Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

1Peter 1:1 Peter, an apostle of Jesus Christ, to the strangers scattered throughout Pontus, Galatia, Cappadocia, Asia, and Bithynia,

1Pe 1:2 Elect according to the foreknowledge of God the Father, through sanctification of the Spirit, unto obedience and sprinkling of the blood of Jesus Christ: Grace unto you, and peace, be multiplied.

1Pe 1:3 Blessed [be] the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead,

1Pe 1:4 To an inheritance incorruptible, and undefiled, and that fadeth not away, reserved in heaven for you,

1Pe 1:5 Who are kept by the power of God through faith unto salvation ready to be revealed in the last time.

1Pe 1:6 Wherein ye greatly rejoice, though now for a season, if need be, ye are in heaviness through manifold temptations:

1Pe 1:7 That the trial of your faith, being much more precious than of gold that perisheth, though it be tried with fire, might be found unto praise and honour and glory at the appearing of Jesus Christ:

1Pe 1:8 Whom having not seen, ye love; in whom, though now ye see [him] not, yet believing, ye rejoice with joy unspeakable and full of glory:

1Pe 1:9 Receiving the end of your faith, [even] the salvation of [your] souls.

...**1Pe 1:13** Wherefore gird up the loins of your mind, be sober, and hope to the end for the grace that is to be brought unto you at the revelation of Jesus Christ;

1Pe 1:14 As obedient children, not fashioning yourselves according to the former lusts in your ignorance:

1Pe 1:15 But as he which hath called you is holy, so be ye holy in all manner of conversation;

1Pe 1:16 Because it is written, Be ye holy; for I am holy.

1Pe 1:17 And if ye call on the Father, who without respect of persons judgeth according to every man's work, **pass the time of your sojourning [here] in fear:**

1Pe 1:18 Forasmuch as ye know that ye were **not redeemed** with corruptible things, [as] silver and gold, from your vain conversation [received] by tradition from your fathers;

1Pe 1:19 **But with the precious blood of Christ**, as of a lamb without blemish and without spot:

...1Pe 1:22 Seeing ye have purified your souls in obeying the truth through the Spirit **unto unfeigned love of the brethren, [see that ye] love one another with a pure heart fervently:**

1Pe 1:23 **Being born again**, not of corruptible seed, but of incorruptible, **by the word of God**, which liveth and abideth for ever.

1Pe 1:24 For all flesh [is] as grass, and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away:

1Pe 1:25 **But the word of the Lord endureth for ever. And this is the word which by the gospel is preached unto you.**

[Cyprus bank insolvency crisis quickly escalating; may set off EU bankageddon](#)

As you may have suspected, there's far more to the Cyprus bank crisis story than meets the eye. It **turns out the shutdown of Cypriot banks has caused a large-scale financial shutdown of the Russian government which uses Cyprus banks for most transactions.**

On top of that Reuters reports: **the EU central bank (ECB) has now issued an ultimatum that threatens to revoke all financial support and crash the Cypriot banks if they can't come up with 5.8 billion Euros by Monday.** [USA Today](#) reports, "If it does not find a way by Monday, the European Central Bank said it will **cut off emergency support to the banks, letting them collapse. That would throw the country into financial chaos and, ultimately, cause it to leave the eurozone**, with unpredictable consequences for the region."

Until then, the banks remain closed, and everybody knows the minute they open, **every account holder will immediately transfer their money out of the banks, causing a near-instant bank run and a collapse.**

The worry across the eurozone now is that this imminent bank collapse **will trigger account holders in Greece to start taking their money out of the bank, too.** The Greek banking system is already in such sad shape that it only takes a very small percentage of account holders withdrawing their funds -- perhaps 5% or so -- to topple Greek [banks](#). **That's because the banks are roughly 95% leveraged with fractional reserve accounts and complex debt instruments.**

Once bank runs begin in Greece, they will spread across the EU. Fear will kick in everywhere and depositors will run on the banks in Spain, Italy and even the UK. Germany is arguably in the safest position to defend against bank runs, but even its banks are unwisely leveraged beyond reasonable ratios.

It's important to understand that fractional reserve banking wealth is a fictional construct that does not exist in reality. Thus, the wealth created by fractional reserve banking is nothing more than a mirage that can be destroyed literally overnight.

Importantly -- and here's the real point nobody is talking about -- **Russia may be willing**

to let Cypriot banks collapse and lose a lot of money itself, knowing that the aftermath of a collapse may set off a chain reaction of bank collapses across the EU.

EU authorities seem to anticipate this possibility and they are already talking about dropping Cyprus from the EU as quickly as possible. As [Yahoo News](#) reports:

*The official also referred to the need to resolve the issue of Cyprus's two biggest banks, both of which are close to collapse, and mentioned the possibility of Cyprus leaving the euro zone. In the event of an exit, the official **said steps needed to be taken to "ring-fence" the rest of the euro zone from the impact and to ensure there was no contagion to Greece.***

"Contagion" is the right word, because if this situation doesn't get resolved very, very quickly, we may be witnessing the start of **the collapse of the EU** -- an outcome that would very well serve the political interests of Russia. So don't expect Russia to try to resolve any of this. **It may be waiting in the wings and actually hoping to help set off a kind of "bankageddon" that, once begun, will be impossible to stop.**

[Saber rattling intensifies: North Korea warns war is coming](#)

March 22, 2013 – North Korea is now threatening South Korea, Japan, and the United States saying that war is coming. The statement from military leaders have said: **“Outbreak of war in Korea is now just a matter of time. Nothing can prevent war from breaking out.”** The communist North is claiming that its missiles will target U.S. bases in Guam and Japan. That is where some of our nuclear submarines and B-52 bombers are based. The threat came two days after U.S. bombers carried out simulated nuclear bombing raids on North Korea. Tensions spiked in the region after North Korea carried out its latest underground nuclear test last month. And then again after new United Nation sanctions last week. -

[Retired Army Captain Warns DHS Acquisitions are ‘bold threat of war’ Against the American People--Says Americans may have to prepare to defend themselves, and the U.S. Constitution, against the Obama Administration’s “coup” against the People](#)

Adan Salazar--March 24, 2013--On Saturday, **retired United States Army Captain Terry M. Hestilow publicly voiced grave concerns over the Department of Homeland Security’s absurd acquisitions, posting a letter he sent to Sen. John Cornyn (R-TX) on Facebook labeling the Obama administration’s recent appropriation of weapons a “bold threat of war” against citizens of the United States of America.**

He said via Facebook:

“It is with gravest concern that I write to you today concerning the recent appropriation of weapons by the Department of Homeland Security (DHS) that can only be understood as a bold threat of war by that agency, and the Obama

administration, against the citizens of the United States of America,” the decorated retired Army Captain’s [letter begins](#).

Referring to the DHS’ solicitations for nearly two billion rounds of ammunition and recent purchase of almost 3,000 mine-resistant ambush protected armored personnel carriers as “a tyrannical threat against the Constitution” and a deliberate attempt to defund the Department of Defense, the retired Army Captain **asked Sen. Cornyn to honor his oath to the American people and the U.S. Constitution and “to demand in clear terms that the Administration cannot ignore, that the Department of Homeland Security immediately surrender their newly appropriated weapons of war to the Department of Defense (DoD).”**

Obama Now Global Head of Al-Qaeda

March 21, 2013--**President Barack Obama is now the global head of Al-Qaeda – bankrolling, arming and equipping terrorists around the world in order to achieve his administration’s geopolitical objectives – while simultaneously invoking the threat of terrorists domestically to destroy the bill of rights.**

Since it has now been established that those merely suspected of engaging in terrorism, including US citizens, are subject to targeted drone strikes (under the terms of his own prosecution of the war on terror) **Obama must immediately order a drone strike on the White House because the facts documented below incontrovertibly demonstrate that it represents the headquarters of Al-Qaeda operations worldwide.**

The fact that Al-Qaeda was created by western intelligence and has always been controlled by these interests demonstrates that the Al-Qaeda threat is one of the greatest ongoing hoaxes in world history.

The administration has sent nearly half a billion dollars (\$365 million plus another \$60 million) and is now using US Special Forces to train militants in Syria who have pledged allegiance to Al-Qaeda and who continue to carry out grisly beheadings, terrorist bombings targeting innocent civilians and chemical weapons attacks against women and children.

These same militants, backed not only by the US but by every major NATO power, **have repeatedly voiced their hatred for and intention to destroy America, as they ransack Christian churches, burn US flags, chant anti-American slogans and sing the praises of Osama Bin Laden while glorifying the 9/11 attacks.**

As the [New York Times reported](#), these very same terrorists killed U.S. troops in Iraq and yet western backing for the insurgency against Bashar Al-Assad has enabled violent extremists to seize power in Syria.

As multiple reports now confirm, the main Al-Qaeda group in Syria, is now commanding rebels and is engaged in “the heaviest frontline fighting” in Syria. As the [London Guardian reported](#), rebels in Syria are admittedly being led by Al-Qaeda terrorists, who meet with them “every day” and train them how to make bombs. The [top 29 Syrian opposition groups](#) have all sworn allegiance to Al-Qaeda. These same terrorists have also vowed to attack the United States once they are finished in Syria, while proclaiming their desire to see the Al-Qaeda flag flying over the White House.

So while Americans who are “suspicious of centralized federal authority,” and “reverent of individual liberty” have been characterized as terrorists by their own

government, US citizens who openly take up arms to join with terrorists in Libya and Syria are allowed to fly around the world with total impunity.

Vatican calls for world government and a New World Order

Andrew Puhanic, Contributor [Activist Post](#)

December 10, 2012--The leader of the Catholic Church, Pope Benedict XVI, has called for the establishment of World Government and a New World Order.

In a speech made at the [Pontifical Council for Justice and Peace](#) on December 3 2012, the Pope called for the “construction of a world community, with a corresponding authority,” to serve the “common good of the human family”.

These latest remarks made by the Pope and the Catholic Church come as no surprise considering that in 2010 the Catholic Church sought the establishment of a new [Central World Bank](#) that would be responsible for regulating the global financial industry and the international money supply.

It was reported that the Vatican sought “a supranational authority” which would have worldwide scope and “universal jurisdiction” to guide and control global economic policies and decisions.

China’s new push for [closer ties](#) with Russia, the growing intrusions from the United Nations with regards to [control of the Internet](#) and the latest remarks made by the Catholic Church all point to a [new world order](#) that will set in stone a path for the fulfillment of the one world government under the Antichrist.

With The Final Pope Enthroned, The Jewish Press Calls On Muslims And Jews To Rise Up Together Now And Rebuild The (Final) Temple Of Solomon In Jerusalem

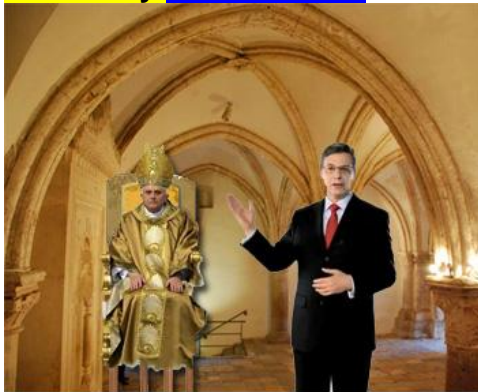

By: [Sinem Tezyapar](#) at <http://www.jewishpress.com>

As a devout Muslim, it would be a joy for me to see Prophet Solomon's Temple rebuilt as well. No, you did not hear me wrong. Prophet Solomon's Temple being rebuilt in all its magnificence and glory would be a great delight for me, **as it would be to any Muslim.** Under different circumstances, in an atmosphere of trust, love and brotherhood, Muslims would welcome this with enthusiasm. The Temple of Solomon is also a historically important place, **and rebuilding it would be a wonderful occasion for all believers to contemplate. Every Muslim, every believer, will want to experience the spirit of those days again, and strive to bring the beauty of those days back to life.** Actually, it is everyone's aspiration for that city to be adorned, to be beautified, and to regain the magnificent glory it had in the days of the Prophet Solomon... The Prophet Solomon—King Solomon as the Jews call him—**is a prophet to Muslims too. All Muslims have profound love for him.** Prophet Solomon had a superior understanding of beauty and aesthetics, and no doubt, rebuilding of his Temple in its original form would be a splendid undertaking. Decorated exactly as it was...

Pope to get seat over the Tomb of King David

Posted by [Jewish Israel](#) on January 31, 2013

Outgoing Deputy Foreign Minister Danny Ayalon is leaving his mark on Jerusalem. After years of negotiations with the Vatican over property and tax issues, it seems that an historic breakthrough is near. Headlines in the [Jerusalem Post](#) announced, **"Jerusalem is on verge of signing agreement to formalize diplomatic relations with the unHoly See".**

However, **there are conflicting and disturbing reports regarding the status of the "Last Supper Room" (also referred to as the "Upper Room"), which sits above the traditional Tomb of King David and is a central part of the Yeshiva grounds on Mt. Zion. For many years the Catholic church has been vying for ownership of the room which is considered by many Christians to be the traditional site of the**

location of the last supper. The room itself is a 12th century Crusader structure, **built on top of the traditional Tomb of King David.**

Whereas [The Jerusalem Post](#) claims that the two sides have "essentially decided to agree to disagree on the matter", [Israel Hayom](#) is reporting that the agreement **will grant the Pope "an official seat" in the Upper Room**, as well as giving the Vatican "a special modicum of control over the site". [Algemeiner](#) reports that Israel "did not give up sovereignty", but "will allow the Vatican control over the site". **See the picture above to see the significance of this arrangement.**

The Vatican has aggressively sought the Last Supper Room and other sites in Israel for years, using whatever means they have to get them. In the real estate business, location-location-location is the key. **The Vatican has their whole infrastructure in Rome, while Jerusalem is where the "action" is. This strategic move by the Vatican will obviously be used to openly promote their agenda.**

Vatican to begin tracking clergy and employees with RFID cards- Are Implantable Microchips Next?

We have learned today that **the Vatican has decided to use an ID card that has a microchip device embedded inside the card that is capable of being used as a tracking device. This card will be given to clergy and employees.** A source inside the Vatican acknowledged that they have been [thinking about this for years](#), but declined to give any details of the discussions. The common name for such devices is [RFID](#) or [Radio Frequency Identification](#) devices.

The issuance of these devices will probably take place on or about January, 1, 2013. The Vatican supposedly sees the need for the tracking cards because of a conviction of a person for stealing the pontiff's private documents and leaking them to an Italian journalist in an "embarrassing security breach that [rocked the Vatican earlier this year](#)", according to [The Telegraph](#).

The farther we go into the electronic age, the more of this kind of thing we will see. At this point we have not yet heard of one U.S. church that plans to, or is actually is using similar devices. <http://www.examiner.com/article/vatican-to-begin-tracking-clergy-and-employees-with-rfid-cards>

Endtime Unity Around False Marian Theology

On the Catholic feast of the Annunciation, just across from the Basilica of the Annunciation (**which is a international, interreligious center dedicated to "Our Lady"**)

the **International Mary of Nazareth Center** will be inaugurated Friday by the Latin Patriarch of Jerusalem, His Beatitude Fouad Twal.

Comment: Sarcasm/Humor Alert

<http://www.youtube.com/watch?v=yNpCohgmxzY>

To further hype this event and give it some extra pizzazz and pinash the Catholic Church is flying in Kenny Rogers & Lionel Richie to sing their perennial hit “Lady” in honor of the False “Queen of Heaven” Mary Goddess that the Catholics know and love.

The International Mary of Nazareth Center has an ecumenical aim and promotes interreligious dialogue. **The Center shows the way the Virgin Mary is perceived by the Eastern Churches & in the Quran and also a Jewish woman.**

Here is another site, that explains to the reader the true motive behind this Marian center in Nazareth.

Ecumenical (Meaning: Concerned with establishing or promoting unity among churches or religions) in its approach, the aim is to show Mary in the Christian, Jewish and Muslim worlds by means of contemporary audio-visual techniques

Authors comment:

There is nothing in the Bible that tell us to promote and end time unity across religions.

The Catholic Church has its own agenda, to bring unity between Catholics, Christians, Muslims and Jews. Those who start to support this religious movement, will end up supporting the last anti-Christ that will appear in flesh.

Another Roman Catholic chapel of deceptions has come up in Nazareth.

To use “Jesus” as an end time unity factor, is not possible. Because very few can accept that Jesus of the Bible is the only way to Heaven.

Neither are they willing to repent, and obey His teachings.

The majority of the Jews feel that they do not need to be washed by the blood of the Messiah.

The Muslims claim Jesus is not God, and the Catholics feel that faith in Mary is a better way to be saved.

Since faith in Mary cannot save anyone, the Vatican has added to the scriptures to make her a co-redeemer with her son. But the bible says in 1 Timothy 2:5

For there is one God and one mediator between God and mankind, the man Christ Jesus.

The Papal religious movement claims she was born without sin, lived a sinless life, never had intimate relations with her husband, and was taken sinless up in

heaven body, soul and spirit. That makes "Catholic Mary" a pagan goddess that has absolutely nothing to do with the Biblical faith in Jesus Christ the Messiah.

The Vatican is a truly a house of demons. If you want to have eternal life, please run for your life. Have nothing to do with the evil deeds of darkness of the Pope and his followers.

Catholics adore a 750 Year Old Skeleton and "feast of its tongue"

by [ivarfjeld](#)

Catholic priests carries a "fresh tongue" on their shoulder, claimed to have been a part of a 750 year old skeleton. **Comment: Does anyone see a contradiction here?**

The "feast of the tongue" was last celebrated in May 2010 in Colombo, Sri Lanka. For this purpose the tongue of "St. Anthony" had been transported from Italy to Sri Lanka. St. Antony is also called "Anthony of Lisbon ", and his remains have been taken up from the grave. They are kept for adoration in the Relics Chapel of Padua's Basilica in Northern Italy.

The UK Newspaper Daily Mail wrote an [article](#) about this Catholic saint on February 15th 2010.

Pictured are Roman Catholic monks adoring a 750 year old skeleton inside the Relics Chapel of Padua's Basilica in Italy.

The display, which will last until Saturday will be in chapel of his tomb in Padua and marks the feast of the transfer of St Anthony, also known as the 'feast of the tongue'.

When his coffin was moved 30 years after his burial it was opened and it is claimed most of his body was found to have returned to dust. **However his tongue remained fresh, which was seen as a sign of his gift of preaching, and was kept in a separate relic box.**

A closer look at the claimed to be holy tongue, tells a different story. It looks like a black stone.

This item hardly looks like a tongue. Maybe it is a stone?

It is very disturbing seeing a Catholic priest carrying this "fresh tongue" on their shoulder, bowing down to it, praying to and kissing the idol of gold it is incased in.

I wonder how the Catholics can be sure that the skeleton really is of the man they claim is Anthony of Lisbon?

I would not be surprised if the whole story is made up. When I saw the picture of the frame the Catholics have put around this stony "tongue", it looked similar to the frame in Mecca housing the Kabba. **Have you seen the pictures of the frame inside Islams "holiest shrine" that has a black stone in its center?**

The Muslims are told to kiss this stone, which is suppose to take away their sins.

This first frame is of the Kaaba in Mecca, and inside there is a black stone. The second frame housing the "fresh tongue" could be a knock off of the Kabba worship.

In regards to this "holy tongue" and the "holy black stone", the Pope and Islam seem to walking in perfect union. They will both end up in the One World One Religion that is built on a theology of all faiths leading to the same god.

In this picture you see the leader of Hamas (Khaled Mashaal) bowing down, ready to kiss the black stone in Mecca. What makes him any different than the Roman Catholic priests that bow down to kiss the black tongue sent from a "Church" in Northern Italy?

A Vatican appointed priest kisses the image of gold, that is supposed to have a holy tongue in a framed in its center.

Catholic priest's burn incense in front of the gold idol, the tongue is placed where people normally would find the heart.

A Roman Catholic priest bows down and pray in front of the image of Gold.

What is the Bible saying about men who do this kind of things:

Exodus 20:4 Thou shalt not make unto thee any graven image, or any likeness [of any thing] that [is] in heaven above, or that [is] in the earth beneath, or that [is] in the water under the earth:

Exd 20:5 Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God [am] a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth [generation] of them that hate me;

So how do the Catholics get around this commandment?

Simple, the Catholic Church removed the 2nd commandment because it is common practice to BOW DOWN before graven images in ALL Catholic churches; images that are also big business for the Catholic Church. So what they did to compensate for taking out the second commandment is split the tenth commandment in two to make their 9th and 10th commandments. (See the highlighted commandments below)

Comparison of the Catholic 10 Commandments vs. the Biblical 10 Commandments

| | Catholic | King James Bible |
|----|--|---|
| 1 | I am the Lord your God: you shall not have strange Gods before me. | I am the Lord thy God which brought thee out of the land of Egypt. Thou shalt have no other gods before Me. |
| 2 | You shall not take the name of the Lord your God in Vain. | Thou shalt not make unto thee any graven image. |
| 3 | Remember to keep holy the Lord's Day. | Thou shalt not take the name of the Lord thy God in vain. |
| 4 | Honor your father and your mother. | Remember the Sabbath Day. |
| 5 | You shall not kill. | Honor thy father and mother. |
| 6 | You shall not commit adultery. | Thou shalt not kill. |
| 7 | You shall not steal. | Thou shalt not commit adultery. |
| 8 | You shall not bear false witness against your neighbor. | Thou shalt not steal. |
| 9 | You shall not covet your neighbor's wife. | Thou shalt not bear false witness against thy neighbor. |
| 10 | You shall not covet your Neighbor's goods. | Thou shalt not covet thy neighbour's house, thou shalt not covet thy neighbour's wife, nor his manservant, nor his maidservant, nor his ox, nor his ass, nor any thing that is thy neighbour's. |

One would have to be pretty blind not to see that these priests are doing evil, and that they are willingly participating in blasphemy against the living God.

If you want to live, you will have to run for your life from men like these. Never let them touch you or your children, and do not listen to what they tell you.

“Burkas for babies”: Saudi cleric’s new fatwa causes controversy

03 February 2013--By Mohammad Alyousei--Al Arabiya

A Saudi cleric has called for all female babies to be fully covered by wearing the face veil, commonly known as the burka, citing reports of little girls being sexually molested.

In a TV interview on the Islamic TV Sheikh Abdullah Daoud, stressed that wearing the veil will protect baby girls.

Comment: This is beyond debased. So I guess what they are saying here is that these debauched Islamic man have so little self-control that if the baby girls are not 'veiled' there is a good chance they will be raped due to the uncontrollable pedophilic inclinations of these hell bound, wretched, evil Muslim men!!!!!! Who even thinks that way unless you are totally demon possessed!!!!

<http://english.alarabiya.net/articles/2013/02/03/264031.html>

Celebrity Saudi preacher who 'raped' and tortured his five-year-old daughter to death-Escapes with light sentence: Campaign to give women and children better protection gaining momentum

A Saudi Islamic preacher who tortured his five-year-old daughter to death has been released after agreeing to pay 'blood money', activists said.

His 5 year old daughter died in October having suffered multiple injuries including a crushed skull, broken ribs and left arm, extensive bruising and burns. The child had also been repeatedly raped and the burned supposedly because her demon possessed father was fearful she had lost her virginity!

Her father Fayhan al-Ghamdi, a prominent Islamist preacher who regularly appears on television in Saudi Arabia, served only a few months in jail despite admitting having used a cane and cables to inflict the injuries. A social worker from the hospital where Lama was admitted **said the girl's back was broken and that she had been repeatedly raped. Her injuries were then burned presumably to cover them up.**

Rather than the death penalty or a long prison sentence, **the judge in this case ruled the prosecution could only seek 'blood money'**, according to activists. The money is compensation for the next of kin under Islamic law.

Saudi preacher Fayhan Ghamdi

Activists said **the judge ruled the few months al-Ghamdi spent in prison since his arrest in November was sufficient punishment.**

He has reportedly agreed to pay £31,000 (\$50,000), which is believed to have gone to Lama's mother.

The amount is half that would have been paid if Lama had been a boy.

Activists say **under Islamic laws a father cannot be executed for murdering his children. Husbands can also not be executed for murdering their wives,** the group say.

Three Saudi activists who started the women's right to drive campaign, have raised objections to the ruling. **Comment: Where are the Christians?!!!!**

A social media campaign is now gaining momentum after the ruling was publicised. that launched a campaign on Twitter using the hashtag 'Ana Lama', **which is translated as I am Lama, calling for better protection for children and women.**

Local reports say public anger in Saudi Arabia is also growing and authorities have said they will create a 24-hour hotline to take calls about child abuse.

Don Boys, Ph.D. weighs in on this subject by saying:

I've had it up to here. Enough is enough. It is time to recognize that traditional Islam is backward, bloody, brutal and beastlike. Moreover, I am weary of people who can't get indignant over the "honor" killings, genital mutilation of little girls, and the creeping of Sharia law in America. It is not wise to generalize, but generally speaking, Muslims who follow the Koran as a holy book are dangerous, deceived, and deadly people.

U.S. Muslims are waiting until they have the influence to strike and they will strike. Only uneducated fools say otherwise. Islamic leaders have already demanded sharia law in the U.S., Canada, and Britain. Sharia is not only a judicial system; it is a barbaric way of life that every Muslim must follow. Muslim ferociousness has been common for more than 1400 years in other nations.

*"But ma'am, interfering with sharia law
would constitute a hate crime !"*

The killer was arrested (after all there are some limitations even for barbarians), tried and found guilty and served three months in prison and paid a \$50,000 fine that was blood money for the mother's family. **Had the victim been a male, his fine would have been \$100,000! Yes, it is Saudi's business how they handle their sharia "justice" system run by imams, but it is a dirty business that no civilized nation should have anything to do with. In the "enlightened" kingdom of Saudi Arabia, a Muslim cannot be executed for murdering his wife or children! That nation is our friend! I'm not interested in having such friends.**

Staggering Numbers of Women Converting to Islam

Aminat Kurbanova became radicalized after converting to Islam. Kurbanova blew herself up, killing 7 people with her, inside a mosque after hearing the cleric speaking against the radicalization of Muslims in Russia's Dagestan region.

The first thing the Dutch girl did once she'd converted to Islam was change her name – to Soumaya, she says, **because "she was the first martyr". She was prepared to die for Allah.** **Soumaya is one of a wave of tens of thousands of Westerners who convert to Islam every year, more than 75 percent of whom, astonishingly, are women. Equally surprising is the fact that most of these women gravitate to conservative Islamic groups – the more misogynistic and oppressive ones – insisting all the while that they feel "liberated" and "free."**

Reading through dozens of stories of such women, one can't help but notice the similarities among them. All claim to have embraced Islam of their own free will; yet **an overwhelming majority, like Soumaya, converted only after dating (or wedding) a Muslim man.**

Comment: The act of being sexually involved with an Islamic man and/or consummating a marriage like this defiles and infuses the devils/curses associated with Islam into the bride like no other amount of brainwashing ever would. From that point forward she changes in every way and becomes a radicalized Islamic wife and following of Allah.

Most of these young women display little self-confidence or ability to define their own values and behavior – qualities that make them easily influenced by others, and susceptible especially to those who offer up a lifestyle option that relinquishes them from responsibility for their actions, that gives them a code of behavior and the ease of attributing what they do or wear or eat to God and not to self.

Over and over, for instance, **young female converts speak of wanting to be a good Muslim and a good wife where these two attributes become equated.**

Indeed, as the BBC [reported](#) as early as 2010 , **often Muslim women are targeted by extremist recruiters for jihad precisely for their willingness to follow the advice of more "knowledgeable" Muslims and the commands and demands of Muslim men.**

Islamists often prey on their emotions, exposing these girls to videos of child victims of war in Iraq and Afghanistan, while explaining the importance of violent jihad.

Female Genital Mutilation on Rise in U.S.

'Circumcision is obligatory (for both men and women).' -- Reliance of the Traveller: A Classic Manual of Islamic Sacred Law

Incredible as it may seem that such a barbaric practice as FGM should exist in the U.S., Congress found it compelling enough in 1996 that it directed the Department of Health and Human Services to develop estimates of how many women and girls either have suffered FGM or were at risk for being subjected to it.

The [initial report](#), based on **1990 data, found that some 168,000 women and girls in the U.S. fit that category.** The new Sanctuary for Families study, **based on 2000 census data and work by the African Women's Health Center, found that the numbers of those at risk had risen to 228,000 (a 35% increase).**

The Federal Criminal Code ([18 U.S.C. § 116 : US Code - Section 116](#)) makes FGM illegal in the U.S., although [only some 20 states](#) also criminalize it. **As of 2012, however, there had been no prosecutions for FGM under federal law and only one case brought under a state statute.**

[Students made to wear burqas ... in Texas](#)

February 26, 2013

By John Griffing via [Students made to wear burqas – in Texas.](#)

Sharia keeps on creeping, creeping & creeping... There's a new controversy in Texas involving the online public school curriculum called CSCOPE, which already has been the subject of heated debate and state legislative hearings.

There are reports now that students were made to wear Muslim burqas as part of their public school lessons.

CSCOPE has been facing criticism over its alleged Islamic and anti-American bias. It is a "curriculum management system" now used in 80 percent of Texas classrooms.

CSCOPE has come under fire for controversial curriculum content, including accusations of multiple lessons showing a pro-Islamic agenda.

CSCOPE proponents have denied the existence of such lessons, or, when faced with documentation, have dismissed critics' claims as exaggerations.

However, in Lumberton, Texas, this week, high school girls were made to wear burqas as part of a CSCOPE study of Islam.

One student quoted the teacher as saying, "We are going to work to change your perception of Islam."

The teacher in the burqa lesson, according to a student, also said, "I do not necessarily agree with this, but I am supposed to teach you that we are not to call these people terrorists anymore, but freedom fighters."

According to a student in the class, the lesson was to teach about the life of women in Islam. The burqa exercise focused on fashion and did not include the fact that in many Muslim communities, women who appear in public without a burqa face being beaten, imprisoned or murdered by family members, vigilante groups or even the state.

At the end of class, the students were assigned to write a paper about Egypt.

According to one student, they were instructed to discuss "how Egypt was a good country until democracy took over, and that things were finally corrected when the Muslim Brotherhood came into power."

Muslim women are portrayed as liberated in CSCOPE literature. In a lesson titled "Thinking About Sexuality" that utilizes a series of film clips, students are asked, "What do the women portrayed in these film clips think Islam teaches about sexuality? How are their thoughts similar or dissimilar to your own ideas about sexuality?"

[Texas teaching 'Allah is the Almighty God' & how to convert to Islam](#)

December 15, 2012

In the 70 percent of Texas public schools where a private curriculum has been installed, students are learning the "fact" that "Allah is the Almighty God," charge critics of a new online curriculum that already is facing condemnation for its secrecy and restrictions on oversight.

The program, called CSCOPE, is a private venture operating under the umbrella of the Texas Education Service Center Curriculum Collaborative.

The critics say the studies border on proselytizing.

In one scenario, students are asked to study the tenets of Islam, and critics say the materials provided exceed impartial review of another faith, extending into requirements of conversion and moral imperatives.

A computer presentation utilized as part of a study of Islam includes information on how to convert, as well as verses denigrating other faiths.

According to excerpts, under the heading, "Who Is Allah?," students are told:

"Allah is the Almighty God."

"Allah alone is the Creator. He alone deserves our devout love and worship."

Muhammad is described as having become “disillusioned with the corruption in the city and the growing gap between the urban dwellers and the Bedouins (nomadic herders).”

But there is no mention of his documented sex activities with a child or his penchant for beheading entire indigenous people groups.

WND recently reported the Texas State Board of Education was hearing concerns expressed by parents.

The debate carries national significance because of the influence Texas has on textbook and curriculum publishers as the only state that adopts uniform standards.

Kimberly Thomas, a teacher in the Lubbock school district, calls CSCOPE a “joke,” identifying a ninth-grade lesson that **asks students to circle capital letters in a sentence.**

Her department was rated exemplary by the state prior to the installation of CSCOPE.

As Thomas notes, **CSCOPE “forces our own department to undo the proven, successful curriculum we have developed that gave us an exemplary rating.”**

CSCOPE employees claim the software **is designed to replace textbooks and, indeed, has in many Texas school districts, & teachers must sign a gag order when required to use CSCOPE in their classrooms.**

Robert Spencer notes that this should be no surprise:

What a coincidence that this curriculum would be in use in Texas, where Governor Rick Perry partnered with the Aga Khan Foundation to develop a severely whitewashed, Islam-friendly curriculum.
