Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Secular Source Asks: Is UFO orb over Dome of the Rock in Jerusalem a communication by ET?

Submitted by Alfred Lambremo--01/31/2011

A second independent [video](#) and [news report](#) emerged today on January 30, 2011 confirming the authenticity of the UFO orb over Mount Zion and the Dome of the Rock in Jerusalem at 1 AM on the morning of January 28, 2011.

On January 28, 2011 at 1 AM, a UFO orb appeared over the Mount Zion and the Dome of the Rock-Temple Mount in Jerusalem. A [video](#) of the UFO orb states, "Two men capture a film of what might be one of the most interesting UFO clips ever caught. "Witnesses noticed the large oval shaped UFO suspended on the night skyline. **At about one minute into the clip the UFO descends almost to ground level directly over the Dome of the Rock-Temple Mount. The oval UFO hovers there for a short while, flashes [lights](#) into surrounding buildings. Shortly after this burst of light, the UFO performs a rapid ascent into a region of the sky occupied by a number of red lights, which appear to be rotating around an invisible body, as if they were**

the navigation lights on a gigantic spaceship from which the UFO had first descended. The videos end with the departure of this apparent “mothership” object. Witnesses were totally taken back and amazed at what they had just seen.”

One UFO specialist in UFO orbs after viewing this video wrote the following to this [reporter](#), “Presumably you noted the lights on the Mothership near the end of the second video.”

Three questions now linger for UFO and Exopolitics experts and observers around the world

Question #1: *Is the Dome of the Rock UFO orb a genuine ET phenomenon?*

Question #2: *Is the ET or interdimensional intelligence behind the Dome of the Rock UFO Orbs sending an intentional, meaningful “context communication” to humanity by this UFO [event](#)?*

Question #3: *Does the Dome of the Rock UFO event fit the pattern predicted by former NORAD officer Stanley A. Fulham in his Dec. 3, 2010 communiqué that [Extraterrestrial] “Interventions will then accelerate, not so much over our cities, but dispersed over our continents with sightings increasing in duration. **The intent of these interventions is to increase mankind’s acceptance of the alien phenomena, so that hopefully, we will be prepared to accept a face-to-face encounter and communicate, perhaps as early as next year (2011).**”*

Secular Report--Israeli UFO, Monolith communications in Vancouver meditation

Submitted by Jon Kelly on 02/01/2011--UFO Examiner

Last Friday's [dramatic UFO incident](#) in which a mysterious luminous body descended over Temple Mount in Jerusalem was [captured](#) by at least four [different video cameras](#), revealing flashes of light during "communications" taking place in a summit between ET and the Foundation Stone beneath the [Dome of the Rock](#) like a scene from the movie, [2001: A Space Odyssey](#).

The Foundation Stone or Rock is the name of the rock at the heart of the [Dome of the Rock](#) in [Jerusalem](#). It is also known as the Pierced Stone because it has a small hole on the southeastern corner that enters a cavern beneath the rock, known as the [Well of Souls](#). It is believed by some to have been the location of the [Holy of Holies](#) in the Temple, and is the holiest site in Judaism. Jewish tradition views it as the spiritual junction of heaven and Earth. Jews traditionally face it while praying.

Storyline: 2001 Space Odyssey--"2001" is a story of evolution. Sometime in the distant past, someone or something nudged evolution by placing a monolith on Earth (presumably elsewhere throughout the universe as well). Evolution then enabled humankind to reach the moon's surface, where yet another monolith is found, one that signals the monolith placers that humankind has evolved that far. Now a race begins between computers (HAL) and human (Bowman) to reach the monolith placers. The winner will achieve the next step in evolution, whatever that may be.

Watch new video: <http://www.ufodigest.com/video/third-temple-rock-ufo-video-surfaces>

Update: [The fourth and best of the videos](#) from this event is now available online.

The names of the witnesses who recorded the UFO videos are not known at this time. The Dome of the Rock UFO incident took place in an area widely regarded as a no-fly zone and CNN has reported how the Israeli army shot down a UFO flying over a nuclear power plant last December. Frame-by-frame analysis of UFO videos from last Friday's incident demonstrates how visual elements of the [instrumental](#) record also reflect dimensions of Jewish, Islamic and Christian spiritual traditions when viewed through the lens of **Tantric Yoga** meditation philosophy.

The historic location of Solomon's Temple and today's Dome of the Rock, the Temple Mount is one of the most hotly contested religious sites in the world, subject to claims from both Israel and the Palestinian Authority. **The rock over which the dome stands is the Foundation Stone described in Rabbinic tradition as the place from which the world was created, also regarded in Islamic faith as the step-off point for Muhammad's ascent into heaven.**

While in the past, Muslim prayers were conducted facing towards the direction of the Foundation Stone, Jewish prayers are conducted following this alignment today.

As the long-standing focal point for tremendous political and religious sentiment, the choice of this location for a mass UFO sighting in which the mysterious object hovered meters above the ground can only be considered as an act of intensive provocation. In fact, the brief incident exposed the UFO to the possibility of a serious military response. While local pilots offer air tours of Jerusalem, the skies directly over the Temple Mount are reportedly a no-fly zone. Last December, [CNN reported](#) how "The Israeli Air Force shot down an unidentified flying object over the Dimona nuclear plant in the Negev Desert Thursday, the Israel Defense Forces said. The object appeared in a designated no-fly zone, the air force was scrambled and the object was shot down, the IDF said."

Secular Report: Are Extraterrestrials Living in China and the U.S.?

Submitted by Alfred Lambremo--01/26/2011

A [Canadian newspaper](#) is [reporting](#) in its Wednesday Jan. 26, 2011 edition that Sun Shili, a [retired](#) foreign ministry official, states Extraterrestrials are living among us. The China ET report is confirms my 4-part ExopoliticsTV interview and [Examiner.com series with Jerry Wills](#), that an apparent extraterrestrial from Tau Ceti resides in the United States.

The Canadian Newspaper [reports](#) as follows:

Ex-China Foreign Ministry Official says Extraterrestrials live among us

Chinese scientists also say that aliens live among humans. This includes Sun Shili, a **retired foreign ministry official** who is now president of the Beijing UFO [Research Society](#) who also concludes that (extraterrestrials) are living among us.

And Sun is not the only expert in the country taking this subject seriously. According to the highly accredited Shen Shituan **who is an actual rocket scientist & president of Beijing Aerospace University and honorary director of the government-supported China UFO Research Association**; he said: "every report of an alien encounter is worth investigating. Some of these sightings are real, some are fake and with others it's unclear. All these phenomena are worth researching."

Researching UFO's could help spur new forms of high-speed travel, unlimited sources of non-polluting and non-fossil fuel based energy and faster-growing crops, claims Sun Shili, president of a government-approved UFO Research Association (membership 50,000).

[World Business Leaders \(Including Bill Clinton and Tony Blair\) To Discuss UFOs & Extraterrestrial Life](#)

January 13, 2011--Michael E. Salla, Ph.D.

*A leading business forum **discussing global competitiveness will in its annual conference host a panel discussing UFOs and extraterrestrial life.** The Global Competitiveness Forum is hosted by the Kingdom of Saudi Arabia, and discusses business trends and insights essential for future business investment and competitiveness. The panel is titled: **“Contact: Learning from Outer Space”**, and features famed astrophysicist Dr Michio Kaku and a leading Islamic scholar, Egyptian Scientist & member of the Supreme Council of Islamic Affairs Dr. Zaghoul El Naggar; together with prominent UFO experts Stanton Friedman, Dr. Jacques Vallee and Nick Pope. The Global Competitiveness **Forum is poised to introduce, perhaps for the first time, many world business leaders to key issues concerning UFOs and extraterrestrial life, and how these impact on economic competitiveness.***

The Global Competitiveness Forum (GCF) is hosted by the Saudi Arabian General Investment Authority and will be hosted in the capital Riyadh from January 22-25, 2011.

*According to an email from veteran UFO researcher Stanton Friedman: A clue into what is likely to be discussed in the upcoming panel is the question [from the GCF’s website:](#) on **“Contact: Learning from Outer Space”**: **“using knowledge gained from research in the *fields of Ufology and the search for extraterrestrial life, what might we possibly learn about hindrances to innovation in other areas of inquiry?*”** The GCF appears to be interested in learning about **how information and/or technology has been constrained in the past, and what this means for the future business investment.** In a recent book, *Flying Saucers and Science* and [article on his website](#), Stanton Friedman discusses how nuclear fusion energies were stifled in the past, along with repression of information*

concerning extraterrestrial life and technologies used for interstellar propulsion. Similarly, [Dr Michio Kaku has described some of the advanced energy propulsion systems](#) most likely to be used by advanced extraterrestrial civilizations.

The GCF hopes to stimulate dialogue over *how issues related to UFOs and extraterrestrial life impact on the national competitiveness of oil producing countries such as Saudi Arabia. As the world's leading oil energy supplier, Saudi Arabia is taking a keen interest in future trends where new energy systems are developed for mass consumption. By taking a proactive role in business dialogue and investment plans that discuss extraterrestrial life and alternative/new energy technologies, Saudi Arabia hopes to use its enormous wealth as a means of ensuring the future prosperity of its kingdom and citizens. That is both the right political move and smart business strategy, and will encourage world business leaders to also take proactive steps on issues related to extraterrestrial life and technology.*

Yes, even Christians need to be aware of what's coming, and especially those of us who study end times Bible prophecy.

Pray for wisdom and discernment.

[Christian Report--'UFO' Seen Over Jerusalem!?!](#)

Posted by Jeffrey K Radt ("JRed") | January 29, 2011

Whenever I speak of the **mystery of what I've called "spiritual convergence"**, this is EXACTLY what I mean by that! There's just no other way to describe this. Before I get to what has me shaking my head (the title of this piece clearly gives it away), just stop for a moment and marvel at the likelihood that this title appears in the news "by mere chance" after the entry I just put up on the Global Competitiveness Forum 2011 that was held this week in Riyadh, Saudi Arabia, the unprecedented and unusual content seriously discussed there with world business and political leaders, and its likely connection to President Obama's odd choice of words in his State of the Union speech that occurred *simultaneously* with that Middle Eastern forum.

Remember, Christians don't believe in "coincidence" like the rest of the world does. There is no Hebrew word for "coincidence" either. Secularly speaking, I once heard someone say, "You know what they say about 'coincidence', right? It takes a lot of planning!"

Now that we're all on the same page, please take a look at what I just stumbled upon...

[Smoking Gun UFO Footage Over Jerusalem: Aliens Are Here!](#)

From: Michael Cohen m.cohen@allnewsweb.com--

"This video opens all kinds of questions; Do aliens take an interest in our religions? Did aliens have a hand in creating our belief systems? And finally, is

this object the star that was seen over nearby Bethlehem at the time of the birth of Jesus?

Perhaps this UFO visit to the Dome of the Rock/Temple Mount is a prelude to open contact believed by many to be only a short time away."

Before we proceed let's remember ([2 Timothy 1:7](#)): For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

Folks, this is EVERYTHING that myself and many others have been trying to warn you about -- the coming unholy marriage between these demonic beings that the world will be told are "Aliens" and their relationship to the major religions of the world! Just re-read that last statement for this man's New Age (and un-Biblical) perspective on the whole subject because there's your proof of how a majority of the world will respond to any "Full Disclosure" type of event.

To confirm this let's look at some recent clips from the ABC miniseries "V":

Eph 2:20 And are built upon the foundation of the apostles and prophets, **Jesus Christ himself being the chief corner [stone];**

1Pet 2:6 Wherefore also it is contained in the scripture, Behold, I lay in Sion a chief corner stone, elect, precious: and he that believeth on him shall not be confounded.

1Pe 2:7 Unto you therefore which believe [he is] precious: but unto them which be disobedient, the stone which the builders disallowed, the same is made the head of the corner,

1Pe 2:8 And a stone of stumbling, and a rock of offence, [even to them] which stumble at the word, being disobedient: whereunto also they were appointed.

1Pe 2:9 But ye [are] a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light:

1Pe 2:10 Which in time past [were] not a people, but [are] now the people of God: which had not obtained mercy, but now have obtained mercy.

Mat 21:42 Jesus saith unto them, Did ye never read in the scriptures, **The stone which the builders rejected, the same is become the head of the corner:** this is the Lord's doing, and it is marvellous in our eyes?

Mat 21:44 And whosoever shall fall on this stone shall be broken: **but on whomsoever it shall fall, it will grind him to powder.**

Dan 2:34 Thou sawest till that a stone was cut out without hands, **which smote the image upon his feet that were of iron and clay, and brake them to pieces.**

Dan 2:42 And [as] the toes of the feet [were] part of iron, and part of clay, [so] the kingdom shall be partly strong, and partly broken.

Dan 2:43 And whereas thou sawest iron mixed with miry clay, **they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.**

Dan 2:44 And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, **[but] it shall break in pieces and consume all these kingdoms, and it shall stand for ever.**

Dan 2:45 Forasmuch as thou sawest that the **stone was cut out of the mountain without hands**, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream [is] certain, and the interpretation thereof sure.

Dan 2:46 ¶ Then the king Nebuchadnezzar fell upon his face, and worshipped Daniel, and commanded that they should offer an oblation and sweet odours unto him.

Dan 2:47 The king answered unto Daniel, and said, **Of a truth [it is], that your God [is] a God of gods, and a Lord of kings**, and a revealer of secrets, seeing thou couldest reveal this secret.

Luk 17:26 And as it was in the days of Noe, so shall it be also in the days of the Son of man.

Gen 6:1 ¶ And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,

Gen 6:2 That the **sons of God saw the daughters of men that they [were] fair; and they took them wives of all which they chose.**

Gen 6:4 **There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare [children] to them, the same [became] mighty men which [were] of old, men of renown.**

Gen 6:5 ¶ And GOD saw that the wickedness of man [was] great in the earth, and [that] every imagination of the thoughts of his heart [was] only evil continually.

Gen 6:8 **But Noah found grace in the eyes of the LORD.**

Gen 6:11 ¶ The earth also was corrupt before God, and the earth was filled with violence.

Gen 6:12 And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth.

Even if you don't believe the 'UFO over the Temple Mount in Jerusalem' videos is legit, or don't trust that news site (or the author for that matter), or that this video is actually from Jerusalem, or that the "Alien/UFO" phenomenon is real, the point of me sharing this story with you is to demonstrate how it's being shoved down our throats -- yet again! *That's the point.* The conditioning process continues.

So, in the span of a single week we witnessed the following...

> Global Competitiveness Forum 2011

("Contact: Learning From Outer Space" presentation during the forum)

> President Obama saying in his SOTU Address *"This is our nation's Sputnik moment..."*

> "Order Out of Chaos" blueprint begins with unprecedented chaos in Egypt and other parts of the Middle East

> An apparent video -- from Jerusalem, Israel -- of a "UFO" over the Temple Mount/Dome of the Rock

Yep, I'd say that classifies as more evidence of the "signs of the times" all around us.

Time is perilously short. The time for spiritual preparation is almost over.

I don't write any of this from a spirit of fear (or to even foster a spirit of fear), but merely to point out what I see as being obvious now. I pray that you see it too.

Pray for wisdom and discernment in the days and weeks ahead.

Repent because His judgment is coming!

Rest in Him and on His Word!

[SOTU Speech Linked To Saudi Arabian Forum?](#)

Posted by **Jeffrey K Radt ("JRed")**--January 29, 2011

Many of you are well aware of the fact that the key to seeing the "big picture" and to understand what's really going on in this upside down world is to look at it from a Biblical perspective and through the prism of prophecy.

On a practical level, that means taking what we already know to expect from God's Word and making that our foundation. Then, we need to use the brain that God gave us and seek out news and information, not just from a few select sources, but from multiple sources from around the world.

Often times this will include getting our news from the Right, the Left, the Middle, the mainstream, the non-mainstream, the national, and the international media outlets. Why is that important? **Because it's like putting together a puzzle. The more pieces you have in your possession, the greater your chances of being able to put them all together in the right places so that a clear picture emerges.**

That being said, I'm beginning to wonder if we may have found the reason behind [President Obama's odd choice of the words "Sputnik moment" \("This is our nation's Sputnik moment.."\) during his State of the Union speech](#) earlier in the week.

Not surprisingly, I believe it ties in with the so-called "Alien/UFO" demonic deception that's on our doorstep at the moment. Before you assume you know where I'm going with this, please continue reading.

First, for anyone who's new to LUF or unfamiliar with the Christian perspective on the whole "Alien/UFO" thing, I'll simply say that such occurrences are real, but they have NOTHING to do with "*little green men from outer space*", and EVERYTHING to do with demonic entities, or deceiving spirits, perhaps even connected to the Fallen Angels and Nephilim we read about in [Genesis 6](#) (Genesis 6:4 specifically).

In any event, there was some pretty big news on this front this past week. The words "UFO Convention" may conjure up images of all sorts of crazy things, but what about business professionals and politicians? If you're shaking your head in disbelief or rejection of such a notion, then you obviously haven't heard about the latest version of the "Alien/UFO Convention" -- the [Global Competitiveness Forum](#).

Folks, this was the first time that has ever happened! The idea was to bring together a group of forward thinkers who share a common interest in solving global challenges and push them to think big. [Basically, even though the mainstream press is not covering it at all, the fact that a portion of the forum treated the subject of "Aliens/UFOs" seriously with so many global heavy hitters in attendance speaks volumes. It legitimizes the entire subject even further and is probably a key component toward the process of "Full Disclosure", which now seems closer than ever before.](#)

Ok, but who are some of the "global heavy hitters" who were in attendance? Aside from some major CEOs, the **most notable person there was probably former US President Bill Clinton, or former Prime Minister Tony Blair.**

It's not a coincidence that this forum in Saudi Arabia, and the unprecedented "Alien/UFO" content that was discussed by several of the world's business and political leaders, DIRECTLY COINCIDED with President Obama's odd "Sputnik moment" phrase from his State of the Union Address.

[Ready for this? A new online video game created and sponsored by FEMA prepares kids for "Aliens/UFOs" and earthquakes! I kid you not.](#)

How about that? [Yes, an online video game recently released on the state of Illinois' emergency preparedness website is said to be an earthquake preparedness game -- one that also just happens to include "Aliens" and "UFOs" though.](#)

For years, many said that "Full Disclosure" by the government wouldn't be so much a speech to the press, but a slow gradual process of barely recognizing their existence through small minor movements. *Oh ok, like government games for kids perhaps? That's precisely what this is --more mass conditioning to a coming reality (a demonic deception)! On the game's website we're told about the goal...*

"Help Allen and Majel Irwin survive an earthquake by building a survival kit, finding all the safe and unsafe areas of their home, and learning to protect themselves!"

That's on the video game's Home Page. In the "About" section we find this...

*This project was commissioned by the **Illinois Terrorism Task Force (ITTF)** and the **Illinois Emergency Management Agency (IEMA)** to demonstrate a new educational approach for children to learn effective disaster preparedness and response strategies. The first simulation, "The Day the Earth Shook" focuses on preparing for an earthquake, such as one that could occur along the **New Madrid or Wabash Valley Seismic Zones in southern Illinois.***

The game was developed by the [Electronic Visualization Lab \(EVL\)](#) at the University of Illinois at Chicago (UIC), the National Center for Supercomputing Applications (NCSA) and the Center for Public Safety and Justice -- Institute of Government and

Public Affairs at the University of Illinois at Urbana-Champaign (UIUC).

This project was prepared under a **grant from the Federal Emergency Management Agency's Grant Program Directorate (FEMA/GPD) within the U.S. Department of Homeland Security.**

There's also a good video on YouTube about this "game" that's worth watching too...
[FEMA Preparing Kids For MEGA-EARTHQUAKES And 'ALIENS/UFOs'!](#)

An "Alien" savior? Are you kidding me? See, this is just what we've been expecting (and seeing so much of lately from Hollywood) and now a federal government agency known as FEMA has joined in.

Folks, seriously, what are the odds that in the span of a single week we have two FEMA-related news items that seem to suggest that they're preparing for some major earthquake and/or catastrophic and unprecedented event here in the US?

I'd say this is FEMA fear mongering at its best. As Christians, we need to rest on the truth in response to such things...

Isaiah 43:1 (KJV) *But now thus saith the LORD that created thee, O Jacob, and he that formed thee, O Israel, Fear not: for I have redeemed thee, I have called [thee] by thy name; thou [art] mine.*

Psalms 27:1 (KJV) *<<[A Psalm] of David.>> The LORD [is] my light and my salvation; whom shall I fear? the LORD [is] the strength of my life; of whom shall I be afraid?.*

Luke 12:32 (KJV) *Fear not, little flock; for it is your Father's good pleasure to give you the kingdom.*

Matthew 10:28 (KJV) *And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell.*

SOMARK's Chipless RFID Ink Tattoo Field Demo Brings the Company Closer to Launch

[02/15/08] SOMARK Innovations, Inc. recently completed a field demo of its patented **Chipless RFID Ink Tattoo animal ID system**. The demo proved the SOMARK system's ability to apply a tattoo in less than three seconds and read the tattoo (translate the tattoo into a unique ID, with a handheld reader in real time). The demo was conducted at a private facility in the U.S.

"This is a giant leap for the company," said Mark C. Pydynowski, SOMARK President. "This demo proves our system's ability to function quickly and automatically."

This technology combines features of several common technologies, including human tattoos (ink-based and inexpensive), chipless RFID (machine-readable and no-line-of-

sight), biometrics (unique to the individual) and hot-iron brands (permanent and tamper-proof).

"Although potential applications include cattle, pigs, horses, sheep, dogs, cats, mice, rats and prime cuts of meat, our primary focus is cattle," said Ramos M. Mays, SOMARK inventor and CSO.

SOMARK is targeting the livestock industry to help **identify and track** cattle and thus mitigate export trade loss from BSE scares, also known as Mad Cow Disease.

[Watchers Science To Produce Gay Gattaca: Brookings Institute Begins Legal Framework For Genetically Engineered Homosexual Kids](#)

Gattaca is a 1997 American [science fiction film](#) written and directed by [Andrew Niccol](#).

The film presents a vision of a society driven by [liberal eugenics](#) where potential children are selected through [preimplantation genetic diagnosis](#) to ensure they possess the best hereditary traits of their parents.^[2] A genetic registry database uses [biometrics](#) to instantly identify and classify those so created as "valids" while those conceived by traditional means are derisively known as "in-valids". While [genetic discrimination](#) is forbidden by law, in practice it is easy to profile a person's [genotype](#) resulting in the Valids qualifying for professional employment while the In-Valids (who are considered to be more susceptible to physical, intellectual and psychological dysfunction and under-performance) are relegated to menial jobs. The movie draws on concerns over [reproductive technologies](#) which facilitate eugenics, and the possible consequences of such technological developments for society. The title is based on the initial letters of the four DNA [nitrogenous bases](#) (adenine, cytosine, guanine, and thymine). During the credits the letters G, C, T, and A are all highlighted.

Larry and David come to realize that they would prefer to have a male child that shares their sexual orientation. Larry and David discuss with their doctors the feasibility of screening the embryos they create with Marge's eggs for **male genes linked to a homosexual orientation** (Comment: Which don't exist). The clinic doctors are experts in embryo screening and alteration, but cannot guarantee that the resulting embryos will in fact turn out to be homosexual. To increase the certainty, they insert additional supposed "gay gene" sequences in the embryos before they are placed in Janice. Embryos not used will be frozen for later use or for stem cell technology to create eggs from Larry's skin cells so that the **resulting child would be the genetic offspring of both Larry and David**. The techniques to be used—IVF, egg donation, and a gestational surrogate—are now widely available, as is embryo screening for genetic disease and gender and as a result same-sex marriage is likely to be soon recognized as a federal constitutional right...

TSA Wants to Probe Your Mind

— By [Ben Buchwalter](#)--Wed Feb. 2, 2011 3:00 AM PST

IF YOU'RE UNHAPPY with the choice between having the Transportation Security Administration "[porno-scanning](#)" you or sexually assaulting you, this might also freak you out: The TSA is trying to read your mind. **Since June 2003, it's been monitoring travelers' facial expressions and body language for signs that they might be hiding something.** As of March 2010, the [TSA's Screening Passengers by Observational Techniques \(SPOT\) program](#) had 3,000 "behavior detection officers" in more than 150 airports. Their job is to strike up conversations with passengers at security checkpoints, checking for what one TSA official describes as "behaviors that show you're trying to get away with something you shouldn't be doing." People who don't display "normal airport behavior" may be stopped for questioning.

SPOT is based largely on the work of [Paul Ekman](#), a behavioral scientist who has spent his career identifying "microexpressions"—twitches lasting between one-fifteenth and one-twenty-fifth of a second that reveal intentionally concealed emotions. Ekman's methods have been used by the animators of *Toy Story* and *Shrek* and celebrated by Malcolm Gladwell, and they inspired the [Fox TV series Lie To Me](#), whose main character is a human lie detector who thrives on confrontations with psychopaths and murderers. That's a far cry from Ekman himself, an unassuming 77-year-old who makes no claims of infallibility. "I'm never absolutely certain," he says, sitting in his San Francisco loft. "I can't tell you what triggers an emotion. I can only tell you to recognize an emotion even when someone doesn't want you to recognize it."

In April 2008, SPOT officers stopped an Army vet carrying bomb-making supplies at the Orlando airport. **Beyond that, SPOT has not reported its agents picking out any other people identified as would-be terrorists.** In reviewing the program, the Government Accountability Office concluded that **"a scientific consensus does not exist on whether behavior detection principles can be reliably used for counterterrorism purposes."**

But the TSA already has plans for taking its face-scanning program high-tech. It's sunk \$20 million into developing **Future Attribute Screening Technology, a computerized version of the behavior-observation system that will use cameras to scan travelers' expressions and match them with a digital database of microexpressions.**

That, Ekman says, is where the government might be taking things too far: "Don't try to get the human out of the system," he warns. He recalls how, while training officers at Boston's Logan International Airport, he helped question a man who'd been acting erratically. It turned out the passenger's brother had just died and he was flying home for the funeral. **A machine might have labeled the grieving man as a security threat,** but Ekman got to the truth more efficiently and personably.

UN ordered depopulation of 3 billion people by food malnutrition has started.

Rev 6:5 ¶ And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand.

Rev 6:6 And I heard a voice in the midst of the four beasts say, A **measure(1)** of wheat for a **penny(2)**, and three **measures(1)** of barley for a **penny(2)**; and [see] thou hurt not the oil and the wine.

Strong's G5518 - choinix

χοῖνιξ

- 1) a choenix, a dry measure, containing two setarii (less than a quart) (**or as much as would support a man of moderate appetite for a day**)

Strong's G1220 - dēnariion

δηνάριον

- 2) A Roman silver coin in NT time called the denarius...It was the principal silver coin of the Roman empire. From the parable of the labourers in the vineyard, **it would seem that a denarius was then the ordinary pay for a day's wages.** (Mt. 20:2-13)

If we have wisdom we should prepare for this, like God instructed Joseph to do:
Gen 41:34 Let Pharaoh do [this], and let him appoint officers over the land, and take up the fifth part of the land of Egypt in the seven plenteous years.

Gen 41:35 And let them gather all the food of those good years that come, and lay up corn under the hand of Pharaoh, and let them keep food in the cities.

Gen 41:36 And that food shall be for store to the land against the seven years of famine, which shall be in the land of Egypt; that the land perish not through the famine.

Pro 6:6 ¶ Go to the ant, thou sluggard; consider her ways, and be wise:

Pro 6:7 Which having no guide, overseer, or ruler,

Pro 6:8 Provideth her meat in the summer, [and] gathereth her food in the harvest.

Pro 22:3 A prudent [man] foreseeth the evil, and hideth himself: but the simple pass on, and are punished.

1Ti 5:8 But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel.

While investigating the WHO and UN role in the biological weapons attack called the A-H1N1 (Swine Flu) pandemic of 2009, criminal intelligence agents from Canada and the US have stumbled upon a covert and sinister plan to kill off as many as 3 billion people by food malnutrition. The organization that is responsible for preparing for the murder of 3 billion people is called the **Codex Alimentarius Commission**. It was established in 1963 by the **World Health Organization** and the **Food and Agriculture Organization of the United Nations**. Their officially stated purpose is to develop international food standards to protect consumer health and to facilitate fair trading practices in foods. Today, there are 181 member governments including Canada. Criminal Intelligence agents have uncovered the real purpose of this WHO / UN organization – to murder 3 billion people.

It was Henry Kissinger, who in 1974 conceived the idea of the food genocide to control world population – less people to consume world resources – more for the rich nations (elites) to exploit the sources of the world to satisfy their greed. On December 10, 1974 the US National Security Council under Henry Kissinger prepared a classified study 'National Security Study Memorandum 200 ([Full text of NSSM 200 \(governmental](#)

[source – pdf file](#)) – which falsely claimed that the worldwide population growth poses a great threat to US national security interests.

The US Air Force weapon of mass destruction military installation called HAARP is active and is responsible for causing recent earthquakes, volcanic eruptions, **heat waves and monsoon rainfall that caused major flooding.**

Classified UN documents reveal that 1 billion people will be killed by starvation as UN trade agreements and WHO health moratoriums will forbid any country from selling and exporting any food to targeted regions for depopulation. Starvation of 3 billion people has already begun as the United States has been using its weapon of mass destruction called **HAARP to control, alter and intensify the weather of the targeted nations.** **This past summer HAARP was used to create a heat wave in Russia, resulting in the near complete destruction of its crops. Also this past summer the US used HAARP to cause the massive flooding in China and Pakistan – an attempt to wipe out the crops of China and Pakistan resulting in the mass starvation of their populations. 2 billion more will be murdered by diseases and illnesses associated with malnutrition from crop destruction, pasteurization and irradiation.** The Codex Alimentarius Commission will be responsible for causing disease and illness from malnutrition by implementing the 2 latter killing instruments. **The Codex Alimentarius Commission has begun this process by labeling the life sustaining nutrients (vitamins, minerals and enzymes) in our foods as poisons. Now that nutrients are classified as poisons they have been given the authority by the United Nations to eradicate all nutrients in our foods. They have already begun the eradication process by pasteurizing (exposing to high heat) and irradiating (exposing to radiation) all of our food.** Milk was the first to be targeted for eradication as milk is one of the most important life sustaining substances on Earth. It is packed full of vitamins, minerals and enzymes **in its raw form.** All essential for keeping us healthy and alive. Next was eggs. Another very important food that keeps us very healthy and alive. With the recent false declarations of E. coli contamination in fruits and vegetables the member nations of **The Codex Alimentarius Commission have been ordered to pasteurize or irradiate all fruit and vegetables. Why? Pasteurization and irradiation destroys all of the nutritional value of our food. These processes don't eliminate the microorganism they claim they are killing in our food. It kills the organisms and everything else including the vitamin, mineral and enzyme content of our food.** Furthermore pasteurization and irradiation doesn't clean or filter out the bad organisms in our food **it just kills them and when we drink or eat pasteurized or irradiated foods and beverages we are consuming the dead, rotting and disease and illness causing bodies of the organisms.** Because all of the vitamins, minerals and enzymes have been destroyed by pasteurization and irradiation your body has a very hard time stopping or fight off the disease and illnesses caused by consuming the dead and rotting organisms.

In the investigation of the WHO and UN plans for murdering 3 billion people there is one region of the World that seems to have been exempted. The only region that is not being targeted for mass depopulation are the countries that made up old Europe. Why everywhere else but old Europe. Because, according to information written in the classified UN documents, Canada, the US, China, Russia, Pakistan, the Middle East

and Africa are **nations populated with people who are considered inferior races**. The only superior race of people is the Aryan Race. Adolf Hitler started WWII to reinstate the Aryans as a master race of Indo-Europeans. The Aryans are supposed to be Nordic in appearance and directly ancestral to the Germans. During WWII the Nazi SS officers and soldiers were put in charge **of slaughtering all inferior races of people by whatever means possible, including; war, famine, poison, biological diseases and mass executions**. Today the UN has been put in charge of slaughtering as many as 3 billion people.

Very few people realize that the UN was created by former high ranking politicians and war criminal officers of Nazi Germany. **The UN was formed to bring about global unrest. Once global unrest was achieved a New World Order governed by "The Four principles" (The Fourth Reich) – * One Leader * One Budget * One Programme and * One Office would be implemented**. The Nazi formed United Nations launched the **"Delivering as One" initiative in 2007** – the Fourth Reich. Today Germany is once again the leader of the new and Fourth Reich. A former Nazi German Youth – **Joseph Ratzinger (served the Third Reich for at least 4 years) is now leader of the Vatican**.

The Nazi war criminals also formed many of the International and national organizations we have today, including NATO (created by commanding officers and ex-multinational conscripts that made up the German Waffen SS army units), the CIA (created by former Gestapo agents to spy on, sabotage, torture and kill agents, military personal and political figureheads of the Soviet Union), the WHO (created by former Auschwitz death camp scientists and physicians), NASA (created using former Nazi rocket scientists who were smuggled into the US in Operation Paperclip).

Now that our governments have been ordered by the Nazi UN to begin pasteurizing and irradiating every consumable food the only question left to ask is "how much time do we have left before we starve to death from eating?"

Leading Vaccine Expert Dr. Confesses Cancer & Other Viruses are Present in Vaccines--Flippantly Tells All Before His Own Death

This segment of "In Lies We Trust: The CIA, Hollywood & Bioterrorism," produced and by consumer advocate, Dr. Leonard Horowitz, **features the world's leading vaccine expert, Dr. Maurice Hilleman, who explains how Merck's vaccines were responsible for spreading AIDS, leukemia and other cancers worldwide**.

This explosive interview was conducted by medical historian, Edward Shorter for WGBH Boston public television with Blackwell Science. **It was cut from the show, "The Health Century" due to the huge liability associated with Dr. Hilleman's admissions. Namely, his statements that Merck Drug Company vaccines have been routinely injecting cancer viruses (SV40 and others) into people worldwide**.

Besides spreading AIDS into the human population, these vaccines are thought to be the main cause of the increased incidence of cancers over the past few decades.

Flu Shot Season - Think twice before you shoot!

I'd like to repeat the Flu/Alzheimer's connection that so many of you have asked about. According to Hugh Fudenberg, MD, the world's leading immunogeneticist and 13th most quoted biologist of our times (nearly 850 papers in peer review journals), **if an individual has had five consecutive flu shots his/her chances of getting Alzheimer's Disease is ten times higher than if they had one, two or no shots.** I asked Dr. Fudenberg why this was so and he said it was due to the mercury and aluminum that is in every flu shot (and some childhood shots). The gradual mercury and aluminum buildup in the brain causes cognitive dysfunction. Is that why Alzheimer's

is expected to quadruple?

The flu vaccine, consumed faithfully by the public without question each year, is not without problems. The vaccine **contains formaldehyde (otherwise known as embalming fluid) a known cancer-causing agent.** It also contains the preservative thimerosal, a derivative of mercury, a known neurotoxin linked to brain damage and autoimmune diseases. Aluminum is another flu vaccine ingredient and is also a toxic heavy metal that has been associated with an increased incidence of Alzheimer's Disease.

Of interest is the fact that a large percentage of the elderly that contracted the flu **did so despite having had their flu shots.** One nursing home in Toronto recorded 32 cases of the flu; of those who became ill, 31 had been vaccinated against the flu the month before.

Don't forget - inside of us, we already have everything we need to be truly healthy and an immune system that is designed to fight infection!

NaturalNews exclusive: International Medical Council on Vaccination refutes vaccine propaganda with myth-busting report

by Mike Adams, the Health Ranger, NaturalNews Editor

(NaturalNews) To hear it from proponents of the vaccine industry, vaccines are based on rock-solid science that proves them to be completely safe and widely effective. These beliefs, however, are not factually based on real science but rather **a persistent vaccine mythology** that has been propagandized by the vaccine industry, medical practitioners and even governments which underwrite vaccine risks.

Today, the International Medical Council on Vaccination (www.VaccinationCouncil.org) has released, exclusively through NaturalNews.com, **a groundbreaking document containing the signatures of over 80 family physicians, brain surgeons and professors of pathology, chemistry and immunity, all of which have signed on to a document stating, on the record, that vaccines pose a significant risk of harm to the health of children and that there is no real science backing the "vaccine mythology" which claims that vaccines are somehow good for children.**

This groundbreaking document, called **Vaccines: Get the Full Story**, is available as a free download from NaturalNews.com. Click the report cover image on the right to go directly to the download page, where you'll find downloads available **in 9 languages**, including Spanish, French, Hebrew and Russian.

You have permission to share this report. Please also share the download page with others so that moms and parents can **get educated** about the risks associated with vaccines and thereby protect their children from the risk of harm caused by vaccines.

The vaccine industry's message is like a broken record: Vaccines are "safe and effective," they say. But repeating a lie over and over again does not magically make it true. Any such declaration of vaccine safety or effectiveness **must be based on actual scientific inquiry**, and the real science is utterly lacking on vaccines. Did you know, for example, that **MMR and seasonal flu vaccines have never been clinically tested against non-vaccinated individuals?**

Did you also know that even though vaccines can cause long-term damage in children, with symptoms appearing months or even years later, they are typically only assessed for side effects for two or three weeks?

What you'll find in this free downloadable report

Here's some of what you'll find in this eye-opening report from the International Medical Council on Vaccination (www.VaccinationCouncil.org)

- A list of the many MDs, PhDs, NDs and other medical professionals who are signing onto this document and taking a stand to critically question the myth that vaccines are proven to be both safe and effective.
- Why vaccines have NEVER been proven safe or effective.
- A list of some of the serious health side effects caused by vaccines.
- Why autism is associated with vaccines.
- The profit motivation behind the pharmaceutical industry's persistent vaccine push.
- A list of which institutions and organizations profit from your sickness.
- The shocking truth about what's used to make vaccines (aborted fetal tissue, 59 different chemicals, DNA from diseased animals and more).
- An overview of some of the most dangerous vaccine ingredients, including aluminum and formaldehyde.
- The truth about conflicts of interest in the vaccine community and why doctors profit from vaccination policies.
- Why vaccinated children have far worse health outcomes than unvaccinated children (and why the vaccine industry refuses to test vaccines against the long-term health outcomes of unvaccinated children).
- How to opt out of "mandatory" vaccines.
- Important advice for parents about how to protect the health of your children while saying NO to vaccines.
- Online resources for learning more about the dangers of vaccines.

Subject: [Listener Comment--Flu Vaccination Updates](#)

Hello.

The number of cases of flu increased in my country and the media began to talk about it, but not so much as last year. They were cases of deaths of flu and it was not only H1N1 but other strains too.

Now I want to talk about my experience on this issue. I told you that I work in the health care system and since oct 2009 when I found out about your ministry I believed what you said about this issue and I tried to apply in my life what you said, not only about vaccinations but other health issues too. I can say this is the second time when I didn't take the flu jab and I feel better then last years when I did it. So I missed 2 seasons of vaccination. which means 3 jabs because last year the vaccination program included two jabs: one for common flu and one for swine flu.

The first flu vaccination I did in my life was when I was at the medical school and the next were from 2004 until 2008 when I did the last one so in totality it's 6 vaccinations. I also had 3 vaccinations for Hepatitis B when I was in the medical school in 2000. I don't know the impact these vaccinations had upon my body but I know that in 2008 if I remember well I had such a pneumonia that I never had in my life. This made me doubt the efficiency of vaccines. I guess my immune system was strong but these vaccinations made it weak...

I began to take vitamin D3 as you said first 1000ui per day and I increased it to 2000. I also began to use the product you recommend Invive silver which I ordered it from your site <http://www.dr-johnson.com/> . I am very content with it. But it's not only this. I wanted to see the evolution of those who got vaccinated for flu from our patients and my boss who got it every year.

At this moment in my town and in all my country I guess it's like a epidemic of respiratory diseases including flu.. Today even my boss who gets vaccinated every year... I was so curious about my boss if she is going to get this flu especially that she was vaccinated and to compare with me who didn't take the vaccines for 2 seasons. I think I succeeded in strengthening my immune system after I quit the vaccinations and doing it naturally. **I also bought a necklace of silver which I kept it in my mouth when I felt the flu or a cold is coming upon me and I felt this being efficient.(you said it in one of your studies like a tip from one of your listener. I didn't have a coin of silver so I bought that necklace from a jewelry shop).**

I am not happy that my boss is sick but I just wanted to experience myself what I learned from you and others who are saying that vaccinations are not good...

God bless you.
