Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Hunger Games” – the Movie – The Orwellian Theme Behind the Movie

By Berit Kjos

It’s another blockbuster, and this time the children are going for it hook, line, and sinker. The Hunger Games netted \$155 million in one springtime weekend! Peter Travers from Rolling Stone magazine sees the movie as exactly representing the zeitgeist of the age—“the mission

to define yourself in a world that's spinning off its moral axis." **Confused Christians are recommending the film to their friends on Facebook.**

"The techniques of brainwashing developed in totalitarian countries are routinely used in psychological conditioning programs imposed on American school children. These include emotional shock and desensitization... isolation from sources of support [parents], stripping away defenses... and inducing acceptance of alternative values..."[1] Thomas Sowell, PhD.

1Pe 5:8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

1Pe 5:9 Whom resist stedfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world.

1Pe 5:10 But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle [you].

1Pe 5:11 To him [be] glory and dominion for ever and ever. Amen.

I heard no laughter while watching *The Hunger Games* on opening day. Just sober silence. This teenage movie — set in a totalitarian world that supposedly replaced a broken America — **shows the grim struggle for survival in a world without God, hope or meaning. The only "higher power" is a heartless government that supplies its own choice of artificial thrills and trials.** And the people suffer.

The book behind the movie was published by the prominent **Scholastic. It brought us the Harry Potter series and countless other books promoting witchcraft and the occult. By marketing its books through our education system, Scholastic may have done more to distort history, mythologize truth and promote moral and spiritual corruption among children than any other publisher.**

If you have children in public schools, they probably read the *Weekly Reader*, which offers news and current events **from a strictly non-Christian perspective.** Its publisher, the Weekly Reader Corporation, is owned by Scholastic. This 1990 message illustrates its earth-centered propaganda and twisted view of history:

"Give Thanks to the Earth: The first Thanksgiving feasts were harvest festivals. People gathered to celebrate successful harvests and to thank the Earth for its fruits. You can celebrate the earth every day by always taking care of the environment."[2] *Scholastic News*

Decades before the birth of the [United Nations](#), some of the [globalist leaders](#) that launched the [Federal Reserve](#) called for a radical new agenda for America's children. With support from the [Carnegie Foundations](#), [John Dewey](#) prepared a socialist foundation for the new system. As the first president of the [American Humanist Association](#), **he was determined to replace Christianity with pluralistic values that fit the global agenda.**

Ponder their goals, which are fast changing our schools, churches, families and values: 1917: "...they [the Board of Trustees of the **Carnegie** Endowment for International Peace] came to the conclusion that, to prevent a reversion, **they must control education.** Then they approached the **Rockefeller Foundation** and they said, 'Will you take on the acquisition of **control of education** as it involves subjects that are domestic in their significance? We'll take on the basis of subjects that have an **international** significance..' And it was agreed....They decided the key to it was the teaching of American **history**, and **they must change that.**"[3] 1970: "...**absolute behavior control is imminent.... The critical point of behavior control, in effect, is sneaking up on mankind without his self-conscious realization that a crisis is at hand. Man will...never self-consciously know that it has happened.**"[4] *Professor Raymond Houghton (More illustrations [here](#))*

1989: "What's happening in America today... is a **total transformation** of our society. We have moved into a new era....We no longer see the teaching of facts and information as the primary outcome of education.....What we are facing is a **total restructuring of society!**"[5] *Dr. Shirley McCune, Senior Director with the Mid-continent Regional Educational Laboratory, a leading*

(occult) [Theosophist](#) who was speaking at the 1989 Governor's Conference on Education [[see this very revealing video](#)]

1994: "We have actually been given a course in **how not to tell the truth**. How many of you are administrators? You've had that course in public relations where you learn to put the best spin on things." [6] [Dr. Jim Causby, North Carolina Superintendent](#)

Aldous Huxley was well aware of those plans. After all, his brother [Julian Huxley](#) became the first Secretary General of the United Nations Educational, Scientific, and Cultural Organization ([UNESCO](#)). In [Brave New World](#), he told us that a profusion of new suggestions would transform beliefs and attitudes and says:

"Till at last the child's mind is these suggestions, and **the sum of the suggestions is the child's mind**. And not the child's mind only. The adult's mind too -- **all his life long**. The mind that judges and desires and decides -- made up of these suggestions. **But all these suggestions are our suggestions! ... Suggestions from the State.**" [7]

Backed by the authority of the United Nations with its hatred for the Bible, Julian Huxley wrote the following in his 1947 book, [UNESCO: Its purpose and Its Philosophy](#):

"In pursuing this aim, we must [eschew dogma](#).... East and West will not agree on a basis of the future if they merely hurl at each other the **fixed ideas** [of which the Bible is the main obstacle] of the past. **For that is what dogmas are -- the crystalizations of some dominant system of thought** of a particular epoch.... If we are to achieve progress, we must learn to uncrystallize our dogmas." [8]

Today our government and educational establishment seem more than willing to implement this agenda and punish any parental [resistance](#) that gets in its way.

The Fictional History Behind the Hunger Games (See our [book review](#)).

Let me warn you: **the movie is just as seductive as the book; perhaps more so, since the written message is joined to unforgettable visual images. It draws its fans into the oppressive, futuristic nation called Panem (from "Panem et Circenses" meaning "Bread and Circuses") that supposedly replaced America. The current dictator rules Panem's 12 Districts from the mighty Capitol somewhere in the Rocky Mountains. With well-trained underlings to fulfill his commands, he can monitor the masses, manipulate weather, and quench revolts initiated by the poor, discontented serfs.**

The fictional history tells us that the Hunger Games began in the wake of a revolution seventy-five years earlier. Each year since then, twenty-four young Tributes -- ages 12 through 18 -- have been chosen by lottery in each of the 12 Districts. They will be trained to kill, then transported to a selected area -- probably in the Rockies. **Their only assignment is to try to survive by killing each other. At the end, the sole survivor will be celebrated as a national treasure and a promotional puppet.**

One critique of this movie reads:

This sadistic story with pornographic overtones depicts teens who are tortured and killed in rituals like those the Illuminati use to trauma brainwash their own children. In occult, gender-bending fashion, a young woman performs the pugilistic feats required to defend her family. The Illuminati media is the Church of Satan. We are the congregation, unconscious of this relentless, sinister assault on our psyches.

A reader, Marcos writes: "Unbelievably, [the "Christian" Science Monitor](#) says it is an opportunity for families to bond together. (If that is the case) Other opportunities might be a visit to the slaughterhouse, a stay at a crack house or perhaps a night at a topless bar where...girls could learn to dance with the help of their proud parents."

The surreal purpose of this annual event is to **control**, not entertain, the masses. Panem's yearly battle sows fear, not cheer, even though the rulers demand celebrations.

Does that remind you of the Roman Coliseum where trained gladiators slaughtered faithful Christians as huge crowds celebrated?

The main character is sixteen-year-old Katniss who lives with her mother and twelve-year-old sister, Prim, in District 12, the poorest in the land. Since her father died in a coal-mine explosion,

Katniss has been the family's sole provider. Day after day, she and her friend Gale hunt rabbits and gather herbs and berries on forbidden government land.

But everything is about to change. In the lottery leading up to the games, the terrified Prim is chosen. Stunned, Katniss quickly volunteers to take her sister's place. Peeta Mellark, who had long had a crush on Katniss, is chosen next.

After the required time of training, prepping and promotion at the Capitol, Katniss and Peeta are brought to the battlefield. **On the first day, eleven of the twenty-four Tributes are killed.** Most of the others race into the nearby forests to seek water and shelter from rain and each other.

Meanwhile, **the sophisticated high-tech Gamemakers back in the Capitol keep busy pointing their hidden cameras toward the injured, the dead, and the most popular players. Those images are shown on sophisticated tele-screens across the country. The goal is to unify, pacify and intimidate the viewers into ceaseless loyalty and compliance.**

It reminds me of a statement in the book, *Amusing Ourselves to Death*, by Neil Postman who anticipated today's rise of Marxist values. **To illustrate mental manipulation, he compared two familiar books: Aldous Huxley's *Brave New World* and George Orwell's *1984*:**

"[In *1984*] people are controlled by **inflicting pain**. In *Brave New World*, they are controlled by **inflicting pleasure**. In short, Orwell feared that what we hate will ruin us. Huxley feared that what we love will ruin us." [9]

Both have a point. Today, **the cultural war against Christ and His Church is being waged on both fronts. The minds of most contemporary teens are bombarded with seductive images and suggestions that mock God's values and scorn Christianity.**

Jhn 3:19 And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.

Jhn 3:20 For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved.

Jhn 3:21 But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God.

Near the end of the battle, the voice of a Gamemaker is broadcast to the final contenders, calling them back to their starting place. Emerging from the forest, Katniss and Peeta confront a new set of foes: twenty-one fierce, furry, four-legged "mutants" who seem eager to eat them.

The book indicates that these "mutants" are actually the twenty-one victims brought back to life in new identifiable animal bodies:

*"The mutts are beginning to assemble.... There's something else about them, something that makes the hair rise up on the back of my neck... They are **unmistakably human**. ... The blonde hair, the green eyes, the number ... it's Glimmer [one of the dead Tributes]. I fire into its throat. Its body twitches and flops onto the ground... [Glimmer's second death?]*

"The small one with the red coat and amber eyes... Foxface! And there, the ashen hair and hazel eyes of the boy from District 9 who died as we struggled for the backpack! And worst of all, the smallest mutt, with dark glossy fur, huge brown eyes.... Teeth bared in hatred. Rue! [She was a sweet, twelve-year-old girl before she was killed]...

"Have they been programmed to hate our faces particularly because we have survived and they were so callously murdered?" [10]

Perhaps the moviemakers chose to ignore any hint of rebirth or reincarnation. But the scene fits right into the mythical tales and occult phenomena of ages past. Remember, human history is full of cultural and spiritual cycles that show what happens when a civilization that has been blessed by God then rejects Him and embraces other "gods" and

"The Hunger Games" - Satanic Ritual for Teens

by Pamela Lanides-**Dec. 31, 2011** (henrymakow.com)

The Hunger Games by Suzanne Collins is a trilogy of books which has received [glowing reviews](#) in the Illuminati media. They are seen as successor to the *Harry Potter* series and [more popular even](#) than the *Twilight* series.

As of February 11, 2010, *The Hunger Games* trilogy has sold 800,000 copies in the US. *Hunger Games* was followed by *Catching Fire*, in Sept. 2009 and *Mockingjay*, in August 2010. Rights have been sold in 38 territories and there are over 2.9 million copies in print. It was on [The New York Times list for over 100 consecutive weeks](#) as of September 2010. The [first movie](#) is due out in March.

Some schools have included these books as mandatory reading for their English classes, ignoring the many fragmented and run-on sentences which the publisher, Scholastic, has ignored.

Mothers have reported their daughters having nightmares after reading the series. The books are more gruesome and grisly than some of the more violent video games that are out there.

The story centers on Katniss Everdeen, 16, whose mother fell into a deep depression upon the death of her father in a coal mining accident. Her family lives in "District 12," one of 13 districts around the Capitol in a post-apocalyptic United States. Most of the District 12 residents live in abject poverty. In the pre-history of the story, **District 13 had rebelled against the Capitol's slavery-inducing, consumer-driven production fields and was literally bombed out of existence for their insurgency.**

As a result, the Capitol, under President Snow, demands a reaping, a sacrifice of two children, between the ages 12-18, from each district every year.

In supreme sadistic irony, the children are forced to dress in their very best clothing for the reaping. Those who try to earn extra grain and oil for their families offer their names in the "Hunger Games."

(author Collins, generational satanist?)

What follows are the Hunger Games themselves. They are held in an arena from which there is no escape. The most sadistic forms of torture imaginable are used against the children in the games. There can be only one victor. The children must kill each other. One girl is only twelve years old. If they refuse to kill each other, the Gamekeeper devises torturous ways in which they are forced to kill each other off.

Some of the children must initially murder each other in a 'bloodbath' in order to secure necessities from the cornucopia. They face hunger, starvation, sleep deprivation, poisonous gases, acid rains, blood rains, killing waves, mutant creatures who maul them to death, killing traps, insects that drive them madly insane if they are not outright poisoned to death by them. By the final book, some of the children are tortured by government officials for months on end. Mind-bending, memory forging brainwashing is included. The formerly innocent children are turned into killers. They must kill or be killed.

The victors are paraded through-out the districts. Parents of murdered children must salute the victors, the murderers of their children. The victor's families are moved into nice houses and are wealthy for the remainder of their lives. The families of the murdered children receive nothing. In the last book, Katniss discovers that under-age children have been sold into prostitution by the President.

Book after book in the trilogy, the torture, the killing, the deception and the sadistic glory continue not only for those who have been captured by the Capitol, but also in the additional Hunger Games that has been declared.

All the former victors must participate. In the end, Katniss and the rebels win victory against Snow, but it does not protect her little sister, who has been purposefully targeted by yet another enemy and burned alive in front of her eyes.

Secrets of Prometheus Film Leaked!

Infowars.com--March 30, 2012--We will reveal the agenda behind [Prometheus](#), the new film by legendary director Ridley Scott (Alien, Blade Runner, Gladiator) hitting theaters June 8.

The secret is that the elite believe they are attaining godhood and are destined for the stars. Their ancient and occultic views are reflected in the dark themes of Prometheus, the very name of which hints at the quest for eternity and power among a group who think a divine right bestowed by a higher intelligence gives credence to their meddling with the affairs of common man.

Eze 1:1 ¶ Now it came to pass in the thirtieth year, in the fourth [month], in the fifth [day] of the month, as I [was] among the captives by the river of Chebar, [that] the heavens were opened, and I saw visions of God.

Eze 1:2 In the fifth [day] of the month, which [was] the fifth year of king Jehoiachin's captivity,

Eze 1:3 The word of the LORD came expressly unto Ezekiel the priest, the son of Buzi, in the land of the Chaldeans by the river Chebar; and the hand of the LORD was there upon him.

Eze 1:4 ¶ And I looked, and, behold, a whirlwind came out of the north, a great cloud, and a fire infolding itself, and a brightness [was] about it, and out of the midst thereof as the colour of amber, out of the midst of the fire.

Eze 1:5 Also out of the midst thereof [came] the likeness of four living creatures. And this [was] their appearance; they had the likeness of a man.

Eze 1:6 And every one had four faces, and every one had four wings.

...

Eze 1:10 As for the likeness of their faces, they four had the face of a man, and the face of a lion, on the right side: and they four had the face of an ox on the left side; they four also had the face of an eagle.

Eze 1:11 Thus [were] their faces: and their wings [were] stretched upward; two [wings] of every one [were] joined one to another, and two covered their bodies.

...

Eze 1:26 ¶ And above the firmament that [was] over their heads [was] the likeness of a throne, as the appearance of a **sapphire stone**: and upon the likeness of the throne [was] the likeness as the appearance of a man above upon it.

Eze 1:27 And I saw as the colour of amber, as the appearance of fire round about within it, from the appearance of his loins even upward, and from the appearance of his loins even downward, I saw as it were the appearance of fire, and it had brightness round about.

Eze 1:28 As the appearance of the bow that is in the cloud in the day of rain, so [was] the appearance of the brightness round about. This [was] the appearance of the likeness of the glory of the LORD. And when I saw [it], I fell upon my face, and I heard a voice of one that spake.

...

Eze 2:9 ¶ And when I looked, behold, an hand [was] sent unto me; and, lo, a roll of a book [was] therein;

Eze 2:10 And he spread it before me; and it [was] written within and without: and [there was] written therein lamentations, and mourning, and woe.

Eze 3:1 ¶ Moreover he said unto me, **Son of man, eat that thou findest; eat this roll, and go speak unto the house of Israel.**

Eze 3:2 So I opened my mouth, and he caused me to eat that roll.

Eze 3:3 And he said unto me, **Son of man, cause thy belly to eat, and fill thy bowels with this roll that I give thee. Then did I eat [it]; and it was in my mouth as honey for sweetness.**

Eze 3:4 ¶ And he said unto me, Son of man, go, get thee unto the house of Israel, and speak with my words unto them.

...

Eze 3:22 ¶ And the **hand of the LORD was there upon me**; and he said unto me, Arise, go forth into the plain, and I will there talk with thee.

Eze 3:23 Then I arose, and went forth into the plain: and, behold, the glory of the LORD stood there, as the glory which I saw by the river of Chebar: and I fell on my face.

Eze 3:24 Then the **spirit entered into me**, and set me upon my feet, and spake with me, and said unto me, Go, shut thyself within thine house.

...

Eze 4:1 ¶ Thou also, son of man, take thee a tile, and lay it before thee, and pourtray upon it the city, [even] Jerusalem:

Eze 4:2 And lay siege against it, and build a fort against it, and cast a mount against it; set the camp also against it, and set [battering] rams against it round about.

Eze 4:3 Moreover take thou unto thee an iron pan, and set it [for] a wall of iron between thee and the city: and set thy face against it, and it shall be besieged, and thou shalt lay siege against it. This [shall be] a sign to the house of Israel.

Eze 4:4 ¶ **Lie thou also upon thy left side**, and lay the iniquity of the house of Israel upon it: [according] to the number of the days that thou shalt lie upon it thou shalt bear their iniquity.

Eze 4:5 For I have laid upon thee the years of their iniquity, according to the number of the days, **three hundred and ninety days**: so shalt thou bear the iniquity of the house of Israel.

Eze 4:6 And when thou hast accomplished them, **lie again on thy right side, and thou shalt bear the iniquity of the house of Judah forty days**: I have appointed thee each day for a year.

Eze 4:7 Therefore thou shalt set thy face toward the siege of Jerusalem, and thine arm [shall be] uncovered, and thou shalt prophesy against it.

Transhumanism, Vaccinations, DNA and Corrupting the Seed of Mankind

September 27th, 2009 by Dr. Scott Johnson

Transhumanism advocate Natasha Vita-More (MSc, MPhil, PhD Candidate) states “A transhuman is a human in transition. We are transhuman to the extent that we seek to become posthuman and take action to prepare for a posthuman future. She goes on to state: Whether it is the shingles or the flu, the proactive development of molecular agents, **such as nanorobots, to combat these and other protagonist viruses is the right thing to do...building a strong defense through nanomedicine to combat viruses is a worthy undertaking.**”

Sharon Gilbert states: “Transhumanism, also known as the H+ movement envisions a higher lifeform surpassing homo sapiens in favor of homo sapiens 2.0, a bioengineered construct that fuses man’s original genome with animal and/or synthetic DNA. For decades, laboratories have created chimeric combinations of animal, plant, and even human DNA under the guise of medical research. The stated goal is to better man’s lot by curing disease, but this benign mask hides an inner, sardonic grin that follows an ancient blueprint to blend God’s human creation with the seed of fallen angels: ‘You shall be as gods’. I warn of a day when true humans may unknowingly receive transhuman instructions via an implant or injection. A seemingly innocuous vaccine or identification ‘chip’ can initiate intracellular changes, not only in somatic or ‘body’ cells but also in germline cells such as ova and sperm. The former alters the recipient only; the latter alters the recipient’s doomed descendents as well.”

Cloning, DNA Manipulation & Corrupting The Seed

May 4th, 2008 by Dr. Scott Johnson |

The interpretation of **Genesis 6:4** that the Nephilim are half human, half fallen angel makes this very simple to understand. God made a way for man to be saved from his sin through grace by faith in His Son but He did not make a way for the angels that rebelled to be saved. **Therefore, a mixture of the two kinds would be a corruption and the result a ‘fallen race’.** It is interesting that Genesis tells us that ‘all flesh’ was corrupt in the days of Noah. What does that mean? We know that God destroyed all the animals as well as all people except those brought on the ark with Noah and his family. We will explore this topic further in this study. Now, what is man doing in creating these hybrids whether they are human/animal or plant/animal? Man is mixing kinds

together and creating a corrupt and defiled race. It does not matter what the percentage of human versus cow DNA there is, do cows go to heaven? Frankly, man is messing with things he has no right to manipulate – he is in effect trying to play ‘God’, which goes right back to the original sin in the garden.

The “Ancient Astronaut” Lie: The Shocking Origin of the “Intelligent Design” Theory

December 28th, 2007 by Dr. Scott Johnson

This is a special study I felt convicted to do after viewing a 27 minute internet video put out by the Raelian cult. This video does one of the most thorough jobs of condensing most of the coming “New Age/New World Order” lies that I have ever witnessed. Most of these lies seem so appealing to the unsaved, for the same reason Eve was seduced by the serpent in the Garden of Eden: **Because they promise: “Ye shall be as gods”**. If anyone buys into this then all accountability to a Holy God goes out the window & they feel they can live anyway they want. Satan is still “The most subtle best of the field” and he has not changed his tactics as you will see when you listen to this audio. In this teaching I will be playing the sound from this video and stopping to comment along the way so I can ultimately present a full rebuttal to this most egregious heresy. This “Ancient Astronaut” theory is going to unfortunately take many people to hell and is going to be one of the cornerstones of the grand deception the Antichrist will perpetrate.

The Intelligent Design LIE

August 20th, 2006 by Dr. Scott Johnson

In this study we will see how ‘Intelligent Design’ is NOT Biblical, but actually has its original roots in 19th Century Deism; in the New Age Movement; and currently in pseudo-science and mathematics which disbelieves Biblical Creationism. Yet, most Christians believe that ‘Intelligent Design’ is Biblical! In the 1990’s the New Age authors began to teach **‘Interventionist Creation’, in which Aliens came to earth millions of years ago and created Earth as we see it now (including all humans) and then they left. This heresy has now evolved into the modern day New Age theory that supposes that super-intelligent aliens intervened in world history at just the right time to create the world as we know it.** Today this theory has a new name (with pseudo-science and mathematics to make the concept believable) the term for this ‘new’ theory is ‘Intelligent Design’. So in other words (in its purest form) **this theory teaches that millions of years ago mankind was created by aliens claiming to be the gods of our creation. (AKA: The Ancient Astronaut Theory).**

The UFO Phenomenon: The Next Great Challenge for the Church?

August 23rd, 2009 by Dr. Scott Johnson |

The interest in the search for extraterrestrial life is huge-mainly fueled by the enormous popularity of science fiction (‘District 9’ being the latest example) and its depiction of advanced alien life on other planets. **Exopolitics is the growing movement that believes humans should publicly open dialogue with extraterrestrials.** Gaven C. wrote to Gary Bates: “...just been watching the European Exopolitics 2009 in Spain on-line, **Dr. Steven Greer (Of ‘The Disclosure Project’) is channeling aliens and encouraging everyone else to do so, the worrying thing is that they’re answering, and he briefs the president on such issues.** There seems to be a paradigm shift happening right now in our culture and **it’s taking the church by surprise.** It certainly strikes me that if Christians aren’t really founded firm on the Word with a creation world view then they will be hoodwinked by the E.T.’s, that these entities are here to “help us up to the next rung of our “evolutionary development”, even claiming to be our creators. Will this be the great falling away?

“Behind the scenes, high-ranking Air Force officers are soberly concerned about UFOs. But through official secrecy and ridicule, many citizens are led to believe the unknown flying objects are nonsense.” Admiral Roscoe Henry Hillenkoetter, First director of the CIA.

Strong Delusion: E.T.'s, Aliens, UFO's, Nephilim, Grenada Treaty

July 20th, 2008 by Dr. Scott Johnson | Treaty (6 Parts) 07/20/08 & 7/27/2008

<http://www.exopolitics.org/Study-paper-8.htm>

Matthew 24:38 & Luke 17:26 say: "And as it was in the days of Noe (or Noah), so shall it be also in the days of the Son of man." **What is the significance of this statement and how does it relate to the Nephilim, UFO and/or Alien Agenda?** The flood epic of Genesis 6 begins with a strange account of the 'sons of God' (or angels in the Old Testament), taking human wives. Gen 6:4: "There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown." The Hebrew word which is translated, 'giants' is 'Nephilim', which means, 'The fallen ones'. **Jude describes them as 'angels, having left their first estate'. These fallen angels came to earth for their own purposes & to corrupt the seed of humanity and ultimately destroy the human civilization** so as to negate the Biblical statement made below by God himself which says in: Genesis 3:14-15: 'And the LORD God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: And I will put enmity between thee and the woman, and between thy seed and her seed; **it shall bruise thy head**, and thou shalt bruise his heel.'

Ephesians 6:12 says: "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. The phrase "in high places", literally means: 'in the heavens'. Hence Satan is called 'the prince of the Power of the Air' in Eph.2:2. **Imagine a confederation of rebellious angels occupying the atmospheric heavens.**

Vatican Easing Humanity Toward Alien Disclosure?

May 25th, 2008 by Dr. Scott Johnson | <http://www.officialdisclosure.com/vatican-disclosure.htm>

Vatican chief astronomer Father Jose Gabriel Funes in a long interview with the L'Osservatore Romano newspaper this week made news by saying **'Just as we consider earthly creatures as 'a brother,' and 'sister,' why should we not talk about an 'extraterrestrial brother'?'.** The statements by Funes are the latest in a string of recent comments by Vatican astronomers confirming a belief that discovery may be made in the near future of alien life. **In asking whether little green men might be guilty of original sin, the Catholic theologian astronomers don't blink. Fr. Funes said he was sure that, if aliens needed redemption, they "in some way, would have the chance to enjoy God's mercy."** Vatican astronomer, Guy Consolmagno was more explicit: **there's no problem in getting the Son of God to every planet with ETs because, as Christians accept every Sunday during the Holy Eucharist, "Christ is truly, physically present in a million places, and sacrificed a million times, every day at every sacrifice of the Mass."** Consolmagno tackled this subject in a 50-page booklet entitled Intelligent Life in the Universe.

Approximately 7 years ago Monsignor Corrado Balducci made similar news when he **said ETs were actually already interacting with earth and that some of the Vatican's leaders were aware of it.** Before his death in 1999, maverick Catholic Jesuit theologian Father Malachi Martin hinted at such more than once. Some perceive this **as a careful doctrinal unveiling over the last 24 months & a deliberate effort by church officials to 'warm-up' the laity to ET Disclosure** We will also be looking at a Cutting Edge article entitled: Holographic Technology Takes Huge Leap Upward! Staging the Antichrist.

[The Shocking Face Of China's Brutal One Child Policy](#)

Paul Joseph Watson-Infowars.com-Thursday, March 29, 2012

This is the shocking face of China's brutal one child policy which many academics and pressure groups are now calling to be imposed in the west – the image ([click on the link above](#)) shows a 9 month old baby lying dead in a bucket, forcibly aborted by Chinese family planning authorities in the town of Moshan, Shandong province.

Because the parents of the baby already had a child, they were hunted down and forced to comply with China's draconian one child policy. The mother was injected with a poison that induced an abortion, but after the baby was “pulled out inhumanly like a piece of meat,” it was still alive and began to cry before doctors slung the defenseless child into a bucket and left it to die.

The time stamp on the image tells us the baby was killed on Monday. The image began circulating today on Weibo, China's version of Twitter, which has around 260 million members. The story has attracted widespread revulsion directed against the family planning authorities responsible for the murder of the baby.

China's one child policy is enforced by way of forced abortions, infanticide and compulsory sterilization. In many cases, women are literally kidnapped off the street by state goons from the “Birth Control Office,” driven to government hospitals, drugged, and their child is forcibly aborted.

In one case in 2009, both a young woman and her baby were killed after such an abduction in Liaocheng City.

“According to a Doctor at the hospital where the two died, the young woman was kidnapped by the “Birth Control Office” and taken to the hospital where she was forced to undergo an abortion procedure,” [reported the Epoch Times](#).

“The young woman fought with staff to protect her unborn child however a half a dozen men, pushed her down on a bed and injected her with a drug to induce labor. After the young woman had a still birth, she developed a massive hemorrhage and soon thereafter died.”

The practice of infanticide has its origins in barbaric eras of ancient history, but it is still common in many areas of the world today, including China where the one child policy allied with the social pressure to have boys has resulted in a massive imbalance in the population. Studies have found that 40 million girls are ‘missing’ in China as a result of gender-selective abortion and infanticide. In India, there are 50 million less females for the same reasons.

Advocates of population control, which is nothing more than a disguise for modern day eugenics, have long pressured for the one child policy to be enforced in the west. In 2009, [an article written in Canada’s National Post](#) argued for “A planetary law, such as China’s one-child policy, is the only way to reverse the disastrous global birthrate.”

In his 1977 book *Ecoscience*, current White House science czar [John P. Holdren floated the idea of forced abortions](#) and compulsory sterilization, amongst a raft of other draconian population control measures, all of which would be carried out by a “Planetary Regime”.

During a speech at Sichuan University last year, [Vice President Joe Biden told an audience that he “fully understands” China’s one child policy](#).

[News network CNN](#), in addition to [billionaire Ted Turner and other elitists](#), along with a whole host of pressure groups committed to pushing for population control, have all advocated the one child policy.

[As we reported last month](#), a paper published in the Journal of Medical Ethics authored by top academics at the [University of Melbourne argued that abortion should be extended to make the killing of newborn babies permissible, even if the baby is perfectly healthy](#).

The authors argued that “[both fetuses and newborns do not have the same moral status as actual persons](#),” and that because abortion is allowed even when there is no problem with the fetus’ health, “killing a newborn should be permissible in all the cases where abortion is, including cases where the newborn is not disabled.”

The scintilla of hope that we can take from this distressing story is the fact that this baby’s precious few minutes of life before it was murdered were not in vain and in fact could end up meaning more than most people who live to old age. Why? Because as a result of seeing this one image, scores of couples around the world could decide against having an abortion, saving many more babies’ lives in the long run.

The image also serves as a graphic condemnation of China’s arcane one child policy, as well as a warning that calls to impose similar population control measures in the west should be forcefully discredited, resisted and rejected at every turn.
