watching history in the making. What happens in this Oregon stand-off is pivotal for property rights and the freedom to peaceable assemble in the future. Please note that the FBI agents refused to accept a pocket version of Constitution from the Bundy group. The FBI knows what they are doing is wrong and they don't want any reminders of their unconstitutional behavior. The refusal of these FBI "guards" to accept a pocket size version of the Constitution is the symbolic event of this whole ordeal.

THIS IS WHAT THIS OREGON STANDOFF IS ALL ABOUT & WHAT THEY ARE FIGHTING AGAINST:

**A National ID Card Is Coming Soon: You Will Need It to Fly and Drive by 2018**  
Published on Jan 14, 2016 [www.undergroundworldnews.com](http://www.undergroundworldnews.com)

On Friday, the Department of Homeland Security released updated information regarding the national identification card known as the REAL ID. Beginning January 22, 2018, all airline passengers will need identification cards that are in compliance with the more secure features required by the REAL ID Act of 2005. Until this deadline, all states drivers licenses and passports will be valid for airline travel. **Currently, five states and one territory – Illinois, Minnesota, Missouri, New Mexico, Washington and American Samoa – do not comply with Real ID standards.** Several other states are reportedly taking steps to update their identification cards between now and the deadline. These standards include

invasive biometric measures.

### **Will Obama Seek UN Secretary Generalship?**

Fox, NewsMax, Yahoo News and more have reported on it. Al –Jarida, an Arabic language Kuwaiti magazine, **published an article on Friday claiming that US President Barack Obama has set his sights on becoming the next Secretary General of the United Nations when he leaves the Oval Office in one year.** If true, and if he succeeds in this endeavor, Obama would be replacing the present Secretary General, South Korea’s Ban Ki-Moon, who is serving his second five-year term in the position. Ban’s term as Secretary General is set to end December 31, 2016, **coincidentally 21 days before Obama’s second term as President ends.**

### **Obama And UN Agenda 2030: The Recipe For End-Times Global Socialism**

The United Nations and its mostly autocratic member regimes have big plans for your life, your children, your country, and your world. And those plans are not limited to the coercive “climate” agreement recently concluded in Paris. While the establishment media in the United States was hyping ISIS, football, and of course “global warming,” **virtually every national government/dictatorship on the planet met at the 70th annual General Assembly at UN headquarters in New York to adopt a draconian 15-year master plan for the planet.** Top globalists such as former NATO chief Javier Solana, a socialist, are celebrating the plan, which the summit unanimously “approved,” as the next “Great Leap Forward” — yes, the old campaign slogan of the Chinese Communist Party. **The master plan is comprised of 17 “Post-2015 Sustainable Development Goals” (SDGs) with 169 specific “targets” to be foisted on all of humanity — literally all of it, as the plan itself states explicitly. “As we embark on this collective journey, we pledge that no one will be left behind,” reads the UN manifesto, entitled Transforming Our World: the 2030 Agenda for Sustainable Development. But if you love liberty, self-government, free markets, or the U.S. Constitution, you will almost certainly be wishing that the UN would leave you behind. Officially dubbed “Agenda 2030,” the UN plot, as its full title suggests, is aimed at “transforming” the world.** The program is a follow-up to the last 15-year UN plan, the defunct “Millennium Development Goals,” or MDGs. It also dovetails nicely with the deeply controversial UN Agenda 21, even including much of the same rhetoric and agenda. **But the combined Agenda 2030 goals for achieving what is euphemistically called “sustainable development”, represent previous UN plans on steroids — deeper, more radical, more draconian, and more expensive.**
