Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprov'd are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

I John 4:18: "There is **no fear** in love; but **perfect love** casteth out fear: because fear hath torment. He that feareth is not made perfect in love."

Heb 13:6: "So that we may boldly say, The Lord *is* my helper, and I **will not fear** what man shall do unto me."

II Timothy 1:7: "For God **hath not** given us the spirit of fear; but of power, and of love, and of a sound mind."

Censored Gulf news: Children crying, covered in blood. Spray-poisoning backyards (video)

September 26th, 2010--The Obama administration's petrochemical-military-industrial-complex (PMIC) continues its poisoning Americans campaign, now spraying toxic chemicals and solvents directly into inland waters, putting dispersants into people's backyards according to many Gulf Coasters reporting to the Examiner and evidence collected by Dr. Riki Ott.

Tourists who swam in the Gulf are among those contacting the Gulf Coast Barefoot Doctors for help. Locals living over a mile from the Gulf are reporting the same poisoning symptoms. Most first have a "flu-like feeling"; followed by severe rashes; then further respiratory problems and 'cloudy headiness.'

Many people are reporting internal bleeding, bleeding from the rectum, ears and nose plus vomiting blood.

Although VOC testing is not covered by insurance companies, Lisa Parr is among the relatively few parents who managed to get blood testing plus air samples testing. She then found no choice but to leave the area after doctors confirmed each of her ill family members tested positive for poisoning according to [Brandon Evans of WCMessenger](#),

"I started to get a little sick.thought I was getting the flu. I was just tired and achy and started going through some little problems.

"Then I started breaking out in a rash. It literally covered my entire body - my scalp all the way down to the bottoms of my feet,"

Four days later, a medical test discovered the same chemicals inside Lisa. ([Flight for survival: Toxic emissions force family to leave home](#), Wise County Messenger, September 23, 2010)

"My daughter began having severe nosebleeds," Parr said. "She'd wake me up at 6 a.m., crying, covered in blood."

After hiring someone to do water and air sampling at her home, she said. "**The methane level in my daughter's room was at asphyxiation levels.**"

Gulf Coast Barefoot Doctors, a grassroots non-profit organization, developed after it was apparent that the U.S. government-BP corporation partnership would not provide survival aid to the people suffering while the military operation was to continue its chemical attack on the people.

The Barefoot Doctors are struggling to meet the demand for their Survival Detox Kits.

Friday, Gulf Coast Barefoot Doctors called for people well enough in communities throughout the Gulf region to become involved in the life-saving project. **They are also helping people to relocate through Kimberly Dawley's resource that matches relocation needs with sponsors throughout the U.S.**

Dawley has stated, "If you are a Gulf Coaster wanting to evacuate but need help, please ask! If you can assist a Gulf Coaster relocate, please advise!" (See --

<http://pub47.bravenet.com/forum/static/show.php?usernum=3957401277&frmid=0>)

Saturday, the Barefoot Doctors stated, "We need someone in each community to help take calls and emails from the sick in their areas and to help distribute the survival kits to people in communities straight across the Gulf area and beyond."

Project Gulf Impact Sickened by Corexit in Nazi America, Spraying Continues!

September 29, 2010 by [Alex](#) [The Intel Hub](#)

We have received multiple emails asking for an update on Project Gulf Impact. I personally was unable to reach Matt for the last four days. To my surprise, Matt Smith joined us for a exclusive, surprise interview.

The information that Matt put forth was everything but good news. Project Gulf Impact has been poisoned by the very Corexit they have exposed. It actually took leaving the immediate area to get better. This situation has continued to worsen due to the semi secret, aerial black ops being carried out by BP.

Please spread this information far and wide. The people of America, and the world for that matter, must be warned that this situation is far from over. Project Gulf Impact needs your help getting this information to as many sites as possible. Please repost this article and video!

“Everyone down here knows what’s going on and the media black out is like calling the oil spill an oil spill when it is a flood. This media blackout is so deep, it’s like the Gestapo, its seriously feels like we are in some sort of Nazi State with the media. The media control is horrifying. It is so horrifying because it is getting WORSE”

“Every single time that we have been driving down the 23 we have seen anywhere from 1 to 5 C130. This is very disturbing.”

Alien Disclosure Imminent in 2010-2011: Obama to Lead The Way?

Are the world's government getting ready for alien disclosure in 2010 or 2011? Is Obama going to pave the way and release information on alien contact having actually occurred?

Here's the scenario: October 2010 broadcast on every major news station in America and throughout the world. President Obama is about to release disclosure on alien contact being made which in turn will change virtually everything we know about the universe and our place in it. What will be announced? The rumors on the Internet are pointing to Obama being the first world leader to actually announce that intelligent alien life has been found and confirmed. According to most accounts, once Obama makes the initial announcement, then other world leaders will come forth as confirming it. To make the news even more shocking (not that it is already shocking enough) is that most of the rumors circulating on the internet mention nothing about SETI (Search for Extraterrestrial Intelligence) being the one responsible for finding this alien life. There are a number of different scenarios being played out on the Internet concerning exactly what the announcement will contain. The most common ones mentioned are listed below:

1.) Obama will announce (official disclosure) the presence of at least 3 alien species being known to us. **There are reports of two of them being friendly and one being seen as a threat to the Earth.** There has even been speculation that there could be one species that will be present with Obama on camera during the announcement. Other reports have the alien species as numbering up to five instead of three. Almost all reports have only the one species being seen as a threat to the Earth though.

2.) Obama does not reveal any alien species directly but shows evidence of an ancient base being found after the October 9, 2009 LCROSS bombing mission on the Moon's South Pole (second disclosure scenario). This mission was where we sent an object to deliberately crash into a deep crater on the moon where no sunlight could penetrate to see if we could detect any signs of frozen water. The announced results did indeed show a good amount of frozen water in these craters which would be a key in establishing a moon base. What is supposed to have also been found is an ancient base and that the mission actually crashed into one of the buildings on this base. This is why several researchers are claiming that no video evidence of the plume generated by the crash has been shown even though it was announced previously that it would be.

Whether either of these scenarios are indeed the ones announced or if anything is actually announced at all, we will have to wait and see. There are some signs according to several researchers that an alien disclosure is coming shortly though. One of these is the announcement from the Vatican that alien life is OK and does nothing to threaten the church or religion in any way. Many people are seeing this as a sign getting the public ready for alien disclosure. Another item which many people see as signs of disclosure are several cabinet members on Obama's staff have either now or in the past claimed they believed in aliens and flying saucers.

And then there are the reports on alien implants and more and more reports on large black triangle shaped crafts that are rumored to be a reverse engineered mix of alien technology with ours.

Is the United Nations preparing the citizens of the world for the introduction of Space Aliens?

NEWS BRIEF: "[UN 'to appoint space ambassador to greet alien visitors'](#)", Telegraph News, 26 September 2010

"A space ambassador could be appointed by the United Nations to act as the first point of contact for aliens trying to communicate with Earth. Mazlan Othman, a Malaysian astrophysicist, **is set to be tasked with coordinating humanity's response if and when extraterrestrials make contact.**

"Aliens who landed on earth and asked: "Take me to your leader" would be directed to Mrs Othman".

"The 58-year-old is expected to tell delegates that the proposal has been prompted by the recent discovery of hundreds of planets orbiting other stars, which is thought to make the discovery of extraterrestrial

life more probable than ever before. Mrs Othman is currently **head of the UN's little known Office for Outer Space Affairs** (Unoosa)."

As we have stated before, the Global Elite decided a long time ago that, if people were to believe in the claims of the New Age / Masonic Christ, they must be conditioned beforehand to believe in space aliens! Why would this be the case?

WHEN THE ANTI-CHRIST STAGES HIS APPEARANCE, HE WILL CLAIM TO BE AN ASCENDED MASTER FROM ANOTHER DIMENSION, In other words AN ALIEN BEING. HE JUST HAS OUR BEST INTERESTS AT HEART AND WANTS TO LEAD THE WORLD INTO A NEW, PEACEFUL EXISTENCE.

Dr. Johnson's Teaching:

The "Ancient Astronaut" Lie: The Shocking Origin of the "Intelligent Design" Theory

What warning does the Bible give us in this regard?

1John 4:1 ¶ Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world. 1Jo 4:2 Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: (Comment: But remember this is the Jesus Christ of the Bible)1Jo 4:3 And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world. 1Jo 4:4 Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world. 1Jo 4:5 They are of the world: therefore speak they of the world, and the world heareth them. 1Jo 4:6 We are of God: he that knoweth God heareth us; he that is not of God heareth not us. Hereby know we the spirit of truth, and the spirit of error.

Notice that the Apostle John does not question whether spirits actually exist; he knows demons exist and he knows that his Christian audience knows they exist. John is saying, "Test the spirits [which will arise], to see if they are of God." These spirits will be denying that the Jesus Christ **of the Bible** actually became a man and has come in the flesh (**but they will most likely admit this about the ascended master Sananda Immanuel AKA Master Jesus otherwise how could they deceive all the millions and millions claiming to be Christians**).

Dr. Johnson's Teaching:

Deception Afoot: Maitreya & 'Master Jesus'

This is precisely what this UFO-Alien deception is attempting to do.

Hollywood has even gotten in on the act to condition people to accept aliens.

"...In 1982, Michael London of the L.A. Times gathered together a group of 8 people experienced in UFO and extraterrestrial encounters for a special screening of Steven Spielberg's movie "E.T." London noted the following reactions of the group to the movie:

'This is a true movie, not a romance. It's part of a CONDITIONING PROCESS TO PREPARE US FOR THE ARRIVAL OF ALIEN BEINGS.'

'The movie is a vehicle...It invites the audience to be less afraid of the so-called para-normal. And what better place to start than with the children?'...Everything is being done through the children..."

Everything is being done through our children, and has been for over 60 years. Thus, the first generation to be so conditioned are now having children, who are also being conditioned. What is the purpose? Remember that the Movie and TV industries are openly hostile to Christianity and are very obviously New Age. **Also remember that the #1 objective of the NOW--New Age movement is to successfully stage the appearance of Anti-Christ.**

Dr. Johnson's Teaching:

The Return of The Nephilim: Hollywood Preparing the Way

Today, the conditioning to entice people to accept aliens so that, when Antichrist arises, they will have no trouble believing his "out-of-this-world- claims! Even the United Nations is now getting in on the scripted act. Time is getting close.

More Lies From Ascended Master Esu Immanuel Sananda AKA "Master Jesus"

Greetings, precious little Druthea. I AM Sananda. I come in the service of Holy Creator Source, the ONE labeled GOD of Light. **I AM the One Who walked your place some 2000 years past in your counting. I was human, as are you ones who now walk this place and journey towards ONENESS with God.**

I was known by many labels and most will recognize Me by the term Jesus Christ. Much of what you do read in your various editions of the so-called Holy Bible are the misperceptions of the one Pharisee born as Saul of Tarsus and who changed his name to Paul.

Alas, My mission and My purpose for coming to your place in behalf of Our heavenly Father was not only misunderstood by true seekers of truth, but was also purposely altered to serve the needs of the religious zealots who "lead" the ignorant masses through fear and damnation.

For you ones who work closely with The HOSTS of God who assist you at this time of great transition, please KNOW that I experienced the wrath and malicious actions by those who were threatened by the messages of Our Holy Father which I brought to the people.

The adversary was nipping at my heals CONSTANTLY, chelas, as many of you are now experiencing as well. Paul, alias Saul of Tarsus, was NO apostle of Mine. HE elected himself authority to interpret My message and it was HE who taught the misteachings of salvation and put ME, Immanuel, ABOVE you, once calling Me the only Son of God to save you from your sins. THESE WERE NOT MY TEACHINGS, EVER, and in fact, if you study the first books which are included in most versions of the Christian Bibles (Mark, Matthew, Luke and John), there remains a REMNANT of the messages which I brought which do often contradict Paul's interpretations. Even still, those four books do not include many things I taught and were actually put to print between 70 and 200 years A.D.! And this is by calculation of YOUR own historical theologians.

So, precious chelas, you must ask yourselves, WHO decided what would be included in each "authorized" version of the Bible? I can assure you GOD was seldom present in those authorizations and decisions. Paul, the self-ordained apostle, corrupted my message and deceived MILLIONS of ignorant seekers over the centuries. I would venture to say he did his job well. For so many of you are transfixed in an illusion of dogma and human power, and the price has been YOUR SOUL.

We of THE HOSTS of GOD are come again to you ones WHO will hear the clarion call of TRUTH, for so many of you are weary of being lied to and used. So many are trapped and you are kept there by the adversary of fear. We come to shake you awake that you may find GOD within you and FREEDOM which only His Holy Presence, acknowledged and accepted, will bring you!

It is time to think for yourselves, for GOD gave you all that you are and you have mostly denied HIM and self. We are giving you a ticket to free your soul from the bondage of false human dogma and ritual which leaves you unfulfilled.

Does this mean I say to question your "beliefs" as you now hold them? YES. If you live a righteous and moral life putting others before self and seeking to give in more ways, then you can label yourself and atheist, Christian, Aborigine, Buddhist, or Muslim and it makes no difference whatsoever.

Comment: From Gay, Lesbian, Bisexual, Transsexual movement, to radical feminists who like to call themselves Christians, to the URANTIA cult, to virtually all New Age adherents, to now even Satan incarnate himself ascended master Sananda Immanuel (the coming counterfeit Jesus Christ); all of these groups universally hate the Jesus Christ of the Bible, the Apostle Paul and the King James Bible. **Hmm I wonder why???**

In 2 Corinthians, Paul's response to criticism consisted of a defense of his integrity, without which his ministry would have been ineffective. He placed before his readers a number of reasons to reassure them of his integrity. They included his reverence for the Lord, his concern for the church, his devotion to the truth, his gratitude for Christ's love, his desire for righteousness, and his burden for the lost. In defending his integrity, he

risks being called proud by his enemies, so he also displayed several marks of his humility: an unwillingness to compare oneself with others, a willingness to minister within limits, an unwillingness to take credit for others' labors, a willingness to seek only the Lord's glory, and an unwillingness to pursue anything but eternal commendation. Paul had right motives and he defended them for the right reasons, that is, to glorify God and to promote the truth of the gospel and Christ's church.

Key Latino leader endorses Initiative 300 - the ET Affairs Commission

September 23rd, 2010--**Veronica Barela**, CEO and Executive Director of **NEWSED**, has endorsed **Initiative 300**. She said *"I support Initiative 300 to create an Extraterrestrial Affairs Commission and I encourage people to vote yes."* NEWSED is a major community development organization in Denver. It also organizes the Cinco de Mayo celebration in Civic Center Park which draws around 300,000 people.

A Denver Post article on June 24, 2010, called Ms. Barela *"Denver's West Side power broker"*. The article quoted Denver councilwoman Judy Montero as saying *"I also think it's healthy that everyone listens to her."* Political candidates and parties, especially, will find it healthy to listen to Veronica about Initiative 300.

The obvious reason is that Latinos account for about 30% of the Denver population over age 18 who are eligible to vote. Less obvious is that Democratic and Republican political leaders have had similar views on the issue of UFOs and extraterrestrial visitors. **These include Presidents Kennedy, Carter, and Reagan, along with Hillary Clinton and John Podesta. They have either reported seeing UFOs or sought public disclosure of government files on UFOs and extraterrestrial visitors.**

Veronica will also be urging voters to read the eight-page **Initiative 300 voter education** newspaper.

Initiative 300 is on the ballot for the November 2010 Denver election. Find out more about Initiative 300 and the campaign to create an Extraterrestrial Affairs Commission in Denver at <http://www.examiner.com/ufo-in-denver/key-latino-leader-endorses-initiative-300-the-et-affairs-commission> www.extracampaign.org

David Letterman asks Jeff Peckman about Stan Romanek's Extraterrestrial visitors & UFOs

Peckman is chief proponent of the ET Affairs Commission ballot initiative.

Five Reasons to Vote YES on 300

1. **Common Sense** - Over 400 government, military, and intelligence community witnesses have testified to their direct, personal, first-hand experience with UFOs, ETs, ET technology, and the cover-up that keeps this information secret. [Source: DisclosureProject.org]

2. **"We ought to do it [disclose UFO files] because it's right...because it's the law."** – John Podesta, Clinton and Obama official

3. All people have a **right to know** about suppressed extraterrestrial technologies for: curing life-threatening diseases, cleaner energy, environmental cleanup, and creating jobs. (**Ah yes Satan's Carrot to the masses**)

Former U.S. Air Force personnel claim they experienced UFO activity near nuclear sites at which they worked.

September 27, 2010-- Seven former U.S. Air Force personnel gathered in Washington Monday to recount UFO sightings over nuclear weapons facilities in decades past – accounts that a UFO researcher says show extraterrestrial beings are interested in the world's nuclear arms race and may be sending humans a message.

At a news conference at the National Press Club, the six former officers and one ex-enlisted man recalled either personal sightings or reports from subordinates and others of UFOs hovering over nuclear missile silos or nuclear weapons storage areas in the 1960s, '70s and '80s.

Three of the former Air Force officers – though they hadn't seen the UFOs themselves - told reporters that UFOs hovering over silos around Montana's Malmstrom Air Force Base in 1967 appeared to have temporarily deactivated some of the nuclear missiles.

Much of the testimony already has appeared in books, websites and elsewhere. But UFO researcher and author Robert Hastings, who organized the news conference, said the time has come for the U.S. government to acknowledge the UFO visits.

"I believe - these gentlemen believe - **that this planet is being visited by beings from another world, who for whatever reason have taken an interest in the nuclear arms race which began at the end of World War II,**" said Hastings, who added that more than 120 former military personnel have told him about UFOs visiting nuclear sites.

"Regarding the missile shutdown incidents, my opinion ... **is that whoever are aboard these craft are sending a signal to both Washington and Moscow, among others, that we are playing with fire – that the possession and threatened use of nuclear weapons potentially threatens the human race and the integrity of the planetary environment,**" he said.

Former Air Force Capt. Robert Salas – who has written a book about the Montana incidents – said he was underground when a UFO hovered over his missile silo in March 1967, and therefore couldn't see it. He said one of his guards above ground told him a red, glowing object about 30 feet in diameter was hovering just above the front gate of the facility, in an isolated area far from Malmstrom.

"And just as I [called my commander], our missiles began going into what's called a no-go condition, or unlaunchable. Essentially, they were disabled while this object was still hovering over our site," Salas said.

Salas and others said the military urged them at the time not to talk about the incidents.

Breaking: CNN to air UFOs and Nukes Press Conference Live

September 27th, 2010--According to a post on the September Press Event facebook page attributed to Marilyn Salas, CNN has elected to have live coverage of the UFOs and Nukes Press Conference at the National Press Club in Washington DC.

The press conference brings together witnesses to UFO incursions on United States military bases and nuclear missile launch facilities to reveal to the press the nature of these events.

Capt Robert Salas, said: "The US Air Force is lying about the national security implications of unidentified aerial objects at nuclear bases and we can prove it."

This is a significant press Conference, **part of a perfect storm of UFO disclosure that began with Leslie Kean's book UFO's, Military Pilots and Government Officials go on the Record**

and includes soft disclosure in the form of NBC's "The Event", whose plotline involves the disclosure of the reality non-human intelligent life to the public.

The United Nations just yesterday announced that Professor Mazlan Othman of the United Nations Office for Outer Space Affairs is tasked with the responsibility to meet with and conduct negotiations with extraterrestrials that might come to this planet.

Breaking News (Updated) - Triangular UFO over Tucson

Saturday, 25 September 2010 12:22 | Written by Ben

In the last few hours reports are coming in via 'Twitter' as well as local Television broadcasts that a Triangular UFO has been observed by **hundreds if not thousands of people in Tucson Arizona this evening. News agencies are being overwhelmed with calls related to the sighting.** A video of what's being said on television can be seen by clicking on the link with this article. A similar sighting was reported by no less than 5 Police Officers in Lebanon USA not so long ago and a video pertaining to this can be seen too.

Update - We're delighted to say that video footage of the craft has been located - it is the third video to be seen below - the craft DOES NOT maneuver in ways traditionally associated with aircraft. It can be clearly seen that it is triangular in nature and surely represents extra-terrestrial technology or a Military design and capability kept secret from the public. But why then would it be in such a built up area?

Sarah Palin demonstrates her Illuminati foundation as she brags that Henry Kissinger is her mentor!

David Bay states: "As I have stated many times before, my research over the past 24 years has proven to me that the Illuminati will not even let a person on their stage who is not completely sold out to their global Plan.

Therefore, when Senator John McCain chose Sarah Palin to be his running mate in the 2008 presidential election, and when Sarah stepped on to that national GOP stage, I knew she had to be sold out to the plan of the Global Elite."

Now, she has admitted that her mentor is Henry Kissinger. Listen:

NEWS BRIEF: **"Sarah Palin was Chosen for the Vice President by Henry Kissinger's Elite Oil Cabal"**, YouTube Video

In this video, Sarah Palin reveals that she has had conversations with Henry Kissinger about foreign policy issues. **Palin said that old Henry had a real passion for diplomacy. She talked very casually about her conversations with this Illuminati devil, she had met with him so often that she felt very comfortable with him.**

But, there is more to Palin's tone. **She speaks about him with great admiration. She speaks about him as if he were a father figure to her.**

Indeed, Henry Kissinger has schooled Sarah Palin on foreign policy issues since McCain tapped her as his Vice Presidential candidate.

This reality is absolute disaster! Henry Kissinger is one of the most powerful Illuminati figures in the entire world today!

In [NEWS1328](#), we revealed, in 1952, the Illuminati redrew all sovereign nations of the world into military patrol zones. We encourage you to read and study the map of this article, for then you will understand the ultimate plan of the Global Elite once the Masonic Christ -- [the King of Despots whose name is "Destiny"](#) -- is on the world scene.

The United Nations is acting to fully implement their Plan worldwide, fully in compliance with their 1952 world map. Former Secretary of State Henry Kissinger -- one of the most high-ranking Illuminists today -- let the cat out of the bag for anyone who knew of the Plan. During the Rodney King rioting in Los Angeles, Kissinger made this following statement:

"Today, Americans would be outraged if U.N. forces entered Los Angeles to restore order. Tomorrow, they will be greeted."

A more succinct statement of this part of the New World Order Plan is not possible! Henry Kissinger has just stated the full and complete Plan for his listeners, but since most Americans do not know this part of the Plan, Kissinger's remarks flew right above the heads of most. Do not be deceived: the United States is not only going to voluntarily give up its sovereignty, its leadership is going to voluntarily allow foreign troops to enter so as to impose military rule! Every time you see the United Nations intervene militarily somewhere else in the world, you can know for increasing certainty that America's time for such intervention draws ever nearer.

But, Henry Kissinger is even more dangerous.

Henry Kissinger is one of the most powerful of all Illuminist leaders. According to former Satanists, Cisco Wheeler and Doc Marquis, Kissinger once sat on the Council of Nine, a global occult organization which makes the top-level global decisions as to which direction the Plan to reorganize the world will go next.

Kissinger is also one of the key members of the openly Satanic, "Bohemian Grove", the Bilderbergers and the Trilateral Commission! For more details, please read our archived [Headline News](#) article, [NEWS2100](#)

This is also not the first time when Kissinger has been firmly linked to President Obama. Several weeks ago, Kissinger announced that, as President, Obama was "primed" to bring about the New World Order! ([NEWS2336](#))

Therefore, if you are still holding on to a shred of belief that Sarah Palin can be a genuine Christian, her mentor-type relationship to Henry Kissinger should alone change your mind.

Furthermore, her involvement in the "Joel's Army" Movement, as detailed by Pastor Hoggard, in the DVD above, should further convince you.

Today, Sarah Palin is an occasional commentator on the Republican Illuminati station, Fox News, and is the darling of Conservative Elitist programming nearly everywhere.

Just remember this: Before the Illuminati will allow anyone on their stage, that person must be a trusted insider and a firm supporter of their global plans. Sarah Palin is no exception!

EXCLUSIVE: After a Year of Setbacks, U.N. Looks to Take Charge of World's Agenda

By George Russell--September 08, 2010 | [FoxNews.com](#)

After a year of humiliating setbacks, [United Nations](#) Secretary General Ban ki-Moon and about 60 of his top lieutenants — the top brass of the entire U.N. system — spent their Labor Day weekend at a remote Austrian Alpine retreat, **discussing ways to put their sprawling organization in charge of the world's agenda.**

Details concerning the two-day, closed-door sessions in the comfortable village of Alpbach were closely guarded. Nonetheless, position papers for the meeting obtained by Fox News indicate that the topics included:

- how to **restore "climate change" as a top global priority after the fiasco of last year's Copenhagen summit;**
- **how to continue to try to make global redistribution of wealth the real basis of that climate agenda,** and widen the discussion further to encompass the idea of "global public goods";
- how to keep growing **U.N. peacekeeping efforts into missions involved in the police, courts, legal systems** and other aspects of strife-torn countries;
- how **to capitalize on the global tide of migrants from poor nations to rich ones, to encompass a new "international migration governance framework";**
- how to make "clever" use of new technologies to deepen direct ties with what the U.N. calls "civil society," meaning **novel ways to bypass its member nation states** and deal directly with constituencies that support U.N. agendas.

As one underlying theme of the sessions, the top U.N. bosses seemed to be grappling often with how to cope with the **pesky issue of national sovereignty,** which — according to the position papers, anyway — continued to thwart many of their most ambitious schemes, especially when it comes to many different kinds of "global governance."

Not coincidentally, the conclave of bureaucrats also saw in "global governance" a greater role for themselves.

An Australian nun who was punished and kicked out of the Catholic Church is now being made a saint!

NEWS BRIEF: "[Saintly Australian was punished for exposing sex abuse](#)", M&G News, September 25, 2010

"Sydney - Australia's Mary MacKillop, a Catholic nun who died more than 100 years ago, **was briefly excommunicated for uncovering the abuse of a paedophile priest ...** MacKillop, who is set to become Australia's first saint, was penniless when she was turned out onto the street in 1871 at the age of 29 and just four

years after becoming a nun."

How could something so tragic as this really happen? Were pedophile priests so prevalent back then as they are today and was the coverup by the bishops and cardinals as common as it is today?

" 'The story of the excommunication amounts to this: that some priests had been uncovered for being involved in the sexual abuse of children,' Father Paul Gardiner said ... The revelations of MacKillop's role in fighting sex abuse come as the Catholic Church worldwide is facing up to the past misconduct of priests."

Therefore, this nun "outed" several priests for their sexual misconduct and was drummed out of the Catholic Church. She lived penniless on the street until she was admitted back into the Church.

"Next month, MacKillop is to be canonized by Pope Benedict XVI, culminating a century of campaigning for the Melbourne-born nun."

Our research over the past decade on the unbelievable sex abuse by Roman Catholic priests against innocent boys, young women and married women has proven that such sex abuse has **been occurring for over 1,000 years!**

But, no one has set out to answer the question of "why" from a theological position, until Cutting Edge introduced the two DVD's above, by Bill Schnoebelen:

["Catholicism: Two Horns Like A Lamb"](#)

["Catholicism: The Church On Haunted Hill"](#)

The answer is simple: Roman Catholicism is NOT genuine Christianity, but a mixture of numerous pagan doctrines and practices, all of which lead to sexual deviancy.

Former Catholic Seminarian, Bill Schnoebelen, proves that, given the true inner heart nature of Catholicism, sexual deviancy and molestation is what we should expect from many priests!

Bill also shockingly reveals that Catholic priests teach that Jesus was able to perform miracles only because He had gone into the Occult and was using the power of Occult spirits! Jesus condemns this belief in the strongest of terms (Matt 12:22-31). Therefore, priests who believe this heresy fall into unusually hateful and terrible sins.

Bill also reveals that in the Catholic seminary he attended he discovered that about 75% of the men studying for the priesthood were gay, many of them very openly gay.

Bill then reveals that Satan maneuvered the Catholic Church - beginning with Constantine - in an effort to corrupt genuine Christianity and take it down from within. By appearing to be Christian, but mixing in doctrines and practices of Satanism, billions of souls have been plunged deeply into Hell

While these two DVD's are 99.9% the same, ["Two Horns Like A Lamb"](#) has been softened in a couple of areas where people felt that the message was so strong that they could not share this most important information with friends and loved ones.

"Church On Haunted Hill" remains very confrontational and drives the point home sharply that people should expect Catholic priests to be sexually deviant, given the true spiritual nature of the Catholic Church.

Lastly, as we have long predicted, Pope Benedict XVI is caught up in this sordid mess.

NEWS BRIEF: ["Deaf victim of sex abuse is suing pope, and going public with his story for the first time"](#), By Scott Bronstein, CNN Special Investigations Unit

"MILWAUKEE, Wisconsin – Terry Kohut has kept a dark secret for nearly 50 years. Now he is breaking his silence, becoming a key figure in the sex-abuse crisis in the Catholic Church and the growing controversy over what Pope Benedict XVI did about it. When Kohut was barely a teen, and for years afterward, he says, **he was sexually molested and assaulted by the headmaster and priest of the school where he lived, St. John's School for the Deaf, in Milwaukee, Wisconsin. What occurred there is one of the most notorious cases of sex abuse in the Catholic Church.**"

"Kohut was not alone. From 1950 to 1974 the headmaster of St. Johns, Father Lawrence C. Murphy, raped and molested as many as 200 deaf boys, according to court and church documents. Kohut has now filed the first sex-abuse lawsuit against the Vatican actually naming Pope Benedict, previously known as Cardinal Joseph Ratzinger, as a defendant."

"Ratzinger was once head of the Vatican's powerful CDF, the Congregation for the Doctrine of the Faith, charged in certain circumstances with investigating the sexual abuse of minors by priests. And though church records show the abuse by Father Murphy was brought to the

attention of Ratzinger and the CDF years ago, a church trial against the headmaster was stopped and he was allowed to remain a priest."

I well remember the case of a Catholic priest in North Attleboro, Massachusetts, **who wrote a letter to Pope Paul II, confessing that he had molested a number of young boys in his congregation and asking to be removed. Pope Paul II never responded!**

Read full details in [NEWS1656](#), entitled, "**PEDOPHILE CATHOLIC PRIEST CONFESSED DIRECTLY TO THE POPE IN 1973, BUT "HIS unHOLINESS" TOOK NO ACTION. LATER, OVER 50 CHILDREN WERE MOLESTED AND RAPED!**"

Now you know the bottom-line truth. Catholic priests have been sexually violating their parishioners for over 1,000 years and the entire upward hierarchy just covers the entire sordid disaster up.

We should further not be too surprised by the sordid sexual character of the Roman Catholic priesthood because the Pope consistently uses Satanic symbolism to declare to the world that he is God!

[NEWS1608](#), entitled, "**Pope Always Wears White, Visitors Wear Dark -- Illuminist Symbolism Dating Back 4,000 Years Ago! White/Black Dress Symbolism Shouts That The Pope Is God!**"

The Illuminati decided in early 1991 that the Roman Catholic Pope -- whomever he was at the time -- would be the top religious leader in the New World Order ([NEWS1052](#)). This designation means *that the Roman Catholic Pope will be the False Religious Prophet of Revelation 13:10-18!*

This reality means that the Pope will be identical to Antichrist. Now can you see how depraved the Roman system is?

[Satanist group's split has Oklahoma City show in question Civic Center says event has been canceled; Satanist says it will go on despite the group's breakup.](#)

BY CARLA HINTON September 16, 2010--A Satanic group with plans for a public event at the Civic Center Music Hall has splintered, a founder said Wednesday.

A statement posted on the website of the Church of the IV Majesties said the church had been disbanded and an Oct. 21 gathering at the Civic Center — to include a "public satanic exorcism" — was no longer scheduled. The website advised people who had already purchased a \$15 ticket to the event to send their ticket to a post office box and their money would be refunded.

"The Church of the IV Majesties has been dissolved, the show has been canceled," the website said.

However, [James Hale](#), who said he is one of the church's three founders, told *The Oklahoman* on Wednesday that another Church of the IV Majesties' founder wrote the statement because he has been expelled from the church for being a registered sex offender.

Hale said the co-founder did not have the right to cancel the event because Hale signed the city contract to lease the facility. He said the church is reforming and still hopes to have the event at the Civic Center.

Hale said he plans to get other group members together to come up with a new name for the church and revised plans for the Oct. 21 event at the Civic Center. He said two church members are ready to sign on as officers of a new church. Hale said the other co-founder has the Church of the IV Majesties' bank records.

"If there's any way to pull it out, we will. At the very least, the exorcism is not canceled, it's postponed," Hale said.

Subject: So ashamed of our nation :(

Hi Brother Scott,

Alex Stewart, a lecturer at Queensland's QUT University literally smoked pages from the Bible and the Koran on YouTube

He has since closed his YouTube account, but a copy of it can be found here:
<http://www.youtube.com/watch?v=fQJ8woJm08c&feature=related&skipconinter=1>

I am so ashamed of our nation, we have nearly forgotten God, and you know what Psalms and Proverbs has to say about that.

Psalm 9:17 (King James Version)

The wicked shall be turned into hell, and all the nations that forget God.

Proverbs 14:34 (King James Version)

Righteousness exalteth a nation: but sin is a reproach to any people.

What I found interesting is that he actually told us which verse of the Holy Bible he was about to smoke. **From all the thousands of verses he could have picked he chose John 3:15. WOW! This reprobate has no fear of God what-so-ever!**

John 3:15 (King James Version)

That whosoever believeth in him should not perish, but have eternal life.

I can't even imagine what the Lord Jesus Christ will say to him on the day of Judgment ... scares me just to think about it. But the Bible gives an insight:

Proverbs 1:25-32 (King James Version)

25 But ye have set at nought all my counsel, and would none of my reproof:

26 **I also will laugh at your calamity; I will mock when your fear cometh;**

27 **When your fear cometh as desolation, and your destruction cometh as a whirlwind; when distress and anguish cometh upon you.**

28 **Then shall they call upon me, but I will not answer; they shall seek me early, but they shall not find me:**

29 **For that they hated knowledge, and did not choose the fear of the LORD:**

30 They would none of my counsel: they despised all my reproof.

31 Therefore shall they eat of the fruit of their own way, and be filled with their own devices.

32 For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them.

...even so, come, Lord Jesus

In Christ Jesus our Lord

Pakistan: Muslims burn Christian man as police man rapes his wife

[nowpublic.com](http://www.nowpublic.com) ^ | March 23, 2010 | Ahmar Mustikhan

Posted on **Wednesday, September 22, 2010** by **Steve Van Doorn**

Washington, D.C. (March 23, 2010)– Travesty of justice does not fit the description of the events. This is simple barbarism.

International Christian Concern (ICC) has learned that **a Christian man, Arshed Masih, died yesterday after Muslims burned him alive for refusing to recant his faith. Additionally, a Muslim policeman raped Masih's wife.**

Masih and his wife, Martha, worked and lived at the house of Sheik Mohammad Sultan, a powerful Muslim businessman in Rawalpindi, Pakistan, since 2005.

In January, Muslim religious leaders and Sheik Sultan asked Masih and his family to convert to Islam. Masih and his family refused to convert and informed Sheik Sultan that they were going to quit working for him. The Sheik became furious and warned Masih that he would kill him if he quit. Masih told his family and friends about the entire incident. Christian leaders tried to persuade the Sheik to let Masih and his family leave his house.

On March 19, **Masih was set on fire in front of the police station. At the time, three Muslim religious leaders and three policemen were present at the scene. The perpetrators have not been identified.**

Masih was taken to the Holy Family Hospital where he received treatment for three days before finally dying today.

Masih's children Mary, 12, Nasir, 10, and Neha, 7, are deeply traumatized after witnessing acts of brutality against their family at the hands of Muslims.

Fortuna Warning

Fortuna is the Roman Goddess of Luck, Fate, and **Fortune**, as Her name implies. She was a very popular Goddess, and was worshipped under many epithets depending on the type of luck one wished to invoke or the circumstances in play. Her many temples in Rome, and the various aspects of Her worship are a reflection of the manners in which She was honored: from personal Goddess, overseeing the fate of the individual mother, young man, or soldier, to a Goddess of the State, ensuring the fortune of the populace, the luck of the Emperor, or the glorious fate of the entire Roman Empire.

Fortuna was usually depicted holding in one hand a cornucopia, or a horn of plenty, from which all good things flowed in abundance, representing Her ability to bestow prosperity; in the other She generally has a ship's rudder, to indicate that She is the one who controls how lives and fates are steered.

The name Fortuna finds its root in the Latin *fero*, meaning "to bring, win, receive, or get".

Correction Regarding the Rock Bank Queen

Best Answer - Chosen by Voters

www.queenonline.com - here is a website it's the official one for **queen**, or so it said. i know that frontman freddie mercury was openly **gay** he died of aids in 1991. As far as i know the other members of **queen are** straight and married with kids. My info comes from watching a documentary about them, and **they** made a movie about Freddie mercury back in the 90's for tv.

Then in '77 the release of *News of the World* went top ten with its double A sided "We Will **Rock** You", written by May, and Mercury's "We **Are** The Champions". "Champions" was supposedly a **gay** rights song that was pretty much overtaken and and still today used as an anthem for champion sports teams worldwide.

A Listener Writes: I took this photograph of this sign in front of a church!!

Symbols are used throughout the occult. Harpers' Encyclopedia of Mystical & Paranormal Experience (p.594) says, "**Symbols are important to all esoteric teachings, for they contain secret wisdom accessible only to the initiated.**"

Many people have asked about the mysterious symbol on the NKJV.

Thomas Nelson Publishers (publishers of the NKJV) claim, on the inside-cover, the symbol, ". . . is an ancient symbol for the Trinity." But Acts 17:29, clearly FORBIDS such symbology: ". . . we ought NOT to think that the Godhead is like unto gold, or silver, or stone, GRAVEN BY ART and man's device."

And why does The Aquarian Conspiracy, a key New Age "handbook", bear a similar symbol? New Agers freely

admit it represents three inter-woven "6"s or "666".

Constance Cumbey, author of The Hidden Dangers of the Rainbow and a notable authority on the New Age Movement, said, On the cover of the Aquarian Conspiracy is a **Mobius (the triple wiccan goddess symbol represents the Maiden, Mother, and Crone, AKA the Triquetra Symbol)**, it is really used by them as triple six (666). The emblem on the cover of the New King James Bible is said to be an ancient symbol of the Trinity.. **I was rather alarmed when I noticed the emblem...** (The

New Age Movement, Southwest Radio Church, 1982 p.11)

The three esoteric "6"'s separated. Plainly displaying the interlocked "666".

In the New Testament Jesus made it quite clear that a generation of wicked people were linked to the snake. Every time he addressed these people it was with swift and precise condemnation for their actions. The most powerful passage occurs in the gospel of Matthew.

"Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?" (Matthew 23:33)

*As I dug deeper into the Bible to research this subject, I found it rather intriguing that the symbol of the snake has **been linked with the pharmaceutical and medical industry.** Is this just another clue that God has left for us to identify the adversary? It is very interesting that of all the symbols they could have adopted, the snake happens to be the one.*

There are actually two different medical symbols that use the serpent. One is called the Caduceus which is a staff surmounted by two wings and entwined with two snakes.

The Caduceus

The **caduceus** [Greek](#) or **wand of Hermes** is typically depicted as a short herald's [staff](#) entwined by two [serpents](#) in the form of a double [helix](#), and sometimes surmounted by wings. In later [Antiquity](#) the caduceus may have provided the basis for the [astrological symbol](#) representing the planet Mercury and in [Roman iconography](#) was often depicted being carried in the left hand of the Greek god [Hermes](#), the messenger of the gods, guide of the dead and protector of merchants, gamblers, liars and thieves. The caduceus is usually used as a symbol for [medicine](#), especially in [North America](#), through confusion with *the traditional medical symbol, the [rod of Asclepius](#), which has only a single snake and no wings.*

The Caduceus symbol is used by both the medical profession and the pharmaceutical industry. The other symbol is called the Star of Life. It consists of a serpent wrapped around a rod and encompassed in a six-pointed star and is identified with emergency medical services.

The **Star of Life** is a [blue, six-pointed star](#), outlined with a white

border which features the [Rod of Asclepius](#) in the center, originally designed and governed by the [U.S. National Highway Traffic Safety Administration](#) (NHTSA) (under the [United States Department of Transportation](#), DOT). Traditionally in the United States the logo was used as a stamp of authentication or certification for ambulances, paramedics or other EMS personnel. Internationally, it represents [emergency medical services](#) (EMS) units and personnel. A similar [orange](#) star is used for [search and rescue](#) personnel and yet another version is used for [Wilderness](#)

[emergency medical technician](#).

The **rod of Asclepius**, also known as the **asklepian**,^[1] is an ancient symbol associated with [astrology](#), the [Greek god Asclepius](#), and with [medicine](#) and [healing](#). It consists of a [serpent](#) entwined around a [staff](#). The name of the symbol derives from its early and widespread association with [Asclepius, the son of Apollo](#), who was a practitioner of medicine in ancient [Greek mythology](#). His attributes, the snake and the staff, sometimes depicted separately in antiquity, are combined in this symbol.^[2] The Rod of Asclepius also represents the constellation [Ophiuchus](#), considered by some to be the [thirteenth sign of the sidereal zodiac](#). [Hippocrates himself was a worshipper of Asclepius](#).^[3] **How appropriate in light of the Hippocratic oath all MD's take**. Given the historically attested use of this emblem, its adoption as a symbol of medicine is a great irony.

The rod of Asclepius symbolizes the healing arts by [combining the serpent, which in shedding its skin is a symbol of rebirth and fertility, with the staff, a symbol of authority befitting the god of Medicine](#). The snake wrapped around the staff is widely claimed to be a species of rat snake, also known as the Asclepian snake. It is native to southeastern Europe, [Asia Minor](#), and some central European spa regions, apparently brought there by [Romans](#) for

their healing properties.

It consists of a serpent wrapped around a rod and encompassed in a six-pointed star and is identified with emergency medical services. **Both of these symbols date back thousands of years with deep roots in the occult and ancient paganism further linking sorcery, witchcraft and magic to the medical establishment. I find it rather amazing that it was the serpent that tricked Eve in the garden of Eden and it's the serpent that this industry has chosen to link with. When the serpent deceived Eve he did it by getting her to eat a food that God didn't authorize.**

[The 1958 book 'The Age Of Treason': Exposing Chemical Attack On Humanity](#)

Dr. R. Swinburne Clymer was in many ways a man ahead of his time, and most certainly controversial. He was attacked by the medical establishment for connecting diet with disease and mental health in his 1917 book *Dietetics*. Dr. Clymer received his medical degree in 1902 from the College of Medicine and Surgery in Chicago and began practicing Osteopathy. his 1958 book *Your Health and Sanity in the Age of Treason* **exposes toxic food additives and fluoride with documentation - the majority of which are mainstream scientific studies - that can be verified many times over. What makes this book unique is the fact that Dr. Clymer was one of the first to point out that statements by the elite indicated that these toxins were to be deliberately released "...for the mental deterioration and moral debasement of the mass..."**

The book is appropriately subtitled; "*Food and Liquids Used as a Medium in Deliberately and Carefully Planned Methods Developed by the Vicious Element of Humanity, for the Mental Deterioration and Moral Debasement of the Mass, as a Means Toward Their Enslavement.*"

Dr. Clymer introduces readers with a stark warning for the future, writing, "Imagine yourself if you can, becoming conscious that you are gradually losing your manhood; that your mind is rapidly deteriorating so that you are no longer capable of thinking clearly; unable to plan your future actions. Your resistance is becoming so weakened that you are no longer master of yourself. In short, you are rapidly developing into a moron, a robot, a zombie, readily subject to the dictates of others..." Bertrand Russell's 1953 book *The Impact of Science on Society* is cited by Clymer as one example of the elite's desire to dominate the masses. Russell stated that under scientific tyranny, "Diet, injections, and injunctions will combine, from a very early age, to produce the sort of character and the sort of beliefs that the authorities consider desirable, and any serious criticism of the powers that be will become psychologically impossible."

*****Health Alert***: High-Fructose Corn Syrup Getting Rebranded as Corn Sugar**

The good news: Consumption of high-fructose corn syrup is at a 20-year low. The bad news: The folks who make this insidious sweetener aim to rebrand it to boost sales.

High-fructose corn syrup is cheaper than cane sugar and acts as a food preservative, too, so the food industry loves the stuff. But it's been added to so many foods — yogurt, cereal, bread, drinks and even condiments — that researchers have fingered it as a culprit in the obesity & cancer epidemic. The Corn Refiners Association has in the past marketed high-fructose corn syrup as natural. Our Bad Medicine columnist Christopher Wanjek argues otherwise:

"High-fructose corn syrup could be all-natural if cornstarch happened to fall into a vat of alpha-amylase, soak there for a while, then trickle into another vat of glucoamylase, get strained to

remove the *Aspergillus* fungus likely growing on top, and then find its way into some industrial-grade D-xylose isomerase. This funny coincidence didn't happen in nature until the 1970s in a lab somewhere in Japan."

Now the Corn Refiners Association plans to ask the FDA to allow high-fructose corn syrup to be called simple "corn sugar" instead, AP reports. And already the group is advertising it with that name. The adds also claims there's no difference between corn sugar and cane sugar.

Say hello to mechanically separated chicken

It's what all fast-food chicken is made from—things like chicken nuggets and patties. Also, the processed frozen chicken in the stores is made from it. Basically, the entire chicken is smashed and pressed through a sieve—bones, eyes, guts, and all. it comes out looking like this.

There's more: because it's crawling with bacteria, it will be washed with ammonia, soaked in it, actually. Then, because it tastes gross, it will be reflavored artificially. Then, because it is weirdly pink, it will be dyed with artificial color. But, hey, at least it tastes good, right? High five, America!

Canada bans BPA. Why haven't we?

BY [Tom Philpott](#)--27 AUG 2010--Environment Canada -- our northern neighbor's version of the EPA -- has **officially declared bisphenol A (BPA) toxic**. The ubiquitous [chemical](#), found in the lining of nearly all cans used by the food and beverage industry, will have to be phased out in Canada.

BPA is vile stuff. Here's how Scientific American recently [described](#) it: "In recent years dozens of scientists around the globe have linked BPA to myriad health effects in rodents: mammary and prostate cancer, genital defects in males, early onset of puberty in females, obesity, and even behavior problems such as attention-deficit hyperactivity disorder."

The North American chemical industry is furious with Environment Canada's decision. The [American Chemistry Council](#) has vigorously defended BPA during Environment Canada's toxic review, declaring that the agency had "pandered to emotional zealots" by even considering the toxic designation, the Toronto Star [reports](#). The industry group **demanded that Environment Canada halt the review process; Environment Canada held firm.**

In our U.S. political system, the chemical industry has had better luck pushing its agenda. In January, the FDA took a singularly maddening position on the stuff, as Tom Laskawy [reported for Grist](#). On the one hand, after years of denying mounting evidence that BPA posed serious health risks, the agency [declared](#) it had "some concern about the potential effects of BPA on the [brain](#), behavior, and prostate gland in fetuses, [infants](#), and young children."

On the other, the agency has **essentially claimed it is unable to ban it from use.** "Today there exist hundreds of different formulations for BPA-containing epoxy linings, which have varying characteristics," and food companies **aren't obligated to declare which ones they're using**, the agency complained in its January statement. "If FDA were to decide to revoke one or more approved uses, FDA would need to undertake what could be a lengthy process of rulemaking to accomplish this goal," the agency declared, referring to itself in the third person.

In other words, the poison has been distilled into so many forms that it would take a lot of work to keep it out of food processing. And rather than initiate that process, FDA chose to sit on its hands -- meaning that the food industry still knowingly exposes millions of people every day to a chemical the FDA acknowledges is harmful.

Laskawy aptly read the report as "a bureaucratic cry for help" -- FDA decision makers' acknowledgement that, in the face of chemical-industry pressure, "they really [don't] have the authority to ban BPA or even to meaningfully restrict its use." He concluded: "It seems that only Congress can provide the antidote."

The U.S. Senate to the rescue? Not so much. **Earlier this month, a ban on BPA was removed from the Senate's food safety bill under industry pressure. When Sen. Dianne Feinstein (D-Calif.) vowed to add an amendment to a compromise bill that would ban BPA, negotiations on the bill stalled.**

Gates Death Panels – Bill Gates Advocacy

September 16, 2010--By [dailypost](#) **Bill Gates'** advocacy for "death panels" has caused controversy amongst conservative commentators, but the real outrage behind the story has been completely overlooked — the fact that Gates is a hardcore eugenicist and has called for **lowering the global population through vaccines which his foundation funds to the tune of billions.**

Gates' "death panel" comments were actually made over two months ago at the Aspen Ideas Festival in Aspen Colorado, but they only garnered attention when the [video clip](#) appeared on numerous conservative websites on Sunday, including Breitbart.tv and The Blaze.

During a question and answer session, **Gates implied that elderly patients undergoing expensive health care treatments should be killed and the money spent elsewhere.** Gates said there was a "lack of willingness" to consider the question of choosing between "spending a million dollars on that last three months of life for that patient" or laying off ten teachers.

"But that's called the death panel and you're not supposed to have that discussion," added Gates.

The Microsoft owner's advocacy for killing granny in the name of spending the money elsewhere strikes at the root of why so many Americans are outraged over Obamacare, **which contains as one of its core components a cost/benefit board which will be able to refuse care to elderly patients, proving that death panels will indeed come into force despite establishment media PR campaigns to convince the public otherwise.**

Although Americans will be subject to the whims of death panels, the federal government will "continue to require hospitals to provide emergency treatment to illegal immigrants at taxpayer expense," the New York Times reported.

Warning All Pregnant Women: Miscarriages From H1N1 Vaccine As High As 3,587 Cases September 21, 2010 by [Alex](#)

Prevent Disease.com

A [shocking report](#) from the National Coalition of Organized Women (NCOW) presented data from two different sources demonstrating that the 2009/10 H1N1 vaccines contributed to an estimated 1,588 miscarriages and stillbirths. A corrected estimate may be as high as 3,587 cases. NCOW also highlights the fact that the **CDC failed to inform their vaccine providers of the incoming data of the reports of suspected H1N1 vaccine related fetal demise.** NCOW collected the data from pregnant women (aged 17 to 45) that occurred after they were administered a 2009 A-H1N1 flu vaccine. The raw data is available on the [ProgressiveConvergence.com](#) website

Using the [Vaccine Adverse Event Reporting System](#) (VAERS), including updates through July 11, 2010 as a second ascertainment source, capture-recapture statistical methods were used to estimate the true number of miscarriages and stillbirths following A-H1N1 flu vaccination in the U.S. **Typically, even so-called "complete" studies conducted by the CDC have been shown to miss from 10% to 90% of the actual cases because of under-reporting. Overall, this approach show that approximately 15% of the occurrences of a miscarriage or stillbirth were actually reported.**

Pharma industry exposed as a monopolistic con game

(NaturalNews) For years, natural health proponents have been sounding the alarm about the dangers of new drugs being pushed on consumers. But is that a one-sided, inaccurate view? Not at all. In fact, new research now shows the problems with Big Pharma's hugely hyped medications are far worse than most people have even dreamed. **Independent reviewers found that about 85 percent of new drugs offer few if any new benefits -- but they carry the risk of causing serious harm to users.**

According to Donald Light, Ph.D., a professor of comparative [health](#) policy at the University of Medicine and Dentistry of New Jersey who authored the study, the [pharmaceutical industry](#) is a "market for lemons" and [Big Pharma spends a fortune to sell those lemons to the public.](#)

Dr. Light's paper, *Pharmaceuticals: A Two-Tier Market for Producing 'Lemons' and Serious Harm*, is an institutional analysis of the pharmaceutical industry and how it works. According to the new study, the big drug companies are successful in getting away with selling their "lemon" drugs because of three main reasons: Big Pharma is in charge of testing their own new drugs; the [pharmaceutical companies](#) have invested millions in building "firewalls" of legal protection to hide information about a drug's [dangers](#) or lack of effectiveness; and the bar for drug efficacy is set fairly low to make it easier for Big Pharma to get a new drug approved.

As Mike Adams recently reported in [NaturalNews](#), statin drugs are a prime example of the Big Pharma push to market drugs as safe and effective while glossing over the fact they often harm far more people than they help -- in the case of statins, causing everything from liver damage, acute kidney failure, and extreme muscle weakness to cataracts

Cholesterol Myths Debunked--See The Medical Research that the Pharmaceutical Industry Does not Want You To Know

Dear Reader:

Below I am posting a referenced excerpt from a prominent MD (Dr. Mercola) who has authored several articles helping one to navigate through the whole Cholesterol issue:

"Several meticulous critical reviews have shown up the shoddy premises and faulty reasoning behind the research which supposedly proves the **phony Lipid Hypothesis, the mistaken idea that dietary saturated fat and cholesterol somehow "clog" arteries and lead to heart disease** (3). Gary Taubes' recent article in *Science* also exposed the shenanigans behind the

United States' wholesale adoption of low-fat/cholesterol, mostly vegetarian diets (4). For readers who do not want to pour over scientific papers, they can log onto Dr. Ravnskov's website at <http://www.ravnskov.nu/cholesterol.htm> and read the salient points there. For readers wishing to dig a little deeper, they can get Dr. Ravnskov's book **The Cholesterol Myths**.

Below is Dr. Uffe Ravnskov's (author of "The Cholesterol Myth") research on Cholesterol:

The Cholesterol Myths

by [Uffe Ravnskov, MD, PhD](#)

The idea that too much animal fat and high cholesterol are dangerous to your heart and vessels is nothing but a myth. Here are some astonishing and frightening facts (see below)

If you think this is written by another internet crackpot, take a look at Dr. Ravnskov's [credentials](#) and the [reviews of his book](#).

Evidence from the new cholesterol-lowering trial PROSPER, that [statin treatment causes cancer](#)

[New Cholesterol Guidelines](#) for converting healthy people into patients

Read Dr. Ravnskov's thought-provoking paper ["High cholesterol may protect against infections and atherosclerosis"](#) recently published in Quarterly Journal of Medicine, or choose the popular-scientific version [The Benefits Of High Cholesterol](#), also available in [Danish](#), [Swedish](#) and [Italian](#)

Many well-known scientists agree with Dr Ravnskov.

Here are the facts! **Click on the blue arrows if you want the scientific evidence!**

[1](#) Cholesterol is not a deadly poison, but a substance vital to the cells of all mammals. There are no such things as good or bad cholesterol, but mental stress, physical activity and change of body weight may influence the level of blood cholesterol. A high cholesterol is not dangerous by itself, but may reflect an unhealthy condition, or it may be totally innocent.

[2](#) A high blood cholesterol is said to promote atherosclerosis and thus also coronary heart disease. But many studies have shown that people whose blood cholesterol is low become just as atherosclerotic as people whose cholesterol is high.

[3](#) Your body produces three to four times more cholesterol than you eat. The production of cholesterol increases when you eat little cholesterol and decreases when you eat much. This explains why the "prudent" diet cannot lower cholesterol more than on average a few per cent.

[4](#) There is no evidence that too much animal fat and cholesterol in the diet promotes atherosclerosis or heart attacks. For instance, more than twenty studies have shown that people who have had a heart attack haven't eaten more fat of any kind than other people, and degree of atherosclerosis at autopsy is unrelated with the diet.

[5](#) The only effective way to lower cholesterol is with drugs, but neither heart mortality or total mortality have been improved with drugs the effect of which is cholesterol-lowering only. On the contrary, these drugs are dangerous to your health and may shorten your life.

[6](#) The new cholesterol-lowering drugs, the statins, stimulate cancer in rodents, disturb the functions of the muscles (totally shut down CoQ10 production), the heart and the brain and pregnant women taking statins may give birth to children with malformations more severe than those seen after thalidomide.

[7](#) Many of these facts have been presented in scientific journals and books for decades but are rarely told to the public by the proponents of the diet-heart idea.

[8](#) The reason why laymen, doctors and most scientists have been misled is because opposing and disagreeing results are systematically ignored or misquoted in the scientific press.

Subject: [Chlorinated Water Warning](#)

Thank you Scott, I was just listening to your info on the whole flouride thing and the city water. I just wanted to mention that besides the drugs and whatever else they are putting in our water I thought I would mention that I can smell the Chlorine in the the bath water when my son takes a bath all the way out in my living room! I try to drink bottled water when I can. Just one more thing about City water. I used to date a guy that worked for the City of Los Angles dept of water and he would tell me NOT to drink the City water. He admittedly told me that they way over chlorinated the water knowingly!

Kelly

Comment: Yes chlorine is a whole other subject I have dealt with in the past but yes please go get a KDF shower filter as this will remove 99.9% of the chlorine and many other chemicals.

Chlorinated Water. We are at risk in two ways regarding this problem. 1) Ingesting chlorinated water and 2) Showering or swimming in chlorinated water. You see it is a proven fact that when chlorine reacts with fats in the blood stream it causes plauqing of the arteries (arteriosclerosis). This in turn sets us up for heart attacks and strokes. This has been verified by many medical studies. I am going to publish some quotes below regarding this subject: **"Chlorine is the greatestcrippler and killer in modern times. While it prevented epidemics of one disease, it was creating another. After the start of chlorinating our drinking water in 1904. The present epidemic of heart trouble, cancer and senility began."**

Dr. J.M. Price M.D./Saginaw Hospital

"Cancer risk among people drinking chlorinated water is 93% higher than those whose water does not contain chlorine."

U.S. Council of Environmental Quality

"A professor of water chemistry at the University of Pittsburgh claims that exposure to vaporized chemicals in the water supplies through showering, bathing and inhalation is **100 times greater through drinking the water."**

[The Nader Report- Troubled Waters on Tap](#)

Center for Study of Responsive Law

Chlorine was despicably used during World War I. When the war was over, the use of chlorine was diverted to poisoning germs in our drinking water. All water supplies throughout the country were chlorinated. **The combination of chlorine (when in drinking water) and fats results in arteriosclerosis, heart attacks and death.**

[Water can Undermine Your Health](#)

Dr. N.W. Walker, D.S.

Dr. Johnson's Comment: To address this issue I recommend you do two things. 1) Only drink purified water (preferably carbon filtered reverse osmosis water, Ecolobue, Berkey (see below). 2) Get a filter for your shower head or better yet get a whole house filter to get the Chlorine out. In the process you will also be removing many other toxic

chemicals. If you have a swimming pool it is a little more complicated but it can be done. Do an internet key word search for: "non-chlorinated swimming pool alternatives".

The Imperial Berkey Water Filtration System

This water filter is the old man on the block with a history dating back to the early 1800's. The British Berkefeld Water Filter system is designed to purify tap or well water of unwanted chemicals and contaminants, and for use in situations where a reliable supply of treated drinking water is unavailable (i.e. camping, hurricane devastated areas, third world countries, domestic terrorism on water supply, etc...).

The Berkey Filter is capable of processing creek, pond, lake or river water and within a short time, you can enjoy some of the cleanest and safest water on the planet. How? The pore structure of the ceramic filter is designed to remove very fine particles and bacteria. The gravity feed system also works when water pressure is too low for other filters.

The Super Sterasyl Water filters used in the Berkey Filtration system reduces up to 99.99% of particulates, cysts, parasites and pathogenic bacteria including but not limited to E. Coli, Cryptosporidium, Giardia and Salmonella Typhi. Additionally, these water filters will reduce **chlorine**, rust, sediment and organic chemicals. With nominal particulate filtration rating efficiencies of:

The Berkey Filter is one of the most powerful water filter systems on the market. The durable ceramic water filters can be cleaned over and over with a soft brush or Scotch Brite pad and the filter media in this product contains an effective antimicrobial agent. Each filter element will provide efficient pathogenic filtration up to 2000 gallons depending on water quality. Detailed easy to assemble and operating instructions are included.

Replacement or Additional Super Sterasyl Ceramic Water Filters can be purchased separately for: \$48.00 ea. (The Imperial Berkey requires 6) Six Pack \$288.00

To remove MTBE, **Fluoride**, Lead, Arsenic, DBCP, THMs, Herbicides, Pesticides & Heavy Metal Ions **add on the Berkey PF-4 Reduction Element Filter**. Set of 6 is \$132. This is not required to use the Berkey. The 4 standard Super Sterasyl filters that come with the Big Berkey do a great job cleaning most water. The PF-4 filter is for areas where chemicals are much higher or for health conscious consumers who want all of these contaminants out of their water. <http://www.healthtruthrevealed.com/item-00059.html>

Gender bender chemical atrazine widely contaminates U.S. public water supply

David Gutierrez--[NaturalNews](#)--September 7, 2010--Emerging research increasingly indicates that the U.S. water supply is widely contaminated with the endocrine disrupting chemical atrazine, but that the Environmental Protection Agency (EPA) is taking almost no action on the threat. This has led to a situation where citizens are not only unaware that their water is contaminated, they are never told that an inexpensive home filter could remove the toxin from their water

Atrazine is an herbicide widely sprayed on corn fields in the Midwest, and one of the most widely detected groundwater contaminants in the country. According to an analysis of state and federal records by the *Chicago Tribune*, atrazine has been detected in the [drinking](#) water of a million people in 60 [Illinois](#) communities over the past four years.
