Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Listener Question Regarding Defending the Faith & the Zeitgeist Heresy

Jude 3&4: "Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you **that ye should earnestly contend for the faith which was once delivered unto the saints.** For there are certain **men crept in**

unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ."

I Corinthians 16:13: "Watch ye, stand fast in the faith, **quit** you like men, be strong."

II Corinthians 4:4: "In whom the **god of this world hath blinded the minds of them which believe not**, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant of his devices.**"

Psalms 94:16: "Who will rise up for me against the evildoers? or who will stand up for me against the workers of iniquity?..."

Matthew 7:15: "Beware of false prophets, **which come to you in sheep's clothing**, but inwardly they are ravening wolves."

II Peter 2:17-19: "These are wells without water, clouds that are carried with a tempest; to whom the mist of darkness is reserved for ever. **For when they speak great swelling words of vanity, they allure through the lusts of the flesh**, through much wantonness, those that were clean escaped from them who live in error. **While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage.**"

Subject: Advice

Hi brother Scott, i was wondering if you could take a look at this sometime...I am trying my best to uplift and defend our savior Jesus Christ and since uploading many videos on to my youtube channel debunking evolution in favor of creation, i am dragging in a lot of attack from atheists....I dont know if you would have time to expose this dangerous material or if you could maybe give me some pointers on how to shoot this down in flames, this is the first time i have come across this guy and the info he is putting out, here is the message i received on youtube along with the video:

The Bible

*i would like you Please to watch this vid, & i would like your Views Pls, i've sent this out to a good few ppl / pastors/ priests & **not 1 has got back to me, as the man in vid says your church ect will Not Tell you these things,***
http://www.youtube.com/watch?v=WsAfZZJlkcU&list=HL1334904950&feature=mh_lolz

I am going to start looking for what i can to debunk and expose this guy.

God bless and much love in Christ

ian

Scott Johnson's Response:

Ian:

Yes you better believe I have a response to this devil. This is the whole Zeitgeist garbage rehashed & I totally debunked it in the following teachings (also see the PDF's connected with these teachings):

This guy is promoting pure occultism and lies!! He is bent on taking as many souls to hell as possible, even though he fancies himself as so "righteous" & "with it" & "logical" & "level headed".

The whole immaculate conception goddess, bearing a god child savior is a Satanic counterfeit going all the way back to Nimrod, Semiramis and Tammuz. Satan knows the Bible very well and its prophecies of a savior coming (that would bruise his head- **see Gen 3 (which predates all false religions & bogus Zeitgeist religious concepts)**.) and be born of a virgin (see link below for these prophecies and hundreds more that Satan was aware of); and knowing this he set up many false religions ahead of time (and afterward) **with a partial resemblance of the one a true religion through Jesus Christ**. He is the master counterfeiter, but listen to my audios above for a much deeper explanation of all this. Even if some of these supposed religious figures were crucified (**which I doubt very much**) the difference between all these dead religious figures Krishna, Buddha, etc.. **is that their bodies are still in the grave while our Saviour Jesus Christ rose from the grave on the third day and was seen by thousands afterward and ascended into heaven (also witnessed) and is seated at the right hand of God the Father Almighty & fulfilled 456 prophecies perfectly in the process** (see my last teaching: [Remote Viewing Exposed & Jesus Christ's Existence Proven a Historical and Biblical Fact](#). **Krishna did not do this; he is dead and in hell just like all the other false deity like religious figures.**

Also the whole "Amen" word meaning Amen-Ra (the Sun God) is so weak and pathetic. Here is what the etymology of what the word means:

Atheism

The belief that there was nothing and nothing happened to nothing and then nothing magically exploded for no reason, creating everything and then a bunch of everything magically rearranged itself for no reason what so ever into self-replicating bits which then turned into dinosaurs.

Makes perfect sense.

Hey, brother! Do you think

there's a life after birth? Do you believe in Mom? - Nah, I don't believe these things, I'm an atheist. I mean, have you ever seen Mom?

It is appointed unto men once to die, but after this the judgment

There is a way that seemeth right unto a man, but the end thereof are the ways of death.

Planned Parenthood has released a pro-abortion prayer guide, urging their anti-life followers to pray for more abortions and calling it "sacred care." The abortion industry truly does worship at the altar of abortion.

40 Days of Prayer Supporting Women Everywhere

Written by Faith Aloud

Day 1: Today we pray for women for whom pregnancy is not good news, that they know they have choices.

Day 2: Today we pray for compassionate religious voices to speak out for the dignity and autonomy of women.

Day 3: Today we pray for our daughters and granddaughters, that they will always know the power of making their own good decisions.

Day 4: Today we give thanks for the doctors who provide quality abortion care, and pray that they may

Day 9: Today we pray for women who are afraid of their lovers. May they find the confidence to turn away from abuse and take care of themselves.

Day 10: Today we pray for women who were joyfully expecting a child, but have learned that the pregnancy is not sustainable.

Day 11: Today we pray for better access to all forms of birth control.

Day 12: Today we pray that women know the power of their own stories. May they find their voices and tell their truths.

Day 13: Today we pray for the men in our lives, that they may offer their loving kindness and support for women's difficult decisions.

Day 14: Today we pray for Christians everywhere to embrace the loving model of Jesus in the way he refused to shame women.

A prayer campaign launched by a California Planned Parenthood affiliate has angered pro-life groups who claim the counter-campaign mocks their own "40 Days for Life" effort. Officials at Six Rivers Planned Parenthood in Eureka, Calif., launched "40 Days of Prayer" last month and has **offered up daily prayers for pregnant women and clinicians who perform abortions.**

Day 18 offers prayers for "staff at abortion clinics around the nation," while Day 38 calls for a **"cloud of gentleness to surround" every abortion facility in the country.**

The campaign, according to Liberty Counsel, an Orlando-based pro-life litigation group, is another "desperate attempt" to regain positive public attention and funding by mimicking a pro-life campaign.

"Planned Parenthood's prayer crusade is an attempt to mock and marginalize the '40 Days for Life,' which has unified half a million voices for the cause and saved at least 5,838 lives," the organization said in a statement. **"As a direct result of this prayer event, 22 abortion clinics have closed and 69 doctors have stopped performing abortion."**

Six Rivers Planned Parenthood officials referred inquiries **to Faith Aloud, a St. Louis-based religious organization that composed the prayers. Rev. Rebecca Turner,** Faith Aloud's executive director, told FoxNews.com that the prayers were written four years ago, but this is believed to be the first time they've been used by a Planned Parenthood affiliate. **She denied allegations that they are meant to mock the "40 Days for Life" campaign.**

Scott Johnson's Teaching: Massacre of Innocence – The Occult Roots of Abortion

'Create the family you want: Boy or Girl': Sex selection advertized in Canadian newspapers

by [Peter Baklinski](#)--VANCOUVER, British Columbia, April 19, 2012 (LifeSiteNews.com) – In the wake of [a new study](#) that indicates that unborn girls are being targeted for abortion by certain

immigrant groups in Canada, evidence has surfaced that sex selective in vitro fertilization (IVF) is being regularly advertised in Canadian news papers.

A fertility clinic in Washington state has been targeting Indo-Canadians in British Columbia with an ad encouraging them to “create the family you want: Boy or Girl.” The ad features a picture of an ethnic boy and girl attired in traditional Indian garb.

A [website address](http://www.seattleivf.com) in the ad directs parents interested in sex-selection to the Washington Center for Reproductive Medicine where they learn that **preimplantation genetic diagnosis (PGD) is the clinic's preferred method for "selecting an embryo of known gender facilitating family balancing"**. Sabrina Atwal, project director for the Indo-Canadian Women's Association in Edmonton said she was "appalled" by the ad and that it **was indicative of the devaluation faced by women and girls in Indo-Canadian communities.**

"Girls are fighting for their lives before they're even born," she said.

According to the clinic's explanation of the sex selection process, **after the artificial joining of numerous sperms and eggs, the clinic performs biopsies on the newly created human beings to identify the ones that bear XX (female) or XY (male) chromosomes. With the PGD method, the clinic "virtually guarantee[s] successful gender selection."**

In IVF embryos that are not implanted **are typically destroyed** or frozen for later use, or scientific research.

In an [op-ed](#) that appeared yesterday in the National Post, Kelly McParland chided Canadians who might be appalled by current practices such as sex selection in what he called the country's "free-for-all baby market".

With no law on abortion in the country, McParland pointed out **that the sex selection clinic would be "perfectly justified" in going even further.**

McParland pointed out the colossal **logical conundrum faced by pro-abortion feminists who have built an empire on the ideology of 'abortion on demand for any reason' and who are now even willing to sacrifice another female's life by defending sex selection for the sake of holding fast to their ideology.**

"Sex selection ... puts feminists in the **odd position** of defending the right of women to decide against female babies on the basis that females aren't as valuable or desirable as males."

"How much more discriminatory can you get than advocating the inherent value of one sex over the other?"

"Don't ask me, ask the feminists. It's their position, not mine," concludes McParland.

Greece in Receivership – Planned Financial Crash Date From Bank Insider

I write to you today to let you in on what some of the insiders at RBS, UBS, and Goldman Sachs already know. Greece has defaulted in secret. The strip mining of it's lands, wares, resources, and infrastructure has begun and is in fact final stages. That is the reason that the current technocrat in power is a former operative at Goldman Sachs. Same goes for Italy. We have already begun the proceedings in secret to absorb more of Greek banking, along with PNB Paribas, SAG, and Santander. They will keep the Euro afloat as long as possible. Next action will be Italy and Spain before the full "public" MSM announcement of Greek default will be official. By then the same strip mining pillage/programs will have already begun finishing their work on the rest of PIIGS. Look for a Euro crash end of 2012 followed by (**according to multiple sources**) a Dollar Collapse two weeks later. [more](#)

Debt-ridden Countries IMF'd as "Euro Collapse" threat lures Bailout Bucks

European banks are under pressure to raise capital and the Euro could collapse triggering panic in financial markets and another great depression. These are all warnings coming out of the international monetary fund. Central banks haven't been waiting — they appear to be moving away from the euro by buying more gold. We'll talk about it. And while we are on the topic of the IMF as policymakers descend upon Washington for the spring meeting — it seems all about raising money to boost the IMF's fire power aimed at putting out Europe's debt crisis. But what about defaulting on the debt? How much debt can you throw at a problem caused by too much debt? Economist Michael Hudson joins us to give us his take. He always says "debts that cannot be repaid won't be repaid."

Jim Sinclair - Expect Another \$17 Trillion of QE & War in Gold: On the heels of the Fed members commenting publicly, legendary trader and investor, Jim Sinclair, told King World News that once you start quantitative easing, such as we have had \$17 trillion, how in the world do you pull back from it? How do you stop without having everything collapse behind you? QE to infinity. If we've done over \$17 trillion already, **do you think we won't do another \$17 trillion?** When asked how he knew there would be 'QE to infinity,' before anyone else, Sinclair responded, "How does anyone know an answer to a question? By being told. By having sources. I'm half a century in the business. I've constantly kept up my contacts in a very unique and focused way. Quantitative easing was made clear to me, prior to Bernanke's speech to the Washington group, prior to quantitative easing." Here is what Sinclair had to say about the action in gold: "\$1,650 is a comfortable number (for central planners). Haven't you seen the tremendous jawboning and market intervention to hold gold in that range at \$1,650? "It's a formidable challenge (keeping gold below \$1,800). The true range of gold is \$1,700 to \$2,111, **but these guys are going to try to fight it like nobody's business.** [more](#)

Gold and Silver--Biblical Examples

1. **Gold and Silver, as is all of creation, are from God, and given to man for good use, for a useful purpose. (Genesis 1:28, Gen 2:12.) Gold, silver, seed, and flour, were all used as money. (Lev 27:16, 2 Kings 7:1) The vast majority of the time that gold and silver are mentioned in the Bible, it is in reference to the wealth of the kings of Israel or to the wealth of the temple of the Lord. Gold and silver were used in the workings and furnishings of the ark of the covenant, and the vessels in the temple. Therefore, gold is definitely the approved by God for men to use as money and as a store of wealth.**

2. The people were to have and use "just weights and measures". The standard Hebrew units to measure the weight of things such as iron, stone, flour or anything, were the shekel or talent (or other measures), and also used to measure the weight of gold and silver. Unjust weights and measures were "an abomination to the Lord". (Lev 19:35, Deut 25:15, Prov 20:10)

The two evils that are most frequently mentioned with regard to dollars is that, one, dollars are not a just weight and measure, and two that all dollars brought into the economy are done so when either the government or the people borrow money from the banks (who borrow from the Federal Reserve) at interest. So all dollars created are debt and the more that are printed the more in debt a society becomes.

Crashing the New World Order & Silver

With the dollar as the underpinning of Washington's war of terror, silver offers a tangible savings account in a **money that cannot be printed ad infinitum and used to police the world through atrocious wars.**

The truth of the matter is that, when the aggressive short positions of multinational banks such as JP Morgan and HSBC are understood, **it is simple to see that a considerable rise in the price of silver means a loss of trillions of dollars for these banks.**

These banks will continue engage in massive short positions **that are nearly equivalent to the entire yearly supply of physical silver, and threaten the stability of our lives. Washington D.C. does not work to come up with populist solutions, but, instead, works on behalf of the same international banks which, as owners of the Federal Reserve, control the "boom-and-bust business cycle."**

For that reason, physical silver, as well as gold, platinum and palladium, is a great form of financial security against the economic uncertainty plaguing the world. Of course, preparing for the worst through storable foods and water is a necessity. **But, holding the money of the people – silver – is a direct action against the fiat-based global money system.**

Precious Metal Recommendations

My general recommendations are to buy from someone local or semi-local so you can actually go to them to buy the silver. Preferably do nothing online or anything that leaves a paper trail. Flea markets are usually the best place to buy as it is easier to be confidential and they have low overhead at flea markets so you can usually get better deals. Recommend buying a mixture of 1 oz. 99.9% silver rounds, junk silver coins like poor condition (made in 1964 and before) quarters, half dollars, dimes (see below). War nickels are also good (see below). These are denominations that can be bartered with easier, as you can make change with them whereas you would not be able to do this if all you had was 1oz. silver rounds or even harder 1 oz. gold rounds. Older United States silver coins (made in 1964 and before) are now in demand because of their silver content. (Many were melted down years ago.) At one time these were referred to as - junk silver - because they had no special collector value at the time. [Junk silver](#) is still used today to refer to old silver coins. However, times have changed. Today's "junk silver coins" are becoming harder to find.

\$1.00 worth (face value) of silver dimes weighs the same (and has the same silver content) as a \$1.00 in silver quarters, which also weighs the same as \$1.00 in silver half dollars. For example, 10 dimes, 4 quarters, or 2 halves all have the same weight and are 90% pure silver composition.

[Silver "War" Nickels 1942 - 1945](#)

Silver "War" nickels were produced by the United States from mid-1942* through 1945. The coins were manufactured from 56% copper, 35% silver and 9% manganese. This allowed the saved nickel metal to be shifted to industrial production of military supplies during World War II.

Silver nickels are distinguished by a slightly different coloration than ordinary nickels **and by the appearance of a large mintmark above Monticello's dome on the reverse side of the coin. The marks are "S" for the San Francisco mint, "D" for the Denver mint and "P" to indicate production at the Philadelphia mint, being the first coin to feature the Philadelphia initial, as no mint mark was the usual designation for Philadelphia mintage before 1979.**

* Note that some 1942 nickels were produced without silver content. These will have a small "D" or "S" mint mark to the right of Monticello on the reverse or in the case of Philadelphia minted coins, no mint mark at all.

[Bill Allows IRS to Deny Americans Right to Travel](#)

Senator Barbara Boxer's MAP-21 ([Moving Ahead for Progress in the 21st Century Act](#)) is headed to the House after clearing the Senate last month. Boxer's bill allows the federal government to revoke the passports of citizens the IRS claims owe taxes.

"There is no requirement that the tax payer be guilty of or even charged with tax evasion, fraud, or any criminal offense — only that the citizen is alleged to owe the IRS back taxes of \$50,000 or more," reports [The Daily Economist](#).

In other words, the Fourth Amendment will become irrelevant in many taxes cases if this legislation makes it through the House. MAP-21 does, however, face opposition by some Republicans.

In order to blunt criticism, Boxer's bill is being portrayed in standard class warfare fashion — according to [CBS](#) and others, **saying the law will be used to go after wealthy tax scofflaws who owe the IRS \$50,000 or more, so the average citizen need not worry.**

But in fact the IRS routinely leans on the little guy and small business owners. For instance, in 2010 the owner of a car wash in Sacramento, California, was harassed by the IRS after the government said he owed **four cents in back taxes** (which became \$200 after three years of penalties and fees).

The IRS is also used by the establishment as a political weapon, as various Tea Party organizations around the country recently learned.

“In January and February of this year, the Internal Revenue Service began sending out letters to various local Tea Parties across the country,” writes [Colleen Owens](#). The federal wealth confiscation agency asked the political groups to identify their volunteers and donors. “What possible reason would the IRS have for Tea Parties to ‘name your donors’ when said donations are non-deductible?” Owens notes (most Tea Party organizations are nonprofit 501(c)(4) and donations are not deductible).

Chief Justice [John Marshall](#) once observed that **“the power to tax involves the power to destroy”** and that is precisely what the government often attempts to do, as former Florida House Speaker [Marco Rubio](#) discovered in 2010.

The IRS is no longer strictly about taxes. “Top IRS officials have been working with Democrats on Capitol Hill to determine how the agency will enforce President Obama’s new health care law. Republican lawmakers estimate the legislation will require the hiring of many thousands of new (and armed) tax enforcement agents,” [Fox News](#) reported last month. “Under the new law, the IRS is required to fine taxpayers thousands of dollars if they do not purchase health insurance. In order for the government to enforce compliance, tax authorities will need information, for the first time, about people’s health care. Collecting that data will require more IRS personnel.”

In short, **the IRS will act as an enforcer – armed to the teeth – for Obamacare**, that is if it is not ruled to be unconstitutional by the Supreme Court in June.

The IRS is but one component of an increasingly tyrannical and militarized federal government. **“The Department of Homeland Security recently stoked concern by contracting a company to provide them with 450 million rounds of hollow point bullets.** The contract stipulated that ATK would provide Homeland Security with 450 million rounds of bullets over a five year period. The federal agency also purchased 200 million rounds of bullets back in 2009 and has an open bid for up to 175 million rounds of .233 caliber ammo.

[As the American Dream blog](#) pointed out, **“The Department of Homeland Security is only supposed to be shooting at people very rarely. It simply does not make sense that they would need so much ammunition.”**

Now the federal agency is also purchasing **bullet-proof checkpoint booths that include ‘stop and go’ lights,** writes [Paul Joseph Watson](#) today. A press release from Shelters Direct brags about how they are providing the DHS with bullet resistant guard booths. [Images of the booth from the company’s website](#) suggest the guard shacks will be used to control checkpoints. **The DHS has publicly announced that it plans to increase the number of unannounced checkpoints manned by TSA VIPR teams and other federal agents beyond the 9,300 that were set up last year alone.**

The IRS move on supposed tax scofflaws by denying them the ability to travel abroad is part of a larger effort to control the movement of citizens in the same way citizens in the Soviet Union were forced under propiska laws to ask the government for permission to travel – and exiled dissidents were forced to live in isolated far-flung towns under virtual house arrest.

As [we noted in 2011](#), an internal passport for Americans is codified under the December 2004 Intelligence Reform and Terrorism Prevention Act. If fully implemented, [Ron Paul](#) has warned, it will allow **“the government to establish a Soviet-style internal passport system” that would subject “every citizen to surveillance and screening points” of the sort the DHS is now expanding across America.**

Tehran Says If Iran Is Attacked, Nuclear Devices Will Go Off In American Cities

Kayhan, the influential Iranian newspaper that is under the direct supervision of the Office of the Supreme Leader, reports that if Iran is attacked, there will be nuclear blasts in American cities. Also in the article, the Fars News Agency, run by the Iran Revolutionary Guard Corps, quotes This warning raised the pitch of Iranian anti-US rhetoric to a new high Tuesday, April 13, as 47 world leaders gathered in Washington for President Barack Obama’s Nuclear Security Summit. The statement published by Kayhan said: **“If the US strikes Iran with nuclear weapons, there are**

elements which will respond with nuclear blasts in the centers of America's main cities," For the first time, DEBKAFfile's military sources report, Tehran Indicated the possibility of passing nuclear devices to terrorists capable of striking inside the United States. [more](#)

PEDOPHILE SYMBOLS AND CODES

[July 7, 2009](#) - **Posted by TUECAA** I recently posted a comment left by a supposed self-proclaimed pedophile, in which he suggests my pedophile symbol collection is outdated by listing variants he and his ilk often use to fool the public. After posting the comment, I was asked for more information on the symbols. I have gone through all of the posts I've made previously to gather the symbols and online codes into this one post for easy reference. Please, feel free to copy and paste the following anywhere and everywhere you feel it will do some good.

PEDOPHILE SYMBOLS WE ALL RECOGNIZE:

(U) BLogo aka "Boy Lover"

(U) LLogo aka "Little Boy Lover"

(U) BLogo jewelry

(U) GLogo a.k.a. "Girl Lover," "Childlove"

(U) CLogo a.k.a. "Child Lover"

(U) CLOMAL a.k.a. "Childlove Online Media Activism"

(U) GLogo Pendant

(U) BLogo imprinted on coins

These images were discovered by undercover volunteers on a website created by online sexual predators, where they instruct young girls and children that sex with older men is natural and their parents are lying to them and cannot be trusted because they are possessive and don't want their children to feel good.

It has been speculated by some around the net in discussion about these symbols that these meanings and even existence of the symbols are untrue, but those statements have been made by pedophiles whose primary goal it is to corrupt exposed discoveries about them. These people have often used these symbols on their own websites, and the jewelry is no figment of the imagination!

- A heart within a heart, or "GLogo" "GirlLover" is used by pedophiles attracted to girls. The heart in a heart, to them, represents a adult/ female child relationship.
- A blue spiral-shaped triangle symbol, or "BLogo" "BoyLover", symbolizes a boy (small triangle) surrounded by an older male (larger triangle)- and is meant to show adult/male child relationships.
- The butterfly CLogo a.k.a. "ChildLover" (commonly looks like four touching hearts) in pink/blue represents non-preferential gender pedophiles (girl or boy attracted, often both).
- The yin-yang looking circle is CGlogo, used in reference to the website, Common Ground, which was created as a place for both girl and boy attracted pedophiles to meet and sympathize with each other.
- The pink/blue triangles is "AmaroSymbol" is a variation of the CGLogo.

Recently, I received a comment from a suspected pedophile bragging about the newest additions to their collections. These logos were not created by them but are already in place as

innocent designs for unrelated issues. The purpose for using these common images is to fool society into not thinking twice when seeing someone wearing these items. In the words of the person who commented to me:

We do not adhere strictly to the shapes you posted. We can modify them slightly and still recognize other girl and boy lovers. I am sure you have seen the new necklace designed by Jane Seymour. You probably have a pendant of your own. The ladies like them. So do little girls and little girl lovers. When asked about mine and why I wear a bit of woman's jewelry, I say it is a reminder of my dead wife and child. Don't you know, people don't like talking to widowers because it is a sore subject. They would rather change the subject fast, and so I escape further prying into my necklace that signals other girl lovers that I am a GL. For my BL attraction, I don't the wiccan triple knot. I know too of GLs who use the Roxy surfer girl heart logo and BLs who use the pagan vaulknot. These are both variations of the GL heart logo and the BL triangle logo but the public will never know the difference.

The items to which he is referring:

Alice Day is a celebration by pedophiles and child rapists, who have distorted the relationship between Alice Liddell and Charles Dodgson – author of Alice's Adventures in Wonderland (though you know him by his pen name of Lewis Carroll). They claim there was a sexual

relationship between he and the child just because he would take her and other children on rowing trips telling them stories he would create through his own imagination. This has become known as “the Alice myth” and has absolutely no foundation in truth.

This was accompanied by the naming of the pedophile site used to lure young girls in a way to introduce them to sex with older men, the site named Annabelliegh, or Girl Chat. This is [their twisted distortion](#) of Edgar Alan Poe’s poem, Annabel Lee.

The pedophiles and child rapists have adopted what they call “Alice Day” in celebration of who they revere as a pedophile’s hero and their own sick ideas of little Alice and children like her, of enticing children with stories and any other means to gain a victim.

There are many ways pedophiles and sexual predators will celebrate this day and this month:

1. Find activities in their area involving children – such as parties, park outings, sporting events

– They will watch the children, photograph the children, and attempt to have a BM or GM, which stands for “Boy Moment” and “Girl Moment”. This includes a conversation with the child, in which they could gain information to get to the child at a later date. However, this could also include just sitting back watching a particular child at play.

They appraise a child’s form as if it were that of a stripper in a club, and they write the moment down later for their friends – online and in real life – with added feelings of desire they had while exploring the child’s body with their eyes and filthy mind.

Please keep in mind that a child does not have to be nude or in a bathing suit to be visualized that way by these people.

2. Seek victims for themselves

– either through the first option or by riding around looking for easy targets: children walking alone, children playing outside with no supervision, children wandering in a store with an inattentive parent... I don’t have to tell you the rest as “victim” says it all.

3. Seek victims for others – through option 1 as well as option 2.

The information they attain through their Boy or Girl moment is not always kept to themselves, especially on Alice Day. They get that information and share it to their pedophilia ring friends so that others will have a chance at acquiring a victim at a later date. The children they snare also often become shared sexual toys for themselves as well as others in their group.

4. Wear pink and Girl Logo images.

Additionally, I recently [posted remarks by pedos](#) on a pedophile site in regards to the attire they wear to celebrate [Alice Day](#) and the lighting of pink candles:

[FreeThinkerGL](#)

*I will be wearing my GLogo t-shirt with my GLogo pendent for all to see!!!. I guess I will be doing what I do everyday, just hangout with friends and maybe if it’s nice out, skateboard a bit etc. I don’t have a LG friend so I won’t be spending anytime with little girls or boys **but I will go to the park and LG watch**. I also try to do a bit of CL activism on Alice Day or any day for that matter, in the sense that every time I see an opportunity **I drop off a few pamphlets, flyers and cards that I always carry around in my backpack**.....My suggestion to you or to anybody who reads this post is to **celebrate Alice Day by lighting a pink candle in you’re home or in public with a small note attached explaining what this holiday is about and what it means to be a girl lover.***

[silentmist](#)

I will be spending the day at a local market filled with beautiful LG’s. Kinda boring, but I will at least be wearing a pink t-shirt. I doubt anyone will catch on, but you never know 😊

[lall](#)

I think the t-shirt thing is just to wear any kind of a pink shirt on Alice Day. That way if any asks if you’re a pedo, you can claim you have no idea what they’re talking about...and how dare they insinuate such a thing! lol.

A Public Safety Information Bulletin

"PedoBear" as the original Internet meme on left, and the incarnation of "PedoBear" handing out Free Candy at San Diego's Comic Con.

A Seemingly Innocent Menace: An Introduction to "PEDO BEAR"

What's a Pedo Bear?

First, some definitions:

Pedophile – one affected with pedophilia

Pedophilia – sexual perversion in which children are the preferred sexual object

Internet Meme – a image, catchphrase or concept that spreads rapidly from person to person via the internet, largely through internet-based email, blogs, forums, imageboards, social networking sites and instant messaging

In recent years, PedoBear, Pedo being a shortened version of Pedophile, started as an "Internet meme". PedoBear originated in Japan as a cartoon meme, **known for his lecherous nature towards prepubescent children.** Multiple Internet postings and photos are available of PedoBear. The Internet postings and photographs, some photo-shopped and some not, **refer to children in a sexually provocative manner. His cute face and non-threatening appearance negate the truth of his sinister, much darker side.**

In fact, one of the things that make PedoBear popular is the controversy surrounding his licentious love of little girls. **PedoBear is and should be associated with the Internet and pedophiles who reportedly use him to communicate their interests in young children to each other.**

At the San Diego Comic Con 2010 in July of this year, law enforcement discovered an individual dressed in a **PedoBear costume, handing out candy and being photographed in contact with attendees, including multiple children.** Once identified, the young man and his costume were excluded from the family-friendly event.

Following this introduction to PedoBear, it was found that his attendance was documented in photographs, which were readily available on the internet. And his presence is not restricted to this particular event.

PedoBear posed for photos with attendees at San Diego's ComicCon

PedoBear posing with a young ComicCon attendee.

This use of this event for malignant means became obvious, when looking at the pictures and realizing their context. Disguised as innocence, this underground community that would make victims of our children teasingly reaches out into the light of day. Law enforcement's concern is what their ultimate intentions could be.

Since the Comic Con, law enforcement in San Diego, with this new knowledge of PedoBear's existence, has come across PedoBear's image in situations during which they were contacting those that exploit and/or abuse children.

The intention of this bulletin is to make the community aware of Pedo Bear's image both on the Internet and in reality, and alert citizens that his presence may be an indicator of the presence of individuals who have a predilection to sexually inappropriate, or even, assaultive behavior.

While not an absolute, the image of PedoBear should be a sign that you should use caution with whatever situation you are in or the individuals involved.

Be aware of your community events and the elements who might be lurking at them.

There are also [abbreviations you should be aware of](#). The intention is to classify their interests for other pedophiles within their ring:

- AoA: Short for “age of attraction” meaning the age groups of children they are attracted to
- MAA: Minor attracted adult (used in reverse of the word “pedophile”, though it is the same and places the child as responsible for the abuse)
- AoC: Age of (legal) consent
- CL: ChildLover/pedophile
- GL: Girl Lover/Attracted to girls
- BL: BoyLover/Attracted to boys
- YF: Young Friend, used when speaking about a victim
- CP: Child Porn (Which could mean anything from photos of naked or half-naked children to photos of actual child rape/torture)
- LG: Little Girl
- LB: Little Boy
- GM: Girl Moment – which is time spent with a young girl (that can either be a passing second consisting of nothing more than a glance or a smile, or a lengthy visit with a girl);
- BM: Boy Moment – same as Girl Moment

Then there are the chats, or message boards:

- CG: known as Common Ground, a place for pedophiles of both preferences. Common ground, while being the one that touts of being for “all” pedophiles is less used than either of the other forums:
- GC: GirlChat- for those that favor victimizing girls
- BC: BoyChat- for those that favor victimizing boys

and Pedophile Organizations:

- **NAMBLA: North American Man/Boy Love Association**
- **IBLD: International Boy Love Day – this is an actual Pedophile Holiday celebrated by them on June 23 of each year.**
- **Newgon: Pedophile version of Wikipedia**
- **CLOMA: Child Love Online Media Activism**

The main message of the pedophile commenters quoted above, and all pedophiles, **was that no one cares about abused children because society refuses to speak of it or even acknowledge that.** I believe it is high time to change that, and I have something in mind to deal with it, which I will be posting about soon. Be prepared to stand with me.

Never forget: In the fight against child sexual abuse, there are only two sides – For or Against. Those fighting “For” are pulling no punches. Can those “Against” say the same?

Hi Scott, This interview goes along the path of what you were doing in Florida, (Stargates/ Portals / casting demons off lands etc)...After 1 yrs of prayer this "witchcraft shop" here in town folded up and left and now has been replaced with a "Sport Shop" / fishing ! 😊 We seem to follow along the same line when experiences are talked about .

It starts off with the "Milk" to lay a foundation then by the 150:00 minute mark the Meat starts to be talked about and this will not be for the "faint in heart"...

I have been doing the same thing you were doing with praying against and claiming back the land ... So as I continue to pray over Tampa, FL, this study I'm sending you will help your listeners to grasp how deep this rabbit hole goes ...

[Spiritual Warfare/Remitting Prayer Guidelines](#)

Father God in the name of the Lord Jesus Christ I come before you in prayer and ask that you would cleanse and forgive me of all iniquity, sin and transgressions that I am guilty of before you in any, way, shape or form as I forgive those that have sinned against me.

Psalm 19:12-14 ...cleanse thou me from **secret faults**. Keep back thy servant also from **presumptuous sins**; let them not have dominion over me: then shall I be upright, and I shall be innocent from the great transgression. **Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight**, O LORD, my strength, and my redeemer.

Ephesians 6:10-17: "Finally, my brethren, be strong in the Lord, and in the power of his might. **Put on the whole armour of God** that ye may be able to stand against the wiles of the devil. **For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places**. Wherefore take unto you the whole armour of God **that ye may be able to withstand in the evil day**, and having done all, to stand. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; And your feet shod with the preparation of the gospel of peace; **Above all, taking the shield of faith**, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of salvation, and the **sword of the Spirit, which is the word of God**:

Jeremiah 23:29: "**Is not my word like as a fire? saith the LORD; and like a hammer that breaketh the rock in pieces?**

Hebrews 4:12: "**For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.**"

Psalm 100:1-5: Make a joyful noise unto the LORD, all ye lands. Serve the LORD with gladness: come before his presence with singing. Know ye that the LORD he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture. **Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name**. For the LORD is good; his mercy is everlasting; and his truth endureth to all generations.

Praise and worship be to the Lord Jesus Christ, the God of all created beings. For by Him; the salvation, and the power, and the Kingdom of our God and the authority of His Christ have come.

As a Christian, I now give testimony to the authority of the Lord Jesus Christ, the Messiah, the Holy One of Israel over this place (known as) _____. As a 'Born Again', saved Christian I bind & rebuke (through the Blood of the Lord Jesus Christ & the power of the Holy Spirit) any and all wicked **spiritual forces of evil, including all demons, fallen angels, rulers, princes, principalities, authorities and cosmic powers of this Dark Age** who are not of the true Lord Jesus Christ as He sees and numbers them in this place; & if it be the Lord's will that they be **cast into the abyss until it is their time to be cast into the lake of fire for eternity** & that no more evil entities will be able to come to take their place.

By the power of the Lord Jesus Christ, all forces of evil within this place are now bound, rebuked & silenced from any and all communication, interplay or interaction between themselves or any other forces of evil.

Matthew 16:19 says: " And I will give unto thee the keys of the kingdom of heaven: **and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.**"

I loose the Holy forces of the Lord Jesus Christ by the Blood of the Lamb, by the power of the Holy Spirit and by the Sword of the Spirit which is the Word of God. In the name of the Lord Jesus Christ I bind & rebuke any & all evil entities coming against anyone in the process of gathering here and/or against any member of their families and/or properties. I now rebuke & repel any counter-attack launched after this gathering in the name of the Lord Jesus Christ. In the name of the Lord Jesus Christ, I now bind & rebuke any darkness brought into this place of gathering by those who gather. Such darkness is now rendered utterly powerless by the Blood of Christ Jesus, the Light of the world, and cannot communicate, interact or interplay with themselves or any other evil forces. Nor can they influence, harm or inhibit any of those who gather here.

I now seal this place by the **Blood of the Lamb** shed on the cross of Calvary. I invite with thanksgiving, the full and manifest presence of the Holy Spirit of God to come and dwell here with all wisdom and knowledge for the glory of God through His Son Jesus Christ, the Holy One of Israel.

In the Name of Christ Jesus, I bind & rebuke any manifestations during or after these proceedings which are not in our Lord Jesus Christ's perfect will.

I pray in the name of the Heavenly Father, In Your Loving-kindness that the Comforter (the Holy Spirit) would bring all things to our remembrance which He would have us deal with at this time and we thank You for it. I submit totally unto the Will of the Holy Father & the Son, and praise You for Your manifest presence, power and protection of Your children here today, in Jesus' mighty Name and for His sake.

A believer's authority to do these things:

1Pe 2:9 But ye [are] a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light:

2Cr 5:18 And all things [are] of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation;

2Cr 5:19 To wit, that God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them; and hath committed unto us the word of reconciliation.

2Cr 5:20 Now then we are ambassadors for Christ, as though God did beseech [you] by us: we pray [you] in Christ's stead, be ye reconciled to God.

2Cr 5:21 For he hath made him [to be] sin for us, who knew no sin; that we might be made the righteousness of God in him.

This procedure is very powerful as the word of God says:

Hbr 4:12 For the word of God [is] quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and [is] a discerner of the thoughts and intents of the heart.

Hbr 4:13 Neither is there any creature that is not manifest in his sight: but all things [are] naked and opened unto the eyes of him with whom we have to do.

Hbr 4:14 ¶ Seeing then that we have a great high priest, that is passed into the heavens, Jesus the Son of God, let us hold fast [our] profession.

Hbr 4:15 For we **have not** an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as [we are, yet] without sin.

Hbr 4:16 Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need.

Praying and fasting prior to going to cursed places or demonic strongholds is essential. The stronger the stronghold the longer the process and a group of people doing this will amplify and accelerate this process. For example is 50 people fast and pray for a day it is equivalent to 50 days of fasting and also the Bible says:

Lev 26:7 And ye shall chase your enemies, and they shall fall before you by the sword.

Lev 26:8 And five of you shall chase an hundred, and an hundred of you shall put ten thousand to flight: and your enemies shall fall before you by the sword.

Lev 26:9 ¶ For I will have respect unto you, and make you fruitful, and multiply you, and establish my covenant with you.

According to Henry Gruver this is the order these procedures need to be done in; through the name of the Lord Jesus Christ (authority), through His Blood (for the remissions of sins that were committed there and/or by the person you are focusing on) and His Body (for the body of those that transgressed and were violated there) and the Mind of Jesus Christ (for the sinful minds of the transgressor & those that were violated there) and His Spirit (for the spirits of the transgressor & those that were violated there). When you go to an area where sins were committed you claim the above mentioned points as a payment for the debt/transgressor and those that were violated.

John 20:21-23 "Then said Jesus to them again, Peace be unto you: as my Father hath sent me, even so send I you. And when he had said this, he breathed on them, and saith unto them, **Receive ye the Holy Ghost: Whose soever sins ye remit, they are remitted unto them; and whose soever sins ye retain, they are retained.**"

*In the name of the Lord Jesus Christ, **through of the shed blood of Jesus Christ I remit the sins** that were committed by this person **and/or** over this land, the sins of shedding of innocent blood, sufferings, murders, whoredoms, sorcery, witchcraft, etc. and all abominations that were committed here.*

Rom 3:24 Being justified freely by his grace through the redemption that is in Christ Jesus:

Rom 3:25 Whom God hath set forth [to be] a propitiation through faith in his blood, to declare his righteousness **for the remission of sins that are past**, through the forbearance of God;

Rom 3:26 **To declare, [I say], at this time his righteousness:** that he might be just, and the justifier of him which believeth in Jesus.

Henry Gruver says the Lord told him when we remit the sins of a person it is like lifting a heavy load of condemnation & guilt off them and the Lord will give them space for repentance which leads them to the next point that the Lord told him then happens. Also before this point the Lord showed Henry in Scripture that since Jesus Christ is 'ever making intercession for **the Saints**' he asked Henry why His people are not making intercession for **the sinners**. This is the whole premise behind these procedures.

Rom 2:4 Or despisest thou the riches of his goodness and forbearance and longsuffering; not knowing **that the goodness of God leadeth thee to repentance?**

Mat 9:38 Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.

Leviticus 25:23&24: "The land shall not be sold for ever: for the land is mine; for ye are strangers and sojourners with me. **And in all the land of your possession ye shall grant a redemption for the land."**

Psalms 24:1,2,7-10: "**The earth is the LORD'S, and the fulness thereof; the world, and they that dwell therein.** For he hath founded it upon the seas, and established it upon the floods.. **Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The LORD strong and mighty, the LORD mighty in battle. Lift up your heads, O ye gates; even lift them up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The LORD of hosts, he is the King of glory. Selah."**

Deut. 21:8: Be merciful, O LORD, unto thy people Israel, whom thou hast redeemed, and lay not innocent blood unto thy people of Israel's charge. And the blood shall be forgiven them.

Be merciful, O LORD, unto thy people, whom thou hast redeemed by the blood of Jesus Christ, and lay not innocent blood unto thy people's charge. And the blood shall be forgiven them.

Be merciful, O LORD, unto the unsaved, who need to be redeemed by the blood of Jesus Christ, and lay not innocent blood unto this people's charge.

Psalms 106:37-38 declares: "Yea, they sacrificed their sons and their daughters unto devils, **And shed innocent blood, even the blood of their sons and of their daughters,** whom they sacrificed unto the idols of Canaan: **and the land was polluted with blood.**

Numbers 35:33-34 "So you shall not pollute the land where you are; **for blood defiles the land...** Therefore do not defile the land which you inhabit, in the midst of which I dwell..."
When you finish praise and worship the Lord and plead the Name, Body, Blood, Mind and Spirit of the Lord Jesus Christ over all in your group and yourself. Ask the Lord to be your reward.

Isa 58:8 Then shall thy light break forth as the morning, and thine health shall spring forth speedily: and thy righteousness shall go before thee; **the glory of the LORD shall be thy reward.**

Isa 52:12 For ye shall not go out with haste, nor go by flight: **for the LORD will go before you; and the God of Israel [will be] your reward.**
