**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive the **very elect**."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**2Cor 10:4** For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;

[Op-Ed: Attack Now – Russian Interference Leaves Israel No Choice Soon it will be too late, if it is not too late already...](#)

The Obama Doctrine – scorn your friends, reward your enemies – has finally reaped the whirlwind, namely Russia and its pledge to provide Iran with an array of the most advanced “defensive” missiles on earth. **This leaves Israel with no choice except to act BEFORE those missiles are deployed.**

**Israel must attack to remove those nukes before it's too late.**

If it was difficult to successfully strike Iran's nuclear facilities today, **tomorrow will be near impossible. So the scientific experts tell us.**

The S-300 Surface-to-Air Missile System would provide Iran with an impenetrable shield.

If anything, Russia's move has clarified the situation. **Israel's duty to defend itself has never been more urgent and an attack scaled to wipe out Iran's nuclear emplacements would likewise be a favor to any number of Sunni states that tremble from Iran's Shiite encroachments throughout the Arab world.**

Read [this](#) for one newsman's heroic efforts to stop a worldwide caliphate, reminding readers that **“The Koran Has Arrived And It Has Come To Devour The Bible.”**

Jordan's King Abdullah II told *Fox News*' Bret Baier that somebody better do something, quick, seeing Iran on the prowl throughout the Middle East and beyond: “You've got to connect all these dots together. All these issues are areas of instability,” declared Abdullah in connection to Iran's heavy footprints throughout the region.

Abdullah did not directly call for help from the United States or Israel, but the hint was unmistakable.

On seeking a deal to stop or stall Iran's nuclear program, America's infantile negotiators, led by John Kerry were no match for the ayatollahs. **These were children bargaining with grown men. The ayatollahs trifled with Obama's “best and brightest” during the negotiations and scorned them as laughable losers after the negotiations. The result was no deal at all. Iran gets to keep arming itself with no one to stop it from growing bolder.**

**Certainly the United States, under Obama, cannot be counted on to come to the rescue. Thus, a vacuum waiting to be filled.**

Enter Vladimir Putin, who saw the perfect opening, **an opening he's been waiting for along the decades to replace America as the dominant world power in the Middle East.**

**Meanwhile Headlines Read:**

**Top Iranian General: Nuclear Inspectors Will Not be Permitted** The deputy commander of the Iranian Revolutionary Guards Corps **said that international inspectors would be barred from all Iranian military bases.**

---

**Iran marks Army Day with cries of 'Death to Israel, USA'...** Iran on Saturday marked Army Day with a military parade featuring **new weapons systems**, as well as a truck carrying **a massive banner reading "Death to Israel."**

A televised broadcast of the parade **was punctuated by repeated cries of "Death to America" and "Death to Israel."**

The announcer on Iran television said during the broadcast: **"If Israel makes a mistake," "those in Tel Aviv and Haifa will not sleep at night, not one person."**

**Senators Won't Force Obama To Certify Iran Has Refrained From Terrorist Acts**

An amendment requiring President Obama to guarantee **Iran hasn't committed terrorist acts against the U.S. or U.S. citizens** **was voted down** before the Senate Foreign Relations Committee....

The bipartisan bill passed unanimously with a 19-0 vote out of committee, and now moves on for a full Senate vote.

But Senator John Barrasso (R-WY) had offered an amendment – **to no avail – which would have restored the terrorism certification provision**, previously offered by Sen. Robert Menendez (D-NJ), from the original bill.

**The provision would have required President Obama to certify that Iran hasn't carried out or directly supported any act of terrorism against the United States or against any U.S. citizen anywhere in the world.**

**State Department Won't Rule Out \$50 Billion 'Signing Bonus' For Iran**

The State Department on Monday **would not rule out giving Iran up to \$50 billion as a so-called "signing bonus" for agreeing to a nuclear deal later this year**, according to comments made to journalists **following reports that the Obama administration had formulated a plan to release tens of billions of frozen Iranian funds.** **Experts have said this multi-billion dollar "signing bonus" option, which was first reported by the *Wall Street Journal*, could be the largest cash infusion to a terror-backing regime in recent memory.**

**A cash release of \$30 to \$50 billion upon reaching a final nuclear agreement would come in addition to the more than \$11 billion in unfrozen assets that Iran will already have received under an interim nuclear accord reached in 2013.**

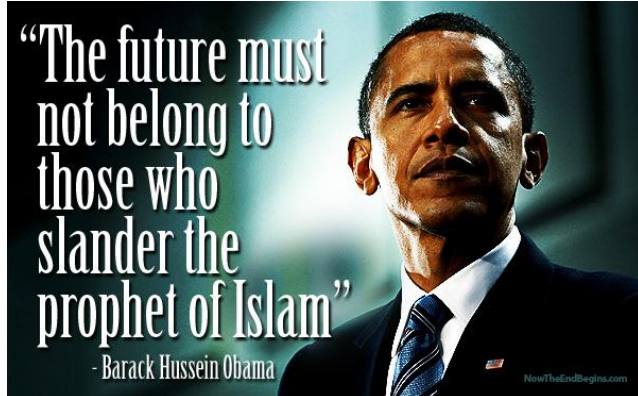

When asked to address these reports on Monday, State Department Spokeswoman Marie Harf **attempted to dodge the issue and then accused reporters of getting "spun up" on the issue.**

**Asked whether Iran could receive \$50 billion "on day one after signing" or verbally agreeing to a nuclear deal, Harf told reporters that she would "look into it."**

**B. Hussein was writing about the injustices suffered by some in America. In that context he wrote: “Will injustices in America ever go away completely? No. We live in an imperfect world. [With Christians On Chopping Block, 190 US Cities Secretly Selected To Help Destroy America From Within - Is Your City On 'The List'?](#)

[By Stefan Stanford - All News Pipeline - Live Free Or Die](#)

With six US citizens arrested within the last 24 hours attempting to join ISIS as shared in the 3rd video below from [ABC News](#), 190 US cities have been 'secretly selected' to receive a massive influx of Muslim immigrants via the US State Department in their bid to 'destroy America from within' by creating a 'nation within a nation' within the United States. Residents of these cities have been left angry and uninformed as they have been unable to get any information from authorities about whether or not these 'new residents' are possibly members of ISIS with the intention of slaughtering Christians here in the USA. *With Muslim immigrants streaming into the United States at a rate of 100,000 per year, some of the communities targeted for new arrivals are seeking information on their new neighbors, only to be frustrated by federal bureaucrats and their hired contractors. Questions like:*

How does a city get on the U.S. State Department's list of 190 communities selected for refugee resettlement? How can cities find out who will be coming and when? What services will they use, and what will be the cost to taxpayers?

And, the granddaddy of all questions: Can the communities be assured that foreign nationals with ties to ISIS, al-Shabab and other Islamic terrorist groups won't slip through the government's porous screening process posing as "refugees"?

The answers to these questions are simple. Very little information is available. And there are no guarantees that overt Islamic terrorists won't arrive in your town, says a leading expert on the refugee resettlement program.

The importation of these Muslim immigrants is part of the overall plan to destroy America from within, as revealed in a recent White House conference call on immigration, the intention is to establish 'seedling communities' across the U.S., then grow them all to become a 'nation within a nation', eventually with the immigrant nation overtaking the host.

Below the embedded document naming the 190 US cities selected to help destroy America (is your city on the list?) The list embedded below gives you contact locations and phone numbers for cities in your area in case you're curious about ISIS possibly being moved into your own neighborhoods.

### INTEL REPORT: ISIS Operating Two Terrorist Camps Near Texas and New Mexico Border – Mexican Cartels Bringing ISIS Into US

[sharia unveiled](#) on [April 17, 2015](#) by, [Judicial Watch](#)

ISIS is operating a camp just a few miles from El Paso, Texas, according to Judicial Watch sources that include a Mexican Army field grade officer and a Mexican Federal Police Inspector.

The exact location where the terrorist group has established its base is around eight miles from the U.S. border in an area known as "Anapra" situated just west of Ciudad Juárez in the Mexican state of Chihuahua. This ISIS cell targets the New Mexico towns of Columbus and Deming for easy access to the United States, the same knowledgeable sources confirm.

During the course of a joint operation last week, Mexican Army and federal law enforcement officials discovered documents in Arabic and Urdu, as well as layout "plans" for Fort Bliss – the sprawling military installation that houses the US Army's 1<sup>st</sup> Armored Division. Muslim prayer rugs were recovered with the documents during the operation.

Law enforcement and intelligence sources report the area around Anapra is dominated by the (“Juárez Cartel”), La Línea (the enforcement arm of the cartel) and the Barrio Azteca (a gang originally formed in the jails of El Paso). Cartel control of the Anapra area make it an extremely dangerous and hostile operating environment for Mexican Army and Federal Police operations.

According to these same sources, “coyotes” engaged in human smuggling – and working for Juárez Cartel – help move ISIS terrorists through the desert and across the border between Santa Teresa and Sunland Park, New Mexico. To the east of El Paso and Ciudad Juárez, cartel-backed “coyotes” are also smuggling ISIS terrorists through the porous border between Acala and Fort Hancock, Texas. These specific areas were targeted for exploitation by ISIS because of their understaffed municipal and county police forces, and the relative safe-havens the areas provide for the unchecked large-scale drug smuggling that was already ongoing.

Mexican intelligence sources report that ISIS intends to exploit the railways and airport facilities in the vicinity of Santa Teresa, NM (a US port-of-entry) as well. The sources also say that ISIS has “spotters” located in the East Potrillo Mountains of New Mexico (largely managed by the Bureau of Land Management) to assist with terrorist border crossing operations. **ISIS is conducting reconnaissance of regional universities; the White Sands Missile Range; government facilities in Alamogordo, NM; Ft. Bliss; and the electrical power facilities near Anapra and Chaparral, NM.**

## **The Muslim Brotherhood Is In Charge of Jade Helm**

by Dave Hodges | April 25, 2015 6:44 am

It is one thing for people of any faith to serve the American government out of a sense of duty, honor and patriotism. It is quite another for adherents of a death cult with ties to known terrorist organizations to be allowed to serve in highly secure and sensitive positions involving people with clear ties to major terrorist organizations. In this context, I am speaking about people holding key positions, many of them inside of the Department of Homeland Security, **who are tied to the Muslim Brotherhood. And when the President is one of these individuals**, America has a duty to speak out and take steps to force the government to remove these individuals, with very questionable loyalties, from office. **Subsequently, a significant part of this article will deal with validating these very serious concerns.**

### **A Stern Warning from the Highest Levels of the American Military**

One year ago, retired **U.S. Air Force Gen. Tom McInerney[3]**, the former assistant vice chief of staff as well as the commander in chief of U.S. Air Forces Europe, shocked the media when he announced, on a radio program, **the presence of the Muslim Brotherhood inside the U.S. government.** The event received scant attention from the mainstream media (MSM).

McInerney’s assertions are echoed in the bestselling book jointly authored by **Aaron Klein and Brenda Elliott[4]**, **entitled *Impeachable Offenses*, which exposes how Obama has weakened America both domestically and abroad by emboldening America’s enemies by tacitly supporting a Muslim Brotherhood revolution,**

**spurning our allies, and minimizing the very real threat of Islamic fundamentalism which now exists in key positions within the Federal government.**

McInerney's allegations are indeed backed up by irrefutable proof as it is now crystal clear that **President Barack Obama has placed individuals who represent, or who are a part of, the Muslim Brotherhood, into high security positions inside the Federal government.**

Here is a **small sample size** of the degree of penetration that the Muslim Brotherhood has achieved inside of the Obama administration.

**++ The Deputy Chief of Staff to former Secretary of State Hillary Clinton, Huma Abedin**

The embarrassed and disgraced wife of deposed Congressman, Anthony Weiner, Huma Abedin, **has undeniable family ties to the Muslim Brotherhood**. In an interview with **FrontPageMag[5]**, anti-Islamist activist and author Walid Shoebat explained that Huma's mother, is and was deeply involved with the **Muslim Brotherhood** and that Huma's brother, Hassan, is on the board of the Oxford Centre For Islamic Studies (OCIS) where he is a fellow and partners with other board members including "Al-Qaeda associate, **Omar Naseef[6]** and the notorious Muslim Brotherhood leader Sheikh **Youssef Qaradawi**;<sup>[7]</sup> both have been listed as OCIS Trustees." **So obviously if it serves Satan's agenda the FBI stopped vetting Federal governmental employees in highly sensitive positions.**

**++ Department of Homeland Security Deputy Mayor, Arif Alikhan**

In the publication, **Discover the Networks [8]**, the editors discuss the highly sensitive federal agency employment and the Muslim terrorist affiliations of **Arif Alikhan**.

Alikhan's resume is very Satanically impressive:

- Former deputy mayor of **Homeland Security and Public Safety** for the City of Los Angeles
- Was responsible for **derailing the LAPD's plan to monitor activities within the Los Angeles Muslim community**
- Was appointed as assistant secretary for the **Office of Policy Development in Barack Obama's Department of Homeland Security in 2009**
- Became a **Professor of Homeland Security and Counterterrorism in 2010**.
- Now serving as a distinguished, visiting professor at the **National Defense University**.

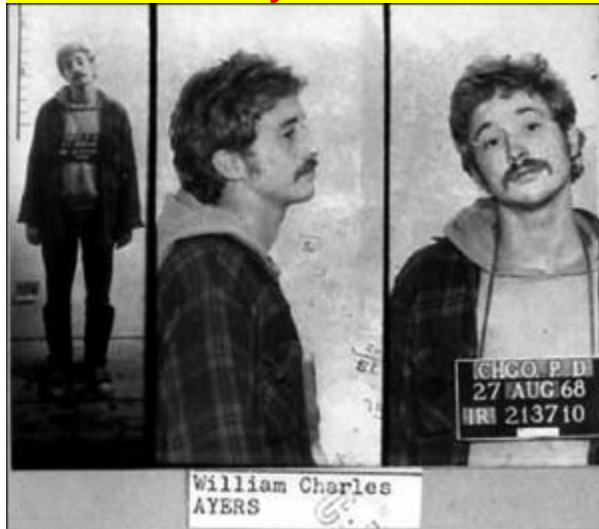

Alikhan was **responsible[9]** for **derailing[10]** the **LAPD[11]'s** efforts to monitor radical and potential terrorist activities within the city's Muslim community, where numerous radical mosques were known to have provided aid and comfort to the 9/11 hijackers. Alikhan, an openly **devout[12]** Sunni Muslim, has openly **participated[13]** in a **Muslim Public Affairs Council[14]** fundraiser titled "Be the Change," in order to support that organization's leadership-development programs which openly advocates for the **Sharia Law takeover of the United States**. The open support for this Sharia Law intention to overthrow the U.S. government, on the part of an American citizen, is **illegal**. **When such an advocate is a Federal employee in a sensitive position this person should be disqualified one from holding sensitive positions within the government.**

**++ Mohammed Elibiary, Advisor to DHS Security**

According to a **November 9, 2011 CBN News article**[15], **Elibiary spoke at a Texas conference in 2004 and honored Iran's Ayatollah Khomeini as a "great Islamic visionary."** Do any of you remember the Jimmy Carter era of the Iranian Hostage Crisis, then you would understand treason which underlies Elibiary's assertions. Elibiary is a member of the **Department of Homeland Security's Advisory Council.** **He was granted access to a nationwide database that contained terror watch lists and sensitive FBI reports, which he was accused of leaking portions of the documents to the media in order to spread charges of "Islamophobia" within Governor Rick Perry's Texas government.**

**++ Obama Administration Advisory Council on Faith-Based Neighborhood Partnerships, Eboo Patel**

If you were on the FBI team vetting Presidential appointees, **would you grant your seal of approval to the grandson of the Muslim Brotherhood's founder.** Well, somebody thought Eboo Patel (the man just mentioned here) **would make a splendid member of Obama's Advisory Council on Faith-Based Neighborhood Partnerships.**

[17]

[18] **Patel also has strong ties with former leaders of the terrorist organization, The Weathermen Underground, Bill**

**Ayers**[19] **and Bernardine Dohrn**[20]. Dohrn, the wife of Ayers, was convicted for her

**Obama's Brother Linked To Muslim Brotherhood**

Malik Obama's oversight of the Muslim Brotherhood's international investments is one reason for the

Obama administration's support of the Muslim Brotherhood

role in what resulted in the death of two law enforcement officers in an attempt to rob an armored car while a member of the Weathermen. According to the late FBI informant, Larry Grathwohl, **Ayers and Dorne launched the political career of President Obama from their home in Chicago. Bill Ayers, an undeniable terrorist, an associate of Patel, still visits the White House.**

**++Malick Obama, the Head of the Muslim Brotherhood Finance and Arms Procurement**

**Malick Obama is the half brother of the**

**President. Malick is a terrorist and is in charge of finances and arms procurement for the Muslim Brotherhood. During his tenure in office, President Obama has been strangely silent on the terrorist membership of his half brother.**

**Malik's oversight of the Muslim Brotherhood's international investments is one reason for the Obama administration's support of the Muslim Brotherhood, according to an Egyptian report [22]. Malik Obama is one of the architects of the Muslim Brotherhood." And the Muslim Brotherhood is a strong supporter of ISIS.**

**Walid Shoebat reported in May of 2014 that Malik Obama is the executive secretary of the Islamic Da'wa Organization, or IDO[24], a group created by the Sudanese government, which is labeled as a terrorist state by the U.S. State Department.**

**The establishment of President Obama's half brother as someone who has distinct terrorist ties was established in the Arab Spring back in 2011. The notion went**

**unchallenged & was largely unreported in the MSM.**

### **Conclusion**

**I feel that I am watching a bad rendition of the Invasion of the Body Snatchers. Our government has not just been hijacked by the bankers; but they are beginning in earnest to carry out their edicts by using people with strong terrorist ties and in the upcoming climate of Jade Helm, and this is very concerning.**

### **ISIS THREAT 'INSIDE USA'...**

(CNN) **The FBI** is investigating a possible ISIS-inspired terrorist threat in the United States, law enforcement officials said Saturday.

**The investigation originated from intercepted chatter and other intelligence information that led officials to believe a possible plot could be in the works**, the officials said.

**No arrests have been made. It's not clear whether the threat is real or false.**

**The exact nature of the threat couldn't be learned.** One official said it focused on parts of California where officials stepped up security.

The Transportation Security Administration alerted local law enforcement agencies that **are responsible for external security around airports**, but officials said the possible threat is not necessarily aviation-related.

Some cities around the United States have increased their security as a precaution.

**A Department of Homeland Security** spokesperson declined Saturday to talk about specifics, but spoke about security measures in general.

"Over the last few months, we have made a number of security adjustments, **including enhanced screening at select overseas airports and increasing random searches of passengers and carry-on luggage on flights inbound to the U.S., reflecting an evolving threat picture,**" the spokesman said.

### **Islam Boldly Infiltrating America at Alarming Rate**

By [Earl Cox April 16, 2015](#)--A brand new, **first-of-its-kind Muslim college at Berkeley, California; Zaytuna College received its accreditation March 15, 2015 from the Western Association of Schools and Colleges.** **Most Americans know Islamic mosques are popping up all over the U.S., in big cities and in small rural towns. Less know there are some 22 Islamic training camps (12 along the east coast and four in California).** I frequently fly between Israel and the U.S. **At security, men and women in Islamic headdresses perform security checks and handle baggage. At a DC area mall, I observed the presence of almost as many Muslim mothers pushing baby strollers and trailed by their other children as there were women wearing traditional American garb. Indeed, the Obama administration has instigated a massive, deliberate importation of Muslim refugees from Syria, Jordan and elsewhere. This population is growing faster than most Americans care to admit.**

**Islamists build caliphates – and they kill people to do it.**

Hatem Bazien, the second founder of the new Muslim college, does not appear to be of innocent intent. **Bazien was accused of whipping up anti-Semitism on campuses across the U.S. and also aided in the establishment of "Students for Justice in Palestine" which is an anti-Israel organization.** Critics say he is "suspect," and "any school associated with him is suspect." And one expert, Nonie Darwish, a human rights advocate and founder of "Arabs for Israel" said, **"He (Bazien) is an anti-Israel activist and he uses academia to further his agenda."** What would a proliferation of like-minded-Bazien-type Muslim colleges across the U.S. likely achieve over the coming years?

America must wake up before it is too late. **Over the past century, Progressive Socialists/Communists infiltrated academia, churches and local and national governments in America. America has changed drastically. Learning from the same playbook, Muslims are duplicating the Progressive wave and are infiltrating academia, churches and local and national governments.**
