**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**Scott Johnson's Response:**

The first video is a deluded devil accusing Israel of War Crimes in Gaza for defending herself and that all Americans (especially Christians) have the Muslims blood all over our hands.

The second video is of a surgical strike by an Israeli fighter jet in Gaza.

You said: "We are guilty as we do nothing"???? What does that mean? Does Israel have a right to defend herself against the thousands of terrorist attacks and of rockets targeted at her from Muslims, going back decades??? Evidentially you believe that Israel has no right to self defense and that she should lay down her arms and just let the Muslims totally annihilate them which is exactly what would happened if they did this. Would this make you happy????!!!! I am really starting to think it would as for Israel to accommodate your wishes it would be a total death sentence for all her people, this is a fact as the Islamic Koran demands total annihilation of the Israelites and the radical Muslims are totally and increasingly devoted to this goal!!! Has she not given enough land for peace? Because that has worked out wonderfully for Israel!!! In the second video you are seeing the end result of Israel defending herself from Muslim terrorists. Israel does not indiscriminately bomb Muslims, these are surgical strikes, but the Muslim terrorists are such cowards they launch their rockets from civilian areas so when Israel retaliates they have no choice but to take out these targets and the Muslims make sure those areas are loaded with woman and children using them as "human shields" & the Muslims admit to this as I have documented over and over again in my teachings!!!; which then gives the Muslims the propaganda like the video you posted above to show the whole world how evil Israel is and how defenseless and wonderful the Muslims are. Please try to refute the attachment to this email and check out the very recent links below debunking your theory and videos:

**Look what I found in the bus. Can you imagine how many children see this everyday? And they wonder why children are so out of control and disrespectful.**

The atheist activist community in America has taken an increasingly-active role **in trying to convince citizens with doubts about their faith to fully evolve into non-believers and to “come out,” publicly proclaiming their anti-theism.** Think of it as a form of secular evangelism. **Already, non-believers have attempted to reach clergy who are in doubt through The Clergy Project. Additionally, there’s a humanist church service each week in Tulsa, Oklahoma (and these are only two examples). Now, in addition to reaching adults, atheist activists have their eyes set on converting kids and teens.**

The American Humanist Association (AHA), a group that seeks to **create “a progressive society where being good without gods” is widely accepted, has launched a new outreach web site called KidsWithoutGod.com.** According to a press release put out by the organization, the project’s key intention is to attract “humanist, atheist and other non-traditionally religious kids” so that they can find information that is not colored by “supernaturalism.”

A screen shot of some of the AHA's ads for KidsWithoutGod.com

Among the educational topics that the web site touts, according to the release, are: **religion in public schools, science, sexuality and discrimination**, among others. **One video on the children's portal shows scientist Bill Nye describing evolution, for example**. Considering that both children and teens are being reached through the project, there are two separate web portals designed for these two groups (each is accessible through [KidsWithoutGod.com](http://KidsWithoutGod.com)). "With the plethora of websites geared toward teaching kids about Christianity, Judaism, or Islam, **we're pleased to add humanism to the discussion**," Speckhardt continued. **"Kids should know there's another way to learn about morals and values — it doesn't need to come from traditional religion."**

**Mat 18:6 But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and [that] he were drowned in the depth of the sea.**

**Mat 18:7 Woe unto the world because of offences! for it must needs be that offences come; but woe to that man by whom the offence cometh!**

**Mat 18:10 Take heed that ye despise not one of these little ones; for I say unto you, That in heaven their angels do always behold the face of my Father which is in heaven.**

**Eze 3:20 Again, When a righteous [man] doth turn from his righteousness, and commit iniquity, and I lay a stumblingblock before him, he shall die:**

A screen shot of the children's portal on KidsWithoutGod.com

In an effort to get the Satanic word out, the AHA **is spending \$30,000 on an advertising campaign on 140 buses in the Washington, D.C. area. In addition to these placements, there will be Internet ads on Pandora, Facebook, Google, YouTube and other outlets** <http://www.theblaze.com/stories/kids-without-god-atheist-activists-launch-shocking-web-site-to-convert-kids-teens-into-non-believers/>

### **AN ABORTION-HOMICIDE PROMOTER**

As an employee for many years of the late George Tiller, **Julie Burkart has been instrumental in the homicide/slaughter of thousands of innocent babies.** Now she wants to do it again! Join us in protesting abortion promoter Julie Burkart who seeks to take the lives of precious children in Wichita again.

**Julie Burkart lives at 161 S. Belmont, Wichita, Kansas, 67218**

This last Saturday, 13 saints of the Lord paid an outreach visit to Julie Burkhart's neighborhood. This is a picture of some of us in front of Burkhart's home. Notice the wonderful sign she had on her house to welcome us: "The U.S.A stands for freedom. God bless America." Amazing how freedom can be so selective and in this case homicidal.

**Comment: Yes this devils freedom to murder innocent babies but the poor little babies have no freedom to protest their slaughter!! What about the babies right to life!!!!**

We also passed out 200 flyers to her neighbors and held signs in front of her house and on the busy street 1 block away. Her neighborhood association sent out an email to all the neighborhood residents that we were coming. Hallelujah!

Also present were 2 police cars, 1 police patty wagon, and an FBI (we think). Blessings. Pastor Mark Holick

**Massacre of Innocence – The Occult Roots of Abortion**  
**November 18th, 2007 by Dr. Scott Johnson |**

In this teaching we will be looking at the occult roots of abortion (aborticide) with little known historical facts about abortion and how they relate to witchcraft & modern day feminism. Patricia Baird-Windle, Founder and owner of Aware Woman Center for Choice (AKA: abortion clinics) was quoted saying: 'You practice your religion and let me practice mine.' My religion is a holy ritual child sacrifice' On August 4, 1992, two employees of Aware Woman abortion clinic, Veronica Jordan and Rebecca Morris, registered a non-profit religious corporation known as the Wiccan Religious Cooperative of Florida (WRCF). The stated purpose of the WRCF is to provide an umbrella organization for witch covens throughout the state of Florida. The incorporation papers list the two abortion clinic employees as directors of the Wiccan organization. Shortly after the Wiccan Religious Cooperative of Florida was founded, Carol Ebbing, another Aware Woman abortion clinic employee procured the book entitled: "The Sacrament of Abortion" by a Ginnette Paris, a witch in France, who presents abortion as 'a sacred act' & 'A sacrifice to Artemis". In this teaching we will also endeavor to show you how the struggle against this horrific act is primarily a spiritual one. Throughout history, certain

pagan cultures have sacrificed human infants to satanic deities as a part of a complicated ritual in return for favors asked of them. While few of those involved in abortion today are consciously engaging in child sacrifice, **that is precisely what abortion is: The sacrifice of a human life on the alter of convenience & to the god of self.**

Norway is now officially "Judenrein" -- free of Jews. The oppressive Nazi Wolf is back -- supported by waves of Islamic immigrants!

NEWS BRIEF: **"Western Europe will soon be "Judenrein" - Norway now is. God have mercy!"**, Israel-America News, 88/2012

**"In a few weeks Norway will be 'Judenrein'. The last 819 Jews still living in Norway are now leaving the country due to the rise in antisemitism ... Thus Norway becomes the first European country in which Jews will no longer live. A similar development can be observed in all the European countries."**

**How did this development come about? Jews are being attacked daily all throughout Western Europe. Some countries, like Norway, have actually taken action to force the Jews out -- echoes of Adolf**

**Hitler can be heard loudly.**

"Anne Sender, the head of the Jewish community in Norway, once said: 'Many immigrants brought antisemitism from their countries. **The shame is in that nobody speaks out against them**'. The waves of Muslim immigrants bring antisemitism back to Europe. A similar development is taking place in the neighboring country, Sweden, and in all the European countries."

**Some Muslims and European leaders are willing to become quite bold in their demand that all Jews leave.**

**"Dutch politicians from the Social Democratic circles marched together with the Muslims who called for the construction of gas chambers in order to burn the Jews. In the German-speaking countries this is not reported in the press. The German journalists think that the Muslims are decent people who have no connection whatsoever to the extreme right. With this approach, journalists are helping to drive the Jews away from Europe. They suppress the nightmare of the Islamic immigration."**

**As the world spins toward the appearance of Antichrist, the force of the old Nazi Wolf is back!**

Truly, we stand at the precipice of God's Judgment! The Antichrist will bring upon the Jewish people an unprecedented level of persecution and holocaust. Jews will be encouraged to flee to Israel and many will do just that.

**What these Jews do not realize is that the Illuminati is thinking as they encourage these Jews to migrate to Israel, that it will be far easier to kill all Jews if they were concentrated into one tiny country rather than to be spread over all the world. But, God is still on His throne.**

**While the enemies of the Israelites plot to lure them all to Israel so they will be located in a small area, God is planning to preserve one-third of the Jews.**

**Zec 13:8 And it shall come to pass, [that] in all the land, saith the LORD, two parts therein shall be cut off [and] die; but the third shall be left therein.**

**Zec 13:9 And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It [is] my people: and they shall say, The LORD [is] my God.**

**Do not be confused with the current Illuminati leadership of Israel versus the Israel which shall exist when Jesus returns. And, do not be confused by the reality that God allowed Satan's forces to establish Israel. God was preparing Israel for her coming 7-Year Tribulation judgment ever since the Rothschild Family supported and funded the first Zionist Conference in Switzerland in 1897. At every step along the way since then, God has been setting up Israel for her coming judgment, so that, when Jesus returns, He returns to a believing Israel.**

In the meantime, Europe does not realize her danger of physical judgment at the hand of God. **God's warning is plain to all European rulers! but, in spiritual blindness and deafness they will not turn or change, but will continue on their path of ancient hatred toward the Israelites until God's judgment falls on them during the seven-year reign of Antichrist.**

**Big Brother New World Order government is in full view in Ireland, where voters have granted their government sweeping powers to seize children from their parents. United Nations mandates are being implemented.**

NEWS BRIEF: "[Irish Vote to Give State Nearly Unbridled Power to Seize Children](#)", The New American, November 11, 2012

**"The Irish approved an amendment to their national constitution on Saturday that will bring it into compliance with mandates of the United Nations that govern the state's seizure of children.** The margin was 57 percent to 43 percent."

**Ok, now I understand, the United Nations has mandated that the state be given power to seize children from their parents! The United Nations was established, in 1945 as the infant global government which one day will be ruled by Antichrist.**

**Their votes, their plans and their hatred toward righteousness are all reflective of their deep and abiding hatred of Christianity. Like Communist governments over the years, the United Nations considers children to belong to them, not to their parents. If the parents are Christian, or hold to Christian values, the U.N. believes they have the right to seize them away from their home.** We are just seeing the practical outworking of this belief in Ireland.

"The Alliance of Parents against the State campaigned against passage of the referendum on the measure, which APS says **will diminish the rights of parents and give the Irish government nearly unbridled power to seize children. Even worse, APS charges, Irish law will come under the control of the United Nations** ... The amendment's key words that pertain to the power the state are "best interests" — meaning the "best interests" of the child. Supposedly the state must always keep the "best interests" of a child uppermost in its decision to seize him. Problem is, APS says, the state determines what those 'best interests' are." Everyone wants to ensure that young children must have someone in authority looking out for "their best interests". The problem comes when the state authority is blatantly antichristian and is looking for an excuse to intervene in the home.

In Massachusetts, in 1986, my wife and I ran into the buzz saw of the state Department of Children's Services when we adopted two girls. Without warning, we discovered we were being investigated for possible child abuse. Three of the charges were:

- 1) We were charged with forcing our children to bow their heads while we prayed before meals.**
- 2) We forced our children to listen to family Bible study.,**
- 3) We forced our children to go to church**

To get the state off our back, I had to appeal to my congressman. Finally, when Children's Services received a phone call from the secretary to the congressman, they dropped the

charges. Soon, people all over the world will be under similar duress if they do not raise their children exactly as the United Nations want them raised.

The U.N.'s view of the child mirrors the view of Communism, where children ultimately belong to the state and can be taken away from their biological parents by any excuse whatsoever.

This is the future of the family in the coming global dictatorship known as the New World Order, the Kingdom of Antichrist.

### The U.N., Lucis Trust, World Goodwill, Earth Charter, Maitreya

March 16th, 2008 by Dr. Scott Johnson |

The Lucis Trust is the Publishing House which prints and disseminates United Nations material. It is a devastating indictment of the New Age and Pagan nature of the UN. Lucis Trust was established in 1922 as Lucifer Trust by Alice Bailey as the publishing company to disseminate the books of Bailey and Blavatsky and the Theosophical Society. The title page of Alice Bailey's book, 'Initiation, Human and Solar' was originally printed in 1922, and clearly shows the publishing house as 'Lucifer Publishing CoIn 1923.' **Bailey changed the name to Lucis Trust, because Lucifer Trust revealed the true nature of the New Age Movement too clearly.** At one time, the Lucis Trust office in New York was located at 666 United Nations Plaza and is a member of the Economic and Social Council of the United Nations under a slick program called 'World Goodwill'. To this end, the Lucis Trust started 'World Goodwill' – an official non-governmental organization within the United Nations. The stated aim of this group is: 'to cooperate in the world of preparation for the reappearance of the Christ'. They go on to say: "Today the reappearance of the World Teacher, the Christ, is expected by millions, not only by those of Christian faith but by those of every faith who expect the Avatar under other names — the **Lord Maitreya, Krishna, Messiah, Imam Mahdi and the Bodhisattva**. We will also be taking and extensive look at the "UN Meditation Room" and the "Earth Charter" and the blasphemous "Ark of Hope".

**Subject:** **Listener Questions Regarding the Satanic Agneda of Ghosts, Hauntings, Mediums, Shamans and Catholic Exorcisms**

I just watched a show called "A Haunting" (as a warrior I like watching shows about spiritual battle) and in this episode a demonic spirit is defeated (banned from tormenting a family) through a combination of spiritual tools not all from Christianity (prayer to "God" - not Jesus; salt; burning sage; etc). I realize that all or most false religions can cast out demons and the "power of faith" in itself can do miracles (even faith that is NOT focused on Jesus).

I wonder why this is so? I wonder why, at times, the demons and fallen ones have to obey faith and spirituals tools that are NOT Christ-centered? Especially when you consider the "Seven sons of whatever that New Testament guy's name was - who tried to use Jesus name and got their butts kicked by a devil).

I have always thought it was strange that Catholic exorcists do indeed exorcise demons through using stuff like holy water, specific prayers (calling on Michael?), etc yet the Catholic church is such a cult.

I guess the end-meaning is that just the act and success of casting out demons does not necessarily equate to true Christianity ("many will come to me on that day and say 'Lord, Lord, didn't I do this and that in your name' and I will reply "I never knew you")

If you can speak into this I would love to get your input.

...Jeff

**501c3 Corporate Church of America Warning**

This is a subject that the vast majority pastors **don't** preach about & are completely silent on. They typically have the time to prepare for sermons, read tons of websites, books, commentaries, but say this subject is a waste of their time. And they won't have true religious freedom until they cut their license totally from the government IRS world system.

**Exd 23:32 Thou shalt make no covenant with them nor with their gods.**

**Comment: This is in regards to making covenants with the heathen, which would be an accurate description of our secular, Godless, pro-homosexual, pro-abortion government.**

**2Cr 6:14 Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?**

**2Cr 6:15 And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?**

**Do churches need to Incorporate? No, not at any time ever!**

What does the Bible say?

**"...for where no law is, [there is] no transgression." Romans 4:15**

What does the constitution say? **Amendment I--Freedoms, Petitions, Assembly**

**"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press, or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."**

Is the 1st amendment Biblical? Absolutely!

**REMEMBER! God does not give us the liberty to do wrong or evil.**

The churches say they are staying in for reasons such as: Legal, Practical, Logical; but the Biblical reasons trump those & because there is "no law" commanding churches to ever do so. **One main reason they stay in is so their parishioners can write off their giving on their income taxes but the Bible says:**

**Mat 6:3 But when thou doest alms, let not thy left hand know what thy right hand doeth:**

**Mat 6:4 That thine alms may be in secret: and thy Father which seeth in secret himself shall reward thee openly.**

**Another reason is many of the 501c3 churches receive monetary subsidies from the US government**

**1Tim. 6:10 For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.**

**Another reason is they fear being ostracized by other churches or repercussions from the government if they do not fall in line with the 99+% of churches that are 501c3 corporations.**

**Pro 29:25 The fear of man bringeth a snare: but whoso putteth his trust in the LORD shall be safe.**

**Josh. 24:15 And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve...but as for me and my house, we will serve the LORD.**

**During the reign of Adolf Hitler, three prominent Protestant theologians were dramatically successful in convincing German Protestants to cooperate with Hitler and his genocide of 18 million 'Devalued People'. The Illuminati here in America is using this same tactic, and will most assuredly get the same cooperative response, **from the 501c3 corporate churches (who were given their very right to exist via the government/IRS) who are not versed properly in the true meaning of Romans 13 to know when they are being deceived. Most likely much of the reason genuine Christians will be turned in to the****

government is because church leaders (unquestionably submissive to the government) will turn them in. If you are a genuine Christian pastor, are you prepared for officers of Homeland Security to enter your sanctuary, to sit down on your front row — dressed in intimidating official clothing — and to listen to your sermon and your announcements? Are you prepared to have them arrest you after the service for not adhering to official government guidelines as to what you can and cannot say? Pastors need to remember the era in which they are living, and not succumb to the temporary political and religious pressure from your Illuminist government, but keep their minds focused on the eternal. This teaching will be going over an excellent write-up that Dr. Greg Dixon recently authored entitled: “Caesar Calls in The Chips”. A slightly modified excerpt from this article reads: Pastor Mark Holick and Evangelist Bill Keller are bold as lions... even though their actions may fall into the “zeal without knowledge” category. Both find themselves in a running battle with the Internal Revenue Service over the content of their sermons and the direction that they believe God is leading them to conduct their ministries. **While these men plead for their first amendment rights they voluntarily left that protection when they accepted the 501c3 tax exempt status for their churches.** Now they want to run back under the umbrella of the First Amendment, but you cannot have it both ways. When Caesar calls in the chips (for the big 501c3 poker game that the church entered years ago) it will be a shock to most churches as they were thinking that they could play and never have to pay.

The L.A. Times has just reported that local ministers **are being asked to spread the word about the upcoming digital TV switch.**

See [Scott Johnson’s Teaching: Digital TV, HAARP, GWEN, Silent Sound & Mind Control Technologies](#)

Standing in the pulpit of Mount Moriah Baptist Church in South Los Angeles **FCC Commissioner** Jonathan S. Adelstein asked the Baptist Ministries Conference of Los Angeles (nearly 50 African American preachers) to include information on the June 12 digital TV switch in their sermons. Woodie Ramsey, a deacon at Southern Missionary Baptist Church of South East Los Angeles, said the ministers were prepared to spread the word: “It’s incumbent upon each church to take care of the needs of its ministry, and this is just one more need for our people,” he said. “We’ll do our part.”

**Meanwhile “The Worldwide Church of God” has refused to divulge how many of its pastors are now on the FEMA payroll, after a member expressed concerns about religious leaders being used to condition their congregation to accept the declaration of martial law. In a May 2006 a story first broke (& has since been confirmed) the shocking news that FEMA was training pastors and other religious representatives to become secret police enforcers who teach their congregations to obey the government in preparation for a declaration of martial law, property and firearm seizures, and forced relocation.**

A KSLA news report confirmed that 'Clergy Response Teams' are being trained by the federal government to quell dissent and pacify citizens to obey the government in the event of a declaration of martial law.

We will also be covering many more topics that relate to this subject.

...We will then take a comprehensive look at the state of America and its churches to confirm why this nation has fallen into such depravity. **To this end will then be documenting how the 501-c-3 Churches in the US are now part of Homeland Security according to legislation enacted on 3/7/06, signed by Pres. Bush; & the secret FEMA plan to use pastors of 501-c-3 churches as pacifiers (to their congregations) in preparations for Martial Law (which will be the lynch pin in the US for seizure of guns, property, forced inoculations, forced relocation/imprisonment, etc.). We will then look at the 30 ways that the IRS tries to control preachers and churches in America via their 501-c-3 tax-exempt, corporate status granted to them by the government.** We will end by reviewing a recent article entitled "Christians duty to know how donations are used."
