Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprovved are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

I John 4:18: "There is **no fear** in love; but **perfect love** casteth out fear: because fear hath torment. He that feareth is not made perfect in love."

Heb 13:6: "So that we may boldly say, The Lord *is* my helper, and I **will not fear** what man shall do unto me."

II Timothy 1:7: "For God **hath not** given us the spirit of fear; but of power, and of love, and of a sound mind."

UFO Sightings in New York As Crowds of People Stare Into The Sky. Confirmed by Multiple News Networks

October 13, 2010

Is the establishment conditioning us for the arrival of extraterrestrials? Could they have an agenda for doing so? Recent reporting of genuine events such as the multiple UFOs that forced the [closing of separate airports in China](#); stories covering the release of new UFO [books written by credible ex-military](#); UFOs [tampering with nuclear devices](#); the discovery of a ["habitable" planet near Earth](#); a bizarre story about the [Pope's astronomer](#) saying he would gladly baptize an alien if asked; and the pending appointment of a [U.N. space ambassador](#) are increasingly bringing legitimacy to this phenomenon.

The Oct. 13th reports of UFO activity over New York City went ultra viral. Twitter erupted with reports of numerous unknown objects in the sky. This story has gone so viral that ABC and The New York Daily News reported it. On October 13, several dozen UFOs were sighted over New York City. The sightings began around midday and lasted until early evening.

They were sighted by thousands if not millions, and filmed by witnesses and television crews. Multiple videos of the UFOs have been broadcast. There was no official comment from government authorities over the source of the UFOs that **maintained a steady position for hours on end**. The FAA said nothing showed up on radar and it had no advance reports of balloons being launched in the area. The October 13 sighting would be like so many other unexplained UFO sightings over major cities, except for one notable exception. Stanley A. Fulham, a retired NORAD general, actually predicted [October 13, 2010?](#) as the date that extraterrestrial visitors would appear as the **initial step in a process to educate the world public that we are not alone**.

Astonishingly, his prediction was validated by the mass UFO sighting in New York, as well as in other major cities. Could the New York UFO sighting on October 13 be the first step in extraterrestrials indisputably revealing themselves to the world public as Fulham claims? <http://exopolitics.org/Exo-Comment-89.htm>
[FAA Unable to Identify Object Flying Over NYC](#)

[Fox News New York](#) reports on major sightings all throughout New York City. *MYFOXNY.COM – The NYPD and the FAA fielded numerous phone calls Wednesday afternoon from freaked out New Yorkers who say they saw UFOs hovering over Manhattan. Callers said they saw strange silver objects bobbing or hovering in the sky.*

What media sources covering the New York UFO sightings failed to mention was that from 6:45 pm of the same day (October 13), the FAA had closed down air operations at New York's three airports for about an hour.

Dr. Johnson's Comment: Sue Bradley reported to Hawk that there was a high amount of satanic rituals being done in New York on the 8th 9th & 10th bringing together all the main Crystal Skulls together in order to open a Stargate or Portal from this dimension into ours. I did some research and confirmed this:

[Dr. Scott Johnson - 2012, Mayan Calendar, Pole Shift, Crystal Skulls, Planet-X, Niburu...](#)

Program 10.10.10 – NYC – Mayan Elders – Ancient Crystal Skulls – Atlantean Orb – October 8th at the United Nations & then the Ancient Crystal Skulls event on the 9th and 10th with private sessions and work shops being scheduled on the 11th and 12th at the Edgar Cayce Center in NYC.

THE LEGEND tells of 13 Ancient Crystal Skulls, the same size and shape as human skulls, but made of pure crystal. Left behind by our earlier ancestors way back in the mists of time, before our collective memory can recall. “Are these the celestial prototypes for human incarnation, or the remains of the Atlantean civilization’s communication with the Gods, or the manifestation of spirit in form now appearing to shift the magnetic frequency of the earth?”

Either way these crystal skulls appear to be a source of great knowledge and wisdom. To some they contain information about our past history of the planet

and the future of mankind. The legend also prophesied that one day, at a time of great crisis for all humanity, 13 crystal skulls would be rediscovered and unify themselves together again to reveal information vital to the very survival of the human race.

The clarion call now has been answered to-gather 13 Crystal Skulls from around the world for the historic crystal skulls event being called "The Legend of the 13 Crystal Skulls". This was a full circle event. This was real, this was authentic, and it was time. Also this was the first time ever the "Skull of Consciousness" (An anatomically accurate 33 pound crystal skull) has ever been publically unveiled.

The closing of this event will be with a rare 13 Crystal Skulls Ceremony

Back to the main article: Incredibly, NYC wasn't the only place to experience such an unusual encounter of UFO sightings. Strange "UFO activity" was reported and photographed over the Golden Gate Bridge in San Francisco, CA -- YESTERDAY as well! -- via their live webcam pointed on the city.

In addition, YESTERDAY also saw this daytime "UFO" video filmed at KLCC Towers (also known as the "Petronas Towers" or just "Twin Towers") in Kuala Lumpur, Malaysia.

Oddly enough, Sunday, October 10th, 2010, saw some similar objects over Moscow, Russia except they were moving in this particular case...

Lastly, what took place over Manhattan yesterday isn't that strange when you consider that something VERY SIMILAR happened near Yankee Stadium just 2 days earlier on Monday, October 11th, 2010.

But I'm getting sidetracked here. The point I want to make by publishing this information today is that SOMETHING is happening with greater frequency and intensity around the world. To see proof of it happening in New York City brings it all closer to home for us. Because we view the whole "Alien/UFO" phenomenon as a SPIRITUAL one as opposed to it being an "EXTRATERRESTRIAL" one should concern us.

[Dr. Scott Johnson - The UFO Phenomenon: The Next Great Challenge for the Church...](#)

Why? Because it's evidence of the spiritual war manifesting itself in our physical world; evidence of the kind of deception and entities that we will be seeing a whole lot more of in the very near future. Are you ready for that reality? Would you even know how to witness to family and friends about the truth behind it all once we find ourselves in that New World Order? That's why this is an important subject for us Christians.

Oh yeah, and just in case you're inclined to think that this is all nothing more than the vain imaginations of bloggers like me, then I would encourage you to take a few minutes to watch the videos taken from eyewitnesses and the local news stations from reputable national news affiliates in the city. My heart breaks over the thought of the spiritual fate of millions once "Full Disclosure" happens complete with all the "signs and lying

wonders", which will also be backed by a national media seeking to shove a Satanic agenda down our throats.

2Th 2:7 For the mystery of iniquity doth already work: only he who now letteth [will let], until he be taken out of the way.

2Th 2:8 And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:

2Th 2:9 [Even him], whose coming is after the working of Satan with all power and signs and lying wonders,

2Th 2:10 And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

2Th 2:11 And for this cause God shall send them strong delusion, that they should believe a lie:

2Th 2:12 That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

You know, this is also more concrete proof that the "mass conditioning" over the last several decades courtesy of Hollywood and Pop Culture has worked wonders since something like what happened yesterday in Manhattan can occur and those interviewed either respond with excitement and interest welcome it with open arms.

Furthermore, I normally wouldn't give anything like this any attention, but the fact that the story is carried by Yahoo! China News is what has me somewhat intrigued. I think we'd consider that a somewhat "official" source, right? Plus, we're all well aware of the many high-profile multiple "UFO" sightings in China the past few months too (some captured on film and video) that forced the [closing of separate airports in China](#), which is why I looked into it a little more closely than I normally would.

SOURCE: news.cn.yahoo.com

Translated: (Xinhua Ji Nan) 10 13, ...many journalists confirmed rumors from the news department that yesterday at 4 am, a village at the end Qinling Mountains disappeared overnight with a concurrant sighting of a large UFO over that same area! There are a large number of troops sealing off the scene

To quickly recap, a bizarre story has just come out of China reporting that a "UFO" has caused an entire village to disappear! As mentioned, this is PURE SPECULATION because there isn't any real confirmation for now, but apparently this happened on Sunday, October 10th, 2010, and it was first reported in the news on October 13th.

It supposedly took place in the Qinling Mountains, Shaanxi Province, which is interesting since there's a pyramid in the region (the fabulous 1,000-foot "White Pyramid" of Xian) and also a nuclear facility. There's even a video on YouTube that's starting to get a lot of attention as well. Now, what's suspicious about that story/video is that it would support the entire agenda as we understand it will be presented to us one day -- **"Aliens Exist. Some Are Nice. Others Are Bad."**

Plus, doesn't that also tie in quite nicely with EVERYTHING we're seeing out of

Hollywood lately (think about the soon-to-be-released movie **Skyline**) and mainly with the whole "Alien Wars" language from the **Web Bot Reports**, which coincidentally (maybe not) is no longer online as it's been taken down without warning and people are scrambling to figure out what's going on with Clif High/George Ure and they're popular global project.

UK schools doing UFO crash drills

By Lounge Daddy, 10 October, 2010, 3 Comments

There seems to be a growing trend among schools to stage a UFO crash, and then teach students how to react, as well as to "properly" investigate and report on the incident.

The latest "UFO drill" took place Wed, Sept 29, at Sandford Primary School in the UK. The kids were treated to a full UFO crash scenario that included wreckage, police tape, and real police officers.

What's interesting is that "police were on hand to show the children how to properly investigate the UFO crash site." A news article at The Weston Mercury elaborates on the role played by the officers:

Teacher and organiser Victoria Shepherd said: "PCSO Wright and PC Church were brilliant. They helped the children secure the scene and talked about what to do in an emergency, how they gathered evidence, how to interview witnesses etc."

Are UFO drills becoming something of a routine part of the curriculum in the UK? It's certainly becoming more and more of a common event. Each time, it's a joint exercise put in place by the **school and local law enforcement**.

A similar drill took place in Feb of 2009 when Lanchester Endowed Parochial Primary, in County Durham, staged a surprise "crash" behind the school. In Sept 2008 "children from an Edgware school were made to believe aliens had landed in their playground by teachers and police." Again, each time it was conducted by the school system and police — teaching children what to do in event of a UFO event. Afterward, the kids are asked to write about their experience.

Phil Brennan--October 15, 2020

With the **US Government preparing to seize private and public pensions** in order to bankrupt the American People and bring them down into poverty as part of their Full Spectrum Dominance plans, the risk of American society collapsing into anarchy and rioting is extremely high over the next few months. Plans have already been in place for the past twenty-six years with **Rex 84** to bring the USA under **Martial Law** in such an eventuality. The **Military have been training extensively** over this time period specifically to take on the American people with the **National Level Program** of army exercises. **National Level Exercises 2010 (NLE10)** have had exercises in Chicago, Illinois, entitled "Operation Vigilant Guard", where foreign troops were training with the US Military to take out Patriots and confiscate legally held guns from the American people.

"...Operation Vigilant Guard reveals the on-going effort to not only destroy Posse Comitatus — once upon a time designed to prevent the military from working with state and local law enforcement — but the globalist effort to incorporate foreign "partners" into any future effort to impose martial law and gun confiscation in response not only to hurricanes but a contrived terrorist event..."

This is the final phase in the **DDCN Doctrine** of Demoralisation, Destabilisation, Crisis and Normalisation, reading the world for the **Bancor** to be brought in as the One World Currency, with a totalitarian One World Government regime.

In order for this hostile takeover to be successful, they have to first destabilize any potential resistance before the Crisis phase is fully enacted. This is why the

Southern Property Law Center, under the auspices of the **Department of Homeland Security**, are doing everything in their power to **demonize Patriots and Constitutionalists, the Tea Parties and Veterans, Gun Owners and Libertarians** –

These people will be the first into the breach to resist tyranny. Meanwhile, the **MIAC Reports** and the **Department of Justice** are also trying to character assassinate large swathes of American society, as well as the Feds **targeting disgruntled veterans**.

As the Crisis phase swings into full economic melt down, **the US Military will take over more and more of the infrastructure** as cities can no longer afford to employ staff.

The ability to do this has already been listed in several Presidential Executive Orders:

EXECUTIVE ORDER 10990 – allows the government to take over all modes of transportation and control of highways and seaports.

EXECUTIVE ORDER 10995 – allows the government to seize and control the communication media.

EXECUTIVE ORDER 10997 – allows the government to take over all electrical power, gas, petroleum, fuels and minerals.

EXECUTIVE ORDER 10998 – allows the government to seize all means of transportation, including personal cars, trucks or vehicles of any kind and total control over all highways, seaports, and waterways.

EXECUTIVE ORDER 10999 – allows the government to take over all food resources and farms.

EXECUTIVE ORDER 11000 – allows the government to mobilize civilians into work brigades under government supervision.

EXECUTIVE ORDER 11001 – allows the government to take over all health, education and welfare functions.

EXECUTIVE ORDER 11002 – designates the Postmaster General to operate a national registration of all persons.

EXECUTIVE ORDER 11003 – allows the government to take over all airports and aircraft, including commercial aircraft.

EXECUTIVE ORDER 11004 – allows the Housing and Finance Authority to relocate communities, build new housing with public funds, designate areas to be abandoned, and establish new locations for populations.

EXECUTIVE ORDER 11005 – allows the government to take over railroads, inland waterways and public storage facilities.

EXECUTIVE ORDER 11051 – specifies the responsibility of the Office of Emergency Planning and gives authorization to put all Executive Orders into effect in times of increased international tensions and economic or financial crisis.

EXECUTIVE ORDER 11921 allows the Federal Emergency Preparedness Agency to develop plans to establish control over the mechanisms of production and distribution, of energy sources, wages, salaries, credit and the flow of money in U.S. financial institution in any undefined national emergency. It also provides that when a state of emergency is declared by the President, Congress cannot review the action for six months. The Federal Emergency Management Agency has broad powers in every aspect of the nation

EXECUTIVE ORDER 12148 – created the Federal Emergency Management Agency to interface with the Department of Defense for civil defense planning and funding. An “emergency czar” was appointed. FEMA has only spent about 6 percent of its budget on national emergencies. **The bulk of their funding has been used for the construction of secret underground facilities to assure continuity of government in case of a major emergency, foreign or domestic.**

EXECUTIVE ORDER 12656 – appointed the National Security Council as the principal body that should consider emergency powers. **This allows the government to increase domestic intelligence and surveillance of U.S. citizens and would restrict the freedom of movement within the United States and grant the government the right to isolate large groups of civilians.** The National Guard could be federalized to seal all borders and take control of U.S. air space and all ports of entry.

1950 Defense Production Act – gives the President sweeping powers over all aspects of the economy.

Act of August 29, 1916 – authorizes the Secretary of the Army, in time of war, to take possession of any transportation system for transporting troops, material, or any other purpose related to the emergency.

As more and more Patriots become leaders in their communities, some will become targets for assassination through either Predator Drone strikes or Kill / Capture Teams, especially those who are fully aware of all that is going on geopolitically and are standing up against it. Do not be deceived – this is not for Islamic militants hiding out in caves, it is for the American People.

With State Nullification and State Succession being openly discussed by many people who are either standing for office this November, or are supporting independent candidates, many of us are watching warily for signs of an October Surprise in the form of either another illegal War of Trade, a False Flag Terrorism Event, or even, the fall of the Republic before the November elections even take place and the declaration of Martial Law.

As the Alternative Intelligence Community chatter gets louder concerning impending Martial Law, and sources are noting the mobilization of the 82nd Airborne Division, Marshals being called for inter-state training exercises under suspicious circumstances, and various other signs that suggest the imminent declaration of Martial Law, we have decided to put the Martial Law risk to **Severe**.

Martial Law Alert: Banking Collapse Scenarios Fall/Winter 2010: As with our first MARTIAL LAW ALERT, we have held back our assessment of the financial collapse currently underway until we could gather enough information. Since our focus is martial law, we always look at current events with an eye toward assessing the conditions that would be necessary for the President and/or the military to implement martial law. And, since we try to stay at least one step ahead of the game in order to warn people, such assessments must, of necessity, be speculative in nature. Nothing stated herein is guaranteed to happen. The purpose of these alerts is to get people thinking outside the mainstream-media box so that they might be better prepared to meet any eventuality (and this includes being prepared: mentally, emotionally, spiritually and physically -- and being prepared physically includes being prepared financially). Massive Helicopter Activity In Tuscon Area: There has been a lot of military activity in my area just North of Tucson. We are nowhere near Davis Monthan afb, and these aircraft are flying West to East and fairly low. Yesterday we had around 20 Ospreys fly overhead toward the Catalina mountain range. We have also had large numbers of Cobras, Apaches, Blackhawks, and F-18s. What is going on? I have pilot friends at the base and they are not saying anything. I am becoming quite concerned at the number of aircraft and frequency of flights in the past two weeks. NEO

Gold Hits New Record On Dollar Weakness: Gold prices hit new record highs on Thursday, fuelled by dollar weakness as hopes of more monetary easing by the U.S. Federal Reserve continued to run high, aided by Singapore's move to let its currency appreciate. Each year the chief has to inventory them and send the results to the Army. This year, he was required to physically take the weapons to a depot for a hands on inventory. There were many police departments there with there surplus Army issued weapons. **They were all told that they would have to give the weapons back to the Army in the near future and that they would be making arrangements to have them picked up.** I thought this was interesting timing with your other articles. —M

Ominous Heads Up-Last Week Of October Into November: I had dinner three nights ago with a group of local Republicans who hosted a candidate for state senate here in Oklahoma. One of the attendees was a US Marshal. He had been on for over 25 years and after finding that I was a retired Tulsa PD officer, said that the Marshal's service had an order that he had never seen or heard of. None of the guys he worked with had ever seen such an order. **Basically hundreds of US Marshals are being ordered to "in service training" in another state (can't remember if he said Iowa, Indiana or another state in that area), and when they get there, they would have to turn in their issue firearms! It (the "in service") is to be for a two week (or longer) period, and will start just before the November election.** [more](#)

Rick Warren Religious Pluralism These Bridges Are False!

2Cr 6:14 Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?

2Cr 6:15 And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?

2Cr 6:16 And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in [them]; and I will be their God, and they shall be my people.

2Cr 6:17 Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean [thing]; and I will receive you,

2Cr 6:18 And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty.

Religious pluralism is a loosely defined expression concerning **acceptance of various religions**, and is used in a number of related ways:

- As the name of the worldview according to which **one's religion is not the sole and exclusive source of truth...**
- As acceptance of the concept that **two or more religions with mutually exclusive truth claims are equally valid.** This posture often emphasizes religion's common aspects.
- Sometimes as a **synonym for ecumenism**, i.e., the promotion of some level of unity, co-operation, and improved understanding between different religions or different **denominations** within a single religion.
- As term for the condition of **harmonious co-existence** between adherents of different **religions** or **religious denominations**.

pastor. Thank you." This was the opening statement of Rick Warren, the leading pastor of the influential Southern California Saddleback Church, as he stood in front of the attendees of ISNA's 46th Annual Convention in July 2009. **He spoke these words as he stood at the podium emblazoned with ISNA's logo, an image that, for many, is a symbol of terror and stealth jihad. ISNA is an American arm of the Muslim Brotherhood.** It was founded in 1981 by a group of individuals which included the North American leader of Palestinian Islamic Jihad (PIJ) Sami al-Arian.

Interviewer: "Wife beating is a serious accusation [leveled against Islam]. Let us examine this matter bit by bit."

Sa'd Arafat: "**Allah honored wives by instating the punishment of beatings.**"

Interviewer: "Honored them with beatings? How is this possible?!"

Sa'd Arafat: "The prophet Muhammad said: 'Don't beat her in the face, and do not make her ugly.' **See how she is honored.** If the husband beats his wife, he must not beat her in the face. Even when he beats her, he must not curse her. This is incredible! He beats her in order to discipline her.

"In addition, there must not be more than ten beatings, and he must not break her bones, injure her, break her teeth, or poke her in the eye. **There is a beating etiquette.** If he beats to discipline her, he must not raise his hand high. He must beat her from chest level. **All these things honor the woman.**

[Dr. Scott Johnson - Muslim Islamic Religion Hypocrisy Exposed 1/14](#)

[Dr. Scott Johnson - The Double Face Of Islam 1/14](#)

The Beheading of Paul Johnson

An enemy of Islam is those who will not submit to Allah and remember that Muslims are allowed to lie to the infidels, in times of war, to further the cause of Allah. I have seen blatant lies in regards Islam from clerics and Imams, after all if they tell you what they preach in their Mosques and what is in the quran they would not be allowed the freedom to further their cause.

Why do we let a war cult like this continue..

1/1/0001--Kidnapping, murder, decapitation, mutilation, torture, terror, burning, hanging, and gloating are all justified, even glorified Islamic behaviors. For those who have been fooled by our media, our politicians and clerics into believing that Islam is a peaceful religion and that we all worship the same God, what follows is a cold dose of reality. The simple truth is: the terrorists have not corrupted their religion, Islam has corrupted them. All good Muslims are terrorists.

Qur'an 8:12 "I will terrorize the unbelievers. Therefore smite them on their necks and every joint and incapacitate them. Strike off their heads and cut off each of their fingers and toes."

Qur'an 8:57 "If you gain mastery over them in battle, inflict such a defeat as would terrorize them, so that they would learn a lesson and be warned."

Ishaq:326 "If you come upon them, deal so forcibly as to terrify those who would follow, that they may be warned. Make a severe example of them by terrorizing Allah's enemies."

Qur'an 8:67 "It is not fitting for any prophet to have prisoners until he has made a great slaughter in the land."

The recent issue of ("Voice of Jihad"), which is identified with Al-Qa'ida, published an article titled "A Letter to the Wife of the Slain Pagan Paul Johnson from the Wife of One of the Martyrs." [1] This letter celebrates the murder of the American hostage Paul Johnson in Saudi Arabia. The anonymous letter is attributed to the wife of one of the terrorists killed by the Saudi Security forces. The following are excerpts from the letter: [2]

'The Blood of Your Husband is the Blood of a Dog because He is an Idolatrous Infidel'

"I have heard that you appeared on television feigning innocence and wondering haughtily what was your husband's sin and what was his crime. I believe you are not ignorant of the fact that he was one of the greatest criminals indeed, although he is not considered that according to your standards, you infidels....

"You should know that our brethren whom you detain in your prisons and our brethren whom your husband used to burn with his helicopters are not alone. Rather, there are hearts pounding with love for them, just as you have demonstrated that you have loved your slain husband. Nay, we love them more than you can imagine because the blood of a Muslim is for us more precious than the Ka'ba , but the blood of your husband is the blood of a dog because he is an idolatrous infidel."

'The Corpse of Your Husband shall be followed by Mountains of Corpses'

"Do you know that we have not done anything [yet] about the blood of Muslims and the blood of my husband that was shed for no reason. We are just getting

started and the corpse of your husband shall be followed by mountains of corpses of his countrymen...How can you claim innocence for your husband, Allah's curse on him, while you have been hearing the warnings of the Mujahideen calling you to leave our country that is forbidden for you?

"When my husband was killed you certainly were not interested, nor did you know about it; and if you had known, you probably would have been pleased that he was killed before he reached your husband and his countrymen. However, I find solace in the fact that the Mujahideen were able to reach their target with precision, and they killed your husband by slaughtering him. By Allah, on that day I rejoiced a lot because the real terrorist was killed having been gorged with the blood of our Muslim children."

'We Hate You, Infidels, and We Loathe You to the Bone'

"I don't know whether you know that we hate you, infidels, and we loathe you to the bone."

...our youth who are engaged in Jihad is a good thing: If you kill them, you thereby send them to heaven in the shortest way, Allah willing; and if you let them stay alive, not having overcome them, that is fine for they will fight you and will force out the infidels from the land of Islam.

"By the Mother of the Martyr/terrorist" [3]

[1] It should be noted that whereas the headline states that the letter is by the wife of one of the martyrs and the phrase "my husband" occurs 6 times in the letter, at the end of the letter there is a byline stating, "by the martyr's mother."

[2] Sawt al-Jihad, issue no. 21.

[3] The following is a footnote appended at this point in the original: "This article reached us shortly after the slaying of Paul Marshal [sic], but its publication was delayed due to special circumstances."

Today the fox is truly guarding the hen house. The wolves will be herding the sheep! **Obama appointed two devout Muslims to homeland security posts.**

Obama and Janet Napolitano appointed Arif Alikhan, a devout Muslim, as Assistant Secretary for Policy Development. DHS Secretary Janet Napolitano swore-in Kareem Shora, a devout Muslim, who was born in Damascus, Syria, as ADC National Executive Director a member of the Homeland Security Advisory Council (HSAC).

NOTE: Has anyone ever heard a new government official being identified as a devout Catholic, a devout Jew or a devout Protestant...? Just wondering. Devout Muslims being appointed to critical Homeland Security positions? Doesn't this make you feel safer already?? That should make our home land much safer, right? Muslim Brotherhood 'declares war' on U.S.

October 12, 2010--By Art Moore--WorldNetDaily

The Supreme Guide of the Muslim Brotherhood, Muhammad Badi, who was elected only months ago, has "endorsed anti-American Jihad and pretty much every element in the al-Qaida ideology book," writes Barry Rubin, author and director of the Global Research in International Affairs Center and editor of the Middle East Review of International Affairs Journal.

The Brotherhood – the dominant Islamic organization in the West that has spawned most of the major Muslim terrorist groups, along with the largest "mainstream" organizations – is giving the signal that it is "ready to move from the era of propaganda and base-building to one of revolutionary action," says Rubin.

In a sermon published Sept. 30 titled "How Islam Confronts the Oppression and Tyranny [against the Muslims]," Badi said waging jihad against both Israel and the United States is a commandment of Allah that cannot be disregarded.

The remarks were delivered in a weekly sermon, published Sept. 30 [on the Muslim Brotherhood's website](#) and translated into English by the [Middle East Media Research Institute](#).

He said Governments trying to stop Muslims from fighting the U.S., "are disregarding Allah's commandment to wage jihad for His sake with [their] money and [their] lives, so that Allah's word will reign supreme" over all non-Muslims.

Rubin concludes: "Let it be said that in September 2010, **the Muslim Brotherhood, a group with 100 times more activists than al-Qaida, issued its declaration of war.**"

Terror threat to restaurants as Al Qaeda calls for attacks on government workers in D.C.

WASHINGTON - The terror group tied to the [Ft. Hood](#) killings and the Christmas Day underwear bomber **urge wannabe American jihadis to open fire on crowded restaurants in the nation's capital to massacre U.S. government workers.**

The advice appears in "Inspire," the latest issue of a slick propaganda publication by [Al Qaeda in the Arabian Peninsula](#), in [Yemen](#).

"A random hit at a crowded restaurant in [Washington, D.C.](#), at lunch hour might end up knocking out a few government employees," [Yahya Ibrahim](#) writes in the 74-page jihadi how-to magazine.

"Targeting such employees is paramount and the location would also give the operation additional media attention," Ibrahim added.

Other trash talk came from "[Samir Khan](#)," an American who came to AQAP from [North Carolina](#), who produces the publication and wrote that he is "proud to be a traitor in America's eyes."

"This guy is bad news, and given the fact that he helps publish AQAP trash, he certainly spreads a lot of it around, too," said a senior U.S. official.

According to a copy of the magazine obtained by the SITE intelligence group, AQAP also urged those bent on murdering for Islam to use everything from pickup trucks to improvised pressure-cooker bombs to kill.

The trucks can be fashioned into "the ultimate mowing machine," with steel blades welded to the grill to "mow down the enemies of Allah" by running down Americans on crowded sidewalks "to achieve maximum carnage" in a "martyrdom operation."

"This method has not been used before," advises AQAP in its "Tips for our brothers in the U.S."

Campbell's Soup catering to Islam

Famed company says products certified by Hamas-linked team

October 07, 2010--By Bob Unruh--WorldNetDaily

[The Canadian division of the Campbell's Soup company](#), known to generations for its "M'mmm, m'mmm, good" slogan, is selling products approved as "halal" for Muslims by an organization with ties to the Muslim Brotherhood, the massive movement that has spawned terrorist organizations such as al-Qaida and Hamas..

The move has triggered a [Facebook-based](#) boycott plan and the outrage of a multitude of online forum participants, including Kenny Solomon who cryptically wrote: "Stock ... Sold as of the opening bell tomorrow. Letter .. Mailed about ten minutes ago. Items in my kitchen ... In the garbage. I won't even donate it."

Added "Left Coast Conservative," on Robert Spencer's [JihadWatch website](#), "Will not buy their products any more. **Can't imagine eating halal slaughtered food that has been offered to or 'blessed by' a foreign God – makes my stomach turn.** This is wrong on so many levels."

 Act 15:29	That ye abstain from meats offered to idols , and from blood, and from things strangled, and from fornication: from which if ye keep yourselves, ye shall do well. Fare ye well.
 Act 21:25	As touching the Gentiles which believe, we have written [and] concluded that they observe no such thing, save only that they keep themselves from [things] offered to idols , and from blood, and from strangled, and from fornication.

A WND call to Campbell's Canada requesting comment was referred to a U.S. office that was closed. A security guard told WND there was no one who could be reached to comment tonight.

But on the JihadWatch website was the note that **the Islamic Society of North America, identified by Campbell's as the organization running the "Halal Certification Program," is said "to have ties to the Muslim Brotherhood."**

[A website under the Campbell's name](#) explains, "As part of Campbell Canada's commitment to diversity and extraordinary, authentic nourishment for all, our selection of Halal-certified products are here to help you meet your Islamic dietary requirements." The company continued, "ISNA's Halal Certification Program was established in conjunction with professionals in the field of Islamic foods and nutrition, and with Islamic scholars. The program includes the review of ingredients, formulas, manufacturing and sanitation processes."

The company listed Campbell's Vegetable Broth, condensed soups including Low Fat Cream of Broccolo, Tomato, Tomato Rice, Vegetarian Vegetable, Rustic Spiced Lentil & Vegetable, Cream of Mushroom and Garden Minestrone in the "Ready to Enjoy" line, and others, in the approved lineup.

On the CreepingSharia blog, the commentary also noted **that company employees had been "proselytized."**

[A company report spoke about the "12 Halal-Certified products" in its soup line.](#)

"To ensure that Campbell Canada employees know about the new products, the company undertook a number of initiatives including a one-day 'information fair' featuring taste tests, guest speakers, and background **presentations on ... Islamic practices,**" **the report said.**

At JihadWatch was the notation that Campbell confirmed it would have the ISNA logo on its labels soon, so consumers easily can identify the "approved" products.

"It goes without saying there will be no more of their products in my Christian Home!" said one forum participant on the page.

Sacrificed to Allah Eaten By Christians_Top supermarkets secretly sell halal: Sainsbury's, Tesco, Waitrose, and M&S don't tell us meat is ritually slaughtered
By [Abul Taher](#)--25th September 2010

Comment: Look what I just found out from an official Halal Islamic site on food preparation:

*HALAL: This is an Arabic term which means permissible or lawful in Islam. In reference to food, it is the Islamic dietary standard, as prescribed in the Shari'ah (Islamic Law). it is...required that the Halal animals be slaughtered **while pronouncing the name of Allah at the time of slaughter.***

“Eat of that over which the name of Allah hath been mentioned, if ye are believers in his revelations” (Chapter VI, Verse 118)

“And eat not of that whereon Allah’s name hath not been mentioned, for lo! It is abomination. Lo! The devils do inspire their friends to contend with you. But if ye obey them, ye will be in truth idolaters”. (Chapter VI, Verse 121)

Britain's biggest supermarket chains are selling halal lamb and chicken **without telling unsuspecting shoppers.**

Those stocking meat slaughtered according to Islamic law include Waitrose, Marks & Spencer, Sainsbury's, Tesco, Somerfield and the Co-op.

And an investigation has found that fast-food chains including **Domino's Pizza, Pizza Hut, KFC, Nando's and Subway are also using halal meat without telling customers.**

But the UK's second-biggest supermarket, Asda, has refused to confirm or deny whether it sells halal meat.

The Mail on Sunday contacted Asda on Tuesday, but by yesterday it had failed to answer any of our questions.

Initially, Waitrose, Sainsbury's and Tesco were reluctant to admit they sold halal meat. But later they confessed to selling Islamically slaughtered lamb. Tesco also admitted selling some halal chicken without labelling it as such.

Most lamb imported from New Zealand by British supermarkets has been slaughtered according to Muslim law, but this is not mentioned on packaging. Some lamb from British abattoirs (slaughterhouse) is also halal.

Last night, Agriculture Minister Jim Paice said: ‘People should know what they’re buying in the shops or when they’re eating out and I will be discussing with the food industry the role labeling can play in giving consumers a choice.’

The supermarkets and fast-food outlets said they did not feel the need to tell customers that meat is halal because the slaughter conformed to Western standards, with animals stunned before being killed.

A Sainsbury's spokesman said: ‘The abattoirs that supply us with lamb are licensed by the Muslim authorities and a prayer is said when the animals are killed.’

Sandwich chain Subway admitted that up to five per cent of its chicken is Islamically slaughtered without being stunned.

Subway said in a statement: ‘By mid-November there will be no halal meat in our non-halal stores. The meat served in halal Subway stores is not stunned before slaughter.’

Domino's Pizza said it had served Islamically slaughtered chicken in most of its 580 outlets for ten years.

I kill 45 chickens a minute and all get an Islamic prayer

The Muslim slaughterman murmurs the Islamic verse as thousands of chickens whirl towards him on a conveyor belt hung from the ceiling.

Masood Akhtar grabs hold of one chicken's head with his left hand and, with his right, draws his knife across its neck.

The slaughterman barely has time to say ‘Bismillah Allah-hu-Akbar’ (meaning ‘In the name of Allah, who is the greatest’) before the next bird is upon him.

It appears a long way from the ritualised slaughter that many would imagine produces halal chicken. Mr Akhtar is not dressed in robes but in a hair-net and a yellow blood-

spattered jacket.

And far from a spiritual ceremony, the process is clinical and robotic – Mr Akhtar claims to kill 45 birds every minute and 40,000 in a week.

The procedure appears to follow Sharia law, which states that the bird must be killed alive by a Muslim man who recites the set verse as he cuts its throat.

Mr Akhtar, 29, became a slaughterman at the age of 18 after a few months' training.

'When I arrived I wanted to be a killer,' he recalled. 'On my first day in training, three out of ten birds I killed were not cut properly through both neck arteries – this meant they were not halal. 'But after three months of practice I was perfect – every bird was killed in true halal style.'

Subject: [Contending for Truth:] **Listener Comment: Disturbing Immigration Views**

Dr. Scott Johnson

Although I feel that about 90% of what you say is based on good research, and based on sound doctrine. However although most of your studies are insightful, there are portions I have found grotesque.

I am a College Grad from the realm of Poly Sci, and I am also of mixed descent, which includes a mix of Caucasian and Hispanic. Your understanding of the immigration issue is severely misguided and not factual based, and actually perpetuates the Mass Evil Agenda.

I have been born and raised in San Diego Ca. and I am a 3rd generation from my Hispanic side, and probably at least a 5th Gen. from my Caucasian side. I reside in the heart of the melting pot of Americans with Hispanic Descent, undocumented immigrants, and Mexican Americans, and have seen first hand the real issues surrounding immigration and could write volumes on it.

The way you demonize the Hispanics as a whole is very disturbing. You have made general claims that a large portion of undocumented immigrants are criminals in way that suggests they commit crimes beyond the scope of there illegal status. Everyone in this neck of the woods knows this is false. In facts most illegal immigrants are in fact terrified of law enforcement, or any other authority that could deport them from there families. The last thing these people want to do is commit crimes which draw attention to them, and in turn get them deported. These people however actually suffer in silence, as you will never hear the true story as the only voice these people have is the Media and uninformed people like you who fall into the deception.

You are actually working on behalf of the Evil Mass Agenda, as when you make a strong stance against immigration, it is basically the same as what happened with Terrorism, you're giving the legislature the opportunity to use the issue as take more rights away. Please also realize many Hispanics documented and non-documented are true believing Christians (like my family and myself). The way you speak about us truly divides God's church, something that Jesus did not do in the NT, and there is no Bible for such talk (KJV) of course.

Speak from the Holy Spirit a little more, and not from your faulted/imperfect brain so much. God Bless you man! And keep up God's Good Work! - JesusIsTheTruth619

My Response:

So I guess the solution for me since I am working on behalf of the "The Evil Mass Agenda" is for me to stop exposing this whole illegal alien travesty and keep my mouth shut. That makes perfect sense to me. How dare I protest to people entering into America illegally. What gall I have. Who do I think I am. I should be reported to the thought police immediately not to mention tar and feathered and drawn & quartered. Pardon my sarcasm but you said that many of these poor illegal aliens: "Suffer in silence"--Sir they are here illegally. **What part of illegal do you not understand.** They're all law breakers now, even if they were not in their home country. That is not my fault, it is theirs & I will assume no blame or responsibly for their illegal actions. **Are you telling me the ones who claim to be born again Christians were lead of the Lord Jesus Christ for them to come to America illegally!** When they don't contradict the Bible are we **are to** obey the laws of the land. Now if I try to go to Mexico and do the same things (we will look at this shortly) **I** will be thrown in prison **as it should be,** but when illegal aliens in America do it they are victims according to you, right? I have no problems with any peaceful people from other countries that are here legally. Actually people from Mexico, Central and South America are typically some of the nicest people I have ever met so please don't think this has anything to do with prejudice in my heart toward these people as it does not. The issue has nothing to do with that, it is the issue of someone (& I don't care if they were from England or European states) being here illegally. It's nothing personal. I thought I made this point abundantly clear but will try to do so in future teachings.

MEXICO IS ANGRY

Posted by [Linda Fletcher](#) on May 4, 2010

Three cheers for Arizona. The shoe is on the other foot and the Mexicans from the State of Sonora, Mexico doesn't like it.

Can you believe the nerve of these people? It's almost funny.

The State of Sonora is angry at the influx of Mexicans into Mexico . **Nine state legislators from the Mexican State of Sonora traveled to Tucson to complain about Arizona 's new employer crackdown on illegals from Mexico .**

It seems that many Mexican illegals are returning to their hometowns and the officials in the Sonora state government are furious.

A delegation of nine state legislators from Sonora was in Tucson to state that **Arizona 's new Employer Sanctions Law will have a devastating effect on the Mexican state.**

At a news conference, the legislators said that Sonora, - Arizona's southern neighbor, - made up of mostly small towns, - **cannot handle the demand for housing, jobs and schools that it will face as Mexican workers return to their hometowns from the USA without jobs or money.**

The Arizona law, which took effect Jan. 1, punishes Arizona employers who knowingly hire individuals **without valid legal documents to work in the United States** .(AKA Illegal Aliens)

Penalties include suspension of, or loss of, their business license.

The Mexican legislators are angry because their own citizens are returning to their hometowns, placing a burden on THEIR state government. **'How can Arizona pass a law like this?'** asked Mexican Rep Leticia Amparano-Gamez, who represents Nogales . (This sounds like the man that sent me the email above)

'There is not one person living in Sonora who does not have a friend or relative working in Arizona ,' she said, speaking in Spanish. **'Mexico is not prepared for this, for the tremendous problems it will face as more and more Mexicans working in Arizona and who were sending money to their families return to their home-towns in Sonora without jobs,'** she said. **'We are one family, socially and economically,'** she said of the people of Sonora and Arizona .

Wrong!

The United States is not yet the third leg of the North American Union, not a subsidiary of Mexico, **and its taxpayers are not responsible for the welfare of Mexico 's citizens.** Yet the people that make these asinine, delusional statements truly believe and act as if they are entitled to all the benefits of full American citizenship (and much more than that) even if they come here illegally.

It's time for the Mexican government, and its citizens, to stop feeding parasitically off the United States and to start taking care of its/their own needs.

Too bad that other states within the USA don't pass a law just like that passed by Arizona .

Maybe that's the answer, since our own Congress will do nothing!

So let me present a what if scenario:

New Immigration Laws Proposal for the US:

Read to the bottom or you will miss the message...

1. There will be no special bilingual programs in the schools.

* * * * *

2. All ballots will be in this nation's language..

* * * * *

3.. All government business will be conducted in our language.

* * * * *

4. Non-residents will NOT have the right to vote no matter how long they are here.

* * * * *

5. Non-citizens will NEVER be able to hold political office

* * * * *

6 Foreigners will not be a burden to the taxpayers. No welfare, no food stamps, no health care, or other government assistance programs. Any burden will be deported.

* * * * *

7. If foreigners come here and buy land... options will be restricted. Certain parcels including waterfront property are reserved for citizens naturally born into this country.

* * * * *

8. Foreigners may have no protests; no demonstrations, no waving of a foreign flag, no political organizing, no bad-mouthing our president or his policies. These will lead to deportation.

* * * * *

9. If you do come to this country illegally, you will be actively hunted &, when caught, sent to jail until your deportation can be arranged. All assets will be taken from you.

* * * * *

Too strict ?

The above laws are current immigration laws of MEXICO !

These sound fine to me. NOW, how can we get these laws to be America 's Immigration Laws?
