**Subject:** **Pope Resigns & the Malachy Prophecy**

Dr. Johnson,...You mentioned near the end that you might not do a program next week. May I suggest that there is an urgent need for one, even if brief and limited to a single sound clip which would be adequate. I say this because emails I have received as well as internet chatter are disturbing in that with the resignation of Benedict XVI, people are bandying the Malachy prophecy about the way they did with the December 21 2012 end of the Mayan calendar non event, and the Malachy prophecy risks becoming the 2013 equivalent as increasingly frustrated and despairing people seek an apocalyptic way out of their situation.

Actually it would be great if Malachy were correct as he only predicted the end of popery and of Rome, not the end of the world. People in numbers are equating the history of a ...pagan-Christian surviving element of the Roman empire with the fate of the world.

At any rate, I think that people need a wake up call on this. The time is right because many will be forced to remember with embarrassment how they were drawn into the Mayan scenario in spite of being professing Christians. Meanwhile, if this is going to be the last pope, I will start chilling the champagne now.

Sincerely,

RB

**Tom Horn, Cris Putnam & Raiders News Network are at it again: Promoting the Catholic Death Cult and its "Prophets" as an "End Time" Source of Truth**

**Below are reports directly off Horns' Website:**

**The Header to his website currently reads:**

**MAJOR MEDIA ASK HORN & PUTNAM TO EXPLAIN WHAT BENEDICT'S RESIGNATION MEANS?**

**"And now we know Pope Benedict secretly resigned in 2012, right when Tom Horn and Cris Putnam said he would in their book *Petrus Romanus*. And this classified fact was held in strict confidence at the Vatican, which "no one could violate [NY Times 2/11/13]." The question is, how did they know what was impossible to learn?"**

**Watch Video Below -- And Get The Book That Predicted It All!**

**Then it shows this video--Watch:**

**[http://www.youtube.com/watch?feature=player\\_embedded&v=w8P4OIIWcU4](http://www.youtube.com/watch?feature=player_embedded&v=w8P4OIIWcU4)**

Although a Roman Catholic pope had not stepped down in nearly 600 years, the startling resignation of Pope Benedict XVI was predicted by the co-authors of a book published last spring about a medieval prophecy that the next pontiff will be the last. In "Petrus Romanus: The Final Pope is Here," co-authors Tom Horn and Cris Putnam **examine St. Malachy's "Prophecy of the Popes," said to be based on his prophetic vision of the next 112 popes,** beginning with Pope Celestine II, who died in 1144. Malachy presented a description of each pope, culminating with the "final pope," **"Peter the Roman," whose reign would end with the destruction of Rome and judgment.**

*Benedictine Arnold de Wyon in 1595 was the author of the Prophecy of Popes but his writing claims that Saint Malachy, a 12th-century Archbishop of Armagh was the actual composer.*

*The Prophecy is very accurate before 1590 **but far less accurate afterward,** leading some to decide that the Prophecies were composed and released around that time period.*

**Deu 18:20 But the prophet, which shall presume to speak a word in my name, which I have not commanded him to speak, or that shall speak in the name of other gods, even that prophet shall die.**

**Deu 18:21 And if thou say in thine heart, How shall we know the word which the LORD hath not spoken?**

**Deu 18:22 When a prophet speaketh in the name of the LORD, if the thing follow not, nor come to pass, that [is] the thing which the LORD hath not spoken, [but] the prophet hath spoken it presumptuously: thou shalt not be afraid of him.**

Now from Tom Horn's **PETRUS ROMANUS (Pt 2) we read:** After studying the history of the prophecy of the popes and the surrounding scholarly literature, we have some good news and some bad news. What's that? **You want the bad news first? Sure, no problem, let's get this unpleasantness out of the way.**

**The bad news is that part of the prophecy may be a forgery which was fabricated around 1590. We say forgery meaning that over half of the prophecies, the first seventy or so predictions, are vaticinia ex eventu (Meaning: prophecy from the event). It seems someone irrevocably altered the original medieval document and the original is either hidden away or lost to history. The exciting news** is that the prophecy of the popes, **although tainted, is still a genuine prophecy.** Despite the superficial insincerity detectable in the first section of "prophecies," the post publication predictions **show astonishing fulfillments.** We have no critical analysis to explain away the **sometimes jaw-dropping, post-1595 fulfillments.** Indeed, we are currently at 111 out of 112 and **believers argue they seem to have increased in precision over time.**

<http://www.raidersnewsupdate.com/petrus-two.htm>

**Comment: Until Satan is cast out of heaven bringing on the start of the great tribulation which is in the near future he has access to heaven. See:**

**Rev 12:7 And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels,**

Rev 12:8 And prevailed not; neither was their place found any more in heaven.

Rev 12:9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

Job 1:6 Now there was a day when the sons of God came to present themselves before the LORD, and Satan came also among them.

Job 1:7 And the LORD said unto Satan, Whence comest thou? Then Satan answered the LORD, and said, From going to and fro in the earth, and from walking up and down in it.

So Satan has access to heaven. Heaven, Father God and the Lord Jesus Christ are not subject to time. They exist outside of time. They most likely created time for the sake of man. They know the beginning from the end. They know the Book of Revelation is fact and will be fulfilled precisely and so does the devil. They can look in on any point of time (past, present and future) and most likely the devil and his fallen angels have some type of similar access as well. If Satan really thought he was going to win why does the bible say:

Rev 12:12 Therefore rejoice, [ye] heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.

So if Satan has foreknowledge of past, present and future events, then he can impart this foreknowledge to his unholy prophets as he sees fit. This is how unholy prophets like Malachy and Nostradamus get their prophetic powers; which are really no different than a witch scrying a crystal ball, reading tea leaves or tarot cards or communicating with demonic spirits to gain foreknowledge.

His videos and radio interviews have been downloaded hundreds of thousands of times. He has been interviewed by United States Congressmen and Senators on his findings. Top media around the world have repeatedly turned to him as an authority on future events. Shouldn't you pay attention when Dr. Thomas R. Horn says the new book Petrus Romanus is *"Without question the most important research in our lifetime. For anybody who really cares about their future, the time has come to listen up."*

### Pope Benedict Steps Down & Rene Thibaut's 2012 Prediction Redeemed

Back in April of 2012, **Tom Horn and I** revealed the **obscure work of a Belgian**

**Jesuit Catholic** who predicted the final pope in April of 2012 based on a 900 year old prophecy by **St. Malachy**. I put all of his work on a spread sheet and calculated it all down to the days. See [original post](#).

Consequently, we were a little disappointed when it seemed like Rene Thibaut was mistaken. **As it turns out, he was far more correct than anyone ever knew!** In fact Benedict resigned defacto in March 2012. According to the NY Times: That the resignation was long in the planning was confirmed by Giovanni Maria Vian, the editor of the Vatican newspaper, who wrote on Monday that the pope's decision "was taken many months ago," after his trip to Mexico and Cuba in March 2012, "and kept with a reserve that no one could violate."

One thought each of these papal contenders may want to consider is that how many Catholics believe the **sixteenth-century seer Nostradamus** was actually the author of "The Prophecy of the Popes." If that is so, a point made by **the National Catholic Reporter** earlier in this series (concerning the popular West African Cardinal Peter Turkson) being **"young"** in terms of electability at age sixty-three may have a way of coming back around to Nostradamus' prediction. **The "dark horse" candidate Turkson—and his ideas for a one-world financial and political authority housed in the United Nations—could become a remarkable and unexpected fulfillment of both the Prophecy of the Popes and Nostradamus's prediction of an end-times "young black pope" who seizes control of the Roman Hierarchy with the assistance of conspirators during times of darkness and war.** In Quatrain 6.25 Nostradamus wrote: *Through Mars adverse [a time of war] will be the monarchy . Of the great fisherman [the pope] in trouble ruinous. A **young** black red [a young black Cardinal] will seize the hierarchy.*

This was the moment lightning struck the Vatican today - **hours after Pope Benedict XVI's bolt-from-the-blue resignation.** The lightning touched the dome of St. Peter's Basilica, **one of the holiest Catholic churches**, after the Pope's shock admission he lacks strength to do the job. The Vatican stressed that no specific medical condition prompted Benedict's decision to quit - the first pontiff to do so in 600 years.

**[Anglicans seeking full communion with Rome: We Are In a Particular Way Spiritual Children of Benedict XVI](#)**

February 12, 2013 ([Zenit.org](#))

**Secular and religious commentators of every kind are busy reminiscing about the legacy of Benedict XVI, after Monday's stunning announcement that he will step down from the Unholy See of Peter at the end of this month. The leader of the Personal Ordinariate of the Chair of St. Peter suggests that one of the key pieces of this legacy is the Pope's work to reconcile Anglicans with the Church.**

**In a statement Monday, Monsignor Jeffrey Steenson said this reconciliation was one of the Pope's "principal tasks," both as Pontiff, and beforehand, as prefect of the Congregation for the Doctrine of the Faith.**

**"We members of the Ordinariate are in a particular way the spiritual children of His unHoliness Pope Benedict XVI," he said.**

**Monsignor Steenson, who directs the second of three ordinariates thus far established for Anglicans seeking full communion with Rome, said that hearts are saddened with the news of the resignation, "but there is a deeper joy knowing that we are the fruit of his vision for Catholic unity."**

**"And we will pray and work diligently so that his labors in the vineyard might continue to bring forth a fruitful harvest," Monsignor Steenson added.**

**[Pope accused of crimes against humanity by victims of sex abuse guardian.co.uk](#) Tuesday 13 September 2011**

Victims of sexual abuse by Catholic priests have accused the pope, the Vatican secretary of state and two other high-ranking unHoly See officials of crimes against humanity, in a formal complaint to the international criminal court (ICC). The submission, lodged at The Hague on Tuesday, accuses the four men not only of failing to prevent or punish perpetrators of rape and sexual violence but also of engaging in the "systematic and widespread" practice of concealing sexual crimes around the world.

It includes individual cases of abuse where letters and documents between Vatican officials and others show a refusal to co-operate with law enforcement agencies seeking to pursue suspects, according to the Centre for Constitutional Rights (CCR), a US-based organisation that represents the claimants.

Pam Spees, human rights attorney with CCR, said: "...whistleblowers are punished, the refusal of the Vatican to co-operate with law enforcement agencies. You see the protection of priests and leaving them in the ministry and because of these decisions other children are raped and sexually assaulted."

She said: "It's not only the facts of the abuse but the way that the church deepened the harm in sometimes irreparable ways."

According to the document filed by CCR, the pope, as head of the Catholic church, is ultimately responsible for the sexual abuse of children by priests and for the cover-ups of that abuse. The group argues that he and others have "direct and superior responsibility" for the crimes of those ranked below them, similar to a military chain of command.

**14 February, 2013**

**Al Presidente della Repubblica Italiana**

**Giorgio Napolitano**

Presidenza della Repubblica  
c/o Palazzo del Quirinale  
00187 Roma  
Italia

Dear President Napolitano,

On behalf of our Tribunal and people of conscience everywhere, and of the **millions of victims of church abuse**, I am making an appeal to you regarding your upcoming meeting with Joseph Ratzinger, who will retire soon as Pope Benedict, the Pontiff of the Church of Rome.

Our understanding is that, **in the wake of pressure to have him resign his office because of his proven complicity in concealing child trafficking in his church and other crimes against humanity**, Joseph Ratzinger is seeking the assistance of the Italian government in securing protection and immunity from legal prosecution. I need not remind you, Mr. President, **that under international law and treaties that have been ratified by Italy, you and your government are forbidden from granting such protection to those like Joseph Ratzinger who have aided and abetted criminal actions, such as ordering Bishops and Cardinals in America and elsewhere to protect known child rapists among their clergy.**

Your obligation to the Vatican through the Lateran Treaties **does not negate or nullify the requirements of these higher moral and international laws; nor does it require that you give any protection or immunity to a single individual like Joseph Ratzinger, especially after he has left his papal office.**

The need for you to abide by international law and not be seen to collude with Joseph Ratzinger is even more true **when one considers the enormity of the crimes of which the Vatican and its highest officials are clearly guilty**, according to considerable evidence gathered and documented by our Tribunal and other groups, and acknowledged by many governments.

**In Canada alone, the Roman Catholic Church and its Vatican agents have been found guilty of responsibility for genocide and the deaths of at least 50,000 aboriginal child children in the Jesuit-initiated Indian residential school system, that operated until 1996.**

**In Ireland, more than 10,000 women suffered and were exploited in the Catholic-run Magdalene Laundries, where many of them died.**

**The Horrific Story of a Roman Catholic Cloistered Nun—Sister Charletta and The Black Veil**

**December 3rd, 2011**

The testimony of "Sister Charlotte" is disturbing and shocking, **but provides important insights into the worst of convent life as well as the dynamics of Romanism**. It testifies with others such as "*Maria Monk*" and "*The Martyr in Black—The Life Story of Sister Justina*" as well as the testimonies of former priests such as Chiniquy (*The Priest, the Woman and the Confessional*), Fresenborg (*Thirty Years in Hell*), and Hogan (*Auricular Confession and Popish Nunneries*). Sis. Charlotte's testimony seems incredible but only because most people do not know the history of the Catholic religion. This testimony was taken from a cassette tape recording of Sister Charlotte giving her testimony in a Christian gathering. Sources have told us that Charlotte was born in 1898, and entered

the convent in approximately the year of 1910. She experienced true salvation in 1945, and began giving this testimony in the next few years following her conversion throughout the United States and Canada. **At the introduction the Pastor indicates she mysteriously disappeared 2 years after this testimony was given and was never heard from again.**

**Similar church-run institutions all over the world have caused enormous mortality, disease and ruination for millions of children. And yet the church has never been held accountable or prosecuted for these deaths and the theft of enormous wealth from entire nations.**

With the recent initiative of at least one European government and a host of lawyers to bring Joseph Ratzinger and other church officials to trial for these crimes, we feel it is incumbent on you neither to assist nor to be seen to assist or condone the attempt by him to evade, obstruct or delay justice, lest you open yourself to a charge of being an accessory to a crime.

On behalf of our Tribunal and of many people who cannot speak, I call on you to stand on the law of nations and humanity, and offer no support or protection to Joseph Ratzinger or his accessories in their efforts to evade responsibility for their proven crimes.

I look forward to your reply, and to discussing this with you more when I visit your country in May with a human rights delegation to investigate this matter more closely.

**An Urgent Update from the International Tribunal into Crimes of Church and State (ITCCS) - Brussels**

**Rome:**

**In a statement to Reuters today, Vatican officials announced that Joseph Ratzinger will remain a permanent resident of Vatican City after his resignation.**

Doing so will offer him legal protection from any attempt to prosecute him in connection with sexual abuse cases around the world, Church sources said today

"His continued presence in the Vatican is necessary, otherwise he might be defenseless".

This startling admission of guilt by the church is also a direct obstruction of justice, and lends more weight to the charge by the ITCCS and others that the Vatican has arranged with the Italian government to shield Ratzinger from criminal prosecution, in violation of international laws ratified by Italy.

#### Commentary

The Vatican decided today to give permanent sanctuary to a proven war criminal by allowing Joseph Ratzinger to obstruct justice and evade prosecution for crimes against humanity. And the government of Italy is colluding in this abrogation of international law.

This decision validates our claims about the criminal conspiracy surrounding Ratzinger and his Vatican co-conspirators. It also makes it clear that the Vatican is a rogue power that is flaunting every law to conceal its own criminality.

*In response, the ITCCS calls upon its affiliates and all people of conscience to use our upcoming Easter Reclamation Campaign to converge on Rome and the Vatican to force the extradition of Ratzinger from Vatican City, and place him and his accessories on trial for crimes against humanity.*

Commencing Sunday, March 24, 2013, our activists and others will begin an escalating series of Catholic church occupations and seizures of church property to bring about Ratzinger's extradition and reclaim stolen wealth from the criminal corporation known as Vatican Inc. - in the name of the legion of their victims, both living and dead.

.. and from Kevin Annett - The Rat Scurries Back to Vat!

*Those whom the gods destroy, they first drive insane. Especially, it seems, in Rome.*

Why would the oldest and wealthiest institution on our planet deliberately prove what its critics say about it, by first tossing their leader, a proven crook, out of his office after he's threatened with arrest, and then giving him shelter to avoid prosecution? That's the kind of panic and illogic displayed by a junior document-shredder, not a credible or wise body of men.

And that gives all of us hope.

Rome's incredible admission that they can't have the Pope stand trial has strengthened our cause and legitimacy enormously, proving that no matter how big your guilty opponent is, provoking him for long enough will cause him to destroy himself by his own fear and stupidity.

Protecting Ratzinger within the walls of the Vatican may halt justice for a moment, but it violates a basic rule of warfare, which is to never give your enemy a permanent focus for their attack. Ratzinger, the evil Emperor, now a permanent fixture in the Vatican? The absurdity of offering such an ongoing focus to the civilized world's hatred of catholic criminality is also a sign that the church is adrift and improvising. But it also shows how genuinely worried is the Vatican

about the legal offensive mounted by our affiliates, lawyers for torture survivors, and the International Criminal Court.

The Vatican is pulling out all stops to keep Ratzinger out of court. Their loyal, one-man owned Italian media is attacking yours truly and our ITCCS fervently & playing the "Deny, Distract and Discredit" strategy of any damage-controlling corporation.

Tottering Liz Windsor, aka Queen of England, is making a special and unprecedented trip to Rome on March 6 to kiss the ring, of the new CEO of Vatican Inc. And Italian President Napolitano is meeting with President Obama today in Washington to undoubtedly line up more American backing for the Pontiff - not that Obama needs much encouraging, having stood loyally behind Ratzinger's claim of "diplomatic immunity".

Joe Ratzinger should know from the history of his own former SS buddies that criminal institutions can run, but they can't hide - even behind all the wealth and pomp in the world.

Prepare for Easter! Flush the Rat from the Vat!

Stay tuned for plans of the Easter Reclamation Campaign at this website:

Pope Benedict XVI has played a central role in allowing the priest sexual abuse of innocent children to flourish worldwide from the 24 years that he was the head of the office that dealt with clergy sexual abuse cases, and since 2005 as Pope. The Pope, when known as Cardinal Ratzinger, in 2001, issued a Vatican edict to hierarchy all over the world, to put the institution of the church's interests over any other interest and to have all cases of clergy sexual abuse centralized under his authority in the Vatican under Exclusive Competence and the Pontifical Secret.*

*Why didn't Ratzinger report all cases of child sexual abuse by clergy to the legal authorities for investigation? Why did Ratzinger protect the predator priests and not remove the predator priests and complicit bishops from the priesthood? Why did Ratzinger not care about the children, the innocent victims?...*

*It offends me deeply to read that one observer in the above article called the victim/survivors 'crazies'. From all that I have learned about this scandal and the central role that Pope Benedict XVI has played in it, it astounds me that he continues to protect himself from accountability, and that others in powerful places are allowing him to get away with all the harm that his poor decisions have caused in the lives of so many victims and their families.*

The prison of the Vatican is smarter and more powerful than all despots' prisons because it is invisible as Evil itself.

### Benedict XVI's Role in Global Ecumenism

The final Pope in world history is about to step on to the world scene.

Christians knowledgeable in prophetic Scripture are awaiting this future False Prophet Pope to step into the "Throne of Peter".

## **Did Benedict resign now because the prophetic time has come to bring the final Pope -- the False Prophet -- into the office of the Pope?**

NEWS BRIEF: ["Pope's resignation was not forced by health issues, spokesman says"](#), CNN News, February 12, 2013

"Pope Benedict XVI is not suffering from any specific disease that forced him to resign, his spokesman said Tuesday, a day after the news that he was stepping down shocked the world's 1.2 billion Roman Catholics. The pontiff is resigning because he does not feel he has the strength to continue as the church's leader, the Rev. Federico Lombardi said, adding that it was a 'spiritual' decision."

**Yes, I agree. Pope Benedict XVI is resigning because of a spiritual decision. His Familiar Spirits are telling him that the time has come for the final Pope to step into the "Throne of Peter" so that he can firmly establish himself as the Pope of the vast Roman Catholic Church before he is called to be the religious leader of all the world's religions!** Did you know that is the ultimate plan for the final Pope?

Listen:

On August 18, 1991, a member of the Black Magick Secret Society, the House of Theosophy, who had been Born Again only weeks before, sneaked me into a seminar for meeting for "Member's Only" and one guest, to discuss a unique presentation by the New England Director, Bill Lambert. This meeting was entitled, "Possible and Probable Events In The Future". The Director wanted to inform his members of some decisions just made by the Global Elite. (Read full details in [NEWS1052](#))

**One of these recent decisions was that the top religious leader of the global New World Order Religion would be the Roman Catholic Pope, whomever he was at the time. This revelation makes the Pope the Office of the False Prophet!** Listen:

"At the proper moment in history, the Pope will visit the combined Jewish/Christian/Moslem sector of Jerusalem to announce that all religions should be combined into one. This action will then finally break the Middle East logjam." This announcement that all world's religions are now the same under the leadership of the Pope will establish the prophesied One World Religion with the Pope as the undisputed leader. The Director, Bill Lambert, boldly stated that the Catholic Pontiff was planned to be the top religious leader of the New World Order Religion, a designation which makes him the False Prophet.

**Bill then admitted that the nature of this Pope/False Prophet will be identical to that of the New Age Christ (Antichrist).**

"At this point, I raised my hand to ask Mr. Lambert, 'You spoke earlier about the Pope going to Jerusalem; **when Lord Maitreya makes his appearance**, there will be three types of people:

1. Those whose consciousness has been properly raised so they can readily accept him;
2. Those whose consciousness has been raised somewhat but not so high that they can readily and immediately accept him, but they might be able to accept him after further enlightenment;
3. **Those who will never accept him.'**

I said, 'Back to the Pope for a moment, Bill. You stated that, at the right moment, the Pope would go to Jerusalem. Surely the Pope is a proper receptor to the Christ'. **Note: This Christ is the AntiChrist**

**At this point, Bill nodded his head affirmatively that the Pope was a proper receptor to the Christ. This is the most direct acknowledgement by a influential person involved in the planning for the appearance of Anti-Christ that the Pope is ready and waiting for the appearance of The Christ. This acknowledgement also points to the Roman Catholic Pope as the False Prophet, because Bill stated, very pointedly, that the preparation for the New World Order religion was being paved by the Ecumenical Movement, which is being spear-headed by the Pope."**

In conclusion, let us examine a key prophetic Scripture which shows how precisely God's prophecy applies to the Roman Catholic Pontiff!

**Rev 13:11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.**

The prediction that this second Beast will have "two horns like a lamb", means that he will present himself to the people as a Christian leader, and will be accepted as such by the masses. However, the very next verse segment reveals that he will be very similar to Antichrist.

**" and he spake as a dragon."**

Therefore, it is highly significant for the New England Director of the House of Theosophy **to admit that the Pope in office at the time Antichrist arises will be a 'proper receptor to the Christ'!** Indeed, he will be, because that is the nature of Roman Catholicism and the clear declaration of Revelation 13:11.

This announcement that Benedict is resigning February 28, 2013, **tells me that the timetable for the beginning of the World War III that will stage Antichrist is on track and drawing very near.** How can we Christians know how close Antichrist might be? Daniel 7:7-8 tells us; read full details in [NEWS2363](#), entitled, **"There Is Only ONE Sequential Prophecy Which Shall Provide Us A Clear Gauge By Which We Can Know The Approximate Time That Antichrist Will Arise!"**

One thing is certain, however. **This voluntary resignation of Pope Benedict XVI is a supremely important event which most certainly carries enormous prophetic implications! The False Prophet is about to step on the world scene.**

**In a possible symbol that the Antichrist / False Prophet Biblical scenario of Revelation 13 may be ready to unfold upon the Earth, just a few hours after Pope Benedict XVI was announcing his resignation, a bolt of lightening struck the top of the Vatican.** You can see this lightening strike on this video -- ["Lightning strikes Vatican hours after Pope resigns"](#)

Now I know the Earth has many thousands of lightening strikes every single day, so one might be tempted to believe this strike is simply an accident. And it may well be.

But this lightening strike was at the very tip of the Vatican and that it occurred very shortly after Pope Benedict XVI was announcing his resignation, an act which will bring the Final Pope to the world scene. I am reminded of pertinent Scripture:

**"How you are fallen from heaven, O Lucifer, son of the morning!" (Isaiah 114:12)  
"And He (Jesus) said to them, "I saw Satan fall like lightning from heaven." (Luke 10:18)**

**Is Pope Benedict's abrupt resignation the first step of the unfolding of the revealing of the First and Second Beasts of Revelation 13?**

**World events are clearly pointing in that direction.**

**As Pope Benedict XVI prepares to leave office, one Jewish journalist takes a hard look backward to the Pope's attitude toward Jews.**

NEWS BRIEF: ["The Pope was Not a Friend of the Jews"](#), by Giulio Meotti, Israel National News, February 12, 2013

"If you read the records, the picture that unfolds is not a rosy one Israel described upon hearing of the Pope's resignation."

The State of Israel has long falsely painted a rosy picture of her relations with the Holy See. **You see, Israel's political leaders know that the ultimate plan is for the Vatican to lead an international religious effort to establish a One World**

**Religion headed by the Pope and to build a combination religion very close to the Temple Mount.**

We discussed this fact in our first story above and in [NEWS1052](#).

Therefore, **because Israel's political leaders know that the Illuminati plans for the Roman Pontiff to one day assume control over all the world's religions and to spearhead the construction of a One World church building in Jerusalem, they fervently desire harmonious relations with the Vatican.**

But, as Giulio Meotti reports, reality is a whole lot different from official rhetoric.

"The Pope has not been a friend of the Jewish people **and he's supported the world's most important source of anti-Semitism: the Palestinianism.** The proof is in the Pope's travel to Israel in 2009.

**"The Vatican authorities avoided calling the 'State of Israel' by name but preferred to use the empty denomination 'Holy Land'. And the Pope presented the Arabs as 'victims' and the Israelis as 'oppressors'. It was clear from the Pope's speeches in Bethlehem and its surroundings that the Catholic attitude to the Jewish people remains unchanged since the Second World War."**

Has this journalist **conveniently forgotten that Benedict's predecessor, Pope John Paul II, showed the very same attitude? Let us examine our archived Headline News article, [NEWS1587](#), entitled, "On 2/15/2000, Pope John Paul II Signed A Covenant With the Palestinians--Arafat Calling For The Internationalization of Jerusalem".**

**"On 15th February, 2000 at the Vatican, the Pope and the leader of the PLO terrorist organization, Yassir Arafat, signed a covenant against the people of Israel and Jerusalem ... According to this agreement, Jerusalem should be an international city based on international resolutions and an international guarantee. (The UN decided on more than one occasion that Jerusalem should be an international city.) They also decided that any step or activity taken by Israel to change this position of Jerusalem is against the law. The agreement also recognizes a 'Palestinian' state in the land of Israel and agrees on cooperation between the Vatican and the PLO and the Vatican committed itself to assist the so-called 'Palestinians'. Authorities in the Vatican explained: "the agreement paves the way for establishment of full diplomatic relations with a Palestinian state when it is founded". The PLO representative in the Vatican stated: 'This is an historical covenant'." [Emphasis added]**

Pope John Paul II angered a great many Israeli patriots and Bible-believing Christians when he signed this infamous agreement with the Palestinian terrorist, Yassir Arafat, a man who had a great deal of Israelite blood on his hands.

Not only did John Paul II call for the political control of Jerusalem to be taken from the Jews, but he called for the establishment of a Palestinian State. And, he held up the contemptible Yassir Arafat as a political leader worthy of being dealt with as a national statesman. Yes, this is the same Arafat who constantly said his major goal was to annihilate Israel, to finally force all Jews to "drink of the Mediterranean Sea", a common metaphor which meant to annihilate all Jews.

**But, why should we be surprised that Roman Catholicism has historically displayed virulent Anti-Semitism? Their inner heart is identical to that of the coming Antichrist, according to Bill Lambert of the House of Theosophy, whom we quote above. Lambert affirmed the true spiritual nature of the Catholic False Prophet:**

**"... the Pope is a proper receptor to the Christ' (Antichrist). "**

The Bible foretells that the Antichrist will attempt to murder all Jews at the mid-point of the Tribulation, after entering the newly built Temple where he committed the "Abomination of Desolation" in the Holy of Holies. The Catholic False Prophet will hate the Jew just as much as the prophesied Antichrist.

We posted a couple of articles in years past which we recommend to you now, because they reveal so much of the inner heart condition of Roman Catholicism and its Popes.

Please take a moment to read:

[NEWS1865](#) - " **POPE JOHN PAUL II -- 25 YEARS OF CONTINUING TRADITION OF THE PAGAN SUN GOD "**

**Dagon = Sun Worship!**

**Dagon = Baal Worship**

**[Trailer](#)**

**Catholicism & Freemasonry both are Sun Worship / Phallic Baal Worship. To see how Freemasonry worships Baal through Sun Worship, watch our newest DVD, "[Freemasonry: Fatal In The First Degree](#)".**

Despite centuries of battling for control of the New World Order Plan, Roman Catholicism and Freemasonry are identical in their inner-most being.

As we have reported, Black Magick Illuminized Freemasonry infiltrated the **White Magic** Vatican and finally took it over in 1963. Please read [NEWS1623](#), entitled, "**GRAND GLOBAL MERGER OF ALL BLACK MAGICK FORCES OCCURRED WHEN POPE PAUL VI BECAME POPE in 1963**"

The symbolism of the Twisted Cross is quite significant. It literally means that Illuminized Freemasonry has seized control over Roman Catholicism. Now, the Pope's heart is identical to that of the coming Antichrist.
