But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Posted By Jim Hoft | Gateway Pundit On April 5, 2015

Millions of illegal alien children from Central America will qualify for the program. And once they arrive in the US the illegal alien children and families will qualify for free education, food stamps, medical expenses and living expenses.

Better yet, when State Department spokesperson Marie Harf was asked about the cost of the program. She answered, "The pricetag? I don't know."

[DHS Launches "Family Reunification," Refugee Program for Central Americans](#)

APRIL 01, 2015--To facilitate the often treacherous process of entering the United States illegally through the southern border, the Obama administration is offering free transportation from three Central American countries and a special refugee/parole program with "resettlement assistance" and permanent residency.

Under the new initiative the administration has rebranded the official name it originally assigned to the droves of illegal immigrant minors who continue sneaking into the U.S.

They're no longer known as Unaccompanied Alien Children (UAC), a term that evidently was offensive and not politically correct enough for the powerful open borders movement. The new arrivals will be officially known as Central American Minors (CAM) and they will be eligible for a special refugee/parole that offers a free one-way flight to the U.S. from El Salvador, Guatemala or Honduras. The project is a joint venture between the Department of Homeland Security (DHS) and the State Department.

Obama administration officials offered an overview of the new CAM initiative and confirmed that the U.S. has deployed staff to the region to handle the influx of applicants. A State Department official promoted CAM as a "family reunification" program that will be completely funded by American taxpayers, though the official claimed to have no idea what the cost will be.

Let's Make Something VERY Clear: They ABSOLUTELY Are Coming For Your Guns!

Tuesday, January 13, 2015--EVER TAKEN DEPRESSION MEDICATION? NO GUNS!

VETERANS WITH PTSD? NO GUNS!

YOUR CHILDREN TELL THE PEDIATRICIAN YOU HAVE GUNS: GONE!

THIS REPORT IS NOT WRITTEN BY MICHAEL CONNELLY. IF YOU DON'T KNOW WHO MICHAEL CONNELLY IS, HE'S A CONSTITUTIONAL ATTORNEY (A REAL ONE, NOT THE OBAMA VARIETY), AND A UNITED STATES ARMY VETERAN. ON HIS WEBSITE HE WRITES:

"I am a U.S. Army veteran, a Constitutional attorney, Executive Director of the United States Justice Foundation, and a published author, freelance writer, and teacher."

In 2013, Michael Connelly **was even nice enough to save Congress the laborious effort of drafting Articles of Impeachment themselves when he wrote and distributed to Congress: U.S. CONGRESS RESOLUTION IMPEACHING BARACK HUSSEIN OBAMA, PRESIDENT OF THE UNITED STATES, FOR HIGH CRIMES AND MISDEMEANORS. – AUGUST 20, 2013.** But we all know the backbone the GOP showed on that one.

For EVERY person busy mumbling under their breath, "They'll have to take my guns from my cold dead fingers....," don't you worry, **THERE ARE ACTIVE COMMANDERS IN OUR MILITARY JUST WAITING TO PRY THEM FROM YOUR COLD DEAD FINGERS. You'd be best to remember Obama has done a STALIN LIKE PURGE OF THE MILITARY, AND FIRED OVER 300 OF THE MILITARY'S TOP OFFICERS HE HAD CONFLICTS WITH INCLUDING ADMIRALS AND GENERALS! SEE THE LIST HERE!**

If you think there is a law prohibiting our military from operating on American soil? Your WRONG! **Not only is POSSE COMITATUS GONE under Obama (which prevented the military from acting on American Soil for over 200 YEARS), the NEW ARMY MANUAL AUTHORIZES LETHAL FORCE AGAINST EVEN PEACEFUL PROTESTORS, IF THEY ARE PROTESTING GOVERNMENT.**

THIS IS NOT A GAME! THIS IS NOT A "THEORY!" THIS IS PASSED LAW!

(by Michael Connelly, Constitutional Attorney) — It is official. 2015 is the year that progressives will make an all-out push to quash the Second Amendment and disarm the American people. I have been reporting on my blog for the last several years about the ground work that has been laid including the escalating efforts to disarm our veterans, the issuing of illegal Executive Orders by Obama to limit gun rights, the movement to get individual states to pass and enforce unconstitutional limits on gun ownership, and the signing of the UN Small Arms treaty.

Now they are ready to make their move and I predict it will consist of a number of assaults on the American people. In fact, some of them ARE ALREADY IN THE WORKS:

- **The DOJ is floating the claim that the UN SMALL ARMS TREATY IS NOW THE LAW OF THE LAND despite the fact that it has NEVER BEEN SUBMITTED TO THE U.S. SENATE FOR RATIFICATION BY 2/3 VOTE as REQUIRED by the U.S. Constitution.** This means that Obama plans to enforce the provisions of the treaty without ratification and despite the fact that in 1957 the Supreme Court ruled that no treaty, even if signed by the President and ratified by the Senate can override the protection of individual rights guaranteed to Americans in the Constitution.

DO YOU THINK THE FACT IT IS NOT CONSTITUTIONAL WILL STOP OBAMA?

Obama's enforcement of the UN treaty will include prohibiting the importation of firearms or replacement parts from other countries into the US, and providing a list to the UN of all American gun owners, importers, and exporters. In order to legally facilitate this, Congress would have to repeal the ban on funding of a national gun registration. However, I believe Obama plans on doing this by another illegal and unconstitutional Executive Order.

TO CONTINUE THE ESCALATION OF DISARMING U.S. VETERANS, THE PRIVATE MEDICAL RECORDS of veterans are being TURNED OVER ILLEGALLY TO THE FBI so that they can be put on the NICS list of people who CANNOT LEGALLY PURCHASE FIREARMS because of mental illness. However, mental illness of these veterans is based on minor PTSD, suffering from minor depression, or even letting their spouses pay the family bills. There is no adjudication of mental illness to the point of being a danger to themselves or others as required by law.

Veterans are also being required to tell the VA if they own firearms, how they feel about the federal government and/or the Obama administration and in some cases forced to submit to a STRIP SEARCH to determine if they have any "RADICAL TATTOOS." No definition of what constitutes a radical tattoo is provided. [HINT: AMERICAN FLAGS ARE LIKELY THE MOST EXTREME FORM OF RADICAL]

DON'T FORGET THE HOME RAIDS AUTHORIZED BY OBAMACARE! THEY WILL SURELY BE TARGETING VETERANS AS WELL!

Obama has by an illegal and UNCONSTITUTIONAL AMENDMENT TO THE AFFORDABLE CARE ACT overridden the prohibition on DOCTORS TO QUESTION THEIR PATIENTS ABOUT GUN OWNERSHIP. Obama has CALLED ON PEDIATRICIANS TO ASK YOUNG CHILDREN IF THEIR PARENTS have a gun in their home.

Obama has also issued an Executive order that is being enforced by new HHS regulations that virtually sets aside the HIPAA law that protects the privacy of medical records. Under these new regulations, if your records contain anything indicating you have EVER BEEN DEPRESSED, HAD PTSD, OR TAKEN CERTAIN MEDICATIONS YOUR RECORDS WILL BE TURNED OVER TO THE FBI and you will be put on the NICS list. THIS WILL APPLY TO EVERYONE. NOT JUST VETERANS.

Obama also has the Bureau of Alcohol, Tobacco, and Firearms changing the definition of mental illness to provide that anyone can be declared mentally ill to the point of being a danger to themselves or others for any reason without an adjudication of any kind, and therefore can be prohibited from owning firearms. This is already happening in states like New York that have adopted similar laws and regulations. A citizen of New York has been declared mentally ill and had his guns seized because he was seeking treatment for insomnia.

In the meantime, we have a Republican Senator casting the deciding vote to confirm Obama's appointment of a Surgeon General who believes that gun ownership constitutes a health threat. We have the EPA moving to control the manufacture of ammunition because it claims that the use of lead in ammo produces a threat to the environment.

The Department of Justice will continue its campaign to force banks to deny loans and even bank accounts to firearms dealers and will continue to harass them in other ways to force them out of business.

Remember, those were all in MICHAEL CONNELLY's report, a WIDELY RESPECTED Constitutional Attorney. The links are all from stories I reported on in some cases YEARS AGO, but many said, "IT WILL NEVER HAPPEN."

Do you think it's just COINCIDENCE ERIC HOLDER'S NEW GESTAPO FOR TARGETING "DOMESTIC TERRORISTS" (AKA The Tea Party) is being formed NOW?

Oath Keepers Forming Militia Cells to Prepare for Triggered Collapse

by Voice of Reason If... or rather WHEN... Obama goes off the reservation, **it's going to be DHS vs. The American people and our last line of defense will be the police and sheriffs who have sworn that they actually meant it when they made their oaths to defend the Constitution.** Right now, the Oath Keepers are working hard to provide a framework to resist should Obama go off the deep end... further...

After President Obama's re-election in 2012, residents from every state petitioned for secession, with the movement garnering significant traction in at least seven states. And, a growing number of whistleblowers have risked their own freedom, most

notably Edward Snowden, to expose government abuses.

But, America may be on the verge of a new threshold with the latest move from the Oath Keepers.

Militia groups have been around in the United States since its beginning.

However, the Oath Keepers, which is a group of current and former law enforcement and U.S. Military personnel that seeks to disobey unconstitutional orders, is about to take it up a notch.

According to [U.S. News & World Report](#), the group is urging its 30,000 members to activate into small “civilization preservation” cells modeled on special operations units in the U.S. Military. Leaders of the group contend the move is in preparation for a pending economic collapse, possibly to be caused by a devaluation of the U.S. dollar.

If the U.S. does in fact collapse, these units will primarily train locals on how to provide their own security and lead them along the way. They will also draft and introduce militia bills, posse bills and nullification bills, among other items, to support liberty.

The fact that the group And, they’ll ensure that sheriffs understand the Constitution and their duty to defend it. Most notably, the Oath Keepers urge members to assume that a collapse will be triggered this fall or winter. One can only hope they are wrong.

This isn’t some backwoods clan of rag-tag extremists: it’s a 30,000-strong group led by a former U.S. Army paratrooper and Law School grad.

Consider this just another example of the rapidly-declining faith in government in the so-called “Land of the Free.”

++ DNA Analysis of the Paracas Skulls Proves They Are Not Human

Saturday, February 28, 2015--On the southern coast of Peru lies the desert peninsula of Paracas. This barren landscape is where Peruvian archaeologist Julio Tello made an astounding discovery in 1928. His efforts uncovered a massive and complex graveyard buried under the sand and rocks.

In these tombs Tello found some of the most controversial remains in history. The bodies had the largest elongated skulls in the world and have since been called the

Paracas skulls. Tello found a total of more than 300 skulls and they have been dated at around 3,000 years old. A recent DNA analysis performed on some of those skulls has presented amazing results that could challenge the current perspective of the human evolutionary tree.

Several other cultures have practiced skull elongation or deformation but the techniques they used produced different results. Certain South American tribes used to bind infants' skulls in order to change their shape. Binding the head between pieces of wood modified the appearance of skulls by applying constant pressure over a long period of time. This type of cranial deformation changed the shape but it did not alter the size, weight or cranial volume; these are all standard characteristics of a regular human skull.

The Paracas skulls are different. Their craniums are 25% larger and 60% heavier than regular human skulls which led researchers to believe they couldn't have been modified through binding. They are also structurally different and only have one parietal plate as opposed to the two normally found in human skulls. These differences have deepened the decade-old mystery around the Paracas skulls and researchers haven't been able to explain their origins.

The director of the Paracas History Museum has sent samples from 5 skulls to undergo genetic testing. The samples consisted of hair, skin, teeth and fragments of skull bones. The genetic laboratory was not informed about the samples' origins in order to avoid biased or influenced results. The results were fascinating.

The mitochondrial DNA (inherited from the mother) presented mutations unknown to any man, primate or any other animal. The Paracas individuals were so biologically different from humans they wouldn't have been able to interbreed. "I am not sure it will even fit into the known evolutionary tree", one geneticist added.

This breakthrough brings up more questions than it answers but counts as another piece of evidence suggesting that we are not alone.

She Said She Has Personally Delivered Many Truckloads of Supplies to the Underground Facilities. For Each DHS Shipment/Delivery, There Was a Stack of Non-Disclosure Forms About (By Her Description) Six Inches Thick She Had to Sign.

April 5, 2015 **Q Alerts**--Hi Steve, I am a physician. **Last fall**, I had a very interesting conversation with a patient who is a trucker. **I asked her if she knew anything about deep underground military bases**, and then I played ignorant to see what she would say.

Without further prompting, she informed me she is an independent contractor trucker, driving 18-wheeler rigs cross-country. She said the bases are real and are located all over the country, “especially under the mountains out West”. She said one of her main contracts over the last few years has been with DHS.

She said there are underground roads running all over the United States, connecting the underground facilities.

She said she has personally delivered many truckloads of supplies to the underground facilities. For each DHS shipment/delivery, there was a stack of non-disclosure forms about (by her description) six inches thick she had to sign.

DHS would attach a tracking device to her truck for each of these shipments and monitor her truck’s every move. She would be told where to go to accept delivery for each shipment. In each case, she would be escorted by guards “with machine guns” away from her truck, so she could not see what was being loaded into her rig. The truck would then be locked by a large lock with a ring ‘as big around as your finger”, which had to be torch-cut off at the time of delivery.

When she would make deliveries, often within underground facilities, she would again be escorted away from the truck by armed guards, the lock would be cut off, and the goods would be unloaded.

She said the only shipped goods she ever saw in these DHS shipments were stackable black plastic things that looked like coffins.

At the time she told be the gov’t is getting ready for a collapse, which she told be she expected might happen as early as late 2014.

She also told me she thinks the gov’t has just about everything is needs stored underground, because the number of DHS shipments has been declining.

I asked her if she would be willing to have lunch with me and tell me more.

She replied, “yes”, but afterwards when I contacted her, she had changed her mind and would not talk further about it with me.

Another pt of mine, whom I saw within about a week of this lady, **is a local trucker, but he told me that he has lots of friends who are truckers, and through them, he said he had learned that there are “thousands of miles of**

underground roads” running across the country, connecting underground gov’t facilities.

He had just recently, in fact, heard among his **trucker friends of a shipment of frozen meat being shipped to one such underground facility, totaling four million pounds of meat.**

Be strong. Keep the faith. Jonathan Apr 5, 2015

Dinesh D’souza was Right, Obama Is Forming A Global Muslim Caliphate (VIDEO)

Geoffrey Grider | March 31, 2015 article written by L. Todd Wood, WESTERN

JOURNALISM--**Why do you think the Obama administration went after filmmaker Dinesh D’souza with federal charges, eventually convicting him of a campaign finance felony?**

D’Souza served eight months in a community confinement center, received five years probation, and paid a \$30,000 fine, all for giving some money to a friend to donate to a candidate. Somehow, I think there are plenty of people federal prosecutors have not gone after so aggressively for a similar offense.

The reason the federal government went after D’Souza so forcefully was that Dinesh, **in his first movie 2016: Obama’s America, hit the nail right on the head regarding our Dear Leader’s agenda. Obama could not let this continue. He had to attempt to silence Dinesh and buy more time to complete his goal—the creation of a global Islamic caliphate.**

The evidence is just too overwhelming. There is no other conclusion any intelligent, thinking man can come to.

The New York Post reports today that **Obama could not even acknowledge the concept of “Muslim Terrorists” at the extremist convention the administration threw together to act like they were doing something against the Islamic Jihadist threat.**

WASHINGTON — They're burning and beheading victims in the name of Islam, as President Obama delivered a major speech Wednesday on combating violent extremism — while refusing to use the words "Muslim terrorists."

Dinesh D'souza Analyzes Predictions from "2016: Obama's America" in Late 2013--**Play:** <https://www.youtube.com/watch?t=155&v=Uuh9k6Ttsm0>

The goal of this administration is to so weaken American power that the United States cannot stop the formation of the caliphate from North Africa to Pakistan. Even more frightening is that Obama is attempting to radically change the population of the United States through illegal immigration so that eventually, a Muslim U.S.A. will join his new kingdom.

I have written again and again about the Obama administration's agenda to allow Iran to obtain a nuclear weapon to destroy Israel and bring the entire Levant into the caliphate. Israeli nuclear weapons stand in the way of this goal. A nuclear Iran will try to destroy the Jewish State.

"They have taken crafty counsel against thy people, and consulted against thy hidden ones. They have said, Come, and let us cut them off from *being* a nation; that the name of Israel may be no more in remembrance. For they have consulted together with one consent: they are confederate against thee:" Psalm 83:3-5 (KJV)

Why Obama Wants to Destroy America:

The Jerusalem Post today reports that the State Department is mocking Israel and openly admits they are not including Israel in the negotiations that involve her very survival.

"Obviously, we work to protect sensitive information in the negotiations," (State Department Spokeswoman Jen) Psaki continued. Asked pointedly whether the US is withholding information from inside the talks from the Israelis, she said, "Correct."

Washington's acknowledgment of a gap in its briefings to Israel highlights growing space between the allies on the emerging agreement with Iran, aggressively sought by US President Barack Obama and opposed with equal vigor by Netanyahu.

Iran going nuclear, ISIS conquering the Middle East and threatening to invade Europe, terrorists actively being courted to enter the United States, Christians being slaughtered, Obama refusing to utter the words 'Islamic terrorist', Jihad being carried out in Paris and other European capitals, et cetera, et cetera, all point to Obama forming a global Islamic kingdom.

The question is, when he leaves office, is Obama looking to become sultan of his new empire? article written by L. Todd Wood, [WESTERN JOURNALISM](#)

[Muslim Awaited Savior Imam Mahdi to return by 2016, followed by Muslim Jesus?](#)

Posted By [Leo Hohmann](#) On 03/30/2015--It’s not only the Christians who are sensing that something has changed in the world, and that we may be entering the very last days.

Muslims are also eagerly awaiting their messiah.

In the latest evidence of this messianic fervor, [a mainstream Sunni Muslim website has decreed that the Islamic messiah, called the Mahdi, will appear this year or in 2016 and that the Muslim Jesus will return in 2022 to conquer the world for Islam.](#) [DiscoveringIslam.org](#) (A Pro-Islam Website) have calculated that the “first phase” of the end of time will begin soon.

The estimates were derived from “the latest research” into numerical analysis of the Quran, Hadith, Arabic words and historical events,” [according to](#)

[DiscoveringIslam.org.](#)

“*The Messenger of Allah...informed the Companions of everything that would occur until the Day of Resurrection,*” the website reports.

“*Based on our numerical analysis of the Quran and Hadith, the official beginning of the End of Time and the coming of the Imam Mahdi will most likely be in 2015 (or 2016) and Jesus Christ (p) will come down from Heaven to Earth in 2022, in-sha Allah (if Allah is willing),*” the website reported.

The Quran and the Bible put forth end-times narratives that are similar but opposite. The Bible’s antichrist, for instance, resembles Islam’s messiah while Muslims view the Jesus of the Bible as their antichrist or “Dajjal.” The Quran teaches that Jesus returns to earth but for a very different purpose – to “break the cross” and convert the world’s Christians to Islam.

Many Christians point to Jesus’ warnings in Matthew 24 and Mark 13 that false teachers and false prophets would arise in the last days to deceive many.

Obviously Muhammad is one of those false prophets. But the religion he founded, Islam, must be taken seriously because 1.4 billion people believe in its teachings, which

are apocalyptic and getting more so. In fact, it's impossible to understand what inspires and motivates Islamic radicals such as ISIS or al-Qaida if you aren't familiar with their eschatology.

But it's not just the radicals who believe in the Islamic teachings about the apocalypse.

"It is frequently claimed that those who believe these things are but the tiny minority of radicals," "But what the (Discovering Islam) article reveals, is that even many mainstream Muslims now believe that the last days are upon us."

Many Muslims across the globe see the unfolding events in Syria and Iraq as proof that the prophetic traditions of Islam are coming to pass and will soon lead to the return of the Muslim Jesus and the Mahdi.

As [previously reported by WND last October](#), an influential Turkish Muslim media personality and prolific author, Adnan Aktar, said he expects the Mahdi to appear in Istanbul.

Aktar said the Mahdi will communicate with spirit beings called the djinn, who will help Muslims prevail throughout the world.

ISIS expects a major battle to occur near the Syrian city of Dabiq between the soldiers of Allah and the "Romans," who are seen as the leaders of the infidel Western powers fighting alongside apostate Muslims. According to the Islamic view the soldiers of Allah will win this battle, ushering in a period marked by the destruction of the Jewish State of Israel and the dominance of Muslims globally.

"When Christians think about Jesus warning of the rise of false prophets in the last days, we often think of false voices within the church. No doubt, we have plenty of such voices, shouting 'peace and security,' 'all is well,' 'thrive and prosper,' etc. But rarely do many Christians think of the false prophetic traditions of Islam that are misleading a large segment of mankind." "In Tehran, our own president has just agreed to allow

the single most apocalyptic regime in the earth to attain nuclear weapons," "Never before has the term 'existential threat' been so real."

This billboard showing the Muslim Jesus behind Imam Mahdi graces the Vali-Asr Square in Tehran. It was completed in late 2014.

[3/Billboard-on-Vali-Asr-square-showing-Mahdi.jpg](#)

Truly, the world is entering uncharted territory.

Iran's leaders have been speaking apocalyptically for years. In September 2012, WND reported that former President Mahmoud Amadinejad delivered a speech to the

United Nations General Assembly in which he claimed the table was set for a "new world order" based on rule by the coming Mahdi, also called the 12th imam in Shiite Islam.

Islam represents a major challenge to Christianity, quite possibly the challenge of the age, and most Christian leaders are unprepared for that challenge.

Dear Scott, I listen to your shows and think you might be able to give some insight on this scripture. I could never understand how the Jews and Muslims would accept a "Messiah" outside of their religion. **Please read the scripture and let me know if there is a possibility that the anti-Christ might come from another dimension (aliens/demons). If this is the case that could explain why the world, with the exception of true believers, would accept him as savior.**

John 7:26 Here he is, speaking publicly, and they are not saying a word to him. Have the authorities really concluded that he is the Christ? 27 But we know where this man is from; when the Christ comes, no one will know where he is from."

Please let me know your thoughts. Thank you and God bless. Sincerely, Lisa =

Scott Johnson's Response: Well that version is so far from the KJV I could barely recognize it as from the Bible. See the attachment.

TOOLS [Jhn 7:26](#) But, lo, he speaketh boldly, and they say nothing unto him. **Do the rulers know indeed that this is the very Christ?**

TOOLS [Jhn 7:27](#) Howbeit we know this man **whence** he is: but when Christ cometh, **no** man knoweth whence he is.

The word to key on here is "whence":

Lexicon :: Strong's G4159 - pothen

Outline of Biblical Usage

1. of place: from where, from what condition
2. of origin or source: from what author or giver

3. *of cause: how is that?, how can that be?*

KJV Translation Count — Total: 28x

The KJV translates Strongs G4159 in the following manner: *whence* (28x).

OK based on the verses you cited especially John 7:27 (from a Biblical standpoint) it seems the Jews here are behaving in a totally Biblical ignorant manner. The reason I say that is the awaited Jewish Messiah or the "The Christ" (if you are going by a strict Old Testament prophetic, Biblical interpretation) **will have to fulfill a ton of Scriptures to be accepted**. Jesus fulfilled all these Old Testament prophecies to a tee (See the attachment) and they did not accept him (SEE: John 5:43 below & see the 2nd and third attachments). **To a lesser extent the same (fulfilling of Islamic prophetic Scripture) would go for the awaited Muslim Savoir called the Imam Mahdi or 13th Imam.**

[Jhn 5:16](#) **And therefore did the Jews persecute Jesus,** and sought to slay him, because he had done these things on the sabbath day.

[Jhn 5:17](#) **But Jesus answered them,** My Father worketh hitherto, and I work.

[Jhn 5:39](#) **Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me.**

[Jhn 5:40](#) And ye will not come to me, that ye might have life.

[Jhn 5:41](#) I receive not honour from men.

[Jhn 5:42](#) But I know you, **that ye have not the love of God in you.**

[Jhn 5:43](#) **I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive.**

So this other false Christ will come in his own name. To me this is Jesus Christ predicting that potentially the Jews are going to set aside all the Old Testament Biblical parameters for their awaited savoir & messiah and accept someone who does not fulfill those Scriptures.

I mean Jesus fulfilled them all and they did not accept Him, so it seems that this time around (to show their willingness to Biblically compromise and embrace the Antichrist and false prophet) they are going to accept someone who will have no real Old Testament Prophetic Biblical claim to be the Messiah; based on his signs & lying wonders most likely. In this sense the Scriptures will show the Jews (who accept the Antichrist) to be without excuse. I believe a similar dynamic will also apply to not only the Muslims but all world religions as the Bible clearly says:

 [Rev 13:11](#) **And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.**

 [Rev 13:12](#) **And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.**

 [Rev 13:13](#) **And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,**

- TOOLS** [Rev 13:14](#) **And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.**
- TOOLS** [Mat 24:4](#) **And Jesus answered and said unto them, Take heed that no man deceive you.**
- TOOLS** [Mat 24:5](#) **For many shall come in my name, saying, I am Christ; and shall deceive many.**
- TOOLS** [Rev 16:13](#) **And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.**
- TOOLS** [Rev 16:14](#) **For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.**
- TOOLS** [Rev 16:15](#) **Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame.**
- TOOLS** [Rev 19:20](#) **And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.**

[Mat 24:24](#) **For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if *it were possible*, they shall deceive the very elect.**

[Jhn 4:48](#) **Then said Jesus unto him, Except ye see signs and wonders, ye will not believe. 1Co 1:22: For the Jews require a sign, and the Greeks seek after wisdom:**

- TOOLS** [2Th 2:1](#) **Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him,**
- TOOLS** [2Th 2:2](#) **That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand.**
- TOOLS** [2Th 2:3](#) **Let no man deceive you by any means: for *that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;***
- TOOLS** [2Th 2:4](#) **Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.**
- TOOLS** [2Th 2:7](#) **For the mystery of iniquity doth already work: only he who now letteth *will let*, until he be taken out of the way.**
- TOOLS** [2Th 2:8](#) **And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:**

- TOOLS** [2Th 2:9](#) **Even him, whose coming is after the working of Satan with all power and signs and lying wonders,**
- TOOLS** [2Th 2:10](#) **And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.**
- TOOLS** [2Th 2:11](#) **And for this cause God shall send them strong delusion, that they should believe a lie:**
- TOOLS** [2Th 2:12](#) **That they all might be damned who believed not the truth, but had pleasure in unrighteousness.**

Regarding these verses this is why I believe it is far more likely that the antichrist and false prophet come in a scenario like you described in your original question when you asked: **"...let me know if there is a possibility that the anti-Christ might come from another dimension (aliens/demons). If this is the case that could explain why the world with the exception of true believers, would accept him as savior."**

Yes I think this is the most likely scenario. **A world savior from another plane of existence or supposed other galaxy, that will promise solutions to all the world's great problems and seemingly deal with the corruption that exists in high political offices worldwide, promising a utopia on this world; if we would just submit to his rule and worship him as God. I have covered this many times in my previous teachings:**

[‘Lord Maitreya’ the Antichrist?-Part 1](#) December 2nd, 2007 In this teaching will be taking a shocking, in-depth look at ‘lord Maitreya’ AKA ‘Devil Betraya’ to see what part he & his ‘Ascended Masters’ will most likely play in the endtime deception the Bible so clearly predicts. For a preview to this teaching I have posted the following lies from the UN supported SHARE INTERNATIONAL (<http://www.shareintl.org/>) **WHO IS MAITREYA?: ‘He has been expected for generations by all of the major religions. Christians know Him as the Christ, and expect His imminent return. Jews await Him as the Messiah; Hindus look for the coming of Krishna; Buddhists expect Him as Maitreya Buddha; and Muslims anticipate the Imam Mahdi or Messiah. Since 1988 Maitreya has appeared miraculously throughout the world, mainly to orthodox religious groups, presenting in the simplest terms the great spiritual laws governing our lives. And, through steadily increasing signs and spiritual manifestations, now widely reported in the media, he is preparing them for His imminent appearance: The Day of Declaration in which Maitreya will demonstrate His true identity, the international television networks will be linked together, and Maitreya will be invited to speak to the world. We will see His face on television, but each of us will hear His words telepathically in our own language as Maitreya simultaneously impresses the minds of all humanity. At the same time, hundreds of thousands of spontaneous healings will take place throughout the world.’**

Deception Afoot: Maitreya & 'Master Jesus' AKA: Esu Immanuel Sananda-Part 1
February 1st, 2009--Share International says Maitreya is coming with the satanic counterfeit "Master Jesus": "In collaboration with... & Maitreya, the Master Jesus

is deeply interested in unifying the religious thought of East and West. According to the Plan, this will lead to the One Universal Church, uniting all peoples into the One Humanity...It is forecast that the Master Jesus will yet occupy the chair of the Pope of Rome, and that from that seat he will then be able to re-inspire and re-orient the whole field of Christian religion, diverting it from its present political and temporal trends, towards a more spiritual approach." "Could you explain the relationship between the disciple Jesus and Maitreya the Christ?" "By the occult process of overshadowing, the Christ, Maitreya, took over and worked through the body of Jesus from the Baptism onwards."

I don't think Obama could get away with this though, as he is so corrupt and hated by so many that he could not skirt the Old Testament Biblical scrutiny and verification of the Jews. Not to mention all the other world religions that would have disdain for him as well.
