Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise,

Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

[Liberals Pressing To Make Pedophilia Legal In Preparation Of Sharia Law In America](#)

Months ago, I wrote a piece on the perversions of Islam. I had to begin it with a warning. I know that the greater percentage of readers of NTEB are Christian, and the content of that article was so disgusting - **I told people to stop reading if they could not handle knowing what the Muslims do. It's all from the Qu'ran. Muhammad literally wrote the book on perversion.**

I wrote on the practice of Islamic **female genital mutilation**. I also wrote about grown men having sex or foreplay with girls younger than nine years old. Oh yes! Even the **Ayatollah summed up the guidelines of how men are to derive sexual pleasure with young girls and boys according to their book:**

"A man can have sexual pleasure from a child as young as a baby. However, he should not penetrate vaginally, but sodomising the child is acceptable. If a man does penetrate and damage the child then, he should be responsible for her subsistence all her life. This girl will not count as one of his four permanent wives and the man will not be eligible to marry the girl's sister... It is better for a girl to marry at such a time when she would begin menstruation at her husband's house, rather than her father's home. Any father marrying his daughter so young will have a permanent place in heaven." Tahrirolvasleyh", fourth edition, Qom, Iran, 1990 [source](#)

<<This is the real Islam that they try and keep secret.

The FALSE prophet muhammad was a PEDOPHILE / CHILD MOLESTER / RAPIST / RACIST / FASCIST / EXTREME LIAR / and a MURDERER of Jews and Christians, so in reality since he started this pagan death cult, none of this information really surprise us!!

"The Prophet wrote the (marriage contract) with 'Aisha while she was six

years old and consummated his marriage with her while she was nine years old and she remained with him for nine years (i.e. till his death)." -- Bukhari 7.62.88

Bukhārī was a Persian^{[2][3][4]} Islamic scholar who authored the hadith collection known as Sahih al-Bukhari, regarded by Sunni Muslims as one of the most (authentic) of all hadith compilations.

Dr. Salih bin Fawzan, a cleric in Saudi Arabia's highest religious council, has reportedly issued a fatwa asserting that there is no minimum age for marriage and that girls can be married "even if they are in the cradle."

According to FrontPage: Appearing in Saudi papers on July 13, the fatwa complains that "Uninformed interference with Sharia rulings by the press and journalists is on the increase, posing dire consequences to society, including their interference with the question of marriage to small girls who have not reached maturity, and their demand that a minimum age be set for girls to marry."

Fawzan insists that nowhere does Sharia set an age limit for marrying girls...

FP reports that the point of the fatwa is not so much that girls as young as 9 can follow Muhammad's example and have sexual intercourse, but that there is in fact no age limit at all for the children to be taken as wives. FP asserts the only question posed by the cleric is whether the child is literally physically capable of

"bearing the weight" of her new husband, or, molester!!!

Fawzan reportedly illustrates this point by quoting Batal's authoritative religious text which reads:

[Islam's interpreters] have agreed that it is permissible for fathers to marry off their small daughters, even if they are in the cradle. But it is not permissible for their husbands to have sex with them unless they are capable of being placed beneath and bearing the weight of the

men. And their capability in this regard varies based on their nature and capacity. Aisha was 6 when she married the prophet, but he had sex with her when she was 9 [i.e., when she was deemed capable].

After reading that, can you understand that men in Islamic culture, consider boys, girls and women to be "property" and not a person. And can you believe that the greatest cheerleaders of these perverts are increasingly becoming the liberal press and our liberal politicians?

Ok, now stay with me: The goal of the Muslim Brotherhood and all of its minions, is world domination. That is, to instate Sharia law in every country. We are seeing this in America right now. The Islamization of Dearborn, MI, AKA Dearbornistan, is so blatant, that Americans tread lightly there, and some are in a constant state of fear. We are seeing it in Texas. There are outcries by Americans, but the Islamists are bound and determined to see America with Sharia law in all 50 States.

But in order to achieve this lofty goal of Sharia Law, something MUST be done about those pesky pedophilia laws in every state.

How can you possibly make child rape acceptable? Liberals always find a way.

This is their liberal playbook.

1. Make evil seem relatable and sympathetic by making the public think that the evil behavior is hardwired into certain peoples genetics, so obviously they can't be held responsible for their behavior

2. Suggest that understanding the evil will prevent it from committing more abuses

So you see, this is the newest liberal goal. They must make pedophilia acceptable, not a crime! These devils are so pro-Muslim/Sharia law/and Jihad, they are willing to allow these twisted, animalistic perverts, to hurt our children for the sake of their great cause. The liberals are completely duped into believing that the jihadist Muslims love them, because they speak for them.

What a surprise it will be, when the liberal press and politicians are thrown to their knees and hear the words "Submit or die!" All we can do at this point is get on OUR knees and pray to our Lord that He might give America one more chance.

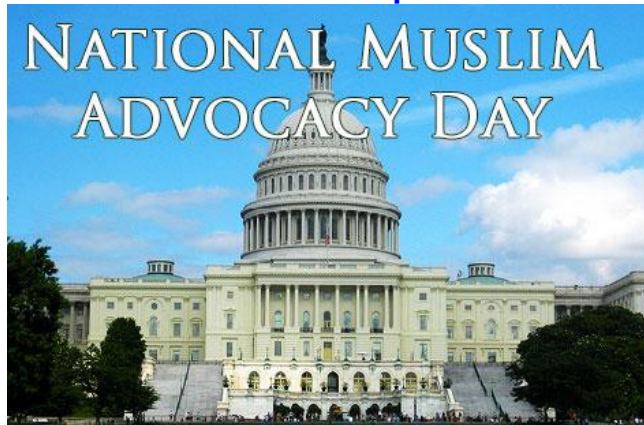

Personally, I believe it's too late.

Muslims hold a united Capitol Hill Advocacy Day

(WASHINGTON, D.C., 12/5/2014) — The US Council of Muslim Organizations (USCMO), a coalition of leading national and local American Muslim organizations, announced plans to host the first-of-its-kind National Muslim Advocacy Day on Capitol Hill in Washington, D.C. on April 13, 2015.

Expected to draw hundreds of Muslim delegates from across the nation, this one-day event is open to

representatives of all national, state and local Muslim organizations and communities.

The event is designed to connect national, regional and state Muslim organizations, community members with more than one third of the U.S. House of Representatives and a half of the Senate. Advocacy day issues will focus on the domestic priorities of the American Muslim community.

"We encourage the Muslim American community to participate in this unique opportunity to meet with their legislatures and experience the democratic process first hand," said Mr. Jammal, Secretary General of USCMO.

"Muslim communities frequently host state advocacy days in state capitols nationwide, but American Muslims have never held a unified national event in Washington, D.C.,".

"This is an important step in promoting greater Muslim political engagement and stronger ties with Congress. We're particularly looking forward to 'moving the

needle' in the nation's capital on issues that impact American Muslims."

Comment: They mean moving the needle towards Sharia law, pedophilia of both genders, child brides and rape, genital mutilation of their daughters, oppression of women, beheadings for infidels and mainly Christians & every other disgusting vile unclean behavior they teach and live by.

(WASHINGTON, D.C., 3/23/15) – An umbrella organization that represents leading American Muslim civil liberties, human rights, faith, and cultural organizations sent a letter today to former Florida Governor Jeb Bush and his Right to Rise PAC requesting that Jordan Sekulow be removed from his position as senior advisor to the PAC because of his long history of supporting anti-Muslim legislation and Islamophobic causes.

Three Men in a Bed: World's First Three-Way Gay Marriage!

March 13, 2015--There is news this week that is squalid, shameful, sorry, and sordid: **the first three way "marriage" with many more sexual debacles to follow to the detriment of society.**

Marriage and the family survived 6,000 years, yet in the last 60 years both have been damaged, denigrated, almost destroyed; however, marriage should be the most cherished and important institution in society since by establishing marriage God provided for the continuation of the human race. Marriage is a safe haven on a tempestuous sea of troubles, trials, and temptations and has been known for thousands of years to have a civilizing effect on men. Men have been known traditionally to "clean up their act" when they took a wife. Marriage also tends to protect women and children physically, emotionally, and financially. Now comes the first trio "wedding" with three blushing grooms! They have much to blush about.

Three men in Thailand were married in a Buddhist ceremony on Valentine's Day. One of them said, "Some people may not agree and are probably amazed by our decision, but we believe many people do understand and accept our choice. Love is love, after all." No, it is perversion, an abomination, an outrage, wickedness, a scandal, an indignity, a dishonor, a crime, a travesty, etc. Many years ago we stepped onto the slippery slope when the Bible was rejected and men vetoed thousands of years of morality, decency, and common sense. Now we have slid into a cesspool and are fighting to stay afloat.

The happy trio are Art, Bell, and Joke. Art is a weird distortion of reality; Bell is cracked as a cheap dinner plate, and Joke, well Joke is a joke without being funny.

A three-way wedding has already happened in America; however it was not legal. If there are no parameters then anything goes. That will include polygamy (one man with multiple wives), polyandry (one woman with multiple husbands), polyamory (multiple and simultaneous sexual relationships), promiscuity (jumping from bed to bed like a deranged rabbit), and perversion. Promiscuity has been long accepted and now comes polygamy, polyandry, polyamory, and perversion. If

there is no eternal standard then a man has a legal and moral right to “marry” his goat or computer since there is no right and wrong. In fact, if there is no acceptable standard of right and wrong then pedophilia will be considered normal if some professors and psychologists have their way.

ABC Family Network Proudly Features Two Teenage Boys In Romantic Same-Sex Kiss

As the years tick on and the LGBT Movement gets bolder and bolder, the standard for decency and morality gets lower and lower. Just a few years into the modern LGBT Pride explosion, and what do we see but a television station that calls themselves “ABC Family” now broadcasting two teenage boys romantically kissing each other. How far behind can shows promoting pedophilia be? Shows promoting bestiality? Rest assured, they are on the drawing board at this very moment.

It has been called “The History-Making Gay Kiss,” as *The Fosters* TV show, which

airs during prime time on the ABC Family network, featured the “Youngest Same-Sex TV Kiss Ever.” Yes, on a so-called “family friendly” network, two 13-year-old boys locked lips, and gay activists and their allies are frantically celebrating the moment.

GLAAD, formally known as the Gay and Lesbian Alliance Against Defamation, stated that, “ABC Family’s *The Fosters* breaks new ground with Jude and Connor’s

kiss.” (For those who are not familiar with the show, Jude is raised by two lesbians, his adoptive parents.)

<< “The History-Making Gay Kiss,”

Gabe Bergado, writing for the *Daily Beast*, claimed that the kiss set “a fantastic standard,” one that “reassures all the real-life Judes and Connors out there that their feelings of self-discovery during those middle school and junior high years are valid.”

Personally, I find this is sickening, not heartwarming or terrific. First, there is the power of example, either for good or for bad.

Young people in particular are influenced by what they see on TV and in the movies, with little boys dressing up like Superman or Spiderman and little girls mimicking the looks of the latest starlet. **Comment: Which is bad enough.**

As they get older, it’s not just a matter of playing dress-up games. **Instead, these kids are now emulating the lifestyles of those they follow like Jude and Connor.**

Planet Fitness Bans Woman From Gym For Complaining About Transgender in Locker Room

The gym’s corporate office told the woman, Midland, Michigan resident Yvette Cormier, that the transgender person in question identified as female and that members could use whatever locker room corresponded to their “personal gender identity.”

“Our gender identity non-discrimination policy states that members and guests may use all gym facilities based on their sincere self-reported gender identity,” McCall Gosselin, public relations director for Planet Fitness, [said in a statement](#). **“The manner in which this member expressed her concerns about the policy exhibited behavior that management at the Midland club deemed inappropriate and disruptive to other members, which is a violation of the membership agreement and as a result her membership was cancelled.”**

Cormier said the incident began on Feb. 28 **when she was startled by the transgender person in the woman’s locker room.**

“I was blocked, because a man was standing there,” Cormier said. **“It freaked me out because, why is a man in here?”**

She also said an employee told her that the individual identifies as a woman.

After Cormier told other female members about the transgender person, **she received a call from the corporate headquarters claiming she was violating the gym’s “no judgment” policy and asked her if she would stop talking to the other women about the incident, to which she declined.**

That’s when the corporate representative told her she was banned.

“I feel it’s kind of one sided,” Cormier said, adding that Planet Fitness should offer separate accommodations for transgender people. **“I feel like I am the one who is being punished.”**

A similar incident occurred in 2013 **when female students at Florence High School in Colorado were threatened with hate crime charges after they complained about being harassed by a transgender in the girls’ bathroom.**

School officials firmly sided with the transgender student and they even suggested the girls give up access to most of their restrooms altogether, [reported CBN News](#).

In response, the Pacific Justice Institute sent a letter to the school warning them against placing transgender rights over the privacy of female students.

“We’re not going to stand by and let 99.7% of our students lose their privacy and free speech rights just because 0.3% of the population are gender-confused,” the letter stated.

[New York Chapter of Boy Scouts of America Hires Openly Gay Adult, Pascal Tessier, Breaking Rule of National Organization](#)

The New York chapter of the Boy Scouts of America broke the organization's national ban on openly gay adults serving in the institution this week when they announced Thursday that **they had hired 18-year-old Eagle Scout Pascal Tessier to work as a camp counselor at the Ten Mile River Scout Camp in upstate New York this summer.**

The New York chapter told [The Washington Post](#) that the organization got an application from Tessier, who is openly gay, and decided he was qualified based on his merits. **Tessier has also been actively advocating for the inclusion of openly gay scout leaders in the organization for several years now.**

“I’m sure it won’t be a surprise to know he’s excited that he got the job,” Zack Wahls, executive director of **Scouts for Equality**, told The Washington Post.

"The lion's share of the credit here goes to the New York council for stepping up to the plate. ... **There are a lot of chapters that say they don't discriminate, but they just talk the talk. The Boy Scouts in New York walk the walk,**" he added.

Over 300 Prominent Republicans Come Out of Closet in Support of Homosexual 'Marriage'

March 7, 2015--Over 300 prominent Republicans have signed a brief submitted to the U.S. Supreme Court calling for the legalization of same-sex "marriage" nationwide.

The amicus brief, was led by former Republican National Committee (RNC) chairman Ken Mehlman, who also served as manager of George W. Bush's 2004 re-election campaign.

"One of the points that I hope people appreciate when they read the brief is that supporting marriage equality is, in fact, the conservative position," Mehlman told the Boston Globe.

The brief argues that the 14th Amendment requires equal protection, which means that homosexuals should be permitted then to marry each other.

Leviticus 20:13: If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them.

Lev 18:22-25: Thou shalt not lie with mankind, as with womankind: it is abomination. Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion. Defile not ye yourselves in any of these things: for in all these the nations are defiled which I cast out before you: And the land is defiled: therefore I do visit the iniquity thereof upon it, and the land itself vomiteth out her inhabitants.

'I Mean, J****': Vice President Blasphemes Name of Christ While Defending Homosexuality

WASHINGTON — Vice President Joe Biden used the Lord's name in vain on Friday as he spoke at the annual conference for a prominent homosexual activist organization.

Biden, who served as keynote speaker at the Human Rights Campaign's (HRC) annual spring conference in Washington, was expressing disagreement with recent remarks made by famed neurosurgeon and presidential candidate Dr. Ben Carson. Carson had spoken earlier this week with CNN's Chris Cuomo, regarding whether or not he believes homosexual behavior is a choice.

"A lot of people who go into prison go into prison straight—and when they come out, they're gay," he said. "So, did something happen while they were in there? Ask yourself that question."

Carson, a Seventh Day Adventist, later [issued an apology via Facebook](#) for his "choice of language" and noted that while he personally disagrees with same-sex "marriage" for religious reasons, **he believes that states should have the right to legalize such arrangements if they wish.**

Carson continued to receive criticism for his original statement, including from Vice President Joseph Biden, who excoriated the former doctor on Friday while speaking at HRC's annual convention.

“Every ridiculous assertion from Dr. Carson on—I mean, ridiculous. I mean, J****, G**,” he said. “Oh G**. I mean, it’s kind of hard to fathom, isn’t it?”

“We’re never going to be able to eliminate the bigots. They’re a small percentage of the population. They’ll continue to be vocal,” Biden said. “But make one thing absolutely clear, folks, they are an incredibly smaller and smaller minority. This country is changing.”

Joe Biden Says Bible Believing Christians Violate LGBT Rights By Simply Existing

May 19, 2015— *“For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet.” Romans 1:26,27 (KJV)*

Vice President Joe Biden say today that the rights of the LGBT people are violated by “religious condemnation”. He is directly referring to Bible verses like the one posted at the top of this article. The Progressive Liberals are well aware that it is God, speaking by the Holy Spirit through the Bible, that condemns homosexuality in all its many forms. According to Joe Biden, the American Bible believing Christian who takes the Bible literally is violating the “rights” of the LGBT crowd by trusting in God’s word. And this is why old-fashioned preaching will soon be classified as a “hate crime”. Because Liberals can’t stand it. Biden is also saying that the rights of the Christian are inferior to the rights of the LGBT individual.

URGENT WARNING: NYT Writer: Christians ‘Must Be Made’ to Embrace Gay Lifestyle

1John 3:12-13: Not as Cain, who was of that wicked one, and slew his brother. And wherefore slew he him? Because his own works were evil, and his brother’s righteous. Marvel not, my brethren, if the world hate you.

In the space of about a decade, I warned about the Hard Left Fascist/reprobates and how much they hate us. I compared their hatred to that of the Nazis for the Jews. This articles proves exactly what I have been saying. This article was not written by some kook for an unknown tabloid, but rather as an Op-Ed columnist for the New York Times.

The New York Times is still the “flag-ship” for the Hard Left and leads the way in their thinking. This is a clear message of WAR against Bible believing Christians. The author’s thinking is not isolated, but many who think like him now leading the military and many are chief of police agencies. There are many judges and

governors who think like this. They loath us and now they are at the point of planning to destroy us.

This is the leading Hard Left news outlet calling for forced “reeducation” of those that believe in the authority of the Bible. This is right out of Stalin and Mao’s handbook. They are telling us what they plan to do. I have no doubt that Obama is one of them.

Once again, this is not an isolated kook, but a columnist for the New York Times, He freely writes this and it is published!

America is now at critical mass with the reprobates. They see us as the only obstacle in the way of freely living in their sin.

Watch now for more and more writers saying things like this. The violence and bloodshed is now very close. The America that we knew is just a memory as God is turning it over to reprobates for judgment.

Please do not think this is just a phase that will go away. The reprobates hate us because we represent God and they hate him.

[NYT Writer: Christians ‘Must Be Made’ to Embrace Gay Lifestyle 04/08/15](#)

<<The man who states Christians must be forced to change their views about homosexuality.

“Bruni’s solution to the impasse is not some sort of goodwill compromise or a treaty of mutual respect, but a take-no-prisoners ultimatum to Christians to abandon their beliefs or else. When Bruni says that Christians’ understanding of sexual morality is “a

choice”; what he means is that there is a way out without completely losing face: just embrace the new morality preached by mainstream liberal churches that see nothing wrong with any sexual arrangement the world is comfortable with. Then we will accept you.

Bruni takes it upon himself to explain how the Bible can be interpreted to read that God is really fine with sodomy and that all that antiquated stuff against adultery, fornication, and “men lying with other men” is a quaint vestige of an archaic worldview that went out definitively with Freud.

The scary part about Bruni’s essay is not his awkward attempt at playing the biblical scholar, but the undertone of evident disdain for Christians and his proposal that those who resist should be forcibly reeducated.

In Christians’ refusal to bend with the times, Bruni sees not faithfulness to God but willful obstinacy that must be broken.

But what if Christians don’t want to change? What if they are convinced that the modern worldview is not the most enlightened path when it comes to the ultimate meaning of life and death, time and eternity?

“Religion,” writes Bruni, “is going to be the final holdout and most stubborn refuge for homophobia. It will give license to discrimination.” And thus it must be stamped out.

Bruni cites fellow gay activist Mitchell Gold, founder of the advocacy group **Faith in America**, as saying that **church leaders must be made to take homosexuality off the sin list. "His commandment is worthy — and warranted,"** writes Bruni. **So now according to the LGTB crowd, the government should be dictating belief systems to the churches and enforcing theological matters. Now politicians and courts should be telling Christians what they are allowed to consider as sinful. Isn't this what America was founded by to escape from?**

People are already talking about forcing churches to perform same-sex weddings, whether they like it or not, or get out of the marriage business.

[Gay Group Demands Christian Churches Be SHUT DOWN for Opposing Same-Sex Marriage--Freedom for "everyone" – except Christians, of course.](#)

*by Jason DeWitt | Top Right News--It has begun. LGBT "activists" have gone full fascist since the passage of Indiana's *Religious Freedom Restoration Act* (RFRA).*

The largest gay group in one Western state is demanding that Churches who follow the Bible be shut down by the government.

<<Jeran Artery, the chairman of Wyoming Equality posted that stunning statement to his Facebook page. When Christians reacted with outrage, the cowardly Artery deleted it. No apology, just

hoping it would go down the memory hole. No such luck.

The folks at [Conservative Colorado](#) got a screen shot of the post before Artery deleted it.

Today, in a stunning statement, Jeran Artery, Chairman of Wyoming Equality argued that churches who do not support same sex marriage should lose their tax exempt status.

"Churches that lobby to have freedoms and rights taken away from ANYONE should absolutely have their 501(c)3 status revoked!!"

Talk about tolerance, freedom of speech, and religious freedom. Disagree with Artery's views of same sex marriage and your church will be shut down.

This is what tyranny looks like.

Jeran Artery Churches that lobby to have freedoms and rights taken away from ANYONE should absolutely have their 501(c)3 status revoked!! P.S. thanks for

This should come as no surprise, as it reflects the vile militancy the LGBT movement is known for. Just as they unleashed threats of violence and arson against a tiny pizzeria in Indiana when they dared to express a very mild opinion against gay marriage, so they want to punish Christians who dare to preach, well, Christianity.

It makes perfect sense that a far-left gay group would advocate this, as it is how Obama used IRS official Lois Lerner to silence conservative groups. But notice who he did *not* mention: mosques. Gays never criticize Islam, even though it is only Muslims who are hanging gays from cranes and throwing them from buildings every single week.

Get ready. With weak-knees like Indiana Gov. Mike Pence (R) already backing down, you can expect the pink mafia to step up their aggressive action against Christians who dare to exercise their 1st Amendment rights.

Obama: Ban Parents from Having Children Counseled Not to be 'LGBTQ+'

President Barack Obama, through a statement posted Wednesday night on the White House website by adviser Valerie Jarrett, backed legislation that would ban parents from having their children counseled not to be what Jarrett called "LGBTQ+".

"As part of our dedication to protecting America's youth, this Administration supports efforts to ban the use of conversion therapy for minors," Jarrett said in the White House statement.

"Conversion therapy generally refers to any practices by mental health providers that seek to change an individual's sexual orientation or gender identity," said the statement. "Often, this practice is used on minors, who lack the legal authority to make their own medical and mental health decisions. We share your concern about its potentially devastating effects on the lives of transgender as well as gay, lesbian, bisexual, and queer youth."

American Baptist College Defends Invite to Lesbian Speaker, Says Christians Make 'Idol' of Bible

March 12, 2015--NASHVILLE — An American Baptist College is defending its invitation to an openly lesbian United Church of Christ minister, asserting that Christians are making an "idol" of the Bible.

"It's sad that people use religion and idolatry of the Bible to demoralize same-gender-loving people," American Baptist College President Forrest Harris told The Tennessean on Wednesday.

The publication then asked that he clarify his use of the phrase “idolatry of the Bible.”

“When people say [the Bible] is synonymous with God and the truth,” Harris responded. “We can’t be guided and dictated by a first-century world view.”

The college had invited Yvette Flunder, a bishop at the City of Refuge United Church of Christ in Oakland, Calif., to speak at its Garnett-Nabrit lecture series next week, which focuses on Christian leadership. The theme is “Ministry in Motion: Living Faith, Doing Justice.” **The United Church of Christ leader is “married” to her partner Shirley Miller.**

2Th 2:10 And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

2Th 2:11 And for this cause God shall send them strong delusion, that they should believe a lie:

2Th 2:12 That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

After all regional bodies finish voting and top Presbyterian leaders officially accept the results, the change will take effect June 21. The denomination has nearly 1.8 million members and about 10,000 congregations and is now the largest Protestant group to authorize gay weddings churchwide.

Last year, Presbyterians allowed ministers to preside at gay weddings if local church leaders approved in the states where same-sex unions were legally recognized. The new wording for the church Book of Order extends that authorization to every congregation...

[Apostate Pastor Rick Warren And Elton John Hold Hands In Congress, Joke About Kissing Each Other](#)

Laodicean church pastor Rick Warren appeared in Congress with pop icon and outspoken homosexual Elton John on Wednesday to ask for more money for AIDS research. They were clearly having such a good time that they started holding hands as you see in the photo below.

After taking their seats at the witness table, the giddy pair laughed and smiled as they held hands, with Warren saying "Amen" and cautioning Elton John that if they kissed it would be "the kiss heard 'round the world." Is Rick Warren trying to tell us something here, is there a "coming out" moment in his future? Hard to say at this point, but sure looks like it. Such is the state of the professing

Christian Church in 2015, weak, powerless, and effeminate. "And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God; I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot. So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth."

Revelation 3:14-16 (KJV)

Rick Warren is the perfect representative of the Church of Laodicea in the last days.

Proverbs 17:15: "He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the LORD."

Jude 3&4: "Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints. For there are certain men crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ."

Romans 16: 17&18: "Now I beseech you, brethren, mark them which cause divisions and offences **contrary to the doctrine which ye have learned**; and avoid them. For they that are such **serve not** our Lord Jesus Christ, but their own belly; **and by good words and fair speeches deceive the hearts of the simple.**"

Jeremiah 48:10: "Cursed be he that **doeth the work of the LORD deceitfully...**"

Jeremiah 7:28: "But thou shalt say unto them, **This is a nation that obeyeth not** the voice of the LORD their God, **nor receiveth correction**: truth is perished, and is cut off from their mouth."

Luke 16:15: "And he said unto them, Ye are they which justify yourselves before men; but God knoweth your hearts: **for that which is highly esteemed among men is abomination in the sight of God.**"

Chastened Church leaders take back seat in Irish gay marriage vote

DUBLIN (Reuters) - Its word was once law in Ireland on everything from contraception to divorce. Now, shorn of much of its influence, the Catholic Church has limited campaigning on Friday's gay marriage referendum to sermons to its remaining flock.

Little over two decades after it legalized homosexuality, Ireland will become the first country to approve same-sex marriage via a popular vote, if polls that predict a victory by as much as two-to-one prove accurate.

Church unnerved by Ireland's huge 'Yes' to gay marriage

Dublin (AFP) - The once-dominant Catholic Church in Ireland was trying to come to terms Sunday with an overwhelming vote in favour of gay marriage, **saying it needed a "new language" to connect to people.**

As jubilant "Yes" supporters nursed their hangovers after partying late into the night following Saturday's referendum result, the faithful attended mass to hear their priests reflect on the new social landscape in Ireland.

"The Church has to find a new language which will be understood and heard by people," Archbishop of Dublin Diarmuid Martin, a senior Irish cleric, told reporters after mass at the city's St Mary's Pro-Cathedral.

"We have to see how is it that the Church's teaching on marriage and family is not being received even within its own flock."

The issue has dominated the media for weeks **but the Church has been largely absent, its influence ravaged by revelations of child abuse by priests and members of religious orders, after decades of gradual decline.**

2Pe 2:4 For if God spared not the angels that sinned, but cast *them* down to hell, and delivered *them* into chains of darkness, to be reserved unto judgment;

2Pe 2:5 And spared not the old world, but saved Noah the eighth *person*, a preacher of righteousness, **bringing in the flood upon the world of the ungodly;**

2Pe 2:6 **And turning the cities of Sodom and Gomorrha into ashes condemned *them* with an overthrow, making *them* an ensample unto those that after should live ungodly;**

2Pe 2:7 And delivered just Lot, **vexed with the filthy conversation of the wicked:**

2Pe 2:8 (For that righteous man dwelling among them, in seeing and hearing, vexed *his* righteous soul from day to day with *their* unlawful deeds;)

2Pe 2:9 The Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgment to be punished:

Jude 1:7 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.

The Battle is Raging! Where is Our Team?

April 9, 2015--NewsWithViews.com--How is it that a perverted minority have seized control and the direction of this nation? How can a group of people who, according to our government comprise only about 3% of all Americans, be such a powerful force in this nation?

How can they get multi-national corporations and government agencies to boldly and publicly run interference for their cause? How can such a small minority convince a world-wide religious system to change what they believe about the teaching of their Bible in order to accommodate what is clearly taught as unnatural and unholy within the pages thereof?

How can a small pack of yapping dogs chase those who oppose their deviancy into the closet where they cower in fear of being bitten by the perverted poodles? For the love of all things righteous, how can Christian men and women yield God's foundational institution of marriage, in the name of love and tolerance? **The answer is really quite simple—they are evil, organized, have enormous financial backing and they show up.**

There are churches on nearly every street corner in America, but the sad truth is that most of those occupying the pews don't even realize that they should be playing on the same team or for that matter that they are even in a battle. As I have found out over the past decade, the pastors in most towns aren't even friends with one another. They typically view their fellow pastors as competition. We cannot fight the REAL enemy because there is no unity within the denominational morass that passes as Christianity. Meanwhile, the god-haters are eating our lunch. Every vestige of Western Civilization is crumbling as God's team remains on the sidelines. No...wait...they're not even on the sidelines. They are simply watching the cultural war from the comfort and security of their living rooms. It has never dawned on them that, as Jude told us, we are to "earnestly contend for the faith."

☐1Co 1:11 For it hath been declared unto me of you, my brethren, by them which are of the house of Chloe, that there are contentions among you.

☐1Co 1:12 Now this I say, that every one of you saith, I am of Paul; and I of Apollos; and I of Cephas; and I of Christ.

☐1Co 1:13 Is Christ divided? was Paul crucified for you? or were ye baptized in the name of Paul?

☐1Co 3:3 For ye are yet carnal: for whereas *there is* among you envying, and strife, and divisions, are ye not carnal, and walk as men?

☐1Co 3:4 For while one saith, I am of Paul; and another, I *am* of Apollos; are ye not carnal?

1Co 3:5 Who then is Paul, and who *is* Apollos, but ministers by whom ye believed, even as the Lord gave to every man?

1Co 3:6 I have planted, Apollos watered; but God gave the increase.

1Co 3:7 So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase.

1Co 3:8 Now he that planteth and he that watereth are one: and every man shall receive his own reward according to his own labour.

1Co 3:9 For we are labourers together with God: ye are God's husbandry, ye are God's building.

1Co 3:10 According to the grace of God which is given unto me, as a wise masterbuilder, I have laid the foundation, and another buildeth thereon. But let every man take heed how he buildeth thereupon.

1Co 3:11 For other foundation can no man lay than that is laid, which is Jesus Christ.

Time To Rise Up, Engage, Fight And Realize We Are In A War!

By Susan Duclos - [All News PipeLine](#)--America is in a battle, politically, morally, economically, religiously..... on every front the US is being attacked and those being attacked are sitting back and allowing the enemy to win.

Those that scream the loudest are heard, those that stay silent or whisper... are not. We do not have to raise a weapon to "rise up, engage and fight." All News PipeLine is not in any way suggesting a violent revolt, but one has wonder why we are not even hearing the voices of the majority of the country who stand for religious liberty, who want honesty in government, who want the borders secured, who want the economy to grow rather than stagnate or weaken, who want freedoms guaranteed to us to be honored, and who want the US to be a constitutional Republic again?

Coach Dave Daubenmire joins Doug and Joe for a fascinating discussion based on his recent article "[Where is our team?](#)," we listen to him discuss how Christians are being persecuted and their voices are drowned out right here in America, while the enemy "runs out the clock," we feel his heartfelt assertions can be applied to every aspect of the attacks happening against America... from within.

While Daubenmire speaks to the religious and spiritual battle happening right now, there are other battles taking place that his ideas, his suggestions can help Americans fight. We have the recent news of an military trained Iraqi man, who speaks fluent Russian, crossing our open borders, and as Doug Hagmann states at the beginning of the show embedded below, if you caught one there are probably thousands that weren't caught. We are clearly being infiltrated and it is being allowed and encouraged by the US government.

We see countries across the world preparing for a world war while Obama decimates the US military and leaves them woefully unprepared and expressing concern over our ability to protect and defend America, yet the US is only preparing a safe haven for the "elite"..... where is the outrage?

We have what many believe to be martial law practice drills with Jade Helm 15, happening on American soil for the first time in history with videos and leaked documents showing the unprecedented and dangerous training exercises

geared toward war on Americans by our own government..... where is our Army of enraged citizens?

Certainly not on the steps of Congress demanding answers!

We have schools forcing students to pledge allegiance in Arabic, an economy on the verge of falling into a third world country, experimentation with CERN where scientists talk about opening "parallel universes" and "other dimensions," and much, much more..... yet the general populace is silent.

Everyone should listen to Coach Daubenmire below, then ask yourself what you can do.
