- Composing Only 5% of the World Population, Americans Take 50% of All Pharmaceutical Drugs
- Over 10,000 American Toddlers Are Being Given ADHD Drugs
- Natural Remedies for Cancer
- ++ The Bilderberg Plan to Obliterate Humanity

**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. **But all things that are reprov'd are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

**II Chronicles 7:14:** "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

---

## Composing Only 5% of the World Population, Americans Take 50% of All Pharmaceutical Drugs

April 20, 2014-**While Americans comprise only 5 percent of the world population, we consume an incredible 50 percent of Big Pharma's drugs,** as explained in Jeff Hays' [documentary film, \*Doctored\*](#). Make no mistake. **These drugs are meant to keep us imprisoned in poor health, not heal us.** It's time to kick the drug habit America. Tell the drug pushers – Merck, Pfizer, Novartis, Roche, GlaxoSmith Kline, Abbott, Astra-Zeneca, Amgen, Eli Lilly, Bristol-Myers Squibb, and Sanofi (along with the FDA and CDC) that you are going cold turkey **Comment: As a doctor I personally almost never advise this as your body has usually built a dependency on the drug you are taking...**, and learn what true health really means.

Sadly, Americans are more familiar with names like Abilify, Nexium, Plavix, Crestor, Advair and Cymbalta (the [top selling drugs](#)) of Big Pharma, than names

like *Aloe Vera*, *Curcuma longa*, *Allium sativum*, [\*Moringa oleifera\*](#), all [indigenous plants](#) that have healed millions around the world.

You've likely heard the phrase before that just a dozen huge corporations are keeping Americans popping pills (while they rake in billions), but have you really thought of what these numbers translate into, in terms of real health?

---

### [Over 10,000 American Toddlers Are Being Given ADHD Drugs](#)

According to CDC officials, **more than 10,000 American toddlers—children who are just 2 or 3 years old—are being medicated** for alleged attention deficit hyperactivity disorder ([ADHD](#)).

There are [few studies](#) on the impact of psychostimulant ADHD drugs like (Ritalin) or amphetamines (like Adderall) in children this young. **However, we do know that the [side effects of ADHD drugs](#) include stunted growth, insomnia, hallucinations, high blood pressure, involuntary movements, aggressive behavior, heart attack, brain hemorrhage, stroke, migraines, and seizures. [Emerging evidence](#) also suggests that Ritalin can cause long-term damage to developing prefrontal cortexes, resulting in “rigid behavior, difficulties with multitasking, or problems with short-term memory” later in life.**

Technically, there is not even a diagnosis for ADHD in children under 3 years old. In part, this is because “hyperactivity and impulsivity are developmentally appropriate for toddlers”—meaning that we're medicating kids just for being kids.

Another fact illuminated by the CDC study: toddlers on [Medicaid](#)—free or low-cost healthcare provided by the government for low income families—are disproportionately [more likely to be prescribed ADHD drugs](#). The CDC analysis, which studied Medicaid recipients in Georgia and projected the data nationally, found that one in 225 toddlers on Medicaid are being medicated for ADHD. **This means at least 10,000 poor kids are being drugged for a medically nonexistent disorder.** By way of comparison, only 4,000 toddlers covered by private insurance are being given ADHD meds.

Researchers also found that “effective non-pharmacological treatments,” including providing “a more structured environment” for children, were being ignored.

### What The Cancer Industry Does Not Want You To Know About Chemotherapy and Radiation

- Radiation-induced secondary cancers have exploded in the last two decades due to radiation treatment
- 90% of chemotherapy patients die 10-15 years after treatment and the cause is never attributed to treatment
- More than 50% of all cancer patients suffer significant treatment-related toxicity.
- Chemotherapy does not eliminate breast, colon, or lung cancers yet chemo drugs are still used on these cancers.
- Patients who undergo chemo are 14 times more likely to develop leukemia and 6 times more likely to develop cancers of the bones, joints, and soft tissues than those patients who do not undergo chemotherapy.
- Chemotherapy drugs directly damage DNA
- Chemotherapy actually boosts cancer growth
- 68% increase in Chemo drugs since 2003
- 75% increase in cancer projected by 2030

PreventDisease.com

**Back to the main report:** Annual sales for just one drug, [Humira](#), was **\$9.3 billion**. That puts Abbott squarely at the top of the list as one of the most successful drug companies of all time. One drug. One year. \$9.3 billion. This particular drug is meant to inhibit cancerous tumor growth, but there are dozens of natural remedies for the same purpose. Consider: turmeric, papaya leaf, grape seed extract, ginger, and a host of other inexpensive plants can treat cancer. Here are [4 cancer fighting foods](#). Cost – around \$3 per day per item.

## **Global cancer rates to skyrocket by 70% over next 20 years as conventional medicine fails**

---

#### **Back to the main report:**

**What if that \$9.3 billion were used to clean up the environmental messes from fracking, oil drilling, oil spills, mining, nuclear meltdowns, chemtrails, pesticide and herbicide spraying, chemical dumping, and more, that have (in part) caused cancer?**

**Our money and our health is wasted on these companies & we need to unplug from the drugs. We are typically overworked, under-nourished, over-fed, and lied to. You don't need another pill. What really needs to pop is the illusory bubble that Big Pharma is the answer.**

### **The Bilderberg Plan to Obliterate Humanity**

February 10, 2014--Shepard Ambellas--  
By Dave Hodges ([INTELLIHUB](#)) —

**I recently interviewed [Daniel Estulin](#) the author of what will be the newest best seller, *TransEvolution: The Coming Age of Human Deconstruction*.**

**Estulin wrote the book based largely on a Bilderberg white paper which was**

**smuggled to him by a Bilderberg insider. The document was filled with information which spelled the end of the human race as we know it.**

Hollywood has made millions on movies like *The Terminator*, *Blade Runner*, and *RoboCop*, just to name a few. In fact, *RoboCop* is being re-released in the next several weeks. **Estulin states that cyborgs or man-machines are the future in a post-human world. Yes, you read that correctly, we could soon find ourselves living in a post-human world.**

**You may be familiar with the new TV series on FOX called *Almost Human* where one of the main characters is a cyborg cop. We could see such an interaction between nonhuman and morphed humans in the near future (i.e. *RoboCop*).**

**In the future of transevolution we will be witnessing a literal fountain of youth, which will result from becoming a cyborg as it will soon be possible to purchase**

**this technology in the future. However, everyone except the super elite will be banned from purchasing this literal fountain of youth.**

Humanity will be similar to what movie goers saw in the Summer of 2013 in the movie, *Man of Steel*. In the opening 30 minutes of the movie, it was revealed that every resident of Krypton had certain genes “turned on” and certain genes “turned off”. And everyone from Krypton, except for Superman, had been artificially bred for specific purposes. This is what humanity is quickly moving towards and unless you are the elite, humanity will be bred, dumbed-down if needed, to serve a purpose for the global elite.

Estulin mentioned that the wholesale destruction of the world’s economy is not an accident, nor is it a miscalculation or the result of political shenanigans. This destruction is being done on purpose, *absolutely on purpose*. Estulin revealed that his Bilderberg insider told him that the slave masters on this planet want to collapse the economy, force people into the stack and pack cities of mega millions and then exterminate most of humanity.

Estulin and I explored the methods that the super elite may use to exterminate 90% of all people on this planet. We both agreed that starvation is the most likely candidate. Starvation is a clean method of killing, it is quick and it would leave the planet in good shape for the global elite to establish their paradise on Earth.

**TOOLS** [Psa 56:1](#) Be merciful unto me, O God: for man would swallow me up; he fighting daily oppresseth me.

**TOOLS** [Psa 56:2](#) Mine enemies would daily swallow *me* up: for *they be* many that fight against me, O thou most High.

**TOOLS** [Psa 56:3](#) What time I am afraid, I will trust in thee.

**TOOLS** [Psa 56:4](#) In God I will praise his word, in God I have put my trust; I will not fear what flesh can do unto me.

**TOOLS** [Psa 56:9](#) When I cry unto thee, then shall mine enemies turn back: this I know; for God is for me.

**TOOLS** [Psa 56:13](#) For thou hast delivered my soul from death: wilt not thou deliver my feet from falling, that I may walk before God in the light of the living?

Some of my readers and listeners have asked me about why I am so opposed to Agenda 21 and devote so much time fighting against it? To these and all others, I answer that forcing humanity to forsake rural and suburban living and move into the soon-to-be death traps of these mega cities, is very consistent with the tenets of Agenda 21 (i.e. Earth First).

I recently interviewed my good friend, Barbara Peterson, who presented evidence which demonstrated that the super elite are in the process of attacking not just humans with GMO’s which will eventually kill you, the GMO’s are also sterilizing our food supply. And then, as if by magic, Peterson and I took calls on my show from farmers all across the country, who confirmed the sterilization of both crops and farm animals was well under way.

Let’s give credit where credit is due. Monsanto is not alone in this conspiracy against humanity. In Chapter two of his book, Estulin, **details how huge corporations like Monsanto, Cargill, and Archer Daniels are plotting to set up mass starvation on the planet. These corporate names became household names and they have**

become an *“interlocked self perpetuating syndicate that will decide who eats and who doesn’t, who lives and who dies.”*

Why are mega corporations, such as these and a small socio-political elite allowed to own our food and control the very basis of humanity? The simple answer is, because they are evil and they can.

Estulin’s research indicates that GMO food was the creation of the Rockefeller Foundation, who are members of the Bilderberg Group. This all part of the plan for total control of mankind. As an aside, Barbara Peterson noted in my interview with her that McDonalds fries will soon all be made of GMO’s.

Genetic engineering is about taking control of nature, redesigning it and rebuilding it. The phrase “playing God” comes up in almost every conversation about genetic engineering. This is no longer the stuff of science fiction. Nothing *good* comes from genetic engineering as this generation of children will be the last generation which will be human in the sense that we define humanity today.

Estulin documented how insects are being weaponized for combat through chipping as a result of recent DARPA projects. Humans will soon be chipped, not necessarily for warfare, but for the purpose of transformation into something hideous which will serve the whims of the global elite.

Presently, all the communication happening on the planet right now can be monitored in real-time and it is being done to control us, to dumb us down, to brainwash, to influence, and to predict our future behavior. The super elite is doing this so that *we don’t get in the way of important people by doing too much thinking on our own*. A simple example of this fact is in evidence in an ever-increasing number of airports as facial scanning techniques are designed to reveal to security individuals who are angry, malevolent, etc. This technology is right here, right now!

Estulin mentions Nazi Germany, in his book, numerous times throughout the book, Estulin drew a similarity between the mass control the Nazis had in comparison to the control the super elite has over the human race right now. Presently, America is approaching the 21st century fulfillment of what Hitler, Stalin and Mao as they attempted to initiate their genocidal regimes.

According to USA Today, “NASA recently revealed that their Mars robotic rover has found signs that a vast and hospitable lake once spread over the now-desolate surface, a potential home to past life for centuries or more.”

With this new discovery that life may be possible on Mars, the elite could easily, through nanotechnology subsequently build a homestead there! There are many private corporations on the planet who are ready to go to Mars within five years. Some speculate that billionaire, Robert Bigelow, is ready now.

Apparently, if the elite cannot exterminate humanity in the clean and neat ways that they have designed, it may be necessary to temporarily move off world while the job is completed in more “messy” ways. According to some, this is their “Plan B”.

**Comment: Sorry Satan but this will not happen from a Biblical standpoint:**

**TOOLS** [Psa 2:1](#) ¶ Why do the heathen rage, and the people imagine a vain thing?

**TOOLS** [Psa 2:2](#) The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying,

**TOOLS** [Psa](#) Let us break their bands asunder, and cast away their cords from

	<u>2:3</u>	us.
TOOLS	<u>Psa</u> <u>2:4</u>	He that sitteth in the heavens shall laugh: the Lord shall have them in derision.
TOOLS	<u>Psa</u> <u>2:5</u>	Then shall he speak unto them in his wrath, and vex them in his sore displeasure.
TOOLS	<u>Pro</u> <u>16:4</u>	The LORD hath made all things for himself: yea, even the wicked for the day of evil.
TOOLS	<u>Job</u> <u>21:30</u>	That the wicked is reserved to the day of destruction? they shall be brought forth to the day of wrath.
TOOLS	<u>Heb</u> <u>12:2</u>	Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God.
TOOLS	<u>Psa</u> <u>45:6</u>	Thy throne, O God, is for ever and ever: the sceptre of thy kingdom is a right sceptre.
TOOLS	<u>Psa</u> <u>47:8</u>	God reigneth over the heathen: God sitteth upon the throne of his holiness.

Unlike Huxley, I have seen nothing brave about this new world. Nanotechnology is a powerful new technology for taking apart and reconstructing nature at the atomic level. Scientists are acting like God to manipulate life through the use of this technology. I can only imagine all the horrible things nanotechnology can do to the human race.

*Nothing good with regard to nanotechnology can or will come from this blatant insanity.*

The plans of the global elite constitute an abomination before God.

Right now, the elite are employing their "Promethean plans" which will change the world and will transform the very essence of humanity. Again, this is happening Now.

Let's make no mistake about it; the super elite are attempting to become more powerful than God.

**Comment:** Hmm... Where have I heard that before? Oh I know:

TOOLS	<u>Isa</u> <u>14:12</u>	¶How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!
TOOLS	<u>Isa</u> <u>14:13</u>	For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:
TOOLS	<u>Isa</u> <u>14:14</u>	I will ascend above the heights of the clouds; I will be like the most High.
TOOLS	<u>Isa</u> <u>14:15</u>	Yet thou shalt be brought down to hell, to the sides of the pit.

The super elite controls the human race in almost every imaginable possible way. Just the term, "conspiracy theorist", was invented by the global elite as a marginalizing tool to keep the public from believing in conspiracy theories that will enslave humanity.

Little that happens in our world is an accident; it's all part of this grand plan. (Photo: Intellihub News/Shepard Ambellas)
